Change In Queen Election System

BOOK EXCHANGE PLANS GIVEN

HERN NAMED ELECTION HEAD BY COUNCIL

Findings of the committee which was appointed at last quarter's organizations dinner to study the possibilities of creating a simple, economical, and convenient method of exchanging text books, were presented to the student council last night at its regular meeting in the Student Union.

THREE PLANS

Of the three methods submitted by Royal Scott, chairman, the council granted the Book Exchange committee authority to further perfect one and make a more detailed study of the other two.

The council also appointed Bill Hern, pending his acceptance, judge of student body elections which will be held May 14 and 17. Date of the nominations assembly was set at May 7.

The method to which the council showed its preference and recommended further perfection was the "card index plan", which would enable students to file in a card catalog information on any text books they might have for sale. According to the committee, this system would provide a central clearing house for students who wish to sell their own books.

OPEN BOOK MARKET

While the council thought the foregoing plan to be the most feasible of the three submitted, the committee recommended the "book mart" as being the best. Under this plan a book sale would be held at the beginning of each quarter with tables set up in the inner quad, departmentalized and clerked by student volunteers from various service organizations.

The "mart" would be governed by a committee of five members drawn from various service organizations.

(Continued on Page Four)

CHAIRMAN

HUGH STALEY, student body president and football player, who will be chairman of the Interclass Debate Tournament tomorrow.

Hugh Staley Chairman For Debate

Hugh Staley has been chosen chairman of the final contest in the Interclass Debate Tournament which will be held in the quad tomorrow at 12:20.

ROCCHI TALKS

Heber Nelson, freshman, and Kenneth Wallace, junior, will take the affirmative side of the question, "Resolved: that subsidization of college athletics is justifiable". Gene Rocchi, former Spartan griddler, arguing for the juniors, will, strangely enough, talk on the negative side of the question, as will Ronald Mass, frosh.

Because of the individual conflicts concerning the subject, thus dividing the freshmen and juniors into two sides, it will be necessary to judge the participants on a point basis, according to Dave Atkinson, in charge of arrangements.

MEDALS AT STAKE

Two medals will be given the winners and names of the victors will be engraved on a cup on display in the library showcase.

Ellis Rother, president of Spartan Senate, honorary debate society, which is sponsoring the tournament, will introduce Staley.

Judges for the debate will be Weaver Meadows, commerce instructor; Ben Winkelman, football coach; and James Clancy, speech instructor and dramatics director.

Course Deadline

Friday, April 19, is the last day to drop courses, according to Registrar Joe West.

Students are asked to complete the procedure for dropping courses before the deadline.

Campus Groups Will Discuss School Affairs

Representatives from around 80 officially recognized campus organizations will meet again this quarter Monday night at 7:30 o'clock in the Student Union to discuss problems of pertinent student interest.

Sponsored by the student council, the organization meetings were put on a quarterly basis following requests that such action be taken at the winter quarter organization banquet.

Full reports on the results of the investigations started at the last organization dinner will be given the representatives attending, according to Council Secretary Margaret McCarthy, along with other information on the progress of Spardi Gras and Revelries.

FINAL CHANCE FOR LA TORRE

Acceding to the requests of the few students who have failed to make their advance La Torre payments, members of the yearbook staff will be on duty in the Student Union lobby from 12 to 3 o'clock today for the last time to collect payments for the annual.

"Today is absolutely the last chance to pay for the 1940 La Torre," announces Editor Bill Laffoon. "Students who wish a copy of the annual when it is published in June must pay now."

A charge of 4 cents is made for students who have been registered in the college for three consecutive quarters. Students who have not been enrolled for this period must pay 50 cents for each quarter not in attendance.

AWS Council Will Meet Today For Sneak Week Talk

Junior and senior women will be given an opportunity to present their side of Sneak Week activities at a meeting of the AWS council this afternoon at 4:00 in the AWS room.

SNEAK WEEK TALK

All upperclass co-eds are urged by AWS President Audrey Morrell to attend today's meeting in order to participate in a discussion of kidnapping activities usually carried on during Sneak Week.

Efforts to establish closer cooperation between the AWS and WAA councils will also be discussed with members of both councils joining in conference.

A.W.S. JINX

Final matter scheduled for today's consideration will be plans for the AWS Jinx which will be held in the Women's gymnasium on April 25.

Fraternities, Clubs Will Nominate Candidates

Dissatisfied with the reaction of the student body toward the Spardi Gras queen election, Chairman Bob Payne yesterday changed the method of choosing the co-ed to rule over the spring carnival.

Due to lack of interest and general inadequacy of the present system, Payne decided to close the balloting as it has been carried on the past two days, and put selection of eight of the ten winners in the hands of college men's organizations and a committee.

TWO NOW CHOSEN

Due to the high number of votes already received by two college women, June Gross and Florence Booth, it was decided that they should be among the ten whose pictures will be sent to Bing Crosby for final selection of the winner.

Every men's group on the campus is permitted to enter a candidate in the competition, according to Payne. The other eight girls will be chosen from the organization candidates by a committee composed of Student Body President Hugh Staley, Payne, Spartan Daily Editor Bill Rodrick, Bill Sweeney, junior class adviser, and Dr. Robert Rhodes, who was student president in 1928.

DEADLINE EXTENDED

Due to the sudden change in procedure, the deadline for entering candidates into the queen race has been extended until Friday at one o'clock, according to Payne. Under the previous plan the election was to have stopped this afternoon. When organizations have made their selection, the name of the candidate is to be dropped into the contributions box in the Publications office.

FINAL PLAY OF YEAR 'Heartbreak House' Trials Tuesday

A vivid characterization of a group of sophisticated Londoners during the early period of the World War is the main theme of "Heartbreak House", George Bernard Shaw's satirical comedy, and closing presentation of the spring drama season, according to Hugh Gillis, Speech department head.

TRYOUTS TUESDAY

Tryouts for this play will be held at 4 o'clock in the Little Theater on Tuesday, and any students who are interested in Mr. Shaw's type of comedy are urged to come.

Because of its treatment of the international predicaments and its

war atmosphere, the play is exceedingly timely. It is not until the last of the play that the peculiar attitudes and actions of the characters is explained by the imminence of physical danger.

Orson Welles and his Mercury Theater group in New York presented the play last year and also gave sections of it on his radio program. James Clancy has been chosen to direct this closing San Jose Player production.

"HAY FEVER" CAST

That Bob Gleason has been awarded the part of Simon Bliss in "Hay Fever" with Harris McCreath as his understudy was also announced by Mr. Gillis.

STUDENTS HOLD PEACE RALLY IN QUAD FRIDAY

Observation of National Peace Day will take place Friday noon in the quad with a program sponsored by the Campus Peace society and by student delegates to the Santa Clara Youth Council, according to Miss Karen Loft.

A speaker, to be announced later, and the selling of Peace Day tags in the quad will be included in the local program. Nationally, the Peace Day is being sponsored by the National Student Peace Committee. On the programs which will be presented Friday on practically all college campuses throughout the country, the plans are being made by local organizations and students interested in the peace movement, states Miss Loft.

Schick Tests Given Thursday; Sign Now

For the benefit of students who signed too late for the Schick tests Monday, the Health department is offering another test tomorrow, announces Miss Margaret Twombly, Health instructor.

Those wishing to take the test must sign up for it today in the Health office, Room 31, for Friday.

Long-Needed Move . . .

The change in the Spardi Gras queen voting procedure announced yesterday by Chairman Bob Payne represents a move long needed and long in coming which will clear up many of the evils of previous contest voting and eliminate the slightly farcial nature into which the affair sometimes previously developed.

In years past, the selection of the Spardi Gras king or queen, as far as honest student selection went, was pure farce. We do not mean to suggest that the final selections weren't fully in accord with the choices of the student body in general—they probably were—but only a very small portion of the student body ever took the trouble to vote.

Faced with an apathetic student body and a system of voting which resulted in general ballot box stuffing being considered the expected and only method of successfully nominating a candidate, the Spardi Gras committee had, in the past, no alternative but to use discretion in considering those nominated under the old system as what students as a whole would really consider the finest of Spartan man or womanhood.

Under the new system of nomination, it should be possible to select ten individuals who will stand above all others as worthy of the honor without resorting to juggling the votes around to get the proper candidates. The student body as a whole can express its opinion, although in this case, the contest might be better run by having the individual classes nominate candidates, in addition to nominations made by organizations and general student body balloting.

If You Want A Change . . .

There is no question that the school colors, gold and white, are impractical for the uses to which they are commonly put; the change to gold and blue in football uniforms, for example, illustrates that point.

The matter of officially recognizing the change can't come, though, until a definite substitute has been chosen. Gold and blue has been suggested because several thousand dollars worth of football uniforms feature that color; but UC also uses blue and gold—we ought to try to be original.

Unless a majority of the students want the change recognized, this practical attempt to outlaw the expensive gold and white will meet with the same opposition that several others have; and in order to have a majority behind the change, some previous selection should be made in regard to the substitute color.

A student poll will be conducted in the near future in order to determine the attitude toward the question, and to find the preference as to colors.

You can't have the change officially recognized by waiting and wishing; there are too many others doing the same thing. If you want the colors changed, say so; the Daily wants your opinion.
—Graham.

Just Among Ourselves

By DR. T. W. MacQUARRIE

That Commerce banquet Friday evening was a grand success. To bring together so many of the leading business men of this community in such intimate association with the students in Commerce was a fine idea.

Really I was greatly impressed by the whole affair. Every item was a success, the name cards, the hosts and hostesses, the table decorations, the program, and more than all, the very wonderful and inspirational address given by Dean Jackson of the Stanford Graduate School of Business.

I wish more of us could have heard that address. Dean Jackson reported on a study which he had carried out to determine if possible the characteristics which made for success in business leadership. He described a number of the outstanding leaders in American industry, and analyzed their personalities in a truly scholarly manner.

It was most encouraging to realize that success in this great free country of ours still depends upon those old-fashioned virtues we have always admired. Honesty, industry, friendliness, faith, loyalty, hope, determination to suc-

ceed, these and others were stressed. After conferences and discussions with many of the most successful of our business leaders, Professor Jackson and his collaborators agreed that the old-fashioned virtues were still potent. Upon high character great success still depends.

Professor Jackson did not stress education, he did not stress native intelligence, but he did stress good health, reliability, a cooperative spirit, a singleness of purpose. Success is possible to those who have the will to achieve.

It is rather generally assumed that we cannot do much about our native capacity to acquire academic learning. (Most of us can acquire more than we do, but that's not intelligence, it's character.)

It is pretty generally agreed that we can do something about our personalities. We can establish good habits of living, both personal and community. We can train ourselves to be honest, to work steadily and to a definite purpose. We can meet our obligations faithfully. We can establish good habits of recreation, of reading, of listening to the ubiquitous radio.

NOTICES

Will George Latka come into the Spartan Daily office between 1 and 2 o'clock today?
—Hank Litten.

Executive committee meeting of Young Democrats to be held today at 4 p.m. in the Student Union.
—Griffin.

Camp Leadership group will meet at noon today in Room S216. Mrs. Edna Sefton, Campfire girls executive, will speak.

Council of Freshman Women's club meet in front of the 'Y' room at 4 o'clock today.
—Mary Sanchez, pres.

We can train ourselves to be independent, to come to our own conclusions and act on them.

Really a college education is more of an opportunity for the young person to get hold of himself and make of his potentialities something worthwhile than it is for him to go through the motions of the college program. It's a time for private thinking. A young person should always remember that he will probably live with himself for a long time, and he may as well guarantee the quality of his company while he has the opportunity.

First Noon Hop Of Quarter Held In Quad Today

Heralding the arrival of spring, the Social Affairs committee presents its first noon dance of the quarter in the quad today from 12:30 to 1 o'clock.

Sheldon Taix and his orchestra will play for the hop, the first in a series of noon dances to be given for San Jose State college students, says Walt Curry, dance chairman.

Large turnouts at the dances for the last two quarters have proven the popularity of the outdoor hops, according to Curry. The continuance of these events depends upon the interest shown by students at today's dance, he says.

STUDENTS HOLD PEACE RALLY IN QUAD FRIDAY

Observation of National Peace Day will take place Friday noon in the quad with a program sponsored by the Campus Peace society and by student delegates to the Santa Clara Youth Council, according to Miss Karen Loft.

TRACKMEN MEET STANFORD TODAY

FRIENDLY ENEMY TRAINS

Todd Tossing For Olympic Club

By KEITH BIRLEM
A familiar face with a foreign look is that Cardinal clad javelin tosser working out daily with the Spartan harriers at the Seventh street oval.
Lowell Todd, who brought the first National Intercollegiate track championship home to Sparta in 1937, is now preparing to meet his former teammates as a representative of the Olympic club when the staged-O tangles with the local university next Tuesday.
Victorious in the only two meets

this year, Todd, who is working for a credential at San Jose State college, tossed the spear out 207 feet against Stanford and 213 feet against the University of California and Washington State college in a triangular meet Saturday.

Todd has hopes this year of vanquishing the Trojan javelin ace and national record holder, Bobby Peoples, when the two meet April 28. The former Spartan's best mark is 228 feet, made in Germany while barnstorming with the A.A.U. champions of 1938.

CO-ED TAKES TENNIS TITLE

Dean Hooker defeated Estelle Winfield, Marin J.C., 3-6. Theresa Lemke and Dorothy Dahl, doubles team, was defeated by the Marin J. C. in the semi-finals, 4-6.
Other schools participating in the playday were Mills College, San Mateo J.C., Marin J.C., San Francisco J.C., and San Francisco State.

Winfield, Marin J.C., 3-6. Theresa Lemke and Dorothy Dahl, doubles team, was defeated by the Marin J. C. in the semi-finals, 4-6.
Other schools participating in the playday were Mills College, San Mateo J.C., Marin J.C., San Francisco J.C., and San Francisco State.

SAN JOSE, CALIFORNIA, WEDNESDAY, APRIL 17, 1940

STATE TENNIS SQUAD WINS 31ST STRAIGHT AS U.S.F. IS BEATEN

The San Jose State varsity tennis team kept its four-year mark unblemished as consecutive victory number 31 was scored at the expense of the University of San Francisco squad, 9 to 0, on the Seventh street courts.

Lanky Ed Harper, playing in the number one singles spot vacated by the ineligible John Krysiak, continued his win streak by conquering Ed Dapello 6-0, 6-1. This is Harper's third consecutive victory since moving up from his second position.
Harper combined with Jack Dixon to keep their undefeated mark clean by whipping the U.S.F. duo of Dapello and Ed Toppins, 6-4, 6-2. Harper and Dixon are entered in the mid-state tennis tourney at Fresno this week-end.
Vic Ehle, George Egling, and Captain George Kifer were forced to three sets by their Don opponents before winning.
Summary:
SINGLES
San Jose man named first:
Ed Harper d. Ed Dapello 6-0, 6-1.
Vic Ehle d. Ed Toppins 6-2, 4-6, 6-4.
Jack Dixon d. John Zaro 6-0, 6-0.
George Egling d. Bob Tompkins 2-6, 6-1, 6-3.
George Quetin d. Doug Venge 6-2, 6-1.
George Kifer d. Phil Povey 8-6, 4-6, 6-4.
DOUBLES
Harper-Dixon d. Dapello-Toppins, 6-4, 6-2.
Ehle-Egling d. Zaro-Thompkins, 6-3, 6-0.
Quetin-Kifer d. Venge-Povey 6-1, 7-5.

DTO Challenges

Delta Theta Omega, campus social fraternity, announced yesterday that they are challenging any social on-campus fraternity to a track meet. DTO won the last inter-fraternity meet held three years ago.

Tony Sunzeri Favored To Cop Pole Vault From Indians

REDSKIN RUNNER AFTER RECORD

Although meeting one of the strongest college track teams in the country today, Coach Tiny Hartranft's varsity track and field aggregation is not worried about the outcome. The Spartans will use the meet merely as a workout in preparation for the important conference clash with San Diego State at Spartan field Saturday afternoon.

The center of attention will be focused on Paul Moore, Stanford's ace distance man, who will be gunning for a new world's record in the 1320-yard run. Moore, who has been running the half mile and mile races in dual meets this year, will attempt to break the record of 2:59.5 up for acceptance by Sidney Wooderson, Great Britain's premier runner.
As there will be no mile run, Coach Hartranft will enter Vin Ruble, towering San Jose distance man, in the half mile only. Ruble, who coasted home in second place last Saturday behind Fresno's Bobby Madrid, will be preparing for the invasion of San Diego's middle distance performers Saturday.
Co-captain Tony Sunzeri is the San Jose hope for a first place against the Indian institution. Sunzeri's mark of 18 feet 8 inches set in the Long Beach Relays last month, is better than the efforts of Stanford's trio of bamboo artists. Sunzeri is consistent at 13 feet 6 inches and may go higher on the fine Stanford pit.
Ticky Vasconcellos and John Peek may grab one-two in the broad jump as Stanford's entries, Ray Brown, Thor Peterson, and Vic Chambers, have been inconsistent throughout the season. Vasconcellos is undefeated this year, while Peek was the nation's number one junior college broad jumper last year.
The Spartans will offer little competition to the Stanford squad in the majority of the other events.

Frosh Nine In Finale; Meet Salinas J. C.

Coach Larry Fiorini's freshman baseball team puts the finishing touches to one of the most successful frosh seasons on record tomorrow afternoon when they meet Salinas junior college in the Lettuce City.

The junior collegians are one of the two ball clubs who hold victories over the frosh. University of California's freshmen boast of the other win, scored in San Jose's first game of the year with very little previous practice. Since that game Fiorini's squad went on to win nine straight tilts, being halted only last week by Salinas. They accounted for their tenth victory Saturday, beating Hollister J.C.

For the final contest, Pete "Kha-ki" Filice, best of the hurlers, will probably draw the starting assign-

Student Store Has Checkered History

Ceased As 'True Co-op' When Taken Over By College Authorities

By JOHN BLAIR BEACH

San Jose State's student store, long known as the "Student Co-op", loses the title "co-operative" next year. This was the decision of the student council at a meeting held last week, after hearing the recommendations of an investigating committee headed by Verne Williams appointed by the council to probe into the affairs and history of the store. Other committee members were Royal Scott and Sidney Webb.

Until the year 1924, there was no student store. Textbooks were usually ordered by the various instructors for their classes, and resold to the students, although students also individually purchased books. This arrangement was not successful, and difficulties existed. In 1924 it was decided that a central agency for ordering books and other student supplies was needed to facilitate purchasing, and to eliminate the difficulties which existed under the old system. An all-college fund-raising campaign was started, and many activities, including a variety show, were staged. The variety show given in 1924 was the forerunner of Spartan Revelries.

The first student store was established as a co-operative venture in a small room in the Administration building, now used as the mimeograph room. Students were given checks for all purchases, and at the end of the school year, were given refund from accumulated profits according to the value of their certificates.

The co-operative system proved impractical. Student "graft" was prevalent. The co-op certificates were accumulated by a small portion of the student body, and at the end of the school year it was discovered that relatively few students held all of the certificates issued during the year. Student management proved inefficient. Within three years the co-op was \$7000 in debt. Its credit was stopped by the various book companies. The co-operative store reached stagnation. Instructors again ordered textbooks, and resold them to their students.

In 1927 the store was taken out of the hands of the student body, and became a part of administration functions, under Controller Neil Thomas. A policy determining board was established, with President T. W. MacQuarrie, Vice-President H. F. Minssen, and Neil Thomas as members. The store was moved to the location of the present Spartan Stag building in the rear quad. In 1937 it again moved to its present location in

Story Telling Club Will Meet Thursday Night

Members of the Story Telling club will meet Thursday in Room 122 at 8 o'clock to hear a recording of "The Elephant Child" by Rudyard Kipling, author, in addition to stories by three student story tellers.

This organization has recently been incorporated with the "National Story League" and offers many opportunities for those interested in promoting the art of story telling, announced Miss Celeste Slauson, in charge of the group.

This is the first meeting since the affiliation with the National Story Telling League and all prospective members wishing to join are invited to attend this meeting.

COUNCIL

(Continued from Page One)
izations, and students having books to sell would turn them over to this group sometime before the sale. Books not sold would be returned to their owners.

The other method, called the "UC-UCLA" plan, would be based on a buying and selling percentage basis, with profits accrued to be used to defer operating and insurance expenses.

Before any definite action will be taken, the Book Exchange committee of Scott, Fernando Togawa, and Roger Battie will meet with Councilman Bill Rodrick and Ham Hodgson, and Controller Neil Thomas to make a further analysis of the plans.

Social affairs committee for Spardi Gras dance decorations: Please meet at 12:30 today in the Student Union.
the basement of the new Student Union.

THREE INVESTIGATIONS
There have been three investigations of the student store since it was taken over by college authorities, the last one being just concluded. It was decided in all cases that "student co-operative" was a misnomer, because it ceased being a co-operative store when taken over by the administration.

DELTA SIGMA GAMMA WILL HOLD SMOKER

Second smoker of the pledge period of Delta Sigma Gamma, social fraternity, will be held at the Hotel De Anza tonight at 8 p.m., according to President Frank Holt.

Vern Williams and Richard Ormsby are co-chairmen of the affair. This will be the last smoker before the beginning of the pledging which will start next week.

Formerly called Yal Omed, the fraternity consists mainly of DeMolays and sons of Masonic parents, states Holt.

Neil Thomas To Speak At Open Forum

"M-Day Plans and American Civil Liberties" will be the topic on which Neil Thomas, controller, will speak at the Open Forum meeting tomorrow at 12 o'clock in the Little Theater.

According to the Open Forum chairman, Marie Tinkler, M-Day refers to the Mobilization Day Bill now up before Congress providing for mobilization of the army and the United States citizens in case the United States should enter the European war.

PHILOSOPHY STUDENTS ON KQW TONIGHT

Extending a topic presented two weeks ago, "More About The Simple Life", will be discussed on this evening's broadcast of the "Thinking Out Loud" program over KQW at 9:15.

Two weeks ago the topic was "The Simple Life on a Far Off Isle". The evening's broadcast will be along the lines of the former discussion, but will follow out the question as to what modern youth can do to resolve its problems without setting up an ideal society on a "far off isle".

Presenting the round-table discussion will be Elmo Robinson, associate professor of philosophy, and a number of students from his advanced classes.

NEWS IN BRIEF

LILLIAN BILLINGTON BACK FROM NEW YORK

Miss Lillian Billington, assistant professor of Education, has recently returned from a two quarter's leave of absence in New York where she has been working on a new book series titled, "Using Words".

These books are a new innovation in the field of spelling, as no books up to this time have used language in conjunction with spelling. They are used in the primary schools up through the eighth grade.

INDUSTRIAL ARTS CLUB MEETS FOR ELECTION

With the election of a new secretary the main order of business, the Industrial Arts club will meet today at 12:30 in the main lecture room of the Industrial Arts building, announces Tom Moore, president of the group.

Jack Lewis, the former treasurer, resigned to do his student teaching, leaving the vacancy.

The organization will also decide whether it is to have a concession on Spardi Gras Day, according to Moore.

ACCOUNTING SOCIETY MEETS TODAY AT 4:00

Alpha Eta Sigma, honorary accounting society, will hold a meeting today at 4 o'clock in Room 139, at which time candidates will be selected to take an examination for membership, according to Francis Pearson, president.

Pledging will start next Monday, Pearson states.

PHILOSOPHY OF LIFE CLASS HEARS DR. BARRY

Dr. Raymond Barry, head of the English department, will be the speaker at the meeting of the Philosophy of Life Discussion group which will be held this afternoon from 4 to 5 o'clock in Room 14. "Humor" will be the topic on which Dr. Barry will speak.

Everyone interested is welcome to attend the meeting and take part in the discussion, according to Agnes Rider and Bill Nitschke, co-chairmen.

APO MEETING AT 7:30 IN BOWLING ALLEY

Members of APO, college social fraternity, will assemble this evening at the San Jose Bowling Alley at 7:30 for an hour before attending their regular meeting later in the evening, said Sid Webb, president.

Pledges and members alike will meet at Doug Curry's place on Capitol avenue where a regular meeting will be held.

NOTICES

There will be an important meeting of the Advance Luncheon committee today in the Morris Dailey upstairs, 12:15 sharp. Would like to see B. Sakamoto, K. Okada, F. Ono and M. Kawakami.—T.O.

Will any student desiring daily round-trip transportation from Palo Alto to San Jose please notify Shirley Bawman through Box 'B' at the co-op or phone Palo Alto 23329 after 6 o'clock.

TRACKMEN MEET STANFORD TODAY

FRIENDLY ENEMY TRAINS

Todd Tossing For Olympic Club

By KEITH BIRLEM
 A familiar face with a foreign accent is that Cardinal clad javelin thrower working out daily with the Spartan harriers at the Seventh street oval.
 Lowell Todd, who brought the National Intercollegiate track championship home to Sparta in 1937, is now preparing to meet his former teammates as a representative of the Olympic club when the long-O tangles with the local javeliners next Tuesday.
 Victorious in the only two meets

this year, Todd, who is working for a credential at San Jose State college, tossed the spear out 207 feet against Stanford and 213 feet against the University of California and Washington State college in a triangular meet Saturday.
 Todd has hopes this year of vanquishing the Trojan javelin ace and national record holder, Bobby Peoples, when the two meet April 28. The former Spartan's best mark is 228 feet, made in Germany while barnstorming with the A.A.U. champions of 1938.

CO-ED TAKES TENNIS TITLE

Hooker defeated Estelle Winfield, Marin J.C., 3-6. Theresa Lemke and Dorothy Dahl, doubles team, was defeated by the Marin J. C. in the semi-finals, 4-6.
 Other schools participating in the playday were Mills College, San Mateo J.C., Marin J.C., San Francisco J.C., and San Francisco State.

San Francisco junior college, in the finals to win the women's singles title for San Jose college at the San Francisco tennis playday at the Palace Fine Arts last Saturday.
 Meryll Sheldon, second singles, defeated in the finals by Meryll

Spartan Daily

 SAN JOSE, CALIFORNIA, WEDNESDAY, APRIL 17, 1940

STATE TENNIS SQUAD WINS 31ST STRAIGHT AS U.S.F. IS BEATEN

The San Jose State varsity tennis team kept its four-year mark unblemished as consecutive victory number 31 was scored at the expense of the University of San Francisco squad, 9 to 0, on the Seventh street courts.

Lanky Ed Harper, playing in the number one singles spot vacated by the ineligible John Krysiak, continued his win streak by conquering Ed Dapello 6-0, 6-1. This is Harper's third consecutive victory since moving up from his second position.

Harper combined with Jack Dixon to keep their undefeated mark clean by whipping the U.S.F. duo of Dapello and Ed Toppins, 6-4, 6-2. Harper and Dixon are entered in the mid-state tennis tourney at Fresno this week-end.
 Vic Ehle, George Egling, and Captain George Kifer were forced to three sets by their Don opponents before winning.

Summary:
SINGLES
 San Jose man named first:
 Ed Harper d. Ed Dapello 6-0, 6-1.
 Vic Ehle d. Ed Toppins 6-2, 4-6, 6-4.
 Jack Dixon d. John Zaro 6-0, 6-0.
 George Egling d. Bob Tompkins 2-6, 6-1, 6-3.
 George Quetin d. Doug Venve 6-2, 6-1.
 George Kifer d. Phil Povey 8-6, 4-6, 6-4.

DOUBLES
 Harper-Dixon d. Dapello-Toppins, 6-4, 6-2.
 Ehle-Egling d. Zaro-Thompkins, 6-3, 6-0.
 Quetin-Kifer d. Venve-Povey 6-1, 7-5.
