

Spartans Battle Aztecs

SAN JOSE FAVORED IN CONFERENCE OPENER WITH SAN DIEGO STATE

By SEBASTIAN SQUATRITO

The Spartans from San Jose State college awoke this morning to find themselves favorites over the San Diego Aztecs in tonight's game to be held at Balboa stadium before an expected crowd of 10,000 to 15,000 people.

This will be the first California Collegiate Athletic association game for both teams this year; although San Diego has defeated Pomona 6-0 and Occidental 7-6; while San Jose turned back Texas A. & I. 14-7, Utah State 33-0 and tied Fort Ord 6-6.

Since the CCAA league was organized in 1939, San Jose State has yet to lose a game in conference play.

TWICE DEFEATED

It has defeated Santa Barbara State, Fresno State and San Diego twice each. In 1939 with Little All-American Leroy Zimmerman leading the way, the Golden Aiders bombed San Diego 42-7. Last year it was a different story, and only after Kenny Cook had split the uprights with a field goal did the Aztecs weaken to lose 10-0.

This year finds both teams almost evenly matched. The Aztecs have six returning lettermen; so have the Spartans. The San Diego first string line averages 192 pounds, and the same for San Jose. The Spartan backfield averages seven pounds more than the 171 average of San Diego.

WEAK PASS DEFENSE

Coach Leo Calland has built his attack around All-Conference half back "Bouncing" Bob Cozzens and fullback Bill Goodchild, his ace passer and kicker. Thus Calland will throw an all-out offensive in an effort to upset the Spartans.

On the other side, Coach Ben Winkelman and scout Walt McPherson report that the Aztecs are weak in pass defense and will have Fred Lindsey and Allen Hardisty do a great deal of passing.

Tonight's game may find Chet "Cowboy" Carsten getting his chance to show his stuff. Carsten, a fullback behind Lindsey and Hardisty, has shown a great deal of ability in power plays at the line, but has not been the kicker or passer that Lindsey or Hardisty are.

However, Coach Winkelman might have to give Lindsey and

(Continued from Page 3)

Phi Upsilon Pi Organizes New Chem Society

Phi Upsilon Pi, men's honorary chemistry fraternity, is sponsoring the new San Jose chapter of the American Chemical society called the "Student Affiliates", this they decided at their weekly meeting.

This is for all undergraduates of students of chemistry or chemical engineering. The fraternity is making this their project for the year. Students interested may sign their names to the list on the main bulletin board in the Science building. Dr. Samuel Todd is adviser for the group.

APPOINTMENTS CAN BE MADE FOR LA TORRE PHOTOS

Appointments for La Torre pictures are being taken in the Publications office daily from 10 to 2 o'clock. Thursday is the deadline for members of the following sororities to make appointments: Ero Sophian, Sappho, Beta Gamma Chi, and Delta Beta Sigma.

Pictures will be taken by the Leiter Camera Shop Studio, between 9 a.m. and 4 p.m., and members of the above sororities must have them taken within the next two weeks. Appointments will not be made at the studio.

Students with more than one picture in the yearbook must have all poses taken at the same time. Black drapes will be used for sorority pictures and dark jackets and white blouses must be worn for other pictures, according to Ken Stephens, photography appointment editor.

Members of each fraternity must furnish their own tuxedo. Dark suits and white shirts with a dark tie to be the required dress of the men for other pictures.

Other sorority and fraternity members may make their appointments now.

BULLETIN!

TRACY, Oct. 9.—Dr. T. W. MacQuarrie, president of San Jose State college, and Mr. Frank F. Petersen, Mathematics instructor at the college, were involved in an automobile accident here today. Neither of the men was injured.

Dr. MacQuarrie and Mr. Petersen were returning to San Jose from Sacramento when the car in which they were traveling overturned. They returned to San Jose by bus.

STATE STUDENT IN KFRC FORUM

John Sayres, junior Speech major, will represent San Jose State college over KFRC at 11:15 o'clock according to Woodrow Semrau, acting varsity debate manager.

"Should the United States Guarantee the Integrity of the Dutch East Indies?" is the question to be discussed at the second forum San Jose has participated in.

This Sunday the labor union question will be the topic taken by Stanford, Santa Clara, Mills college, and Dominican, with Dr. Beck of Stanford as moderator.

Tryouts for the broadcast in November will be next week.

SEASON BOOKLET SALE ENDS FOR DRAMA TICKETS

Sale of season booklets for the San Jose Players' 1941-42 productions ends at 4 o'clock this afternoon. A number of tickets for Thursday evening are still available, according to Speech department head Hugh Gillis.

\$1 TO STUDENTS

Booklets are one dollar for students who hold associated student body cards and two dollars for outsiders and students who are not members of the student body. They entitle the holder to attend the six major productions of the year as well as several other presentations, without any extra cost.

REHEARSALS IN PROGRESS

"The Rivals", first major play of the season, is now in rehearsal under the direction of James Clancy, and will open for a four-day run on Wednesday, November 5. It is a three-act comedy by Richard B. Sheridan.

The other five outstanding presentations include the annual Christmas play, "Mr. Pickwick", taken from Charles Dickens' "Pickwick Papers"; Eugene O'Neill's family comedy, "Ah, Wilderness", which will be presented in February; Maxwell Anderson's "Winterset", the only serious offering of the season; and "East Lynne", 19th Century melodrama by Mrs. Henry Wood.

George Bernard Shaw's satirical play, "Caesar and Cleopatra", will close the season. Two other lengthy plays and several shorter ones will also be open to season booklet holders.

STUDENT CENTER PLANS OPEN HOUSE

The Student Center is having open house tomorrow night from 8 to 11.

There will be no admission charge and all students are invited to attend, according to Miss Jean Thoits, YWCA secretary. Dancing and games are scheduled as entertainment, after which refreshments will be served.

DRIVE BEGINS MONDAY

Attempting to get students to carry the traditional gold and white to the football games, Spartan Spears and Spartan Knights, honorary service organizations, are sponsoring a rooter's cap and pom-pom drive beginning Monday.

A rally in the front quad will climax the drive Friday noon before the Hardin-Simmons game October 17. Students will par-

ticipate in singing and yelling for their alma mater. The rally committee is making arrangements to have members of the coaching staff of the Hardin-Simmons University football team address the students at that time.

Spartans and Spartanettes will not be admitted in the State rooting section without rooter's caps or pom-poms, it was announced.

Freshmen Laugh Last . . .

A scarlet flush covered his face, spread to the remote areas of neck and ears, and graduated down beyond his collar—out of sight.

Half a smile struggled out, but embarrassment pinned it down before it had gained a decent start.

The freshmen, 140 strong out of the class of 150, screamed with laughter. The few upperclassmen snickered, especially one.

Diverted from his "life zones" and "field trips", the reddened professor had become entangled in a pair of girl's slacks.

SOPH CLASS MEETING PLANNED BY STUDENT COUNCIL THIS NOON

In a final effort to determine who will be the sophomore president for 1941-42, the student council has proclaimed a special sophomore class meeting in room S112 at 12:05 o'clock today, announces Don True, student body president.

The two candidates concerned are Paul Borg and George Coles. In the primary class elections held October 2, both nominees failed to

poll the winning majority. In the run-off election Tuesday, they came through with a 40 to 40 tie.

In the special meeting today, presided over by members of the Student Council, sophomores will be asked whether they wish to conduct the second run-off election at the meeting or have it settled by the usual voting procedure in front of Morris Dailey auditorium.

If an adequate representation of the sophomore class appears at the meeting, and if the students wish to act at that time, the council will conduct a class meeting election, states True.

COMMUNITY CHEST DRIVE OPENS MONDAY

The annual Community Chest drive here at San Jose State college will get under way Monday and will continue through the week. Student Body President Don True will appoint a chairman of the drive Monday.

Last year, the student body raised \$353.42 from individual contributions, donations from organizations, special events, and variety shows.

Each year special contribution boxes are conveniently set up in the corridors, in front of the Home Economics and Science buildings where students may donate their share for the national drive.

The faculty Community Chest drive has already started, according to Dean Paul Pitman. Contributions from this group may be left in the Business office.

NEWMAN CLUB HOLDS WELCOME DANCE TONIGHT

The Newman club will hold its quarterly Welcome Dance tonight at the group's clubhouse, 79 S. 5th street.

The reception is to greet the new students and acquaint them with the club, also welcoming old members and applicants.

Dancing will be from 8 to 12 with music from recordings. Bowling, pingpong, and pool facilities will also be available.

Rev. Father Francis, club chaplain; Mary Cleary, club president; Veronica Cleary, Social Affairs; Rita Del Piero, dance chairman; Bud Zahner, Jack Malone, Genevieve Frasso and other old members will be at the door to receive the guests.

Name cards will be given to the students to help them to become acquainted.

Over five hundred invitations have been sent to students, and a record attendance is expected with all Catholic students admitted free, according to Mary Cleary, president.

SJS Flying Clubs Move To Hillview

State college flying clubs are now setting 'em down in different surroundings, due to the change in procedure effected before the start of school this quarter, announced Frank Petersen, head flying instructor.

This recent change is due to the CAA, with the Army air corps, taking over the San Jose airport. All flying clubs are now at the Reed Hillview airport near the eastern foothills of San Jose.

The CAA is using Taylor "Cubs" and Fairchild trainers as part of their basic training. The three flying clubs are using Taylor craft, Aeronca, and Piper "Cub" planes in their training.

ZOOLOGY CLASS PLANS EXTENSIVE TRIP NEXT MONTH

A five-day trip in which some 1200 miles will be covered is in store for members of Dr. Gayle Pickwell's class in vertebrate zoology next month.

The group will leave San Jose on Friday, November 7, proceeding 320 miles to the Neenach region of the Mojave desert, where they will observe habits of the Desert Night Lizard in the Joshua tree forest. On Saturday they will travel 275 miles to the Borego Desert State Park in the Colorado desert, where Dr. Pickwell hopes to find desert antelope ground squirrel in addition to whatever reptiles may be present.

The third day of the junket will be spent at "29 Palms" in the Little San Bernardino Mountains, where Dr. Pickwell and his groups have found kangaroo rats on other similar trips. They will proceed from there to Ash Mountain, Sequoia National Park, for the night, to observe the park's nocturnal mammals—raccoon, Mephitis skunk, ring-tail cat, and California gray fox.

The morning of Monday, October 10, the group will drive to Giant Forest, also in Sequoia National Park, for the animals of the forest—Mule deer, Douglass Chicory, and others.

This will be the first time this class, which takes extensive field trips each year, has taken such a long one so late in the year, although Dr. Pickwell has taken groups on similar trips in the spring. Dr. Pickwell plans to take photographs of both mammals and reptiles encountered on the field trip.

DAY EDITOR (This Issue) CHRIS JENSEN

Harsh Words If You're Stupid . . .

Monday is absolutely the last day to buy student body cards.

In spite of the fact that over 3,000 cards have been sold, there are still a lot of students who evidently either haven't stopped to really think about buying one or are just plain stupid. Those are harsh words, but it takes such words to make some people understand.

There is really no excuse for not buying a card. If you can afford to come to college, you can just as easily afford the advantages of belonging whole-heartedly to the school.

If you've the idea that student body cards are just something to admit you to football games and dances, you're all wrong. Why don't you stop and read about them once in awhile? You'd find out, for instance, that you can spend 30 days in the Health Cottage, have the services of graduate nurses, the medical care of a college physician, and emergency care at night and during weekends when the Health office is closed. Immunization and X-ray tests are free when you go in with a group.

What happens when you get the flu this winter? The "bug" is around already, you know. If you're not living home, you'll have to depend on yourself for doctoring. Medicine costs money, missing classes costs time, effort, and money. And naturally, it takes longer to get well when you're treating yourself than when a doctor has his eye on you. In the long run you'd be much better off if you had a student body card.

The majority of us are planning on going to the College of Pacific game. Those of us who remember the trip two years ago wouldn't miss it for anything. It's really the climax of all fall quarter activities and one of the most important highpoints of the whole year.

We all went by special train last time. In fact we had two trains, the Gold train and the White train, and over 1500 students joined the fun. It was very inexpensive and naturally everyone appreciated that.

This year the price will probably be pretty much the same, for STUDENT BODY HOLDERS. Without a card, it'll be a great deal more. It hasn't been decided yet, but maybe you won't even be able to go.

Besides all this there are still more football games, free with your card; and dances, free with your card; and concerts, free with your card; and basketball games, free with your card; not to mention wrestling, swimming meets, water polo, golf, soccer, badminton, and baseball games, free with your card!

Drama productions, six of them all top-notch plays, for one dollar, provided you have a card, twice that much if you don't.

Monday is absolutely the last day cards will be sold until the first winter quarter. You are evidently a very dense person with complete lack of school spirit, co-operation, and social responsibility if a student body card isn't in your possession by Tuesday.

—Finley.

15 YEARS AGO

● By BILL MORROW

Know the school and your classmates! This plea from the type-writer of a student columnist in the "State College Times" of October, 1926, seems to signify that San Jose was expanding in enrollment and size then as it is now.

The Men's club of the college had just held a highly successful chicken dinner, with such faculty notables as Karl S. Hazeltine and William H. Poytress guest-speaking to the 100-odd men present.

The Student Affairs committee released what amounted to a lawyer's brief of "rules and regulations of Student Body Dances", complete with eight sections and sub-sections.

The Spartan Knights were reorganizing with Bob Rhodes as Duke.

Bill Hubbard (our former basketball coach) was the star full-back on our football team, which had just held Modesto J. C. to a scoreless tie.

"Count de Stars", sports columnist, saw in this the possibility that "we may begin to hope for a little success on the gridiron this year."

Southern Cal's "thundering herd" had just murdered Santa Clara 42-0, which the "Times" announced with understandable glee.

A feature article on "How American Football Is Played" was on the sports page, in which the game was described in painful detail. Might not be a bad idea to re-run that now for some of our go-eds.

The college band boasted a membership of twenty-five men, the college cafeteria reported a rushing business, Harrison F. Heath was the new mathematics instructor, Bill Sweeney was editor-in-chief of the paper, and the "Times" humorist came through with the following 1926 quickie:

"My new 'fliv' has a good pick-up—twenty gals to the mile."

On-Campus

A word of appreciation should go at this time to the 75 or so merchants of San Jose who advertise in our paper. If they are willing to play ball with us, we should co-operate with them by patronizing their places of business.

Year after year, the same merchants show an interest in us and boost the college whenever it is possible. Why don't we reverse the

issue and hold a "San Jose State College Merchant Appreciation Week"—let the local business men know, when we drop in and buy something, that we are from San Jose State college—that we read their ads in our Spartan Daily?

We rarely mention personalities, but in this case it's almost unavoidable. In a number of window displays in town are small models representing different universities. For instance, there are brown Broncos with red "SC's", golden bears with big "C's", and brown Indians with bright red "S's" in different windows in town.

Our Art department is a good one... It should be a very easy matter for some one from that department to design a figure or "mascot" for us . . . one which would be suitable for display purposes.

Half of the fun of going to a football game is to join in enthusiasm with the rooting section. The

rally committee is making plans for the Hardin-Simmons-SJS game a week from Friday.

The committee asks that all students bring either rooster's caps or gold and white pom-poms to the game. If everyone co-operates it'll make our rooting section colorful, and give the visiting team from Texas a real eyeful of California spirit.

Now is the time for us to forget about ourselves a little and think of others. This coming week starts the annual campus Community Chest drive. When you come right down to it, we're a lucky bunch. We're in college, and receiving an education, meeting new people and having a wonderful time.

It might mean a small sacrifice for us to give to the Community Chest, but we can do without a show or candy bar for a day. Think what it will mean to someone who is less fortunate than ourselves.

Gilding The Lily

● FLORENCE SCUDERO

She shall have music wherever she goes—

If co-eds aren't swinging miniature bells on their wrists, then they're jangling bangles. It's smart to wear as many as you can, but if they're wider than usual, two or three are plenty . . . if you're on a date, slide a couple over your gloves.

Scarfs are definitely in this season . . . and mighty strange looking too. The newest are wider at the ends and narrow at the part going 'round the neck. Add a touch of color with initials on yours . . . Scarfs will come in handy these breezy mornings . . . Don't you think so?

Neckwear is classier what with the beautiful pearls the gals are wearing. The longer styles seem to be the campus favorites, but we've seen some mighty nice shorter ones . . . either one, two or three strands . . . take your choice.

Co-eds are bringing romance to their ears . . . or haven't you noticed the cute heart and arrow-shaped earrings? With the ear definitely in the limelight, on a count of the latest hair-dos, it's no wonder that they are being decorated.

NOTICES

Will the following men please pick up letters in co-op boxes: Stan Inman, Dick Rodrick, Dick Fry, Jack Wright, Elwin Ballou, Ralph McGrady, Al Gross, Bud Rose and Bud Hefner.

All senior class officers and nominees please meet in the Student Union at 12 o'clock today. —Lew.

All Washed Up?

Are you all washed up? If you're not, you have ample opportunity to be, for there is a wash bowl in the entrance to the old library. There is a wash bowl in room 122. There is a wash bowl in the new social science office.

These are all posted in most convenient places for a community clean-up.

State Poloists Meet Olympic Club Tonight

Spartan Daily Sports

SAN JOSE, CALIFORNIA, FRIDAY, OCTOBER 10, 1941

FRESHMEN BATTLE MODESTO

VARSITY, FRESHMEN SEEK REVENGE FOR DEFEATS; FIRST GAME AT EIGHT

Both the freshman and varsity water polo team will take to the pool tonight seeking revenge for last year's twin defeat suffered by both squads at the hands of the strong San Francisco Olympic club and second teams.

The freshman septet will face the Winged "O" B team in the opener at 8 o'clock and the varsity will encounter the first team in the finale at 9 o'clock.

The probable starting lineup for the varsity will find Dan Mehan in the goalie position; Egon Hoffman and Don Thomsen at the end positions; Al Corcoran in the center back spot; and Douglas Con, Marty Taylor and Delmar Armstrong on the forward line. Arker Snow, forward from last year's frosh squad, will probably see action because of a cold. Roger Freller will see action as a reserve forward.

Last year the Olympic septet outed the varsity by scores of 5 and 5-4, winning the first with one minute to go. Both teams have suffered from losses and it could be an even battle, states Walker.

The freshman, still somewhat inexperienced, will face the Olympic reserve team composed of players who are too inexperienced for the first team.

Last year the reserves defeated the frosh in the opener by a 4-1 score but the yearling team came

INTER-FRATERNITY SPORTS UNDERWAY NEXT WEEK

Inter-fraternity sports will get under way next week with the first rivalry being displayed on the gridiron in touch football.

The games will start Tuesday afternoon at 3 o'clock on the San Carlos turf with six fraternities entering the tournament. The teams will be composed of six men each and six-man football rules will apply, according to Bob Roberts, chairman of the tourney.

All fraternities entered are asked to turn in a list of participants to Bob Roberts as soon as possible.

The six fraternities competing are Gamma Phi Sigma, Alpha Pi Omega, Beta Chi Sigma, Sigma Gamma Omega, Delta Sigma Gamma and Delta Theta Omega.

There will be two games each Tuesday and Thursday afternoon with the Gamma Phi team meeting the Alpha Pi Omega gridders and the Delta Theta Omega team clashing with the Delta Sigma Gamma six in the opener. Hal Caruth, Physical Education major, will be in charge of the officiating, states Roberts.

Inter-fraternity sports will continue during the year with basketball, track and baseball tournaments being played.

back strong in the second encounter and were barely nosed out 7-6.

The lineup will consist of the same men that started in the opening encounter plus the services of Jack Van Housen, who was out of the first game.

Spartans Plan Passing Attack Against Aztecs

(Continued from Page 1) Hardisty a rest. Lindsey because of a possible recurrence of an injury to his back, and Hardisty because he is still weak from a flu attack early this week.

STONE WALL
One pleasing thing to the Spartans is that the Aztecs' line will not outweigh them, and it is for this main reason that the Spartans are favored tonight. If Bill Donnelly, one of the best ends on the Coast, according to Coach Winkelman, Gray McConnell, Ken Stanger, Wilbur Wool, Don Allen and co-captains Bob Hamill and Ed Wenberg continue the work they have done in the past, the Aztecs are going to have to dynamite their way through the line.

On the other hand the Aztec line is composed of but two veterans from last year's squad and will be made up mostly of sophomores. The Spartan half backs Bert Robinson and Aubrey Minter, along with the fullbacks, should take advantage of this lack of experience to carry the Spartans to victory.

LINEUPS
The starting lineups for the two teams will be:

BOWLERS—COME ONE, COME ALL

"We'll challenge any faculty bowling team on the campus, even the Physical Education department," Dr. Earl Atkinson, head of the Commerce department, grimly announced today.

Warming up to his subject Dr. Atkinson said that in a modest way the commercial department faculty was "pretty good." They meet every Wednesday night and bowl to their heart's content.

High point man for last year was Milburn Wright with 157 average for the year. Hot on his trail was Carlton Pederson with 154, followed by Dr. Atkinson at 147.

SPARTAN STADIUM SCENE OF PIRATE ENCOUNTER TOMORROW AFTERNOON

The Spartan yearlings, weakened by numerous injuries, will battle Modesto junior college tomorrow afternoon at 2 o'clock in Spartan stadium.

In their last heavy scrimmage before the game, the freshmen turned loose with everything and looked better than at any time this season. While the physical contact was good, according to Coach

Chauncies, Police Win Openers

The Chauncies took the measure of the Coinsados 24-6 in the opening week of the intramural football tourney. The Chauncies lead 12-0 Tuesday and came through with two more yesterday in the second half.

The Police School team poured it on in the second half yesterday, winning 32-0, after having a half time lead of 12-0 Tuesday. The Stinkers overtook the Bobcats in the second half for their first victory. The Spartan Stag team will play next week.

Winter, the team's spirit and fight was what especially impressed the onlookers.

A knee injury to Bob O'Brien, second string quarterback, puts Elvin Volpi in the signal calling spot as the regular quarter. Bill Perry has just thrown away his crutches, and it is doubtful if he will see much action.

The Modesto line will be bigger than either the Salinas or Santa Rosa line and the freshmen will be outweighed several pounds to the man. In the backfield there are three exceptional backs. Lou Bronzan, at quarterback, and left half Ed Johnson operate with plenty of speed and deception from the T formation which Coach Fred Earle has installed. At the fullback spot they have Chuck Coker, who has torn apart the middle of every team they have faced with his terrific power straight ahead.

Winter, being a coach who believes in a team following the line of least resistance, has been teaching the frosh to go around and over this big Modesto outfit. He has already perfected several of his special touchdown plays and is adding to the assortment day by day.

NEWS BRIEFS

DEBATE MANAGER ELECTIONS TODAY

Debate manager election will be held until midnight tonight in room 165, and all students who have signed up to participate in debate may vote, says Miss Lawson of the Speech department.

Tryouts for the monthly debate conference at the University of California will be October 14 in room 49 at 8 o'clock.

Plans for an inter-squad debate tournament to be held in December are being made. The tournament will be the basis of choosing the leading teams and speakers. The National Debate question, "Should the Federal Government Regulate Labor Unions?" will be used.

BANQUET HELD BY COMMERCE MAJORS

Commerce majors in the special secondary field held their annual fall get-together last night at O'Brien's Pompeian room. Approximately 75 persons attended.

Dr. James DeVoss was the speaker. He discussed the various problems of teacher training. Other professional guests in the business education field also made short addresses.

The affair was held on the general theme of "get acquainted". "Know your neighbor and a little bit about him" proved to be a good starter, resulting in one of the most successful events in the department's social calendar.

REPORTER TO SPEAK MONDAY

Students who have student body cards can obtain 35-cent tickets to hear Jay Allen, war correspondent of the Chicago Tribune, speak Monday night at the Roosevelt junior high school, according to Dean of Men Paul Pitman.

Jay Allan will speak on "Can This War Be Won?" and tell of his experiences as a reporter in Europe.

Tickets may be obtained from Dean Pitman at his office.

Delta Sigma Gamma Picks Nine Pledges

Nine students were pledged at the last meeting of Delta Sigma Gamma, social fraternity, during the early part of this week.

Those pledged are Kenny Alford, Alfred Guetting, Douglas Bacon, Eurch Oalkoon, Dick Knox, John Nickolson, William Vert, Ray Murray and Lee Thrash.

Curt Bowman was elected pledge master and George Morris, recently elected to the council, was appointed to be in charge of publicity.

Plans for a Hallowe'en dancing party to be held in the fraternity house were discussed. A barn dance is planned for later in the season. Both affairs are under the direction of Mervin Sheets, program chairman.

Geology Club Will Have Noon Meeting

The Geology club will hold its first meeting of the quarter today at noon. The group will meet in the Science building, room 228.

Val Reese, vice-president, will be in charge of the meeting and invites all students interested to feel free to attend.

FLOWERS Are Always Good Taste

FRATANGELO'S FLOWER SHOP

55 N. 1st St. Ph. Bal. 919

CONSUMERS HEAR S. J. BUSINESS MEN

Members of Dr. Atkinson's 10 o'clock consumer's education class have heard two non-faculty speakers in the last week.

Yesterday Mr. Harry Knox, manager of the San Jose Better Business Bureau, spoke on "Truth in Advertising". The various methods of misleading the public were ardently dissected.

Tuesday, October 7, Mr. W. P. Stockton, secretary of Consumer's Equity, Inc., discussed "Trading Stamps as Trade Stimulators".

Dimmick Makes NYA Announcements

NYA jobs for women are filling up rapidly, according to Miss Helen Dimmick, dean of women.

There is a little extra money this month, and those already appointed may have a chance to earn it if they get in touch with Miss Dimmick in advance. This NYA month ends Friday, October 17, at 5 p.m.

Miss Dimmick requests all those who have completed their time before October 17 to hand in their cards to Miss Muriel Clark or Miss Dimmick herself.

If cards are handed in as soon as the hours are completed, it will hasten the work on the payroll.

EQUESTRIANS HOLD BARBECUE

New members of the Riding club were honored at a barbecue at Alum Rock park last night. Supper was at 5:30, after which members listened to music furnished by radios and by "cowboy-minded" ukulele enthusiasts.

New members are Harriet Carpenter, Jane Englehorn, Hazel Palmtag, Connie Kaster, Gayle Weatherford, Betty Bunds, Harriet Sheldon, Winifred Hand, Dorothy Jones, Chet Thomas, Brier McNeil and Harry Roberts. They were chosen from the 35 students who appeared for try-outs on Friday and Tuesday.

EX-STUDENT AT LAW SCHOOL

Yesterday the one student out of 36 who three years ago signed up with the Pre-Legal club adviser, Owen M. Broyles, and stuck to his professional aim, visited his former instructor.

AT SANTA CLARA

He is Masao Kanemoto, now in his third year in the Santa Clara School of Law and one of four students left out of 12 who started out there together.

Kanemoto noted how the draft has taken many of his fellow students — among them Al Britton, former State student, who completed two years at Santa Clara and then, knowing he was to be drafted, enlisted. Britton is now a sergeant at Moffett Field and coaches boxing.

DRAFT DEFERMENT

Kanemoto himself has a deferment only until January 1. He told Mr. Broyles that he hopes to secure a further deferment until after the first of October in order that he may take the bar examinations.

At a future meeting of the Pre-Legal club, Mr. Broyles hopes to have Austin Warburton, graduate of San Jose State college and Santa Clara Law school, speak. Warburton has just taken his bar examination.

The next meeting of the Pre-Legal club will be held Monday at 12:30 in room 122. All those interested are welcome to attend, according to the club adviser, Mr. Broyles.

BENTEL TELLS USE OF PICTURE SLIDES IN SCHOOL

Kappa Delta Pi, educational fraternity, held its first meeting of the year Tuesday evening in room 155.

Dwight Bentel of the Journalism department, spoke on the subject, "What could be done educationally through the use of picture slides in the school room?"

Bentel has spent a great deal of time in the preparation of these pictures. According to Art Tindell, who presided at the meeting, the program was found very interesting.

The group plans to do many things to better their members as future teachers, such as bringing in people in various fields to form panels for discussions on their specific field, and also bring in some one from the Personnel department to give hints in the procuring of jobs, according to Tindell.

Future meetings of the group will be on the first Tuesday in every month.

Red Cross Unit Meets In New Headquarters

Campus Red Cross auxiliary, composed of faculty women and women students, will resume their work for the year Tuesday, October 14, in new headquarters.

NEW QUARTERS

The unit has moved from the Science building to room 36 of the Home Economics building, where sewing machines, shears and other equipment are available.

Both knitting and sewing will be undertaken by the group this year. They have committed themselves to complete 100 "toddler packs", consisting of outfits for young children.

CAPTAINS MEET

Captains who served with the Red Cross unit last year will meet Monday at 4 o'clock in room 36 of the Home Economics building to reorganize the project. Miss Bernice Tompkins of the faculty is the sponsor.

The campus Red Cross unit serves as an auxiliary to the San Jose Branch of American Red Cross. Co-eds and faculty women volunteer to work in campus headquarters during whatever hours they can spare each week.

ENGINEERS' SUPPER MEETING TONIGHT

Epsilon Nu Gamma, honorary engineering society, will hold its weekly supper meeting tonight at 6:00 at the home of Ralph Smith, adviser, at 122 Cleaves Ave.

INFORMAL MEETING FOR FRESHMAN COUNCIL

Chamberlain Chosen Club President

At a meeting of the Sociology club held last week Enid Chamberlain was elected president; Jane Desmond, vice-president; Marcelle La Chabre, treasurer; Virginia Mangnussen, secretary; and Joel Lawless, publicity chairman.

Three alumni members working in the County Welfare Department spoke informally. They were Patricia Brethauer, Clarice Smith, and Jean Smullen.

They told about their work and stressed the importance of gaining as much practical experience as possible while still in college.

Ann McLaughlin, senior, also spoke. She told of her experience on a trip to Alaska this summer.

NEWBY EXHIBITS HAWAIIAN FILMS TO STATE FACULTY

L. C. Newby, head of the Modern Languages department, took advantage of a year's stay in Honolulu to collect several hundred color pictures of the beauties of the Hawaiian Islands.

He invites all faculty members and their families to see some of these pictures Tuesday night at 7:45 in the Little Theater. The collection includes scenes from the islands of Hawaii, Oahu, Molokai, and Kauai.

Mr. Newby took a leave of absence last year to teach at the University of Hawaii. An exchange teacher, Mr. John Aguiar, came here to teach in his place. Miss Meta Goldsmith was acting head of the department during Mr. Newby's absence.

Outstanding among the color slides that will be shown Tuesday night are those of island craters and some of flowering trees for which the Territory of Hawaii is famous.

An informal get-together of freshman council members will be held Monday night at the Student Center, 120 E. San Antonio street from 7 until 10 o'clock, according to the freshman council social affairs committee, which met Wednesday evening in the Student Union.

There will be an admission of ten cents for each member attending. According to the committee chairman, Nancy Hill, the affair is to be strictly informal in dress and in spirit.

The committee hopes all members will attend as it is an opportunity for them to become better acquainted and thus more intelligently elect class officers when the time comes.

Mr. Wesley Goddard, of the English department, will be present for the get-together.

The next business meeting of the council will be Thursday night at 5 o'clock in the Morris Day auditorium.

TENNIS MEETING OPEN TO NETTERS

Women students interested in tennis are invited to a meeting of the Tennis club today at 4 o'clock to announce club officials. The group will meet in front of the Women's gym, and will leave for Backus park at 4:15.

Persons interested will bring their own tennis rackets and tennis balls.

Automobiles for transportation are also needed, says Miss Katherine Howard, adviser.

Arilee Hansen is the autumn quarter president of the group with Rina Biasatti, AWA representative.
