

Spartans Meet Utah State Tomorrow

SELECTION OF OFFICERS SET FOR FIRST CLASS MEETINGS MONDAY, 11:22

Selection of officers for the autumn quarter will be held Monday morning at 11:22 o'clock at the first meeting of the freshman, sophomore, junior and senior class. Announces Dean of Men Paul Pitman.

Operating under the new system proposed by the student council and adopted by the student body, this meeting will be presided over by a representative from the student council. Under this plan the council representative presides over regular class officers are elected.

Preliminary meeting places for the classes are as follows: freshmen, Morris Dailey auditorium; sophomores, Men's gym; juniors, room 12; seniors, Little Theater.

A special shortened schedule of classes to allow for meetings has been released from President T.W. Squarrie's office follows:

- First period: 8:10 to 8:48.
- Second period: 8:58 to 9:36.
- Third period: 9:46 to 10:24.
- Fourth period: 10:34 to 11:12.
- Fifth period: 11:20 to 12:00.

The student council will meet Monday night at 7:30 in the Student Union to discuss the student government and constitution.

N.Y.A. STUDENTS MEET AT NOON

There will be a special meeting of all men students on NYA work Monday at 12:10 in the Morris Dailey auditorium, announces Dean Paul Pitman.

All those students interested in doing NYA work or part time jobs are also requested to attend the meeting, states Pitman. All NYA workers must attend this meeting.

Edward Serpa, 19 Graduate, Dies

Edward Serpa, art student and graduate of '39" died Saturday of antile paralysis after a two-day fight in an iron lung.

Member of Delta Epsilon and Phi Kappa Phi, Serpa was at the National Gallery of Art in Washington, D.C.

The funeral will be tomorrow morning, leaving Amos O. Williams' mortuary at 8:30 and proceeding to St. Patrick's church.

RUSHEE BOOKLETS DEAN'S OFFICE

Women who have received invitations to rush teas from the files of the Student Union should call the Rushee Booklets in the office of women's office.

Every woman must have a student body card if she expects to attend to any on-campus sorority, according to a ruling of the Inter-University council.

FRESHMAN PARTY 7:30-10 TONIGHT IN MEN'S GYM

Special party for freshmen and all other in-coming students will be held tonight from 7:30 to 10 o'clock in the Men's gymnasium. The annual affair is being sponsored by the Social Affairs committee.

Program for the evening includes dancing, games, and refreshments. Dee Portal and Bud Winter of the Men's Physical Education department will be co-directors of entertainment for the party, which is to acquaint new students with one another.

Stags, both men and women students, are welcome to attend. Clyde Appleby's orchestra will furnish music for the affair.

Free punch and cookies will be served during the evening.

CAA LAUNCHES BEST PROGRAM SINCE START

The Civil Aeronautics Authority flight training is already underway at San Jose State with the best and most complete program since the first CAA experiment in 1937, according to Co-ordinator of Flight Training Frank Petersen.

There are 40 students enrolled in the entire program which is divided evenly between the primary and secondary training courses. The 20 members of the secondary group have already about an hour of flying time to their credit.

The greatest step forward for the local CAA, Petersen points out, was the approval by Washington, of the secondary ground school. This means that the curricula, equipment and teaching, under the direction of Mr. Petersen, met the standards set up by the Civil Aeronautics Authority in Washington, D. C.

Closely connected with the approval of the secondary course is the new equipment being used and the leasing of the airport by Harry Sham of the Oakland Flying service. There are now four Piper Cubs available for the primary training and three new Fairchild Trainers for use by the secondary students.

The flight training program is completed with cross-country flights which will begin in a couple of months and make use of several larger ships which operator Sham has at the airport. After this the instructor refresher course will be opened to give the best students the opportunity of receiving commercial and instructor licenses.

Tomorrow will be the last day to add courses to this quarter's program, according to the Registrar's office.

'Who's Religion Am I?'--Sweeney

Mr. Bill Sweeney of the Education department spent a busy registration day Monday, rubber-stamping his name on Education department programs. Sometimes, in fact, he was too busy. And that's how it was (he says) that he stamped "William G. Sweeney" on a young lady's program in the square marked "Religious Preference".

Yearbook Prices Rise After Friday

Students have two days in which to buy their La Torre's at the reduced rate of \$2.75. Beginning Monday and continuing next week the yearbook will be on sale at \$3.25. The sale ends one week from tomorrow.

La Torre salesmen will be at the booth in the Spartan Shop. They will be glad to explain the function of the yearbook to freshmen and transfer students.

A new feature of La Torre this year will be a double page spread for sororities and fraternities with a membership of 30 or more.

CENTER HOLDS OPEN HOUSE

All women students and faculty members are invited to attend the Open House Teas to be held at the Student Center, 120 East San Antonio street, today and tomorrow from 3 until 5.

These teas are sponsored by the college YWCA, and Jean Russell, chairman of the committee, urges that new and old students take advantage of this opportunity to get acquainted.

N.Y.A. APPLICATION

All women's NYA applications handed in up to Saturday night have been acted on, according to Dean of Women Helen Dimmick. Women may get assignments by seeing Miss Dimmick.

Applications handed in this week will be ready tomorrow morning. Any turned in later will be put on a waiting list.

'The Rivals'

TRYOUTS TOMORROW AT 4 IN LITTLE THEATER

Tryouts for "The Rivals", a Richard B. Sheridan comedy hit, will begin tomorrow at 4 o'clock in the Little Theater. All persons having student body cards will be eligible to participate.

The 18th Century hit will be directed by James Clancy, who headed the cast in last year's production of "Hamlet".

Clancy will also direct Maxwell Anderson's "Winterset", to be given March 12 and 13.

Tickets for "The Rivals" will go on sale Monday at student

GOLDEN RAIDERS AFTER THIRTEENTH STRAIGHT WIN AGAINST FARMERS

Coach Dick Romney To Try 'T' Formation Against State

By SEBASTIAN SQUATRITO

With the Spartans of San Jose State going after their 13 consecutive victory, and the Utah State Aggies seeking revenge for the 19 to 0 defeat of last year in Logan, the third annual Elks charity football game will be played at Spartan stadium tomorrow night.

Mainly because of their win last year in Utah and last week's 14 to 7 victory over Texas A & I, the Spartans are favored to win.

Exchange Remains Open Till Friday

Sale of books will continue today and tomorrow from 9 to 4 o'clock at the Student Book Exchange, a non-profit organization, in front of the Morris Dailey auditorium.

Refunds for unsold books will begin Monday.

The exchange was started last year and its immediate success demanded that it be reopened this year as a permanent organization. Royal Scott is chairman of the exchange; he is replacing Bruce McClelland.

Spartan Spears, sophomore women's society, Spartan Knights, men's service fraternity, Gamma Beta, national service fraternity, YMCA and YWCA are in charge of the book exchange.

Commercial Jobs Open To Students

Commerce students or any students with commercial training who are interested in a part-time or a full-time job should register with Miss Barbarez at the college Appointment office immediately. Applicants should be prepared to make out a copy of their class program, listing free hours in which they might be able to work.

Fountain and restaurant jobs for girls as well as some part-time jobs doing house work and taking care of children are open to women students, according to Mrs. Helen Plant, assistant dean of women.

Applicants should apply in the dean's office.

"They'll be plenty tough," said Coach Ben Winkelman yesterday, and from all indications they will be. Boasting the strongest line since 1936 when it won the Rock Mountain Conference championship, the 'Farmers' are all set to stop the ground plays of the Spartans.

This means double trouble for Sparta's gold clad warriors as the "Farmers" led the country in pass defense last year.

'T' FORMATION

Although Aggie Coach Dick Romney has been using the modified "T" formation for years, he picked up a few pointers from Stanford's Clark Shaughnessy this summer when the Card coach conducted Romney's summer football school.

To make his formation more effective, he has moved 163-pound speedy captain Marvin Bell from right half to quarter, and Fred Allen from left half to fullback. Melvin Manning, junior, will be at left half and Bill Twitchell will be the other back.

The main line threats are the (Continued on Page 5)

December Grads

All candidates for December graduation must file applications for graduation in the registrar's office by October 10, according to Miss Viola Palmer, assistant registrar. Any information regarding this procedure can be obtained from Miss Palmer.

BINDEX CARDS OUT TODAY

Student binder dividers are being given out today in front of the Morris Dailey auditorium. Students may receive them without a student body card. The Bindex is issued by Alpha Phi Omega, national service fraternity.

Bindex will be given out for several days.

"There are plenty of Bindex to go around, but first come first served," advises Bill Raye, president of the fraternity.

Proceeds from advertisements appearing on the Bindex will be used to provide funds for two Alpha Phi Omega scholarships awarded annually to deserving students of San Jose State college, as well as other campus and community service enterprises.

DAY EDITOR (This Issue) FLORENCE SCUDERO

Laurels For Book Exchange

After a four-quarter trial the Student Book Exchange has been adopted as a permanent organization. Perhaps some of the new students do not realize what a real service the exchange is. It is a strictly non-profit organization founded by students for the benefit of students.

The set-up of the exchange is simple. The student himself sets the price of the book which he wishes to sell, taking into consideration its age and condition. The exchange asks no fee for its service except a small charge to cover handling of books. In this way the fees which usually go to the middleman who handles the book are done away

with and the students are saved this extra expense.

The sole duty of the Book Exchange is to dispose of books for students. Books which are not sold are returned to the owner and no fee is charged.

If you have a book to sell, write the title and author of the book on a card and give it to the person in charge of the Exchange, which is located in front of the Morris Dailey auditorium.

A vote of thanks should go to the campus service organizations which made the exchange such a successful enterprise.

—Richter.

Departments To Suffer?

To date 2690 student body cards have been sold. Total enrollment in the college thus far has reached 3525. That means that 835 students are without cards. The student body budget for 1941-42 was based on the anticipated sale of 3000 cards. If that total is not realized, one department or perhaps all of them will suffer financially. As things stand, appropriations to some departments have been cut nearly in half, leaving them to obtain the remainder of the money by some system or other.

One of the organizations affected by this new system of voluntary student body card buying is La Torre, the college annual. In previous years the student body has appropriated the full amount to put out a yearbook, charging the student very little. This year the La Torre is self-supporting. Ac-

cording to yearbook officials it will cost approximately \$4500 to put out a good book. Therefore the kind of annual published depends entirely on the co-operation of students. However, providing that the sales of student body cards goes over 3000, a small appropriation will be made.

Funds for the Spartan Daily have been slashed, so that the paper will depend largely on advertising for its financial aid.

Possibly the one drawback is that the student is obliged to pay the total sum of \$12.50 in one lump. There is no question that this cuts a hole in one's pocket book. However, if the student leaves college for one reason or another, appropriate refunds will be made. The amount of refund will be decided by the student council at the next meeting.

Scudero.

JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE
President San Jose State College

Every year I have to write at least one column like this. Of course not everyone who should read it does, but I delude myself into thinking that it may help somewhere.

Don't join any organization without looking it up. Ask your dean. Don't pay money to strangers, even if you have some that you didn't earn. Don't forget the Ten Commandments. They are just as applicable here, and just as necessary, as at home. And just because you are in college, in a brand new atmosphere, is no reason why you should give up your home principles.

A countryman in Oregon one day caught a fine, big salmon. So fine and big it was that he decided to give it to the parson as a present. He put the fine, big salmon in a box in the back seat of his jallopy. He was very happy about the good deed he was about to do.

When he came to a place of refreshment on the edge of the village, he stopped, as was his custom. Some idle bystanders saw the fine, big salmon and substituted a stur-

geon, a rough, crude fish, as you may know.

Arriving at the parsonage, the countryman reached into the box to get the fine, big salmon, and found instead the sturgeon. He was mystified and disappointed, but he could never give such a rough, crude fish to his parson, so he shoved it back into the box and started homeward.

At the same place of refreshment he stopped again, as was his custom, and the same idle bystanders took out the rough, crude sturgeon and put back the fine, big salmon.

When the countryman got home he found the salmon. He scratched his head, "Well, well," he said, "you're a salmon in the country all right, but you're a sturgeon in the town."

If you know what I mean.

NOTICE

All men students interested in working at the football game Friday night parking cars and ushering are asked to report at the west entrance at 6:15.—Frank Carroll

Co-Recreational Swim Hours Set For College Pool

College pool is now open to men and women students for co-recreational swimming, announces Swim Instructor Gail Tucker.

Co-recreation swim hours have been set for Tuesday, Thursday, and Friday from 1 to 2 o'clock. Women only may swim from 2 to 4 on Fridays and men only from 1 to 2 o'clock Monday and Wednesdays.

"These hours are set aside for pleasure swimming by the Women's and Men's Physical Education department and it is hoped that many students avail themselves of the opportunity," Miss Tucker emphasizes.

Students planning to use the pool facilities are required to have an okay from the Health department, and are asked to bring their own swimming caps.

FORMER STUDENT PRESIDENT MADE RESERVE ENSIGN

Promoted from a sergeant in the anti-tank company of the 186th infantry regiment, 41st division at Portland, Oregon, to the grade of second lieutenant is Sherman C. Sawtelle, Jr., of Portland.

Sawtelle was graduated from Washington high school in Portland in 1935 and studied at San Jose State and at the Northwestern college of law.

He enlisted in company B, 186th infantry, in January, 1938, became sergeant in September, 1940, and transferred in March, 1941, to the anti-tank company.

Co-ed Swim Club Activities Start

All women students who can take care of themselves capably in deep water are invited to attend the first meeting of the Women's Swim Club at 7 o'clock Monday night, according to Miss Gail Tucker, club adviser.

Women who are not registered in a swim class this quarter should bring a permit from the Health department, as well as their own caps.

In addition to regular Monday night meetings, the swim club holds inter-class meets, a quarterly "Swim-a-lic", and a spring swimming extravaganza. Jessie Burns is club president.

Ceramics Lab Enlarged, New Equipment Added

A new and larger ceramics laboratory has been completed during the summer and is now open to classes, according to Herbert Sanders, instructor.

The basement of the main building now includes three large rooms for the laboratory instead of one, and a high temperature kiln, gas drier, more wheels and several electrical test kilns have been added.

Equipment has also been secured with which ceramics classes can now make obsidian glass, a volcanic formation which formerly has been pulverized at Stanford. The new equipment will make possible more individual research into materials and glazes.

Not more than 100 students will be allowed to take the course in ceramics each quarter but Saturday morning classes will be conducted for non-collegians.

SOCIAL AFFAIRS MEET TOMORROW

Students interested in planning social events for the autumn college calendar are asked to meet tomorrow at 3 o'clock in the Student Union with Social Affairs Chairman Beverly Byrnes.

The purpose of the meeting is to get the group organized and discuss plans for student body affairs.

REFUGEE NURSE FROM PARIS JOINS FACULTY

Harriet Noyes, a public health nurse who was forced to leave Paris in 1936 because of the coming war with Germany, has joined the faculty here.

Replacing Marybelle Fraser on the health and hygiene faculty, Miss Noyes was in Paris for nine years in charge of a clinic for American students. Her work was at the University Women's Club, sponsored by the American Association of University Women.

A graduate of Lawrence College, Appleton, Wis., Miss Noyes will teach public health, hygiene and care of the sick at the college. This summer she spent in advanced study at UCLA.

ARCHERY CLUB

Starting tomorrow the Archery club will meet every Friday from 10:00 a. m. to 11:00 a. m., according to Manager Rosalie Sanfillipo. The group will participate in the archery tournament sponsored by the San Jose Ivanhoe club in October. All prospective members are urged to attend tomorrow's meeting.

Frosh Gridders Face Salinas J. C. Tomorrow

FORTY-FIVE CANDIDATES REPORT FOR FIRST PRACTICE MONDAY

With their first game scheduled for tomorrow night with Salinas junior college in the Lettuce City, Coach Bud Winter, former Salinas coach, was greeted by 45 freshmen football candidates for the first practice session Monday afternoon.

Despite the fact that 45 turned out, Coach Winter is still looking for fullbacks and quarterbacks along with any more prospective football candidates. It is still not too late to report for practice, states Winter.

Last year the frosh traveled to Salinas and came back on the short end of a 33-0 count. This year's outlook is slightly better due to lack of practice, but with the fire the yearlings have been showing Coach Winter hopes to keep the score down and have a much improved squad before the season comes to a close.

The Salinas junior college squad defeated the Alhambra Athletic club 14-6 last week and have been practicing since the latter part of August.

The tentative starting lineup as released by Coach Winter finds Bill Payne, Commerce high of San Francisco, at right end; Bob Peters, Galileo high of San Francisco, at right tackle; Fred Brandt, Los Altos, at right guard; George Graves, Santa Barbara, at center; Al Long, San Jose, at left guard; Bob Crieghton, Los Angeles, at left tackle; Bud Engles, Coronado, at left end; Bill Perry, San Jose, at quarterback; Art Betran, Los

Angeles, at right half; Collin Hill, San Rafael, at left half; and Francis McCrovy, Montgomery, Alabama, at the fullback spot.

NOTICE

All car parkers who worked the Texas A. & I. game must have their flashlights turned in to the graduate manager's office before

SOCCER TEAM BOLSTERED BY RETURN OF SIX LETTERMEN, TRANSFER

Spartans Face California Kickers October 18

Soccer prospects took another jump this week when Roy Diedrickson, Bob Bereuther and John Peebles reported for practice. This makes a total of six returning veterans with Captain Art Tindall, Ernest Figone and Ed Turner practicing early last week.

Around these six men Gordon Mayburry, new coach for the San Jose State college soccer team, will mould a team which he hopes will successfully defend the Northern California Intercollegiate crown won the last two years by the Spartan shin-kickers under the late Coach Hovey McDonald.

WINKELMAN SENDS SAME LINEUP AGAINST UTES

(Continued from Page 1)

tackles, Jack Moore and Joe Ingersholl. Moore is a 212-pound senior while Ingersholl is a 195-pound sophomore sensation. The rest of the line will consist of Chris Axelgard, a junior, at one end and Richard Griffen, a sophomore at the other end. San Merrill, a tackle the past two years, has been shifted to one guard, and the other position will be handled by a 192-pound sophomore, Robert Choate. Ralph Maughn, a sophomore brother of last year's center, will be at the center post.

Pleased with the surprising play of his team last week, Coach Winkelman has made no changes in his lineup with the possible exception of co-captain Ed Wenberg who may start at right end in place of Jack Galvin.

PEDERSON BACK

No one was seriously injured in the Texas A & I game, but Charles Cook, second string center, has been out all week with a cold and may not see any action tomorrow night. Knute Pederson, the num-

ber one quarterback at the end of spring training last quarter, returned to practice Monday after being laid up since the first week of practice.

The rest of the lineup will consist of Bill Donnelly at the other end, Co-captain Bob Hamill and Gray McConnell at tackles; Ken Stanger and Don Allen, guards. The backfield will consist of Aubrey "Mule" Minter at left half and Bert Robinson at right half, Henry Antognani will again call signals, and "Bulldog" Fred Lindseys will again handle the full back duties.

STARTING LINEUP

SAN JOSE	Pos.	UTAH
Donnelly	LE	Axelgard

Allen	RG	Merrill
Hammill (C)	RT	Moore
Wenberg (C)	RE	Griffen
Antognani	Q	Bell
Minter	LH	Manning
Robinson	RH	Twitchell
Lindsey	F	Allen

FRESHMEN STARS BOLSTER STATE WATER POLOISTS

With one returning varsity letterman and five lettermen up from last year's freshman water polo squad, Coach Charley Walker expects a fair team this year.

Egon Hoffman, the returning letterman, will alternate at the goalie and guard spots. Al Corcoran, up from the frosh, will take over the center back spot. Dave Thompson, last year's sensational frosh guard, will be in the same position on the varsity this year. Don Thomson, spring star, Marty Taylor and Parker Snow will fill in at the forward spot.

New comers find Delmer Armstrong alternating at the goalie and forward spots; Douglas Bacon, from Santa Monica junior college, at the guard position; Roger Frelter and Joe Weitzenberg at the forward positions.

Nine have reported for the freshman team so far, announces Coach Walker, and all those who have had some experience will be given an opportunity.
