Mystery Surrounds Plane's Fate As Reports Conflict

Pilot Returns Unhurt From Nevada Storm

Mystery concerning the fate of one Aeronca airplane, flown west by Hillis Ashworth for members of the "Twenty Flying Club", grew on the campus yesterday with conflicting reports from members of the organization and bulletin from the national news services.

An Associated Press wire from Reno, Nevada, stated: "Reno airport says repairs being made on struts of Ashworth plane. Airport acknowledges plane at airport since Tuesday, October 18. Airport declines to state if emergency landing made."

Said Ashworth, and Mr. Frank Peterson, faculty sponsor of the club, "The weather was bad in Nevada, with ice and snow prevailing, so the plane was left at Reno until conditions improve. It was not damaged at all."

Said local papers, "Ashworth 'cracked up' the plane on a forced landing near Reno. The plane was slightly damaged, and Ashworth reported to a bureau of the Department of Commerce."

Whatever the fate of the plane, Ashworth was back in San Jose yesterday without it, setting to rest some fear that he had been injured

OLD TIME MUSIC

"At our dance we expect, of course, to see jitterbugs, but in addition there will be plenty of good old time barn music so that guys like Bob Bronzan and the Titchenal brothers will be able to take a couple of turns."

Sheldon Taix, dance impresario, has played at the largest and airiest barns in the country in addition to having the title of "The King of Jive" of northeast San Jose, according to Riordan. The bids for the affair are one dollar and are on sale in the Quad booth every day this week.

PROFESSIONALISM DROPS MARBLE KING MELZER

FACULTY BARRED FROM CHEST TOURNEY

With interest growing high over the All-College Community Chest Marble Tourney, a new note was brought into play yesterday when possible winners in the marble tourney asked for the disqualification of Ben Melzer, 1928 Indiana State Champ, because of professionalism.

Charges against Melzer were based on his winning of three dollars on a MARBLE pin-ball machine last summer. This automatically placed him in the professional class, contended a host of entrants.

CONTENDERS

Bill McLean, the sharpshooting Palo Altoan, started heavy practice yesterday as did Charles Sammon, bay area darkhorse. Keith Birlem, Spartan quarterback, is going over various plays in marble competition which should place him as a serious threat when tourney times comes around.

Rooting sections are being formed by various organizations to cheer their respective entries. A large high school contingent is expected to attend the marble matches to witness possible high school entries.

NO FACULTY

Faculty members were barred from competition because of later prejudices which might arise over marble disputes. However, it is expected a number of them will act as judges in the first college marble tourney in the country, announces Bob Work, Chest chairman. The tourney will be held behind the water tower on Tuesday afternoon at 3 o'clock.

Thermometer Records Chest Contributions

With the thermometer recording campus organization contributions to the college Community Chest quota set up in front of the Morris Dailey auditorium, Bob Work, college Chest head, stated that returns were coming in at such a rate that the "quota graph" might easily register "over the top" by the end of the week.

As these group donations come in, a corresponding space opposite the name of the organization is blacked in. "An entirely black thermometer before Friday, October 28, is our goal," stated Work.

College interest in the "marble tournament" is increasing by leaps and bounds, according to Ben Melzer, in charge of the affair, who has been deluged for two days with applications to participate.

Melzer states that a regular entry blank will be published and that all who are intending to enter the tournament must make them out and turn them in at the Spartan Daily office either to him or to Bob Work. The feminine element is especially invited to participate.

The boxing matches are also claiming a wide interest. It is likely, state Chest officials that the turnout for this first boxing show of the year may rival the response with which the recent "swing concert" was met. The price of admission to the matches will be fifteen cents upon presentation of student body cards, according to Work.

After-Game Hop Planned; Music By Al Davina; Yells And Tumbling By Students

CARICATURES OF STAGG, DEGROOT TO BE FEATURED

One of the most unusual dances ever given by the student body will take place after the College of Pacific football game Friday night.

With special permission to dance until one o'clock, the committee has arranged a good time for the student body and the visitors from College of Pacific.

STUNTS, ROOTING

The central theme will be that of a football game with goal posts, stunts at half time, and regular rooting sections.

The Men's gym will be divided into two sections—one for Staters and another for the C.O.P. students. There will be yell leaders to lead their respective sections in cheers and half-time stunts, and the tumbling of Jim Edgemon, Jim Fahn, Monk Martin, and Jack Windsor will be featured.

At each end of the gym large caricatures of Coach Amos Alonzo Stagg, 'grand old man of football', and Coach Dud DeGroot will be erected.

NICKIE DALLAS

Music will be supplied by Al Davina's popular orchestra featuring the entertaining of Nickie Dallas, whom everyone remembers for his contributions to the Community Chest "Jam Session".

Members of the San Jose State student body will not be admitted stag, while visitors from College of Pacific will be admitted stag or otherwise on the presentation of their own student body cards. There will be no charge.

Arrangements are being made by Harvey Rhodes, social affairs chairman, and Verda Brown. Decorations are under the direction of Lucille Johnson and Ed. Shaw.

Cords Presented TO OUTSTANDING College Students

Who gets this week's campus cords?

Three San Jose State men have been already awarded this year with a pair of collegiate cords from the downtown store of Leon Jacobs.

Named by an impartial committee consisting of the president and vice-president of the student body and the editor of the Spartan Daily, Ben Hitt, the students were recognized as the "campus men" of the week.

Already honored have been Harvey Rhodes, social affairs chairman, Carlton Perego, election chairman, and Jack Riordan of the Rally committee.

Another San Jose State student will be named "campus cords man of the week" in the Jacobs advertisement tomorrow—but who?

Indignant Scribe BUYS MARBLES For Tournament

Next time this guy Melzer gets an idea he'll go chase his own marbles!

"Go buy some marbles," says he. "We need 'em for the tournament!"

Did you ever get caught stealing from a baby? Well, that's the way the guy over at the Fountain of Youth looked when I danced up and squeaks, "Gimmie some marbles!"

He leans over to his partner and whispers, "This rat wants marbles. He looks like the kind of guy who'd go about beating kids at marbles!"

The other guy gives me a stare like he oughta-be-hung as I slunk out with the bag of marbles!

Go get you're own taws Melzer!

the program in the matter of Chest benefits, that we had to think of something. It seemed that something had been started and they were going to see to it that we finished it. This stop-gap between the "Swing Concert" and the boxing matches was not an entirely new idea. We were fortunate in being able to convince Ben Melzer, in charge of and responsible for the whole affair, to put it on under the auspices of the Community Chest."

MELZER SAYS

Melzer's comment is, "I know that some people are dubious in regard to our "marble tournament", but wait until we get national coverage by the news-reels, a crowd of newspaper reporters, and a howling mob to witness the first tournament of its kind in any college in the country, just wait."

According to college opinion, in spite of the Melzer ravings, the general opinion seems to be, "Oh you kid."

Behind The News

"I predict that in five years we will fight Hitler in South America."

So declared Dr. William Poytress, head of the Social Science department, in his address yesterday to the Behind the News class on the effects of the Four Power Treaty.

AUTONOMY

Referring to the Nazi uprising in South America and the spread of nationalistic propaganda there, Dr. Poytress pointed out the Nazi belief that no matter where a German is he still has to hold absolute allegiance to his mother country, and that, combined with the self determination of races, would bring about a demand for political autonomy for the German people on the southern continent.

NO LOVE LOST

"There's no love lost between dictators of Germany and Italy," stated Dr. Poytress. "I predict that in a short while Italy will move toward alliance with England and France because of Mussolini's lack of trust in Hitler and the conflict of their ideas."

Dr. Poytress, explaining England's reason for permitting Hitler to seize the Sudetan territory, stated that if this sacrifice of the only democratic country in central Europe were not made a war would result, disastrous to Hitler, and producing a revolutionary, communistic government in both Italy and Germany.

THIS is our big week-end coming up, what with the NOISE PARADE Friday afternoon, followed by the C.O.P. game at night, over which we HOPE to be victorious. Then, too, the LETTERMEN'S SOCIETY barn dance is Saturday evening.

YOU won't need much in the way of clothes for that—at least, new ones—but you'll want to help the team win by inspiring them FRIDAY night in a new sports outfit. Oh, I forgot, the JITTERBUG session too, after the game for all yo' swingsters who fairly live and breathe for Benny Goodman, and yo' sho' all can't be a jitterbug or a 'GATOR unless you have one of the SUNBURST pleated skirts which HALES' downstairs store have especially for the purpose of swinging it in. They are a mere \$3.98. . . some other styles \$1.98 and \$2.98. The SKIRTS come in SHETLAND CLOTH, WOOL CREPE . . . and a heavy BARK WEAVE that won't sag. . . THERE'S no sense buying only HALF of an outfit, so there MUST be a sweater to go with your new skirt. . . perhaps a HELEN HARPER original in the new PATIO BLUE . . . angora, little pearl buttons and \$2.98. Then there is a large choice of many others. . . SPIFFY leather belted ones for \$1.98. . . and ribbed wool in varied colors.

MAYBE you might find something you'd like better at Blum's ANNIVERSARY SALE, which is really going full speed ahead. There are scads of coat sweaters in the classic ENGLISH RIB knit. . . high button or cardigan types which are SPECIALLY priced at \$2.59. . . were once \$3.98 and \$5.95. . . all fall SHADES. If you haven't had a chance to get one of the BABY SWEATERS to wear over your formal, incidentally I saw quite a few at the Inter-Society Preference night dinner at the Sainte Claire last Friday, now's the time to get one while the sale is on. . . WOOLY slip-ons, coat sweaters and BABY boleros in shades of TEAL, WINE, BOY BLUE, PURPLE, and GRAPE. . . \$1.98, \$2.98. . . IN CASE you didn't know those favorite WILSHIRE sports shirts which college girls go for in silk, satin, and broadcloth, white and colored are at BLUM'S SPORT SHOP, \$1.25 to \$2.98.

SRETSNIPS! Who? Why? What? When? and How? These questions have been voiced by those noticing the mysterious signs of "Sretsrips" scattered about the campus for the past several days, but now the secret is out.

Sretsrips is merely Spinsters spelled backwards and Spinsters mean Spinsters Scrimmage, or the annual AWS recreation night. This affair will be held in the Men's gymnasium on November 10 from 7 o'clock to midnight.

Games, which promise to be of a most tricky nature, will be played from 7 to 9. Dancing to a popular orchestra is to follow and continue until midnight.

The annual AWS recreation night has been changed to A Spinsters Scrimmage so that the football theme may be carried out. A novel manner of decoration will be especially appropriate at this time since the following day, Armistice, is the occasion for various football games throughout the country.

Bids, which are to be purchased by girls, go on sale in the near future. Because girls are requested to ask the boys to dance, they must therefore purchase the tickets.

San Jose Soccer Squad Will Face S.F. Shin Kickers

Despite a 6-2 setback by the University of California last week, Coach Hovey McDonald's Spartan soccer eleven will return to the role of favorite this Saturday as they enter the San Francisco J.C. game at Spartan Field.

The Staters showed well against the title defenders although the score does not indicate so. In the third quarter the score was tied at two all before the Bears began pouring it on and gradually pulled away from the visitors.

The game this week will be the first conference contest of the year on the home field of the Spartans and this should prove to be an advantage.

Again leading locals on the offensive will be Jack Marsh and Freddie Albright with help expected from the other forwards, Fortune Masdeo, Terry White, and Jim Fahr. In the Bear contest little Albright stole the show in the first half with a brilliant "head" shot from about 15 feet out.

The Fog City boys will come to Washington Square minus one and possibly two of last year's star players. . . . Wilton Latz, veteran fullback, was declared ineligible early this year because of scholastic difficulties, and Sandy Shotwell, center half has been on the sidelines nursing a broken nose. The loss of these two may be overcome however, by the alert playing of Bob Nicco, center forward of the Rams who has led the team in scoring this season.

Freshman Team Plays Menlo J.C. Squad Tomorrow

Yearlings Seek Wins In Remaining Games

Playing Menlo Jaycee this Friday afternoon at three o'clock, the Spartan freshmen gridders start the second half of their schedule with the ledger showing a mark in each of the win, loss, and tie columns.

Not counting the win over Hollister, registered mainly by the reserves, the yearlings have openly declared they are out to take the remaining three games. St. Mary's frosh looks like the toughest nut to crack, but the new offensive threat being shown by the Spartans and the return to form of several regulars might be the recipe for game winning.

MARLICH SHINES
In a defensive scrimmage this week against the varsity, Joe Marlich sparkled like the coming to life of a great end and was in the "big brother" backfield as much as the varsity backs. George Hern at the strong side tackle took care of his own in addition to the chores of the end. Teicheiro was absent at that spot, but will probably be back in the lineup by Friday. Newsletter will probably get the starting call along side of Marlich with Mattola and McNowen at the guard spots.

San Jose Leads In Past Scores With Pacific Tigers

In five games since Amos A. Stagg arrived at Pacific and Dud DeGroot began his annual battle with the Tigers, San Jose has won four games and tied one. Never, since the two coaches began directing the grid machines of the two institutions, has the margin of victory been greater than two touchdowns.

1933—San Jose 12, Pacific 7.
1934—San Jose 13, Pacific 0.
1935—San Jose 0, Pacific 0.
1936—San Jose 8, Pacific 0.
1937—San Jose 12, Pacific 7.

Local Record Against Pacific At Stake In Big Game Tilt Friday

San Jose Eleven On Double Spot For Tiger Contest; Stagg Has Light Stockton Squad

"Hold that Tiger" and "Stop those Spartans". These two rival battle cries will ring out from opposite sides of the field tomorrow night when San Jose clashes with the College of Pacific on the turf of Spartan Stadium in a renewal of the annual "big game" between the two squads.

And after the activities have ceased on the field, one of two things will stand forth. Either San Jose's undefeated record against C.O.P. will remain intact or the Tigers will have succeeded in obtaining their first victory or a DeGroot coached eleven. Which of these two outcomes will result from the game has followers of both squads working overtime.

SPARTANS ON SPOT

All of this puts the Spartans on a double-spot. The local eleven must win in order to protect its record against the Tigers, and also in order to remain undefeated this season.

Because Pacific is fielding one of its lightest teams since Amos Alonzo Stagg took over at the Stockton school, the Tigers are expected to use more wide open formations than ever before. With a light forward wall, the Pacific team will base its hopes for victory on a well-planned passing attack, mixed with flankers, man-in-motion plays and other unorthodox formations meant to confuse the defense.

San Jose places its hopes for victory on a ground gaining running attack and a ruthless passing offense. Last year Pacific stopped the ground attack when it got inside the 20-yard line and the Spartans were forced to spring their overhead attack into action to defeat the Tigers 12-7.

STRONG BACKFIELD

Replacing the backfield aces who graduated will be a quartet of ball carriers rated just as strong as last year's group. Joe Siegfried at full back, Soper, Lloyd and Adamina in the other positions make the Tigers a threat when they have possession of the ball. Adamina has been shifted from end to a back spot in order to make use of his long range passing ability.

NOTICES

Those Rainbow girls and DeMolay boys interested in riding in the Noise Parade Friday, meet on the corner of Women's gym at 4:00 p.m.

Today at eleven o'clock there will be a meeting of all freshmen in education, Room S112. This will take the place of orientation for those involved. Special secondary candidates, as well as general elementary and kindergarten-primary students should attend.

Spartan Seals Drop Game To Bears, 5-1

A sadly bedraggled Spartan water polo team left the lair of the California Golden Bears yesterday afternoon after having been mauled around to the tune of 5 to 1 by the U. C. septet.

The first half was all California with everything from fair playing to foul going on under the nose of referee "Sharky" Graham, a former California player himself. The score at the end of the first seven minutes of play was 3 to 0 in favor of the home team.

In the second canto the Seals brought their own flippers into action and gave the Dowden boys a little of their own medicine, and by the time the time-keeper found his gun to end the affair, the Bears won, 5 to 1.

However, the Berkeley team was in possession of one month more of practice than the Spartans, and simply swam rings around the San Jose team.

A couple of boys by the name of Aronson took charge of most of the Bear scoring, while Frank Savage accomplished the solo point for Commodore Walkers team.

Goalie Dick Savage kept the score down to quite an extent by some brilliant saves, and the five goals that went past him were of the "untouchable" variety.

The balance of the schedule for the week pits the varsity against the Athens Club of Oakland here in Spartan Pool Saturday night in the fourth league game for the locals. This is the team that tied with the Seals for the league title last season.

Officers Elected For S. J. Police Club

Crooks, beware! Police club of San Jose State held its first meeting of the fall quarter yesterday afternoon at 4:00 p.m. in Room 206 of the Science building. Barclay Brown, last quarter's president, took charge of the meeting.

Nomination and election of officers for this quarter was in order. The following "Cops" were elected: Renato Simoni, president; Ed Jelich, vice-president; Lorin Todd, secretary-treasurer; and Sam Della Maggiore, Sergeant-at-Arms.

Some 32 future police officers attended this lively meeting. Vice-President-Elect Ed Jelich, took over the meeting in the absence of Si Simoni, who was unable to attend.

the starting signal to Cottrell at the pivot spot. The backfield with Dick Hubbell back in uniform will be completed by halves, Kasparovitch with Lewis at quarterback.

Gosh, That Man Gene Grattan Is Worrying Again!

Spartan Coach Needs Men For S.F. Tourney

Eugent Grattan and his wild men of the mat make their fall debut in the big city tomorrow and no one seems to be in the least bit worried over the situation—that is no one except Mr. Gene himself.

The Spartan coach plans on entering eight men in the Junior Championships to be held in San Francisco's Olympic club but who these eight gentlemen will be no one around the State campus knows. Fact of the matter is, the wrestlers themselves aren't certain that they will be entered. All of which creates a problem.

NEW MATERIAL

Grattan cannot send his star matmen into the scrimmages because wrestlers with titles are prohibited from entering this tourney. As a result of this ruling the mat mentor will have to use most of his new material plus a few stand-bys from last year's squad.

Out of his wrestling bag Grattan can reach down and grab any of the following for tomorrow's matches: Vic Christianson, Freddie Albright, Hugo Pink, Noble Walker, Bob Norona, Carleton Lindgren, Frank Kallam, Gus Fritz, and Keith Hughes. These are the eligible men but most of them are hampered by injuries.

INJURIES

Vic Chirstianson will compete in the 112-pound class provided his injured finger heals. Fred Albright will go if he can make the 123-pound limit and Bob Norona is willing enough provided his bad knee shows improvement. Hugo Pink is ready for action but admits he needs more conditioning.

So one can see that Coach Grattan has his worries even though the regular season is three months away and tomorrow's matches are not very important. The mat leader is only hoping that he won't have to don the trunks and climb through the ropes himself.

San Jose Frosh Defeat Olympic Club Seals 5-3

Showing marked improvement in every phase of the game, the Spartan freshman water polo team defeated the number 4 team from the Olympic Club of San Francisco by the score of 5-3 in Spartan Plunge last night.

Led by Dick Bartels with three goals, the locals ran up most of their score in the first half. The other scoring in the first period was by Takahashi, Spartan forward, and Johnny Hood, playing at center back for the frosh.

The guards were clicking in good order and kept the Olympic Club forwards from making their shots good. Playing at center forward for the yearlings, Bartels was able to get the sprint most of the evening.

This is the third league game for the freshmen Seals and they have an excellent chance to come out on top in their division this season, provided they keep up the good work.

Next Friday afternoon the freshmen tangle with a strong Palo Alto high school squad at Palo Alto. The game takes place at 4:30. The next evening they play a preliminary to the varsity game with the Athens Club from Oakland.

HITLER MAY 'TOUCH' U. S. FOR LOAN, SAYS POYTRESS

"It is my belief that Hitler is about to put the 'touch' on the bankers of the United States for a loan," Dr. William Poytress, head of the Social Science department, declared yesterday.

"The fact that the Nazi press has 'toned down' its criticisms of the United States, along with the increase of Nazi groups in this country, seems to indicate that possibility," he said.

U.S. TO FIGHT HITLER

In his lecture Tuesday to the Behind the News class, Poytress stated that in five years the United States would be fighting Hitler in South America.

"The reason I set five years ahead as the date," Poytress remarked, "is because in that time if he manages to escape assassination or insanity, and can make the necessary loans, Hitler will have the most powerful army in the world, an army fully capable of backing Nazi groups in South America."

"The army of the United States looks upon South America as part of the 'American Empire', and the man-on-the-street attitude will be that America is being invaded."

ENGLISH LOAN

England is on the verge of lending money to both Germany and Italy, Poytress affirmed, and "for that reason, the bankers of the United States, no matter how the people may object, will undoubtedly follow suit."

The resistance of Arab rebels which had held the city of Jerusalem for two days against the onslaughts of British troops, finally broke down as 6000 soldiers invaded the walled city. In the meantime, sporadic fighting continues unchecked throughout Palestine. They still hold most of the territory in the Holy Land, British troops possessing only the immediate territory around military headquarters.

In London, the British cabinet has approved stronger measures in dealing with the Palestine rebels. Reliable sources in the capital state that the partition of the Holy Land will be scrapped.

Hopes that the month-old tie-up of Bay Area warehouses will end has received a boost in San Francisco, as the 10-man mediation commission arranged for new meetings. It is also believed that the Retail Store strike is on the wane.

The noise parade to take place tomorrow night will have a police escort, and all the business houses are co-operating to help make this the biggest thing of the year, according to Riordan.

Erwin Farley, president from C.O.P., has sent word that between 550 and 600 students are coming down for the game.

"We want every student who can possibly come to be at the rally tonight," was the final comment by the rally club president.
