### Land Police Send Draft For \$6,085 Covering SJS Trip

Note: The following letter received by Charles Stewart, controller, from the Chief of Police in Honolulu, yesterday. The Hawaiian team received this contribution from the Police relief fund.

Dear Sir: We enclose draft for \$6,085.02, in payment of the expenses incurred by the San Jose College football team on its recent trip to Honolulu, as per your statement of September 29, 1942.

On behalf of the Police Department I wish to thank the college for the splendid cooperation extended to us in connection with our relief association. The public, of course, was greatly disappointed because of the cancellation of the game, as San Jose has a great following here and its football teams always won the admiration of local fans through its fine record of sportsmanship.

I also wish to pay high tribute to Coach Winkleman and the members of the football team for the assistance that they extended during the attack. They all performed a grand job and are to be commended for the manner in which they pitched in to do their share.

The following members of the team, as you perhaps know, are: Joseph Don Allen, Chester Carsten, William Donnelly, Jack F. Licari, Paul Lindsey, Paul Tognetti and Stanger. All of them are performing magnificent work.

After the war, we hope that San Jose will be the first team to come back to play for the Police Benefit. I have taken this matter up with Theodore Pump Searle, Graduate Manager of the University of Hawaii, who is very much in favor of bringing your team over again. Assuring you of our grateful appreciation for the splendid cooperation that has been extended by the San Jose State college.

Very truly yours,  
W. A. Barielson,  
Chief of Police.

### Newman Tickets On Sale Tomorrow

Tickets will go on sale tomorrow for the Newman club "Friday Thirteenth" Barn dance featuring the California Ramblers, specialists in cowboy music. Price of tickets will be 40 cents, and may be obtained at the Controller's office, Newman hall, or from any club member. Dancing will be from 9 to 1 a. m. Guests may come as couples or stags, and jeans, slacks, and cowboy outfits will be the vogue. John Kain, social affairs chairman, is in charge of the committee preparing for the dance. Theme of the dance is "Friday Thirteenth" superstition, and a real cowboy atmosphere will prevail with guests attempting old time square dance and Virginia reels, Mary Cleary, president, announces.

### First Performance Of O'Neills' "Ah Wilderness" Opens Tonight At 8:30; Shows Tomorrow And Friday

The first drama production of the Winter quarter will open tonight as Eugene O'Neill's "Ah Wilderness" goes on the boards for a three-night run in the Little Theater. The curtain goes up at 8:30.

Tickets for the three performances may still be obtained in the Speech office, room 155. Price to A.S.B. members is 28 cents and non-student body members and outsiders will have to pay 55 cents. This includes the amusement tax.

### Swing Is Theme Of AWA Jamboree

Swing will be theme of the 1941 AWA Jamboree scheduled for the 20th of this month.

Inaugurated in 1933, the Jamboree is an annual affair sponsored by the Associated Women's activities.

**IN THE PAST**  
Back in 1933, before anybody heard of "Swing" in connection with music or dancing, the Jamboree was called recreation night and was devoted to games and refreshments.

1942 rolls around and this year's Jamboree combines games, refreshments and "swing" into one big night's entertainment called "Swing Ding."

**STAFF AFFAIRS**  
The Jamboree is a stag affair with the entire student body invited, announced Arilee Hansen, general chairman for the affair.

Committee heads chosen are: Eileen Gibbs, decoration chairman; Janet Anthes in charge of publicity; Stell Siglin, entertainment; Rina Biassetti, refreshments; and Jewell Abbott, games. Tom Taylor, Spartan yell leader, will be master of ceremonies.

### Defense Exhibit

Stressing the importance of reading as an asset to national defense, the educational room of the new library has books on display which depict the American way of life.

These books are on a variety of subjects dealing with democracy. They have to do with national defense, liberty, the evils of war, stories and history of the United States Navy, and stories of the airmen who have made American pilots famous for their fighting skill.

Pamphlets put out by the United States Marines, showing how to respect and display our flag, are offered free to students, as are small stickers for automobiles urging America to "keep 'em flying."

### POET DISCUSSED

Dr. R. W. Barry, head of the English department, will give the first in a series of addresses on contemporary poets tomorrow at 3:15.

The address will be given in room 210 of the new library. Dr. Barry's subject will be "Edwin Arlington Robinson." Robinson, American poet, received Pulitzer prizes for his poetic works in three different years—1922, '25, and '28. Dr. Barry will discuss Robinson's life and style of poetry.

All faculty members and interested students are invited to attend.

### Nikkel And Johns Pace Stockton Quintet In 52 To 38 Win As Spartans Again Falter Along Comeback Trail

By BOB CONNER

Leading all the way, the College of Pacific Tigers defeated the San Jose Spartans 52-38 last night at Stockton.

Led by Bob Nikkel, at the forward post, who scored 14 points for top honors of the evening, the Tigers were never in danger. At an early stage of the game the COP five had a 17 to 1 lead over the Spartans. The half-time score was 24-15.

Dutch Boysen, with eight markers, was high point man for the Spartans with Roy Diederichsen next with seven points. Joe Johns, College of Pacific guard, scored ten points for the Tigers.

The victors were sparked by the play of Nikkel and Bob Henning, a San Jose boy. These two carried the brunt of the Pacific attack.

The main fault of the Spartans was that they were unable to hit the basket with any consistency, making only 14 buckets out of 56 shots.

Bill Helbush, San Jose State guard, fouled out of the game early in the second half.

Undoubtedly the fan-shaped backboards which are about half the size of the rectangular boards in the Spartan gym, gave the San Jose five some trouble, although Coach Walt McPherson had tried to give the Spartans some practice with the new type board by painting two of the backboards in the local gym.

### KSJS Requests Original Scripts For Broadcast

KSJS, radio speaking society, needs scripts for its weekly broadcast over station KQW.

R. L. Irwin, club adviser and radio speech instructor, and John Shephard, KSJS president, stated this fact in a recent interview.

"KSJS urgently needs short original student written plays suitable for radio presentation," Irwin said. The plays must be timed for a 15-minute program and may be upon any presentable theme.

"At present KSJS is doing a series of plays upon an American patriotic and historical background in cooperation with the National Defense program," Shephard added. Scripts may also be dramatizations of well known short stories.

Irwin pointed out that student written productions would increase interest in the Saturday afternoon broadcast. In connection with this he said, "Comments from listeners will also be appreciated." One only needs to mail a penny postal card to Station KQW, San Jose, commenting upon the student motivated program.

Furthering their plea for scripts, club leaders said that even if a prospective author had only an idea for a radio sketch, to present it to Irwin for possible aid.

### REITZEL PAINTINGS ON EXHIBITION AT SANTA CRUZ SHOW

Two oil, marine paintings by Dr. Marques E. Reitzel, head of the San Jose State college Art department, entered in the thirteenth annual state-wide Art exhibition of paintings in Santa Cruz, were accepted, it was announced yesterday.

His paintings, "Breakers," and "Beach Party," two marine subjects were completed over the Christmas holidays at the coast.

Dr. Reitzel said, "Of the 160 paintings accepted at the exhibit, many were by prominent painters.

Dr. Reitzel's paintings were the only paintings that were accepted from San Jose. Types of paintings included in the exhibition were oils, water color, and pastels.

He said, "The significance lies not in the prizes won from these exhibits but from the recognition gained by exhibiting them."

### Gamma Phi Sigma Informal Sunday

Gamma Phi Sigma fraternity will hold an informal open house for the faculty Sunday from 4 to 6 o'clock at the fraternity house, 202 South Eleventh street, announces President Orrin Turner.

Purpose of the reception is to better acquaint the faculty with the home and activities of the fraternity. An art exhibit and a musical program will be held during open house hours. Invitations to faculty members, their husbands or wives, have already been sent out, Turner said.

Refreshments will be served with Misses Tildy Lindeman, Marian Fisher, Elena Lindeman, and Myrtle Peters helping out at the table.

### Sigma Kappa Alpha

Sigma Kappa Alpha, Honorary History society, initiated four new members at the home of Dr. Olive Gilliam Monday night.

The pledges initiated were Jane Ellen Curry, Janet Manha, Marian Sinclair and Douglas Hayward. Another student, Harry Benson, was expected to be admitted to the society but left school in favor of the armed services.

Robert Gitler of the library staff was also made an honorary member.

After the initiation ceremony a social evening followed with music and games.

### Stanford Fins To Invade Local Pool Tomorrow Night

Stanford university will invade the local pool tomorrow night at eight o'clock to battle Coach Charley Walker's once-defeated varsity swimming team.

The Indians, who have one defeat and one win chalked up to date, are fairly strong in the sprints and distance events. Ted Munroe is expected to give Walter Sindel a battle in the 440 and 220 yard free-style swims.

Brad Young and Don Smith are expected to garner points in the sprints and teamed with Bill Maple and Rey Rule are expected to take the 440-yard free-style relay.

However, the Indian mermen are weak in the diving, breast-stroke and backstroke events. Considering this, the Spartans should have an equal chance against the invaders and could take the meet, states Coach Charley Walker.

## THE UNFORTUNATE GENERATION

We, the young men and women of America, are laboring under greater difficulties than any previous generation. The war threatens us all, either directly or indirectly.

The men of the college, being ideal military material, are subject to the draft or are needed in industries to run machines and make the tools for modern warfare.

The women are equally affected. Some will have to quit school because their parents can't afford to continue sending them to school when their small businesses have been made non-existent by priorities. It has also been recently announced that women will be drafted to work in war industries.

All of these factors tend to make us feel insecure and uncertain. We lose all incentive to work. Study seems like child's play.

This is irrational and emotional.

Let's look at the situation reasonably. It's happened before . . . other generations have lived through situations like this and come out the better for them.

Buckle down, comrades. Stick with it.

## Freshman Cage Squad Tangles With Exchange Linen Five Tonight

Victory may come hard to the freshmen cagers when they meet the Exchange Linen squad in Spartan pavilion at 7 o'clock this evening.

The strength of the Exchange Linen five was not held by freshman Coach Frank Carroll as too great for his charges when the game was scheduled. However, Monday night's victory by the Linen team over the First Methodist five 44 to 37 has changed Carroll's outlook.

The uptown cagers boast a smooth working outfit with a couple of sharp-shooting forwards in the persons of Paul Rose and Chuck Smith. Hank DeDiego, a steady guard, is also an outstanding scoring threat.

Leading the yearling attack will be tall Porter McConnell, at the pivot post, and flashy Paul Corbusiero at one of the forward positions. These two men have been the backbone of the freshman offense all season.

The other starting positions will be filled by Greg Sargent at forward and Colin Hill and Bill Rodriguez at the guard spots.

## Wrestlers Grapple With S.F. State

San Jose State's varsity wrestling team will get its first taste of competition Friday night when it battles San Francisco State in the Civic Auditorium at 7:30.

Bolstered by freshman from last year and transfers, the grapplers are expected to almost equal last year's team and should win their share of honors, states Coach Sam Della Maggiore.

Ivan Olsen and Leroy Charlesworth will hold down the 145-pound division; Bobby Sakamoto will wrestle at 121; Dave Hines will carry the battle in the 165 division; John Casselman will grapple at 155; Hans Wiedenhofer at 175; and Gray McConnell will hold down the heavyweight spot.

Last year the grapplers had little trouble with the Bay City team and are favored to capture the meet Friday night.

## Ten Bouts Slated For Boxing Meet Here Friday Night

Ten bouts have been lined up for the three-way boxing meet scheduled for the Civic Auditorium Friday night, in which teams from Moffett Field and San Francisco State college will engage the varsity pugilists of San Jose.

Moffett and San Francisco are both sending five-man squads, with the possibility that the soldier team may add another fighter or two to their list, depending on always uncertain army plans.

### FIGHTERS WELL MATCHED

Dee Portal, San Jose boxing coach, has placed his own boxers against these two teams with particular care, with an eye to giving the expected crowd some well-matched bouts, and of course with the understandable motive of assuring at least a few victories for his charges.

### The fight card as it stands now:

- |  |          |
|--|----------|
| Moffett  | San Jose |
| 128—Al Pierce vs. Dick Miyagawa                              |          |
| 128—Tom Bigelow vs. Don Haas                                 |          |
| 135—Ernie Aguirre vs. Charles Townsend                       |          |
| 165—Al Lane vs. Woody Gibson                                 |          |
| Hvyt—Swede Nielsen vs. Frank Minini                          |          |
| S.F. State   | San Jose |
| 135—John Tash vs. Sergio Bonetti                             |          |
| 135—John Kikuchi vs. Bill Harris                             |          |
| 140—Terry Kilpatrick vs. Ken Sheets                          |          |
| 145—James Haran vs. James Hamilton                           |          |
| 160—Ernie Leydecker vs. Russ Hofvendahl, or Roy Diederichsen |          |
- Ken Sheets may be unable to fight, says Portal, due to a bad knee.

## COLLEGE TRAINING COURSE OFFERED BY CIVIL SERVICE

The United States Civil Service Commission is offering a three months' college training course, with pay, for the qualified men between the ages of 18 and 35.

Applications will be received from students who have the following requirements: 1. completed a one-year college course in engineering, or, 2. completed a two-year general course including nine units in each of the following: mathematics, chemistry, and physics.

## KEN SHEETS ELECTED TO SOPH GENERAL COUNCIL; FEBRUARY 21 TENTATIVE DATE FOR CLASS HOP

Sophomore class officers, executive and general council met yesterday noon and elected Ken Sheets to the general council and discussed plans for the Sophomore Hop, which is tentatively set for February 21.

Because of misunderstandings as to the identity of class officers and members of the executive and general council the correct list follows:

## Art Wing Exhibits Prints Etchings Of Prairie Artists

An extensive display of art prints loaned to the San Jose State college Art department by members of the Prairie Print Makers are now on exhibition in the Art wing.

The wide display of etching, portraits and sketches portraying a wide variety of scenes, are the prints of a difficult process of engraving. Among the different processes of print makers are lithographing, etching, engraving, drypoint, woodpoint, color etching, linoleum cuts and engraving.

The main difficulty of producing these prints lies in the intricacies of engraving or cutting the small fine lines in the original print. In lithograph prints the artist draws his picture on a wax covered stone. Then the stone is covered with acid which cuts into the stone where the wax was scratched away. Woodpoint prints consist of cutting away from the lines drawn on the woodblock and drypoint is the carving by a needle into copper.

The expensive material involved in the making of these prints was a primary reason for the organization of the Prairie Print Makers. Members pay dues each year and in return receive a number of prints. The sixty artists making up the active membership exhibit their works throughout the United States. The type of prints exhibited are given on the main display board.

All men students who have not called for their work cards by tomorrow noon will be dropped from NYA.

## SAYERS APPOINTED CHAIRMAN OF CAMPUS, CIVILIAN SPEECH BUREAU

John Sayers, junior speech major, was appointed chairman of the Speakers Bureau for campus and civilian defense at the meeting of the Civilian Defense committee Monday afternoon.

Sayers, a member of the Varsity Debate squad, will head a group of campus public speakers who will appear before campus and city service clubs to discuss civilian defense.

There will be a meeting of the Pre-Nursing club Thursday noon, in room S227. Final plans for the trip to Santa Clara County Hospital will be discussed.

There will be a meeting tomorrow in "Y" club rooms. Those to be present are Betty Hand, Jane Jillson, Ellen Isaksen, Russ Oakes, Jean Douglas, and Ellen Okagakai.  
—Mary Ellen Emig, Chairman.
