

Presidential Election Today

Frees Opposes Bronzan In Vice President Race

The culmination of State's political activity will be reached today as students cast their ballots for the new president of Washington Square's student body.

Three men will have their names on today's ballot—George Place, Steve Hosa, and Hugh Staley. One of these

three will be the student proxy for the coming year.

VICE-PREXY
For the position of vice-president Mary Frees and Bob Bronzan will be in the running. They occupied fourth and seventh place respectively in the council election last Monday.

Voting facilities will be the same as used at the council election, and the committee who plans for the picnic at Raitano, Lydia and Terry.

Election Notice!

Will the Spartan Spears and Spartan Knights who served at the election polls last Monday please report at the same hours today? Thanks.

Members of the election committee will report at the following times:

Ben Johnson, 8:00; Bill Rodrick, 9:00; Carlton Perego, 10:00; Lucille Johnson, 11:00; Len Dysinger, 12:00; Alberta Gross, 1:00; Jim Marlais, 2:00; Leona Solon, 3:00; Babs Granite, 4:00.
—Bob Work, Election judge.

polls will be placed in front of the Morris Dailey auditorium. Regulations for election will remain the same with no campaigning, banners, posters, or advertising of the candidates allowed between the two corridor entrances leading to the Morris Dailey.

All students intending to vote must show their student body cards to a member of the election board and are requested not to loiter near the polls during the election. Polls open at eight and will close shortly after five.

TABULATION

The tabulation of ballots will begin immediately and hourly results will be posted outside the Spartan Knight room in back of the Publications office. No one will be allowed in the Spartan Knight room.
(Continued on Page Four)

NEWMAN CLUB HOP MAY 26

A Spinster Hop, with the date set for Friday, May 26, will be the next event on the social calendar of the Newman club.

The theme will follow the usual procedure for Spinster hops, with the girls issuing invitations and asking for the dances. In several of the dances, couples will be paired off by means of matching bits of paper.

A variety show including a pillow dance by Lourdes Santana will provide the entertainment.

Admission will be fifteen cents for stages and twenty-five cents per couple.

IN SUNDAY'S CHRONICLE

SPARDI GRAS PHOTOS

Two pages of pictures taken on Spardi Gras Day by staff members of the San Francisco Chronicle will appear in the Colorgrature section this Sunday, according to word received from Jack Wallace, Colorgrature editor.

Advance notice of the pictorial description was received by the Spartan Daily yesterday. The two-page spread will include pictures taken at Spardi Gras itself in the quad, several shots of the Revelries, and another one of the Spardi Gras dance.

Included among those students whose pictures appear in the Colorgrature section are: King Don Walker and his Queen, Mary Frees, Mae Zimmerman, Mary Lou Sommerville, Glen DuBois, Wilmar Tognazzini, Bob Zink, Roberta Long, Len Baskin, and many others.

Don't forget this pictorial description of San Jose State's Spardi Gras under the heading "San Jose State College Goes Wild". See pages six and seven of Sunday's Colorgrature Section in the San Francisco Chronicle.

S.G.O. PLEDGES HONORED

FORMAL TONIGHT

Tonight is the night for the eight S.G.O. pledges who will be honored guests at the Spring Formal at Pasatiempo Country club.

Bids for the affair, 12th Annual Pledge Dance of Sigma Gamma Omega, social fraternity, are selling for \$1.25 and may still be bought today from any S.G.O. member or at the controller's office. Tickets may also be obtained at the door tonight.

Melody for dancers will be supplied by Curt Sykes and his rhythm boys, presenting everything from swing to sweet music.

Dr. Boris Lubowski of the Language department and Mrs. Lubowski will act as patrons for the dance. Pledges to be honored instead of heckled will be Clyde Shearer, Lon Gerrans, Bud Merlo, Voris Newstetter, Douglas Roraback, Loren Locke, Harry Cesari, and Bill Amann.

Toney Shelton, chairman of the dance, announces that men may wear light suits or a combination of light coat and dark trousers for the affair.

Pasatiempo, located on the outskirts of Santa Cruz, is said to be an ideal setting for the dance.

ANNUAL PRODUCTION OF

SWIM EXTRAVAGANZA

Plans are rapidly nearing completion for the annual Swim Extravaganza, "Three Tales" to be given in the swimming pool at 8 o'clock Monday and Tuesday nights.

Miss Gail Tucker, director of the show, defines a extravaganza as follows, "it is a highly irregular dramatic production of any kind. The one presented by the women's swimming club will carry the action of the stories by swimming, diving, and pantomime."

ROTH HIRED BY STATION KHUB

Gordon Roth, who received notice several weeks ago of the issuing of his broadcast operator's license, has been hired by Radio Station KHUB at Watsonville.

Roth, who starts work Monday at his new job, will act as both announcer and technician at the Watsonville station.

MALE QUARTET SINGS TODAY

The Music-Arts program to be presented in the Little Theater today at 12:30 will be given by the Musketeers, male quartet of the choir.

Gay nineties, hayseed, and modern popular songs will be included in the program.

Members of the group are Harry Harter, Bob Gleason, Harvey Browning, and Carlton Lindgren.

STRING GROUP TO PERFORM AT CONCERT

Girl Artist Plays

Noted Harpist Also On Program Tonight

Beginning at 8:15, the fourth annual Chamber Music concert, presented by students of Miss Frances Robinson, of the music faculty, is to be given tonight in the Little Theater.

Many outstanding musicians, local and otherwise, appear on the program. Among these are Leslie Jarrett, brilliant violinist, a veteran, though young, performer. Miss Jarrett was acclaimed for her genius when only seven years old, and since then has appeared in many recitals and concert programs both here and abroad. Coming west for her health, she enrolled at San Jose State college, and has been studying chamber music particularly.

May Hogan Cambern, harp soloist, is a renowned member of the Los Angeles Symphony Orchestra. This is her second appearance on a chamber music concert, under Miss Robinson's direction. She played here a year ago in the Ravel Septet, coming from Los Angeles, where for seventeen years she has been the only woman harpist of the Symphony.

Paul Lanini, of a well-known local musical family, is a music major at college and has been featured in innumerable programs both on and off the campus. He is a member of the San Jose Symphony Orchestra.

Angie Machado, pianist, has

Buddy Maleville's Orchestra Plays At Senior Formal

Olympic Club Site Of Spring Ball

With a combination of Buddy Maleville's nationally known orchestra to supply the music and the Olympic at Lakeside in San Francisco for the setting, the Senior Ball on Saturday night, June 10, promises to be one of the outstanding dances of the school year, according to Bob Goshen, chairman.

Open to lower classmen as well as juniors and seniors, the dance is Spring Formal and will last from 9 to 1 a.m. Refreshments will be served during the evening.

According to Goshen, the limited number of bids to be sold makes it necessary that all those planning to attend purchase their bids as early as possible. Bids go on sale Monday in the controller's office at \$2.00 each.

Feature Page

FAT IN THE FIRE

By JIM BAILEY

This business of flying an airplane is quite a problem, but it is the most interesting and exciting sport in the world. For this reason I shall account to you in the following words my experience as a beginning aviator. If you read these lines carefully, and then imagine just the opposite, you'll have some idea of the rudiments of flying.

The first day I went to the airport I went by canoe, it was raining that hard. The instructor welcomed me with his mud guards on and took me over to the plane. It was standing in the rain with its wings flapping, ready for the take-off.

Safely tucked in the cockpit, I awaited the next instructions. The instructor explained.

"Now this is the bar which controls the rudder!"

"The what?"

"The rudder . . . rudder!"

"Oh, I thought you said udder . . . for a minute I thought I was flying a cow."

For the next thirty minutes I received fourteen million instructions, and then, after it was all over, I climbed out of the plane and stepped into a mud puddle. Some fun! When he heard my cursing the instructor advised me to forget flying and stick to teaching!

Now when you first learn to fly here are some rules for you to remember.

The worst thing that a student flyer can do is take off, fly to five thousand feet, and then find out he forgot to bring the plane along. Very embarrassing.

If you are cruising along at a jolly clip and the wings begin to flap . . . duck! You might be flying a seagull.

This is all the instructions that I am permitted to give you free of charge. However, on receipt of a self-addressed envelope . . . I'll be only too glad to steam off the stamp and write to my girl! FAMOUS FINALES: Just because the wing has fallen off my plane doesn't mean I'm a cooked goose!

Mumbling Medico
Murmurs Music;
Confounds Nurse

The tomb-like quiet of the Health Cottage was suddenly broken by the jangle of the doorbell. "Mine!" yelled one of the employees, racing for the door.

Pulling at the latch was a middle-aged gentleman. He was singing "One Alone". He continued singing "One Alone". "Migosh, when he stops singing he'll tell me he has a divine message all about the end of the world, which he undoubtedly thinks will come next year," thought the bewildered girl who stood waiting.

"Talk to him, keep him here, I'll call the police, he's nuts," whispered one of her fellow workers who had followed her to the door.

The gentleman finished his song. "Well? Isn't anyone going to let me in?" he demanded. "I'm Doctor Blanchard."

NOTICE

LOST: "The Use and Interpretation of Elementary School Tests" by Greene and Jorgensen. This is a rented book belonging to Bart Maynard. Do not bore yourself by reading it but please return to Lost and Found.

President Roosevelt campaigned for fire escapes and board walks when he was managing editor of the Harvard Crimson during his undergraduate days. If Harvard were a co-ed institution, he undoubtedly would have worked for after-dark patrolling and lighting of the campus.

He Walks Backward
During Mealtime

Nourishment on the backward grade!

The desert tortoise in the Science department has his own way of avoiding indigestion.

Taken by science students to pasture on the lawns outside the Science building, the tortoise prefers to eat his feast of dandelions and grass while walking backwards.

He didn't do it on the desert—it must be the local atmosphere!

Occupational Possibilities?

Recently the Federal Department of Education conducted a survey on the future that is offered to the college graduate.

Forty-six thousand alumni from all types of institutions throughout the nation were questioned.

Results showed that the best paid occupations for women are nursing and teaching. For men, dentistry, medicine, law, architecture, and insurance.

Incidentally, the poorest paid groups, averaging less than \$1800 a year, were those engaged in journalism and clerical occupations.

According to this report, chances for the college graduate to become wealthy are slight; nevertheless, he does have the best opportunity to get and hold a job, earn a living, and he will stay married more readily than his non-college brothers and sisters.

Governmental Activities----

The result of today's election determines in every way just how governmental activities of Washington Square are to be conducted next year.

Today it lies in the power of the San Jose State college voter to formulate the foundation upon which the welfare of the school is to rest for the three quarters of 1939-40.

The victorious candidate in the presidential triangle will determine these conditions.

To the individual voter we can only say—evaluate each of the three candidates for the top spot in campus politics as best you are able and then cast your ballot accordingly. The most appropriate thing to say right here would be that all three are of equal capabilities. Of course, as in any election, that is certainly not true. One is undoubtedly the best man for the job, who he is remains for you to decide.

Judge him for his leadership; for his interest and participation in student affairs; for his personality and sincerity; and then cast your ballot for . . . THE NEXT PRESIDENT OF SAN JOSE STATE COLLEGE STUDENTS.

—Bob Work.

Thrust and Parry

(CONTRIBUTORS' COLUMN)

Dear Thrust and Parry:

After reading Bill Baker's letter I should like to cast a post-election honorary vote for this charming and posthumous lad. With such a pleasant literary style, he could not have been en-

tirely knavish. Will someone kindly blow "Taps"?

And, by the way, I would suggest that you music majors get those corpses off the campus. Nothing personal, you know—just a suggestion. —Bill McLean.

The phone in the Publications office is for the use of the Publications department only. No more personal calls permitted upon this instrument. —Editorial Board.

GREENER PASTURES

By ELIZABETH MOODY

Our footballers would be out of luck at Cornell. "No automobile is a training rule there."

"Ride a bicycle or turn in your suit" is, in effect, the ultimatum delivered Cornell grid artists by Coach Carl G. Snively, who believes that American youth has softened up physically "through the tendency to ride around in automobiles instead of walking and running preceding generations did".

Bicycling, he believes, will strengthen leg and back muscles and increase lung expansion.

With My Own
Two Hands--

Bare hands--

Knees covered only by the thickness of trousers--

Patience--

Fountain pen finder--

That is the equipment to be used by Art Heinsen, chief geological explorer, when on a field trip to Yosemite May 27-30. Heinsen's latest statement is that he is fairly sure of the location of the pen, which has been lost for about three years. However, he is going to make doubly sure of finding it by taking along a fountain pen finder, in reality a gold finder (there's some gold in the pen).

The young explorer, who has a good build for dashing about the mountains of Yosemite, has revealed that his assistant in the search will be Jack Hoque, an up-and-coming lad who broke into the ranks of explorers when he aided Heinsen in finding hidden caves at the Pinnacles.

"Hoque's a loyal friend and explorer," said Heinsen. "If he finds the pen first, I can be sure that

Editor's Note:

LOOK WHO'S TALKING! From the Menlo Oak and Acadia—commenting on the Pacific Coast Student conference . . . "There were a couple of communists from University of California, there were some kids from Occidental college and then there WERE SOME ORNERY LITTLE CREATURES FROM SAN JOSE . . ."

"Goliath", a janitor at Mary's, is completely hairless. He collects used razor blades. It's a frustration complex . . .

It's a shame to mention goldfish again . . . but Harvard, seems, is a decade late.

In fall quarter, 1928, Norman Porter, freshman at Western Washington college, then Bellingham Normal school, swallowed a \$5 bet, before seven gasp-witnesses, a live goldfish. Resulting publicity was too much for him; he left school. However, the more self-assertive side of his nature apparently reestablished itself, as he is now a newspaper man.

he will cough it up—after a little force.

Sparrow Gives Students Bird;
Education Holds No Charm

In quest of higher learning!

Maybe that was the purpose that sent a sparrow flying into the library yesterday morning.

Or maybe he just felt like giving the students the "bird". At any rate, in he did fly and in he did stay—creating a small commotion. Removed at last from his obscure under-table perch, the sparrow gazed wonderingly around, sleepily opened one eye, and, when not in the quad, slowly spread his wings and flew far, far away.

Education just didn't hold any charms for him.

NOTICES

All sports notices to be run in the Spartan Daily should be typed and placed in the contribution box before three o'clock.

SAN JOSE, CALIFORNIA, FRIDAY, MAY 19, 1939

Alumni Gridders Defeat Varsity 20-13

Cindermen Travel South Today

STILL GOOD

One of the stars for the alumni team in yesterday's game with the Spartan varsity was "Bull" Lewis, fullback, who packed the mail for DeGroot for three years. Lewis brought back memories of years past with his terrific line plunging.

Horseshoe Tourney In Quarter-Finals

Intramural horseshoe pitchers will move into the quarter finals today at 12:15, with ten men battling to stay in the tournament.

"Tiny" Hartranft, the czar of intramural sports, yesterday announced the pairings for today's play. All men are urged to report at the campus horseshoe pits, and those who are unable to play today will meet at another time, Hartranft disclosed.

The following games are scheduled for today: Theiler vs. Potvin, Vaggione vs. Cohn, Beacock vs. Harper, Filchie vs. Myers, and Mullinger vs. Walsh.

GRID NOTES

By FRANK BONANNO

Don't be surprised if next fall finds Joe Marelich, up from last year's freshman football team, opening the 1939 football season as a regular at one of the end positions on Coach Dud DeGroot's varsity team.

Joe, who hails from San Francisco, showed great promise while playing for the frosh but injuries kept the 'Frisco boy from really showing his wares on the football field.

At the start of spring practice Bullet Joe, as he is now called by his teammates, failed to impress. The last three weeks of practice under the careful guidance of DeGroot, Marelich has finally produced the stuff he is capable of. In scrimmage he is dynamite, and when playing defense Joe has gained the respect of everyone who gets in his path.

His great work as a flankman will no doubt fit into the plans of the coaching staff. The loss of Thomas and Berry from last year's team leave the end position a little weak. Joe Marelich should fit into the 1939 football picture very nicely.

Cream Of State College Crop At Conference Meet

Hallstone Returns To Aid Spartans

By FRED MERRICK

With his Spartan cinder squad scheduled to engage in the first California Collegiate Association meet at Santa Barbara tomorrow, Coach Tiny Hartranft is having his troubles.

Hartranft gained one competitor Wednesday night but he lost another, all of which does not add to San Jose's chances of winning Saturday. Genial Tiny, who enjoyed his most successful season during the current schedule, has the locals doped to loose by a three-point margin to the Fresno Bulldogs.

SPRINT ADDITION

San Jose's track machine was re-enforced by the return of Jim Hallstone, but lost a certain point winner in Charlie Bendeich. Hallstone, the blonde speedster who hit 9.9 in the century during the early part of the season reported back in shape and has been added to the Spartan traveling squad. This addition aids the local situation as Hallstone can be counted on to be a serious contender in the sprints providing his leg will hold up.

With the return of Hallstone, the Spartans also received a set-back with the loss of Bendeich. Bothered by a leg injury for some time, Bendeich aggravated the injury at the Fresno Relays and has been crossed from the entry list.

FRESNO FAVORED

Fresno has been established as a pre-meet favorite with San Jose and San Diego rating as contenders.

San Jose's chances will hinge a great deal on the performance of Don Presley. Hartranft's jack of all trades will compete in the shot, discus, and high hurdles with an excellent chance of coping both of the field events.

San Jose's entries at Santa Barbara:

100-yard dash—Henry Vasconcellos and Jim Hallstone.

220-yard dash—Owen Collins and Jim Kerr.

440-yard dash—Collins, Kerr, and Leonard Herman.

880-yard dash—Vin Ruble and Bob Woods.

1 mile run—Elmer Smith.

Two-mile run—Smith and Joe McNabb.

High hurdles—Don Presley.

1 mile relay—Collins, Ruble, Kerr, and Herman.

Shot put—Presley.

Discus throw—Presley.

Javelin—Ed Grant.

Highjump—Grant, Ed Vasconcellos, and Buel Clement.

Broadjump—Vasconcellos, Clement.

Pole vault—Al Finn and Tony Sunseri.

CARNIVAL OPENS IN S. B. TODAY; SPARTANS AT FULL STRENGTH

Participants in the first annual Spring Sports Carnival of the California Collegiate Conference will convene today in Santa Barbara with official representatives from San Diego, Fresno, San Jose, and Santa Barbara participating in two days of athletic competition between the four institutions.

This afternoon on the Santa

Fifteen Mermen Go South Today For C.C.A.A.

Coach Charlie Walker and his Spartan swimming squad will head southward today for the California College Conference swimming meet to be held Saturday as part of the Spring Sports Carnival at Santa Barbara.

The San Jose aqua delegation will consist of 15 men who will compete as individuals rather than as a unit, according to the California Collegiate Athletic Association ruling.

While Spartan swimmers are favored to submerge most of their Fresno, Santa Barbara, and San Diego opponents, water fans will be watching with interest the breaststroke duel between freshman aces John Hatch and Forbes Mack.

The Spartan frogkicking pair have been taking turns winning for the most part throughout the swim season, and tomorrow they will be out to determine who is the superior.

Devins, ace diver, Captain Martin Wempe, and Keith Birlem will be making their final appearances with the Spartans.

Internationals Climb To First Place In Softball Tourney

The mighty Internationals went into first place yesterday in the Intramural softball tournament, the result of their 5 to 4 win over the Stooges.

A home run in the last half of the seventh inning with a man on base, gave the Internationals their margin of victory. By virtue of this win, the team that was not given a chance to come through in the league is now out in front, and by the looks of things will stay out there for some time.

CLUB BOYS HOT

The 1000 club, in defeating the Leftovers 29 to 8 in yesterday's game, went into a tie for second place with the Darkhorses. Each team has won three and lost one. The club team has finally unleashed its hitting power, and is beginning to go places in the tourney.

In third place are the Stooges and Jugglers, with two wins and two losses chalked up to their credit. The Jugglers knocked over the DTO's yesterday 15 to 1, while the Stooges went down to defeat.

CLOSE BATTLE

At the present time it looks as

Barbara golf course and on the tennis courts competition will get underway. The Spartans, having entered a four-man team in both events, are given little chance of coming through. The Spartan doubles team in tennis, of Egling and Harper, are given an outside chance by the experts of coming out of the fray with wins. The finals of both events will be held tomorrow morning.

Results of yesterday's elimination series to determine the four-man golf team, found John Marlais the hard-luck kid of golf, being nosed out for the fourth position by Bill Cureton. Bill Hern, Ken Hornlein, and Warner Keeley made up the rest of the foursome.

Tomorrow afternoon, Coach Tiny Hartranft and his gang of tracksters will be gunning for the California Collegiate Conference title. Hartranft has predicted defeat for his team, but the Spartans are in the habit of winning when least expected. Fresno's track and field team looks like the team that may take home the bacon.

Tomorrow night the swimming team will compete as individuals rather than as a team. Each performer will be allowed to enter any event he wishes, and the winners will be picked according to the number of points accumulated.

This will be the first time this Spring Sports Carnival has been held, and if it proves successful, stated Gil Bishop, it will become an annual affair.

Former Spartans Join Forces With Ineligible Men

Answering a recall to arms, nine ineligible Spartans and San Jose State college graduates plus the help of three varsity linemen crushed the premier appearance of the 1939 Warner system as used in yesterday's game by the posterity of that same veteran outfit.

Showing streaks of that old power mixed with deception and pass plays the alumni outfit out-gained and out first-downed the Spartan varsity besides running up 20 points to 13. With only one substitute, the veterans showed an amazing amount of stamina in holding the varsity to five first downs and running up thirteen on their own account.

Varsity Reserves

As the game grew into the shadows of the twilight, the alumni were reinforced by reserves from the varsity but had to resort to defense as the new men were unfamiliar with the plays used by the vets. Using only the plays that the team has used in the last few years, the vets brought memories of the high scoring outfit of the last couple of seasons.

In contrasting the two systems, it was apparent that the veterans had more power in the pinches and could shift both right and left and have that scoring punch where the varsity resorted only to the deception of the double wing system with one variation.

DOUBLE REVERSE

Morris Manoogian scored for both teams. First for the varsity Morrie caught a long pass off a double reverse which brought to light one of the plays that has made the veteran "Pop" Warner famous. Morrie again packed the apple to pay dirt in a fake double reverse after being drafted to the cause of the "old men" on the same play that he scored many times on last year.

Bull Lewis and Walt McPherson alternating at fullback teamed with Gene Rocchi to pack the mail for a total yardage of 423 yards against a sum of 92 yards for the varsity.

Bob Berry, Lloyd Wattenbarger, and Nibs Price, playing the flanks for the vets each turned in a good game with Berry accounting for one of the touchdowns in a pass from McPherson.

LEWIS SCORES

The third score was made when Wattenbarger intercepted a "butched" reverse and tossed a lateral to Lewis who romped to pay dirt.

Perego made the other score for the varsity on an intercepted pass. Perry, Costello, Johnson, and Hern worked hard on the "old men" with Buffa giving and taking from his old mentor and chief critic, Glenn DuBose. Glenn hitched from San Francisco to rally to the cause and lived up to advance notices of his guard play.

Borrowed from the eligibles, Bronzan, Cook, and Buckingham failed to turn traitor to their new cause and helped beat their own mates.

though it will be a close race for the title between the Internationals, Darkhorses, and 1000 club. All three teams are within striking distance of each other, and with a little help in the form of up-sets on the part of the other teams in the league, should make the race for the title interesting.

Here are the team standings at the end of the fifth week of play:

TEAM	Won	Lost	Pct.
Internationals	4	1	.800
Darkhorses	3	1	.750
1000 Club	3	1	.750
Stooges	2	2	.500
Jugglers	2	2	.500
Leftovers	0	4	.000
DTO's	0	4	.000

Alpha Pi Omega Full Moon Dance Honors Six Pledges

One more week before the fifth annual Alpha Pi Omega Full Moon dance hits the social whirl.

Honoring six pledges, members of the fraternity will hold the annual affair Saturday night, May 27, at Devonshire Country club high in the San Carlos hills overlooking the entire Santa Clara valley.

Buddy Maleville and his orchestra will supply the music for the annual affair, and, according to Steve Hosa, chairman, the orchestra has several intermission numbers lined up for the evening.

Many Hobbies On Display In Store Contest

Closing Date For All Entries Saturday

Everything from the proverbial "Soup to Nuts" is entered in the Leon Jacobs hobby contest, which goes on display today in the clothing store's show windows at 79 South First street.

According to George Place, one of the contest judges, interesting and unique hobbies are pouring into the store, and the display will be well worth everyone's time.

Place said hobbies range all the way from model airplanes and streamlined models of automobiles of the future to collections of stones, insects, and gems.

Students planning to enter hobbies must have them at the store before closing time Saturday night in order to be eligible for prizes of \$20, \$10, and \$5 in merchandise for the first three places.

Judging will take place Wednesday evening at the store. Judging with Place will be John Spurgeon and Jack Hilton.

ELECTION

(Continued from Page One)
except members of the election board, members of the present council and the editor of the Spartan Daily.

A large number of absentee ballots were cast yesterday by members of various athletic teams leaving San Jose today and will be added to today's result.

In the event that a run-off election becomes necessary in the three-candidate president race, it will be held during the latter part of next week.

Chamber Music Program

(Continued from Page One)
served as accompanist for several musical programs, and is a teacher of piano in Hollister and Salinas. She is a member of Tamara Morgan's studio at college.

Miss Margaret Thomas, who is to play the organ accompaniment to Mr. Johnson's tenor solo, is piano and organ instructor of the Music department.

The program is as follows:
I. Quartet, Opus 10.

Paul Hindemith
Jean Brier, violin; Ellen Dudgeon, violin; Stephen Johnson, viola; Kenneth Samuelson, violoncello.

II. Concert for violin and piano, Opus 21.
Ernest Chausson
Leslie Jarrett, violin; Angie Machado, pianist; Accompaniment—Jay Morris, violin; Douglas Neff, viola; Patricia Young, violoncello.

III. Deux Dances.
Claude Debussy

May Hogan Cambern, harpist; Accompaniment, Paul Lanini, violin; David Hagemeyer, violin; Laurel Kline, viola; Jean Crouch, violoncello; William Clark, contrabass.

IV. Arioso, "Dank Sei Dirr, Herr" from Israel in Egypt.

George Frederick Handel
Paul Johnson, tenor; Accompaniment—Margaret Thomas, organ; Jean Maurer, violin; Louise Brain, violin; Charles Hendrickson, viola; Irwin Quast, violoncello; William Clark, contrabass.

V. Brandenburg Concerto, Number 4.
Johann Sebastian Bach
Paul Lanini, violinist; Alvin Cromwell, flautist; Lorraine Hall, flautist; Jean Brier, violin; Douglas Neff, violin; Laurel Kline, viola; Jean Crouch, violoncello; William Clark, contrabass; John Andrews, piano.

News Briefs

LEILA GULMERT ELECTED TAU GAMMA HEAD

Leila Gulmert, junior physical education major, was elected president of Tau Gamma, women's honorary physical education society, at a meeting held Wednesday evening.

Other officers elected for next year include Alice Starry, vice-president; Ethel Hamby, secretary-treasurer; and Ruth Burmester and Genevieve Peddicord, co-reporters. Initiated into the organization at Wednesday's meeting was Joyce Williamson, senior physical education major.

Plans for the annual Tau Gamma luncheon to be held June 10 at the Ste. Claire Hotel were made. Honoring Miss Elizabeth McFadden, the affair will be attended by all Tau Gamma alumnae.

CHANGE IN C.S.T.A. DINNER ANNOUNCED BY ALDERMAN

A last minute change in the C.S.T.A. dinner meeting was announced yesterday by President Homer Alderman. Instead of being held at Tiny's, as previously stated, the dinner is scheduled for 6:30 tonight in Room 209 at the Hotel Ste. Claire.

Main speaker for the evening will be Dr. Joseph Marr Gwinn, past president of the American Association of School Administrators. From 1928 to 1932 Dr. Gwinn was president of the California Teachers Association, which is sponsor of the C.S.T.A.

DR. POYTRESS WILL SPEAK TO PRE-LEGAL CLUB

A meeting of the Pre-Legal club will be held Monday at 12:30 in Room 11 with Dr. William Poytress, Economics head, in the speaker's chair.

Subject of Dr. Poytress' talk will be a critical evaluation of legal principles and practices, the failure of the legal profession to live up to its obligations and its reactionary tendencies.

PISANO SPEAKS ON BEE CULTURE IN ROOM 220

Speaking on details involved in bee culture, Rocky Pisano, science student, will address the Entomology club at a meeting today in Room 220 at 4 o'clock.

Hives from his own bee farm will be on exhibit to illustrate Rocky's talk, says John Harville, president of the Entomology club. Anyone interested in the subject is invited to attend.

Plans have been made by the group for third annual over-night trip to Lake County to be held on June 3 and 4. Total cost of the trip will be less than \$2, Harville said.

ELECT MARCELLA CHABRE GAMMA UPSILON PREXY

Marcella Chabre was elected president and Clara Flocking vice-president of Gamma Upsilon, society of Student Union girls at their meeting this week.

The other officer elected for the 1939-40 term was Mabel Gomes, secretary.

Final plans for the early morning picnic to be held at Alum Rock Park June 6 will be made at their meeting next Wednesday.

NOTICES

Will the squires meet me today at 12:30 in the Spartan Knight room. Bring your equipment.

"Earl" Mannie Silva.

Everyone participating in the Extravaganza in any way is to see Miss Tucker between 2 and 5:30 o'clock today.

Those who plan on entering the all-college tennis tourney should sign up in the Women's gym before enthusiasts turn out!

FINAL RADIO DEBATE OF YEAR CALLED OFF DUE TO CHOICE OF SUBJECT

Too Controversial To Be Broadcast

The final radio debate in which the Intercollegiate debate team of San Jose was to have participated in this season was cancelled yesterday, according to a report from Mr. Ralph Eckert, head of the Speech department.

Scheduled to be broadcast over station KSFO tomorrow at 5:30 p.m., the debate was called off because the subject chosen was "too controversial to be broadcast over the air", Mr. Eckert stated.

The question was: Resolved, "That the civil rights of Communists, Fascists, and similar groups should be curtailed in the United States".

Leroy Troutner and Clifford Nelson of San Jose were to have taken the affirmative and negative, with St. Mary's college giving the introduction and evaluation. It was a non-decision debate.

Camp Group Will Hear Dr. Rhodes

Student Accompanies Prof On Oakland Trip

Dr. Robert Rhodes, science instructor, and Wilmar Tognazzini, member of the college Camp Leadership group, will journey to Oakland May 27 to address members of the Pacific Camping association.

Dr. Rhodes will speak on the subject of Nature Lore, and will be assisted by Wilmar Tognazzini in discussing and demonstrating program activities and administration angles of camp work.

The meeting will be attended by well-known persons interested and working with California camping, stated Dr. Rhodes. Fifteen girls of the San Jose Y.W.C.A. camp counselling staff plant to attend.

HAM AND EGGS—\$30 every Thursday again occupies the center of interest at the State Capitol as Governor Olson reveals he will call a special election on the "ham and egg" question. Nobody knows when but the special election has the "ear-marks" of an event that will bear close watching this time and will not be so easily defeated.

ROYALTY—The recently arrived King and Queen of England have managed to get as far as Montreal without being trampled on by the joyous mob that has greeted them every place they have stopped. Over 1000,000 loyal subjects were at the station when the train pulled into the station.

RELIEF—Two bills have been brought before the ways and means committee for their O.K. at the State capitol. One of these for \$35,000,000 would give additional aid on projects approved by the State Department of Works. The other for \$3,000,000 is for the construction of 30 permanent migrant camps throughout the state.

HOLYLAND—Verbal demonstrations against the British government's decision to establish an independent Palestine under Arab control were made by Jews yesterday as 175,000 of them marched continually through the streets of Jerusalem.

Geologists To Have Election

Election of officers of the San Jose State Geology club will be held at the next meeting of that group, Wednesday evening at 7:30 in Room 210 of the Science building, according to Max Crittenden, president.

Son of Mr. Fred Buss, head of the Geology department, Walter Buss, who is doing graduate work at Stanford University, will speak at the meeting on "Geology of the Baraboo Range in Minnesota".

All club members are urged to attend this meeting, while any interested outsiders will also be admitted.

Other officers of the club are Tom Steven, vice-president; Mabel Buss, secretary; and Nylia Biaggi, treasurer.

NOTICE

Lost: A black leather wallet, contains my bus commute and is costing me a dollar a day while gone. Please return it to information office or Bob Gleason.
