Content Management and Virtual Reference Services

Poster presented by

Yuhfen Diana Wu

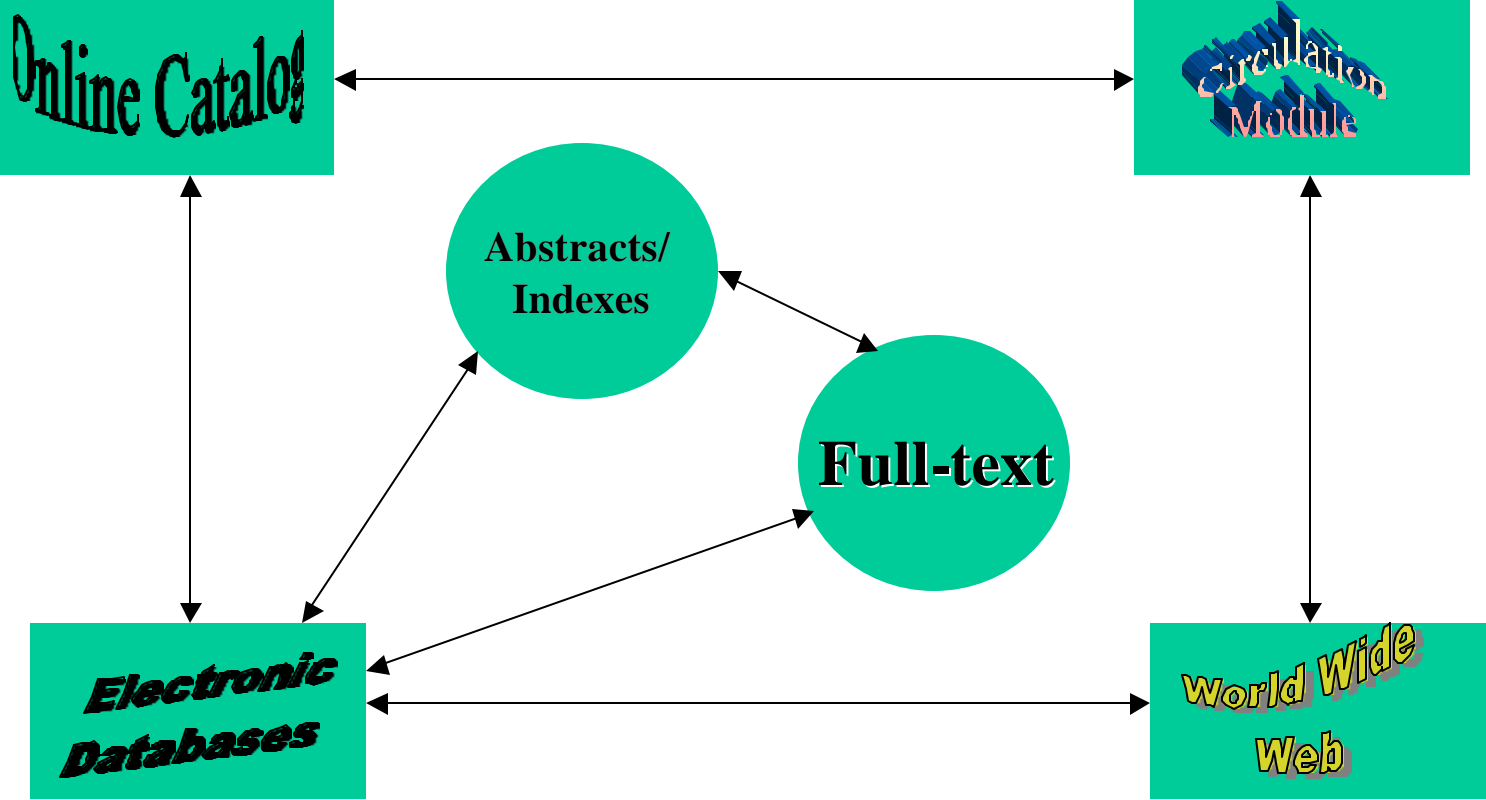

dwu@email.sjsu.edu

Background

- **Trends for Library**
 - **Digital Library: resources are portable**
 - **Internet: Access anywhere, anytime**
- **Trends for Internet**
 - **Broadband for quick access**
 - **Wireless for access anywhere**
 - **Content management for simultaneously real-time access and delivery**

Digital Library

- **Advantages**
 - **Computerized for storage, distribution, and retrieval**
 - **Real-time access, search, and reference**
- **Domains**
 - **Include data in all formats, such as text, graph, image, audio, and video**
 - **Metadata such as title, abstract, keywords, link, web pages, etc.**

Content Management Systems **(CMS)**

- **Major Users**
 - **Library**
 - **Museum**
 - **Archive**
 - **Enterprise**

CMS Technology

- **Tools support for content creation, checking, editing, management, input, presentation, retrieval, and delivery**

■ **Critical Areas**

- Administration: Tools and interfaces for simple admin. Support options for different criteria (such as auto, manual control/interfaces, versioning of contents, etc)**
- Authoring: platforms, and tools such as templates, tutorials**
- Publishing: Support for own server or others as well. Auto deployment with scheduler support.**

- Security: Tools for control and flexibility**
- Scalability: Support for growth, expansion**
- Workflow: Support for events, logs, alarms, email alerts. Ease of adoption and usability.**
- XML: Standard and reuse support.**

Common CMS Features

- **Content repository and collaboration server**
- **XML support for content standards and reuse**
- **Web support for content delivery**
- **Multiple Language support with framework for multi-lingual publishing**

CMS that Support Multilingual Environment

- **Documentum:** complies with standards and regulatory rulings (<http://www.documentum.com>)
- **InterWoven:** support metadata dictionary, personalization, scripts (<http://www.interwoven.com>)

•**Poet Software:** Use template for content publishing, support European and major Asian languages (<http://www.poet.com>)

•**Sanderson CMI:** Spydus library system supports multiple textual and image databases both (MARC and non-MARC); complies with major industry standards, such as Z39.50.

<http://www.sanderson.com/LIBRARIES.HTM>

Libraries that Implemented CMS

- **Stanford University (Artesia Tech.)**
- **Florida International Univ. -
University of Miami (Glides UniSite)**
- **U of Pennsylvania Health System
(InterWoven)**

Virtual On-line Reference Services

- **Active Libraries:**

- **Academic** - Cornell, MIT, and Syracuse, UC Irvine
- **Public** – Metropolitan Corporative (L.A. and Orange Counties)
- **Government** – Library of Congress

Virtual Reference Desk

These training sessions are for LSSI customers, if you want a demo of the Virtual Reference Desk click on Home, then click on Talk to a Librarian.

Training Session A

Training Session B

- **Share Ref. Work**
Perhaps the best feature of the Virtual Reference Desk Software is all the other libraries using..
- **Pos. Applications**
It is not hard to imagine the potential applications for this network...
- **CDRS**
LSSI is developing.. in conjunction with the Collaborative Digital Reference Service..
- **Virtual Ref. Net.**

Virtual Reference

Your representative will be with you shortly.
Please wait for a greeting.

Diana-SJSU: Most of the time if the question is straightward and doesn't require in-depth searches.

NEWEST

Rooster H.: Can I expect an instant answer?

Diana-SJSU: It's an interactive real time online reference service free of charge.

Diana-SJSU: Rooster H., welcome to your QandAcafe reference session. I'm looking at your question right now; it will just be a moment.

[Diana-SJSU - A representative is coming online...please wait.]

The screenshot shows a Microsoft Internet Explorer browser window with the title bar reading "**New Message** - Microsoft Internet Explorer". The address bar contains the URL: `exe?SS_COMMAND=CUST_SUP&Category=LSSITRAINING&referer=http%3A//www.virtualreference.net/virtual/training.html`. The main content area is a web page for SJSU Continuing Education's Summer Session. The page features a navigation menu on the left with links such as "Open University", "Summer Session", "Online Campus", "Winter Session", "Special Session", "Studies in American Language", and "Professional Development". The main content area has a large heading "Classes Start May 9, July 30" and "Classes Meet in The Twelve-Week Session". Below this, there is text about the summer term and a link to `http://info.sjsu.edu/schedules.htm`. On the right side of the browser window, there is a "Virtual Reference" chat interface. It includes a status bar that says "Your representative will be with you shortly. Please wait for a greeting." Below this, there is a list of chat messages: "Diana-SJSU: I just sent you the SJSU summer session web page, how do you think?", "Diana-SJSU: [Item sent - SummerSession]", "Diana-SJSU: Take a look at the San Jose State University summer session via Continuing Education. I will send you the web page.", "Rooster H.: I need some information about summer schools in Silicon Valley area.", "Diana-SJSU: Most of the time if the question is straightward and doesn't require in-depth searches.", and "Rooster H.: Can I expect an instant answer?". At the bottom of the chat interface, there is a text input field, a "Send" button, and an "End Call" button. The Windows taskbar at the bottom shows the Start button, several open applications including "Kunming...", "Summer...", and "SummerS...", and the system clock displaying "Thursday, May 17, 2001 10:46 AM".

Q&A Café Home Page

The image shows a screenshot of a Netscape browser window displaying the QandAcafe website. The browser's title bar reads "QandAcafe - Netscape". The address bar shows the URL "http://qandacafe.org/". The website's header features a green banner with the text "A LIVE, ONLINE REFERENCE SERVICE OF YOUR LIBRARY" and a globe icon. On the left side, there is a logo for "QandA CAFE" with a lightbulb icon and the text "The Authoritative Source For Expert Information! Powered by your Library". Below the logo is a vertical menu with buttons for "ABOUT US", "WHAT TO EXPECT", "LOCAL LIBRARIES", "CONTACT US", and "TECHNICAL PROBLEMS?". The main content area includes the "QANDACAFE" logo, a "Librarians Inside" icon, and a paragraph describing the service as a live, online reference service of the Bay Area libraries. It states that the service is designed to provide fast answers to short questions by combining the speed and convenience of the Internet with the information smarts of a librarian. The hours of operation are listed as "Monday-Friday, 3-9 p.m.". The browser's status bar at the bottom shows "Document: Done" and the Windows taskbar at the very bottom displays the Start button, several open applications, and the system clock showing "10:10 AM".
