FORMER INSTRUCTORS TO RETURN TO CAMPUS IN AUTUMN

With new instructors appointed and former members of the faculty returning to the campus next year, numerous changes have been announced by Dr. T. W. MacQuarrie for the 1937-38 school year.

Following the securing of Edward Haworth to replace Miss Lydia Innes, who resigned as Appointment Secretary, President MacQuarrie announced that Clinton Lewis, Marin junior college music department head, had been engaged to take the place of William Erlendson, director of the A Capella choir and music instructor, who has been granted leave of absence to take his doctor's degree at Harvard.

Miss Margaret Thomas, University of Chicago music graduate now taking post-graduate work at San Jose State, will teach Erlendson's piano classes.

OH, WELL, THE KID COULDN'T READ ANYWAY

Mrs. Lillian Gray, member of the Education department, was sitting in the back of the room, writing down on a small card the good and bad points of her particular practice teacher. A small inquisitive youngster sitting across the aisle from Mrs. Gray leaned over her shoulder to see what she was doing.

Mrs. Gray turned to the young lad and said, "Don't you know that it is very ill-mannered to read over someone else's shoulder?" The child responded, "I can't read!"

Dodge And Ashworth Entrants In Annual Air Competition

Hillis Ashworth and Sumner Dodge, college aviation students, have been chosen to represent San Jose State college at the National Intercollegiate Flying club Annual Competition to be held at the Aviation Country club, Long Island, New York June 18 and 19.

PRACTICE TOMORROW
Practice for the meet will begin tomorrow, according to Mr. Frank F. Petersen, head of the college aviation department, in order to allow the students to acquaint themselves with the maneuvers they must enact during the competition.

Dodge and Ashworth, according to Mr. Peterson, have natural flying instinct and with a few practice sessions should prove themselves formidable contenders for

top spot in the contest.

The final practice session for the two will be Monday and will last for two and one half hours, at which time they hope to polish their flying for the competition.

Winning team of the contest will receive a \$250.00 cash prize, the W. T. Piper Trophy and the flying club trophy.

OTHER ENTRANTS
Entering the competition will be Stanford, last year's winner, Purdue, Amherst, Yale, Harvard, Cambridge, Carnegie Tech, Princeton, San Jose State college, and a host of other important colleges and universities throughout the United States.

The competition will require every team to enter the Paper Strafing event, do spot landing, and bomb dropping for accuracy.

H. E. Department Shows New Exhibits

The care and use of textiles and planning of meals are featured in this week's exhibit in the show-cases of the Home Making building.

Ways of constructing and designing clothes, types of dyes to be used for various textiles, and the caring for and buying of good materials makes up one display in the cases, while meal planning and a typical average diet for a college girl makes up another exhibit.

One case shows the correct way of placing table service, and still another shows a house and garden plan, picturing the floor plan and gardens of a Spanish type house and a Dutch Colonial home.

Nominations for next year's A.W.S. officers will be made in a special assembly for women Tuesday morning at 11:00 in the Little Theater.

During the assembly period, suggestions for nominees may be made from the floor, following the names submitted by the nominating committee.

Goldie Anderson has been appointed chairman of the election board, to take charge of the election, June 7. The nominating committee was composed of President Barbara Harkey, Alice Wilson, and Marion Starr.

Plans are being completed for the A.W.S. Parent-Student-Faculty reception, scheduled for Monday evening, June 7.

Mystery Clings To Affair No Explanations Of 'Locked In' Instructor

By JEWEL SPANGLER
"Where is the fire department?" gasped a music major as he came booming around the corner, red of face and torn, it was apparent, between a great anxiety and a greater desire to laugh.

We admitted that we did not know.
"Then where is a ladder?" "If you don't know where there is a ladder, maybe you can pick locks?" he continued.

We headed hastily in the direction of the police school, but remembering that after all he was one of our fellow men we retraced our steps and followed him

to the music building.
A heavy banging coming from an upstairs window alarmed us, but Spartan Daily reporters are a hardy lot.

The noise was Mr. Adolph Otterstein banging on a door that would not open. It would not open because Mr. Adolph Otterstein had locked himself in.

The banging continued. Spartan Daily reporters cannot pick locks. Today the door may be found, minus its hinges, leaning against a wall in the music building.

No one knows how Mr. Otterstein locked himself in. When questioned he becomes inarticulate.

Three Days Remain For Final Campaign Speeches, Posters

BOOTHS LOCATED AT MORRIS DAILEY AUDITORIUM ENTRANCE; NO ELECTIONEERING PERMITTED IN MAIN CORRIDOR

By JAMES MARLAIS

Rules a la mode!
And election "instructions" creep into the midst of spirited electioneering to supplement today's campaign "pushers" for council candidates as the fourth day of election fever grips Washington Square.

"It's three more days of campus tooting" for the candidates for the seven student executive positions but rules as released today by Election Judge Norman McFadden announce the following "do's and don'ts:

ONE-FOURTH OF CLASS FALLS ON WAY

Approximately three-fourths of the original class that registered at San Jose State college four years ago will graduate in June, according to Mrs. Viola Palmer of the Registrar's office. Many of the class dropped out of college following their freshman year. This year alone, 400 of the original 1300 entering freshmen have left school. Work, health, and poor grades are the usual reasons for the absence from school.

Of the June senior class, 90% of that number have completed their college course in the prescribed four-year term at San Jose State college. Twenty-five per cent of the seniors are transfers from various junior colleges.

Class Plans Gift To Spartan Union

Plans for a class gift to the new Spartan Union were formulated at a meeting of the Junior class yesterday at 11 in Room 24.

Five dollars of the class fund will be used for this purpose. Jack Marsh was appointed to look into the matter of choosing a suitable gift.

President Dick Lane appointed Bob Free as chairman of the usher committee for Baccalaureate and Commencement Day. Fifteen junior men are required for this work, and those who are interested should see Bob Free.

Heated argument took place over the question of buying a gavel, to be made the permanent property of the junior class, and to be handed down from year to year. Victor Carlock was appointed to look into this matter.

Commerce Majors To Plan Picnic At Meet

Plans for the annual Commerce club picnic at Seabright will be discussed at a meeting of the group Tuesday at 11 in Room 139.

15 Given Awards For Scholarship

Freshmen Given Certificates Of Honor At Meet

Judging on the basis of the number of scholarship awards, men of the present Freshman class are just twice as brilliant as the women.

Ten men students and five co-eds were awarded certificates of scholarship by Dean Elder of the lower division at a meeting of the Freshman class yesterday at 11 o'clock in the Morris Dailey auditorium.

GRADE POINTS

Students receiving the awards have made a grade point average of 2.833 or the equivalent of a B plus average. Fifteen more received honorable mention for a B average.

The upper fifteen follow: Kazuo Yamakawa, Roy Bue, Olaf Bue, Wilmoth Shackleford, Ralph Smith, Takeo Ishikawa, Joseph Powers, Elvis Devlin, Stanley Gould, Ove Jensen, Jean Scott, George Doyle, May Imakire, John Chuck, and Peggy Geisenhoff.

HONORABLE MENTION

Those receiving honorable mention are: Peggy McDaniel, Benjamin Winters, Bradford Mailand, Kimura Arata, Howard Vierra, Margaret Hull, Joseph Gander, Jeanett Weld, Roscoe Murray, Harland Smith, Angie Machado, Emma Gulmert, Edith Mauzy, Henrietta O'Brien, Charlene Berg.

We The People . . .

Editor's Note: The Spartan Daily in presenting these articles is introducing a service that never before has been proffered the voters and perspective council members. It is permitting the candidates for the 1937 student council to introduce themselves

through its pages, and such articles, written by them or their campaign officials, are not expressive of the Spartan Daily, which will remain impartial throughout the campaign.

Jim Bailey

This little article today is at least to let you know that I am running for the council. I'm not going to tell you that I'm this or that because you are all individuals, capable of thinking for yourselves, and all the posters, and signs, and talk in the world won't change your opinions. If you feel that I should be on the council, you'll vote for me; if not, you won't. But whether you vote for me or not, use your privilege as a State student, and be out there to vote.

Betty Bruch

Betty has been secretary of the Associated Women Students, President of the Women's Sophomore Service Society, Spartan Spears, and is president-elect of Orchesis. She is a member of the honorary music organization, Tau Mu Delta, and has served on the Women's Athletic Board and the Social Affairs committee. This previous record shows her unusual ability of service and executive leadership. It also insures you of tremendous future possibilities,—if she is on the Council.

Les Carpenter

Presenting Les Carpenter, a candidate outstanding in athletics and scholarship. Known to students as a level-headed proponent of student welfare. He is not easy to sway and his student representation will be on the highest plane of fairness and equity. A Tau Delt member and Benton Scholarship winner he has completed four years on the campus thereby being well acquainted with student affairs. He is for YOU; VOTE for LES and your TROUBLES will be LESS.

Bob Free

Bob Free has gained insight and practical executive experience in student body affairs through his participation as Rally chairman, inaugurating campus broadcasts, heading the Spartan Knights as Earl, and serving the junior class as vice-president. The position of councilman requires a thorough understanding of this campus in order to further your welfare as a student. Bob has this understanding. FREE for ALL!!

Jerry Girdner

Jerry Girdner has unselfishly given of his time and service on behalf of San Jose State. As vice-president of his class in both his freshman and sophomore years, and as head yell-leader this past year, he has gained valuable experience that qualifies him for a seat on the student council. In the light of this experience, Jerry Girdner stands alert to the possibilities of school improvement and pledged to genuine school service.

Jack Gruber

As a candidate for the student council Jack Gruber is basing his claim to experience and ability on the fact of service to this college. Jack has served on the freshman council, past president of the sophomore class, Rally and Social affairs committee, Grand Duke of the Spartan Knights, general chairman of the Spardi Gras.

The student council stands for service to the student body, elect a man who will give that service—elect Jack Gruber.

Ham Hodgson George Latka

As representatives of the present freshman class we realize the significance of the obligation in that respect and assure you we shall do our utmost to be worthy of that trust. To the FUTURE sophomore class and present STUDENT BODY at large we pledge and stress but one major principle. Namely: that, if elected, we promise to serve from a purely UNSELFISH, cooperative standpoint and with ONLY the best interests of our institution at heart—to give to you the SQUAREST DEAL possible. Any and all support will be more than deeply appreciated!

Betty Jean Keller

Perhaps you would like to know that Betty Jean Keller has done outstanding work ever since she has been in the college.

In freshman year—elected to Players; sophomore year—president of her sorority, social affairs committee; junior year—president of Inter-society council, All-School picnic committee, president of the junior high majors.

But foremost you must realize that she will be a sincere and willing worker should she be elected, and she will do her utmost to continue the excellent work of the present council. All in all Betty Jean would be a fine representative of San Jose State.

Wilbur Korsmeier

Wilbur Korsmeier is backed by no certain faction or group; consequently he aims to serve each student, each department, and each faction alike. Club membership is no criterion, and a list of qualification would be impossible. Briefly—Wilbur Korsmeier has a general, all-around, accurate knowledge of the campus. As assistant general Spardi Gras chairman, his leadership was acknowledged. From attending many meetings of the council, he knows exactly how it works . . . the problems facing it. Your vote for him gives YOU a say on the council.

Dick Lane

Dick Lane, who this year headed the largest aggregation of juniors ever to invade Sneak Day activities, runs for council with an imposing list of student activities that speak for themselves. He is president of the junior class this quarter and was vice-president the two preceding quarters. Other activities are: social affairs committee, chairman noon dances, Spardi Gras committee, vice-president commerce club, sophomore class committees, and Junior Prom committee.

Jack Marsh

It's ability that counts! Jack Marsh has shown that he has ability; leading the junior class in putting on the most successful dance of the year, working as a news editor on the Spartan Daily, being a letterman in soccer, and a past member of the social affairs and rally committees. He has all the prime requisites of a member of the student council. He is a hard worker, a fine, clean fellow, and knows the needs of San Jose State.

Ben Melzer

BEN MELZER (incumbent) is the only member of the present council seeking re-election.

Melzer can tap dance, write

poems, box and loves to swim in the surf. Sometimes he writes songs and skits for shows (Adv.).

His record for services read:

1. Pres. freshman class.
2. Pres. sophomore class.
3. Member of student council.
4. Captain varsity boxing team.
5. Director of Community Chest drive (Be a Better Neighbor).
6. Assistant director of Spartan Revelries.
7. Various committees (social and otherwise) that don't count.

For further details consult JIM WELCH.

Walter McPherson

The first requisite for an outstanding member of the student council is the sincere effort to serve the entire student body. Walter McPherson, as an athlete, a student, and a leader is a true representative of San Jose State. He has given much time on the athletic field, and he stands as one both willing and capable to serve the school. His past experience and his genuine sincerity make Mac an ideal representative for the student council.

Frank Olson

Frank Olson is a sophomore who has a well-rounded activity program. That he is a hard and competent worker, has been proven by his work on the Spartan Daily business staff. In the last two quarters he has sold more advertising contracts than any other staff member since the paper was started. He is a member of the championship varsity tennis squad and of Spartan Knights, men's honorary service organization.

Jewel Spangler

Representing no special faction of the school, a vote for Jewel Spangler is a vote for the individual.

A former class officer, Spartan Spear, and member of Sigma Kappa Delta, Jewel Spangler has participated at some time in every major student body activity.

During her three years here, she has been new editor and reporter of the Spartan Daily and headed publicity for student body activities each year.

Don Walker

Don Walker is a candidate who represents the entire student body—not just one branch of it. This is shown by his activity record of participation in many worthy service organizations in the school.

He has served the school as Grand Duke of Spartan Knights, class president for two years, a member of the varsity boxing team for three years, a member of the Spartan Daily and La Torre staffs; he has also been chairman of the afternoon dances, and was very active as a member of the Spardi Gras committee.

Clara Walldow

I believe the student council should work toward:

- (1) Greater participation by students in deciding policies and issues affecting the whole student body,
- (2) Greater awareness by students of community affairs which would interest and affect them;
- (3) Acquainting the student body with the activities of other colleges, giving a broader perspective of the student movement.

I am president of the YWCA, a

FAT IN THE FIRE

By JIM BAILEY

DURING THESE DAYS of council fever when smiles come at a dime a dozen, and casual acquaintances bloom into life-long friendships, I feel it opportune to express an opinion or two about politics in general and politicians in particular.

THERE ARE THREE kinds of persons who run for the council. Named in order they are: politicians, politicians, and politicians.

YOU CAN TELL they're running if . . .

- a) they open the library door for you.
- b) they say, "This one is on me!"
- c) they show much attention to your sunburn.
- d) they recite ostensibly at least once during the hour.
- e) they voluntarily offer you a cigarette . . . and a light.
- f) they talk to Leong very seriously.

IF ALL THE politicians in this school were gathered in one group, and placed in the middle of the quad . . . nobody would give a D—!

IF IT WERE possible, prior to

the elections, to inject each candidate with a TRUTH FLUID the campaign talks would probably read thusly:

"I'm not one to beat around the bush! I'm a crook to the nth degree. Boy, if you think the incumbents are grafting, wait'll I get in. Why, I've been hoaxing the public for so long I've become convinced that this world is inhabited by two types of people . . . me and the suckers. I can think up more ungodly tricks to pull than the Marx Brothers. I lay awake nights thinking of 'em! I'm the kind of guy who'll borrow your shirt and return the cuffs."

Bring your children around, and I'll slap them pink. My cigars are loaded for those who take advantage of my position and ask me for them.

I believe in giving people their rights, and a couple of left hooks too. A vote for me is another dollar out of your pocket. SUCKERS all!

—JOE GLOAT.

FAMOUS FINALES: I don't care whether I'm elected or not!

NOTICES

There will be a meeting of the 6-4 and 5-8 clubs in room 24 at 12:30 to settle plans for the picnic at Santa Cruz. If you want to go, please be there.—Johnny Knight.

The San Jose State Rainbow club and members of the De Molay member of Spartan Senate, a former Spear, and interested in all student body activities.

Jack Wiles

I am happy to have been nominated for the office of student councilman. I am very sincere and desirous of holding office and any votes that are cast in my favor will be greatly appreciated.

club will hold a joint meeting Tuesday at 12:30 in Room 1 of the Home Economics building. Plans will be formulated for the barbecue to take place on June 11, at the "Air Castle", as well as a social meeting of both groups.

Junior PAA Trackfest Here Tomorrow

Bishop Awards 92 Numerals To Frosh Athletes

Baseball Nine Leads In Team Total With 16

By BEN JOHNSON

The largest group of freshman athletes ever to receive awards for outstanding ability on the sports field were presented with their numerals by Graduate Manager Gil Bishop yesterday morning in Morris Dailey auditorium during the freshman class meeting.

Ninety-two awards were presented to over seventy-five frosh men who have distinguished themselves in 11 San Jose State college sports during the past year.

16 BASEBALL AWARDS

Heading the list was Franny Pura's baseball nine when sixteen members of the team were called to the stage. A close second was the track team with fifteen while in third place was Charlie Walker's undefeated freshman swimming team who claimed 12.

Big Don Presley proved himself the most outstanding frosh athlete as he was called to the stage three times. As a football player, a boxer, and finally as a track man, the giant Don stalked to the stage. All track fans will have a chance to see him in action this Saturday during the junior PAA championship track meet at Spartan field.

GREAT PROSPECTS

Many other men including Hugh Staley, Leroy Zimmerman, Al and Martin Wempe, Jack Butler, Jim Hoey, Bob Garcia, and others received two awards. In presenting the numerals Bishop stated that he believed that the groups of athletes that were upon the stage would turn into some of Sparta's outstanding athletes.

The men receiving awards were: FOOTBALL—Ballard, Battaglia, Budros, Carmody, Crotser, Harrell, Lavannino, Maybury, Presley, Staley, Zimmerman.

WOMEN'S SPORTS

By MARY MONTGOMERY

WAA representatives have been chosen from several activity groups. Elinor Offenback was elected from the Swimming club by unanimous vote at the Swim-a-Nic Monday night.

Florence Churin was elected from Orchesis while Betty Bruch was picked for president at a supper meeting Wednesday at the home of Miss Margaret Jewell. Peggy Caldenwood was chosen from the Archery club.

Junior Orchesis re-elected Mildred Moore. Interclass tennis matches must be played off by June 15. So far the freshmen have walked away with the tournament, having won three matches. The sophomores have won two. WHERE are the upperclassmen?

Greatest Meet In History Slated For Spartan Field; Hundred Trackmen To Enter

By WILBUR KORSMEIER

Boasting an array of talent that would compliment the best cinder-paths in the west, the annual Junior Pacific Athletic Association track and field championships will be held tomorrow on the Spartan Field at 1 p.m.

Already the entry lists have been swelled with over 100 star athletes, and nearly 140 men are expected to be on hand to participate in the greatest cinderfest ever held on the local track.

First, second, and third place winners will be awarded with gold, silver, and bronze medals for their efforts, and Spartan fans are hoping that a few of Coach "Tiny" Hartranft's trackers will keep some of the awards at home.

From Fresno in the south to Santa Rosa, north of the bay, athletes will come to San Jose in the hopes of carrying with them Junior PAA championships.

POLE VAULT DUEL

Exciting duels loom in many of the events. Cornelius Warmerdam and Kenneth Dills will in all probability tax the pole vault standards at Spartan field if they go to heights of which they are capable.

Warmerdam cleared 14-4 last week at Stanford, but had to be content with second as Jack Mauthner went over the bar on his first trial. Dills, from Modesto, but competing unattached, has been soaring high up in the ozone also, and these two should put on quite an exhibition. Hugh Staley, Orville Skidmore, and Tony Sunseri will compete for San Jose.

9.6 SPRINTER

Another highlight of the meet will be the appearance of Tommy Nelson, former Pasadena J. C. sprinter, now competing at Fresno State. He has hit 9.6 in the century and should cop both dashes. Spartan entries who might push Nelson are Harvey Brooks and Bob Pierce, while Ellison of San Mateo, and Howard Upton of Modesto

LIGHTHEAVIES DISAPPEARING Griffin Tops FROM SIMON PURE BOXING

By WALT HECOX

For years, the light heavyweight division was rated as the strongest in amateur boxing on the Pacific Coast.

Young men in their late teens and early twenties are at their best when they are a wee bit on the slim-side. A young gentleman who is six foot one or two or three and does not weigh more than 175 pounds can usually handle his weight better than a young 200 pound giant. Thus amateur boxing looked toward its lighthweights with respect . . . in earlier years.

CARVER & NARDONI

It was in 1935 when Doug Carver appeared on the scene. He was not invincible, but he took the heart out of many aspiring light heavies. Southern California produced Vic Nardoni about the same time . . . still the light heavyweight division remains tops.

It was in the Junior PAA tournament in 1936 that Coach Dee Portal produced Stan Griffin. He waded through the light heavies in that tournament and every one succeeding that one with ease. Doug Carver fell before his well timed right in the finals of the San Francisco Golden Gloves tournament.

DYNAMIC RIGHT

In the Pacific Coast finals Nardoni defeated him after a close fight. In the semi-finals of the City Golden Gloves, the first evidence of reluctance to weather Stan's dynamic right hand was revealed. Only the knowledge that failure to appear for his fight without a legitimate excuse would mean suspension from the AAU forced the lad who had won his way to the semi-finals to fight.

The California State championships arrived and no one entered. Stan wanted to study. No one else wanted to meet Stan. Carver had turned pro. Frantic word came from San Francisco asking Stan to enter the tournament. He advanced to the finals without a battle.

Light heavyweights in northern California seem to have disappeared.

Upton, former State prep 440 champ, Owen Collins of San Jose, and Robert Hanson, entering unattached, are counted on to stage a close race in the quarter mile. (Continued on Page Four)

Varsity Netmen Defeat Frosh In Dinner Match

Yearlings Defeated In Seven Straight Engagements

By RAY MINNERS

It's the freshmen who pay—for the varsity-frosh tennis banquet, at least.

That was decided yesterday when the varsity netmen took four more matches for a total of seven to cinch a dinner for themselves at the expense of the yearlings. Two more matches remain to be played today.

In yesterday's tilts Forrest Brown, No. 1 man of the varsity defeated Sterling Silver, top man of the first year squad, 7-5, 6-3.

Harold Kibby downed Ernest Rideout, 6-4, 5-7, 6-4, in a close three-set match, and Frank "Fatty" Olson won from Rex Bartges, 6-3, 6-3.

Captain Ed Harper and George "Chutch" Rotholtz topped Sterling Silver and Norman Thorp, 8-6, 6-0 in the lone doubles game.

Coach Erwin Blesh announced yesterday that the banquet will be held at a downtown cafe Tuesday night, ending all activity for the courtmen for this term.

Law Suit Threat

BROKEN ANKLE

Editor Is Missing

By YLIAD LEAVES

He hit a man on the head and broke his ankle (the man he hit).

And that is the story, my gentle readers (or reader—because you know I read my own stories) concerning the mysterious disappearance of the Spartan Daily sports editor, Bob Work, who failed to show up yesterday for duty.

The man who was on the breaking end of the broken ankle was Leonard "Dyke" Dysinger, vice-president of the freshmen class. Dysinger threatened to bring suit for many thousands of dollars, and drew up his subpoena (he is a pre-legal student), but when he came to school yesterday Bob Work could not be found.

The whole thing started Tuesday night as Work and Dysinger were having a little friendly tussle in the middle of Fourth street. Leonard was pouring it on when Bob stepped back, took careful aim, and let fly. His open hand caught "Dyke" on the side of the head and he went down . . . he got up and started after Work, but feeling a pain in his ankle he again sat down.

After writhing in agony all night, Dysinger appealed to Dr. Slattery for help . . . the answer was a broken ankle (I think I mentioned this before) and a three weeks' imprisonment in a cast.

Dysinger's final statement for the press was, "I think the reason Bob hasn't shown up for school is that he is afraid to appear with that 'shiner' I gave him."

BASEBALL SCRIBE REVIEWS PROSPECTS FOR 1938 SEASON; OUTLOOK IS GOOD

By JAMES CRANFORD

In reviewing the prospects for San Jose State's 1938 baseball team, chances look pretty good for Coach Gil Bishop to turn out one of the greatest baseball clubs ever produced on Washington Square.

There will be more candidates for the various positions on the team next year than there ever has been for a team here in San Jose. In the box, Coach Bishop will have four candidates up from the freshman squad, two returning from this year's varsity, and possibly two transfers from junior colleges.

SIX PITCHERS

First in line for pitching duty will be Art Carpenter, towering

ace chucker on the varsity this year, and Marvin Olsen, a port-sider also on the varsity.

Up from the frosh squad will be Leroy Zimmerman, Tony Freitas, Bill Ashworth, and Bob Harrell. All in all, Bishop's pitching staff will be well fortified, and the strongest position on the team.

RIORDAN TO INFIELD

Jack Riordan, who played behind the bat this year will be shifted to an infield position, leaving the catching position open. Bill Luckenbill and Gurnea will be up from the frosh squad and are strong contenders for the post.

Dino Moratti, transfer from Modesto junior college this quar-

ter appears to be the favorite man for the position. Moratti caught for Modesto's two year championship team coached by Garrett Arbelbide, former Trojan and Coast League star.

MC PHERSON

Walt McPherson has the first base position cinched as Pinky Garcia has been shifted to the outfield. At the infield posts, Luque, Riordan, Adams, Sanchez, Rhodes, and Cranford will vie for posts. Luque, Riordan, and Sanchez seem likely contenders for the three positions at the present.

In the outfield there will be a free for all for positions between Captain Tony Martinez, Pinky Garcia, George Haney, Bob Rose, and Harvey Smith.

Senior Ball To Be Spring Formal At Sainte Claire

Jack Winston's Orchestra To Play For Ball; Bids Limited

That the senior ball, to be held June 12 in the Esplendido room of the Saint Claire hotel, will be a spring formal was decided yesterday in orientation by a majority vote of the senior class.

As only 165 bids are to be sold, the sale will be closed to seniors only until after June 7, at which time juniors may buy ducats. Only upperclassmen may buy bids at any time, according to Harold Kibby, general chairman.

Jack Winston and his band, well-known Pacific Coast orchestra, will furnish the swing. The group has recently returned from a tour of the southern states and from a year's appearance in China, where it was featured at the Little Club in Shanghai.

Nick Germano is chairman of the bids committee and has set the price of admission at \$1.50.

Seniors Choose Quad Electric Clock As Class Gift To School

Quad sitters may now rest in peace until nine minutes after the hour without rushing to class five minutes too early or too late, following an announcement that the senior class has chosen an outdoor electric clock as its gift to the college.

ENJOY MORE ABUNDANT LIFE SARAH'S PHILOSOPHY CAST BALLOT IN ELECTION

By STOVER TREMAINE

"There's nothing like an election to bring out back-slapping and back-stabbing," stated Mrs. Sarah McClatchey, Oskaloosa's convention delegate, on her way to the election of officers for the Ford for President Club.

"Election time is the time candidates remember a lot of dirty work that other candidates didn't do," she declared. "Short memories show remarkable elasticity and ingenuity."

"You always know a candidate," said Mrs. McClatchey. "He's the guy you don't know who knows you."

"I believe everyone should vote at an election," she stated. "It doesn't make any difference whether you know any of the candidates or not, because after

the election they don't know you anyway."

"It's the duty and privilege of every American to vote for the wrong candidate and slander him after he's elected," Mrs. McClatchey declared.

"You must participate in an election in order to enjoy the more abundant life," she related. "Be independent. Go to each candidate and see what kind of a deal you can work out. With this setup you can't lose."

"An election is a selection by the moron mass," Mrs. McClatchey stated. "A selection of its most outstanding representatives."

"It has been my observation that a close race for office is usually won by a heel," she concluded.
