Lee Liberman President-Elect

A change in the by-laws of the Board of Directors has effected a new procedure whereby a president-elect for the Hospital will be named.

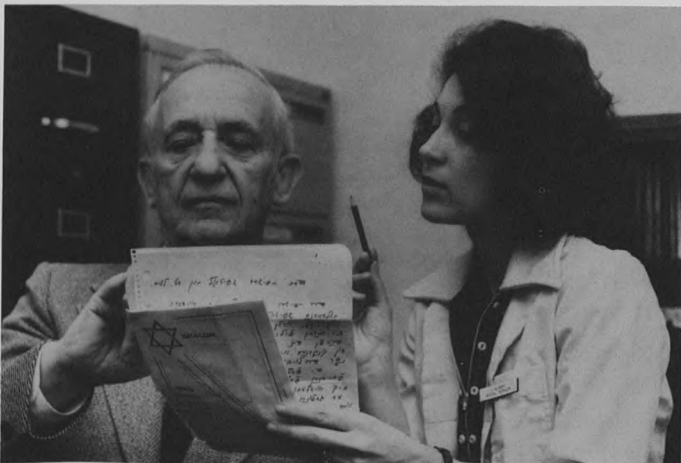

President-elect Lee M. Liberman will assume duties as president of the Hospital in January 1974, when Edward B. Greensfelder's term ends.

Mr. Liberman is president of Laclede Gas Company and a director of Laclede Gas, Permaneer and Boatmen's Bank. He also serves as a director for the Boy Scouts, Downtown St. Louis, Inc. and the United Fund. Mr. Liberman has served on the Hospital Board of Directors since 1962.

Louise M. Monheimer attended a dinner given in her honor by the Department of Surgery in appreciation for establishing a major endowment at the Hospital. The Louise M. Monheimer Fund for Surgical Education was a gift from Louise Monheimer and her daughters in memory of her parents, Louis M. and Clara K. Monheimer. With her are Dr. J. G. Probstein, left, and Edward B. Greensfelder, Hospital president.

Shalom Volunteer Program

Mr. Morris Jick assists Mrs. Judi Alpert, social worker, in translating the Shalom Volunteer Program brochure into Yiddish.

Shalom volunteers Mrs. Dan (Shirley) Landau, left, and Mrs. Jack (Betty) Chapnick, visit with patient Mrs. Ida Fox.

Imagine how frustrating a language barrier must be for a hospital patient. A Yiddish-speaking patient, for instance, would find it most difficult to convey her thoughts, feelings and needs to a nurse and indeed to her own physician if she was unable to speak English.

As a solution to this problem Jewish Hospital has initiated the Shalom Volunteer Program as an additional response to the needs and comforts of Jewish patients.

Shalom volunteers are concerned men and women from the community interested in helping others by providing a special service—speaking Yiddish with those patients who need to converse in Yiddish. At the same time they serve as “company” for the patients they visit in the clinic, the emergency room and on patient floors each week morning. They’re on the scene weekend mornings as well, and, if needed, can be reached by phone to translate for patients who are unable to communicate satisfactorily with the nursing staff and physicians. They serve in addition to Yiddish-speaking members of the staff who can't comply with all the requests.

Each Shalom volunteer distributes an information brochure, printed in English and Yiddish, to all Jewish patients upon admission. The brochure explains the new patient program as well as the many religious observances and special activities held at the Hospital for Jewish patients.

Shalom volunteers are: Mrs. Max (Sarah) Gallop, Mrs. Al (Rebecca) Schenberg, Mrs. Benson (Rosalind) Skoff, Mrs. Norman (Lillian) Spetner, Mrs. Herman (Dorothy) Spivack, Mrs. Sarah Potashnick, Mrs. Jennie Tessler, Mrs. Dan (Shirley) Landau, Mrs. Jack (Betty) Chapnick, Mrs. Samuel (Sarah) Lefton, Mrs. Sam (Minnie) Platt, Mr. David Erlich, Mr. Henry Feldman and Mr. Morris Jick who assisted in translating the brochure into Yiddish. The program, sponsored by the Hospital Auxiliary was jointly organized by the Department of Community/Patient Relations and the Volunteer Office.

Shalom volunteers can be contacted through the Volunteer Office or the Nursing Office at the Hospital.

Major Gifts to Hospital by Mr. and Mrs. Roswell Messing Jr.

Mr. and Mrs. Roswell Messing Jr. have announced another major gift to The Jewish Hospital of St. Louis, according to Edward B. Greensfelder, president.

During the recent Expansion Fund effort, Mr. and Mrs. Messing pledged \$250,000 which will be recognized by naming the main entrance lobby and courtyard area in the Phase II construction program which includes the Sydney M. Shoenberg Pavilion.

Their most recent pledge of \$500,000 is made in the form of an outright gift of \$250,000 and a challenge grant of \$250,000 dependent upon the directors of the Hospital obtaining an additional \$250,000 in gifts and pledges to match the conditional portion of the gift.

"Bud and Wilma Messing have offered an exciting new impetus to our fund raising efforts," Mr. Greensfelder said. "As chairman of the Individuals Division of the Expansion Fund, Bud did an outstanding job in organizing the program. His generous commitment of time and financial support has contributed greatly to our success in obtaining more than \$9.5 million toward the expansion of facilities.

"This \$500,000 gift will greatly assist us in expanding our professional programs.

"In recognition of their generosity, we will establish an endowed Messing Professional Chair, the guidelines for which are presently being established. Endowed Chairs enable us to attract the most highly qualified physicians to develop innovative programs of patient care, education and research. Our commitment to excellence is fulfilled by the academic physicians who occupy these chairs," Mr. Greensfelder said.

"We greatly appreciate the benevolent support which Wilma and Bud Messing have provided. Their total commitment to the Hospital is a challenge to all of us who are concerned with better health care."

Mr. Messing, Chairman of the Board and Chief Executive Officer of World Color Press, has served on the Board of Jewish Hospital since 1968. He is a director of City Investing Company, Rheem Manufacturing Corporation and Lindell Trust Company.

His past and present civic activities include board membership for the Jewish Community Centers Association, Rotary Club of St. Louis, Jewish Federation, United Fund, Young Presidents' Association, Mary Institute, St. Louis Ambassadors and the Backstoppers.

A graduate of the University of Missouri, Mr. Messing is a past member of the Advisory Council of the School of Business and Public Administration. He currently serves on the Board of Directors for the University's Development Fund.

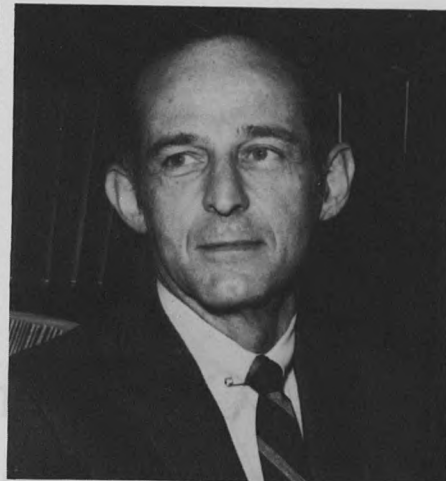

In 1959 he received the Citation of Merit for Outstanding Achievement and Meritorious Service in Business Administration. The award was established at the University in 1958.

MESSING EDUCATION FUND FOR NURSING

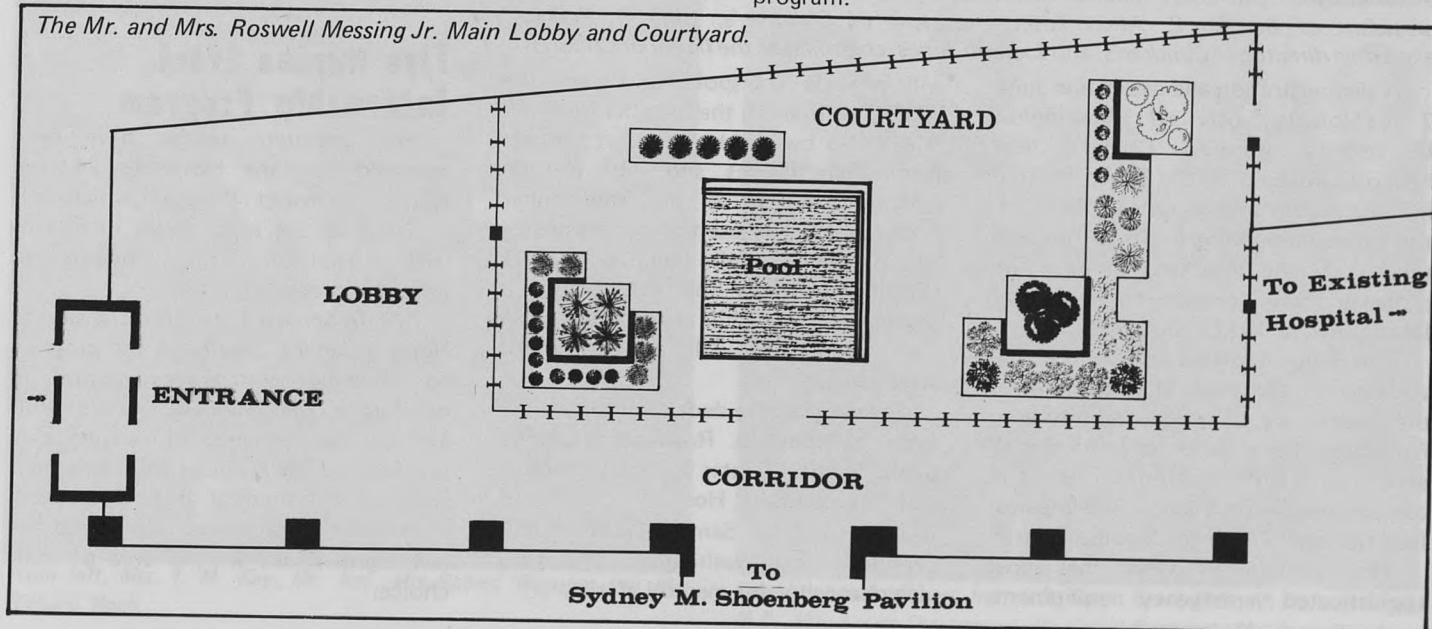

In addition to their recently announced major gifts to the building and professional programs, Mr. and Mrs. Roswell Messing Jr. have established the Messing Educational Fund for Nursing with a gift of \$6,000 to cover a three year period.

The Fund is designated to provide monies for seminars, site visits and other similar educational activities to registered nurses who are employed full time at Jewish Hospital and who have completed at least one year of service. Recipients of the grants will be selected by a committee composed of administrative, nursing and Hospital board representatives.

In providing nurses with additional educational experiences, the Messing Fund will greatly benefit our patient care program.

WUMC Heliport Now In Operation

The emergency squad goes into action as a construction accident "victim" is flown in to the WUMC heliport, as a demonstration at the heliport opening.

Attending the dedication ceremony of the WUMC heliport, from left, are: Ethan A. H. Shepley, president of Barnard; David A. Gee, executive vice president, Jewish; Edward B. Greensfelder, president of Jewish and immediate past president of WUMC; Raymond Rowland, chairman of WUMC and Barnes; Samuel B. Guze, vice chancellor of Washington University Medical School and president of WUMC; Robert E. Frank, president of Barnes; C. Alvin Tolin, president of Children's; Linn B. Perkins, executive director of Children's, and Landon Jones, chairman of the board of Children's.

A demonstration and dedication June 7 officially opened Washington University Medical Center's new heliport. Located on the Busch Parking lot at Clayton and Newstead Avenues, the helicopter landing pad is within easy access of the Medical Center. The property was donated by Anheuser Busch, Inc., in 1971.

The Heliport service represents a vital addition to the medical center and to the health care of the community as it facilitates the transfer of critically ill and injured patients to the comprehensive emergency and medical facilities available at the Medical Center.

The ambulance, with the most sophisticated emergency equipment,

will provide transportation from the WUMC heliport to the member hospital. It will also be used to transport patients from their homes and will provide patient transfer to or from other hospitals. Priority use for the ambulance will be to serve the heliport. Barnes Hospital provides the driver for all ambulance trips while the hospital using the ambulance will provide cabin attendants.

Speaking at the dedication ceremony were Raymond E. Rowland, chairman of the Medical Center board of directors and of Barnes Hospital board of trustees, and Dr. Samuel Guze, WUMC president and Washington University vice chancellor for medical affairs.

The In-Service Education Division of Nursing Service developed the program to provide clinical experience in developing the graduate nurse's skills and her performance of nursing care procedures. These nurses will work eight weeks in the medical area, eight weeks in surgical nursing and will spend the last eight weeks in the area of their choice.

Hospital Matches 100%, 30 Interns Appointed

Jewish Hospital again matched 100 per cent of its internship positions through the National Intern and Resident Matching Program. There were 14 straight medicine internships and seven straight surgery internships filled. In addition, residency positions in obstetrics and gynecology and pathology were filled.

Over and above the formal matching arrangements the Hospital obtained three medical interns, one surgery intern and three dental interns for a total of 30 new first year house staff positions for the year beginning July 1. The total Jewish Hospital house staff will number 107 interns, residents and clinical fellows for the coming year.

The matching program is the result of a cooperative effort on the part of medical students, medical schools and hospitals to match students with hospitals in the best possible combinations according to both students' and hospitals' preferences.

Of 7,200 United States hospitals only 10 per cent have house staff educational programs. More than 13,000 students participated in this year's matching program for the available openings which numbered over 18,000. The total matched was 10,638 which is about 57 per cent. In the St. Louis area, all the Washington University Medical Center hospitals filled their internship positions for 1973-74.

AUXILIARY SPRING FLING

Mrs. M. Erwin Bry Jr., right, outgoing president, stands with Mrs. Charles Fendell, who was recognized for 20 years of service as financial advisor to the Auxiliary.

Mrs. Arnold Dankner, left, and Mrs. Joseph Frager, writer and director respectively of the production.

Auxiliary officers are, standing, from left, Mrs. Lloyd Arkin, Mrs. Paul Putzel, Mrs. Henry H. Stern Jr., Mrs. Clifford Shanfeld, Mrs. Jonas Weil, Mrs. Lester Seasongood, Mrs. Earl Kessler. Seated, from left, Mrs. Charles Steiner, Mrs. Arthur Bierman, Mrs. Robert Levinsohn, president, Mrs. David Smith, Mrs. Eugene Schweig.

Taking care of business came first with the installation of Mrs. Robert Levinsohn as president of the Hospital Auxiliary at the organization's Annual Spring Meeting April 27 at Meadowbrook Country Club.

Other new officers for the coming two-year term are: Mrs. Arthur Bierman, vice president, volunteer services; Mrs. David Smith, vice president, fund raising; Mrs. Clifford Shanfeld, financial secretary; Mrs. Earl Kessler, assistant financial secretary; Mrs. Jonas Weil, corresponding secretary; Mrs. Henry H. Stern Jr., assistant corresponding secretary, and Mrs. Paul Putzel, assistant treasurer.

Mrs. Martin L. Brand and Mrs. Harris Frank were named directors to serve for two years.

A special recognition followed as the Auxiliary expressed its appreciation to Mrs. Charles Fendell who has for 20 years served as financial advisor to the Auxiliary.

Then in an explosion of entertainment, a 12-woman company entered stage front to introduce Mrs. M. Erwin Bry Jr., outgoing president, and assist her with a musical revue of the Auxiliary annual report. The Dankner/Frager production of "In One Year and Out the Other", written by Mrs. Arnold Dankner, directed by Mrs. Joseph Frager and produced by Mrs. Richard Dalton, opened with a dynamic welcome song which rippled throughout the room of more than 300 Auxiliary members and guests.

Toe-tapping, hip-swinging and a few unique musical instruments accompanied the harmonious blend of hearty voices as the troupe paid tribute to all Hospital volunteers in every capacity — to "our men" volunteers and those conscientious workers in the patient representative program... to the 300 "pink ladies", and Candy Stripers and Teen Aiders who comprised the total 464 volunteers who toppled previous time records with more than 72,500 volunteer hours for the year!!!

The chorus sang salutes to those volunteers who create patient tray favors, the pinky puppet pushers, the bookmobile drivers and the bearers of photo-ident pictures of those VIP's the newborn. Not to mention a delightful skit proclaiming "We're the top Clover Garden floral shop"!

Happily they hailed the dedicated workers in the Gift Gallery, Coffee Shop and Tribute Fund and proudly proclaimed the allocation of three graduate nurse scholarships this year through the Auxiliary Life Membership Scholarship Endowment Fund. Clover Projects and Auxiliary sponsored student nurse activities were cheered—not a volunteer area was left unhailed as the chorus sang and danced its way through the annual report to the superb musical accompaniment of Pete Thompson.

In their final tribute, the Auxiliary players bridged the Broadway gap with "Sing Your Praise to Our Hospital" and a salute to the Shoenberg Pavilion addition. A fabulous finale which led the audience enthusiastically to a standing ovation with a promise of even greater Auxiliary accomplishments in the future.

But no production is an island, and this one certainly owes its success to all the women who worked so diligently on and off stage. Bravos for — the Program Committee, Mrs. Arnold Dankner, Mrs. Joseph Frager, Mrs. Barbara Goodman, Mrs. Arthur Loomstein, Mrs. Donald G. Quicksilver, Mrs. Eugene Schweig Jr., Mrs. David Smith.

— the Production Crew, Mrs. Barbara Goodman, Ms. Cindy Kolbrener, Mrs. Paul Lux, Ms. Rae Wiss, Mrs. Leonard Eastman, Ms. Gail Gelfand.

— and of course, the Stars, Ms. Patti Cohn, Mrs. Arnold Dankner, Mrs. Gene Deutsch, Mrs. Jerome Gross, Ms. Gail Gelfand, Mrs. Barry Mandel, Mrs. Bruce Michelson, Mrs. David Milton, Mrs. Laurence Schiffer, Mrs. Robert Shifrin, Mrs. Walter Stern, Mrs. Henry H. Stern Jr.

Hospital Division of Urology Establishes Clinic at JCA

The Hospital's Division of Urology and the Jewish Center for the Aged jointly have initiated a program through which urology residents will hold a clinic for patients with urological problems at the JCA.

Dr. Charles Manley, Director, Division of Urology, and Mr. Samuel Zibit, Executive Director, Jewish Center for the Aged, formalized the program in February. Facilities for an examination area and laboratory were designated and technical arrangements for staffing and

equipment were worked out by Dr. Manley and Mrs. Blanche Lockhart, Director of Nursing at the JCA.

On initial visits the resident talked with personnel at the JCA informing them of things to look for in regard to urological problems. Since that time, a resident has held clinic at the JCA every two weeks.

If a patient needs further evaluation he is sent either to the Hospital's clinic as an outpatient or admitted as an inpatient.

Nine More Employees Join Twenty Plus Club Ranks

It was a delicious, delightful and entertaining affair for new members as well as old as the Twenty Plus Club convened for the group's second annual dinner held May 8 at the Bel Air West.

The Twenty Plus Club was initiated last year as a means of honoring those employees who have given 20 or more years of service to the Hospital. This year 25 members gathered for a sociable evening of dining and "remembering when". After all, they've been here through most of the major changes which have occurred within Jewish Hospital and they've watched first hand the steady progress and the growth within their own departments.

After dinner and appropriate commentary by David A. Gee, executive vice president and charter member of the Twenty Plus Club, Mr. Gee

presented certificates to the new members.

For outstanding as well as long records of service, congratulations to the new initiates: Mrs. Bella Fendelman, General Accounting; Miss Grace Campbell, Food Service; Mrs. Juanita Irving, Food Service; Mrs. Johnnie Johnson, Food Service; Mrs. Elnora Levells, Laundry; Mrs. Helen Waldman; Mrs. Barbara McReynolds, Radiology; Mrs. Ella Forniss, R.N., Observation Rooms; Mrs. Inez Lyons, R.N., Outpatient Clinic.

All members of the club were presented new Hospital identification badges with their names and the number 20, Twenty Plus Club, imprinted in gold. The Twenty Plus Club members also served as hosts and hostesses for the Annual Service Awards Reception May 22.

157 HONORED FOR SERVICE AT ANNUAL AWARDS RECEPTION . . . Two win Meritorious Service

A business is only as good as the people who run it and Jewish Hospital is indeed fortunate to have many long-time employees who consistently perform their duties skillfully and with the utmost professionalism. So it was with gratitude and appreciation that the Hospital honored 157 employees this year for their outstanding service at the Annual Service Awards Reception May 22. Employees are recognized for five years of continuous service and at five year intervals thereafter.

In addition, the Meritorious Service Award, which marks the highest honor an employee can receive, was presented to two employees who through extraordinary service have brought credit to the institution—Mr. Freeman Burrow, Laundry Manager, and Mr. Charles M. Carroll, Patient Care Assistant and Orderly in the Emergency

Room.

The Meritorious Service Award, which was initiated in 1970, is based on an employee's interpersonal relationships with patients, the community and fellow employees as well as technical competency. The award itself is a medallion bearing the Hospital logo with the recipient's name on the reverse side and may be worn at official Hospital functions and at the Annual Service Awards Reception.

Mrs. Edna Love was the single employee who was honored for 25 years of service this year.

Employees honored for 20 years of service are: Miss Grace Campbell, Mrs. Bella Fendelman, Mrs. Ella Forniss, Mrs. Juanita Irving, Mrs. Johnnie Johnson, Mrs. Elnora Levells, Mrs. Inez Lyons, Mrs. Barbara McReynolds, Mrs. Helen Waldman.

Bry-Dreyer Fund Supports Rehabilitation Psychologist

In September 1971, Dr. Larry Bass joined the staff of the Department of Rehabilitation Medicine as the first clinical psychologist in that area. His newly-created post is supported by the Lisa Bry-James Dreyer Memorial Fund which was established in 1970 by Mr. and Mrs. M. Erwin Bry Jr. in memory of their daughter and Mrs. Bry's brother.

Because of their interest in young people, Mr. and Mrs. Bry wanted to develop this program to benefit teenagers and young adults with counseling while in the rehabilitation program. The additional service provided by a clinical psychologist will better enable these patients to rebuild their lives psychologically as well as physically following serious injury and traumatic experiences.

As a psychologist Dr. Bass works with the rehabilitation patients and staff (1) in evaluating psychological strengths and weaknesses in patients in order to assess the need for psychotherapeutic interventions, (2) in assisting the patient in adjusting to his disability, and (3) in assisting the staff in understanding the patient's own relation to the medical and physical rehabilitation program planned for him.

Dr. Bass is part of the overall rehabilitation team. He makes contact with the patient shortly after he is admitted and follows the patient through the entire hospitalization period. Dr. Franz U. Steinberg, Director of the Department of Rehabilitation Medicine, has stressed the tremendous

benefits of having a psychologist/counselor available at all times rather than borrowing services from other agencies and departments.

Dr. Bass sees some patients individually for counseling or psychotherapy. In addition, all patients on the rehabilitation unit are divided into two groups for weekly unit meetings. These sessions, led by Dr. Bass and the head nurse on the unit, provide opportunities for new patients to ask questions about unfamiliar procedures on the unit. The sessions are also used to answer patients' inquiries about problems related to their handicaps, social problems encountered upon discharge, self-care techniques and other related problems.

In addition to therapeutic interventions, Dr. Bass is also called upon to make psychological evaluations of patients, either utilizing an interview, administration and interpretation of tests, or both.

Dr. Bass is available for consultation with the rehabilitation staff regarding particular difficulties they may encounter in working with a patient. He provides a consultation/teaching service for student nurses, who rotate through the rehabilitation department, before their contact with the patients to help them recognize the various psychological reactions to traumatic injuries.

As of September 1972, Dr. Bass was given a joint appointment in the Department of Psychiatry where his

responsibilities have included the supervision of psychology interns and practicum students as well as teaching a course on psychological testing.

Dr. Bass completed his Ph.D. in clinical psychology at Washington University. Previously he had served a one-year internship at Mount Zion Hospital and Medical Center in San Francisco.

Mrs. Leo Brimer, president of the Ben A'Kiba Aid Society, right, presents a check to Mrs. Mabel Howell, associate executive director. This represents the organization's final payment on their pledge of \$9,000 to refurbish and equip the Ben A'Kiba Therapeutic Gymnasium at the Hospital.

Rabbi Lawrence Siegel, community chaplain, conducts the first night Passover seder for Hospital patients. All Jewish patients are invited to participate in all religious activities observed at the Hospital.

— IN MEMORIAM —

Friends and colleagues mourned the death of Daniel D. Klaff, M.D., longtime member of Jewish Hospital's staff, who died June 3 at the Hospital.

An ear, nose and throat specialist, Dr. Klaff took his residency in otolaryngology at Jewish Hospital and remained on the Hospital staff until his death. He was president-elect of the Rhinological Society and a representative to the International Rhinological Society. Dr. Klaff taught courses all over the world in rhinoplasty, an area of special interest to him. He is survived by his wife, Felicia, a son and two daughters.

The Profession

Opened six years ago, the Hospital's ten-bed Surgical Intensive Care Unit serves as an intermediary, special care and observation area for patients who have undergone all types of surgery including the two to three open heart cases performed at Jewish Hospital each week.

Each day in SICU brings new patients, new problems, new challenges to the 26-member permanent nursing staff. Their responsibility... total patient care. In essence total patient care is an attitude, a spirit of caring—the 'in addition' to professional duties which are performed with skill, confidence and feeling by the staff of RN's and LPN's specially trained in surgical nursing—trained for the responsibility of knowing what to do and making reliable decisions.

The SICU staff has recently scheduled a four-day work week with ten-hour shifts, and, in

a pinch, they've worked

periods without rest. Through a combination of the staff well-informed and the completion of the Intensive Care Unit.

Mrs. Juanita Bruns in SICU and oversaw Mrs. Anita Dresser

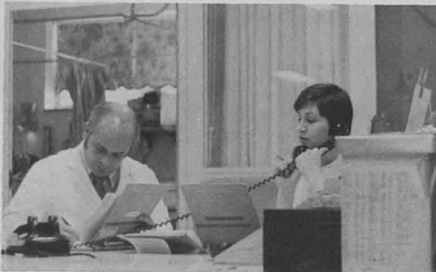

Mrs. Diane Brennan, R.N., left, and Miss Jane Arthur, R.N., assist a technician drawing blood glasses, a procedure which is done frequently in SICU.

Mrs. Priscilla Glass, R.N., center, and Miss Elaine Gaines, R.N., assist Dr. Martin Bergmann in checking the vital signs of a heart patient. All data on these patients is recorded every 15 minutes until vital signs are stable and all tubes are removed.

Miss Anna Babineaux, LPN, watches a heart monitor at the central station. Nine beds have cardiac monitors which continuously register heart rate and EKG pattern and signal when any unusual change occurs.

When she needs any additional information, Mrs. Diane Brennan, R.N., calls the patient's physician.

Part of the care in SICU involves exercising the patients as soon as they are ready to stand, sit, or, in this case, walk.

Miss Cindy Haas, R.N., performs the daily morning function of bathing "her" patient.

Miss Jane Arthur, R.N., adjusts the IV on one of the patients to whom she is assigned. Each SICU nurse is responsible for total care of two patients on the unit normally. The patient load, however, varies with the condition of the patient.

Says Dr. Alexander Geha, director of the Surgical Intensive Care Unit, "I have had the opportunity of overseeing the professional activities of the SICU for the last four years and the pleasure and reward of working with a highly motivated and extremely capable group of nurses. They have repeatedly demonstrated their superior skills in taking care of acutely ill patients with tact and thoughtfulness toward both patient and family. They are always called upon to act quickly and determinedly in life-saving situations. Their esprit de corps has always been a source of pride and satisfaction for all the surgical staff directly involved with SICU.

Wurdack Summer Fellowships Established

The Hugo Wurdack Summer Fellowships in Science have been established at the Hospital through the generosity of Mrs. Wurdack. Recipients of the four fellowships are students who have completed at least one year of college. The program, under the direction of Dr. Louis Avioli, Stella and Sydney M. Shoenberg Professor of Medicine, is designed to further stimulate the student's interest in scientific research. They will assist Dr. Avioli in his studies of metabolism and bone disease during a ten week period. The four recipients for this summer are: Charles Steiner, Dale Bricker, Elizabeth Loeb and Rod Pearline.

Goldman Fund for Recreational Therapy

The Alvin D. and Blanche L. Goldman Recreational Therapy Fund has been established as a memorial at the Hospital by their son Jack D. Goldman. The Fund has been designated to purchase equipment and provide extra services for patients in the Rehabilitation Division.

Mrs. Charles H. Fendell, left, and Mrs. I. C. Middleman review the architect's rendering of the Sydney M. Shoenberg Pavilion which will have three new patient floors. A bronze plaque in memory of Dr. I. C. Middleman will name a patient room in the new facility as a gift from Mrs. Fendell, sister of Dr. Middleman.

Middy Fund Endowed

The Middy Fund, which was established at the Hospital in 1968 as a memorial to the late Dr. I. C. Middleman, has recently been made a permanent endowment. Gifts for the fund were received from Dr. Middleman's family, friends and the St. Louis Pinch Hitters. The annual income will be used in the Department of Rehabilitation Medicine to provide medical assistance for young athletes who are unable to pay for their sport-connected injuries. Dr. Middleman was associated with Jewish Hospital from 1933 until his death, September 20, 1968. He was team physician for the baseball Cardinals and also served as surgeon for the St. Louis University athletic teams.

Gaylord Foundation Gifts

The Hospital has received additional gifts from the Clifford Willard Gaylord Foundation — \$3,000 has been designated for the School of Nursing and \$6,000 has been placed in the Expansion Fund.

EQUIPMENT

A tape recorder has been donated to the Surgical Intensive Care Unit in memory of Mary K. London who died March 18. The gift was from Mr. and Mrs. Sidney Kleg, Mr. and Mrs. Aaron Fenster, Mr. Allan Kaufman and Mr. and Mrs. Albert Goldstein. Mrs. London was the mother of Dr. Stanley London, staff surgeon, and Norman London, an attorney.

Mr. and Mrs. Phillip Steinberg of St. Louis and Mrs. Major W. Hirsch of Fort Lauderdale, Florida, have donated a portable aspirator to the Emergency Rooms as a memorial to their mother, Mrs. Lillie Saul. Mrs. Saul was a resident of Florida prior to her death.

Mrs. Irwin Fischer, Worthy Matron of Sun Ray Chapter, No. 426, Order of the Eastern Star, has selected Jewish Hospital as the recipient of her 1973 project funds. The gift will be used to purchase an IVAC 500 for the delivery rooms. This unit is considered the safest in controlling intravenous fluids for newborns and mothers.

Miriam Lodge No. 17. U.O.T.S., has donated funds to the Hospital's Miriam Rosa Bry Rehabilitation Division to purchase an Electronic Calculator. Mrs. Bernice Kayman, president of the Miriam Foundation, made the presentation to Dr. Franz U. Steinberg, Director of the Department of Rehabilitation Medicine.

A 16 millimeter movie projector has been donated for general Hospital use by Morris Horwitz, president of St. Louis Photo.

Mrs. Estelle Miller, reservationist in the Admitting Office, has donated a lab cart for the Renal Research Program which is under the direction of Dr. Herbert Lubowitz.

—EQUIPMENT NEEDED—

The Department of Psychiatry is requesting donations to purchase two stereos, at \$250 each, and one pool table which costs approximately \$500. The equipment is an integral part of the therapy program. Contributions or used equipment in good condition should be directed to the Development Office at the Hospital, extension 696.

Wheelchair basketball is one of many recreational activities provided for rehabilitation patients by the recreational therapy area of the Department of Rehabilitation Medicine at the Hospital. The exercise is of therapeutic value. It allows patients to express their emotions and it provides social interaction between patient and therapist. Occupational therapists, physical therapists and resident surgeons all participate in the games which are played weekly.

Potpouri

Danny Coleman

In September, **Danny Coleman** will join the Hospital as the 1973-74 Administrative Resident. The year's tenure constitutes the field exercise experience he will need to complete his masters degree in Health Care Administration. Mr. Coleman, a native of Duncan, Oklahoma, received his B.S. degree from Oklahoma State University and his M.B.A. from Denver University. He is currently attending graduate school in Health Care Administration at the Washington University School of Medicine.

Jason Blake, associate executive director, participated in a general session on "The Gyn Patient on the Postpartum Unit" at the Second Annual Clinical Conference of the Missouri Section of the Nurses Association of the American College of Obstetrics and Gynecologists.

Richard Renner has been appointed Chief Technician in the Department of Radiology. Mr. Renner, who was graduated from the Jewish Hospital School of Radiology, has been on the staff since 1959. He was a staff technician and technical supervisor prior to his new appointment.

Michael Moehrle has been named Acting Director of Security and Ancillary Services at the Hospital. Formerly Assistant Director of Security, Mr. Moehrle has studied law enforcement and has five years police experience. **Jeffrey Williams** has been appointed Assistant Director of Security. He was formerly administrative aide to the chief of police in Hillsdale.

Rabbi Lawrence Siegel, Community Chaplain, hosted a group of chaplains from hospitals in the area at Jewish Hospital for a meeting of the St. Louis Ministerial Institutional Association at which Rabbi Siegel presented a paper on The Jewish Patient. Rabbi Siegel also received his Doctor of Ministry degree in pastoral care from Eden Theological Seminary, United Church of Christ, May 25.

David A. Gee, Hospital executive vice president, and Mrs. Gee rode 30 miles for the Diabetic Children's Welfare Association in a Bike-a-thon held in Forest Park in April. They were sponsored by Dr. Harold Scheff and Dr. Marvin Levin, immediate past president of the St. Louis Diabetes Association.

The annual spring dietary meeting for diabetics, sponsored by the St. Louis Dietetic Association and the St. Louis Diabetic Association, was held in May at the St. Louis Medical Society Auditorium with about 400 people attending.

A panel of experts, including Dr. Marvin E. Levin, a registered dietician, a physician and researcher, an executive and a registered nurse, elaborated on "Diabetics On the Go". They related ways in which the diabetic can adapt to the problems caused by mobility of today's living, such as eating out, vacations, camping, school, business trips, etc.

Dieticians from several hospitals participated in the program by providing booths exhibiting dietary visual aids, information and samples for the benefit of the diabetic and relatives.

Jewish Hospital's booth featured "The Diabetic in the Kosher Delicatessen". Kosher foods displayed included lox, bagels, smoked fish, pickles, borscht, creamed herring, challah, chopped liver, yogurt, gefilte fish and corned beef.

Mrs. Hannah Foster, head dietician and Mrs. Peggy Mitchell, dietician, were available at the Hospital's booth to answer any questions concerning the Kosher display.

Contributions to Jewish Hospital Funds

Contributions received are used for research, appliances for clinic patients, new equipment, and other worthy undertakings, sponsored by the Jewish Hospital Auxiliary.

The following memorial and honorial contributions were received after March 1, 1973 to May 5, 1973. Any contributions received after May 5, 1973, will be listed in the next 216.

Contributions to this fund may be made by sending checks, payable to The Jewish Hospital Tribute Fund, c/o Mrs. Norman W. Drey, Mrs. Harry W. Loeb, 216 South Kingshighway, St. Louis, Missouri 63110.
