

Smart Money

Here are a few of the reasons why your student body card is an outstanding \$12.50 investment:

1. Health service---30-day bed care in any one school year---services of a graduate nurse---medical care of a college physician---emergency care at night and during week-ends when the college Health office is closed---X-ray tests and special immunizations without cost if accepted when offered to groups.

2. Recreation---admission to seven home football games this quarter---basketball games wrestling, swimming meets---water polo, golf, soccer, badminton, and baseball games---pre-game rallies---evening dances in both the Men's and Women's gymnasiums--- afternoon dances---your student body card is open sesame to entertainment, culture and fun.

3. Daily paper---Spartan Daily, college paper, is the only paper which completely covers San Jose State college. It brings you news of all campus activity---it's yours every morning at 8 o'clock.

4. Music---three concerts on campus by the college orchestra, one in the Civic auditorium---a national broadcast over NBC. A Cappella choir sings for Baccalaureate service, gives yearly concert---marching band plays at rallies and football games---woodwind and brass choirs and Madrigals give campus concerts.

5. Drama---season booklets to all college productions at special reduced rates---admission reduced only to holders of student body cards.

STATE GRIDDERS DEFEAT TEXAS ELEVEN 14-7 Fred Lindsay Scores Twice

By WILBUR AGEE

The Golden raiders of San Jose State college pulled the first upset of the 1941 season Friday night in Spartan Stadium before a record crowd of 10,500 yelling fans when they sent Texas A. & I. gridders back to the Lone Star state on the short end of a 14-7 count.

Before the crowd had settled in their seats, Fred Lindsay, speedy fullback for the Spartan eleven, took Hugar Hall's attempted lateral and raced 51 yards to a touchdown. Lindsay then kicked the ball through the uprights to make the score 7-0.

The Texas eleven won the toss and kicked off to the 1 yard line where Lindsay's 16 yard runback was nullified by a clipping penalty. Lindsay then booted the ball to State 48 yard line where it was taken over the sidelines. With one attempt through the line for no gain, Hall went wide around right end and on his attempted lateral to Johnny Vargo, Texas quarterback, Lindsay snagged the ball and was never touched on his way to pay dirt.

Just four minutes later Lindsay again scored on a two yard plunge over the center of the line bringing the margin to two touchdowns. The conversion was true with Lindsay dividing the up-rights.

The Spartan eleven kicked off but the Texans couldn't move and a 15 yard penalty set them back. (continued on page 4)

STAG DANCE OPENS AUTUMN ACTIVITIES

Appleby Plays Tomorrow Night

Activities for the autumn quarter will get under way tomorrow night with the stag registration dance in the Men's gym.

Featuring Clyde Appleby and his sweet-swing college orchestra, the dance will begin at 9 and continue until 12, according to Beverly Byrnes, new Social Affairs chairman. Appleby's orchestra has been a regular Sunday night feature on Radio Station KQW.

FREE WITH CARDS

The dance is free to student body card holders. A fee of 40 cents will be charged to outsiders.

The dance is to get the new and old students acquainted as well as renew old friendships, according to the chairman.

This will be the only stag student body dance of the quarter, and students are asked to "come for a good time".

CLYDE APPLEBY PLAYS

Clyde Appleby's orchestra is popular on the campus, having played for fraternity and sorority dances as well as for the Spardi Gras dance.

Coco cola will be sold in the "Little Gym".

There will be two other student body dances during the quarter, it was announced.

LA TORRE ON SALE THIS WEEK AT SPECIAL RATE; SCHMIDT, NEW MANAGER

Orders for La Torre, college annual, will be taken all this week, with a special rate of \$2.75 offered to students purchasing the year-book today, announces Ernie Ralph, editor.

Walter Schmidt, senior accounting major, was appointed to fill the business manager's position, and Leon Torrey, senior special secondary student, has been named his assistant.

Regular price of the La Torre will be \$3.25 which can be paid in cash or in installments. The down payment of \$1.25 can be paid on registration day — \$1.00 each following quarter.

Orders will be taken all week through Friday, after which no La Torres can be purchased. Reason for this is so that the editors will have the approximate number of books sold and work and plans on the type of book can begin almost immediately.

Arrangements are being made to feature the work of each department of the college in the new, bigger and better yearbook, according to editors.

Others assisting Ralph are Pat Mc Guire, associate editor; Joe Az-zarelli, photographer; Ken Stephens, Bee Laurence, and Barbara Kurz, assistant editors.

LIBRARY HOURS

Hours when the reference, circulation, education, periodical, art, and reserve reading rooms of the library will be open during the quarter are announced below by Miss Joyce Backus, head librarian:

Reference and Circulation departments:

Mon.-Thurs., 8:00 a.m.-9:30 p.m.

Friday, 8:00 a.m.-5:30 p.m.

Saturday, 9:00 a.m.-5:00 p.m.

Education, Periodicals, and Art rooms:

Mon.-Thurs., 8:00 a.m.-5:30 p.m.

6:30-9:30 p.m.

Friday, 8:00 a.m.-5:30 p.m.

Saturday, 9:00-12:00, 1:00-5:00.

Reserve Reading room:

Mon.-Fri., 8:00 a.m.-5:30 p.m.

Saturday, 9:00-12:00, 1:00-5:00.

DROP EXPECTED IN ENROLLMENT FOR THIS YEAR

By FLORENCE SCUDERO

With the first drop expected in the autumn quarter registration since 1935, over 3000 students will probably enroll in the State and Junior colleges beginning at 7:15 this morning.

The registrar's office could not state how large the decrease, which will be the third since 1928, would be, but in previous years it has not been over 200. Since the first drop in 1933 the registration has increased from 2434 to 4076 last year, according to statistics in the registrar's office.

A new system by which Junior college Technical students and State college students will register separately will go into effect this year.

Technical students will call for their registration booklets in room 120 of the main building (north wing of the second floor), according to the alphabetical arrangement indicated further in the story. These students may purchase an Associated Students' membership card at that time.

These students will then proceed to room 124 in the main building, where departmental advisers and Mr. Harrison Heath will be available. All technical programs must be countersigned by Mr. Heath. No technical student may enroll for a course that is not listed under the Technical department in the schedule with the exception of physical education and music activities.

Registration books for State college students will be given out in alphabetical groups in room 1 (Continued on Page 3)

DAY EDITOR—PEGGY RICHTER

JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE
President San Jose State College

Welcome, everybody, and welcome once more to old San Jose State.

For returning students we have a few improvements to brag about. For new students we have a college that has been able, in the past eighty years and more, to help many thousands of young men and women along the way to good careers. If you don't resist too much, we may be able to help you also.

We may not have quite the enrollment we had last year. We have had to help out Uncle Sam a good bit, but we shall certainly have all we can well handle. We cannot expect to keep up the extraordinary increase we have had in recent years. It has averaged two hundred a year for the past ten years, and of course it must stop some time. Still, we shall have a goodly number. I am glad to welcome you as one of them. Four thousand is an ideal enrollment for a college of this kind... It is large enough to support a wide range of offerings and it is small enough to be personal.

I am looking forward to a big year, big in spirit and achievement as well as numbers. We are in

JUST AMONG OURSELVES

(Continued from Page 2)
 the midst of a great national and international crisis, of course, but that should only make for clear thinking, for courage and devotion. It's a time for the highest quality of patriotism.

In spite of the obstructionists, there is something about war time that is inspiring. My own feeling as an old soldier is that many of us grow faster and develop better in a crisis than in the ordinary humdrum of safe civilian living.

It was twenty-four years ago, and morning inspection. I had a company of almost 350 men, fine fellows, most of them, good, loyal, upstanding American citizens. Just a few scamps, just a few nervous objectors. I told the men that morning what I have been telling you, that I think war time is a good time for us to gain great personal advantage. I told them that I was going to expect them to tell me the next week in just what way they hoped to be able to improve themselves.

I had a lot of most interesting answers. I can't recount them all here, of course, but one fellow from the Ozarks said, "Well, Cap'n, I'd just like to get my hands clean once." Another, who was a tall fellow and badly round-shouldered, said, "You know, Cap'n, I wish I could just straighten up once." (One of the lieutenants was a physical education teacher and we were able to

help that fellow a lot.) One man said he'd like to learn to write letters because when he had the other fellows do it for him, they put in things he hadn't said—and that was embarrassing.

So make up your mind right now, young folks, what you are going to do with this big, thrilling year that is before you.

Some of these "Justamongst" may sound a bit preachy, but this is my fifteenth year and I may occasionally take advantage of my seniority to hand out a bit of free advice.

You don't have to read the stuff, of course, but thanks just the same for reading it this time. Good luck.

NOTICE

Approval of the Personnel Committee is required before students enroll for professional courses in Education leading to a teacher's credential granted at San Jose State college.

The time for filing application for this approval is at the end of the freshman year. All students with standing beyond the freshman year should file a teacher-training application immediately if a teacher's credential from this institution is included in the college objective.

Blanks for this application are obtainable in the Personnel office.

NYA APPLICANTS CALL FOR CARDS STARTING TODAY

NYA work assignments have been made for students with previous applications, announces Mrs. Ralph, secretary to Dean Paul H. Pitman, and all applicants are asked to call for their work cards beginning today.

All men students wishing NYA work should file applications in the Dean's office as soon as possible. Blanks may be obtained in room 16 any time this week, announces Mrs. Ralph.

All men students wishing part time work this year are asked to contact the Dean's office, room 16, this week. Several positions are now open for college men, states Mrs. Ralph.

There will be a special meeting Thursday from 12 to 1 o'clock in the Morris Dailey auditorium for all men students on NYA and all those interested. It is essential that all attend this first meeting, states Pitman.

All technical students whose booklets are stamped "photo" will go to the basement of the Science building. Freshmen, not including technical students, will go first to room S112 for registration instructions, then will proceed to the basement of the building to have their pictures taken.

Academic Junior college students will register with the State college students.

Booklets will not be distributed after 4 o'clock today and registration will close tomorrow at 11 o'clock.

Limited students, taking five units or less, will register Wednesday in the Registrar's office.

Students will obtain booklets alphabetically as follows:

COURSE CHANGES

The following changes have been made in the class schedules as announced by Registrar Joe West:

Physics 125ABC, Analytical Mechanics, 10:00 MWF, has been discontinued. Substituted for this course is Chemistry 152ABC, Advanced Organic Chemistry coming at the above time. Prerequisites for this advanced course is Chemistry 108.

Police 128, Modus Operandi, has been dropped and Police 132, Traffic Problems, 10:00 MWF, has been added to the Police school schedule.

Kathryn Howard Joins Speech Department Faculty

Miss Kathryn Howard, graduate of Northwestern university, has been added to the Speech department faculty, announces Hugh Gillis, head of the department.

Miss Howard will be added to the speech clinic staff. For several years Miss Howard taught at the American university in Greece and for the past few years has been teaching speech in the Evanston, Illinois, public schools.

Miss Howard is the only addition to the faculty this year, states Gillis.

FROSH GRIDDERS START PRACTICE THIS AFTERNOON

Yearlings Open Season Friday

San Jose State college's frosh football team will take to the field this Friday, with only four days' actual practice, when they journey to Salinas for their opening game with the Salinas Junior college gridders.

Coach Bud Winter, former Salinas coach whose Panthers never lost a game under the lights in the last three years, will try to halt this record with his inexperienced Frosh eleven.

PRACTICE TODAY

Coach Winter will start practice this afternoon and urges all candidates to be present for the first meeting.

The Frosh will play six games this year and will attempt to better last year's record of two wins and four losses.

Gael Frosh Scheduled

Modesto and Marin Junior colleges, who were defeated last year by the yearling pigskinners, are on the six-game schedule along with St. Mary's freshmen, Santa Rosa Junior college and the Moffett Field "B" eleven.

Sept. 27—Salinas JC, there.

Oct. 3—S. Rosa JC, there.

Oct. 11—Modesto JC, here.

Oct. 18—Moffett Field, here.

Oct. 24—Marin JC, there.

Sept. 1—St. Mary's Fr., here.

While many of the AL champion Yankees are well along in years, they'll all be back next season for one more fling at the big time. That is—all but one member of the team. And, paradoxically, he's only 22. He's Timmy Sullivan, the batboy, and—at 22—is too old for his job. That's why he won't be around, although another extenuating circumstance is the fact that Tim's number is coming up and he'll be with another kind of "Yanks" next spring.

SPARTAN SOCCER TITLE HOPES DEPEND ON THREE VETERANS, RESERVES

Tindall, Figone and Turner Only Returning Lettermen

San Jose State college's twice champion soccer team will take to the San Carlos practice field early this week in preparation for defense of its Northern California Inter-collegiate crown.

Hit hard by graduation in June, the championship-bound Spartans received another blow last week when Roy Diedrickson, Phil Nell and Mert Crockett were reported missing from school this year.

Gordon Maybury, who played a good bit of soccer in 1937 for the Spartan shin-kickers, will take over the pilot spot and hopes to build a squad around the veteran Art Tindall, captain of this year's team and leading scorer on the 1940 squad, Ernest Figone and Ed Turner.

ATTEMPTED LATERALS PROVE DOWNFALL FOR TEXAS A. & I. GRIDDERS

(continued from page 1)

Gil Steinke booted the ball out of bounds on the State 37 yard line. The Golden Raiders again began to move but fell short when Lindsay's pass was intercepted by Stuart Clarkson, Little All-American center for the Texas eleven, but on an attempted lateral to Stienke which was fumbled and recovered by Aubrey "Mule" Minter, left half, the Spartans still had the ball with a first down on the Texas 45 yard line.

Minter then galloped to the 28 around right end, followed by Lindsay's drive through the line to the fourteen. Bert Robinson then took a short pass from Lindsay behind the line and raced to the two. From there Lindsay made the final Spartan score of the game.

TEXAS ROLLS

For the remainder of the first half it was a punting duel between Lindsay and Stienke with neither team coming close to the scoring line.

It was a different picture in the second half with the Texas eleven driving around the Spartan ends for sizeable gains. Hall, Gillespie and Stienke were the big factors in the Texas drive picking up yardage at every attempt.

However, Spartan ends Jack Galvin and Bill Donnelly with the help of Gene Kasparovich and Darrel Swaggerty substitute ends manage to slow the attack and it was not until midway in the fourth quarter that the Texas score came.

With the ball resting on the State 13 yard line, Gillespie went deep around left end and teetered down the sidelines for the lone Texas score. Rogers, sure footed

kicker, put the ball between the uprights for the extra point.

Dramatists Open With 'The Rivals'

San Jose Players will open its fourteenth annual season November 6 and 7 with Richard B. Sheridan's 18th Century comedy hit, "The Rivals". The play will be directed by James Clancy, who took the leading role in last year's great success, "Hamlet".

All students will be given an opportunity to attend "The Rivals" and all other plays this year for a reduced rate. Tickets go on sale Monday at student rates of one

dollar for the season and can be purchased in room 159 from 9 to 5. There are still a large number of good seats available, states Hugh Gillis, speech head. Tickets may be purchased by non-students for a rate of two dollars, states Gillis. The other definitely scheduled plays include "Mr. Pickwick" from Dickens under the direction of Ted Hatlen, December 11 and 12. This is the annual Christmas play and will be given in the Morris Dailey auditorium. The play is based on "Pickwick Papers".

Registration System Changed

STUDENTS DIVIDED INTO FOUR CLASSES; COLORED BOOKLETS GIVEN GROUPS

Due to the reorganization of the registration system, students will be divided into four groups and will be given booklets to coincide with their classification, announces Joe West, registrar.

Junior college classes have been arranged for all technical work without cost to the student. Liberal arts and teacher training students will be required to pay the regular tuition fee of \$4.50 per quarter.

The four classes under the new system include technical, lower division liberal arts, lower division teacher training, and upper division groups.

Technical students will be handed a white registration booklet in room 120, which must be signed by the departmental adviser and Mr. Heath.

Lower division liberal arts students will be given a yellow book in room A1 and then will register in the Men's gym. This group includes those who are planning to transfer to other colleges or universities as well as all lower division non-credential degree students. Their courses must have the approval of the department head and Dean Elder.

Orange booklets will be given to lower division teacher training students. (Continued on Page 9)

DELANNY ADDED TO SCIENCE DEPT.

Dr. Lewis DeLanney, who received his degree at Stanford university in 1940, has been added to the Natural Science department faculty, announces Dr. Victor Petersen, head of the department.

DeLanney, who has been teaching in the School of Biology at Stanford the past year, will replace Dr. Harry Cummings in the Physiology and Anatomy courses.

FRESHMAN PARTY SCHEDULED FOR THURSDAY NIGHT

Annual frosh party for all incoming students which will be held in the Men's gym Thursday evening will be the first of social affairs activities of the quarter, according to Beverly Byrnes, chairman.

Dancing, games, and refreshments are on the program for the evening, which is to acquaint new students with each other. Clyde Appleby's orchestra will play at the affair.

Next on the list of social events is the student body dance to be held October 17 following the Garden Simmons University football game here. The dance will be held in the Men's gym.

The biggest dance of the year will follow the Fresno-San Jose state clash November 19. Plans for afternoon dances have not been completed.

BOOK EXCHANGE OPENS TODAY; SCOTT NEW HEAD

The college book exchange, a non-profit student organization, will open tomorrow at 9 o'clock in front of the Morris Dailey auditorium. Books for sale will be collected at this time and will be on sale to the student body Wednesday; the collection will continue until Friday.

Royal Scott is in charge of the exchange this year. He is replacing Bruce McClelland. Started last year, its immediate success demanded it to be reopened as a permanent organization this year.

Students wishing to sell a book are asked to write the title and author of the book on a card and hand it in to the person in charge of the exchange. The card should also include the price the person expects for the book and if it is not sold it will be given back to him without charge. A small fee will be placed on all books which are sold to keep running expenses of the exchange.

Organizations in charge of the exchange include Spartan Spears, sophomore women's society, Spartan Knights, men's service fraternity, Gamma Beta, national men's service fraternity, YWCA, and YMCA.

"A Minute's Walk Will Save You Money"

Alpha Eta Sigma
Alpha Eta Sigma, national accounting fraternity, will hold its first meeting of the quarter next week.
Officers of the fraternity are asked to meet today at 4 o'clock in room 135.

STUDENTS DIVIDED INTO FOUR CLASSES; COLORED BOOKLETS GIVEN GROUPS

(Continued from Page 7)
students. Included in this group are all students working for a teaching credential but have not completed 90 or more units. Mr. William Sweeney will countersign the books after departmental approval.

Upper division students will also register in the Men's gym. They will be given green booklets which must be signed and approved by the department head and Dean DeVoss. All students, excluding technical registrants, who have completed 90 or more units, unless otherwise determined by the Personnel board, will be included in this group.

Students who have lower division or other scholastic deficiencies will have their booklets stamped "with deficiencies". In accordance with the state board regulations, the following must be completed in the lower division: In natural science—a year laboratory course included in 18 out of 21 required units; social science—a year course and U. S. constitution included in 12 of 21 required units; English—must have completed 9 units of composition, or 6 of composition and 3 of speech, and the English A examination; two years of physical education

NEWMAN CLUB HAS OPEN HOUSE TODAY

Newman club, an organization for Catholic students, will hold open house all day today and tomorrow at the club room, 79 S. Fifth street, announces Mary Cleary, president.

A pre-game recording dance will be held Thursday evening at the club. All students are invited to attend.

activities and five units of general psychology.

Program cards to add or drop courses will match the registration booklet in color. The classification is indicated on the card.

To avoid confusion with the revised study lists, technical cards will be distributed in Mr. Heath's office, room 106; lower division liberal arts cards will be handed out in Dean Elder's office, room 103; lower division teacher training and upper division cards will be available at the Registrar's counter.

Programs are not officially changed until the study list has been signed and approved by the program advisers and handed in at the Registrar's office.

CAFETERIA

Si, See, Senior!

SEE WHAT THE PAMPAS HAVE BROUGHT TO THE CAMPUS . . .

We Ain't Woofin' when we say Pan American Shetland will put you definitely in the but good class on campus this fall. In fact, if you have a tendency to be a sad apple, this smoothie will go a long way toward making you over into a looloo. And that's no Ferdinand.

Definitely not for the Joe Boys. It's perfect for . . . the classroom . . . bull session . . . stadium . . . or shin-cracking with your dilly. In fact (fair warning) your pals may yell "timber" when you show up in this all-right suit.

Pan American SHETLANDS

...all over South America went Hart Schaffner & Marx buyers to find just the proper wools for this amazing new fabric.

The Corriente wools come from the Argentine and give Pan Americans their fine lustrous, luxurious feel.

The Punta wools come from Chile and are responsible for Pan Americans' unusual wearing qualities . . . something you normally won't find in a shetland-type suiting of this kind.

Rough fabrics for campus wear will be extremely smart this season...and this new shetland of ours is unquestionably one of the smartest of all rough fabrics! Easy on your budget or dad's charge account . . .
