

"Old Timers" who walked three miles to school each morning have nothing on Richard Young, police student and graduating senior. When Young receives his diploma next month he will have traveled 54,000 miles. A resident of Berkeley, he has driven 100 miles to and from San Jose State every school day since 1938—all for the sake of an education.

The A Cappella choir will sing the winning numbers in the Vocal Ensemble division. ## ARMY ACCEPTS FIFTEEN MEN FOR AIR UNIT

Fifteen of the 26 students qualified for Army Air Corps training by the Southern Traveling Flying Cadet board have been assigned to the United States Army Air Corps, San Jose State College Unit No. 1.

Five other members needed to fill the unit quota of 20 will be taken from the remaining 14. The first five completing their applications will be given preference.

Registration folders are in the keeping of Bill Evans in the Information office. Applicants must turn in the necessary papers to Evans to complete their registration.

When the unit registration is completed, the 20 folders will be forwarded to Chief of Air Corps, Washington, D. C.

Students not included in Unit 1 will form the nucleus of San Jose State College Unit 2. In this classification the applicants will rest until further notice.

Physical examinations for applicants are given at Moffett Field. Further information can be had from Evans.

## Billy MacDonald To Play For Senior Ball

Billy MacDonald and his Royal Highlanders, nationally famous orchestra, who have been playing in Southern California recently, have been selected to play at the Senior Ball in the beautiful Olympic club overlooking Lake Merced in San Francisco.

A vocalist will be featured with the 12-piece band which has the novel idea of introducing each number with a Highland theme melody.

Bids for the ball, which will be held June 1, are on sale to members of the senior class exclusively in the Controller's office at \$3.05. Actual price of bids is \$2.75 and includes a 28 cent tax. Bids will go on sale to the student body Monday, June 2.

Don Anderson and Gay Van Perre are co-chairmen for this formal affair.

## MERIT AWARDS

Tomorrow at 4 o'clock will be the last day for organizations and societies to turn in names for meritorious awards.

Class presidents for each quarter and Don Griffin, Walt Curry, Harrett Mannina, Reed Surber and Major West are requested to turn in names from their committees.

## Next Season's Drama Books Still On Sale

Season drama books for 1941-1942 to the offerings of the Drama department, are still available, according to Hugh Gillis, Speech department head.

Most pass books for Friday performances have been sold out but a few remain. Best seats are those that are available to audiences on Thursday evenings. Season tickets will not be sold for Saturday performances.

Reservations are now being taken in room 159, the Speech department office. Student books sell for one dollar and outsiders may purchase books for two dollars. Purchasers will be entitled to see six productions for the year.

Although nothing is definite as yet, it is expected that the summer session will also have a top-notch offering for its students. The play will be under the direction of Speech department members and will feature a student cast.

## TOMMY TAYLOR DIRECTS KSJS PLAY TOMORROW

With Tommy Taylor in charge of direction, KSJS, Radio Speaking society, will present another Columbia Workshop play, "The Giant Stair", in the Little Theater at 2 o'clock tomorrow afternoon.

Harriet Sandifer and Winifred Doolittle take leading roles in the play, a mystery story, as the moody, supersensitive Till, and her sister, Mrs. Weatherburn.

Other members of the cast are Dean Paizis as Sheriff Bane, Ronald Hadley as District Attorney Cantpole, John Shepard as the narrator, and Lew Daniel as the announcer.

"Giant Stair" was written by Wilbur Daniel Steele and is an atmosphere story, with changing moods and a psychological handling, according to Taylor. The plot is built around the disappearance of Mrs. Weatherburn's husband.

It is a half-hour production and no admission will be charged.

The Radio Speaking society recently presented another Columbia Workshop play in the Little Theater. It was "The Fall of the City" and proved so successful that a repeat performance was given.

## Joe West Speaks At Instructor's Meet

Speaking on the separation of San Jose State college from the junior college, Registrar Joe West will speak at a meeting of the Instructor's association of Faculty People today in room 24 from 4 to 5 o'clock.

All faculty members are asked to reserve this date as it is the last meeting of the term.

Also to be discussed will be the latest news of legislative action on the proposed construction and operating budgets.

## Up On Your Toes And Join The Army

One way to get into the United States army is to step up on your toes—Vic Christensen, former Physical Education major of San Jose State college all but had to get up on his toes.

It seems that Vic was able to beat the army height requirement of 60 inches by three thirty-seconds of an inch.

Christensen is at present stationed with the army at Hamilton Field, just north of San Rafael.

## STUDENT COUNCIL OKAYS NEW COLLEGE BUDGET WITH SEVERAL SLASHES

After some discussion of departmental allotments, the student council yesterday noon approved the college budget.

The Police School budget which was originally cut from \$625 to \$500 met another slash from the student governing body when it was set at \$400.

The \$500 which was previously appropriated to the yearbook,

## STUDENTS VOTE ON FINAL EXAMS THIS MORNING

Student opinion on the present system of final examinations will be taken this morning at the 9 o'clock classes, according to Harriett Heath, chairman of the committee.

The results of the poll will be taken up at a meeting of the committee, but may not have any influence on the outcome of the next year's system. Faculty members will vote in regard to keeping or abolishing the system for the second time since the fall quarter.

The committee wishes to obtain strictly a student opinion poll and students are asked not to consult instructors for their opinion.

## FINAL SYMPHONY CONCERT GIVEN JUNE 3; 8:15

Final campus symphony concert of the year will be held in the Morris Dalley auditorium June 3 at 8:15 o'clock, announces Adolph Otterstein, head of the Music department. The concert is free to the public.

Featured soloist for the program is Sidney Voight, music major who has appeared recently in recitals with the college chamber music groups. He will play Beethoven's "Violin Concerto in D Major".

Besides the "Violin Concerto", the program will include "Overture in D Minor", by Handel and arranged by Wullner; "Five Miniatures", by Paul White, and "Symphony No. 2 in D Major", by Sibelius.

The five miniatures will include "By the Lake", "Caravan Song", "Waltz for Tinnie's Doll", "Hippo Dance", and the "Mosquito Song".

The college symphony orchestra recently represented the California-Western Music Educators Conference on the American Youth Broadcast, a nation-wide broadcast over NBC.

## ZETA CHI BRITISH WAR RELIEF BALL TOMORROW

Tickets to Zeta Chi's "Bundles for Britain" Ball to be given in the Civic auditorium tomorrow night from 9 until 1 are on sale from any member of the on-campus social sorority, in the quad or from special booths in downtown stores. The price is 55 cents or \$1.10 per couple.

Sponsored by a number of social and service organizations on the college campus, the ball is also being backed by several civic service groups and the San Jose Cham-

ber of Commerce. All proceeds from the dance, which is a semi-formal affair, will go to aid those victims of air raids in war-torn England, according to Harriett Peime, president of the sorority, and who is also general chairman of the ball committee.

Lowell Jones' orchestra will present music for dancing pleasure, Miss Peime declared, and novelties will be on sale to further the proceeds to Britain.

Expenditures for the coming year are as follows: Administration, \$2400; Advertising, \$485; AWA, \$800; General Fund, \$1250; La Torre, nothing; McFadden Health service, \$12,000; Men's athletics, \$12,000; Music, \$1825; Police, \$400; Rally, \$250; Social activities, \$875; Spartan Daily, \$3000; Speech, \$1013; and Student Union, \$400.

A special meeting of the Student Council will be held tomorrow noon to set dates for coming college social events. Other minor problems will be discussed.

## ENROLLEES ASKED TO FILE DRAFT STATEMENTS

In anticipation of the next draft enrollment set by President Roosevelt for July 1 the College Selective committee requests all students affected by this proclamation to file their statements of information as soon as possible.

The committee meets at 2 tomorrow because Friday is a holiday.

Dean Paul M. Pitman, chairman of the board, requests that all men who have reached the age of 21 since the first draft enrollment prepare their statements prior to the close of the quarter.

The committee does not expect to function actively during the summer months. Filing the statements prematurely will give the committee opportunity to prepare the college affidavits and give the student a chance to request deferment.

Requests for deferment are made in conjunction with and embodied in the statements of information. Instructions for preparing both can be had at the Dean's office.

Special consideration is given especially to science students and students of high scholastic standings. Students nearing graduation are given this consideration, also.

Since the establishment of the committee several weeks ago 92 statements of information have been considered. Of this number 31 were granted deferment; 40 were denied deferment and 21 either fell out of the committee's jurisdiction, did not ask for deferment or were in a branch of the military service but were temporarily deferred.

## Keep Our Fingers Crossed...

This time next week we should learn the outcome of the present bills in the legislature that are vital to the future of San Jose State college.

The outcome of the Appropriation measure which calls for needed improvement around Washington Square seems to be on its last legs. Legislators seem to fail to see the necessity of these improvements around the various State institutions. There seems to be too much talk of war and armament, with little thought that education is the "brick wall" to defeat war.

After rising and falling for numerous times since the opening of the legislature, the operating or support budget now stands

at \$1,049,761, some \$8000 below the original governor's budget. At its first hearing the support of the college was cut some \$48,000 by the House; the Senate reinstated \$39,000 of the cut which places the bill at \$1,049,761.

It is stated that the State of California now has more money than they have had in past years. What is the reason for these cuts and reinstatements?

We have honestly stated our needs in writing letters. With the support budget now in the Senate conference committee and the Appropriation bill in the Senate Finance committee, all we can do now is wait and keep our fingers crossed.

## Thrust and Parry

CONTRIBUTOR'S COLUMN

THANK you, B. F., for your courteous reply to my letter. Let me say that I am as enthusiastic as you in the wish to avoid totalitarianism. One of my objections to Roosevelt's administration is that it has become so much like totalitarianism. More and more it is a one-man rule and those who differ from Mr. Roosevelt are "purged". The point on which you and I are in disagreement seems to be in the

### Our Responsibility Is To 'Be Objective'

Recent letters in this column by students and faculty alike show an alarming increase in dogmatism, intolerance and an apparent lack of understanding of the complexities involved in the present war crisis. We must all realize that there are many ramifications to the situation.

On one side we have mounting evidence of what happens when unprepared nations become the objective of aggressive acts. Against this we see the utter folly and waste resulting from participation in the last war, plus a very real problem of trying to maintain a sufficient force to battle the Axis wherever it might show its head. The point is mainly this: Is there not evidence a-plenty that only a superficial understanding of what is involved could permit such dogmatic and positive assertions as are being made?

But some go beyond positive assertion. They attempt to discredit their respective opposition by name-calling. On one side we hear charges of defeatism, while on the other it is British or a profiteering munitions maker. If we should go to war, the majority will do so only in the belief that it is the best way to protect our rights to individual freedom—our way of life.

But what if we fail to protest those freedoms in our country, our own school, then of what use is it to try to protect them by a foreign war? Let us make sure our efforts to stamp out totalitarianism do not result instead in the loss of the last fragments of democracy here at home.

Consequently, unless we want to be classed with the small minority who seek this war for private profit or mere national supremacy of this nation over another, we must be on guard to maintain intact those elements

the way we would keep from being dominated by Hitler. I think we should encourage England to consolidate her resources on this hemisphere. Here are a few practical objections: 1. We are not ready for war. Europe is full of conquered nations who also were not ready for war. 2. The large number of Germans, Italians and Japanese in this country would probably be willing to fight a defensive war, but would they join an expeditionary force against their own peoples? 3. Our worst need is for the materials of war. Organized labor is obviously not willing to co-operate fully in their production. 4. In engaging in anything as serious as war, I think we should have reasonably clear-cut ideas about objectives. Are we supposed to rescue England from Germany and then send another expeditionary force to reconquer Europe?

Mr. Roosevelt has promised our help to China and other nations "attacked by aggressors"; are we supposed also to send still another expeditionary force to China? We know the methods of England in gaining her great empire. Were they not aggressor methods? She was known, you will remember, as "perfidious Albion". Our own ancestors stole this country from the Indians. As I recollect, William Penn was the only one who actually paid for what he took.

In all our arguments about war should we not consider particularly the young men who are to fight? If we are to do the fighting ourselves, personally, that is our business, but if we are asking someone else, it is indeed asking a great deal.

— Dorothy Hazeltine Yates.

we are fighting for. If we as students have any obligation or responsibility to our nation it is to remain objective when so many are becoming foolish and irrational through fear.

— A. McArthur.

## Barefoot Daily Boys Down 'Drammers', 6-5

The "barefoot boys with the journalistic palor" from the Publications office downed the "Holidayians" from the Drama department to the tune of 6 to 5 yesterday afternoon in a thrilling softball game.

The Pub men expect to have lunch on the "Drammers" today as they trek to the co-op for milk shakes, the game stakes. For three weeks now the two teams have been battling for department softball honors, and yesterday put the journalists well ahead of the college actors.

## Nothing Sacred

**A RASH OF PROSY:** Though a stolid commuter and a box-lunch man myself, the sudden end-of-the-quarter dash for grades has forced me to enter an entirely new world, one not only rich in folklore but with a definite set of ethics (to draw a careful distinction between ethics and the struggle for survival). I refer to the middle-class of unfortunate homeless known as the eat-outers.

The true pursuer after the blue-plate special is one who enjoys good food and has but little money to spend on it. He must have a flair for the unusual in foods, as well as a desire to seek the new front, for often the difference between hamburgers in one place or another may well mean the discovery of a gooey gravy calculated to soothe the appetite or of a highly spiced dash of potato salad.

Unfortunately there are those not up on their code of technical trade laws who befuddle the waitress by ordering something that can't be boiled down to two words for the benefit of the cook (that IS complicated) or by waiting until the rib steak is already on the grill and then muttering apologetically: "I guess I really wanted a bowl of noodle soup instead!"

The problem of co-ordinating the diet and the budget is one that State students, by virtue of their honest poverty, have a great deal of trouble breaking down. The simplest way is to join an athletic team and enjoy the vitamins of the training table...

Or else don't eat.

## INTER-SQUAD TENNIS TOURNAMENT GETS UNDERWAY TODAY AT 3

### Freshmen Play Junior Varsity In Opener

Inter-squad tennis will get underway this afternoon at 3 o'clock with the junior varsity netmen taking on the strong freshman team in the singles tourney. The two teams will play six singles matches today. Bill Walker will lead off for the frosh netters and will play tall, blond-haired Dick Uhrhammer in the number one match. Byron Kalin will meet Ernie Rideout in the second match. Others to play in their

order are: Frank Moore, frosh, versus Kieth Wilson, JV netman; Bob Williams, frosh, Jack Kemper, JV; Bud Hefner, frosh, Ollie Upton, JV; and George Drake, frosh, Earl Paulus, JV.

### CANCELLED

The scheduled game between the frosh netmen and San Jose High school was cancelled late yesterday afternoon due to injuries to the Bulldog team, according to Coach T. Erwin Blesh. This completes the schedule for both the Frosh and Junior Varsity netmen, states Blesh.

Tomorrow at 3 o'clock the Junior netmen will face the freshmen in a doubles match with teams to be announced this afternoon.

### PLAY-OFF MATCH

The winner of these matches will face the varsity netmen in the play-off matches Wednesday and Thursday of next week on a handicap basis, announces Blesh.

Following the play-off Thursday night will be a dinner at the Italian hotel for all members of the tennis teams, announces Bud Hefner, freshman manager.

## ACROBATIC ACTS FEATURE PUB WIN OVER DRAMA NINE

Well, the Civil War softball series between the teams of the Publications and the Drama departments is finally over and there appears no doubt in anyone's mind that the scribes are the superior nine.

Yesterday the Pub boys with fire in their eyes knocked out a thrilling 6-5 verdict over the poor "Hams". A resounding base knock by "Torpedo" Healey, knocking in Walt Lerner who had tripled before him, put the game on ice in the ninth inning.

The game was resplendent with thrills from beginning to end. Best plays of the day were a couple of acrobatic acts put on by Ted Hatlen and Bob Rowe of the actors. Lerner sent Rowe flying with a block at third and Captain "Windmill" Frizzi sent instructor Hatlen into the ozone with a perfect block while sliding into second.

The surprise of the day was the play of Dwight Bentel, who filled in at first base. Bentel took the tosses of infielders Simon, Healey, and Agee without making an error. The speedy first sacker contributed to the cause by socking out a double.

The only bright spot of the day for the actors was when Bob Gager, chunky first baseman, homed with the bases bulging to tie up the score in the ninth inning.

The Pub boys added insult to injury when Mrs. "Windmill" Frizzi took over the right field spot.

## Inter-Frat Cage Tourney Closes This Afternoon

The 1941 inter-fraternity basketball tournament will come to a close this afternoon in the Men's gym with the second place Delta Sigma Gamma casaba artists attempting to tie the standings in a knot by handing the Sigma Gamma Omega five their first loss of the tourney.

Gareth Adams, who leads the league scoring to date with 109 points, will be on the firing line for the DTO's while Davis Leonard and Larry Sutton, who are second and third, respectively, in the scoring race, will attempt to keep the SGO five ahead of their opponents.

In the second game of the day the Delta Sigma Gamma five will tangle with the Gamma Phi Sigma team to determine the holder of the cellar position.

## SGO Nine Wins From Gamma Phi Team 9-2

The Sigma Gamma Omega nine took the lead in the inter-fraternity baseball tournament yesterday afternoon by pounding out a 9-2 victory over the Gamma Phi Sigmas.

Duncon McKinnen was on the mound for the SGO nine while Bill Hoover chucked for the Gamma Phis.

The Delta Sigma Gamma team won the second game by default when the Delta Theta Omega nine failed to show. The DTO's previously won and the DSG's lost on a forfeit in the first game.

Complete standings to date:

	Won	Lost
SGO	2	0
DTO	1	1

## Chauncies, Coinsados Tied In Playoff, 3-3

The Chauncies and Coinsados are at a standstill in their play-off for the intramural softball championship with both teams putting three runs across the plate in yesterday's half of the championship game.

Both teams played errorless ball and gave the pitchers the support that clinches games.

Pete Bruni, speedball artist, held the Coinsados in check for the better part of the five innings as did Tommy Haines, chucker for the Coinsados.

Both teams are after each other's scalp, is the word from the opposing teams.

## Varsity House Gives Barbecue At Alum Rock Park

Approximately 20 members of the Spartan Varsity House will join tonight in a barbecue at Alum Rock park, according to Sempot Saghatelian, corresponding secretary of the house.

Originally scheduled for Santa Cruz, the outing has been changed to the popular park because of its proximity to the school.

Ernest H. Luke has been selected to act as chief cook for the occasion, with Bob Hamill and George Hearn being placed in charge of refreshments.

All Varsity House members are urged to attend as there will be plenty of food for all, states Luke.

According to secretary Saghatelian there will be a slight fee charged for incidental expenses.

### NOTICE

Attention, New Yorkers: There are only a few of us. Why don't we get together once in a while? A club would be fun. Why not call C1112 right away and we could arrange a real old home-week gabfest.—Bernice Platt.

## FACULTY STUDIES NEW J.C. STATUS THIS AFTERNOON

Members of the faculty of San Jose State college will meet this afternoon at 4 o'clock in room 24 where they will discuss the new methods of handling junior college and State college students.

Joe H. West, registrar, will discuss the classification of lower division students, the procedures for balancing the work of the two colleges, and other related topics.

"The changes that will be discussed came about because of the legal impossibility of charging fees in the junior college. Despite this, the financial changes as planned for will not be revolutionary," declared O. M. Broyles.

Broyles urges the attendance of all faculty members, and requests that they come prepared to ask questions and supply suggestions.

# HOME COMING SATURDAY BRINGS SEVERAL HUNDRED GRADUATES TO CAMPUS

Several hundred alumni of San Jose State college will return to the campus Saturday for the traditional Homecoming, with a variety of events to occupy their day and evening.

President of the Alumni Association Wayne Lenz, '31, member of the Long Advertising firm in San Jose, will be official host for the homecoming. General chairman in charge of all arrangements is Mrs. Edward H. Haworth (Margaret Dean, '28).

Homecoming festivities begin at 10 o'clock Saturday morning with registration and reception of alumni at the front gates. Miss Clara Hinze of the faculty is chairman of the reception committee.

In keeping with a long-standing custom, alumni will honor graduates of 10, 25 and 50 years ago—the classes of 1931, 1916, and 1891. President Lenz will greet members of the 1931 class—his own group; Miss Estelle Hoisholt of the faculty will greet 1916 graduates; and members of Golden Grads will form a reception committee for 1891 alumni. Golden Grads is an organization composed of San Jose State graduates of 50 or more years ago. The honor class of 1891 automatically joins this organization, which is headed by Mrs. Cillinda A. Appel, '87, of San Jose. James Addicott, '90, of Los Gatos is vice-president, and Mrs. Nina C. Kyle, '87, of San Jose is secretary.

At 11 o'clock the alumni will hear a free organ concert played on the college's Hammond electric organ by Lucille Machado. This concert will be in the quad, and there will be sufficient benches for a large audience.

Also scheduled for 11 o'clock is a meeting of the Golden Grads in the Student Union, which will be their headquarters for the day. Election of officers is the main business of this meeting.

At 11:30 another alumni organization, the Santa Clara county chapter headed by Evelyn Cavala, '35, will meet in the Little Theater, also for the election of officers.

Main feature of the Homecoming is scheduled for 12:30. This is the traditional luncheon under the trees of the south lawn. Nearly all the visitors of the day will attend this luncheon and program. With William Sweeney, '29, of the faculty as master of ceremonies, the program includes numbers by Mrs. Sarah Wilson's American country dance class, "called" by DeWitt Portal, '31, of the faculty; vocal duets by Marjory Miller and Charlotte Morley, accompanied by Dorothy Currell; trombone solos by Charles Robbins; a short talk by Miss Joyce Backus, head of the library; and a reading by Allen Schroder.

The master of ceremonies will recognize the oldest graduate present, the class with the largest attendance (which gets a big box of candy), the alumnus who came the longest distance, and the one who has come to the most homecomings.

There for the homecoming this year is the new library building, where an historical exhibit will be on display. Alumni will take a sight-seeing tour through the new building. Another exhibit will be displayed in the Art building, which has selected some outstanding alumni and student work for showing in the corridors.

The Homecoming will be climaxed by a dance in the Men's gym, with the Staters providing music. Members of the alumni association, and guests, and members of the senior class, will be
