# LINN TRIUMPHS OVER SIMONI

## MR. H. H. HALIN WRITES ABOUT INSURANCE FOR MAGAZINE

Author Is Holder Of C.L.U.  
Title; Article Tells Why  
Insurance Is Necessary

H. H. Halin, instructor of insurance in the commerce department, and one of the few holders in the state of California of the C.L.U. certificate, which is similar to the insurance field as CPA is to the accounting field, is the author of an article on insurance appearing in a current issue of a commerce magazine.

The article, "Why Insurance Should Be Taught In Schools", gives three reasons why the subject should be a part of the school curriculum.

The first reason is that ninety per cent of the people become consumers of insurance in some form or other. The second, that twenty billion dollars of the national wealth represents the total assets of our life insurance companies. Over one and one-half millions of our population earn their livelihood in the insurance world.

Third, people are consuming insurance without any tangible evidence other

(Continued on Page Three)

## Reorganization Is Recommended

A resolution recommending a reorganization of America's economic structure with organized Christianity blazing the trail, has been presented to the general assembly of the Presbyterian Church which is meeting now in Cleveland.

The resolution was prepared by John McDowell, secretary of the committee on social and industrial relations. Its strongest feature is a call for a change of motives in our business and social life.

The resolution urges replacement of the old principles of money making and self interest by ideals that are close to the heart of Christian teaching. It asks for instatement of sane planning in economic life instead of the doubtful doctrine of competition.

Going further, it advocates the international cooperation in economic activities so that the world's resources may be more fully developed. This cooperation it points out would greatly benefit the cause of world peace.

## Seniors Guests Of MacQuarries

Members of the Senior class were guests of Dr. and Mrs. T. W. MacQuarrie Thursday for lunch and games at their home. Horseshoes, tennis, croquet, and other games were enjoyed by members of the class who attended the affair, which is the first of its kind.

The lunch and entertainment took the place of the regular senior orientation period.

## RAE DOBYNS DEFEATS STAFFELBACH

Class Of 1884 Will  
Hold Reunion  
On June 16

Besides the general reunion of all Alumni on Home Coming Day, June 16, several individual groups are holding reunions. The Class of 1884 will hold its fiftieth anniversary and a large representation of the class is expected and some of the former teachers will also be present.

A number of groups will meet for breakfast on Home Coming Day. These include the Home Making Department, Tau Gamma, Tau Delta Phi, the Art Department, Les Bibliophiles, and Tau Mu Delta. In addition there will be reserved tables at the noon barbecue for Beta Gamma Chi, Sappho, and Kappa Delta Phi, and any other groups who make reservations to sit together.

The twenty-five year class, 1909, the ten year class, 1924, and the 1934 graduating class are among those classes being honored this year. They will sit at reserved tables and special mention of them will be made.

The 1932 class is holding a predetermined first reunion. An informal reception will be held at the Hotel De Anza from five to six-thirty on the afternoon of June 16, followed by a semi-formal banquet at seven-thirty. Sneak Day movies and other surprise numbers will be featured.

## Mr. Owen Broyles Wins Appointment

Mr. Owen Broyles has been appointed chairman of the committee of the local chapter of the Employees Association for the circulation of the petitions to place the constitutional amendment on the fall ballot.

Any registered voter in Santa Clara County may sign the petition, or secure signers. Students who believe that state employment should not rest on political favor are urged to sign the petitions being circulated by faculty members, or to take part in securing the signatures of other people.

Petitions are being circulated also by highway patrolmen and members of the Santa Clara Chapter No. 36.

**COMMERCE CLUB MEETING**  
Elections of officers to be held in room 139 Monday, June fourth. Everyone should be present. Discussion of plans to be held next quarter. 12:30 sharp—Don't forget!

**LOST**  
Last Friday, a mottled, dark green, Conklin fountain pen. Finder please return to Lost and Found. Reward.

All organizations who desire sections reserved in the Morris Dailey Auditorium on Recognition Day Wednesday are asked to notify Bob Doerr or Charles Pinkham immediately.

Simoni's Defeat Is Surprise  
Of Election; Linn Wins By  
By More Than 300 Votes

SMALL VOTE IS CAST

New President Has Brilliant  
Record At San Jose State;  
Is Majoring In Speech Arts

One nip-and-tuck race and one walk-away marked the presidential election Friday. The total vote cast was somewhat less than expected.

The race for president developed into a tortoise-hare proposition instead of the close fight that was expected. Linn was never behind and after the first few ballots had been counted, it was apparent that the popular Speech candidate would come under the wire in a breeze.

PRESIDENT	
Linn	594
Simoni	270
VICE-PRESIDENT	
Dobyns	490
Staffelbach	466

The vice-presidential race was an entirely different affair with the outcome in doubt until the last few votes were counted. The lead see-sawed back and forth and held the focus of attention after the proxy race revealed its true colors.

Miss Dobyns finally received a plurality of 22 votes over Hugh Staffelbach. Linn's winning majority was 324 over Simoni. From the tabulations it will be readily seen that the presidential race actually received less votes than the vice-proxy contest.

The reason for Simoni's poor showing is believed to have been his apparent indifference to the outcome of the race. At no time during either election (Continued on Page Three)

## State Students Hurt In Crash

Three San Jose State students, Russell I. Coffee, 21, of 410 Second Avenue, Oakland, Harold Houser, 22, and Glenn Harper, 21, both of Stockton, were injured in a head-on auto collision five miles this side of Livermore Thursday afternoon, and Almond Harris, 19, of 834 Jackson Street, Santa Clara, driver of the other car, was fatally injured.

Harris and his three-year-old brother were riding with him, who miraculously escaped injury when he was hurled to safety as the two cars crashed, were en route to Stockton when the accident occurred. Both autos were completely demolished.

Harris and his brother were taken to the Livermore hospital, and their mother, of 834 Jackson street, advised of the accident. She was taken to the hospital by Constable Jack Truax of this city. They arrived shortly before young Harris's death from a crush skull and other injuries.

Harris was a student at the Santa Clara University.

## Political; Social Life Of Rolph Related

Governor Rolph was the twenty-seventh governor of California. His political and civic career began when he was chosen chairman of the Mission Relief Committee after the earth quake and fire of 1906 in San Francisco.

He was mayor of San Francisco for five terms, from 1911 until 1932, and holds the honor of being mayor emeritus of that city.

Rolph began as an office boy in a shipping firm in 1888. Previously he had sold newspapers, played baseball, and fished at the waterfront. He was born in San Francisco August 23, 1869, and was educated in the public schools and at Trinity Academy, San Francisco.

In 1900 he married Annie Marshall Reid, and they had three children; Annette, James, and Georgina. Rolph's father came from London and his mother was a native of Edinburgh.

Rolph was always interested in commerce, especially shipping. He was a member of the firm of James Rolph, Jr. Landis, and Ellis, since 1928. He was president of J. Rolph and Co., shipping and commercial merchants. He was the former president of the Merchant's Exchange, and of the Ship Owners' Association of the Pacific Coast.

"Sunny Jim", as he was nationally (Continued on Page Three)

## Placements Are Increasing Daily

Adding to the list of previous placements, the Appointment Office has been kept exceedingly busy during the past week placing some fifteen former students and graduates in California schools.

A number of years have elapsed since so large a number of San Jose State students have been placed in such a short time according to the Appointment Office. At the present time more than fifty students have been placed within the last four weeks.

Students and former graduates that have been placed during the last week are: Ollie Bishop, Dos Palos; Alice Davis, Bakersfield; Frank Gibson, Burlingame; Betty Gill, Stanislaus County; Dorothea Gussfeldt, Santa Clara County; John Horning, Brentwood; Milton Jenkins, Gonzales; Lois MacQuiddy, Greenfield; Martin Mathieson, Marysville; Berman Mendelowitz, Burlingame; Mary Sheaff, Bakersfield; Geraldine Stackpole, Sacramento County; Katherine Walt, Bakersfield, and Miss Myrtle Gribble, who was offered three positions has accepted a position in Bakersfield.

Mary Hill and Frances Mannina have accepted positions to teach night school work in San Jose.

**FOUND**  
A coin purse containing money was found on the campus recently. Owner may claim it at the business office if he can identify it.

## A.W.S. ELECTIONS WILL TAKE PLACE TODAY IN MAIN HALL

Kathleen McCarthy, Elma  
Boyer Run For President;  
Loser Becomes Vice-Proxy

A.W.S. elections are being held today in the main hall from 8:00 until 5:00 o'clock, it has been announced by Evelyn Pritchard, president of A.W.S. The president, vice, treasurer, secretary, and reporter for the coming year will be chosen.

Elma Boyer and Kathleen McCarthy are the candidates for president. The one polling the most votes will hold that office, and the other will automatically become vice-president, a practice which was used successfully last year. Other candidates, which were nominated at a special meeting last Tuesday, are: Secretary—Julie Broschart, Rose Mezzanares, and Elizabeth Simpson. Treasurer—Doris Arnold, Dorothy Bruns, Jean Sellers, and Fay Sheaffer. Reporter—Lela May O'Connell and Katherine Nell Smith.

## Parent-Faculty Meeting Tonight

The Parent-Faculty reception sponsored by A.W.S., will be held this evening from 8:00 until 10:00 o'clock in room 1 of the Art building and on the adjoining terrace. The members of the A.W.S. council and two representatives from each of the women's organizations on the campus will receive and serve in formals.

Kathleen McCarthy is in charge of the reception, and with a capable committee has planned this event to help the parents, students, and faculty members to become better acquainted, and to give the parents an opportunity to learn more about the college and its various activities.

Frances Crony, soprano, will give several vocal solos, accompanied at the piano by Blanche Corriveau. The string ensemble which will furnish "hidden music" at intervals, is composed of Althea Harper, violinist; Wilma Williamson, cellist, and Mrs. Otterstein, pianist.

Screens, flowers, and potted plants will be used to decorate the art room (Continued on Page Three)

## Students Sponsor Open-house Today

The Associated Students of San Jose State are holding a reception to the public today, Monday, from eight this morning until ten o'clock this evening. The purpose of this open house is to acquaint the parents, faculty, and students with the purpose of the organization.

Room One of the Art Building is to be the scene of the affair, and it is hoped that there will be a huge crowd present. Be there!

# THE SPORT SPOTLIGHT

By  
Conroy and Cox

Spartan Field was the scene of one of the oddest races ever held in Santa Clara Valley last week.

Lou Salvato, Spartan track captain, while training for the Far Western Championships at Berkeley next week, took on a thoroughbred racing greyhound in a 100 yard match race.

## Salvato Versus Greyhound

Given a 30 yard handicap over the trim racing canine, Salvato, showed his heels to his animal rival through the century course, hitting the tape a full stride in the breeze.

Captain-Elect Carl Robinson, and Steve Murdock, who have been working out with Salvato, followed the canine track racer by a yard.

We wondered why Salvato, with such a handicap, didn't out-distance the greyhound by more than a yard. But with a little investigation we learned that such trained dogs are capable and most consistently cover the hundred yards in a little over 6 seconds.

## Grid Players

### Lose Names

One full team of Coach Dud De Groot's spring football players had their real names taken away from them last week.

Their alias's for the remainder of practice will be those of the Stanford Cardinals.

Chuch Spaulding will hereafter be known as Wes Muller, Red center; Russ Margolatti is Roubie; Bill Wetzel is O'Connor; Harry Hardiman is Reynolds; Lloyd Jackson is Letunich; Baldwin is Moscrip; McCauley is Smith; Peach is Hamilton; Souza is Alstiza; Lavois is Risener; and Gil Bishop is Bobby Grayson.

The above men are being drilled in Stanford plays and run them against the remainder of the Spartans every night in scrimmage. This is one of the biggest moves DeGroot has mapped in his extensive preparations to "take" Tiny Thornhill's Pacific Coast Champions in their season opener next fall.

## Doug Taylor

### Going Good

Doug Taylor, who with Salvato, will represent San Jose State in both Far Western Championships and NCAA track meets, has been working out daily at Hayward, where he is doing his practice teaching.

Taylor, who was in San Jose over the week-end, feels that he is in perfect shape and will be at a peak for the meet at Berkeley this coming Saturday. He says that he has hit around the 25 footmark on different occasions last week.

## Musick

### Becomes Sheriff

Jim Musick, former All-American fullback from the University of Southern California, and more recently a sensation in the professional football world, has discarded the moleskins for a sheriff's star.

Orange county in the southern part of the State is where he will assume his new duties. Musick was receiving \$3500 a year at professional football.

## Anderson Returns

### To Track

Stan Anderson has returned to the running track, after he previously announced that he was through for the season. He ran last Friday night at Los Angeles, taking first in both the 100 and 200 meter dashes. His times in the former was 10.4, one tenth of a second from the world's mark, and in the 200 meter 21.4.

It looks as though the great Freshman sprinter from the University of California is back—in a big way. He will no doubt compete on his home track next Saturday at the Far Western Championships.

SAN JOSE, CALIFORNIA, MONDAY, JUNE 4, 1934

## Blesh Rests Easily Following A Serious Operation On Skull

Reports late last night from Stanford Hospital in San Francisco stated that Erwin Blesh, San Jose State Track and Basketball coach, is resting easily.

Since his nine hour orgy on the operating table under the skillful knife of Dr. Frederick L. Reichert, San Francisco brain specialist, Blesh has been holding his own.

The operation was not considered entirely successful as Dr. Reichert was unable to reach part of the tumor, which has caused partial paralysis of the Spartan mentors face.

## Many Outstanding Stars Of Sports Hail From Pacific Coast

SAN FRANCISCO (U.P.)—All through the years athletes from the Pacific Coast have had their share of the sports headlines.

Amateur tennis has Helen Wills Moody of Berkeley; professional tennis has Ellsworth Vines of Pasadena; Helen Madison of Seattle got most of her banner-lines while an amateur swimmer, Charlie Paddock, Frank Wykoff and others gathered a major portion for the tracksters; and in baseball there was, and still is, such names as Frank "lefty" O'Doul, Frankie Crosetti, and "Lefty" Gomez.

## Outlook

### Bright

Now, with the outdoor sports season getting into full swing on all fronts, western athletes promise to continue winning a good portion of the laurels.

Take the track and field men for a starter. Walter Marty of Fresno State College knocked over the high-jump record early in February back in New York and then came to the Coast to jump the highest man has ever ascended—6 feet 9 1/4 inches.

Then there's Johnny Lyman of Stanford, who has been waging a personal duel with Jack Torrance, who has operated out of Louisiana, for the world's shot put record. One week the record seems to belong to Lyman, but along comes Torrance to snatch it from him. This dual gives promise of continuing.

## Star

### Sprinter

Complete the list of current track stars with California's Bob Kiesel, considered the best college sprinter today, and Stan Anderson, who equaled the 9.4 record for 100 yards at the Fresno Relays early this month. All these track men will be heard from during the

## Intramural

BY BILL CRAWFORD

With the culmination of two days events in one, the intramural track meet was run off Thursday May 31.

There were not very many participants by any of the classes and the upper class had no representatives at all.

In the 220 yard dash there were four runners. Wallace, a sophomore, took honors by easily winning this event in the time of 25 seconds flat. Running only in tennis shoes and track suit Wallace's time was very good.

James Welch, freshman and a sturdy supporter of intramural activities made terrific effort at the close of the 220 and nearly took a second place.

## Salvato's Running Career Reviewed By Daily Scribe

By STEVE MURDOCK

Because he possesses that peculiar ability to co-ordinate his nervous, emotional, and muscular attributes into a flying ball of energy at the times when it has counted most, he has always been known as a "come through" athlete.

Now, after three years of "better than average" sprinting, this quality has won Lou Salvato recognition as one of the country's leading dashmen, and he is now preparing for the greatest test of all, the N.C.A.A. at Los Angeles on June 22nd and 23rd.

Never a sensational star in high school and seemingly almost too small and slight to stand the gaff of heavy collegiate competition, Salvato stands today, the product of four years of careful, gradual development—a great sprinter—the greatest in San Jose athletic history.

And the largest share of credit of this remarkable development and for the remarkable achievements that are his today must go to Salvato himself.

The diminutive Spartan speedster has always shown his own mind and been his own boss, his own criterion.

Not that he has been adverse to receiving advice.

On the contrary, no one has been more open to suggestion, more eager to learn than this smiling, curly headed, banjo playing track captain.

But he has always possessed that ability to sift the good advice from the bad, to learn only what would benefit him most, to interpret what he saw in terms of his own particular case.

In other words, he has been an intense, conscientious student of his own running form.

The result is that he is today, by virtue of his much disputed battle with Bob Keisel in the open 100 yard dash of the Fresno Relays three weeks ago, one of the nation's leading sprinters.

His story is one of gradual improvement, of remarkably level headed application to the business at hand at the time when it counted most.

When Salvato entered San Jose State in the fall of 1930, he was just a fair high school sprinter who, as a 120 pounder, had won P.A.L. titles in the 50 and 100 yard dashes in reasonably good times.

His first season, that of 1931, was spent in competition with the greatest galaxy of Spartan sprinters ever gathered together at one time, namely Don Harder, Charlie Smith, and Doug Taylor.

Under such stimulus he learned rapidly, and by the end of the season he

next month at the N.C.A.A. meet at Los Angeles.

The coast gave the Walker Cup team Lawson Little of San Francisco.

In tennis the Coast has Lester Stoefer, indoor champion, and one of the Davis Cup singles men. Then there's the American Wightman Cup team made up of five players, four of whom are Californians—Captain Helen Jacobs, Josephine Cruickshank of Santa Anna, Alice Marble of San Francisco, and Carolyn Babcock of Los Angeles. The only other members of the team not a westerner is Sarah Palfrey of Boston.

The fight headliners in next few weeks will be featuring a Californian in the person of Max Baer.

Baer, born in Omaha and, raised in Livermore, California, got his real start as a fighter in Oakland. Now he is training for a heavyweight championship match with Primo Carnera next month.

was shading ten flat.

He captured a third in the hundred and a fourth in the 220 in the Conference that year, not a very great foreshadowing of what was to come.

As a sophomore he was consistently second to Captain Harder during the dual meet season, and it was not until the Conference meet that he turned the first of the "come through" performances that were to gain him fame on the local campus.

Put on the spot by a muscle injury which made Harder a doubtful quantity, Salvato came through in magnificent style to win the hundred in 9.8, tying the existing record.

His junior year was almost an exact duplication of the preceding season, only it was Doug Taylor who this time stole the dual season honors from his lithe limbed team-mate.

But it is a well known fact that there is only one meet for San Jose teams, and that is the Far Western.

"Whippet Lou" responded to this tradition by doing what none of the dopsters had thought possible in their pre-meet predictions—winning both dashes.

He took a hair-breadth decision from Lee Ayres of Fresno State in the 100 for what would have been a new record of 9.7 had not a strong wind rendered it null and void.

Then he came back to capture the furlong to register the biggest surprise of the day.

On the basis of two Conference meets he had definitely established himself as San Jose's "come through" athlete.

He was there when he was needed most.

But it remained for the stimulus of the captaincy and his final season to bring Salvato his greatest glory, a saga of accomplishment that is yet unfinished and that may have its ending in the irrevocable type of the national record books.

Knowing that he would be "needed most" in every meet, smooth running dashman responded with a series of magnificent performances which saw him beaten only three times in sixteen starts, and all of those by Bob Keisel, and which culminated with him once more capturing both Conference sprints and finally with that memorable much discussed battle at Fresno.

The remainder is yet to be written. The setting will be the Far Western A.A.U. Championships at Berkeley on June ninth, the N.C.A.A. in Los Angeles on June 22nd, 23rd, and possibly the National A.A.U. Championships in Milwaukee the week after the N.C.A.A.

Three times has this wiry Spartan, who earns his way through college playing the banjo in a local dance orchestra, covered the hundred yard distance in 9.6 seconds and in addition, he has a mark of 21.2 for the 220 which, in itself, is not bad rambling.

He is now hard at work, following a short lay-off, in an intense effort to begin the peak that was his on that balmy evening at Fresno three weeks ago when he flashed down the stretch under the glare of the arcs to lead the highly touted Keisel clearly and decisively by fully two yards for over 80 per cent of the race and then to seemingly snap the tape inches ahead of the desperately lunging "Berkeley Bullet" although judges, after an hour's deliberation, decided differently.

What will happen rests entirely with the future, but, win or lose, Salvato on the basis of his past performances alone has endeared himself irrevocably to San Jose State.

## SPARTAN FOOTBALLERS WIND UP THIS WEEK; SCRIMMAGE SCHEDULED

By AL COX

Six more days of practice is all that is left for the gridders to get into form before the quarter ends. In six days Coach Dud DeGroot will work his men on defensive play of the Cardinal team. The past week's play has been entirely devoted to such workouts.

## Hubbard's Team Is Poising as Stanford

Coach Bill Hubbard has given his team a good idea of the Stanford plays and they have romped through the defensive team coached by DeGroot. The defensive drill has only been on running plays, and the yards made by passes have been regarded as null and void.

The squad has been handicapped by the lack of interest by some of the potential stars that only make their appearance at the practice field only a few times a week. The man in charge has hinted that such men have a good chance to help the Spartan cause not fall by being in the midst of the scrimmage fighting for the Spartan colors. They should stop and figure that they are giving up a good chance to do something that is useful and benefiting to themselves.

## George Cannell Wins Praise as Guard Position

The boys that are out every night have been showing some good brand of football. On the defensive side of the line, George Cannell is stopping them cold with his drive that the opposing team seems to think that he is a member of their backfield. George is a recruit from the frosh squad of last year and is swinging into a pace that is causing sleepless nights for the varsity guards.

At the center position Ralph Meyers is slated to receive the call for first honors during the last weeks of practice. He can be remembered as the lad who fought first string Whitaker to a draw last season, and has bigger ideas than a draw this year. With a goodly number of minutes of play to his credit from last season added to his previous experience he is able to stand up with the best.

## Filice's Playing Well Above Par

Another San Jose boy comes to the fore on the defensive side of the scrimmage to win honors at end. Sammy Filice, who has forsaken a backfield position in favor of his prep school end spot, has shown some of his old brilliance to show up the rest of the winners. What he lacks in weight he makes up for in an aggressiveness that reminds one of Bud Hubbard.

## Becker Starts Campaign

Henry Becker has shown himself outstanding at the tackle position on the squad last year, but was unable to show what he had to offer in the way of tackle ability. However this season he is not content to play second fiddle to anyone, and is showing that he has definite plans for himself next fall.

The rest of the season's practice will be devoted to work on the Stanford game to be played the first or second week of school next fall. Frequent scrimmages will be held in order to get the men perfectly familiar with the "Big Red Machine" has to offer in the way of running and passing plays.

## Last Meeting Held By Delta Nu Thetas

Delta Nu Theta held their last meeting of the year at the home of Miss Mignon on Tuesday night. At this meeting officers for the coming year were elected. Verna Holveck, president; Marjorie Glenn, vice-president; Dorothy Greene, secretary treasurer; and Violet Samuelson, historian.

On Saturday, June ninth, the members will have breakfast at the San Jose Country Club in honor of the graduating seniors. Also at the breakfast installation of officers will be held.

The society is exhibiting a poster characterizing its work at the National Home Economics convention in New York in June. The poster has been displayed in the Homemaking office this week.

## Kappa Delta Phi Will Enjoy Picnic On Wednesday

Kappa Delta Phi will hold its annual picnic Wednesday, June 6 at the Roosevelt Junior High School.

The committee has arranged for games, which will begin at four o'clock. Following there will be refreshments and a program around a bonfire. The News Letter will be distributed at the picnic.

Members of Kappa Delta Phi are asked to sign the list posted on the bulletin board if they plan to attend the affair.

## Beta Gamma Chi Has Formal Initiation On Sunday

Closing an active quarter of social events, Beta Gamma Chi held its formal initiation of spring pledges at the Hotel St. Claire Sunday morning at 10 o'clock.

Following the candlelight initiation service, which was led by Betty Monahan, president of Beta, a breakfast was held in honor of the new initiates at the hotel.

The girls being initiated Sunday morning are Phyllis Jones, Ellen Maher, Virginia Proven, Esther Madsen, and Harriett Stanfield.

All girls interested in taking riding next quarter, and all members of Riding Club meet at the gym on Monday June 4 at 12:30. W.A.A. council representative will be elected and plans made for next year.

### LOST

A copy of "Business Organization and Control" by Tippetts and Livermore. This was lost on the San Carlos football field. If found please return to the Reserve Room (53) or Jim Rice. The book is very valuable and a prompt return would be appreciated.

### LOST

A small leather note book containing daily assignments. This book was lost near fifth and San Carlos on Memorial Day. The owner is very anxious to find the book and a reward will be offered for its return. Please turn it in at the Y.W.C.A. lost and found, or phone Col. 1367J.

### French Pastries

## English A Examination Taken By 344

## 100 More Than Last Year's Group

Four hundred and fifty students took the Subject A examination Saturday morning in Morris Dailey Auditorium it was revealed.

Of that number, 344 took the local examination and 106 attempted the University test.

This year's group was about 100 more than last, and the increase may be some indication of next quarter's enrollment.

## All-State Play Day To Be Held June 5; Women Invited

The annual All-State Playday June fifth will be doubly interesting this year for besides all the games and activities, viz. volleyball, tennis, swimming, badminton, ping-pong, paddle tennis, hit-pin baseball there will be election of officers on the Women's Athletic Association council. All women students are entitled to vote for council members. Seven members are to be elected at large; the rest of the council is made up of representatives from the various sport clubs which W.A.A. sponsors. The nominating committee has nominated several girls.

Elizabeth Healy will be in charge of elections. A limited number of girls may still sign up for play day if they do so before four o'clock Monday.

## Commerce Magazine Accepts Article On Insurance

(Continued from Page One)

In elementary grades Mr. Hallin feels that the subject matter to be covered should be within the scope of the child's world and imagination.

In junior and senior high schools the social-civic aspects of insurance should be considered. Social values can be emphasized in insurance to care for old age, insurance to protect the home, etc.

In college and university, insurance is taken apart and its workings shown. As an academic subject it lends itself to interesting treatment. As a practical subject it is a basis for the future buyer or worker in insurance.

The Home Making Club is having a picnic Monday afternoon, June fourth, at five o'clock at Almaden. All people who are going are requested to bring a cup, fork, and spoon. This will be held as the regular meeting. All members are urged to go.

## ROLPH BELONGED TO MANY BAY AREA ORGANIZATIONS

(Continued from Page One)

known, is a member of the Native Sons of the Golden West, a Republican politically, and an Episcopalian.

Among the numerous clubs to which he belonged were the Pacific Union, Bohemian, Union League, Press, Commercial, and the Commonwealth Club of San Francisco.

His home address was 288 San Jose avenue, San Francisco. He also has a ranch in Los Altos.

Rolph obtained the Panama Pacific International Exposition in 1915 for San Francisco. Following this eight foreign nations decorated him with royal and imperial honors. With other awards, he has been given eleven foreign decorations.

His famous boots he wore "because my father wore them." Rolph has been prominent in political and social activities in California for a number of years, and has carried his reputation of being "Sunny Jim" from that first chairmanship of the Relief Committee to the mayoralty of San Francisco, on to the governorship of California.

## A.W.S. Election Will Be Held Today In Corridor

(Continued from Page One)

and terrace for the evening, by Barbara Bruch, chairman of decorations and entertainment. Refreshments will be served throughout the evening and will consist of punch and cookies.

Elma Boyer is in charge of publicity and has tried to see that everyone is invited. Inter-society and A.W.S. councils have helped in inviting the faculty members to attend. The Patron's Association is attending to help insure the success of the affair. All students are invited to attend and bring their parents or friends.

## Iowa University Buys Old Manuscripts

## Leigh Hunt Collection Costs \$20,000

Paying \$20,000 for the famous Leigh Hunt collection of first editions and manuscripts the University of Iowa obtained the most complete and most valuable collection of Huntiana in existence.

The manuscripts, formerly owned by Luther A. Brewer, Cedar Rapids, Iowa, publisher, number over 1900 titles. Included are 520 volumes of Hunt's own works, many of them in fine bindings together with more than 1200 valuable works on the transition period in English literature between the Georgian and Victorian eras in which Hunt played an important part.

## University Is Sued By Student; Claims Time Wasted

Because he found that after two years at Long Island University even if he completed the four year course he would still be ineligible for admission to a medical college, Peter C. Wagner sued the university and its former Dean, Dr. George R. Hardie for \$25,000 for wasting two years.

Wagner stated that he entered the university believing that he could qualify there for a pre-medical education. He said that Dean Hardie assured him that if he completed the Long Island course he would be eligible for medical work.

The case went on trial May 29 before Superior Court Justice Smith and a jury in Brooklyn, N.Y. Wagner declares that the two years he spent at the University were a total loss so far as he can see.

### NOTICE

In receiving mail through the Co-op, students are requested to have it addressed in care of the San Jose State College, and not to the Co-Operative store. Student correspondence often gets mixed with Co-op mail through this error, and sometimes is opened before the mistake is discovered.

Containing the prize winning contributions to the Phelan Literary Contest, the new issue of El Portal is now on sale at the Co-op for 50 cents a copy.

## List Of Graduates Given Out By Registrar

CLASS OF DECEMBER, 1935  
BACHELOR OF ARTS DEGREES:  
Lucella L. Bates, Claire E. Collidge, J. Halley Cox, Alice J. Dorris, Lena A. Gbiorso, Raymond H. Rhodes, Joseph M. Jacobsen, Lesta H. Joubert, Francella H. Joy, Ruth E. Larkey, Mary E. Ledyard.

Marguerite L. Martin, Freda M. Matheison, Ruth Montgomery, Erma E. Reischke, Francis S. Robinson, Ruth M. Sandkuhle, Bertha L. Schroyer, June Shair, Joe A. Stinson.

Edward C. Welz, Charles M. Wentz, Mary Norene Williams.

JUNIOR COLLEGE DIPLOMAS  
Belle L. Butler, Edward W. Wilburn, Horace R. Laughlin, Max C. Lenz, Thelma L. McIntyre, Robert P. Rankin, Gaus Shew, Jean E. Thoits, Rogers Thurber, Walter R. White.

CLASS OF MARCH, 1934  
BACHELOR OF ARTS DEGREES:  
Charles C. Apra, Paul A. Arnerich, Mabel Barnard, Edythe L. Beegle, Betty L. Brown, Don Byram, S. Joseph (Continued on Page Four)

## Ronald Linn Shows Strength In Beating Simoni In Election

(Continued from Page One)

ion did he make any concerted drive for votes.

While other candidates were scouting the student body for votes, the football captain-elect was content to remain quiet. In spite of that, he led the qualifying seven by better than a hundred votes.

Linn came in a good third in the council race, but wasn't conceded much chance against the All-Conference Simoni. Miss Dobyms' election was hardly a surprise, but the showing of Staffellach surprised even his closest friends.

### NOTICE

All junior high majors are asked to meet in Room 155 Wednesday, June sixth, at four o'clock for a short business meeting.

We Give S. & H. Green Stamps  
FRESHER, FINER FOODS AT LOWEST PRICES

**LIN-OLI-MOTTOS** . . . By Michael Angelo

There are going to be some changes made in the Yeast Foamers program which comes airward Mondays via KGO at 4. Jan Garber, the orchestra leader whose music sounds so much like Gay Lombardo's melodies that on a windy night you can't tell the difference until Elbert Lombardo coughs into his trumpet, is leaving this aircraft to go on a tour.

During the first two weeks of Jan's absence from the Windy City his place on the Yeast Foamers program will be taken by two very, very competent willow benders. The first will be Ted Weems, who usually holds sway at Dells' Tavern in Chicago. The second will be Hal Kemp, a leader every Easterner knows is better than good.

Garber will return to the program June 18, when he will broadcast from Louisville, Ky. Later he will journey to Catalina Island to play a summer engagement at the Casino, and Monday, July 2, his music will be heard from Hollywood, Los Angeles, or Catalina, the exact pick-up point to be determined later.

We also understood two S. F. hotels are dickering with him to Lombardo for their patrons before he returns East.

It looks as though we're not the only ones who like Leah Ray, nifty songstress with Phil Harris' orchestra. Lately she has been made a "brother" in the Stanford chapter of Alpha Tau Omega Frat.

**TONIGHT'S BEST IN BRIEF:**  
KGO—Carnation Contented Program, 6; Demi Tasse Revue, 6:30; Shell Show, 8; Williams-Walsh Orchestra, 9:15; Tom Coakley, 10:15.

KPO—Comedy Stars of Hollywood, 7:30; NBC Drama Hour, 8:30; Jane Froman, Don Ross, Lennie Hayton's Orchestra, 9; Frankie Master's Orchestra, 9:30.

KFRC—Blue Monday Jamboree, 8; Fashion Boys and Cora Lee Scott, 9; Jack Russell's Orchestra, 9:15; Earl Hoffman's Orchestra, 9:45; Bill Fleck's Orchestra, 10:10.

Sixty minutes of rapid fire comedy, music, mystery, songs and drama, and the introduction of several new stars and characters, is Harrison Holloway's promise for tonight's Blue Monday Jamboree at 9 over KFRC.

Herb Taylor, for a number of years trombone soloist and chief arranger with Abe Lyman's famous band and a recent addition to Claude Sweeten's orchestra, will be presented in a solo musical spot on tonight's show.

Fonfara, Lucile S.; Freeman, Hazel H. Gascon, Enrique; Gill, Betty Pearl; Giovannoni, Lori G.; Goodloe, Rosemary; Green, William W.; Harper, Althea M.; Harville, Mae W.; Hawley, Jean; Helps, Pearl Duncan; Hughes, Hugh W.C.; Irons, Harriett L.; Iversen, Iver R.; Jacobson, Hilda O.

**WHAT ABOUT HUMAN NATURE**

In college one can find courses to cover every field of endeavor, yet there is no course in human nature.

Human nature is one of the most important phases of life. In our everyday dealings we use, or should use, this principle.

The ability to understand human beings is necessarily the most useful of all tools to the business man, professional man, contact man, in fact every one who has any dealings with people should know about human nature.

For example, let us assume a situation with a professor and his class as the main characters. Now it is evident that that professor must have an insight into human nature or he will be a failure. He must know how to get the best out of his students.

A salesman must know human nature in order to sell to the best advantage his product. He must know how to flatter and cater to his customers whims and fancies. He must make his customer want the product.

A business man must know *human nature* in order to forecast the reactions of the market to certain changes in prices and commodities.

In short, the useful and at the same time most necessary of tools for life's game is a knowledge of *human nature*.

Therefore, why not learn a little more about that useful article while we are going to college. Instead of many useless courses that will never do us the least bit of good, we could spend our time learning more about our fellow men and their behavior.

At any rate, it is a thought. **WHAT ABOUT HUMAN NATURE?**
