FRANK COOKE

Natural Highs F***ing Exist

I write here to share feelings I had so long ago. I am how anyone should be. I know how I feel. Somehow right now, I've never thought more but known less. (Pen & Ink, & Photography, Photoshop)

JENNIFER LEO

Avila Beach: Where the Forest Meets the Sea

A conceptual promotional campaign of Avila Beach that promotes it as a travel destination filled with nature and wildlife. I completed this project in Typography III in the spring of 2024. I made the illustrations in Adobe Fresco and arranged everything in InDesign.
