In Fig. 10, the labels “ J_{ab} ” and “ J_c ” were interchanged. The correct figure along with the original caption appears below.

FIG. 10. Exchange interaction in LaMnO_3 with the full Hamiltonian, i.e., with $J_H = 1$ eV and with t_{2g} hopping included. The intraplane and interplane exchanges, J_{ab} and J_c , correspond to the e_g - e'_g and e'_g - e'_g orbital orientations, respectively.
