"It's no use," co-editors Jeanne Morehead and Ora Lindquist chorused when questioned by prying masculine reporters. "You men

"Bigger and better' is our motto," Jeanne and Ora declared.

without originality, but the picture is ruined by a slapstick finish for which there is little excuse, even though it did cause the lowbrows in the audience to roll in the aisles.

LOY RESTRICTED

Myrna Loy, who burst into prom inence in "The Thin Man". has been teamed regularly with Powell conventionalized dress shop pro prietor, who picks out the man for her sister to marry and insists on running both of their lives, shows nothing in the way of brilliant comedy in her performance.

A new face, that of John Beal, makes an auspicious bow in the film. As Waldo, the mouse-like of Margit's (Myrna Loy) sister Irene (Florence Rice), he achieves a characterization that is a perfect foil to the brilliant nonsense which Charlie (William Powell) puts across. Florence Rice is a capable ingenue, and Edgar "Slow Burn" Kennedy manages to garner a few laughs as Spike, proprietor of a dive.

PLOT GOES TO POT

As for the plot, there is an idea presented, but it becomes lost in the wild melee that closes the film Charlie is an artist with ambitions to be a movie director. He comes across Irene and Waldo who want to be in pictures, and they plan to go to Hollywood in Charlie's trailer. At this point Margit exerts her influence, and the remainder of the picture concerns her attempts to guide her charges back to her way of living. From our perch high in the baseball press-box, we viewed a game that showed listless and then exciting football. The local boys were playing their first afternoon encounter of the season, and they plainly showed the effects of the warm day.

Coach Dud DeGroot continually sent in reserves, but Captain Charles Lott, Marine coach, promptly retaliated with a fresh eleven. The San Jose men who saw action stated that the service men played the cleanest ball of any team they have faced. And they played

Will Spartans Face S. C. Broncos In '38 Season?

Although the report that Santa Clara would drop San Jose from its 1938 football schedule was yesterday branded untrue in a San Jose evening newspaper which quoted Sam Dunne, Bronco graduate manager, to that effect, a heavy fog of rumor is still stirring about Santa Clara valley sporting circles this morning.

An article in Monday's edition of the Spartan Daily, written by Walt Hecox, assistant sports editor, first brought the schedule change rumor to light. Jack Windsor To Fill Vacancy In Goal

A drastic change was made in the lineup of the Spartan water-polo varsity with the announce-ment by Coach Charlie Walker that Ron Gordon, first string goalie, had decided to quit the team due to conflict with scholastic activities.

Gordon, who has been a first string player ever since the sport was inaugurated three years ago, will be missed by the team at the goal spot, although Coach Walker plans on using Jack Windsor in the vacated position.

Windsor, a transfer from Glendale J.C., while not a sensation at the cage spot, is a steady player and Coach Walker expects to turn the blond "ballet artist" into a strong defensive player.
