PAPER DRAGONS: THE  
FIGHT FOR THE  
HIDDEN REALM**

Yeung Zhi Ging is an orphan girl raised by the healer for the village of glass makers. Zhi Ging has been bullied all her life because she is different than the glassmakers' children. Her troubles only get worse when the healer is sent into her final year to travel the realms. When Zhi Ging is chosen by the spirits to be the second silhouette from her home region, will she discover who she really is? Or will she become a criminal outcast on the run?
