

# TAX REFORM DURING PRESIDENT REAGAN'S FIRST FOUR YEARS: A SELECTIVE BIBLIOGRAPHY

MICHAEL CHIORAZZI\*

This bibliography contains scholarly articles dealing with tax reform and legislation during President Ronald Reagan's first term. Because of the sweeping nature of President Reagan's tax legislation, nearly all recent tax articles discuss the effects of the Economic Recovery Tax Act of 1981 (ERTA), the Tax Equity Fiscal Responsibility Act of 1982 (TEFRA), and the Tax Reform Act of 1984 (TRA). Materials were chosen on a highly selective basis: only those materials that devote substantial attention to the President's tax legislation or proposed tax reforms are included. A separate section of tax symposia and institute papers is also included.
