Otterstein, the A Cappella choir directed by William Erlendson, the Woodwind choir led by Thomas Eagan, and a twenty-voice vocal demonstration group under Miss Maurine Thompson, will travel to Los Angeles Friday and Saturday to appear at the National Music Educators conference, March 29 to April 6.

Saturday the group will continue on to Atascadero where a third concert will be played. After spending the night in Atascadero, the Otterstein-conducted organization will proceed to Los Angeles where they will present a concert before the assembled music educators Monday in Philharmonic hall. San Jose State college's Senior Ball, for the second time in two years, will again be held at San Francisco's Olympic Club at Lakeside, Steve Hosa, committee chairman, announced Friday. The date for the formal affair is June 8.

The orchestra for the Ball, which Hosa said would be a nationally-known name band, is expected to be announced within a week.

Dance Tryouts Held Thursday; Meet Tomorrow

Tryouts for Orchesis, women's honorary dance society, will be held Thursday, from 5 to 7 in the dance studio, according to Miss Marjorie Lucas, dance instructor.

Women trying out will present original dances and various techniques, as well as execute different types of movements.

Each prospective member will have a sponsor, chosen from the organization, to assist her.

A meeting of all tryoutees will be held in the studio tomorrow at 5 o'clock to practice and go over the problem requirements.

SPARTAN REVELRIES, SPARDI GRAS HEADS START WORK, GIVE PLANS

Preparations for the eleventh annual Spardi Gras are being started by Bob Payne, general chairman. Date for the carnival has been set for May 3.

STATE TRADITION
Begun in 1929, the annual spring festival has grown into a San Jose State tradition, modeled somewhat after the world-famous New Orleans Mardi Gras.

Last year the carnival attracted the attention of San Francisco papers, with the Chronicle color-gravure section carrying two full pages of the highlights.

SAME PROGRAM
Spardi Gras Day will follow approximately the same program as last year, according to Payne, with concessions in the main quad, whisker-judging, football game, and a dance in the evening.

Registration Procedure Announced

With a record-breaking spring quarter registration expected, Registrar Joe H. West issues the following final instructions for registration procedure today and tomorrow.

Registration booklets will be given out in Room 1 of the Art building at the following times for the various alphabetical name groups:

Changes In Courses

Registrar Joe H. West announces the following course changes in the spring quarter schedule of classes.

P. E. 3 (Life Saving 8:00 MW) has been substituted for P. E. 2C (Diving).

Art 155C (Life Drawing) has been added from 1:00 until 3:00 daily.

Art 120B (Flower Arrangement) has been added from 3:00 until 5:00 for one unit.

Physics 10C (General pre-eng. physics lab) has been added from 2:00 until 5:00 on Tuesday and Thursday.

Math. 7 (Intermediate Algebra) has been added. Given MWF at 8:00 in Room 157 for three units.

Biology 1C (General zoology lab 10:00-12:00 MWF) has been dropped.

Times for P. E. 90B, 68A, 68B, and 68C have been set for 7:00 until 9:00 p.m.

Speech 7C or 107C (Intercollegiate Debate) has been changed from 4:00 on Monday to 2:00 every Tuesday in Room 49 for one unit.

TRYOUTS FOR NEXT PLAY HELD FRIDAY

Tryouts for "Henry IV", first San Jose Player major production of the spring quarter, will be held Friday afternoon at 4 o'clock in the Little Theater, and all students interested are invited to participate, announces Mr. Hugh Gillis, Speech department head.

CLANCY DIRECTS
Production dates are April 25 and 26 and Mr. James Clancy will direct. The play, written by Pirandello, great Italian author, will be the first of his work given by the Players. Pirandello deals with psychological and philosophical themes in most of his plays and stories, and "Henry IV" is one of his best, Gillis said.

The story presents the situation of a man who has been insane for some years due to a fall while horseback riding. He believes himself to be Henry IV of Germany and lives completely in the past.

BOOKS ON RESERVE
He surrounds himself with courtiers and other effects of a royal life, and conducts himself as the German emperor did. His return to sanity is so painful and unhappy for him that he willingly returns to his world of make-believe.

Books of the play are on reserve in the library.

STAFF MEETING

Members of the Spartan Daily staff will meet Wednesday at 1 o'clock in Room 17. Cover your old beats for Thursday's paper.

—Rodrick.

Moreno's Orchestra Plays, Stags Admitted

By nine o'clock tonight the fuss and frustration of Registration Day will have disappeared from the Men's gym and the first social event of the spring quarter, the Registration Dance, will begin.

The quarterly dance will probably be the only stag affair of the term, according to Don Anderson, new Social Affairs chairman, who is in charge. Dancing will continue from 9 until 12.

Hal Moreno and his sweet swing band, known to those who attended the Sophomore Hop and the Interfraternity dance last quarter, will play for the function. Bob Tremaine is expected to put on an intermission stunt, according to Anderson.

Chaperones will be Miss Helen Dimmick, Mr. and Mrs. Paul Pittman, and Mr. and Mrs. Claude N. Settles.

Admission is by student body card, with a 25-cent charge for outsiders.

Swenson Named Associate Editor

Associate editor of the Spartan Daily for the spring quarter will be Pony Swenson, former copy editor and sports editor, according to Editor Bill Rodrick, who announced several appointments Friday.

John Healey was named sports editor and Bill Regan and Vance Perry were chosen copy editors. Gardner Waters will continue to be in charge of the feature page. Swenson was editor of the Fullerton junior college "Torch", president of the student body in high school, and captain of the junior college football team.

Healey, Spartan Daily day editor for the past two quarters, was at one time sports editor of the Cal Aggie.

Perry and Regan are also former day editors.

PAYMENT FOR ANNUAL DUE NOW

Every student who desires a copy of La Torre, student year-book published in June and edited by Bill Laffoon, must signify their intentions of securing the annual and make payment for it today, according to Edith Daily, staff member in charge of distribution.

Students in attendance for three quarters will be charged four cents for the book to cover tax. Those students not in attendance on Washington Square for that period will be charged 50 cents for each quarter not in residence. Payment will be made in the Art building after securing registration booklets.

Partake Of The Cup . . .

Today we embark on what is perhaps the most colorful and interesting of all the college's three quarters and, certainly to seniors, by far the most important.

With the inauguration of the spring quarter, the hibernation inactivity of the winter session will shortly be broken by a series of events, memories of which are likely to long remain with the student after leaving this college, including the colorful Spardi Gras festival, the Spartan Revelries, the Senior Ball, Sneak Week, senior final activities, and a host of other minor affairs culminated by the graduation ceremonies in June.

Then too, this quarter should see the beginning of the long-sought new library. Along less academic lines, the college which saw its mighty football empire totter with the resignation of former head football coach and Athletic Director Dud DeGroot and surge up again with the appointment of Ben Winkelman, will see the beginning of a new football regime with the start of spring practice and will get at least a partial answer to the question of future State gridiron prospects—of major importance to the balance of the student body.

To the greater part of the seniors, this quarter means the finish of years of school work and a chance to get out into a world of which they really know very little to see if their wings be strong or weak, to carry them to a success for which they all hope, or to leave them disillusioned amongst the 10 million where so many others like them have ended before.

But the individual student should not remain merely a spectator to all this, to turn bashfully aside or gaze with disdainful indifference on this traditional revelry and more serious and important ceremony. It is his right and his privilege that he partake of the full cup of college life and depart from the halls with something more than the all-important academic learning, a little better able to cope with the "Roaring Forties".

group after they have cleared any obstacles blocking registration. Students may not secure their booklets at an earlier hour than that specified by their name group, but they may register at any later time than their scheduled hour if they are not included in the last group.

Students must call for their booklets by 4 p.m. today in order to complete registration before the gymnasium closes at 5 p.m. A fine

of \$1 will be levied against all students who have not handed in their booklets by 5 p.m. today unless a later date is stamped on the face of the booklet.

Worth Oswald, social science instructor in charge of a college job survey project, urges all students to fill out accurately the detailed employment questionnaire given out in the gym today. Expansion and coordination of the labor market for San Jose State college students is the purpose of the survey which will be opened with today's questionnaire.

THINKING IT OVER

By Gardner Waters

The current congressional controversy as to how far this country should go in supplying airplanes to France and England would seem to indicate just how muddled is the "thinking" of our national "master minds". In fact, one is led to suspect that the congressmen are not so much motivated by logic as by various pressure groups.

Sale of airplanes to France and England is supported by a variety of arguments. There are those who favor selling munitions just so long as France and England can lay the money on the barrel head. These persons are quite optimistic if they think they can stop such sales as soon as the Allies run out of cash.

Then there are those who favor aiding the Allies in anyway possible short of man-power, and then the fortunately small group of those who would even include sending soldiers. This latter group is perhaps the most logical of the three if it is assumed that war is not immoral and that England and France are unqualifiedly right and Germany unqualifiedly wrong.

If war is quite ethical, if war accomplishes lasting benefits, and if there is no other way of accomplishing these benefits, then why should not this country share proportionately in the costs of the war both in man-power and materials? Then when the war is over and peace descends upon the earth for all time, and the people of all nations become Christians and democrats, then we can share honestly in the glory of having helped to bring about this millennium!

But somehow this conclusion doesn't ring true. The consequences of previous wars tell too obvious

a story to be missed by any but the most myopic of idealists. War does not accomplish lasting benefits (if it accomplishes any at all). And there is a better way of solving international problems than that of conflict.

Those who argue for "whole-hog" support of the Allies are arguing from false assumptions. Those who are only willing to go half way apparently accept these assumptions as true but are not willing to accept the logical conclusion.

It would seem, then, that those who advocate material support of the Allies are attempting a compromise between reason and a misplaced, short-sighted sympathy. Misplaced sympathy, as it is like handing a friend with the D.T.'s a bottle of gin to bring him out of his cups; short-sighted sympathy, in that there is little reason to believe that whoever wins this war there will be any attempt at a fundamental solution of the economic ills that are at the root of modern wars.

Application blanks for YWCA Girl Reserve camp at Big Basin must be in by Thursday morning, March 28. For further information inquire at the Appointment office.

Phelan Contest Closes Tomorrow

Department Offers \$300 In Cash Awards; Expect Large Entry

Expecting the heaviest entry list since the contest's beginning in 1930, the English department announced last week that the annual Phelan literary contest would end tomorrow at 5 o'clock. Approximately 300 dollars in prizes is being offered this year.

DEADLINE POSTPONED

Although in past year competition has closed on the last day of the winter quarter, the contest deadline was postponed until the second day of the present quarter following requests by a number of students that the change be made, according to the department.

New Telephone System To Be Installed Here

A semi-automatic, inter-office dial telephone system, replacing the regulation exchange now in use, will be installed in the college within the next two weeks, according to Comptroller E. S. Thompson.

DIAL OUTSIDE

Completely automatic, only as far as inter-communicating calls go, says Mr. Thompson, the operator will have to be dialed for all outside calls. The switchboard now in use will handle only incoming and long distance calls.

Long needed with the increasingly heavy traffic on the present phone system, Mr. Thompson said the only other alternative would be the installation of auxiliary switchboards in the large offices.

SPEED SERVICE

The dial system will also speed up service sufficiently so that additional trunk lines will not have to be installed between the college and the city exchange, according to Thompson. There are at present 7 trunk lines leading into larger college offices.

The installation of the new system, while costing 35 dollars more per month than the one now in use, will represent a saving to the college, the comptroller said, since it will allow the switchboard operator to spend about 50% more time doing other office work which she's unable to do at present. The dial system is expected to cost about \$5,000, will be leased from the telephone company.

About 50 of the old-type phones will be replaced. The automatic exchange equipment is now being installed in Room 5.

Book Chart Now On Display In Library

"America Reads" is the title of a colorful chart now on display in the library.

Showing American reading interests as based on 1939 American book production, the poster was made by Marie Dehority, a member of Miss Dora Smith's library class last year.

Fiction and social science are the two most popular book types.

DEADLINE SET FOR MUSIC COMPETITION

Closing date for the contest in original music composition sponsored by the Music department is only one week away, announces George Matthews, music faculty member in charge of the competition.

With a relatively small number of entries already in the hands of the sponsoring committee, Mr. Matthews urges all students entering the competition to get their entries in before the final deadline if possible. Judging procedure will be speeded up if a last minute rush is avoided, according to the sponsoring committee head.

Entries should be done in ink on piano-size score paper and turned in to Miss Eleanor Joy, Music department secretary, or Mr. Matthews. Contest rules state that the entries must not bear the names of the owners. Each contestant will be given an identifying number when he turns his contribution in.

The competition is divided into four divisions with a first prize of \$10 and a second prize of \$2.50 for each division. In addition, there will be a sweepstakes award of \$5 for the outstanding entrant from all four divisions.

DEADLINE SET FOR MUSIC COMPETITION

Closing date for the contest in original music composition sponsored by the Music department is only one week away, announces George Matthews, music faculty member in charge of the competition.

Deadline for entries has been set for 5 p.m. Monday afternoon, April 1. With a relatively small number of entries already in the hands of the sponsoring committee, Mr. Matthews urges all students entering the competition to get their entries in before the final deadline if possible. Judging procedure will be speeded up if a last minute rush is avoided, according to the sponsoring committee head.

Entries should be done in ink on piano-size score paper and turned in to Miss Eleanor Joy, Music department secretary, or Mr. Matthews. Contest rules state that the entries must not bear the names of the owners. Each contestant will be given an identifying number when he turns his contribution in.

The competition is divided into four divisions with a first prize of \$10 and a second prize of \$2.50 for each division. In addition, there will be a sweepstakes award of \$5 for the outstanding entrant from all four divisions.

FRESHMAN DANCE FRIDAY NIGHT

Music Groups To Go South Friday For Conference

(Continued from Page One)
 the national conference.
 Sixty-four members of the A Cappella choir led by William Erlendson will make up the second wave of south-invading music students, leaving San Jose Saturday morning. The A Cappella choir itinerary includes four important concert engagements beginning with a coast-to-coast radio broadcast from NBC's Hollywood studio at 8:30 a.m. Sunday. The San Jose choir will represent the west on the radio program (Music and American Youth) while the Joliet high school band will represent the east on the same broadcast.

Following their radio broadcast, the A Cappella group will present an 11 o'clock concert at the First Methodist church. Final concert appearances will be made Monday at a luncheon meeting of the California Western Conference of Music Educators and an evening meeting of the Los Angeles chapter of the American Guild of Organists.

WOODWIND CHOIR PLAYS

Thomas Eagan's 11-piece Woodwind choir whose personnel is taken from the Symphony, will also give several demonstrations at the conference. Rounding out the list of San Jose State college music groups' appearances at the national conference, Miss Maurine Thompson's twenty advanced and intermediate vocal students will sing a demonstration lesson in dynamics. This is the third time in four years that Washington Square voice classes have been asked to participate in the state and national conferences.

Commerce Dinner Planned For Tuesday, April 12

All Commerce department students, alumni of the department, and members of Alpha Eta Sigma, honorary commerce fraternity, are invited to gather at the Hotel Sainte Claire Tuesday night, April 12, for the annual commerce banquet.

Tentative plans as announced by Dr. Earl W. Atkinson, head of the sponsoring department, call for speakers prominent in San Jose business affairs. Invitations have been sent to many local business men and personnel managers.

Annual Concert Given By Music Group Thursday

Tau Mu Delta, honorary music society, will present its annual concert Thursday night at 8:15 p.m. in the college Little Theater, Miss Alma Williams, faculty adviser, announces.

Consisting of ensemble and solo instrumental numbers, the program will feature Lorraine Hall's presentation of Haydn's "Piano Concerto in G Major", accompanied by Jean Crouch. Sharing the featured position on the program will be Wilda Enos, blind pianist, who will play Ravel's "Jeux D'eau".

Completing the program will be numbers by the three-instrument string ensemble of Yolanda Cangiamilla, Lucille Pritchard, and Jane Hopper which will play Haydn's "Concerto for Cello, Violin and Piano".

The concert is free and open to the public.

Pre-Election Ball Held In Men's Gymnasium; Gene Goudron To Play

"Gracie Allen for President" will be the rallying cry Friday night when the freshman class unfurls the campaign banners of the well-known radio comedienne and professional half-wit at their pre-election ball in the Men's gymnasium.

ISSUES INVITATION

Denny Morrisey, freshman vice-president and general chairman for Friday night's affair, has wired Gracie Allen an invitation to attend the ball. Miss Allen replied that she couldn't promise to attend because "you know how busy we future presidents are right now." However, she added: "But wait until I get to the White House and I'll have you all up for a dance." She signed her reply, "Gracie Allen for President and San Jose State forever".

FROSH DEBATERS MEET JUNIORS IN TOURNAMENT

Two freshman debaters, Heber Nelson and Ronald Maas, finalists in the Interclass Debate Tournament, will meet a two-man junior team composed of Gene Rocchi and Kenneth Wallace in the last contest of the tournament to be held April 3, at noon in the quad.

Subject for the discussion will be the question of whether the fraternity initiation system known as "Hell Week" should be abolished. The freshman and junior debate teams triumphed over the sophomores and seniors in the first two contests of the tournament, advancing into the finals of the contest. Winning team members will have their names engraved on a trophy and will receive individual service pins.

Sponsors of the debate tournament are the members of Spartan Senate, honorary debating society. Previous debate topic dealt with the "Subsidization of Athletes".

The subject of next week's final debate should be of widespread interest because of the current controversy over fraternity initiations stirred up by reported injuries to several fraternity pledges, according to Junior Debate Coach Leach.

Decorations for the dance, planned by Nina D'anna, will be based on the kangaroo emblem of the Allen surprise party. Intermission entertainment, of a surprise variety, will be provided under the direction of Tom Taylor.

GOUDRON PLAYS

Gene Goudrons 10-piece orchestra will play for the freshman-sponsored dancing-fun-frolic lasting from 9 until 1 o'clock. Bids priced at 50 cents are on sale at the Controller's office or from any committee member.

PRIZE FOR NEW NAME OFFERED

Mr. and Mrs. Walter Cogan, of the Campus Store at 160 South Seventh street, are offering a two-dollar cash prize to the student submitting the best name for their store.

The entry must be accompanied by a statement of not over 25 words stating why the contestant believes the suggested name to be appropriate. Blanks for the contest may be obtained at the store.

Radio Program

"What is college for?" will be the topic of this week's "Thinking Out Loud" radio program to be given by associate professor Elmo Robinson and some of his advanced philosophy students, over station KQW at 9:15 Wednesday evening.

This order entitles bearer to one of these combination treatments: Hair cut, scalp treatment, marcel; or scalp treatment, hair cut, paper curl; or hair cut, scalp treatment, finger wave. On clean hair only. Don Lux Academy Beauty Culture 65 W. San Antonio St. Not good on Friday or Saturday

CALIFORNIA AGGIES LOSE BOXING MATCH TO SPARTANS

Four Staters Get Decisions; Zetterquist Stops Art Johnson In Winning Meet, 6-2

In their last home appearance of the season, Coach Dee Portal's boxing team trimmed the California Aggies 6-2 last Thursday night in the local pavilion.

Herm Zetterquist, Spartan football star, led the leather-tossers by scoring a sensational technical knockout over Aggie heavyweight Art Johnson. After flooring his opponent four times in the first round with hard rights to the head, the bout was stopped.

KINCAID WINS

Jim Kincaid, fighting at 165 pounds, looked in good shape in winning over Aggie Bill Meily. Kincaid won an easy decision after flooring his opponent in the third round.

Pete Bolich, Spartan light-heavyweight, and Bob Payne, fighting at 135 pounds in the place of Tony Nasimento, who is with the baseball team at San Diego, were the only losers. Bolich lost a close decision to John Wetzel, while Payne, fighting his first intercollegiate bout, dropped a decision to Grant Osborne of the Aggies.

BOLICH FIGHT STOPPED

Bill Bolich, fighting in the 155-pound division, won a decision over Bill Randol of the Aggies although receiving a cut over the left eye. The fight was stopped in the second round. The new intercollegiate boxing states that if one of the contestants receives a cut in the first round the fight is called a draw or no contest, but if the fight is stopped in the second or third round, the fighter ahead in points at the time the fight is called declared the winner.

MEET UCLA FRIDAY

Dale Wren gave San Jose another win in taking a decision from Harold Coombs in the 127-pound division. Bill Sellers won the opening fight by taking an easy decision from Elmer Pahl, Aggie 120-pounder. Gene Fisk showed improvement in defeating Thurman Crawford in the 145-pound division.

The Spartans travel to the University of California at Los Angeles to meet the Bruins Friday night.

HEADS BOXING

Dee Portal, above, again coached his boxers into a second place in the Pacific Coast Intercollegiate boxing matches held in Sacramento March 14 and 15. Idaho scored a team total of 37½ points to 25½ for the Spartans. Bill Bolich was the only Spartan to take a crown, defeating Mitchell of California for the 155-pound title.

Six-Man Boxing Team Entered In Nationals

With reports from Sacramento indicating that the entry list for the National Intercollegiate boxing matches is exceeding all expectations, Coach Dee Portal announced last week that a six-man team will represent San Jose State college in the tournament held April 4-6.

After his showing against the California Aggies last week when he stopped Heavyweight Art Johnson, Herm Zetterquist is a possible seventh man to make the trip, according to Portal. Zetterquist is the leading candidate to fill the heavyweight post left vacant by Don Presley who has signed for the track team.

Those entered as released by Portal are as follows: Bill Sellers, 120 pounds; Dale Wren, 127; Gene Fisk, 145; Bill Bolich, 155; Jim Kincaid, 165; and Pete Bolich, 175.

MERMEN TAKE TWO MEETS ON UTAH TOUR

Coach Charlie Walker's swimming team arrived home from the Utah tour last week with two victories out of three meets.

In their first meet of the tour, the Spartans splashed to an easy 52 to 23 win over the Weber junior college of Ogden, Utah. Shirokoff, San Jose free-styler, led the swimmers by taking both the 100 and 60-yard races. The Spartans won six of the nine events.

Utah University also bowed to the Spartan mermen in the second meet of the inter-mountain tour by a score of 55 to 20. The San Jose swimmers won all but two of the nine events.

The only defeat of the Spartans came from the Desert Gymnasium swimming team of Salt Lake City. San Jose could gain only two first places, the 300-yard medley and the diving competition, which was won by Jack Windsor. Final score was 43 to 32.

State Horsehidiers Take 1, Lose 4 Vacation Games

San Jose State college's baseball nine came out with one win in five games played over the vacation period. In Wednesday's game at San Diego, the mitmen walloped the Marines, 11-0. Thursday's close contest was lost, however, by a 6-5 score.

GAUCHOS LEAD LEAGUE

The league-leading Santa Barbara Gauchos bolstered their advantage March 15 and 16 at the expense of the Spartans by taking

GOLF TEAM TIES WITH U.C.

The San Jose State college golf team tied with the California Bears over the vacation, each totaling 4½ points. The match was played on the Tilden Park golf course in Berkeley.

Lovegreen of California took low honors for the day, shooting four under par for the 71 par course. He teamed with Jack Barnett to defeat Spartans Warner Keeley and Herb Showers 2 to 1.

Bill Parton, shooting a 74, combined with Bob Burchfiel's 72 to whip their California opponents 2½ to ½. Bill Hern with a 74 and Ken Hornlein with a 75, both of San Jose, failed to stop their California opponents, Bud Bruce, 74, and Bill Cowan, 75.

both sessions of a two-game series, 7-4 and 5-4. The other defeat was poured on the locals by San Diego State Friday, March 22, 13-1.

Playing in a drizzling rain during the first Santa Barbara game, the Spartans were never able to overcome the five-run lead gained by the Gauchos in the third inning.

NASIMENTO CLOUTS FOUR

Failure of the hit-and-run play to work was blamed for the second loss to the southern boys. Trailing 5 to 2 in the last half of the ninth, Pitcher Tony Nasimento boomed out his fourth hit in four times at the plate to score Allen and Minter. Fancher was run-down for the second out of the inning when both he and Allen were caught around third base on Minter's hit.

Featured by the three-hit pitching of Tony Nasimento and the wicked sticks of Allen and Frizzi, the Spartans blanked the San Diego Marines in the first game of their southern trip. Both Allen and Frizzi got home runs.

TWO HOMERS FOR ALLEN

Allen's bat swatted out the horsehide for two more circuit journeys in Thursday's game, even though the locals lost, 6-5.

The Staters were unable to get through the four-hit pitching of De Volder, San Diego State's southpaw, in the Friday game.

Tomorrow afternoon the Spartan horsehidiers go on the field in San Francisco against San Francisco State.
