One-Way Radio Set Built For Aid To Flyers In Local Club

Students To Receive Instructions From Mr. Petersen

Flying lessons by radio! That is the San Jose College Flying club's newest innovation which was worked out by Mr. Frank F. Petersen, adviser of the club and head of the college aviation department.

This will be the first practical attempt in the history of aviation to teach students by radio.

TELL FAULTS

The purpose of the radio is to allow the instructor to tell the students who have just begun to solo, their flying faults while watching from the ground and also to help them out of difficulties the may encounter while flying.

Students who find it difficult to realize their faults while flying will not have to ground their ship to find the difficulty but now may continue flying while the instructor tells the student what to do by radio, declared Mr. Petersen.

ONE-WAY

A one way transmitting set will be installed in the Taylor Cub plane which will enable the instructor to talk to the flying student but does not allow the student to talk to those on the ground.

The radio is being built by Mr. Elmer Leslie who is being aided by Mr. Bill Romes, from old parts which still can be used. Both are students of the San Jose State college radio department.

THREE-MILE RADIUS

Under normal conditions the five millimeter set which will be installed in the rear of the plane will be able to pick up transmission anywhere within a three mile radius of the field, said Mr. Leslie.

Because of plane vibrations the radio will be mounted on springs. Lack of space has forced the students to make the set compact and to purchase special lightweight batteries for it.

According to Mr. Leslie, the radio will be ready for practical use within these next ten days which will enable flying club members to begin their first solo flights.

Big Game Is Radio Street Query Today

The popular "Student-on-the-street" broadcast over KQW will feature today a question uppermost in the minds of sport fans.

"Who is going to win the Big game, and by what score?" will be asked all who are brought before the microphone in front of the radio station this noon.

Students only are questioned on this weekly broadcast, and answers to this timely sport question should be very interesting. All students who happen to be in the vicinity of KQW this noon are invited to air their opinions.

Plans Made For Lighting Stadium

A blueprint containing plans for the proposed lighting system of the Spartan stadium has been submitted to coach Dud DeGroot by the Pacific Gas and Electric company.

The plans have been inspected by both coach DeGroot and Dr. T. W. MacQuarrie in order to discover whether they would serve adequately in case the system was carried out.

Coach De Groot has asked many times for lights to be installed in the stadium, claiming that by eliminating the competition of nearby schools with night games, larger crowds could be drawn to the home games.

This plan would also allow those who would ordinarily be unable to attend the games due to work when the usual Saturday afternoon game is played, to come to the games if they were played at night.

Student To Lead Singers In Negro Songs Tomorrow

With the added attraction of a genuine southerner leading the assemblage in Negro spirituals, the second Kappa Phi sponsored community sing will take place tomorrow at 11 in the Little Theater.

Mrs. Pearl Moulden, social science major, has been secured by Helen Dally, president of the Omega chapter, to lead the songsters in a short period of Negro spirituals as the special attraction of this week's sing. A little of the setting of each Negro song will be related by Mrs. Moulden after which she will sing the solo part followed by the audience, directed by Miss Berta Gray, Kappa Phi Club sponsor.

IDEA POPULAR

The first all-campus sing, a trial affair, was presented two weeks ago and proved so popular that students and faculty will be given their second opportunity to "air their lungs" tomorrow evening.

The same general plan will be followed in this second sing, the program ranging from hilarious pep songs to quiet Negro spirituals and including hill billy and popular songs.

John Andrews, accomplished student pianist, will accompany the sing.

REQUEST SONGS

Request numbers which were turned in last week will be included on the program, announces Miss Gray, but requests during the sing cannot be honored she said.

Words for the songs will be flashed on the screen as in the popular Community Sings which are sweeping the country, said Miss Dally. The slides are prepared by Mirian Carr.

ALL WELCOME

Kappa Phi Club members who are completing arrangements for the sing are Mirian Carr, who is preparing the slides, Leila Merritt and Pat Tandrow, who operate the projector, and Anne Webb and Virginia Farrell, posters.

Paul Whiteman Or Maestro To Play For Jubilee Ball

Ibsen Play To Replace Pageant Finals

That Paul Whiteman or Ben Bernie's orchestra will play for the grand ball was the decision made by the Diamond Jubilee committee, headed by Dr. Raymond Mosher of the college psychology department.

The ball is a part of the many activities planned for the three-day celebration, May 20, 21, 22, for the seventy-fifth anniversary of the founding of San Jose State college and will be held in the Civic auditorium.

PRESENT PEER GYNT

Replacing the pageant which was to be the grand finale of the festivities will be the gigantic production Peer Gynt by Henrik Ibsen and will be presented in the Civic auditorium.

Over one hundred persons and the San Jose State college symphony orchestra are required to make up the cast of the play which will be headed by Mr. Hugh Gillis of the college speech department.

COLLEGE TO COOPERATE

All departments of the college will be asked to cooperate in the making of the production by supplying members for the cast or in doing other required tasks, declared Ben Melzer, student representative on the Diamond Jubilee committee.

Robert Hutchins, president of the University of Chicago will be one of the several educators to speak during the banquet being planned.

OPEN HOUSE

Part of the activities will be an open house in the science department which will be headed by Dr. P. Victor Peterson, head of the science department. Several other departments of the school also plan to display their work.

Another feature of the three-day program is to have May Robson or some other prominent movie actress present to entertain and speak to the members of the Jubilee.

Last Afternoon Hop Planned For This Wednesday

To give commuters an opportunity to attend one of the afternoon dances, the social affairs committee will preside over the last "daytime" dance Wednesday afternoon in the women's gym from 4 to 6 o'clock.

"We think that many of the students who commute are left out of the dances when they are held on Friday afternoons, as so many of them do not like to miss their train," Frances Cuenin, chairman, stated. "That is the reason we have changed this last affair to a Wednesday afternoon."

Playing for the dance will be Emile Bouret's nine piece orchestra, one of the largest ever to perform for an afternoon jig. He will offer several intermission numbers.

The usual price of 10 cents plus student body cards will be charged all students entering.

Sides, Bishop Head Rally Meeting

Starting advance publicity 10 days before the Arizona-State game on Thanksgiving Day, C. Gilbert Bishop, graduate athletic manager, and Cal Sides, rally chairman, jointly presided over a special meeting of the rally committee Friday in the council rooms.

Opening with an advance ticket sale to start early this week, plans for the game publicity will include a coverage of the neighboring schools, such as was done for the Hawaii game of last season.

Novel stunts and escapades will be used to advertise the final local appearance of the Spartans. Following the decisive win of last week, the two heads anticipate a packed stadium.

As yet no stunts for the field have been planned by the rally committee, but "something extra special" is promised by Chairman Sides.

The last rally of the quarter will be held for the Arizona game in the Morris Dailey auditorium Tuesday night, November 24 starting at 7:30 o'clock.

Concert Planned By Music Group For December 5

San Jose State college symphony orchestra, the largest of its kind on the entire Pacific Coast, will open its concert series for the coming season in the Morris Dailey auditorium on December 5, under the direction of Mr. Adolph W. Otterstein, head of the college music department.

The coming season marks the ninth year of existence for the San Jose State college symphony orchestra which this year numbers 100 pieces. It will present three concerts throughout the year.

On December 5, Miss Thompson, faculty member of the music department, will be featured in the orchestra's first concert as the contralto soloist.

The featuring number to be played by the orchestra will be the Scheherazade composed by Rimsky-Korsakwo. The remainder of the symphony will be made up of two other popular compositions, stated Mr. Otterstein.

Kappa Delta Phi To Initiate Thursday

Featuring a talk by Dr. Hubert Staffebach, members of Kappa Delta Pi, national education honor society, will initiate new members Thursday evening in Room 155 at 7:30.

Dr. Staffebach will speak on "What Kappa Delta Pi Should Mean to You" and entertainment, arranged by Miss Clara Hinze will feature vocal solos by Margaret Melliar, Kappa Delta Pi member, and violin solos by William Tyler.

All members are urged to attend and to be at the meeting promptly.

Men's Gym Roof Construction To Begin Today Or Early This Week

To Cost \$7,000; Will Prevent Injuries In Gym Classes

A new roof, costing approximately \$7,000 will be constructed on the mens gymnasium immediately, it was revealed Friday on the arrival of great quantities of roofing materials by J. C. Stillwell, Superintendent of Buildings and Grounds.

INJURIES RESULTED

Construction of the much-needed roof is expected to begin today or early this week. The faulty roof has in six years caused over thirty injuries to men gymnasium students, among them a broken nose and several sprained ankles.

Roofing paper is to be put under the tile, and the tile wired together, according to Mr. Stillwell. 225 rolls of paper and 25 sacks of tar have been provided for this purpose. The glass skylights are to be altered to provide for a better lighting system.

STATE TO PAY

The cost of the new roof will be met from the state emergency fund and the work will be supervised by Inspector Z. J. Montgomery 1220 McKendrie St., San Jose.

It is doubtful if the work will be completed by the beginning of this year's basketball season.

Chapel Quarter Hour Scheduled In Little Theater

Mr. James Woodruff of the Sociology department will be speaker at the Chapel quarter hour Wednesday, from 12 to 12:15. The chapel will be sponsored this week by the Omega chapter of the Kappa Phi club, an organization for Methodist women.

This is the fifth year of the Chapel on this campus. The first Chapel quarter-hour was presented in the fall of 1932 under the sponsorship of the College YMCA.

STARTED BY GRAD

The idea was originated by the present Rev. K. Fillmore Gray, brother of Miss Berta Gray assistant director of publications, who was secretary of the YMCA at that time.

He later graduated from State, and Boston University School of Theology, and is at present minister of the Mill Valley Methodist church.

KAPPA PHI NOW

The Chapel is now presented by the YMCA, YWCA, and the Kappa Phi club. Each of these organizations takes turns at sponsoring the Chapel. This month, the Kappa Phi club is the sponsor.

Mr. Woodruff, also a graduate of the Boston School of Theology, and after training for the ministry, turned to Sociology.

Lois Lack will sing. Students and faculty are invited.

Fat In The Fire
By RAYMOND WALLACE

Joe Rapose is a good deal more gracious over his election to royalty than was our friend Dr. Poytress. Of course, that may be due to the specialized character of the two positions. We can understand Dr. Poytress' not being overjoyed at election to queenship of a husky football team, but to be king of the Associated Women Students—!

The Richfield Reporter who made the error of reporting San Jose State as having lost the game with Redlands last week, is no doubt now feeling very uncomfortable about the whole matter. Objections from all sides have been pouring into the Spartan Daily office, the editorial rooms of the city papers, and to the reporter himself.

Nevertheless, he had some excuse for making such a mistake. After all, habit is hard to break. That goes for the team as well as the reporter. Now that they have definitely broken their losing streak, we hope that they can go ahead and establish themselves firmly in the new habit.

Incidentally, Bob Rector must have had either a great deal of faith in our team, or a great deal of sporting blood, or downright temerity or something. He won the merchandise order offered by the San Jose Creamery for the closest guess to the final score, by a prediction of 37 to 6. No one else dared go so high.

Myer Ziegler's request for more drinking fountains in the Spartan stadium is against the principals of American democracy. The true patriot knows well that there is only one drinking fountain so that thirsty spectators must buy pop from the vendors who walk up and down the steps. If you don't like pop or can't afford it, don't go to the game.

Students Requested To Call For Letters

Issuing a final call to students who have mail to be called for, Mrs. Buchser of the information

Dr. Elder Speaks On Living Tissues

Dr. Jay C. Elder, dean of the lower division, will speak on "The Plasticity of Living Tissues" at the science seminar in Room S112 today at 4:15.

The subject deals with the experimental studies with living tissues that have been moved from natural positions either to different areas of the same animal, or grafted in the bodies of other animals, or grown in artificial cultural media.

Dr. Elder took his degree in medicine and for the last twenty-five years has been doing research work on the plasticity of living tissues at Stanford and California universities and various Eastern schools.

Australian Team Plays Tomorrow

Field hockey enthusiasts at San Jose State will travel to the Stanford campus tomorrow when they will have the opportunity of seeing the Australian Women's Touring team meet one of the peninsula teams in an exhibition game at 3:30.

The Australian team is known in the United States as one of the most outstanding teams, having played games in the Fiji Islands, Canada and throughout the eastern United States.

The team presents excellent examples to students of advanced team-work and expert individual playing.

A college bus has been engaged for tomorrow afternoon to provide transportation for State students who wish to attend the game. Many women students are arranging to go in private cars as well.

Anyone wishing to secure transportation is asked to see Miss Amara in the women's physical education department not later than 12 o'clock tomorrow.

office has asked the following students to call at her office and obtain their letters which will otherwise be sent to the Dead Letter office in 2 days: Dorothy Locke, William McDermott, Dorothy Myers, and Kenneth Teel.

Pre-Legal Group To Hear Lawyer At Next Meeting

George Stepovich, San Jose attorney and Santa Clara University graduate of 1935, will address members of the Pre-Legal club Wednesday at 7:45 in Room 11, Anthony Anastasi, president of the club announces.

His subject, "What is Law?" will cover the philosophical as well as the practical aspects of law.

Stepovich is a member of the law firm Gallagher, Wilcox, and Stepovich, and has practiced law in San Jose for the past year.

With Gallagher and Wilcox, he has been rated as one of the brightest prospects in the legal profession by Dean Edwin Owen, head of the Santa Clara University law school and graduate of Harvard.

Pegasus To Hear New Manuscripts

The regular meeting of Pegasus, college literary honor society, to be held tomorrow at 8 o'clock at the home of Dr. L. E. Pearson, 101 South St. James street, will be devoted to the reading of manuscripts of both the old members and those who are submitting material for the first time.

The material is read before the group and the author of the composition is not known to the members unless it is accepted. Under no circumstances is the authorship of a rejected manuscript made known to the members.

Students wishing to submit material for the society's approval, should see Dr. J. Wood, English professor, or R. Catherine Gunn, president.

Eminent Psychologist To Lecture In Series

Featuring Dr. John E. Coover, for many years associated with the Thomas Welton Stanford Foundation for Investigation of Psychic Phenomena, the eighth of the series of lectures being given by the college Psychology department is scheduled for Thursday in Room 110 at seven o'clock.

Dr. Coover has chosen Psychic Research as the topic of his lecture.

The meeting is open to the public, according to Dr. Raymond Mosher of the Psychology department, who is in charge of the series.

Paper Article Exhibit Now In H.E. Building

An exhibit of paper articles which take the work out of housework and convenience for public places is now on display in the cases of the Home Economics building.

The display is a project of Dr. Margaret C. Jones' Methods class and was prepared by Ruth Fowler, a member of the class.

Paper articles including matching plates and cups, souffle cups, paper dish cloths, and paper party suggestions are on display.

Bibliophiles Hear Of Dr. Wood's Travels

An informal get-together was held by the Bibliophiles, members of the library majors and minors club, on Friday during the noon hour.

Virginia Mason was in charge of the affair, which consisted of a box luncheon and tea, and an illustrated talk by Dr. Wood concerning his recent trip to Mexico.

SERVICES HELD BY KAPPA PHI Pledge Ritual Held At Sparta Field House

Forty-two women students accepted the invitation to membership of Omega Chapter of Kappa Phi club and were pledged at the "Degree of the Pine" service in the Sparta Field House Thursday night.

Following the candlelight ceremony, which was presided over by President Helen Daily, assisted by cabinet members, the remainder of the evening was spent informally singing around the fireside, while the pledges and members mixed socially. Refreshments completed the evening.

Those pledged to Omega chapter were:

Isabel O'Neal, Thelma Price, Vesta Bowles, Peggy McDaniel, Clea Ridge, Edith Craig, Veva Birnbaum, Georgana Ritchie, Catherine Jayne Scrivner, Benita Hooker, Barbara Cruwell, Dora Hapley, Marguerite Irely, Florence Smith, Mildred Pipes, Floraine Edmonston, Alice Hobbs, Jean Myers, Betty Best, Isabella Lamb, Margaret Grothe, Lorraine Umhalt, Mary Jane Byrd.

Martha Rogers, Carol Toll, Jane Hoyt, Marjorie Tamblin, Esther Brunting, Betty Mumma, Bonnie Bolt, Imogene Poling, Jane Matthews, Ella Van Beek, Irene E. Bonnett, Frances Baccetti.

Lorna Bender, Wilburta Wilcox, Inez M. Gallaker, Lorraine Ohlandt, Wanda Tower, Muriel Stone, Lorraine Riggs.

Pre-Teachers To Meet Wednesday

Announcing a meeting of the sophomore pre-teacher training group to be held Wednesday at 12:30 in the Little Theater, Jerry Girdner, president of the group, stressed that it was important for everyone to be there.

Dr. Elmer Staffebach, head of the education department, will advise students of various credential requirements and subjects that must be included in their courses for graduation.

Some member of the state department of education will be secured to speak before the group in the near future, it was decided at a meeting of the officers of the group Thursday.

The purpose would be to orient the students with the various activities of the state department of education, Dr. Joseph Marr Guinn, adviser of the group said.

Program Cancelled By Symphony Group

The San Francisco Symphony orchestra which was to have played in San Jose during the coming season has been cancelled because of an overcrowded schedule.

This orchestra is heard weekly over the Standard Symphony broadcasts which is sponsored weekly by the Standard Oil company.

Otterstein Will Speak For Teachers' Dinner

The Tau Mu Delta, honorary women's society, will hold its formal initiation at the home of Mrs. A. W. Otterstein tomorrow evening.

Following the initiation refreshments will be served and entertainment provided.

P.E. Majors Club Plans Howdy Hop For Next Friday

Tickets go on sale today for the first dance of the quarter to be given by the Physical Education Majors club Friday night from 9 to 12 in the women's gym.

The dance, to be called the Howdy Hop, is being arranged and planned jointly by member of both the men's and women's divisions of the P.E. Majors club. Tickets, which sell for 10 cents may be obtained by members of the club from Junior P.E. Majors.

Committee members named for the dance are, Luke Argilla, Len Herman, Chuck Malton, Hilton Harper, Evelyn Murry, Edith Norton, Gerry Merritt, Violet Black, Elinor Offenbach, Cathrin Milhone, Betty Moore and Dorothy Tonietti.

Instructors in the physical education department and their wives and husbands are to be guests of the majors for the evening.

Homemakers Will Sell Christmas Fruit Cakes

Members of the Home Economics club are now making fruit cakes to be sold to students and faculty this fall. The club made and sold cakes last year and, as it was so successful, they are doing the same this year.

The cakes, which will be wrapped in Christmas paper, will sell for 60 cents a pound in one, two or three pound sizes.

Chairmen of the committee for the cake baking and selling are Marjorie Merithew and Grace Terry.

Proceeds from the sale are to be used to send a delegate to the national Home Economics convention in Chicago next summer.

INTRAMURAL SPORTS
By KERMIT ANDERSON

It looks as if we'll have to slide back to basketball, momentarily, in this column.

A hard-wood court enthusiast handed us his list for an All-Intramural basketball team. We print it, herewith, gliding by all forms of criticism—as it does not necessarily denote our idea of the best five.

He bases his choice, and as we don't know his name, we shall call him just 'he'—on steady, outstanding performances. So here they are—for you to discard, assimilate or ignore.

Forward—Steve Varich—Donadio's.

Forward—Lee Groskopt—Hayward's.

Center—Bill Radunich—Buffa-tee's.

Guard—Charles Thomas—Hayward's.

Guard—"Soapy" Johnson—Buffateers.

HOLE IN ONE

The lads who swing the clubs on the links, have begun their trek around the golf course, now, with all striving to reach golf-dom's hall of fame, with a hole in one.

First round scores are due tomorrow. It has been reported that the favorite (?) Dick Edmonds, will be unable to play, as he is now working on the Mercury-Herald, which, according to him, "puts me one year closer to marriage!"

NOTICE
Graduating seniors may pay fees at any time. They are due and must be paid by December 1.

Novice Boxers To Vie On December 3

Sport Spotlight by DICK EDMONDS

ON A WANDERING tour after the Redlands game, we happened into the southerners' dressing room and asked a couple of the "razzle-dazzle" boys their impressions of the fray.

Jimmy Blaisdell, flashy quarterback, was heard to mutter as he emerged from a shower, "Boy, I feel just like I'd been through a war." He must have had reference to the hard tackling and blocking show that the Spartans were exhibiting.

BEN SMITH, GUARD, who played almost the entire game in the southern lineup, was exuberant in his estimation of Bill Lewis, plunging Spartan fullback who came into his own with a vengeance. "That man Lewis—he certainly is a big man."

Coach Cecil Cushman of the Bulldogs: "If we could have rested some of our boys for a few minutes we would have given the Staters a better battle. But those Spartans couldn't have been defeated today, no matter how many men we might have been able to throw at them."

WORDS OF PRAISE to the State soccer eleven which has snapped out of an early-season lethargy to make it pretty tough going for the remainder of teams striving for the Northern California Intercollegiate pennant.

Coach Charley Walker and his lads have a tentative date with the U.C.L.A. Bruins in Los Angeles on the day following Thanksgiving. While down there they may also meet the powerful Los Angeles Junior College aggregation.

On a northern tour, the Bruins didn't fare so well, dropping hard-fought contests to U.S.F., California and Stanford elevens.

Walker and his men would like very much to dump the "Big School" team as this southern trip is the first for a State soccer team in several years.

COACH DE WITT Portal's aspiring punts are busily preparing for their first invasion of the famous Golden Gloves tourney in San Francisco which begins on December 4.

Local supporters are of the opinion that George Latka, lightweight, Stan Griffin, lighth-heavy, and either Don Walker or Bill Radunich, heavies, have the best opportunities to come through with individual titles.

Lawrence Herrera and Captain Bob Harris can hardly be left out of the list of possible title-winners. In other words, it looks as though Portal's pillow-pushers will be alright by themselves.

State Cross-Country Team Preps In Return Meet With San Mateo

San Jose State's idle cross-country runners prepare for their third meet of the season this week as they condition themselves for a return engagement with the strong San Mateo Junior college runners on the Hillview golf course Friday afternoon.

A rapidly mounting sick list caused the postponement of the Stanford meet with Coach Dink Templeton's long distance stars when Bob Harris, Sherman Sawalle and Bud Everett failed to

SAN JOSE, CALIFORNIA, MONDAY, NOVEMBER 16, 1936

S.J. MERMEN LOSE, TIE IN TWO GAMES WITH OLYMPIC CLUB SEPTET

L. Goodwin, M. Wempe Receive Injuries In Struggle

A moral victory and a defeat! There lies the tale of the San Jose attempt to defeat the Olympic Club in water polo last Friday evening in the Olympic pool. The Spartan varsity finished out on the short end of a 9 to 3 count, but the frosh ended the regular playing time with a 9 to 9 tie with the Olympic reserves.

The result of the Varsity affair was never very much in doubt after the first two or three minutes. Bill Clemo scored for the Winged "O" team only to have this point matched by one from the large and hairy paw of Ran Gordon. Jim McKay then tallied for the Club, but this time Captain Dave Lynn dented the net with a point to tie the game up.

From that point on the Olympic force slowly forged into the lead, McKay leading the attack with four goals. Clemo was close behind with three. Captain Lynn scored the final San Jose point.

The preliminary game was a seesaw affair all the way through. Don Gilson, husky Olympic center forward, completely fooled State goalie Lynn Grisell with two back hand shots that landed in the corner of the net. Martin Wempe, however, tallied the first Spartan point soon afterward and from then on the two teams kept with one point of each other.

The half time score read 4 to 3. A very rugged second period opened with Al Wempe getting the sprint many times and setting the stage for some brilliant playing. In that hard fought second half the Olympics tallied five points while the Staters went to town with six goals. Jack Butler led the attack with three. Frank Savage accounted for two in the second frame together with one in the first half. Al Wempe tallied twice and Martin Wempe scored once.

Two State players were forced to leave the game in that second period due to injuries. Martin Wempe received an accidental blow on the face and had his lip cut while Leonard Goodwin received a cut above his eye. Stitches were taken in both cases.

As the result of the latter injury, the State team was unable to play an over time period so the game was forfeited to the club.

report for practice.

Although defeated by a single point in an early season tilt with the Junior college team, the Spartans will enter the grind as underdogs for the second time. They have shown considerable improvement since their first meet but two setbacks, one with San Mateo, the other with the University of California along with several squad setbacks have left the team at a disadvantage.

Women's Sports

By PEGGY LUCIER

SWIMMING

Results of the first swimming meet of the quarter, held last Monday by members of the women's swimming club, were announced yesterday. Although the meet was a practice one, the competition was keen and showed the presence of good material for future tournaments.

Following are the results:

25-yard side stroke, Ross, first place; Smith, second; Ewing, third, Miller, fourth.

25-yard free style, Desmond, Suftin, Crowell, Shields.

25-yard back crawl, Norton, Desmond, Crowell, Ross.

25-yard breast stroke, Smith. (Other contestants in this entry were disqualified.)

50-yard free style, Willson, Desmond, Shields.

Diving places were taken by Norton, Smith, Willson, Shields, Sifton, Miller and Prey, in the order named.

A 75-yard relay medley ended with Norton, Crowell and Willson coming in first.

An informal meet and practice will be held tonight when members of the swimming club hold their regular meeting at 7:15. Events will be arranged to include various abilities, making it possible for anyone who is at all interested in swimming to take part.

HOCKEY

Intersectional hockey games ended Thursday in a scoreless tie between the teams captained by Rita Tamboni and Claire Wehrstedt. Although both teams showed a large amount of enthusiasm, neither team played well enough to make any score.

Preparation for the Interclass Tournament is already being started and games are being tentatively scheduled. A match between the Juniors and Freshmen on November 23 at 12 o'clock will start the games.

Practice for a mixed doubles ping-pong tournament will begin today when men and women students interested in the game meet from 12 to 1 in the women's gym. The tournament will be open to all students who care to play, and it is expected that a large number of students will turn out. Ping-pong has proved to be one of the most attractive games at this school in the past.

The increasing popularity of the sport all over the country and in other schools will probably influence the organization of a ping-pong club here shortly.

SOCCER TEAM LOSES WELL-PLAYED GAME TO U.S.F. DON SQUAD

By "STU" FOOTE

In its last conference game of the season, Coach Charlie Walker's State soccer aggregation was nosed out, 4-2, by a powerful S. F. U. eleven at the victor's field, Saturday morning.

State, showing considerable improvement since last meeting the lads from the foggy city, was unable, until late in the final period, to crack open the airtight defense of the Dons.

Soon after the opening whistle, State went on the offensive while the Dons seemed content to merely defend their goal. During one of these early Spartan thrusts, big Bill Pitcher was awarded a penalty kick but failed to score as the ball sailed over the net, missing the opening by inches.

SLOPER SCORES

Soon after, S. F. U. worked the ball down to the State's goal and, after one fluke in which the ball bounced from one upright to the other before it rolled out, managed to score as Sloper, the Don's center forward, came in fast to mark up his team's first tally.

The second quarter saw the Dons ring up two more goals as Huston, S.F.U. center half, and Sloper each broke through the Spartan backfield to score. Between these two scoring drives, "Socco" Wall, right wing for State, was given a

(Continued on Page Four)

Annual Tourney May Attract New Group Of Stars

Several Men Expected To Get Places On Varsity Squad

"Headed for bigger things." This typifies the march of the San Jose State boxing aggregation.

Coach Portal and his boys have five important dates marked on their calendar. Following is a resume of these:

The embryo boxers are scheduled for their first big event when they stage their huge novice tournament on the evening of December 3. The novice boxers include all of Portal's boxing classes and number approximately 135 men. Last year several men with a little more than potential ability were discovered via the novice tournament, and this year should prove no exception.

The second important date will be the all-college tournament in which the boys will fight it out for their places on the official Spartan team. This squad will match punches with practically every major amateur boxing team in Northern California.

GOLDEN GLOVES

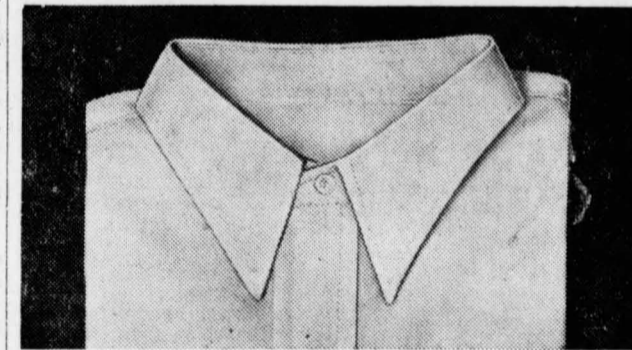

San Jose State will be well represented in the San Francisco Golden Gloves Tournament. Coach Portal will probably send eight men to these matches, and at least four of them have an excellent chance

San Jose College Music Group To Hold Conference

San Jose State college music department is for the first time to sponsor the California Western School of Music Conference at which 125 east bay music teachers will attend.

The conference will be held in the San Jose Civic Auditorium on October 5, and Mr. Adolph W. Otterstein, head of the college music department has been appointed chairman for the affair.

Plans are to have part of the program on the college campus and the remainder will include a banquet and musical demonstrations which will be presented at the Hotel Sainte Claire that evening.

Maurine Thompson, instructor in the music department will conduct a music clinic for voice which will be visited by members of the convention.

An instrumental clinic which will be directed by Mr. Otterstein in the Music building is also being planned.

To stimulate finer teaching methods among music teachers and future teachers will be the main purpose of the conference, declared Mr. Otterstein.

Out of town high school orchestras and talent will be given a chance to participate in the program.

Soccer Team Drops Tilt To U.S.F. Dons

(Continued from Page Three) penalty kick but failed to convert.

Several personal troubles between members of the two elevens developed in the third quarter to add spice to the already fast moving battle. At one point the referee was forced to stop the game and calm down a pair of over-enthusiastic players. During this period, Sloper rang up his team's final score.

STATE SCORES

In the last stanza, State suddenly found the right scoring combination and proceeded to sink two goals before the closing whistle. The first State score came when Terry White, who had received the ball from Captain Ray LaClergue, found an opening in the S.F.U. line and promptly headed the ball into the Dons' net.

A little later, "Socco" Wall realized his ambition when he scored on a corner kick, a feat of no little importance. The ball traveled from the corner and curved right into the net just beyond the goalie's reach as the game ended.

State	S.F.U.
Edmonds	G. Regan
LaClergue	R.F. Jackson
Laclergue	R.F. Jackson
Germano	L.F. Hallisy
Pitcher	C.H. Huston
Wiles	R.H. Horner
Harper	L.H. Rovere
Olavarri	C.F. Slooper
Pavioni	R.I. Quilici
Main	L.I. Sexton
Wall	R.W. Hastings
Marsh	L.W. Johnson

NOTICE

Hereby is issued challenge to any five who think that they can offer competition to a good five-man touch tackle team. Anyone interested is invited to get in touch with Bill Loftus, or leave a response on the bulletin board in the Publications' office.

Former Student In First Car To Cross New S. F. Bay Span

Robert Hall, former San Jose State student now employed with the San Francisco Call-Bulletin, was in the first paying car to cross the new San Francisco bay bridge following opening ceremonies Armistice Day.

After official rites Hall cruised over the construction in a new TVA plane named for the bridge. Snapping pictures for the Call-Bulletin, Hall took first air photos of traffic crossing the span.

Leaving school several years ago Hall worked for a year on an Oakland newspaper, which he left when offered employment on the city paper. At present he is radio editor of the Call-Bulletin, doing broadcasts for that paper.

Portal Plans Heavy Schedule For Boxers

(Continued from Page Three) of finishing in one of the top spots. This tournament is sponsored by the San Francisco Examiner and starts on December 4. The winners in this tournament will receive a trip to Portland, Oregon, to meet the northwest champions.

PACIFIC COAST BOUTS

The fourth high spot of the calendar is the Pacific Coast Intercollegiate Tournament which will culminate about Easter in the fifth and probably the most looked forward to boxing tournament on the coast this year. At last, the national boxing matches are to be held on the west coast.

They have been awarded to the college of Agriculture, University of California, at Davis.

The matches will be held in the Sacramento Civic auditorium and will most likely be held during the Easter holidays in order to minimize the time participants will be forced to stay out of school.

To win a place in this tournament is really the desire of every collegiate boxer and from the looks of the material and also judging from past records San Jose State should be in the headlines.

NOTICE

Pre-Nursing club will meet today at noon in Room S227. Mr. Woodruff will speak to us. All Pre-Nursing students welcomed. Bring your lunch!

Delta Phi Upsilon To Assist Family

Imbued with an overwhelming spirit of generosity, girls of Delta Phi Upsilon, the kindergarten honor society, voted at a meeting held Thursday, to refrain from refreshments and use the money thus saved to aid some needy family.

Asking the girls to cooperate on a rummage sale, to be held in a few weeks, Barbara Franklin, vice-president of the society, displayed evidence of the samaritan spirit.

On December 3 the kindergarten and primary departments will have a Christmas dinner and theater party, it was announced by Mrs. Elizabeth Walsh, adviser of the group.

The girls spent the evening sewing garments for charity purposes.

Mrs. Walsh is the originator of the idea of doing social service work, according to Lois De-Shields, president of the society. Lorraine Smith and Frances Whitmore were hostesses for the evening, in their home.

Notices

Council meeting Kappa Delta Pi Monday noon 12:30 Room 161.

Pre-Legal club members: George Stepovich will speak in Room 11 Wednesday at 7:45 instead of tonight.

Avaricious Co-ed WIN RECORD IN Fountain Survey

It appears that the average San Jose State co-ed drinks water more frequently and in greater quantities than the average male attending this college.

Between 3:15 and 3:40 p.m. Friday 46 students used the drinking fountain just outside the library making an average of about 1.5 thirsty souls a minute.

Of these 46 persons 27 were girls, 19 were boys, including a very few fellow who drank twice. The girls on the average, drink for 25 seconds each, while the best the boys could do was an average of 2.3 seconds.

The record for long drinking was held jointly by one boy and one girl. Each of them drank for 10 long seconds.

NOTICE

Junior Orchestras will meet tomorrow as usual at 5 o'clock in the dance studio.

Ogino, O. Reed, Elizabeth Mack Ryan, Phyllis A. Caruso, Margaret Hull, Lillian Ross.
