## A New Jacket

I just bought this jacket
Doesn't it look like something from the
army
Like Tom Hanks in that movie
Yeah, I got it Saturday
But I crossed out OLD NAVY on the tag
And wrote "real army"
This hombre is no corporate tool

-Brad Latino

My eyelids deceive me when I look at them, darkness at first and then reflection of flesh, images of bony bodies, dark red lips, and mysterious violet eyes.

-Liz Sidley
