Beards Sprout!

Registration in quad today marks the end of beard-growing practice sessions for Spardi Gras festival contest.

VOL. XXV

SAN JOSE, CALIFORNIA, MONDAY, APRIL 12, 1937

Number 110

Beards Sprouting For Spardi Gras Whisker Contest

All Bearded Beauties Must Register Immediately To Be Eligible

Twenty-five contestants have shaved off their practice beards, and are now planning the real fight. For today is the opening of the college's annual beard contest which ends Spardi Gras day. This is the final day of registration, and a booth is being operated by Glenys Bodkin and Don Walker in order to catch the late-comers.

According to local gamblers, the odds on Ray Abernathy's winning the prize have increased, and are now set at 5-1. Abernathy himself is prepared to wager \$5 with anyone that he nets the prize. Bob Rector, senior prexy, is definitely out of the running when Helen Hohmyer, declared steadfastly that she will not allow him the right to enter the race.

Among Abernathy's chief threats are Frank Olson and Jack Gruber. Ham Hodgson, frosh prexy, has the entire field for the scraggiest beard at his disposal.

Three prizes are being offered: \$5 for the best beard, \$5 for the scraggiest, and a raffle prize of \$5.

Final Plans For Peace Demonstration To Be Formulated Tuesday

Final plans for San Jose State college's participation in the nation-wide peace demonstration will be formulated at a meeting of the committee named by Student Body President Paul Becker tomorrow afternoon at 5 o'clock.

The demonstration is slated for April 22 at 11 a.m. Topics for talks and speakers will be chosen at tomorrow's meet. Prexy Becker urges that all organizations have representatives at the gathering in order that definite and satisfactory plans can be completed.

Anastasi President Of Pre-Legal Club Again

Anthony Anastasi was elected president of the Pre-Legal club for the fourth successive quarter at a meeting of the group this week. Other officers elected were vice-president, M. Kanemoto; and secretary-treasurer, Jack Mable.

Early History Of Movies Shown

A series of five programs showing early development of the motion picture in France and Germany are to be presented this quarter at the Stanford University Assembly Hall.

Admission is by a subscription ticket at the rate of \$1.00 for three programs, and 25 cents for the others, presenting the original ticket. The first of these programs was held Thursday evening, and others are scheduled for April 15, May 6, May 13, and May 27.

Sponsored by the Stanford Education Club, the series of short films, film sections, and one full-length picture trace the improvements in motion picture technique from 1896 to the sound era.

Among the German films to be shown are "Skladanowsky Primitives", "Don Juan's Wedding", "Misunderstood", "The Golem", "The Cabinet of Dr. Caligari", "Hamlet", the immortal Emil Jannings in "The Last Laugh", and "The Love of Jeanne Ney".

French films include "The Smiling Madame Beudet", "Menilmontant", "Ballet Technique", "The Fall of the House of Usher", "Entr'acte", and "Joie de Vivre".

Further information may be obtained from Mr. Hugh Gillis in Room 49.

Pre-Teachers To Give Dance Friday

"The Pre-Prof Swing" is a dance to be given by freshmen of the education group Friday night in the women's gym.

Tickets for the dance, selling at 50 cents for couples and 40 cents for stags may be purchased at the controller's office after noon today. Each member is privileged to bring a guest.

Music will be furnished by one of the well-known campus orchestras, according to word coming from Bob Thorpe, president of the society.

Friday's dance will mark the first social activity to be sponsored by the future teachers.

College Patrons Plan Party For Emergency Fund

Catholic Women's Center To Be Scene Of Affair Announces Head

To raise money for an emergency fund, the San Jose State college Patrons Association is planning a dessert card party for Wednesday, May 12, at the Catholic Women's Center. Both bridge and whist will be played, according to Mrs. C. C. Gilliam, president of the Association.

Tickets for the affair will sell for 35 cents and the names of those selling them will be announced in the near future. Persons planning to attend the party are asked to buy their tickets in advance.

Prospective Student Teachers Must Sign With Dr. Staffelbach

Education students expecting to do student teaching any quarter next year are requested by Dr. Elmer Staffelbach of the Education department to meet at 11 o'clock today in the Little Theater.

The meeting is for the purpose of getting signatures of those expecting to do practice teaching, Dr. Staffelbach said.

It concerns credential work in the kindergarten-primary, general elementary, junior high and special secondary field.

MOTOR DEATH RATE INCREASE SWEEPS STATE

Sudden Death swept through the ranks of California motorists with renewed vigor in January and February, according to an announcement recently made by Ray Ingels, Director of the State Motor Vehicle Department.

With 305 fatalities in January and 206 in February, the total for the two months was 511, an increase of 35 deaths or 7.35 per cent over the 476 killed in the same period last year.

There will be an average of one person killed or injured for every family in California within the next decade, if this present upward trend of highway accidents continues Director Ingels said.

First Campus Sing Of Spring Quarter To Be Held Tomorrow At 11

Eighth in the series sponsored by the Kappa Phi club, the first Campus Sing of the Spring quarter will be held tomorrow at 11 o'clock in the Little Theater.

Offered purely for entertainment, the words of the songs are flashed on a screen before the assembled songsters. Songs featured are of all types—popular and old-timers. As in the past, the bi-weekly one hour sings will be directed by Miss Berta Gray, sponsor of the Kappa Phi club.

Six-Four Scouting For New Collegiants

Scouting for skyscrapers are the 6-4 clubmen. If you see the collegiants wandering around Washington Square with craned necks, you'll know they're looking for new members.

After rounding up prospective members, they will be invited to a smoker Thursday night.

"Hell week will be helled next week, but tall men shouldn't let that scare them off," says Don Walker, who asks prospective tall members to gather in the quad at noon today so that the search for height will be made easier.

EXHIBIT SERIES WEAR SPRUCE? SHOWN TODAY

Do you know that you are probably wearing some form of spruce?

The first of a series of Home Economics exhibits is being shown this week in the glass cases near the main entrance to the building. Shown are methods of making rayon into its many forms from the wood of the spruce tree. A surprising number of fabrics are on display—all originating from the wood of the spruce.

Several other exhibits are planned this quarter by the Home Economics "Methods of Teaching" class.

"It takes originality to get along in the world, or any place else," stated Mrs. Sarah McClatchey, Oskaloosa's rocking chair philosopher and erstwhile convention delegate.

"A little originality will cover up a lot of ignorance," she said, leaning back in her rocking chair and lighting her corn cob. "It's the best substitute for intelligence I know of."

HARD TO CONVINC
"To be original one has to be a martyr," Mrs. McClatchey declared. "I remember what a hard time I had convincing one of my teachers that two and two made five. However, she became convinced when she found I was stronger than she was," she added. "When you give a wrong answer, don't try to justify yourself in

Auditorium To Be Locked While On Air

Broadcasting by remote control from the Morris Dailey auditorium for the second time, the college band will present its formal semi-annual Spring concert Wednesday under the direction of Mr. Thomas Eagan.

The band will play, according to John Knight, student band manager, two compositions, "Trumpets of Victory" and "Colossus of Columbia", which will be used next football season to pep up students at the games.

Featuring a program made up of selections entirely of a military nature, such marches as Joseph Haydn's "Military Symphony" will be played.

Students and those intending to come to the concert are urged to arrive by 9:15 as the auditorium will be locked during the broadcast. The concert is free.

Newman Club To Hold Second Whist Party

Newman club will hold its second annual whist party April 27 in Newman Hall, South Fifth street.

The public is cordially invited to attend the party. Interesting prize awards will be made during the evening.

Arrangements for the affair are under the direction of Ward Gray, chairman. Assisting him are Harold Davis, Jack Davis, Burt Beede, Jean Coit, Gertrude Arcega, Eleanor Ryason.

Attention, All Hitch-Hikers

Thumb Travelers Association Organized At San Jose; Raymond Wallace Local Chapter President

When you see a hitchhiker's chair at every crossroad—you will know that the Intercollegiate Hitchhikers Association has the upper thumb, according to Ray Wallace, local organizer and chapter president for San Jose State college.

Wallace, who has covered some 20,000 miles by the rule of his thumb, states that Dr. Brant Clark, Bill Sweeney, DeWitt Portal, and other faculty members are

qualified, while Mr. Dwight Bentel, who is a novice, is going out to get more experience.

The Intercollegiate Hitchhikers Association was formed at Long Beach Junior college by Bob Carpenter and Parker Jameson. More than twenty colleges have formed branches.

The Association employs a lawyer who is working on the legality of hitchhiking, and expects to pass laws compelling motorists to give rides to hitchhikers.

A peanut carnival was held recently at Chico State college. As students entered the carnival grounds they were given a small bag of peanuts with which to gamble at various concessions. Some went broke through indiscreet gambling or eating; others went home, pockets filled with enough peanuts to forever satisfy that craving to keep on eating them once you start.

WHAT! NO 1862 BEARD CONTEST WHY! OH, WHY!

The Spardi Gras beard-raising contest wouldn't have created even a ripple of excitement at San Jose State college in 1862.

Why? Because, gentle reader, the class of 1862 consisted of one gentleman and five ladies. And what kind of a beard raising contest could the Spardi Gras committee make out of that?

Speaking of beards, however, Ahira Holmes, first principal of the school . . .

But if you want to know more about that, read "One Gentleman and Five Ladies," a history of San Jose State college, which begins in Tuesday's Spartan Daily.

CLEAN AS THE DRIVEN SNOW

An awful plague of magazine digests has descended upon the reading public lately. I counted thirteen different ones in the Co-op, which by no means covers the entire field.

These were all published more or less in imitation of the Readers' Digest, when it made such a phenomenal success. The underlying idea is that reading field has become so large that no busy person can possibly keep up with events, and for this reason they are boiled down into short paragraphs.

But now, the number of digests

has reached such proportions that no one can even keep up with them.

At a recent Pegasus meeting where epitaphs were being discussed, someone presented the following, which he claims is by Whitman:

RAY WALLACE—EPITAPH

He is gone.
I cannot sing
Except his memory.
He was not tall,
But breadth he had—
Inspiring breadth.
He was broad, broad broad,
As a bull is broad,
And where . . .
He is gone.
Now I can sing.

Well, what do you think?

Nothing looks sillier—or happens oftener, these last few days—than someone walking along with his umbrella still upraised, a half hour after the rain has stopped.

I thought this idea the juniors had for an egg-throwing concession for Spardi Gras was all right until last Friday. Then a certain flaw in the plan not previously visible developed during a conversation with ex-prexy Marsh. It seems they want to throw eggs at ME!

TOO MUCH BANG-BANG

Why all the noise about changing the name of this college? You would think it really amounted to something to hear the champions of the idea talk. The space it receives in the Spartan Daily is entirely out of proportion to its importance. Importance? What importance?

The entire idea, simmered down to its primary elements, may be summed up in two words . . . "Hot air!"

In the first place, if the name changers had any inkling of the almost hopeless struggle the higher muck-amucks of this institution waged with the State legislature when they desired to have the word teachers dropped from the cognomen of the college, they would hold their peace, and drop the idea. The plan to change the name of this college to either California State or University of California at San Jose, must be placed on the same pedestal along side of world peace. Wonderful to think about but impossible to attain.

—James Bailey.

Spartan Mermen Wallop Tigers

Track Team Defeats Cal Poly, 94-36

L. Todd Tosses Javelin 207 Feet; Bendeich Jumps 23 ft. 8 in.

Led by an unusual display of talent in the javelin and broad jump events, San Jose varsity trackmen swept to a decisive 94 to 36 victory over the invading undermen from California Poly of San Luis Obispo last Saturday.

Taking twelve first places, the Spartans were unable to place a man in either of the altitude events and had to relinquish the first three places in the high jump and the pole vault to the southerners.

LOYD GATES
High point man for the day was the diminutive Lloyd Gates who led the field to the tape in both the mile and the 880. He took first place in the mile run followed by Chuck Malbon of the Spartans; Malbon also finished second to Gates in the half mile.

LOWELL TODD, MODESTO JUNIOR
College transfer, lived up to advance notices in throwing the javelin out 207 feet six inches, just five feet short of the school record and easily the best effort of any cast track man this season. With this distance in early season, Todd should be throwing the stick around the record set by Cunningham in 1935.

23 FEET 8 INCHES
Charles Bendeich leaped 23 feet 8 inches to take the broad jump from teammate Al Parr and Mustang Bogess. Parr's jump of 23 feet was eight full inches short of the winning distance which was no fluke as Bendeich was leaping right around that mark all afternoon.

Big Hal Fosberg proved to be too strong for the invaders in the weights and easily outclassed his nearest opponent to take first in

Freshman Netters Trim Salinas J. C.
Exactly reversing the score of their previous meet, the Spartan yearling racquetters Saturday morning downed the Salinas Junior college courtmen, 7 to 2 on the local courts.

Sterling Silver won over Howard Tence, 4-6, 6-1, 6-4, in a close, fast match while Norman Thorpe trounced Kimbil Smith in the second singles, 6-2, 6-4. Allan Howes, third Spartan man, was stopped by Bob Tucher, 4-6, 7-5, 6-1, in a hard-fought tilt. Hairy Walter Nasif had his hands full to score over Don Manner, 6-4, 3-6, 7-5. The fifth singles was taken by Ernest Rideout in two sets, 6-2, 6-4 with Ken Helvey easily defeating Bill Curry, 6-0, 6-1, in the final singles tilt.

The first doubles match went to Silver and Thorpe over Yie and Tence, 6-2, 6-1. The second of the doubles was the hardest fought match of the meet with Rideout and Howes finally topping Manner and Tucher, 8-6, 6-8, 6-4. The day's last contest was likewise close with the Salinas jayseers, Smith and Curry winning, 9-7, 6-3, over Helvey and Nasif.

Spartan Racquet Men Win Eight Out Of Nine Matches From S. F. State

LOSE CLOSE MATCH; 8-6, 6-3

SPRING SOCCER BRINGS OUT NEW TALENT

Losing only two men from last year's varsity team, and with 23 turning out for spring practice Coach Charlie Walker yesterday predicted the best soccer season the school has known for next fall.

NEW MEN
New men include Adrien Rouyet, center on DeGroot's eleven of last year. Rouyet has had considerable soccer experience playing with a local town team for some years. He will help fill in Germano's place at full.

FRANK ARNERICH, BASKETBALL
transfer from Santa Clara, is showing plenty of speed and defensive ability, according to Walker, and should also be a valuable aid at full. Walker has described Arnerich as having considerable kicking ability, which should go well in that spot.

GEORGE LATKA, SENSATION
of the boxing team, from Indian, is also turning his efforts toward this line of sport.

CARPENTER
Possibility of football captain Les Carpenter turning out for practice seems likely, according to Walker. Carpenter is at present playing baseball, but will be through with that sport in plenty of time to get in some good spring practice should he decide to join the team.

VETERANS RETURNING
from last year's team include ex-Captain Ray LeClergue, all-conference full, and Dickie Main, inside, who was rated second team in the all-conference pick.

At guard, as in '36, will be John Holtorf. Other experienced men are Bill Pitcher, center half; Jack Wilds, right half; Helton Harper, left half; Martin Olavarri, center forward; Mendes Nepote and Terry White at insides; Jack Marsh, left wing; to be bolstered by veterans Phil Weed and Wesley Hughs.

FROSH STILL UNBEATEN IN DUAL COMPETITION; RUN UP 53-20 SCORE

STATE DIVOT MEN DEFEAT ST. MARY'S; 7-2

San Jose State's six-man golf team retained its place as present co-holder of first place in the NCA golf tourney with a sweeping victory over St. Mary's at the Orinda golf club Saturday, gathering seven out of a possible nine points from the Moragans.

NO. ONE TEAM
In an effort to find the winning combination, Coach Bill Hubbard did some last minute strategic juggling of the lineup putting Don Hickey and Ken Horlein in as the No. 1 team, Jack Phelps and Bill Hern in the No. 2 spot, and Johnny Marlais and Bill Parton as No. 3 team. That this maneuver worked out effectively is evidenced by the score of seven-two, but the matches were far closer than the unevenly divided tally shows, according to the journeying State golfers.

OFF GAME
Playing on the rugged Orinda golf course, the Spartan combinations were all well off their game with no man of either team breaking 80 or scoring in that territory. The well-trapped, nature of the course was the probable reason for the teams not performing in their usual low-scoring form.

INTRAMURAL SPORTS

Actual opening of the horse shoe Intra Mural tournament has been set for Monday April 19. This comes as good news to the iron tossers who have been anxious to begin a bit of official competition this quarter.

Coach Hartranft announces that everybody is eligible, from the "pitch and pray" variety to the real barnyard experts, and it looks as if there will be a real line up of good men out there in the fight. Entry blanks are on the bulletin

AL WEMPE TAKES THREE FIRST PLACES

Mopping up every first place except one, the San Jose freshman swimming team maintained its undefeated dual meet record Friday afternoon by soundly walloping the Stockton junior college team 53 to 20 in the College of Pacific pool.

The frosh have gone undefeated in five dual meets this season. The Stockton junior college is the lower division of College of Pacific and because of this fact the San Jose varsity team was forced to compete in the meet unattached.

A. WEMPE SHINES
The unofficial score of the triangular meet gave the Spartan frosh and varsity a 59 to 59 tie while the young Bengals ended up with 43.

Al Wempe, frosh sprint ace, outdistanced the field in the individual honors as he captured first place in the 50 and 100 yard freestyle, the 75 yard individual medley swim and swam one lap on the winning relay win.

EIGHT FIRSTS
The San Jose yearlings, in winning the meet, lost only the 50 yard backstroke out of nine events. This race was won by Hockolt of Stockton.

San Jose took first and second places in the 220 yard freestyle with Captain Martin Wempe and Leonard Goodwin, in the 100 yard free with A. Wempe and Delos Bagby, and in the 75 medley with A. Wempe and Earl Miller.

TASSI'S BEST
For the varsity, Roger Tassi put on his best diving performance of the season, according to Coach Charlie Walker, as he executed some brilliant performances from the 10-foot board. Coach Walker stated that it is possible that a 10-foot board will be installed in Spartan pool next season.

Thursday afternoon in Spartan pool, the San Jose freshman team thoroughly trounced the Montezuma preps to the tune of 55 to 9.

The Spartans took all first places and all but one second, the diving. The Gold and White only had one competitor in this event, Harlan Wilder.

Senator Not To Propose Name Change

Sanborn Young Says College Reclassification Bill Impossible

The hope of a new name for San Jose State this year faded when Senator Sanborn Young, after careful consideration of the bill, declared that it would be impossible for him to propose it without losing his self-respect in the eyes of the other legislators.

Senator Young was the legislator who introduced the bill in 1935 changing the name of San Jose State from the disliked title, "teachers". In his announcement Senator Young declared:

"I have decided that I cannot introduce the bill changing the name of San Jose State college to State College of California, because of the position I took two years ago when I introduced a bill taking the word "teachers" out of the title of the college. At that time I was accused of assisting the San Jose State college to get 'the camel's head out of the tent'. I denied the charge and stated that it was not a first move soon to be followed by others toward the end of creating another university at San Jose. This refers only to my personal attitudes, due to statements I have made on the floor of that session of the legislature. It does not mean that I am opposed to the plan. There is no reason why the local assemblyman should not be asked to propose the bill, provided he has not been committed as I have been, to the policies and promises of their last session."

The sponsors of the plan, however, are far from discouraged, as it has been accepted by them that it may take ten years for the bill to become law, as it took five years for the name "teachers" to be omitted from the title of the college. This campaign was started by the local college with poor results, until the other state colleges joined in a united front to the legislature. An attempt will be made to ask either Assemblyman Cottrell of the San Jose district, or Adron A. Beene, of the Palo Alto district.

Faculty Members Meet To Discuss Science Bulletins

California colleges cooperating with the state board of education met at Chico State college Saturday and Sunday and presented the natural science bulletins which have been prepared for the Division of Elementary Education.

A lack of authoritative material led to the coordination of the science departments of the state colleges in order to give elementary teachers a source of reliable information. Birds, insects, wild life, and related subjects are among those treated.

In charge of the meeting for the Board of Education were Miss Helen Heffernan, head of the Division of Elementary Education, her assistant, Miss Gladys L. Potter, and Dr. Ivan Watterman, head of the division of texts and publications.

San Jose State was represented by Dr. P. V. Peterson, Dr. O. L. Brauer, Dr. Carl Duncan, Dr. Karl S. Hazeltine, and Miss Gertrude Witherspoon.

STATERS ENGAGE IN EVERYTHING BUT STUDY IN LIBRARY

Do you know what the library is for? If you do, you're an exception, or so it would seem in view of statistics collected during a typical hour in the reading room.

Among the 156 students were represented all the various stages of unconsciousness. Seven students were gazing sightlessly at the wall or out of the windows, three were dozing, two were sleeping soundly, one dark-haired gentleman was draped comfortably over a table in the far corner and snoring happily.

Five, all girls, were enjoying a between-meals snack; 27 couples were engaged in animated conversation, five individuals were turning pages with their minds obviously out cavorting butterfly-like on the lawn, six were leisurely preparing to get down to work, and one slim young female was even giving herself an elaborate manicure.

Twelve students were actually reading and only a few were studying with serious intent.

HELD TO WIELD BATON AT HOP

Iota Sigma Phi To Sponsor Semi-Formal Affair

Due to unforeseen circumstances, the orchestra originally scheduled to play for the Iota Sigma Phi "Spring Dance" has been changed, and according to Nick Germano, the music will now be supplied by Scott Held's orchestra, which played at the biggest dance this year, the German Grand Ball, a few weeks ago.

The dance, sponsored by the Industrial Arts honorary society, will be given at the San Jose Elk's Club Saturday, April 17, and is semi-formal.

Bids are \$1.25 and may be purchased in the Controller's office, or from the following people: Richard Norona, Mendes Nepote, Fred Hair, Bill Castro, Curly Walker, Victor Silveria, Nick Germano, Thomas Tassi, George Chambers, and Ralph Hiegel.

The patrons and patronesses will be Dr. and Mrs. H. A. Sotzin, Mr. and Mrs. B. S. Spaulding, Mr. and Mrs. J. S. Aspinwall, Mr. and Mrs. George Spearman, and Mr. and Mrs. Neil O. Thomas.

Newman Club To Hold Parents Meet Tonight

The Newman club will hold "Parents' Night" at 8 o'clock this evening in Newman Hall on South Fifth street.

The affair, according to the sponsors, is to acquaint parents and friends with the advantages of the organization.

Ward Gray is general chairman of the evening. He will be assisted by Jack Gruber, program chairman, and Virginia Vandiver, arrangements chairman.

Pension Organization Offers Essay Prizes

Prizes totaling fifty dollars were offered Saturday to San Jose State college students for the three best essays on "Why the General Welfare Act of 1937 should be enacted into law at this session of Congress and why it would benefit every American in America". The prizes, twenty-five, fifteen, and ten dollars, will be given by the local Townsend club, No. 9.

The contest will run until June 1 and all essays should be sent to the Townsend Nation Weekly, Chicago, Illinois, where they will be judged by Dr. Francis Townsend, J. W. Brinton, editor of the weekly, and Delmar Young, national secretary of the Townsend organization. Their decision will be final and the results will be announced soon after June 1.

Contest rules may be obtained by contacting Niels Johnson, local Townsend club head.

STUDENT LEAPS WESTERN STORY FAN BEFORE HE LOOKS

Wilbur Snodgrass, semi-prominent State student, was put in dire peril of his life late yesterday afternoon, when he rounded the corner of the Art building facing the San Carlos street turf and found himself in the midst of a fusillade of arrows.

Wilbur, who is an avid western story reader, instinctively dove for nearby shrubbery at the same time as he clawed frantically at his hip for his six-shooter.

Finding neither a six-shooter at his hip, nor refuge in the bushes, Wilbur cautiously extracted himself and took stock of the situation.

Instead of a band of redskinned terrorists, he was amazed to see a group of lady archers taking their pleasure on the green, for the sake of exercise and one-half unit credit.

Two College Musicians Engaged To Play In Stuart Maus Orchestra

Sheldon Taix and Frank Bettencourt, two well-known students, have been engaged to play in the band of Stuart Maus.

The two students have been active in local bands for some time, and both are expert musicians. Taix specializing with a trumpet and guitar and Bettencourt on the trombone and piano.

Bettencourt, a major in music, is well-known for his popular swing orchestra which has appeared at many shows and dances here.

L. Todd Outstanding In Early Season Form

(Continued from Page Three) the shot and the discus. Another double winner for the locals was Pierce who pulled ahead of his field in the 220 and 100 yard dashes to show complete superiority in the sprints.

LOW HURDLE WINNER A surprise winner was Thurman in the low hurdles, taking the sticks from Captain Cammack, winner in the high barriers.

Pulling hard against a back stretch wind, Owen Collins led the field in the quarter but was followed by Spartan Taylor and Stettelle in that order. These three with the help of Murdock had no trouble taking the half mile relay from the southerners to finish the day's scoring.
