

## REGISTRATION DANCE TONIGHT

### STUDENTS MUST PETITION FOR HEAVY PROGRAM

Students whose programs include more than sixteen and a half units for the spring quarter must make a special petition for the additional units during registration today, according to Joe E. West, registrar.

Following a plan adopted last quarter to alleviate the problem of 18-unit courses, the registrar's office will require that a unit be dropped from individual programs for every five hours of outside work per week.

#### FIGURES LOWER

In spite of the fact that enrollment figures will be lower than those of last quarter, West expects a larger number than those who signed up at this time last year.

Students will get their registration books in room 1 of the Art building in the following groups, according to the initial of their last names:

E, F, G.....7:15S .....10:00  
H, I, J.....7:45T through Z.....  
K, L.....8:15 ..... 10:30  
M, N.....8:45A, B.....1:00  
O, P, Q, R.....9:15 Last Group.....3:00  
C, D.....2:00

Registration closes at 4:00 p.m. The last group includes students whose books were held out of their hour-group because of unpaid fines, fees, or late applications for admission.

#### STAMPS IMPORTANT

West stressed the importance of the stamp on the registration book. Those students whose books are stamped "Probation" should make a special effort to see either their advisers or dean in order to clear their status, he said.

Freshmen and all new students whose books are stamped "Photo" are requested to go to Room 112 in the Science building for Registration Instructions.

### Baton Twirling Class Offered Students

A class in Marching Band Technique is being offered to students this quarter, it was announced by the Music department recently.

With no pre-requisites, the class will meet in room M106 from 12 to 1 o'clock on Tuesdays and Thursdays. Two units are given for the course.

Students interested in drum major or majorette work are asked to consider the course and sign with Mr. Eagan of the music faculty. Doug Harville, head drum major of the marching band, will be the instructor.

### QUARTERLY STAG EVENT HELD IN MEN'S GYM, 9 P.M.

Sawdust sprinkled floors of the Men's gymnasium will be swept and replaced by spangles as lights dim at 9 o'clock tonight for the quarterly Registration Dance.

The "Reg" dance is the only stag event of the quarter for the entire student body, according to Peggy McDonald, newly-elected social affairs chairman. Dancing to sweet-swing melodies of Hal Moreno's 11-piece band will continue until 12 midnight. Two male vocalists are featured with the orchestra.

Students will be admitted free to the dance on presentation of their student body cards. Outsiders will be charged 25 cents and must be accompanied by a student, Miss McDonald said.

The affair is held the first day of each quarter to acquaint new students with each other and afford a get-together for old members.

Highlight of a 10 o'clock intermission will be entertainment scheduled by Harrett Mannina, former social affairs chairman. Performers include two junior high students Eugene Denton and Bernice Muzzio, playing accordion numbers.

Dance routines by Dorene Angelo and Valentino Mazurcca will be included on the program.

Artie Shaw arrangements for the clarinet will be rendered by Clyde Appleby. All the intermission numbers will be accompanied by Hal Moreno on the piano.

Patrons and patronesses include Dean of Women Helen Dimmick, Dean of Men Paul Pitman, Miss Dorothy Manchester, and Miss Elizabeth Cameron.

### Book Exchange Sells, Collects Texts Tomorrow

The student Book Exchange, service organization now in its third quarter of operation, will open for business tomorrow morning at 9 o'clock in front of the Morris Dailey auditorium.

Two separate booths will be in use, according to Bruce McClelland, manager. One will be used for the sale of books and the other will be for collection. Books will be accepted for sale until Thursday afternoon. Exchange members suggest that students bring in their books early to give more time for selling them.

Booths for the sale of texts will be open each day this week from 9 a.m. to 3 p.m. Money received for books and all unsold books will be returned next Monday at the booths.

Organizations which have three representatives each are YWCA, YMCA, Spartan Knights, Spartan Spears, and Alpha Phi Omega.

Members of the Exchange will have an important meeting in the Student Union tonight at 7:45, according to McClelland.

### Faculty Members Attend Meetings In Sacramento

President Dr. T. W. MacQuarrie, Miss Joyce Backus, head of the college library, and Dr. P. V. Peterson, Science department head, left yesterday afternoon to attend meetings in Sacramento.

Dr. MacQuarrie and the other state college heads will meet tomorrow morning with assembly committee on state colleges to discuss the assembly bill bringing Santa Barbara State college under the University of California.

The college president stated that this is probably a move to someday bring the rest of the state colleges under the state university. He expressed his belief that the education board and most of the state colleges were against such a move.

Miss Backus and Dr. MacQuarrie will also attend a meeting with the state architect to discuss furnishings for the new library.

Dr. Peterson and the college president will attend a discussion of entering agricultural courses on state college curriculums.

### SAN JOSE TAKES THIRD PLACE IN P.C.I. BOXING TOURNAMENT

BY OTTO TALLENT  
(Spartan Daily Sports Editor)

Bob Webber, flashy San Jose Stater, carved a niche for himself on the sports map at Sacramento Saturday night by annexing the Pacific Coast Intercollegiate 120-pound boxing championship, and thereby earned a trip to the nationals in Pennsylvania.

The Spartans came out third in the PCI tournament, making 14 points, behind Washington State college's 35 and California's 17. California Aggies were next with 11 points, Stanford 6, and University of San Francisco 3. Oregon State and UCLA failed to place.

Selected to go East with Webber and Coach De Witt Portal to represent the Spartans was Dick Miyagawa. They left by train yesterday for the national tourney, which will be held Thursday, Friday, and Saturday nights on the

(continued on page 7)

### LA TORRE FEES DUE TODAY, ONLY OPPORTUNITY

Today will be the only opportunity for students to pay for their copy of La Torre, college year-book, emphasizes Lois Silver, editor.

There will be a five-cent fee charged to students who have attended three consecutive college quarters; 55 cents for those who have been here two quarters; and \$1.05 for those attending one quarter. Anyone who has not attended any quarters this year may have a copy for \$1.50. There will be a five-cent mailing charge on all copies sent out.

The fees will be payable at special booths outside the Men's gymnasium.

Any students or faculty members who have not called for their proofs at the studio by today will have their pictures selected by the photographers, Miss Silver states.

### Freshman Debaters On Air Saturday

Members of the freshman debate team will take part in a radio program with University of Santa Clara Saturday, March 29, on station KROW at 2 o'clock, according to Natalie Ross, Debate manager.

Hubert Forsight and Henry Leland will discuss the negative side of the question, "Resolved, that the British blockade of neutrals is just".

### Spring Quarter To See New Election System Started

The spring quarter will see a new system of class elections, when under the direction of the student body council a general assembly for the purpose of nominating candidates will be held.

#### ELECTIONS MONDAY

According to Student Body President Bob Payne, the nomination assembly to name candidates for the respective class offices will be held Monday, March 31. Primary election will be held the following Wednesday. In case of tie votes or in the event that a candidate does not receive a simple majority of all the ballots cast for a particular office, a run-off election will be held on Friday.

The places where the individual classes will meet to hold their nomination meeting will be named sometime this week. Class presidents of the winter quarter are asked to get in touch with President Payne sometime today to help formulate plans for the assembly.

#### BOOTHS SET UP

Election booths will be set up (Continued on Page 2)

### Class Changes

P.E. 30P—Judo class. Police students only. Changed from 11 to 9 o'clock, Tuesday and Thursday.

Physiology 10C—MWF at 1 o'clock, 5 units instead of three.

### WOODWIND GROUP RETURNS AFTER FIVE-DAY CONCERT TOUR

San Jose State college's woodwind ensemble, under direction of Thomas E. Eagan, returned to San Jose State late Friday night after a five-day tour of northern California high schools and colleges.

The eleven-piece group played seven concerts in nine cities in the days.

Those who went were Thomas E. Eagan, director; Ina Mae Spink and Rosalie Woon, flutes; Melvin Egan and Edith Egan, oboes; James Adcock and Stanton Selby, clarinets; Corinne Gorham and Bernette Cupich, bassoons; John Draper and Ted Misenhimer, French horns; and Ralph Bredenburg, bass clarinet.

The itinerary included stops at Redwood, Gridley, Woodlands, Ukiah, Lakeport, Ukiah, Willets, Santa Rosa and Petaluma, with two concerts each played at Redwood and Woodlands. Most popular number in the repertoire was Handel oboe concerto played by Melvin Buflo, says the director.

"We had a blackout in Santa Rosa Friday," Eagan relates. "Right in the middle of Melvin's concerto, every light in the place went out. But we kept right on playing as if nothing had happened." There was a repeat performance of this episode later in the day at Petaluma also, he said.

"Prize disaster, though, happened Thursday afternoon," Eagan went on to say. "We lost all of our pictures we had taken on the trip when Ted Misenhimer's camera fell off the running board of Bredenburg's car. We still aren't sure we found all the pieces."

### Spring Festival

### QUARTER ACTIVITIES GET UNDER WAY THIS WEEK

#### Spardi Gras

Final decision on the dates selected for concession sign-ups for Spardi Gras, spring carnival, will be made at a meeting Thursday night, announces Reed Surber, Spardi Gras chairman.

The meeting will be held at 7:30 o'clock in the Student Union. Two representatives from each organization on-campus and the carnival committee will be present.

Tentative sign-up dates are Wednesday of next week for food concessions and Friday for game concessions.

Plans for new contests are rapidly getting under way, according to Surber. Arrangements are being made to have a "big foot" contest for men students in contrast with the "Cinderella" contest for women.

Spardi Gras has been scheduled for May 2 this quarter and will last from noon to 5 o'clock. It will be climaxed with a dinner on the lawn in the rear quad.

Prizes will be awarded as usual for individual and group costumes during the course of the day's activities and students who fail to appear in costume will be properly punished, Surber advises.

#### Revelries

Casting for Revelries, annual student production, will begin this week, announced Harrett Mannina, publicity chairman, Friday.

Selection of a chorus, including student singers, dancers, and musicians will be made, and those interested in trying out are asked to see Jack Stewart, Harvey Brooks, or Mannina as soon as possible. Specific qualifications will be required for all women students applying for chorus.

A new and different show with lighting effects contrasting scenery and a program illustrating high showmanship will give this year's production a professional rating, Mannina stated.

"Past, Present, and Future", title of the student written show, will be presented two nights, May 1 and 2 in the Morris Dailey, it was announced. Following the second performance, a student body dance will be held in the Men's gymnasium. A band for the dance will be named later.

Students interested in assisting on publicity for Revelries are asked to meet with the committee in the Student Union Wednesday at 12:30.

# RAPID MOVEMENT, HUMAN CHARACTERS GOALS OF DIRECTOR OF 'HAMLET'

### Unusual Number Of Costumes Designed

By IRENE MELTON

Speeding up of scene movement and humanizing of characters are the two major objectives of Director Hugh Gillis in his production of "Hamlet", to be presented in the Little Theater April 23, 24, 25 and 26.

"We are striving for a rapid fluidity of action, more than we've ever had before in our dramas," Director Gillis points out. This will be accomplished by elimination of complicated set changes and house lighting, he emphasizes.

The second goal, making the people in the play alive, will necessitate changing interpretation of many of the well-known and stereotyped speeches in the Shakespearean tragedy, according to Gillis.

Part of the famous "to be or not to be" soliloquy will be read by Hamlet, since the Avon bard originally borrowed the speech from a Latin writer, the director states.

Another drastic change will be evident in the characterization of Polonius, played by Lawrence Mendenhall of the speech faculty.

#### OLONIUS FUNNY

"Polonius is a funny dignified old man," Gillis points out, "one who is all wrapped up in big words and who occasionally makes a nuisance of himself."

The final scene with Fortinbras which is customarily cut in amateur and professional productions will not be omitted in this presentation, says the director. This, however, will not appear as a separate scene but will be blended into the action of the play's ending.

Costumes for the production have been designed and fitted, with a revolutionary change in the number of outfits noticeable.

#### INCREASE IN COSTUMES

There is not much costume change usually in amateur productions of "Hamlet", Gillis admits, but the local campus offering includes a startling increase in the various dress worn by the characters.

"We have tried to set up a time sequence in our production," he explains, "and this obvious time elapse makes necessary more frequent changes of costume."

Under the system employed for this production, two weeks elapse between the first and second acts; while four months pass before the second and third acts. Establishment of this sequence calls for dress in keeping with the scene of the play.

#### FOUR CHANGES

Barbara Trelease, who portrays the queen, has four costume changes, ranging from the cloth of gold gown in the formal court scenes to the red velvet dressing robe she wears in the famous boidour scene.

The queen's funeral costume,

black velvet with gold applique, and the royal "house dress" of moss green complete the queen's wardrobe.

The dressing robe is copied from an authentic sketch discovered in the library at Berkeley.

#### NEW SETTING

An entirely new setting, that of Polonius's house, will be used in the production, according to Gillis. This scene, never used in professional performances, aids in establishing the family relations of Polonius, Laertes, and Ophelia, he points out.

Ray Irwin, speech instructor, portrays Laertes in the forthcoming production.

### Spartan Debaters Attend Congress

Two Spartans, George Hopper and Ronald Maaf, will attend the Pi Kappa Delta, national debate fraternity congress at College of the Pacific, Friday and Saturday.

Debate teams from colleges and universities along the West coast will attend the congress. Debate discussions and impromptu speaking will make up the program.

The question selected for debate is, "Resolved, that the nations of the Western Hemisphere should form a permanent military alliance or union against foreign aggression."

#### NOTICES

Students interested in assisting on publicity for Revelries are asked to meet with the committee in the Student Union Wednesday at 12:30.

**HEALD COLLEGE** TO NOTE NAME SAN JOSE COL. 1340

**INDIVIDUAL INSTRUCTION** You may begin at any time and advance as rapidly as your own ability will permit. Write for catalog. C. A. Phillips, Director.

### ATTENTION!!!

He's in the Army now! Frank Carroll, former Spartan varsity basketball captain and present graduate manager, has been called to serve in Uncle Sam's Army for the next year. Carroll, whose number was called in the last quota, has passed his physical examination and will report for active duty on April 1st.

#### NOTICE

### New Course On War Offered

A new course in "Economics of Defense and War" is being offered this quarter by the Social Science department, announces Dr. William Poytress, who will teach the course.

Lectures will deal with economic problems of prices, labor and shortage of raw materials, as complicated by an extensive defense program or by warfare.

Dr. Poytress has been conducting research on this phase of economics for the American Association of University Women, and will supplement his findings with material from "Economics of War" by Horst Menderhauser.

### New Elections

(Continued from Page One)

in front of the Morris Dalley auditorium and the voting will continue from 9 until 5 o'clock on election day.

Tabulation of ballots will be made by an election board and the results will be published in the Spartan Daily the following day.

uation last quarter, will they please do so right away. Please see Miss Palmer in the Registrar's office during the first week of the spring quarter.

# Phelan Contest Deadline Tomorrow At 5 P.M.

## CONTRIBUTIONS ACCEPTED IN SIX DIVISIONS

Entries for the annual Phelan literary contest must be in the English department office, H28, by 5 o'clock tomorrow, according to Dr. Raymond Barry, department head.

Contributions will be accepted in the following divisions: Sonnet, prose, and free verse, essay, short story and play.

Entries must be typed in double space with the full title placed at the top of the first page and an abbreviation of this title placed in the upper left-hand corner of each succeeding page. Each should be numbered.

The writer's name must not appear anywhere on the manuscript, but should be typed on a cover together with the title, and the division into which it is to be entered, for identification of each contribution.

Plays should be entered in a form suitable for publication, with the title in capital letters, with the stage directions underlined, and the names of the characters underlined twice. The contributions should be carefully punctuated.

The contest is open to all students who wish to participate.

## EMPLOYEES OF CAFETERIA IN CAMPAIGN

"What foods these morsels be," is the slogan typifying sentiment of student employees of the college cafeteria who are sponsoring a campaign to acquaint other students with the cafeteria.

Students who are enthusiastic about tasty and economical meals feel that the student who doesn't eat there is cheating himself, states Miss Eleanor Darr, chairman of the campaign.

The cafeteria is one of the most convenient places for students to eat, and serves well-balanced meals for an average of 22 cents apiece, according to Miss Darr.

"People may not be starving to death, yet may be improperly nourished," continues Miss Darr. "They may have bad food habits such as not eating regularly or they may think a doughnut, or a meal and a cup of coffee constitutes a breakfast. The cafeteria serves breakfasts as well as lunches and dinner," she adds.

Students working on the campaign are Sanford Grover, Jane Desmond, John Draper, Leonard Knutham, Charles Thayer, and Barbara Knudsen.

## French Society Elects Officers

Barbara Jean Wallace was elected president of the Iota Delta Phi, French society, at the last meeting of the winter quarter. Miss Wallace is a senior French major and this will be her second term as president.

Other officers elected were: Roger Frelter, vice-president; Grace Hines, secretary; Barbara Fulton, treasurer; and Margaret Moore, historian-reporter.

Installation of new officers will take place at the first meeting of this quarter.

**ARTISTS' MATERIALS**  
SAN JOSE PAINT & WALLPAPER CO.

## DANCE CLASSES GIVEN STUDENTS THIS QUARTER

Two dance classes are open to both men and women students this quarter, Physical Education department heads announce.

A class in American Country dance is taught by Mrs. Sarah Wilson and Dee Portal, boxing coach. This class started last year, is recommended by Portal to keep boxers in condition. Class sessions are held on Monday nights in the Women's gymnasium from 7 until 9 o'clock. The course covers the era from the Civil War up to the present time.

The dance composition class (P. E. 28C) has a pre-requisite of at least two quarters of modern dance or its equivalent, and permission from instructor. Miss Marjorie Lucas is the instructor. Classes will be held at 3 o'clock on Tuesday and Thursdays.

### NOTICE

Delta Phi Upsilon: Formal initiation tomorrow, 7:30, at Miss De Vores.

## Frosh Honored Tomorrow At Dance In Gym

Entering freshmen will be honored at a dance tomorrow afternoon from 4 to 6 o'clock in the Women's gym, according to Allan Isaksen, frosh class president.

The dance, sponsored by the social affairs committee, is under the direction of the class of '44. The purpose of the dance-party is to establish friendly relations among all first-year students and acquaint the new members with the college curriculum, Isaksen says.

Clyde Appleby's 12-piece "sweet-er than swing" orchestra will play for the event. The band will feature speciality numbers and a male vocalist.

Refreshments will be served to students attending the affair.

First-year students will be admitted free. All are urged to attend, Isaksen stresses.

### Staff Members

Spartan Daily staff members will meet Wednesday in room 17 at 1 o'clock sharp.—Healey.

## HANK MARTEN TO PLAY FOR SOPHOMORE HOP

Hank Marten and his 13-piece sweet-swing orchestra has been selected to play for the informal Sophomore Hop Friday, April 4, announced class officials. The band, popular at university and college fraternity and sorority dances will feature a male vocalist to be named later.

"USS '43" is the theme of the affair which will be held at the Scottish Rite Temple, located on

North Third street. Decorations will be in a nautical fashion. Marcelle Smith and Betty Wisner are in charge.

Bids for the dance may be purchased during the middle of the week for \$1.10 in the Controller's office or from sophomore students.

Ed Smithey is general chairman of the annual hop. Patrons and patronesses will be announced later.

## N.Y.A. EXPLAINED TO MEN WEDNESDAY

All men on NYA or hoping for NYA work this quarter will be required to attend a meeting Wednesday at 12:15 in the Morris Dailey auditorium, at which NYA regulations and requirements will be explained and clarified, announces Dean of Men Paul M. Pitman.

Further applications are being accepted from both new and old men students, but those having applications in now will be given preference, Dean Pitman says.

## A Stich In Time . . .

Today marks the beginning of the end for some hundreds of students. To a good many it will be the end of the beginning.

One to three year students registering today will do so with a light heart, with always in mind that there will follow another year.

Most seniors realize that today will be the last time that such a procedure will be attempted. It is the start of the last lap, but it will undoubtedly be the most enjoyable one of the four years spent in college.

The spring quarter puts a halt to the lassitude of the winter quarter. Student activity increases, and true college spirit prevails. Spardi Gras and Revelries blossom forth to the enjoyment of all students; while seniors and juniors have their hey-day with Sneak Week rivalry. Seniors climax their college careers with graduation and the

greatest social event of the year, the Senior Ball.

With all these major and minor social functions there is a great temptation and tendency to seniors as well as freshmen to let studies slide. This seems to be the greatest downfall of the spring quarter. It must be remembered that you seniors are jeopardizing your chances of graduating; while the other classmates are not being fair to themselves in harming their present status.

Just a little judgment and common sense will make this quarter more enjoyable. Judgment in spending your time more sensibly and advantageously.

It will make a much more profitable and enjoyable spring quarter if you plan it at the beginning and not wait until the end of the quarter when it is too late to rectify your mistake.

Editorials and features appearing in the Spartan Daily reflect the viewpoint of the writer and make no claim to represent student opinion, nor are they necessarily expressive of the Daily's own policy. Unsigned editorials are by the editor.

## Clothes Line

By BETTIE MOODY

Groundhog day has come and gone, and the sun shines (we hope), and minds of studious coeds turn to thoughts of CLOTHES.

The older women will go in a big way for those new Tahiti prints . . . we saw one downtown in dusty pink celanese jersey, with big, tremendous, huge white daisies . . . or whatever it is they grow in Tahiti. It was in a semi-tailored

shirtwaist dress, and we'd like it in a sarong-draped swimming suit, too.

Rivals of the Tahiti prints are new Hawaiian prints—tropical fishes, vari-coloured flower prints, and bigger and brighter paisley patterns. These, by the way, are visible in hats and bags.

Perfect with these are the perennial white and colored sandals . . . or the fabric "play shoes" that

every shop in town is showing.

Cute gadget number one: a little lapel pin, silver in metal (dull), heart-shaped in design. It possesses

two smaller hearts in one corner, each to be engraved with a pair of initials.

## Just Among Ourselves

Welcome once more—and now for the last lap.

We are having a truly wonderful year. I don't know whether the war has made us more serious, or whether we are merely settling into our own stride, but a great many of us have done better than usual this past quarter. We have been delighted with the success of a number in whom we had almost despaired.

In the Army they have a command which does not appear in the I.D.R. (Infantry Drill Regulations) but which is very often used, and to good effect—"Steady!"

No matter how good the company, the time comes occasionally when it does not do so well. That is particularly true in a large outfit. Someone begins to waver, the men around him try to adjust. When one changes pace the others change, but always a moment late, and the line begins to "whip". It is then that the captain commands "Steady!" At the word, every man sets himself, gets on the beat, and soon the company is swinging along, a unit once more.

So the command for this last quarter might well be "Steady!"—steady, sensible planning, steady work, steady, reasonable adjustments. We still have an opportunity to turn in a good year, a year to which we can look back with pleasure and satisfaction. A good many of us are on the ragged edge, but a real effort now beyond what is ordinarily comfortable will still bring success.

Welcome, and good luck.

### TICKET SALE FOR EXTRAVAGANZA BEGINS TODAY

Tickets go on sale today for the "Isle of the Pacific", eighth annual extravaganza presented by the Women's Swimming club, scheduled for a three-night run on April 16, 17, and 18.

A booth will be set up at the entrance of the Men's gymnasium today for the tickets priced at 10 cents, according to June Bennett, in charge of the sale.

Sixty-five women will participate in the show which features swimming, diving, surf-boarding, and dancing. Every member of the cast will take part in at least two different activities.

Theme of the production centers about a native religious festival common to islands south of the equator, according to Gail Tucker, adviser for the club.

The festival takes place after long, dismal months of torrential rains, when the natives drive out storm devils named "Thunder", "Rain", and "Wind".

"Nyepi", or the day of silence, occurs when the weather is calm, and all natives quietly await the golden sun. This is followed by the bringing of gifts for purification, and next is the native's joyous celebration of spring.

"Since the theme concerns a religious festival," Miss Tucker explains, "we hope to keep that simple and beautiful quality. It is no sense to be a glorified hula or glamour girl show."

Last quarter was spent in developing stroke form and endurance. Much practice was also spent in adapting individual strokes to swimming rhythmically in a large group, she said.

The swimming club is open to any woman attending college and is sponsored by the Associated Women's Activities. Norma Ofstedt is club president and general manager of the production.

Starting tomorrow, tickets may be purchased from members of the swimming club, women's physical education office, or Controller's office.

### Hubbell Marries State Co-ed In Reno Ceremony

Dick Hubbell, former Spartan grid star, and Lorna Davenport were married in Reno, March 15.

The newly-weds left for Honolulu Thursday, March 20, aboard the Lurlaine, where they will make their home. Hubbell is expecting an appointment to the police force here. The Spartan athlete was a police major here, receiving his

### RANCHO HACIENDA SITE OF A. P. O. DANCE

Rancho Hacienda will be the setting for Alpha Pi Omega's seventh "Full Moon" dance on April 12, announces Sid Webb, chairman for the social fraternity's annual affair.

The club house, originally the estate of Phoebe Hearst, has been converted to the Castlewood Country club. It is situated 25 miles north of San Jose near Pleasanton on the Dublin-Sunol road.

Landscaping around the grounds and buildings was designed by the late Luther Burbank, well-known experimenter in the field of plant growth.

This affair will also be part of the fraternity's celebration for the

main anniversary of its founding. Many alumni are expected to attend the dance, as they are planning a reunion the same week-end.

A theme song, "Full Moon", written by Bert Beede, former member, will make its second appearance. The song was composed last year with plans to make it a regular feature of the dance.

An orchestra has not yet been chosen, according to Webb, but a decision will be made next week.

Preparations for the sale of bids are completed, and the ducats will go on sale soon. Oliver Upton is in charge of bid arrangements.

Patrons and patronesses will be announced later, declares Ken Nosler, president of the group.

### STUDENT TICKETS ON SALE FOR CONCERT SERIES

Student tickets go on sale today at the Music department's registration table in the gymnasium for a series of five concerts to be presented by the Pro-Arte String Quartet in the Morris Dailey auditorium on April 10, 15, 22, 25, and May 6.

Season tickets for students are two dollars, with tickets for single concerts at seventy-five cents. Fifteen hundred dollars of the \$2500

paid to the Pro-Arte group is being donated by Mrs. Elizabeth Sprague Coolidge, patron of chamber music, with the remaining \$1000 to be raised from sale of tickets.

Described as one of the finest string quartets in the United States by Adolph Otterstein, Music department head, the Pro-Arte ensemble includes Antonio Brosa and Laurent Halleux, violinists; Ger-

main Prevost, violist; and C. Warwick Evans, violoncellist. "This group is recognized by music authorities all over the world," Otterstein says.

The program will include works of Mozart, Haydn, Schubert, Brahms, Debussy, and other familiar composers of chamber music, with the entire program of April 22 devoted to Beethoven compositions.

degree last quarter. He was a member of the varsity football team for two years and participated in other fields of athletics.

The bride, a sophomore, was majoring in G. E. working for a teaching credential. She was a member of the Spartan Spears. Born in Hawaii, Mrs. Hubbell is the daughter of William Davenport of this city, and sister of William Davenport, Jr., who was also a police student here, now guard at the government camp in San Luis Obispo.

### Working Students

All men students who wish to register for part-time employment are requested to fill out program cards at the Appointment office, according to Miss Doris Barbarez, secretary.

Also requested to leave program cards are men and women students seeking part-time or full-time business jobs, teaching positions, and camp jobs.

### NOTICE

Extravaganza notice: Be sure to read the notice regarding tonight's practice times for various groups, which is posted on the dressing room door. Please be prompt. Do not bring any visitors with you. —Gail Tucker.

## Hartranft Faces Rebuilding Job In Getting Trackmen Prepared For 1941 Season

### Varsity Meets Freshman Team Tomorrow At Spartan Field

Coach Glen (Tiny) Hartranft will get an inkling of what to expect from his tracksters when the freshmen encounter the varsity tomorrow afternoon at 4 o'clock on Spartan field.

Hartranft has no idea what to expect from his proteges as returning veterans are few and far between. He faces the problem of replacing such stars as Co-captains Tony Sunzeri and "Ticky" Vasconcellos, Vin Ruble, and Don Presley.

### San Diego State Captures Crown In Tourney Play

Two cripples and a whirlwind finish brought San Diego State the championship of the national intercollegiate basketball tournament when they turned on the heat to down Murray (Ky.) Teachers 36-34.

The Aztecs, co-champions along with San Jose State in the CCAA league, managed to win the tournament after having reached the finals in the previous two years only to be runners up.

Along with the title, came individual awards—Santa Barbara State's Tom Guerrero was named all-intercollegiate forward, and Kenneth Hale and Milton Phelps, from San Diego, were named all-tournament guards on the first five.

On the second unit were placed Dick Mitchell, from San Diego, at forward, and Harry Hodgetts, also from San Diego, at the guard spot.

Big Andy Echle, a bruise on his head, his back creaking with pain

### Managers Wanted

All new students wishing to become football managers next fall please sign up with Coach Ben Winkelman today for spring practice. You will receive a half unit and a regular grade for the six weeks work. —"Scrappy" Squatrito, Sr. Mgr.

Rain has kept the Spartans from getting much practice, but a handful turned out last week, and Tiny received word from others that went home for the vacation that they have been getting into shape.

### FORM NUCLEUS

Forming the nucleus for San Jose's varsity will be Capt. Jim Kerr, who will be back running the 440; John Sidell, quarter miler; Dave Siemon and Creighton Groeling, low hurdles; and Wayne Rose, high hurdles. No veterans are returning in any of the field events.

Hopes for a successful season will rest on the ability of transfers. John Eikenberg, Pasadena product, has done 1:58 in the half mile and should be a point gainer for the locals.

Big things are expected of Al Ornelas, transfer from Los Angeles City college, in the mile run. Johnny Dierker of Sacramento is capable of doing 200 feet in the javelin and will bear watching in that event.

### REPLACEMENTS

Gil Wheat and Lawrence O'Connor will take care of the shot and discuss events. Roger Romines of Salinas will try to replace Vasconcellos in the high jump. Larry Schneider and Benny Robinson, also of Salinas, will attempt to better Sunzeri's mark in the pole vault.

The Spartans will meet California Poly here Saturday.

and his right hand in a bandage cast, and Milt Phelps, his left leg in bandages from ankle to thigh and another patch on his right arm, combined to give the scrappy Aztec quintet the coveted title.

227-233 SOUTH FIRST STREET

## RETURNS FROM SOUTH

Walt McPherson, young Spartan mentor whose basketball team tied for the CCAA crown, has returned to Washington Square with his baseball squad after a week's sojourn in southern California.

### Tennis Squad Plays Host To Broncos, Dons

#### Meets S.F. State Outfit Friday

San Jose State's varsity tennis team will play host to the University of San Francisco and Santa Clara tennis squads when it battles the Dons tomorrow and the Bronco aggregation Thursday of this week. Friday Coach T. Erwin Blesh and his squad will trek to San Francisco to meet Dan Farmer's San Francisco State unit.

Smarting under a 9-0 defeat handed them by the San Francisco State team, the Dons will seek to hit the win trail by upsetting the Spartan racqueteers. Feature match of the day will pit Keith Bridwell of the Dons against Ronald Edwards of State.

Friday's tilt with the Gaters from SF State will be a crucial one for the Spartan squad. Farmer's team is considered to be one of the top notch tennis outfits in the bay area. When the two teams meet, Ronald Edwards and Harold Wagner will renew their feud for supremacy.

Coach Blesh hopes to strengthen his squad with the presence of Menno Siebert, who has been kept from the courts by basketball, but who is expected to be near top form after a few practice sessions.

At present, the ranking finds Ronald Edwards, number one; Vic

### Matmen Annex Fourth Place In PAAU Meet

Coach Sam Della Maggiora's injury-ridden wrestling team wound up in fourth place at the Senior PAAU tournament last week in San Francisco, as the Spartans could muster only three uninjured men to compete. The Olympic club won the team title.

Ivan Olsen, current Far Western titleholder, won his second major title this season in the 134-pound class. Olsen has been undefeated this year, and was the only Spartan to capture an individual title in this meet.

Carl Kuhl, heavyweight, won third place, and Dave Kawamoto at 145 pounds won fourth. Davey Hines, the other Spartan Far Western champion, failed to enter because of an old injury.

Freddie Albright, former college wrestler, and captain of the 1940 championship soccer team, now competing unattached, won third place in the 134-pound class. Albright is Far Western champion at 128 pounds.

### NOTICE

All DTOs please meet today at noon sharp upstairs in the Student Union. Important!—Bob Payne.

Morton, number two; Nat Morton, number three; and George Quetin, number four; Ted Andrews, number five; and Jim Thorne, number six.

### WINKELMAN-WARNER MACHINE MAKES DEBUT ON APRIL FOOL'S DAY

Spartans Add San Diego Marines  
To Schedule; Seek Two More Games

By SAUL SIMON

So you think that you have a good reason to cry, eh? Well, move over, all you bawl babies, and make room for a man who has a right to shed more than the proverbial crocodile tears. He's head football Coach Ben Winkelman who these days is just about as happy as a not-so-snug bug in a not-so-good rug.

For spring bids football and football bids trouble and trouble bids Winkelman, who in turn bids two no trump. Comes April Fool's Day and the head professor of pigskin here at State will start the ball rolling with the spring football grind.

#### NO FOOLING

"It may be April Fool's Day," stated the wily mentor, "but when I say we start practice, I'm not fooling."

At the present time, Mr. Winkelman's most persistent rival appears to be Uncle Sam, who just won't take no for an answer.

Assisting the head coach will be Glenn Scobey Warner, better known to gridiron audiences everywhere as "Pop" Warner. Warner will serve in the capacity of advisory coach to the head mentor.

Both games scheduled with St. Mary's and U.S.F. are off, but Winkelman admits that he has several irons in the fire in hopes of getting the Spartan eleven on a name team's schedule. Definitely on, however, is the game with the University of Hawaii on December 13.

#### MARINES ON SCHEDULE

San Diego Marines have been added to the Spartan schedule and the game is slated for November 20, with the place still undecided. Two more dates are open.

For the most part, the opening days of spring practice will find the aspiring Spartans working out to condition themselves for what is to come. Afternoon practice will be the fad until later on, and then Winkelman expects to schedule a few night practices.

Several of the names that made history on the gridiron last season are expected to be missing from the sign-up, but then Coach Winkelman anticipates several junior college transfers to ease the burden.

Most prominent of the JC transfers at present appears to be Charles Cook, a recruit from Compton JC, who comes highly recommended and is expected to be a strong candidate for the center position.

#### NATIONAL RULES

Speaking on the recent changes that were placed in effect by the National Rules body, Winkelman emphasized the fact that the rules would evoke no particular changes in the game.

"However," he said, "I expect that the unlimited substitution rule will aid the smaller schools to a great degree."

The problem of replacing "Truck" Tornell and Dick Hubbell at the fullback slots suffered a temporary relapse when Coach Winkelman was informed that Fred Lindsey was occupying an outfield berth on Walt McPherson's baseball team and wasn't sure of reporting to spring sessions.

As a parting shot, the mentor explained that any new material would be welcome to try out for the squad.

### Baseballers Dumped

## Spartan Nine Wins Only One Tilt On Southern Trip

Five losses and one win was the record chalked up by the varsity baseball team during its spring vacation sojourn to the southland in which it played six games in six days.

Four of the losses were to conference opponents and just about put the Spartans out of the running for the CCAA title.

Scores of the invasion:

San Jose 0, San Diego Marines 4  
San Jose 3, San Diego State 5  
San Jose 3, San Diego State 7  
San Jose 10, San Diego Marines 9  
San Jose 4, Santa Barbara 5  
(13 innings)  
San Jose 3, Santa Barbara 4

The lone Spartan victory was won the hard way, over the Marines. Trailing 8 to 1 in the fourth inning, San Jose put on a powerful batting show to nip the Marines, 10 to 9.

#### SPARTANS LEAD

In the second San Diego State game and in each of the Santa Barbara games the Spartans were out in front for a time, only to fade in the closing innings.

Against the Aztecs they held a 3 to 0 lead up to the seventh; against the Gauchos they led 5 to 0 and 3 to 0 for a time in both games, before being overtaken by the champion Gaucho nine.

Allen not only was the big gun at the plate but he also came up with some fine fielding plays at third base during the six game stand.

#### HEARTBREAKER

Cressio lost the 13 inning game in a heartbreaker, while Nasimento, pitching on nerve alone, almost came through to give the Spartans a win over the Gauchos in the second game.

Chet Carsten got credit for the only Spartan win, pitching good relief ball while his mates overtook the hard-hitting Marines.

Tomorrow the Spartans take up with more baseball, traveling to Moraga for a game with Earl Sheeley's St. Mary's Gaels.

### Swimmers Win All Meets On Utah Invasion

San Jose State college's swimming team did all right for itself on its trip to Utah last week, sinking all opponents and thoroughly trouncing most of them.

Coach Charley Walker's men took first in every event in their initial meet last Monday, winning from Utah State at Logan, 62-13. Martin Wempe won the 220-yard freestyle in 2:38.3, and took first in the 440-yard free-style.

Other winners were Don Thomson, 60-yard dash; Jack Windsor, diving; Foster Dockstader, 100-yard free-style; Jack Porter, 150-yard backstroke and Dean Foster, 200-yard breaststroke.

The Spartans downed Weber College at Ogden, 57-18, and set seven new pool records. Thursday San Jose won six out of nine events, defeating Deseret gymnasium, 44 to 31.

The Walkermen ducked University of Utah, 64-11. San Jose took all No. 1 spots and two seconds.

#### DIERKER PLACES IN TRACK

Johnny Dierker of San Jose State took second in the class B javelin throw Saturday at the Long Beach relays, throwing the spear 189 feet 10 inches.

### Champ, Miyagawa, Portal Leave For National Tourney

(continued from page 1)

University of Pennsylvania campus.

Mark Guerra, 145-pounder, and Miyagawa, 127 pounds, worked their way to the finals over the weekend, but both lost close decisions.

Stan Smith, victor in San Jose's recent novice tourney, scored an upset Friday by out-punching Stan Dilatash of Washington State in the 165-pound class. Smith received a tooth injury, however, and his name was scratched from Saturday night's list of contestants.

Bill Moulden, 155-pounder, who drew a bye Friday, lost a fast and furious bout in the semi-finals to Ben Drake of WSC. Jack Kemper, heavyweight, who also drew a bye the opening evening, lost to Jack Thorburn of California.

Jack Sarkisian, 175-pounder, dropped a close decision in his opening fight to Fred Spiegelberg, WSC, who later knocked out Pete Breceda, defending champion, in the first round.

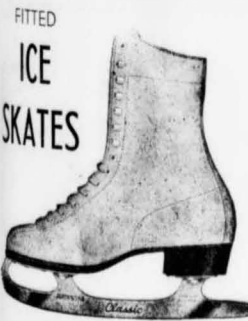

After giving a good account of himself, Roy Shimizu, 135, was knocked down at he bell ending the first round by Les Coffman, WSC, last year's champ, and Portal wouldn't let him answer the bell for the second round. Coffman went on to retain the crown.

Title winners were Webber, SJ, 120; Byron Hostettler WSC, 127 (def. Miyagawa, SJ); Les Coffman, WSC, 135; Elton Tobiasson, California Aggies, 145 (def. Guerra SJ); Ben Drake, WSC, 155; Milt Cunha, California, 165; Fred Spiegelberg, WSC, 175; and John Ward, Stanford, heavyweight.
