

A biology field trip near Saratoga was so irresistible last week that Sherman Gillespie and Leslie Burmeister rode back by bicycle over the same territory.

Offered a ride home, the boys replied, "Boy! We pedaled these

crates 12 miles uphill—we're going to have the fun of coasting 12 miles down, if we don't get home until dark."

With a three hour walk over mountain trails, it was some biology jaunt, said Gillespie.

PHIL HARRIS PLUGS SONGS

STUDENT COMPOSERS SEE POSSIBLE FUTURE FOR REVELRIES NUMBERS

By FLORENCE SCUDERO

Student musical composers saw the possibility of having their songs "plugged" coast to coast by Phil Harris, after the famous band leader was contacted by student body and Revelries officials.

Harris, who was in San Jose recently, promised to use several of the best songs from the annual student show on his program after his

present tour along the coast, and following the Revelries presentation in the Morris Dailey auditorium May 1 and 2.

When the band leader was presented with a special invitation to attend Revelries and Spardi Gras by the student body president, Bob Payne, he stated that he would attend if his orchestra chanced to be playing anywhere near here at that time.

Emile Ricca, former San Jose State college student, now working for Harms, Witmark, and Warner Bros. publishing companies, and known as a chief "song plugger", consented to send the best songs from the program to his publishing house for publication, providing Phil Harris used them on his radio program.

Another possibility is in view for the song writers in that Bernie Cummings, popular band leader, who was playing in a San Francisco hotel recently, agreed to "plug" the compositions if the broadcasting rights were purchased. All songs will be copyrighted and the broadcasting rights will be secured before the songs are sent to the orchestras.

All Tickets Sold For Hamlet Performances

All tickets for the four performances of "Hamlet" which opens its run on the Little Theater stage tomorrow night at 8 o'clock have been sold out, according to Hugh Gillis, director of the Shakespearean tragedy.

"Standing room only" tickets may be purchased at the door on the nights of the performances, Gillis stated.

James Clancy of the Speech faculty, enacting the role of the Danish prince, heads the large cast of 40 persons which includes two other speech faculty members. They are Lawrence Mendenhall in the difficult role of the pompous Polonius and Ray Irwin as King Claudius.

Students who have leading roles in the drama, which is a San Jose Players production, are Barbara Trelease, Clarence Cassell, Joseph Juracich and Elizabeth Stowe.

Wendell Johnson designated the eight sets which will be used in the production the most elaborate of which will feature a large winding staircase. Costumes for the cast were selected by Gillis and Miss Dorothy Manchester of the Home Economics department.

Peter Mingrone has supervised set construction and will act as head electrician, assisted by Martha Bullitt. Stage manager will be Dean Paizis, freshman speech major.

POLICE STUDENTS PLAN JOINT MEET

There will be a joint meeting of the Police club and Chi Pi Sigma Police fraternity, Thursday evening at the Spartan Stags, announces Peter Kristovitch. The meeting is scheduled to start at 7:30.

Discussion for the evening will be about a social gathering that will be held in the future honoring Willard Schmidt, head of the Sacramento JC Police school.

FLASH!
Due to the great demand for tickets, "Hamlet" will be repeated Monday evening in the Little Theater, announced Hugh Gillis late last night.

Women's Skating Club Invites Men To Meeting

Men students of the college are invited to attend the meeting of the Women's Skating club tomorrow night at 5:30 at the Ice Bowl, according to Phyllis Jacobus, publicity chairman.

Admission to the rink and rental of skates is 30 cents, according to Miss Jacobus. Buses will leave the intersection of Seventh and San Carlos not later than 5:15 to take the skaters to the rink.

Oren Markhus, reputedly the smoothest ice-skater in the world, is instructing the women in figure skating and stunt skating. He will be at the meeting tomorrow night to assist those who attend.

The Skating club is open to all women students who are interested, Miss Jacobus states.

ROY WILLEY JOINS SUMMER STAFF

Roy Willey, instructor in the education department, has been chosen to replace Albion Horral on the summer school faculty.

This is the first year that Willey has taught here during the summer session. He has been on the regular faculty since 1938.

STUDENTS ELECT FIVE SPARDI GRAS QUEEN CANDIDATES TOMORROW

By PEGGY RICHTER

An even dozen of Sparta's most popular co-eds will vie for the coveted title, "Queen of Spardi Gras", when the student body goes to the polls tomorrow to cast votes for the "five most eligible to rule".

To make votes valid, it will be compulsory for each voter to check five names on the ballot. Ballots without the checks will not be counted in the final tallying.

Election booths will be set up in front of the Morris Dailey auditorium from 9 to 5 o'clock. Voters will be required to present their student body cards before casting their ballots.

Candidates for the royal honors include Jean Tarbox, sponsored by Police club, Varsity House, Chi Pi Sigma, Spartan Stags, and the 406 boys; Barbara Moser, Gamma Phi Sigma; Marion Smith, Delta Theta Omega, Allentian.

Helen Donovan, Sigma Gamma Omega, Eta Mu Pi; Florence Booth, Delta Sigma Gamma; Lois Silver, Alpha Pi Omega, Phi Kappa Pi; Mary Sanchez, YWCA; Grace Marie McGrady, Ero Sophian; Barbara Pulitzer, Beta Chi Sigma, Artizans; Helen Booth, Kappa appa Sigma; Gay Van Perre, 150 club; and Lee Owen.

Monday, April 28, a final election will be held to determine the queen of Spardi. The next two highest candidates will be declared ladies-in-waiting. In the event of a tie, there will be a run-off election to determine the queen.

The queen will choose an escort who will be named king of Spardi Gras; likewise, the ladies-in-waiting will choose escorts. The queen will be crowned at high noon May 2, and the royal group will reign over the carnival for the rest of the day.

There will be a meeting of Spardi Gras committee members Thursday evening at 7:30 o'clock in the Student Union, announces Reed Surber, Spardi Gras chairman.

Students Debate Against Banking Institute At SF

George Hopper, Spartan Senate president, and Natalie Ross, freshman debate manager, are scheduled to represent San Jose tomorrow in the annual debate with the San Francisco chapter of the American Institute of Banking. Held each year in the northern city this contest will feature the question, "Resolved, that nations of the western hemisphere should form a permanent union or alliance against foreign aggression."

The Spartan contingent will defend the affirmative side of this problem which was formulated by Pi Kappa Delta, national honorary debate society.

Each speaker is allowed 10 minutes for constructive argument, with five additional minutes for rebuttal. Taking charge of all proceedings will be a critic-judge, as yet unannounced.

SPARTAN KNIGHTS MEET TONIGHT

Don True, Duke of the Spartan Knights, urges every member to attend an important meeting tonight at 7 o'clock in the Spartan Stags building.

It is important that every member be there as business dealing with Spardi Gras, arrangements for working on the polls during the queen election Wednesday, and other spring projects will be taken up, True explains.

Interviews For Seniors Today

There has been a re-scheduling of senior interviews states Ed Haworth, appointment secretary. The hours set are today and tomorrow from 2 to 4. Interviewees must sign their names on the bulletin board.

Commerce Dinner Reservations Due By Tomorrow

All reservations for the second annual Spring banquet of the San Jose State college School of Business to be given Thursday night at the Sainte Claire hotel must be made by tomorrow, announced Arnold Mehlafl, toastmaster for the affair.

"What lies ahead for business," will be the topic of George W. Dowrie, who will deliver the main speech. Dr. Dowrie is professor of Finance at Stanford University.

The three Lindeman sister: Elena, Berta, and Tildi, will provide part of the entertainment by singing several selections.

All junior and senior commerce students are invited to attend the banquet. The price of tickets to the affair is \$1.00.

COURSE FEES ARE PAYABLE MONDAY

Quarterly course fees will be due and payable beginning Monday, April 28 and continuing through May 1. These fees are to be turned in at the Business office, room 2.

Students will be given a one week extension, but an extra dollar will be added, said Harry Brakebill.

Education Defends Democracy ...

This week-end there appeared in a local newspaper two articles criticising the recent Letter Writing Day held on this campus last week.

The front page story cynically gave an account of the "day".

Gracing the editorial page was an editorial where the administration was "goshed" for trying to promote some \$1,200,000 for the building expansion program on Washington Square.

San Jose State college is recognized by the merchants as the biggest industry in this city. San Jose State college is the largest of its kind on the Pacific coast. Its needs are recognized by most of those people connected with or interested enough to be con-

cerned.

We readily see that money is needed to meet the present crisis of "making democracy work". But one of the greatest forces of making it function education. A little over a million dollars of education is going to do more good than a million dollars "for tools for the battle of democracy".

With the betterment and refinement of colleges will come more and better education. Lack of education and reasoning power is the cause of a great deal of the trouble in the world today.

Education is one of the greatest advantages of democracy, and one of the greatest defenses of democracy is education.

Drama Department Makes Wise Choice

Tomorrow night the curtain will rise on the first performance of a four-day run of Shakespeare's immortal "Hamlet". This play was chosen by the Drama department to be given in place of Eugene O'Neill's "Mourning Becomes Electra", when presentation of this drama was forbidden by its author.

While students felt quite disappointed that they would be denied the pleasure of seeing this well-known play, still the Drama department showed great discernment in selecting "Hamlet" as a substitute.

If any drama could be a substitute, it would be this ever-popular Shakespearean tragedy which has been seen and enjoyed by audiences from the time it was written until the present. A play which retains its popularity like this must have something.

But the selection of this drama points out something else. It shows us that the Drama department, like the majority of departments on the campus, is able to come through a test with flying colors. Instead of giving up and either not presenting a play at all or presenting just any one that came to mind, they chose a play which is capable of holding its own against any drama ever written.

To show that the department's selection met with the approval of the audience, the tickets for all four performances are completely sold out.

So let's give credit where credit is due, and the praise this time belongs to the Drama department—another group which has shown that it is always ready, willing and able to see us through. —Irwin.

Gilding The Lily

By DOROTHY CHRISTENSON

With South American and Hawaiian trends showing a definite predominance in spring fashions, bright colors have come into their own. From the curls tucked under a gay kerchief to the toeless tips of her rainbow sandals, m'lady will flaunt colors borrowed from a tropical garden.

Gay cotton prints are in, adding a practical as well as fashionable touch to the co-ed's wardrobe, when one considers the saving in cleaning bills. Checking dirndls worn with long sleeved blouses are becoming increasingly popular on campus. And checks and tropical

prints are equally as stylish as stripes.

Splashy prints are carried over to evening in the full cotton print skirts worn with long sleeved white blouses. Wide sashes pick up the color of the skirt and give the wearer the tight waist and flaring skirt characteristic of this season's silhouette.

The beach this summer will be unusually gay when tan-seeking mermaids venture forth in printed suits with matching carry-all bags and sandals. And the influence of the Islands will be noticed again in the hip length grass skirts to be worn on the beach.

Brilliant kerchiefs tied around damp locks make glamour possible even after hours spent swimming. Varied colors in footwear will be seen not only on the beach but in spectator sports and other styles of shoes for street wear. The palmino oxford is increasing in popularity.

Monograms or a very personal "Me" embroidered on blouse collar, shirt pocket, or beach robe adds a final and very smart touch to any spring costume.

Keep Cool With Tasty Drinks

With old Sol definitely making a stronger stand every day, many of us will be looking for thirst quenchers. Here are a few suggestions to get rid of that parched feeling as the days grow warmer.

Ingredients:

- 1 quart milk
- 6 bananas
- Vanilla flavoring

Procedure:

Mash bananas in bowl to fine pulp. Pour milk in a shaker and add bananas. Flavor with vanilla to taste. Shake well until frothy on top. Chill in refrigerator. Serve in frosty glasses. Serves six.

MORE HINTS

Try mixing a few mint leaves in orange juice.

Shave ice instead of just chipping it for more attractive service.

With the defense program well underway, labor has received considerable adverse criticism for the recent series of strikes over the nation. In many cases government mediation boards have stepped in, and at times, compulsory arbitration has been threatened.

Already several placements in teaching positions for next year have been made. The following weeks will bring a steady increase in such placements. I would like to repeat some of the suggestions which were made in earlier announcements relative to your immediate responsibilities upon accepting a position.

First, notify the Appointment Office promptly. Not infrequently we learn of your placement only upon reaching you to tell you of another position. Next, tell all school administrators and boards who are considering your application that you are no longer available. If some of these applications have been made without the knowledge of the Appointment Office, please inform us so that we may recommend other candidates in your place. As soon as possible, file your teaching credential in the office of the county superintendent. A county certificate must be issued before you are fully credentialed to teach.

There is an opening in a local garage for a full-time attendant who will be in charge of lubrication and gasoline selling. The firm wants someone not subject to the draft.

Many schools are proud of their records of 100 per cent membership in the C.T.A. and the N.E.A. Some of these records are of long standing as you may see by looking at the membership statistics in the publications of these associations. Last year the Appointment Office received a strong complaint from a nearby school system because one of our graduates had marred a membership record by refusing to join the C.T.A. Among other responsibilities, the beginning teacher should be willing to accept that of joining the professional organizations suggested by the school administrator.

Many communities require their teachers to live within the school district. Some are inclined to resent frequent week-end absences on the part of the teacher, feeling that he should be willing to accept his share of community interest and responsibility. These are factors which you should determine before accepting a position. If you do not feel willing or able to meet such requirements when they exist, you should decline the offer.

profits. Employers feel that they are justified in making larger profits now to compensate for the meager returns during the depression.

Labor on the other hand demands wage increases because of rising living costs and because industry on the whole can afford higher pay. Thus the government is faced with the conflicting interests of two classes who are both out to "get" all they can.

There is a solution for the problem, however. Passage of an immediate profit limitations bill on all war industries would eliminate one end of the deadlock. With excessive profits impossible, industry would be more apt to bargain with labor and achieve peaceful settlements than it has in the past. With the government taking all profits over a legal percentage, it would be to the employers' advantage to keep labor satisfied.

A profit limitations bill is not beyond the realm of possibility. We have already passed a compulsory draft law, and propose an approximate one-third increase in taxation. Surely it is not too much to ask similar sacrifices on the part of industry.

When the draft bill was first proposed, administration leaders promised there was to be no wartime profiteering such as in the last war. Housewives were asked not to stock up on foodstuffs as there would be no increase in prices. A profit limitations bill was even proposed, but apparently lost in the shuffle.

As it stands now, industry is the only one to profit by the war. Cut out the profits and maybe we'll stay out of the war.

HIGH SCHOOL STARS MEET FROSH TODAY ON SPARTAN TRACK

By CHRIS JENSEN

After four years of successful attempts, Track Coach "Tiny" Hartranft has succeeded in bringing together an all-star aggregation of varsity track men from eight of Santa Clara valley's smaller high schools known as the SCVAL, against his undefeated frosh thinly clad.

This afternoon's meet, scheduled for 3:30 on the Spartan oval,

will serve two purposes. First, it will offer the freshmen the stiffest competition they have had yet this year; and second, it parades before Hartranft potential material for future Spartan varsity track teams.

This will be the second time the Spartans have met competition this year. A week ago today they took the measure of San Jose high school.

The high school teams have had meets against each other and have turned in some pretty good times.

Men will be drawn from Campbell, Mountain View, Fremont, Washington, Santa Clara, Live Oak, Gilroy and Los Gatos.

The two-mile run and the javelin will not be part of the competition.

The freshman entries announced by Hartranft are:

100-yard dash—Gemo Yakubovsky, Billy Seely, Chuck Townsend. Shot put and discus—John Williams.

440-yard dash—Karl Hummel, Jim Schrawb, Jack Coen, Palmer. 880-yard run—Palmer and Coen. 220-yard dash—Seely, Yakubovsky, Townsend.

One mile run—Knox. 120-yard high hurdles—Bud Vererge and Chuck Townsend.

Broad jump—McCubbin and Surge. 220-yard low hurdles—Vererge, Townsend and Seely.

Relay—Gleesburg, Yakybovsky, Vererge, Palmer.

Varsity Trackmen Face Olympic Club Tomorrow

Coach Charley Hunter will bring his Olympic club track men down from San Francisco tomorrow afternoon to meet Coach "Tiny" Hartranft's varsity cindermen on Spartan field.

The Winged "O" outfit is in good shape and boasts of a win over Stanford trackmen, who thumped the Spartans, 115½-14½ in the season.

Entries have not been received from Hunter, but three former San Jose State stars will make their appearance. Lowell Todd, who holds the school record of 219 feet 4 inches in the javelin, will compete against his former alma mater in the spear-throwing contest.

"Ticky" Vasconcellos, former Spartan high jump king, will enter that event. He holds the school record of 6 feet 2½ inches.

Tomy Sunzeri, who cleared the bar at 13 feet 10 inches last year, will enter the pole vault event.

The Spartans have greatly improved since the opening of the season, but they will have to be in top-notch shape if they expect to get anywhere against the strong Olympic club team.

Captain's Last Catch

Seen for the last time in a San Jose State baseball uniform is Ben Frizzi, captain of the 1941 squad and a veteran of three years. Although he was in a batting slump the first of the season, he connected for hits in the last few contests. A centerfielder, he had an almost perfect defensive record.

San Jose Pistol Team Scores Wins In South

Sweeping three out of five pistol matches, San Jose State's pistol team returned from a southland invasion with an enviable record on the scorebooks. The State team dropped matches to Los Angeles sheriff's office and to the Los Angeles Police department. The latter team has been national champions for the past five years, and the sheriff's office quintet is rated right behind them.

In the Santa Barbara meet, Captain Frank Kallam, shooting under adverse weather conditions, scored 13 points higher than anyone else.

Besides Santa Barbara, the State contingent downed the California Highway Patrol and the Los Angeles Student officers.

Tomorrow evening an eight-man team will participate in a winter league shoot. Those entering are

COOK SPARKLES IN GRID WORKOUT; ALLEN SHOWS

Guards Show To Advantage In Practice

For the first time since spring practice started, the Spartan grid machine was at full strength when it rolled through a two-hour session yesterday afternoon under ideal weather conditions. The presence of Johnny Allen and Bill Donnelly, previously occupied with baseball duties, bolstered Spartan stock up two points. Allen and Donnelly are being counted on heavily and are expected to gain starting berths.

But the star of the third practice session was Charles Cook, the likeable Compton Jaycee transfer, who plays center. Mr. Cook, playing center on the defensive unit, broke up plays shot at his team and time and time again, smashing would-be runners to the turf. Also showing up well in the workout was Don Allen, veteran guard.

It appears that the worries of Ben Winkelman and Pop Warner have been lightened a little due to the classy performances that the guard candidates are turning in. Vernon Cartwright, Hans Wiedenhofer, Jim Wilson, Don Allen, Ken Stanger and Bob Riddle have all shown to advantage. Stanger, Riddle and Wilson have been working for the most part on the offensive squads.

Also out to practice but not in (Continued on Page 4)

Jack Fancher, Leo Singer, Carl Stubenrauch, Ray Belnap, Russ Hofvendahl, Frank Kallam and Evans and Brown.

It was officially announced that San Jose had defeated the Wisconsin pistol team in a meet conducted by postal. The Spartans scored 1220 to the Badgers' 12-7.

California Frosh Baseballers Call Off Today's Game

Because of previous engagements, University of California frosh baseball team has called off a game scheduled for today with the San Jose State college freshmen, according to Spartan Coach Leroy Zimmerman.

Tomorrow the Spartan frosh will travel to Salinas JC to meet the Panthers on their own grounds. Salinas, with one of the strongest Jaycee teams in Northern California, will be favored to turn back the Spartababes bid for a fifth victory.

Last week's one-run loss to San Mateo J.C. ended a four-game winning streak for the frosh. Zimmerman's boys will be after revenge when they meet up with the Panthers.

Either Jack Gottschang or Mark Klichan will start the game on the mound for the frosh. Both boys turned in creditable games on their last trip and will have to be at their best again to stop the Panthers.

Cecil Dodson will probably start the game for Salinas. Dodson turned in a fine game against the Moffett Field Flyers last week. The Panthers won 7-5.

Gottschang, slim fireball ace, has allowed a total of only 10 hits in winning his three games to date. He has overcome his early season

VARSITY NETMEN LEAVE TODAY FOR SANTA BARBARA

Ojai Tourney This Week-End

San Jose State's varsity tennis players leave today for Santa Barbara where they will engage the Santa Barbara State college netmen on the Gaucho courts tomorrow at 2 o'clock.

Coach T. Erwin Blesh's netmen, feeling the sting of two straight losses, will go into tomorrow's battle with a slight edge over their opponents.

OJAI THURSDAY

Those making the trip south are Ronald Edwards, Nat Morton, Vic Morton, Eddie LaFrank, George Quetin, Ted Andrews, and either Jim Thorne or Dick Uhrhammer.

Edwards, Vic Morton and Nat Morton, who entered the Fresno Mid-State tournament, will enter the Ojai Valley Intercollegiate tournament Thursday, Friday and Sunday. Edwards and Vic Morton will enter the Men's Intercollegiate and Nat Morton will enter the freshman tournament.

Competition will come from all the universities, colleges and junior colleges in the state.

EDWARDS-WAGNER

In the mid-state tournament last week-end in Fresno, Edwards went to the finals of the men's singles, bowing to Harold Wagner, San Francisco State star, 6-2, 1-6, 6-3. Earlier last week Edwards defeated Wagner 8-6, 8-6.

Edwards defeated Jim Hobart, California varsity, 6-4, 6-3, in the first round; George Ferguson, Los Angeles, 6-2, 6-2, in the second round; Bob McCaughn, California varsity, 9-7, 7-5, in the quarter finals; Bill Crosby, ranked sixth in Northern California, 6-3, 6-3, in the semi-finals.

VIC MORTON IMPRESSIVE

Vic Morton, another Spartan entry in the Mid-State tournament was defeated in an earlier round by Wakner in a three-set match. Wakner won the first set in 38 games, 20-18, and took the third set 6-3. Morton won the second set 6-2 in an impressive style after a long first set.

INTRAMURAL BALL TEAMS PLAY TODAY

The leader of the 1941 intramural softball league will be determined this week when the Chauncies and Coinsados cross bats. Today they play the first half.

Last week the Chauncies and Coinsados defeated their rivals in the first games of the season.

In the second game of the week the Leftovers and Super Drupers will be trying to get out of the cellar spot at the other's expense.

Pete Bruni will be on the mound for the Chauncies while Dick Uhrhammer will pitch for the Coinsados. Southpaw Bill Foote, of the Leftovers, and Bonnar Cox will battle in the second game.

CENTRAL FORM OF GOVERNMENT FOR CO-OPS PLANNED

Originally put in use by Miss Grace Plum, the idea for a central form of government of all five of San Jose's co-operative houses is being considered by heads of the various houses.

At the present time, the co-operative houses are run under the system that would eventually be adopted by the others. One person is in direct charge of the buying and has full supervision over the houses.

Under the new plan, a union of the women's and men's houses would be in order. As yet no direct action has been taken, but the plan is being seriously considered.

Alpha Phi Omega Plans Formal At S J Women's Club

Final plans are being completed for the Alpha Phi Omega spring semi-formal to be held this Saturday at the San Jose Women's club. Music will be provided by Clyde Appleby and his 12-piece orchestra.

"Appleby's band, which features music newer than swing, is one of the most promising 'young' bands in San Jose. Sweet music will predominate for the evening, said Art Hauk.

This year's dance promises to be even a bigger success than last year's which will be remembered by many Spartan dancers as one of the most delightful events of the quarter, according to Hauk.

Special entertainment in the form of band specialists and dancing numbers will be presented.

Highlight of the decorations, which will be carried out in the spring motif, will be a large cellophane reproduction of the fraternity insignia, added Hauk.

Only a limited number of bids remain. These may be secured from the Controller's office or from members of the fraternity.

Business Group Plans Initiation

The annual spring quarter initiation of the Alpha Alpha Chapter of Pi Omega Pi, National Honorary Business Education fraternity, will be held at the San Jose Country club May 5, according to Rupert Kendall, president.

Plans have been made for a dinner-dance to follow the formal ceremony. On the program for the evening will be contributions from alumni, active, and honorary members. Guest speaker for the affair has not yet been decided, but a professionally important person will be chosen to address the group.

J. C. GRADUATES REPORT BY MAY 1

All junior college students who expect to receive an academic diploma at the end of the spring quarter are asked to apply at room 103 before May 1.

Students failing to make application will not receive their diplomas, states Dr. Jay Elder, adviser for lower division students.

Students planning to transfer to Stanford university in the fall quarter should make application some time this month, states Elder. Applications must be in by May 1.

Wanted--- One Calliope

"I want a calliope!" This is the current cry of Jimmy Adcock, publicity director for the Symphonic Band.

The band opens its concert next month with a "thundering presentation"—those are Adcock's words—of Fucik's "Thunder and Blazes" recognized as the best-known of all circus marches. Having heard the Ringling Brothers' band play the march, Adcock has decided that a calliope—preferably steam—is absolutely necessary to a professional rendition.

And so anyone knowing the whereabouts of a calliope between San Francisco and Los Angeles is asked to get in touch with Adcock—but quick!

Art Landscapes Now On Display

Washington landscapes by Vanessa Helder replaced the original drawings of Howard Brodie, San Francisco Chronicle staff artist in the hallway of the Art Department yesterday.

"The style of this display is similar to that of Edward M. Farmer, whose works were displayed here last quarter, said Louis LaBarbera director of art exhibits. Miss Helder treats the landscapes and scenes of Washington in the fall with realism, especially as to color."

The exhibition will continue for two weeks.

NOTICES

The Riding club will ride today at 4 p.m. Meet at the Women's gym. Transportation promised. Sign up at gym before 1 p.m. if you can ride.

Last Call! All two and four-year commerce graduates who want help in securing positions in June please report to the Commerce Office (137-A) immediately. Dr. E. W. Atkinson.

Many thanks to all those who turned out so co-operatively to help decorate the gym on Friday and Saturday, especially the Social Affairs committee, the Spartan Knights, the Spartan Spears, Spartan Hall and Alpha Phi Omega. We are also indebted to Hale Bros., and Leonard Coates' Nursery for their assistance. Thanks again.

BEETHOVEN CONCERT PRESENTED TONIGHT

Faculty Members Exhibit Paintings In Art Museum

Water color paintings of two Art department faculty members have been accepted by an unorthodox modern jury for display at the annual Art Association Water Color exhibition held at the San Francisco Museum of Art, according to Pearl Pinard, Art office secretary.

Two mounts are on display: "Seacoast" by Milton Cavagnaro and a landscape by John French. After the exhibition closes, French's landscape will be shown at Montalvo. According to Miss Pinard, this the greatest water color show in this part of the country.

GEOLOGISTS SHOW PICTURES TONIGHT

Views of Glacier National park and ceremonial dances of the Blackfeet Indians will be shown in color tonight at 7:30 p.m. in the Science building, under the auspices of the Geology club.

Guardians of the Gunsight, a camera hunt going to the Sun-Calets and proceeding over Gunsight Pass to Sperry Glacier will be the second picture, depicting some of the finest wild animal pictures ever made, according to Bob Ranstead, president.

Gamma Phi's Give Dance Saturday

Gamma Phi Sigma, on campus social fraternity will hold an invitational dance Saturday night in the Burma Grove of the Hotel Empire in San Francisco.

Theme of the evening is "Gold Eagle Fantasy," which was suggested by the fraternity's crest, the Hapsburg Eagle. Music is being provided by Eddie Murphy's orchestra.

Feature of the evening will be the playing of a student written song "Sweetheart of Gamma Phi." Author of this new song is Wilbur Scott, junior history major from Yuba City.

Chairman of the dance is Jim Wilson.

Medical School Exam May 1

Candidates for admission to medical schools in 1942 who have not taken the medical aptitude tests are asked to take them May 1, said Dr. J. C. Elder, of the Personnel office.

No tests will be given in December and all those who are planning to take the examination should do so at this time.

EDUCATION MAJORS MEET TOMORROW

All freshmen majoring in education should attend the special meeting tomorrow, according to Bill Sweeney, assistant professor of education.

Scheduled for 12:30 in Morris Dailey, Sweeney will discuss the important phases of program for education majors during their sophomore year.

It is important that students have a definite program mapped out before the quarter closes, Sweeney adds.

Tonight the Pro Arte-Coolidge sponsored string quartet will present an all-Beethoven program as the third in a series of five concerts to be given in the Morris Dailey auditorium. The program begins at 8:30.

Selections to be played include "Quartet in C Minor, Opus 18, No. 4", "Quartet in F Minor, Opus 59, No. 1", "Quartet in A Minor, Opus 132".

This program is expected to be the most outstanding in the group's current season according to the sponsors. The selections have been chosen to represent three periods in Beethoven's life.

The first number shows the influence of Haydn and Mozart, whose style was somewhat superimposed on Beethoven's early works.

The second number shows period of more maturity and a distinctly Beethoven touch. The final selection depicts the advanced Beethoven, whose revolutionary music projected into the future.

Members of the Pro Arte quartet are Antonia Brosa, first violin; Laurant Halleux, second violin; Germain Prevost, viola; and Warwick Evans, cello.

Three Art Faculty Members Judge In Poster Contest

Three members of the Art department faculty were judges of an American Legion "Poppy Day" poster contest held at San Jose High school yesterday afternoon.

Judges were Marques E. Reitzel, Richard E. Skinner, and Donald P. Severns.

Debate Team Schedules Meet

As part of their regular educational program two members of San Quentin's debate team will contest Spartan's William Booth and Tom Griffin concerning the problem, "Resolved, That the United States should withdraw completely from the Orient."

The meet, an annual affair, is scheduled for Sunday, April 27, and will mark a continuation of San Quentin's debates with leading local colleges.

Woodrow Semerau, debate manager, has indicated that the San Jose team is to defend the affirmative side of the issue.

Kappa Delta Pi Plans Meeting

Over 100 past and active members of Kappa Delta Pi, general elementary society, are expected to attend the annual alumni meeting of the group Monday evening in room 1, H. E. building.

Dr. James DeVoss will be the guest speaker and a musical program has been arranged.
