

4 Tricks To Make Her Orgasm- AskMen Bob Barrick

Her shoulder, white like a page. Her sex; her words.

Her words; italic little men dancing naked 'round a maypole.

I've drug myself through the tombs of unnamed princes, those child-kings spared of contracting their graves, and, through the hole the floor dug in my knee, I've taken thousand-year-old dirt into my bloodstream.

Say I were
to take my tongue
to her naval.
Would her stomach turn to jam?
I ask the Internet
how to give a girl an orgasm.

I am the aggregate knowledge of a millennium's men.

Say I were to compare her to another lover.
