San Jose State College

VOL. XXIX SAN JOSE, CALIFORNIA, WEDNESDAY, OCTOBER 2, 1940 Number 10

## DRAMA BOOKLET SALE ENDS TODAY; SIX PLAYS SCHEDULED FOR SEASON

Today is the last day to purchase season books for this season's six productions of the San Jose Players, campus dramatic group, announces Hugh Gillis, head of the Speech department.

A limited number of books are still on sale for the price of \$1 to students and \$2 to the general public. The books must be purchased in the Speech office, Room 159, before 5 o'clock today, says Mr. Gillis, who warns all who have reserved season books to call for them by the deadline or the books will be canceled.

The San Jose Players will open its twelfth annual season on October 24 and 25 with a production of Shakespeare's "Much Ado About Nothing," with Ellen Wylie, Barbara Bellah, Major West, and Clarence Cassell in the leading roles.

(Continued on Page Four)

## BOOK EXCHANGE SHOWS SAVINGS FOR STUDENTS

With the close of the first successful year, the Student Book Exchange brought in a total of \$176.00 net sales with a cost to students of 3 percent, committee heads announced yesterday.

By buying and selling through the Exchange, the students have saved \$38.00. Of the books placed in the Exchange, 68 percent have been sold. A fee of 5 cents on each sale was assessed to cover the cost of handling.

The non-profit system operated with such success that a room to store books for the next quarter has been promised, officials said. Books, however, will still be sold in the quad because of its central location.

The Student Book Exchange is sponsored by five campus service groups—Spartan Knights, Spartan Spears, YWCA, YMCA, and Alpha Phi Omega.

## JEAN SMULLEN ELECTED HEAD OF SOCIOLOGY CLUB

Sociology club officers for the coming year as elected at a business meeting recently will be: President, Jean Smullen; vice president, Stella Knapp; secretary, Pat Brethauer; treasurer, Clarice Smith.

Following the election, Claude Bettles and Milton Rendahl held an impromptu discussion of the purposes of a sociology club, inviting members to express their opinions on the subject.

It was decided that field trips to migrant camps, orphanages and similar places would be incorporated in the year's program.

## FORMER STUDENT INSTRUCTS FLYERS

Robert Burnett, former student, has been placed as an instructor at the Air Corps Advanced Flying school in Kelly field, Texas, was announced yesterday.

Burnett was a member of the flying club here, later training at Randolph Field, Glendale. He graduated from Kelly field in August. A First Lieutenant in the Army, Burnett expects to remain permanently at Kelly field.

## YWCA Profits By Post-Found Sale

Last week's three-day Lost and Found sale brought the college YWCA a grand total of \$42.34.

The organization wishes to thank all those students whose generosity in failing to claim their articles from the Information Office made this sale possible, says Irene Brown Harris.

## DAILY POSTS SERIES SCORE

Play ball!

With this cry, King Baseball will open the 1940 World Series today between the Detroit Tigers and the Cincinnati Reds from Detroit stadium.

The Spartan Daily will again carry a play-by-play account of the game from the South side of the Publications office beginning at 10:30 this morning.

The Daily will keep a running score of the game for those who have classes and the radio broadcast will continue throughout the week.

## C.A.B. TRAINING QUOTA OF 20 FILLED YESTERDAY

Quota of 20 students for the Civil Aeronautics Board training at San Jose State college was filled yesterday when Earl Conrad and Joseph C. Dixon passed the final physical examinations given by Dr. Charles Moore, flight physician. Eighteen students, including one co-ed, were accepted in the program Monday.

Russell Hill and Gordon Langston will instruct the controlled private flying course, a primary group.

A group of students will be chosen for the advanced division of the CAB in a few days, according to H. F. Minssen, Co-ordinator of civil pilot training here. Instruction will be given by Eddie Hawkins, San Jose airport manager and chief pilot, and Earle Bradford. Head of the ground school training is Frank F. Petersen.

Four Taylor Cubs and two Luscombe monoplanes will be used for flight instruction.

## English Department Adds Instructor

Newest addition to the English department teaching staff is Robert Orem, who will teach Composition A, 1A, and 2A, according to Dr. Raymond Barry, head of the department.

Mr. Orem was a teaching assistant in the department of Subject A for three years at the University of California, and an instructor in English during the past year at the University of Missouri, according to Dr. Barry.

## Students Await Appointments

William Helton Harper, former San Jose State college soccer captain, and Edward H. Morrison, junior commerce major from Oakdale, have passed the physical examination for entrance into the United States Army Medical corps, and are now candidates for appointments as flying cadets, according to Major Malcolm J. Buchanan, president of the traveling flying cadet examining board from San Francisco.

Certification of the two candidates for flight training is expected from Washington within the next 20 days.

## STUDENT COUNCIL SETS ORGANIZATION DINNER, SPARDI GRAS DATES

### Murdock Elected Vice-President; Book Exchange Made Permanent

BY VANCE PERRY

Proceeding with dispatch, the Student Council last night named the date for Spardi Gras and the Organization dinner, set machinery into operation to make the Book Exchange a permanent project, and elected Stan Murdock vice-president.

Date for Spardi Gras, annual spring carnival, was set for May 2, one day earlier than last year. Chairman of the festival and Revelries

Director will be appointed at a later date.

## New Students Honored At Cowboy Dance

Cowboy dancing is to be featured at the Freshman-transfer party to be held in Room 1 of the Home Economics building at 7:30 this evening.

This dance is an annual affair, sponsored by the college YW-YM in honor of all new students, both men and women. Betty Grass, social affairs chairman, says the dance is to serve as a mixer, giving new students a chance to get acquainted early in the quarter. Members of cowboy dancing classes, both past and future, are especially welcome.

## Yell King Covers 5,500 Miles In Support Of Team

There were four — but now there is one.

Tommy Taylor, Bill Magnus, Paul Arata, and Paul Hightower were four loyal State rooters who traveled to Montana in Magnus' car to cheer the varsity football team last week.

LOYAL

Taylor has continued his loyalty in following the team, and will have about 5,500 miles behind him after attending the Willamette game.

Taylor arrived home Wednesday morning and then set out again at 6 a.m. Friday on the train for Ogden, Utah, where he arrived Saturday, September 25, about noon. From there he took the train to Logan, and hiked a mile and a half to the hotel where State's varsity was staying.

THUMBED

After the Utah-State game Taylor went to Salt Lake City on the bus that took the team to planes waiting there, hoping there would be room for him to join the "Flying Spartans". However, there was no space, so Taylor thumbed it back to Ogden, where he just had time to catch the train for home.

"I don't intend to stop now," Taylor said. "I will take the train for Portland Thursday night to be on hand for the State-Willamette game Friday, October 4."

## Inter-Fraternity Officers Named

Frank Lavoie, president of Sigma Gamma Omega, campus social fraternity, was named president last night of the Inter-fraternity council. He will hold the office until February, according to Bob Payne, outgoing president.

Jim Meredith, DTO, was elected vice-president of the inter-fraternity council at a meeting of the group at the DTO house Monday night.

Bob Shipley, APO, has been installed as secretary and Reed Surber, DTO, is the new treasurer.

## "GRIPES" DINNER PLANNED

The annual Organization dinner, a function put on to allow campus groups to air their "gripes" without faculty supervision, is being planned for Wednesday, November 6. Grace Marie McGrady was appointed chairman of the affair, assisted by Gay Van Perre. Pony Swenson will handle publicity.

Stan Murdock was unanimously elected to fill the vice-presidential post left vacant when President Bob Payne moved up to the top spot.

## BOOK EXCHANGE REPORTS

Chairman Bruce McClelland of the Book Exchange committee reported that a gross business of \$181.63 was done by the exchange during the first quarter sale. Total cost of selling was under 3 percent of the selling price, according to the chairman.

Sixty-eight per cent of the 165 books handled were sold. McClelland estimated that the students were saved \$38, based on the selling price of other book stores.

The exchange was accepted by the council as a permanent project and McClelland was asked to submit a permanent plan of organization. At present two members each from the YWCA, YMCA, Spartan Spears, Spartan Knights, and Alpha Phi Omega form the committee.

Action on permanent student body cards was deferred for further investigation.

Last night marked the first meeting for the new members, Grace Marie McGrady and Pony Swenson.

## TROUTNER HEADS DEBATE TEAM

Leroy Troutner was elected president of the Spartan Senate, honorary debate team, at a meeting held recently at the home of Woodrow Semerau. Other officers chosen were George Hopper, vice-president, and Jeanne Crites, secretary-treasurer.

Plans for future meetings which will be held every two weeks were made by the group, and discussion of an advisor, who will be chosen at the next meeting, took place. Woodrow Semerau was selected to fill the position of debate manager for this year.

Members of the Spartan Senate are chosen from the group of students who do outstanding work on the debate team.

## JUNIORS MEET IN AUDITORIUM TODAY

Initial meeting of the junior class will be held today at 4:00 o'clock in the Morris Dailey auditorium, announces President Mert Crockett.

Election of officers and plans for the Junior prom, Junior-Senior mixer and class rings will be discussed, Crockett said.

All juniors and junior college transfers are urged to be present.

## First Line Of Defense . . .

This is National Newspaper week, observed by Americans as few other "national weeks" are. The theme, significant in the light of present world conditions, is: "The press is the first line of defense in the battle for the maintenance of democracy."

May the press, the American press particularly, always be in a position to defend democracy. We are the only remaining democracy in the world that enjoys freedom of the press. It is a freedom that we must guard with constant vigilance against censorship from within and treacherous propaganda from without.

Propaganda has become involuntarily a part of the newspaper field—and such a link has its justifications. In particularly every instance propaganda attempting to question the American Way has little foundation in truth. The newspaper industry, which has become the life-line of public opinion for 130,000,000 people, is inventing innumerable weapons with which to combat the factions in its own field that seek to cut off that flow of truth.

Freedom of the press forms a bulwark for keeping the right to say and to think freely in the hands of each individual and out of the group of the vicious minority. Newspapers can be justly praised for their endeavors in upholding that bulwark.

While we observe National Newspaper Week, let us observe as well the other factors that keep alive the American way of living.

—Bonanno.

## Table Of Contents

"DEAR Sears, Roebuck: Please send me a husband."

So, briefly, runs the content of a letter sent to the world-famous store by an optimistic customer who took too literally the slogan, "We provide anything."

This lady has plenty of silly letter-writing companions, all of whom are described in an unusual book added recently to the gold star collection in the library; "The Good Old Days", by David L. Cohn. Something unique in American history books is Cohn's work, which presents a summary of American morals and manners as seen through the Sears, Roebuck catalogue from 1905 to the present.

"Is the wasp waist coming back into fashion?" asks Mr. Cohn in a chapter dealing with corsets and feminine undergarments titled "That Which Her Slender Waist Confined."

No less a personage than Sinclair Lewis has written an introduction, a stirring, descriptive summing-up, with the same quality

of rare humor found in the rest of the book.

Simon & Schuster, New York, 1940; price \$3.75.

"Eee-ek!" screams the maiden as she sights a harmless garter snake in her path on her first Nature Study field trip. What a pity she hasn't studied "What

## VANCE PERRY

### Through The Perry-Scope

#### Willkie Vs. Roosevelt

During one of the most momentous years in history the presidential campaign finds itself, not in the usual top news spot, but sharing it with the crackling stories of the European war.

The world situation is a serious drawback to Willkie while it has the opposite effect on the campaign of the President. Willkie's major criticism of the New Deal lies not in the field of foreign affairs but in the handling of domestic problems. The policies of the two men parallel, in that both favor all aid to Britain short of war.

#### IS ROOSEVELT INDISPENSABLE?

While Roosevelt can make the claim that he is more experienced to ward off war and has a fuller knowledge of the situation. Willkie must overcome the tendency of the people to believe the President indispensable in the present crisis.

Mr. Roosevelt is without question one of the ablest statesmen of the times. But the United States of America is coming to a sad state of affairs when it can produce only one able statesman over a period of eight years. A country is in a state of decay when new and capable leaders do not appear from time to time.

#### FUNDAMENTAL DIFFERENCE

One of the fundamental differences between the political philosophies of the two men lies in their respective approaches to domestic problems. Roosevelt has created a feeling of self-pity among a large group of people. Willkie for his campaign speeches has stood for a "stand up and fight" type of Americanism, based upon productivity rather than subsidy.

"Snake Is That?" a new field guide now in the library.

## JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE

WE HAVE gotten a pretty good start. Out of the confusion, order has emerged, and we are off to another big year. Total number of people enrolled, regular and limited, stood at the close of business Saturday at 4204. That is 250 more than last year.

Interestingly, our freshman class is smaller. More have come from junior colleges, and more have returned from our own enrollment. The increase has been in the state college. The junior college is just about the same as it was last year.

May I say to the freshmen and all new students: If you see an old fellow wandering around the halls, saying "hello" to this person and that, you will make him feel much better if you say something in return. "Hello" or "good morning", or even "howdy" will do. Add a bit of a smile if you have one left.

I have had some wonderful smiles already. One little lady, dear me, I thought she was a high school youngster, but I took a chance and said, "hello". Her eyes, wonderful eyes, turned full upon me and her face lighted up with a rippling smile that has made me

smile whenever I think of Thanks, little lady, I hope you pull another one for me some day.

Have you been in the Health office yet? Old students should go in to see the improvements that have been made this summer. You won't know the place. It seems possible that so much could have been done with so little. The old rooms have been enlarged, transformed, painted, signed, wired. New telephone systems. Lights go on here and there as a step on this and that. A barrier has been put up for the control wanderers. New people and new equipment have been added. (The fluoroscope set us back about thousand dollars, but it has paid for itself already.)

Anyway, go in and see Twombly and her gang. Tell them you're in love, or something, that it is interfering with your school work. (A number of students who were disqualified last year blamed it on love.) I don't know what the health service is about it, but I am sure it is something heroic.

## SUBS EARN BERTH ON FROSH TEAM

A third string fullback and a second string center have been moved up to the first string to bolster the San Jose State freshman's starting eleven against Santa Rosa junior college Friday night.

### LUKE, COLCLOUGH

Earnest Luke, 185-pound fullback from Los Banos, who sat on the bench during most of the Salinas game, has earned himself a starting berth. Luke has been changed to left half, by Coach Fred Hamlow, and will replace Howard Sontag.

Del Colclough, a center, has been shifted to inside tackle and will team-up with Walt McKinney for the starting tackle positions. Colclough and Luke have shown plenty of ability in practice this week, states Hamlow, and will open the Santa Rosa game.

### Correction

Yesterday's Daily, through a misunderstanding, ran a story having the Frosh playing Modesto junior college Thursday night. The freshmen play Santa Rosa J. C. in Santa Rosa Friday night.

The Spartan yearlings were given blocking and tackling practice yesterday by Hamlow and Co. with a tough scrimmage scheduled for today.

### INJURIES

Vic Robinson and Vernon Cartwright have been sent to the sidelines with injuries, but both men will see some action Friday night.

At the present time quarterback trouble is still hampering Coach Hamlow. Cliff Francome and Knute Pedersen are the only two men without injuries available for the job. Hamlow indicated yesterday that he may move George Klinger at quarter from right half to help bolster the weakness.

## OUTLOOK DARK FOR SPARTAN SOCCER TEAM

Although little is known of the kind of competition they will face when they meet San Francisco State college's soccer team Saturday morning at 10 o'clock in San Francisco, Hovey McDonald, Fred Albright & Co. expect a stiff tussle in the season opener.

The Spartans have not had enough practice and are not in shape for a contest, according to Captain Albright. "There is no teamwork, and the outlook is dismal."

Frank Americh has been looking good in practice lately and will make a strong bid for the opening fullback berth, Albright said.

Coach McDonald's men will use a new type of Brazilian shoe in Saturday's match. They are much lighter and are longer than the English shoes formerly used. Players can run faster in these shoes and this may prove an important factor in the outcome of the contest.

## FROSH WATER POLOISTS SWAMP SEQUOIA 11-2; SNOW, GARCIA STAR

Led by the quick-sprinting Parker Snow, the freshman water polo squad last night dunked Sequoia High's swimmers 11-2.

With the half-time score 5-2, State held the Redwood City squad scoreless in the last half and passed another 6 points through Palms, the Sequoia goalie.

The official's book gave Snow a total of 3 goals for the evening;

Al Corcoran tied with another 3. Dave Garcia, in the forward spot, passed another point into the Sequoia cage, and Victor Hugo, playing back, scored two. Don Tompsen and Kahl, forward and back, shot two goals for the 11 score.

Al Kidder, and Harry Courter, top man in Sequoia's line-up for the evening, barely managed to squeeze one point apiece past State goalie Hussey, to score an inconsiderable two points.

Fast relay work between Snow and Corcoran highlighted the game, with Hugo's quick passes from either side of the pool touching off several scoring plays. This victory gives a promising start to the freshman chances for the season, according to members of the coaching staff.

## Water Poloists Prep For Farm Jr. PAA Meet

The Spartan varsity water polo team is practicing diligently this week in an effort to be at their best for the Junior PAA meet to be staged in the Stanford pool this Friday and Saturday, October 4 and 5. Five days after the PAA meet, the Spartans are scheduled to meet the strong Olympic club team in the local pool at 9:00 p.m.

The schedule, as released by Coach Charlie Walker includes a return game with the Olympics, also games with Stanford and California.

### VARSITY SCHEDULE

- Oct. 4-5—Jr. PAA at Stanford.
- Oct. 10—\*Olympic club at San Jose, 9 p.m.
- Oct. 16—Stanford at Stanford, 5 p.m.
- Oct. 18-19—Senior PAA at California.
- Oct. 24—S.F. YMCA at SFY.
- Oct. 31—Olympic club at S.F., 8:30 p.m.
- Nov. 1—\*S.F. YMCA at San Jose, 9 p.m.
- Nov. 6—Stanford at San Jose, 9 p.m.
- Nov. 19—Open.

## UNDERDOGS LEAD 'TOUCH' LEAGUE

Intra-mural touch football opened title play on the San Carlos turf yesterday noon with Mitchell's Underdogs going to the front by virtue of a 6 to 0 half-time lead over Teresi's Miracles.

In the other game of the noon period class, Raglin's Badgers and Konoshima's Mongooses are tied at half time, 12 to 12.

Final halves of the games will be played Thursday noon, commencing at 12:15.

The program, part of Walt McPherson's Tuesday and Thursday

Nov. 20—Open.  
\*Bay Cities Water Polo League games.

According to Coach Walker, two more practice games are being arranged for the near future, one with the Athens club, and one with the Oakland Athletic club.

## SPARTANS BRUSH UP ON FUNDAMENTALS FOR FRIDAY'S GAME

Coaches Ben Winkelman and "Pop" Warner took San Jose's Spartans over a fundamental drill scrimmage last night under the lights of Spartan stadium, hoping to assure themselves that the grid-ders will carry out their assignments to the letter Friday night against Willamette university.

sity team, 21 to 7, last week, will be at full strength for the Staters.

Led by their Little All-American guard, Joe Holland, Willamette will field a heavy line, averaging just slightly below the 200-pound mark. Their starting backfield will enter the game averaging 175 pounds to the man, according to information coming out of the Northwest.

Coach "Spec" Keene, entering his 15th year of coaching at Willamette, will field a big team, but at the same time it will be an inexperienced unit at several key spots.

Thirteen lettermen were lost by graduation, to the national guard, and by failure to return to school.

However, all is not dark for Keene. He has two sure bets in the backfield, Al Walden, 170-pound fullback, and George McGlenn, 175-pound halfback. Both these boys gave San Jose a bad time up North last year, when the Spartans won a tough 15 to 0 victory.

Walden is rated one of the coast's best punters, last year booting one 72 yards against the San Diego Marines.

Freshmen are eligible to compete at Willamette, and Keene has one of the most promising frosh rosters in the history of the college from which to draw plenty of reserve power.

Despite their losing several lettermen, the Bearcats are favorites to cop the Northwest conference this season, after losing it for the first time in seven consecutive years.

San Jose's encounter with Willamette on Friday night will not be broadcast over Radio Station KQW, according to information learned from the studio yesterday.

There was little heavy work during the evening drill, the last nocturnal one before the Spartans go under the lights of Multnomah Stadium, Portland, against the Bearcats of Salem. Game time is 8 o'clock.

Willamette, beaten by an exceptionally powerful Portland univer-

### NOTICES

noon touch football class, includes a double round-robin of play, with the two top teams meeting for the intra-mural championship at the end of the quarter.

## MEN OF MILITARY AGE ATTENTION!

Realizing that men of military age are naturally hesitant about buying clothing at this crucial time, McGowan and the Cromwell Tailors now offer a plan whereby these men can avoid "over-stocking" their civilian wardrobes.

In co-operation with national defense efforts, a NATIONAL DEFENDER'S MONEY-BACK CERTIFICATE will be used with each Cromwell suit or topcoat purchased between the present date and November 30, 1940.

In the event you are drafted or enter into the nation's armed forces between November 30 and January 1, 1941, this certificate will entitle you to the privilege of returning your purchase for full credit, regardless of wear, up until January 1, 1941.

You may buy your Cromwell suit or topcoat from MacGowan confident that you will not thereby incur needless expense.

# WAR CONTINUATION OF 1914 CONFLICT, SAYS DR. POYTRESS

The present war is merely a continuation of the world conflict which began in 1914, in the opinion of Dr. William Poytress, head of the Social Science department, who began a series of three lectures on the war today before his Behind the News class.

### PART TWO

"World War I never did end, and this war isn't World War II but World War I, part II," said Dr. Poytress.

"This period — 1914-1940 — is one period, represented by the collapse of capitalistic society. This society is in a state of decay and collapse. The Great War was a symptom of that and this war is the continuation of the decay."

In his first lecture of the series Dr. Poytress confined himself to the underlying and immediate causes of the present conflict.

The failure of the League to arbitrate two basic problems resulted in the ultimate breakup of the organization, according to the speaker.

### ECONOMICS

"Economics on the one hand and nationalism, as expressed by the sovereign state are the two fundamental problems which the League did not tackle. Private property and infringement of nationality can't be arbitrated. They are stumbling blocks to world

peace." Poytress claimed that Germany built up a magnificent industrial plant with money loaned by Americans. Payment of German reparations from 1925 to 1929 was made possible by American funds. A crisis in international finance came when the funds stopped.

"If Germany had not collapsed economically you would never have heard of 'Handsome Adolph,'" said Dr. Poytress, "but the economic situation and the whole international set-up made possible the coming of Nazi-ism."

### HITLER'S AIMS

Hitler's aims, as outlined by Dr. Poytress, are three:

1. To restore German equality,
2. To assume a dominant position on the continent,
3. To make Germany a world power.

The first two of these have already been fulfilled and Hitler is following his plan meticulously.

## YW Committee Holds Meeting

The first fall meeting of the Y. W. C. A. Social Service committee will be held Thursday at 7 p.m. at 443 South Eighth street. Jean Smullen, committee chairman, invites all women students interested in this type of work to attend.

Last year the committee collected clothing, conducted supervised recreation at a migrant auto camp and helped organize a Mexican women's club. Similar projects are planned for this year, according to Miss Smullen.

## FROSH INVITED TO K-P MEETING

Freshman students are especially invited to attend the meeting of all kindergarten-primary majors tomorrow in Room 1 of the Home Economics building at 4:00 o'clock.

Future plans for both social and business activities will be made.

Women will please sign on the notice posted on the bulletin board in front of the Morris Dailey auditorium.

## Beta Chi Sigma Plans Smoker

Beta Chi Sigma, on-campus social fraternity, will hold its first smoker of the quarter tonight at 8 p.m. at 1087 Carolyn avenue, according to Gordon Lunsford, publicity chairman.

Pledge Master Charles Culp will have charge of entertainment. Refreshments will be served.

OPPOSITE Y.W.C.A.

## NEIL O. THOMAS EXPECTS CALL FOR ARMY DUTY

Neil O. Thomas, controller of student affairs, expects to be called soon for a year's extended active duty, since he is a Captain of the Adjutant General's department in the United States army, it was learned yesterday.

Thomas has completed and passed his preliminary physical examination at Moffett field, and he could be ordered by the War department to any place in the Western hemisphere.

There are now about 14,800 reserve officers on duty, including 7 from San Jose, and these men will help train the conscripted forces. In some cases we will be assigned to National Guard units for war expansion, Thomas declared.

## C.S.T.A. MEETS TOMORROW AT 4

The California Student Teachers Association will hold its first meeting of the quarter tomorrow afternoon at 4 o'clock in Room 155.

Treasurer, Lois Swanson, in charge of the meeting, announced that election of officers will be held and all members are urged to attend.

### NOTICES

Want transportation to Santa Cruz on Tuesday and Thursdays leaving college at 5 p.m.; will pay regular bus fare, see John French (A26) Thursday 11 a.m. or 2 p.m.

Will all those who signed for the Botany club last quarter please sign again on the paper in the science building bulletin board. Also any person interested in plants is welcome to join the club. Mr. Jacobs, our forestry instructor, is the sponsor. Watch for further notice.

Anyone wanting passengers to Modesto on week-ends, to share expenses, please call Col. 1852.

The Kindergarten-Primary majors meeting will be held tomorrow instead of today as stated in yesterday's paper. The meeting will be held at 4 p.m. in Room 2 of the Home Economics building. Girls who plan to attend will please sign up on the notice posted on the bulletin board in front of the Morris Dailey.

Will all presidents of sororities and fraternities please look in their respective organization boxes in the co-op to receive notices concerning rally next Wednesday night. They must be read in meeting tonight. Thank you.

Will all organization reporters please come into the Publications office as soon as possible and leave a list of their officers and plans for the quarter, if they wish publicity in the Spartan Daily. This is our only means of securing information about organization activities. Drop information in the contribution box in the Publications office.

## 'PHOTO'? DID YOU HAVE YOUR IDENTIFICATION PICTURE TAKEN?

By BETTY FINLEY

Yes, we know just how you feel. We've been back too. Three times to be exact and we didn't enjoy it either. Where? To have your identification photo taken, of course.

Next time your registration booklet comes back stamped "Photo" just take it calmly and go pose. The trouble seems to lie in the fact that at least one picture in 10,000 is bound to get lost. And it just isn't anybody's fault.

## Tau Delts Plan Luncheon Friday Noon

Tau Delta Phi, men's honorary scholastic fraternity, will make plans for the admission of new members at their second luncheon meeting of the quarter Friday noon in the Tower.

Grand Magistrate Al Lindner announces that initial consideration of the neophytes will be held at this meeting, with nominations scheduled for the first night meeting of the quarter, Thursday, October 10.

The evening session will be preceded by a dinner in the Tower at 6 p.m. At that time, plans for informal and formal initiation of the pledges will be made, Lindner says.

He urges all Tau Delt members to take note of the list of those eligible for membership which will be posted on the Tau Delt bulletin board this week.

There will be a meeting of the Secretarial Majors club at 4 p.m. in Room 139 today. It is important that everyone be present.

Maybe you didn't know that 10,000 prints did have to be made. This year 1200 students were photographed and eight prints had to be made of each. Just add that up!

Two sets of prints go to the Student Body office, one to the Registrar, one to the Personnel, and one to the Health office; one set is divided between the Deans, one set between the Physical Education departments, and one to the Placement office.

### TROUBLE

It's really more trouble for the Photography department and the offices than it is for you. If just one picture is lost, then 16 people have to have their photos taken over again because 16 images are made on just one negative. Sixteen pictures mean 128 prints. Don't you feel abused? Save it for someone else.

### DON'T LOSE THEMSELVES

Photos don't have to lose themselves to cause all this trouble. If you wink or move, or if reflections leave your glassed-in eyes a blur, then you've ruined your own picture and 15 others too. Don't blame others until you know what the reasons are.

If you start feeling sorry for yourself when you have to go back a second or third time, just save your pity for George E. Stone, the photographer.

"No foolin'... it makes you feel refreshed"

## First Production October 24

(Continued from Page One) "Family Portrait," story of the Family of Christ, is the second drama to be presented this quarter and will be given in the Morris Dailey auditorium on December 5 and 6, according to Mr. Gillis.

Strindberg's tragedy, "The Father," will open the winter quarter's dramatic offerings, to be followed by a modern comedy, chosen by popular ballot among season book holders and the student body.

O'Neill's 6-hour trilogy, "Mourning Becomes Electra," will open the spring quarter. Tentatively set as the last production of the year is "The Inspector General," a modern comedy by Gogol.

Productions will be under the direction alternately of James Clancy and Hugh Gillis, with all sets designed by Wendell Johnson. Peter Mingrone will construct all settings and act as stage manager, according to Mr. Gillis.

## POLICE STUDENTS DINE IN JAIL

Sheriff William Emig will give members of the Police club a dinner at the county jail tonight at 8 o'clock. Miss Ila Minter, Police secretary announced yesterday.

Thirty-five members of the organization are expected to attend the affair which will be followed by a smoker and election of officers.

According to the secretary, regular jail fare will be offered. Members of the club who attended last year's dinner at the jail commented on the excellence of the food served there, says Miss Minter.

### NOTICE
