

# Spartans Drop Thriller To U. S. F. 20 To 13

## Men To Be Advised On Services Here Wednesday, Says Pitman

"Judging from the number of withdrawal slips that have passed through my hands, a great many men are getting panicky and rushing into the service before the draft hits them. I hope that the rest of our men students will steady themselves and wait until the Joint Traveling Board comes to the campus Wednesday for reserve enlistment," states Dean of Men Paul Pitman.

Men interested in joining one of the reserve programs should drop into the Dean's office and find out what papers

are required for enlistment for specific reserves. "These papers should be obtained and presented to the board Wednesday and Thursday for approval, for it has been found that seven out of ten applicants have the incorrect passport when the time for enlistment at Valley comes," announces Pitman. The Traveling Board will return to the campus November 12, 13, 14 for enlisting men in the Army reserve, Air Corps reserve, Navy V-5 and V-7, and the Marine Corps reserve.

**FOR ALL MEN**  
Officers comprising the Traveling Board will speak to men at 9 o'clock Wednesday morning in the Morris Dailey auditorium. All men are asked to attend, as the Army, Navy, Air Corps, and Marine Corps officers will answer questions asked by students already enlisted in some reserve.

Men already enlisted in a reserve will be dismissed for 11 o'clock classes, but others will remain to hear additional information regarding the reserve programs. Women students will meet in the Little Theater to hear information regarding enlistment in the Waves, women's Navy auxiliary corps.

**ANSWER QUESTIONS**  
Officers in the Traveling Board will also be on the campus Thursday to answer more specific questions regarding the various reserve programs. From 11 to 12 o'clock on October 28 and 29, representatives from Navy V-5 will be in room 127 to answer group questions. Marine Corps officers will be in room 139; Navy V-7 in the Morris Dailey auditorium, and Army E. R. C. and Army Air Force in room S112.

At 1 p.m. on Wednesday and Thursday the groups will shift to different rooms. The Navy V-5 conference for men interested will be held in room 118; Marine Corps, room 21; Navy V-7, Morris Dailey auditorium; Army E. R. C. and Army Air Force, room 13. Among the papers required for enlistment in the reserves is a statement secured from the Registrar's office saying that the applicant is a student at San Jose State college in good standing.

## Humor Inevitable in 'Male Animal' Playing Oct. 28-31

Humor is inevitable in the popular comedy, "The Male Animal," to be presented in the Little Theater at 8 p.m., October 28-31, for

According to Ted Hatlen, director, tickets for "The Male Animal" performances in the Little Theater, Wednesday, Thursday, Friday and Saturday, are still on sale in the Speech department office. Many first and second night seats are still available.

Author James Thurber is the noted cartoonist for the "New" (Continued on page 4)

## WILLIE STEELE, CHARLIE COOK COMBINATION NEARLY UPSETS DONS IN HECTIC GRID BATTLE

By JOHNNY HUBBARD

A speedy Negro, playing in a football game for the first time in his life, and a center made over into fullback almost beat U. S. F. at Kezar Stadium yesterday—almost, but not quite, because the Dons won the battle, 20 to 13.

The Negro, Willie Steele, one of San Jose's outstanding track stars last year, scored one spectacular touchdown and almost went over for another, and the story behind his feats is almost a "believe it or not." Sent in in the closing moments of the second quarter, when State was behind 20-6, and desperately trying to connect on a prayer pass, Steele made a beautiful catch of a long heave thrown by Charlie Cook and raced 25 yards through half the U. S. F. team to score 6 points for his team.

And here's what makes that play so remarkable—it was not only Steele's first game, it was his first play; it was the first time he had ever had his hands on the ball. That's one for the books.

The made over center was the above-mentioned Charlie Cook, who who not only made good on that pass to Steele but also almost sparked the Spartans to another and possibly tying score, just as

(Continued on page 3)

### SJS RESERVES

All SJS men registered in the Army, Navy and Marine reserve should go to the Registrar's office to make out an enlisted reserve card. It is necessary that the reserve know his serial number. These cards must be filled out before the joint procurement board arrives on Wednesday.

## La Torre Sales Campaign Extended One Week; Subscriptions Lagging

"Because La Torre sales are still lagging and so many students have not yet bought their advance subscriptions to the yearbook, we are extending our sales campaign to last this week," announces Jerry Becker, business manager of the annual.

A sales booth will be maintained in the quad between the hours of 9 a.m. and 3 p.m. Space rates are \$7.50 for a half

page, \$15 for a full page, and \$25 for a double page spread.

Miss Barbara Kurz, editor of the 1943 La Torre, warns organizations that this is absolutely the last week fraternities, societies, and clubs can sign up for page space. No cash is required for signing for the space; the money may be paid later, according to Becker.

## Alleged ASB Card Violation Hearing Scheduled To Come Before Student Court Tonight, 7:30; Stoffels Presides

The first student court hearing will take place in the council office in the Student Union tonight at 7:30 concerning an alleged student body card violation.

The first organized meeting of the court was held last Wednesday when this procedure was decided on:

1. A hearing will be held first, and the decision on cases will be given at a later date.
2. Subpoenas will be issued for witnesses and defendants by mail

and a later check will be made by phone.

3. Meetings will be held both in the evenings and in the afternoons depending upon the conditions and circumstances of the case. Meetings will be quasi-public.

The judges of the court are: Francis Stoffels, Chief Justice; Alice Lee Freeman, Arthur Grey, Jane Jillson and Marshall Kelley, Associate Justices.

Helen Donovan, senior commerce major, was selected as court clerk. She will be the only officer of the court other than the judges.

## NO PRICE RAISE FOR DSG BIDS FOR "STABLE STOMP" HALLOWE'EN NIGHT

"We're doing our part to help President Roosevelt keep prices down and avoid the disaster of inflation. Therefore, we are not raising the price of our bids over what they were last year. The cost to you remains the same—just 99c, tax included."

So spoke Bob Gager, general chairman of the DSG "Stable Stomp", in announcing that plans for his fraternity's dance, scheduled for Saturday, October 31, are proceeding on schedule, with bids being available from all members and pledges.

October 31, in case you've forgotten, is Halloween, and the stomp will be designed to include both the "spooky" angle connected with that day, and the traditional barn dance atmosphere.

Jeans, calico and other "strictly jerk" costumes will be the order of the day as far as clothing is concerned.

DSG President Harry Harter also announced another way in which the fraternity is complying with war-time regulations, stating that the dance will be held close to town so that nobody's tires will suffer. The location set for the "stomp" is Tracy Gardens, one-quarter of a mile outside of the city limits on San Carlos street.

## Men Volunteer To Work With Unit

Two hundred and forty-seven plus two. That makes 249 volunteers now working for the college unit of the Red Cross.

The 247 are the co-eds and faculty members who are sewing in room 32; the two are Claude N. Settles of the Social Science department, and Boris Gregory of the Language department, who have offered to press the garments made by the other volunteers.

Now that the men on the campus are beginning to do their part in working for such a worthy cause, shouldn't the rest of the girls rush over to room 32 and swell that first number to 3, or 447?

Along with the plea for more workers comes a request for two sewing machines from Mrs. Mildred Winters, general chairman of the unit.

"Anyone having a machine at home that they can donate for use in the Red Cross room should con-

## NEW HEIR TO HAWORTH WEALTH

Patricia Arlene Haworth, a newcomer to this vicinity, may be expected to enroll at San Jose State college in 1960.

But in the meantime she is residing expectantly at the home of her new-found parents, Mr. and

Mrs. Ed Haworth. Haworth, State college grad of '30, is the former college appointment secretary. He is now a lieutenant in the Navy and is stationed at Treasure Island.

Mrs. Haworth (Margaret Dean) is a graduate of '28.

Stan Smith: I have found a job for you. See me as soon as possible.—Finochio.

## JUST AMONG OURSELVES

By T. W. MacQUARRIE

That's a fine new masthead we have on the Daily—attractive, interesting, well done. I can remember when Milton Lanyon was a student here years ago. He has always been an artist and a public-spirited citizen.

Signs in the trees and on the walls—can you beat that! The nerve of those people. You'd think no one else had any rights around here. It was probably some thoughtless newcomer, some go-getter who shows up here every little while. The Players have always had a preferred location for their advertising. Some one went too far that time.

And that A.P.O. outfit. I'm ashamed of them. If anyone knows the college traditions, they should. I hope it was a neophyte who didn't know any better. I would be sorry to think that such a respectable group on the campus would take advantage of the rest of us.

Let's understand that there must be no indiscriminate advertising on the campus, and that bulletin boards must be kept to a minimum. No use spoiling a nice place with a lot of windblown and yellowed notices and with a lot of amateur advertising posters. It takes constant effort to keep those things down. If someone doesn't watch them, the campus will be a mess.

## CAMPUS COMMENT

By DEAN THOMPSON

—One of the most frequently told USO stories is the one concerning the building of the San Jose Hospitality House. The co-operation of the whole community in this project has been told from the border of Mexico to the coast of Maine and back via Florida and Washington.

Each time the Hospitality House story was told, other patriotic glimpses of San Jose were added. The housing of troops in vacant buildings, schools, and the Civic auditorium was played up. Local laundries cleaned uncounted numbers of mud-soaked Army blankets without pay, and received nationwide acclaim.

Last, but not least, was the effort of San Jose State college to make life in this area a little better for the men stationed here.

Weekly dances were held for service men. Often women students were furnished transportation in Army trucks to Moffett Field for such dances. Service men were welcomed to attend and participate in country dancing classes in the evenings at college.

All of this took place shortly after war was declared. Our hospitality during those few weeks—both the city's and the college's—has been spread to every part of our great nation.

Entertainment for the service men in and near San Jose has continued since those first few hectic weeks, and now it is to be aided by a series of variety shows for the various camps in this area.

The spirit behind such cam-

## College Alumni Are Proud Owners Of Defense Bonds

Proud owner of a \$1000 United States Defense Bond since February 23, is San Jose State College's Alumni Association.

Through authorization by executive board of the association which met October 22, Miss Robinson, secretary, bought the bond Friday afternoon from American Trust Bank.

The thousand-dollar bond is the largest ever purchased by a campus organization, and was bought by the Alumni Association Yancy Williams, ex-'33, who is president of the alumni, at the purchase.

Miss Robinson holds only one receipt for the bond at present. The real thing will be mailed to the alumni office from the Treasury Department.

Efforts to raise money for the campaign is the backbone of the service men's high morale. We co-operate in this effort by giving any help that we are qualified to give in aiding such a noble enterprise.

—Tonight the first of the Concert Series is to be given at Pons, soprano, is the artist at the Civic auditorium in the evening. The college unit of the Cross has set out an SOS sewing machine. I don't think that any student has one such his sleeve, but in case you (Continued on page 4)

**WHERE TO GO**  
WHAT TO DO

**Music and Gaiety**

FOR LATEST Record Releases  
**FRANK CAMP'S Music Studio**  
50 So. First St. CA 4352

**Italian Restaurant**  
When you are looking for a place that offers distinctive and appetizing food at reasonable prices, think of the Italian Restaurant on San Augustine street, and make your way there immediately.

If your fraternity, sorority, or club plans a banquet, you can be assured that your group will be

well served in the privacy of our second floor banquet room.

**Frank Campi**  
For the nation's latest record releases, go to Frank Campi's music store at 50 South First street. Blue Bird and Decca records featuring the nation's top bands.

If there is some record that is not in Frank Campi's stock, and you are desirous of having same, Frank will be more than happy to order it for you.

**Spartan Donut**  
When you oversleep and don't have time to make that 8 o'clock bus, and breakfast too, you can dash over to the Spartan Donut Shop for a bite before your next class.

Featuring fountain specials and short orders of all kinds, the Spartan Donut Shop is located on 4th street just opposite Washington square. It is ideally located for lunch, that between-class snack, or for that refresher after school.

**American Dairy**  
The American Dairy is the place for you if you like fresh, rich, wholesome milk, cream, ice cream,

butter and cheese. Prompt fountain service is another feature of this popular after-school spot.

The American is located at 17th and Santa Clara streets.

**Garden City**  
The Garden City Creamery is noted for its specialty sandwiches and all fountain goods. Located conveniently at 76 E. Santa Clara

street in downtown San Jose. Garden City is very popular with shoppers and students after games, rallies, and dances.

If you like tasty milkshakes, cream sodas, home-made cream, all the best in quality should make the Garden City Creamery your "hide-out" and see all your friends there.

SAN JOSE, CALIFORNIA, MONDAY, OCTOBER 26, 1942

## SPORTS SCRAPPS

By "SCRAPPY" SQUATRITO

Back on the campus last week was Frank Carroll, former Spartan freshman basketball coach and graduate manager. Carroll entered the Army Air Corps finance department last quarter. He is now stationed at Santa Ana.

The more we see of Bill Perry in action the more we think he's the greatest quarterback since Keith Birkem was bowling them over while playing for Dud DeGroot back in the late thirties. The Spartan grid machines have had some good blockers since then, but none has had the finesse and speed of Perry.

Incidentally, Perry was a member of the same San Jose high school team that included Stanford's Pete Kmetovic and Chuck Taylor, and two other stalwarts on the Spartan line—tackle Gray McConnell and center and captain Wilbur Wool.

We were watching Roy Diederichsen putting his soccer team through a tough scrimmage session the other night. Suddenly one of the players received a terrific kick on his shin which produced a lump as big as an egg.

Limping off the field, the player was greeted by the manager who excitedly yelled to Roy, "Hey, coach, shall I give him a shin guard?"

Gas rationing may start four days before the Fresno-State game, but that's not going to hinder a few of Sparta's ardent fans. Just the other day we heard Prexy Tom Taylor say that he was going to make sure he'd see that game by leaving three days early.

Taylor has not missed a game since he entered Sparta's halls. He's been as far south as San Diego, north to Oregon, east to Utah and west to Honolulu. It cost T. T. almost \$300 smacklers to make the last trip last year, and didn't get to see the game which was scheduled for December 13—six days after Pearl Harbor.

Probably no other family has taken over the college as have the Taylors. Marty was captain of the swimming team last year, while Sister Dorothy broke all traditions by becoming the first woman drum-major. These are just a few of the accomplishments of the trio.

## Waterpolo Team Meets Olympics

Out to register their first win of the year, and still smarting from Thursday's defeat at the hands of Stanford's Indians, Coach Claude Horan's mermen will tangle with the Olympic Club second team tonight at 8 o'clock in the college pool.

"We won't have Marty Taylor for this game, or any of the others this season, but with last week's contest under our belts, we ought to be able to give the Winged 'O' quite a fight," Horan said.

Taylor played his first and last game against Stanford, as he has to submit to a minor operation in order to pass the Navy Air Corps physical.

So the mermen mentor has shifted his line-up to take care of Taylor's loss, tentatively sticking Bob

## Sheets' Team Takes Noon League Lead; Play Tomorrow

Going into the fourth week of play, Marvin Sheets and his intramural football squad rest in the noon league lead. Sheets wrested the lead from the former leaders, the Akamian eight, when they took a 6 to 0 contest from the latter team in the main event last week. The two other squads, captained by Bill Toasperm and Jack Gottschang, occupy third and fourth places respectively.

Tomorrow the new leaders will defend their lead against the challenge of the Toasperm men. The game should be a thriller as the challengers appear to have come out of the slump suffered in their first few games.

The second game will find the win-starved Gottschang team pitted against Akamian's eight. Previous performances make Akamian the favorite, but Gottschang predicts that "this week the team will come through with a win."

The league, under the direction of Ivan Olson, is scheduled to run two weeks more. The games are divided into two halves. The first half is played on Tuesday, and the second half is played on Thursday. "By using this system," Olson explained, "the teams are able to play an equivalent of the sixty minutes required for a full game."

"These games have all of the thrills and excitement of an intercollegiate football game," Olson adds. "The only thing lacking is the crowd. I am sure that if the football addicts would come out to the San Carlos turf on these days, they would be treated to sixty minutes of topflight football."

Statistics released by Olson at the end of the third week are as follows:

	W.	L.	T.	%
Sheets	2	0	1	.833
Akamian	2	1	0	.666
Toasperm	1	1	1	.500
Gottschang	0	2	0	.000

Will all organizations please be sure to turn in a record of all their members, officers, and pledges for this quarter to Dean Dimmick's office as soon as possible? It is very important that this is done by every organization on the campus.

GIVE YOUR BUSINESS TO THE ADVERTISERS

## Rules And Regulations For Novice Boxing Tournament Are Released By Dee Portal

Rules and regulations for San Jose State's annual novice boxing tournament, scheduled for December 9 through to 11, have been posted by Dee Portal, boxing mentor.

Principal regulation is that beginners only will be allowed to enter the tourney. Any man who is a varsity boxer, or anyone who has previously been a finalist or semi-finalist in a novice tournament, will be ineligible to compete.

Coach Portal hopes to get a

Hepler in as a starter. Ed Rudloff will probably be in as sprint, Doug Bacon at one of the two forward spots, Dan Jackson and Roger Frelter at two of the back positions, with Hepler and Everett Olson filling the two vacancies left—one at forward and the other at guard.

Danny Meehan and Dick Anderson will vie for starting honors at goalie.

## Loss Of Robinson Felt In 20 To 13 Defeat By Dons

(Continued from page 1)

the fourth quarter was drawing to a close. Displaying a tremendous amount of drive, Cook ripped the Don's line to shreds to within five yards of pay dirt. Then on the next play a mix-up occurred in State's backfield resulting in a fumble, and a U. S. F. recovery, thereby killing off San Jose's last score threat.

Those are the two outstanding features in a game which had somewhere in the neighborhood of twenty thousand spectators jumping up to their feet on almost every play. It was the kind of a game where both teams have scoring dynamite packed into every run, and every pass—where there is a continuous and never-ending feeling of suspense.

Yes, San Jose lost it—and lost it cleanly and fairly. The Spartans made too many costly mistakes and this fact, along with one more, cost them the game. The other is that Bert Robinson, probably the key man in the backfield, was kept out of the game because of an injury to his knee which occurred in Friday's practice.

The loss of Robinson for this contest really hurt because it has been, to a large degree, his skill in masking the reverses, double reverses, and spinners around which Coach Hartranft builds his offense that has made that offense the potent attack it is.

However, this is not to say that Robinson's relief man, Danny Conforti, did not play a good ball game. He did. The only thing that was lacking was experience. But he did do an admirable job of filling Robinson's shoes.

Here is a report of the game's progress on a quarterly basis:

**First Quarter:** San Jose broke the scoring ice with a lateral pass play sending Parton over the goal from the U. S. F. four yard line, after the Spartans had recovered a fumble on the Don 26. Conversion try was no good.

Bouncing right back, the Hill-toppers scored on a pass, Sheridan to Taylor from 32 yards out. Ramus kicked the extra point, giving U. S. F. a 7-6 lead.

**Second quarter:** Dons on scoring rampage, punching over thirteen more points in quick succession. First of these goals scored by Johnston on fifteen yard run, following drive down field by U. S. F. Conversion was good.

Few minutes later, they recovered a State fumble on the Spartan 27 yard line, and then went on to the goal line on running plays and then scored on a pass from Johnston to Ramus.

turnout of amateurs comparable to last year's crop, who produce plenty of thrills for the spectators. Men wishing to sign up for the bouts may get their entry blanks from Portal in the gym. Each man must have a member of the varsity squad to act as his manager.

Before anyone can enter the contests, he must go to the Health office and take a physical examination. After he receives his okay from them, he can then go ahead with his training sessions.

Coach Portal has posted the announcement early so that organization of teams and rooting sections can get under way in plenty of time for the tournament. Any fraternity which wants to enter as a team is urged to send in their entry immediately.

Finals will be held in the Civic auditorium the night of December 11. Each finalist will receive a medal for his efforts.

## Newcomers Show Ability In First Basketball Scrimmage Session Held In Men's Gym By Coach Ed Blesh

By JERRY VROOM

The initial scrimmage of the 1942 cage season was held last week in the men's gym with every man on the squad getting a workout. Although they didn't play a regulation game, several newcomers showed possibilities of becoming college material.

Cas Breuer, a transfer from Riverside Junior college, displayed exceptional ball-handling ability and a good basket eye. He is the fast, aggressive type of player that sees the pass openings quickly. Breuer, a forward, will be pressing some of the lettermen for starting honors before the season has progressed very far.

## 3-2 Victory Makes Spartan Soccers Favorites In N.C.I.

Win, lose, or draw, San Jose State college has the fightingest bunch of soccer men in the NCI conference.

Trailing in the third quarter, the Spartans pushed across two goals to eke out a 3-2 win over the University of San Francisco Dons on the local field Saturday.

Leading 1 to 0 at half-time by virtue of Wingman Dale Nelson's brilliant work at the net, the Spartans went behind in the second half when Lazar, Don center-forward, rammed home two goals within five minutes to put the Hill-toppers out in front 2-1.

Near the end of the third period Izzy Gold, Spartan inside left man, booted the tying goal on a short kick through the Don goalie.

Fighting back in the fourth and final quarter, the gold and white men led by a fighting front line forced the play to the Dons with rugged offensive thrusts. Mid-way in the quarter Nelson broke through to the net and hammered home the winning goal.

Co-ordinated offensive work plus the long defensive kicks of Captain Hal Sonntag and Coach Diederichsen gave the Spartans their margin of victory and their second conference win in as many starts. Showing the results of a week's hard practice, the locals displayed fine offensive teamwork and accurate passing in the front line. Bud Racoosin, Rod Swerengen, Jimmy Johnson, Paul Borg, and Izzy Gold led the gold and white offense while Sonntag, Diederichsen, Hugh Manley, Red Porter, Jerry Phillips, Otto Zucca, and Oggie Avila stopped many Don offensive threats with their defensive work.

To keep his team in shape and increase their game experience, Coach Diederichsen has scheduled a game with the Chilean navy eleven for next week. This contest should show more than any to date the relative strength of the Spartans in comparison with the Golden Bears who booted out a close win over the visiting sailors in an early season contest at Berkeley.

Latter's try for point missed. U. S. F. 20, San Jose 6.

Just before the end of the half, San Jose scored on a pass from Cook to Steele from 32 yards out. Perry converted narrowing the margin to 20 to 13.

That ended the scoring for the afternoon.

The USO Navy Day dance on Tuesday, October 27, at the Civic auditorium is in need of a few girls. Would all girls who care to go and have orange victory cards please sign with Miss Pearce at the YWCA or Miss Helen Dimmick, dean of women?

LOST: A Shaeffer life-time fountain pen somewhere between the Library and the Publications office Friday morning. If found, please return to Publications office.—Barbara Kurz.

FOUND: Eight keys and brown key-ring. Phone Ballard 6842-W.

VENTURA J. C. STAR

Another transfer, Bob Taylor of Ventura Junior college, has an excellent eye and will be counted on for some scoring power this year. Taylor is about six feet tall and a good rebounder.

Porter McConnell, last year's frosh scoring threat, participated in the scrimmage. He is over six feet three inches tall and is pretty fast.

Among the frosh showing up well were Nick Caminos, Don Thompson, Don Wolfe and Leland Clark. Caminos is a tall, rangy boy from Salinas who operates from the guard position. He is a fine rebounder and a good floor man. Thompson, high scorer from Fremont High school, is an excellent floor man and ball-handler. Leland Clark is the brother of Elwood Clark, returning center. Leland is a husky lad who possesses lots of ability on the court.

Vern Cooley, San Jose's ace pole-vaulter, is out for the team for the first time. He is fast and can shoot with either hand from any position on the court.

HOLD TWO SCRIMMAGES

This week Blesh will hold scrimmages on both Thursday and Friday afternoons to give the boys more of an opportunity to exhibit their wares. The squad will be split in half and will scrimmage amongst themselves. A preliminary cut will be made after this week.

A definite date has been set for the opening game of the season with the U. S. Coast Guard team from Alameda. It will occur December 3 on our own court. The Coast Guards are reputed to have one of the best outfits in the bay region.

Coaching from the sidelines — phooey. Why, this guy Diederichsen goes all the way—he coaches from the field.

Not content to direct his squad from the extremities of the pasture, Soccer Coach Roy Diederichsen calls his plays from the middle of the action.

Following his eligibility O.K. last Friday, Diederichsen took to the field in the second quarter of Saturday's game with the boys from the Hilltop Hacienda and helped his squad to a 3 to 2 win over the Dons.

Roy wasn't going to be satisfied with coaching his team to a win over his former mentor, Frank Zanazzi, he wanted to boot that ball a bit himself—and he did.

After the game, in the dressing room, Diederichsen told his teammates and charges that if they continued to play that brand of ball they would give any team in the conference a real battle—and he wasn't kidding.

LOST: A green and black Shaeffer pencil with a military clip. If found please return to Jerry Vroom in the Publications office or to the Information office.

GIVE YOUR BUSINESS TO THE ADVERTISERS

### News Received From Former SJS Grid Stars

Seven members of the 1941 San Jose State college football team are still in Hawaii on the Honolulu police force.

Chet Thomas, former State student, passed this information to Tom Taylor recently. Thomas had just arrived from Hawaii, and said that the boys in Honolulu were still thinking of State.

Chet Carsten, married in June, has been promoted to a sergeant's rank on the police force, according to Thomas. The seven men are: Carsten, Jack Lercari, Don Allen, Paul Tognetti, Kenny Stanger, Bill Donnelly, Fred Lindsay.

"Above all," Thomas said, "they look forward to mail from the college."

### Defense Talent Campaign Off To Flying Start

The "talent for defense" campaign got off to a flying start today with the announcement by Chairman Betty Henley that a band has already been signed up to go on tour with the group to the various army camps throughout this region.

The band is composed of members of the San Jose State marching band who have volunteered their services for the cause.

To date, however, only three people have signed up for parts in the variety show that is to headline the program, Betty Henley, chairman, announced.

"This show is just one of the ways in which we in school can bolster the morale of the men in the camps," Miss Henley said. "Anyone with stage talent should feel it part of his duty to aid in such a worthy enterprise," she added.

A sign-up sheet for all talent—acting, singing, script writing, directing, stage crew, technicians, and dancing—is located in the Spartan Daily office. Those interested should sign up there and await the setting of a definite date for tryouts.

### Tire Survey Group Will Meet Today

The College Transportation committee will meet this afternoon at 3 o'clock in the student body president's office to discuss the progress of the survey and to perfect a plan of reaching some 600 students that have not as yet filled out a questionnaire, states Rex Gardiner, chairman of the committee.

"Probably the solution will be to give the blank questionnaires to instructors who will distribute them to those who haven't been contacted and these will be turned back to the teachers after students have filled them out," Gardiner announces.

If any one fails to get a questionnaire filled out, there will be blanks in room 30 at all times, according to Gardiner.

No compulsion will be employed by the committee but the survey will be a necessity when gas rationing starts in a month, states Claude N. Settles of the Social Science department.

One of the purposes of the committee will be to try to arrange students' schedules so that buses will be available for defense workers.

## NEWS BRIEFS

### SENIOR COUNCIL HOLDS FIRST MEET OF FALL QUARTER

Meeting for the first time this quarter, the newly appointed senior council got acquainted generally and started work on the business of the class on Thursday, according to Doug Curry, president.

Gene Long was chosen as chairman of a committee to organize a senior party to take place early next month. Margaret Bailey will assist in making the plans.

Among other business discussed was the Junior-Senior Mixer and the possibility of getting the class together "so we will know each other better and will enjoy our last year here the more," Curry said.

The council set the regular meeting date as every Thursday at 7 o'clock in the Student Union.

### Newman Club Will Hold 'Spook Stomp'

The Newman Club is holding a "Spook Stomp" on Friday, October 30. Everyone is invited to attend; admittance for couples is 25c; for stags, 15c.

Mary Ellen Corbett, chairman of the decorations committee, promises some really spooky decorations. Dancers can wear anything they wish, from jeans to heels.

### "MALE ANIMAL"

(Continued from page 1) Yorker", who takes special delight in poking fun at America's married male.

#### PLAYED LEAD

The other author, Elliott Nugent, is also a recognized humorist and played Tommy, the lead, in the first production of the play.

Thurber, who draws many of his cartoons about civilized family situations, has created in the character Tommy Turner, a somewhat bewildered English professor, who tries in a thoroughly intellectual manner to remedy an emotional situation. In one instance the professor tries to think out in a logical, ethical manner whether a man should go on living with a woman who dances better with another man.

#### ADDED SPARK

Adding a sophisticated liveliness to the scenes are Thurber's use of satire and incongruity. Tommy and his rival Joe Ferguson could be seriously talking over as to which of them would make the best husband for Ellen, and suddenly Tom might ask if Stallinkowitz is playing in the football game today or Joe might begin to explain his favorite "Statue of Liberty" football play.

Tom Pagenhart is playing Tommy Turner; Mary Kirtley, Ellen; Bill Kidwell, Joe Ferguson; Deane Healy, Dr. Damon; Marilee Putnam, Blanch Damon; Irene Anderson, Pat, Ellen's sister; Pat Alexander, Myrtle Keller; Rosemary Bonnot, Cleota; Ed Kincaid, Nutsy; Al Johnson, Wally; Delwyn Carlson, Michael; reporter, Leon Fletcher; Tom Wilde has been newly assigned to the part of Ed Keller.

### RED CROSS

(Continued from page 1) tact a member of the unit," she added.

Donations already made include two electric irons, given by Miss Gail Tucker, women's physical education instructor, and Mrs. Ruth Turner of the Art department.

"Organizations are now volunteering work by their members," added Mrs. Winters. "So far, these include Ero Sophian, Allenian, Beta Gamma Chi, Spartan Spears, Eta Upsilon, and Sappho, who have taken over the hour from 4 p.m. to 5 p.m. on Mondays."

### West Coast Reunion Given Outdoor Flavor

Featuring a real camp dinner to be served in the typical out-of-doors manner plus the services of the best hot-dog cooker in the world, students of last year's West Coast Nature school trips will meet in the Student Union tonight at 7:30 for their first get-together of the season.

Under the direction of Dr. Robert Rhodes and Dr. Gertrude Witherspoon (dog cooker deluxe), gasoline stoves will be set up on the union steps and student chefs will do the rest.

Dr. Rhodes announced that he would gamble on some of the same troublesome gas stoves which were repaired and rebuilt every other day on the trips to Death Valley and Fallen Leaf to come through once more. "The stoves will add some reality to the gathering if they act the same as they did on the trips," Rhodes added.

Glen Gutormson and Ann Buxton are in charge of food for the evening meal and will be assisted by chefs chosen at large from the crowd.

Time for the party will be from 7:30 to 10 in the Student Union.

### CAMPUS COMMENT

(Continued from page 2) across a spare one, contact Mrs. Mildred Winters.

—Representatives from branches of the armed services will be here to talk to all students who are now in the Reserves or who expect to be in the service.

Just what these representatives will have to say to men already signed up in the Reserves is rather hard to foresee. To those not yet signed up in the Reserves, they will probably advise signing up.

Personally, as a member of the Reserve, I am waiting their arrival with more than the usual curiosity.

## Swiss-American Hall To Be Scene Of Inter-Fraternity Barbecue Scheduled Thursday At 4 O'Clock

### Commerce Majors To Dine Nov. 3 At De Anza Hotel

The annual commerce special secondary dinner's location and the date have been moved from O'Brien's restaurant on Tuesday, October 27, to the De Anza Hotel, Tuesday evening, November 3.

One of the speakers at the banquet will be P. E. Curry, Western Manager of the South Western Publishing Co.

All commerce special secondary majors who plan on going should sign at the commerce office immediately. All those who have already signed for the dinner before it was postponed needn't register again.

Members of the committee in charge of arrangements are: Gene Long, chairman; Helen Donovan, Bethel Beattie, Elden Mahoney, Margery Behrman, and faculty members Miss Norma Gillespie and Mr. Mel Wright.

### JOB SHOP

A watchman's job is open, with hours as follows: 5 a.m. to 5 p.m. on Sundays, and 5 a.m. to 8 or 9 a.m. on Mondays. Pay is \$4.50 a day.

A delivery man will earn 50 cents an hour working afternoons. Dishwashing from 5 p.m. to 3 a.m. on Saturdays pays \$5; from 5 p.m. to 1 a.m. Sundays pays \$4; week-days optional.

Two steady gardeners are needed to hoe weeds at optional hours for 50 cents an hour.

A service station attendant is needed to work from 5 to 9 Mon-

Time: Thursday afternoon 4 o'clock.

Place: Swiss-American Hall, the Almaden road.

Event: The quarterly interfraternity barbecue.

Those are the vital statistics of an event that is probably the most important of all the interfraternity functions.

And this quarter is promised to be bigger and better than ever, offering not only the finest in B-Q'd steaks and thirst-quenching beverages, but also a varied program of entertainment.

Food, featuring more than pounds of meat, will be prepared by an expert, Brian Bradford, who has had charge of many occasions of this sort.

Entertainment will consist of motion pictures of last year's Rose Bowl game, and a series of local "talent" skits.

The whole affair is under the direction of two co-chairmen, Weitzenberg and Larry Moore, Doug Bacon, who is handling the games.

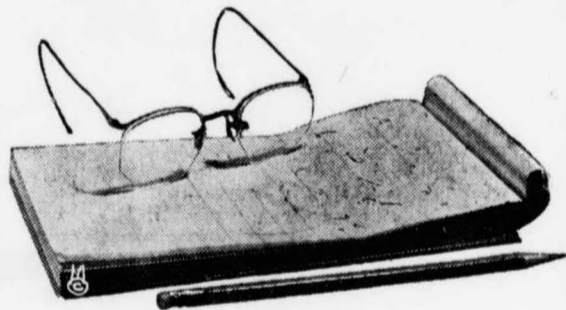

One hundred per cent attendance of all frat members is requested by those in charge, the necessity of all those attending to be at the Hall at 4 p.m. also stressed.

day through Saturday night from 10 to 2 and 4 to 9 on Sunday. One week-night a week will be taken off.

General handiwork in an supply store will net a man 50 cents an hour.
