

## Cinderellas To Take Their Fellows To Turnabout Dance In Gym Saturday Night

Couples will enter the Women's gym through a story-book cover doorway while Sonney Walker, his trumpet, and his orchestra play sweet swing music Saturday night at 8:30, the night of the "Cinderella Takes A Fella" Turnabout dance.

Now with only three days left for co-eds to snag their dream men for the dance, the Social Affairs committee is urging that Spartanettes get in the spirit and ask their men immediately.

### DECORATIONS

Decorations for the dance include a blue and white ceiling, and storybook pictures from Cinderella around the walls of the gym. In one corner by the orchestra will be placed a wishing well, and a large clock striking 12 midnight will adorn one wall.

Tomorrow and Friday will be Co-ed Days on campus and co-eds are expected to treat the fellows on these two days. On the night of the dance Cinderellas will pick up their princes and escort them to the dance.

### PUBLICITY

Social Affairs committee has printed advertisements for the Turnabout dance to be circulated by members Thursday and Friday on campus.

At the meeting yesterday afternoon, the committee appointed Claire Emigh and Claire Engle to take charge of the decorations for the Revelries dance, March 9.

Chairman Elaine Chadbourne announced that the committee will take charge of the Red Cross booth on Tuesday, February 27.

## Father Daugherty

Dr. Lyman Daugherty, botany professor, has collected a new botanical specimen, a little pink rosebud, the like of which has never before graced a nursery.

Born to Dr. and Mrs. Daugherty on Saturday morning, February 17, the little girl will be called Suzanne Carol Daugherty.

"She's 18 and a half inches long and she weighs seven pounds and four ounces," her proud Daddy stated Tuesday, after delighting his classes with a box of candy passed in lieu of cigars.

## SPECIALTY ACTS MEET TOMORROW NIGHT AT 7 TO PRACTICE FOR SHOW

Specialty acts for Spartan Revelries will rehearse tomorrow night at 7 o'clock in the Morris Dailey auditorium. Redheads for the "Red-headed Gal" number need not attend, announces Marian Jacobson, director. The complete cast will meet Sunday, February 25, at 1 o'clock in the Morris Dailey auditorium. The rehearsal will last until about 5 o'clock, so students are warned to bring their homework.

Members of the Revelries board, in charge of the production, are Carmendale Fernandes, assistant director; Leah Harcastle, business manager; Dr. Hugh Gillis, faculty adviser; and Dick Greulich, technical director.

Other Revelries officials are Olga Popovich, dance director; Danna Trimble, musical director; Beverly Best, director's secretary; Art Jacobson, stage manager; and Happy Hyman, lighting manager.

Carolyn Peterson will handle props; Jean Anderson, costume design; Gloria Dall and Mary Jeanne Anzalone, costumes; Betty Doyle, make-up; and Jack Costello, assistant business manager.

## AWA JINX PARTY TONIGHT

### COMMITTEE HEADS DISCUSS PROGRAM FOR SPARDI GRAS

At the first general meeting of Spardi Gras committee heads yesterday variations of the 11-year-old pageant were suggested and decided upon.

A separate contest will be held this year for both king and queen. Students may be backed by only one organization, or run independently.

Candidates are to be limited to one rally but the number of publicity stunts depends on the ingenuity of the electioneers.

Also featured will be a fingernail growing contest for the girls to balance competition with the men students, who will vie for the longest, thickest, and fanciest beard.

The veterans will be in charge of the jail which will contain an electric chair to be used on those not entering into the spirit of the day. Faculty and students will be punished alike, according to veterans in charge.

Previously, students have dressed only during the afternoon festivities, but Milo Badger, chairman, has decided upon the wearing of costumes throughout the day.

Committee heads will choose their helpers within the next two weeks. Those interested and capable should present themselves to students in charge of Spardi Gras plans.

### "Cherry Tree Spree" Jinx Held Tonight At 8 In Women's Gym; Tickets On Sale In Library Booth

All new entertainment will be featured tonight at the "Cherry Tree Spree," which will be held at 8 o'clock in the Women's gym. All women students are invited to attend the quarterly jinx which will consist of games, entertainment, and fun for all, Claire Canevari and Beverly Sack, co-chairmen for the affair, announce.

Bonnie McWilliams and Frances Boden report that there will be all new entertainment on the program, and some of it very original. A whistler and singer will be featured, and there will be skits, dances and songs.

Refreshments have been kept a deep, dark secret, but Dot McCullough and Bobbie Jo Field, refreshment chairmen, promise that they will be up to the highest expectations. The patriotic theme will be carried out in every phase of the party, including the food.

Costumes of red, white, and blue are in order for the evening in celebration of Washington's birthday. Tickets are now on sale in the booth at the library arch, and can also be obtained at the door.

Other chairmen for the affair are Georgene Bihlman, games; Nancy Duncan and Joan McInnes, decorations; Betty Goode and Marjorie Hopper, tickets; and Mary Davis and Vickie Yglesias, publicity.

### Races Of Mankind Film To Be Shown Today In Room 2

"We Are All Brothers," a film strip, will be shown in room 2 today at 12:15 o'clock. It is a combination of pictures shown on a screen and narration, which gives the scientific facts about races.

The film strip was shown last week at various times in celebration of National Brotherhood week, under the sponsorship of the Race Relations committee of the S. C. A.

It is based on the Public Affairs pamphlet, "The Races of Mankind," which aroused a small national furor a few months ago.

All interested are invited to attend the showing.

## INTER-SOCIETY SEWING WEEK ENDS SUCCESSFULLY

"It was a big success," beamed Miss Bernice Tompkins, faculty chairman of the campus unit of the Red Cross, yesterday at the conclusion of the Inter-Society Red Cross sewing week.

The quota of 40 pairs of pajamas set for the drive by Miss Tompkins lacked only a few pairs of being filled. These last few pairs were being finished yesterday.

"Everyone worked very hard, and they all deserve a pat on the

## Mme. Colbjornsen, Lt. Charles Bates Speak Tomorrow At Assembly

Featuring as guest speakers Madame Julie Marie Colbjornsen and Lt. Charles Bates, USNR, tomorrow's assembly will be called to order by ASB President Howard Riddle.

Barbara Bressani, chairman of the campus Red Cross drive, asks all students to attend tomorrow's assembly and to come prepared to contribute to this worth-while and necessary project.

Lt. Bates directed operations when the destroyer Meredith was sunk by Japanese torpedoes and dive bombers and the survivors withstood hunger and thirst for three days before rescue. Along with the Silver Star and the Purple Heart, Bates wears five ribbons and three stars.

Madame Colbjornsen, daughter of the European scientist, Olav Sopp, will tell of her trying escape on skis from the Nazis. A Norwegian, Madame Colbjornsen speaks English, French, and German fluently. According to Marge Howell, chairman of the assembly, this small and good-looking woman promises a talk packed with excitement and interest.

Miss Bressani goes on to say, "College students know the swell job the Red Cross is doing in providing blood plasma that saves lives; clubmobiles with coffee and doughnuts that cheer wet, cold, weary fighting men; food packages to prisoners of war wherever they may be reached; and help to the serviceman's family at home with its problems. Quota for the San Jose chapter is \$221,000 — and we're going to do our part here by contributing \$600."

The college band will be on hand with some stirring music, and the Rally committee will serve as ushers.

## Junior Class Meets Today At 12:30

The junior class will meet in room 113 today at 12:30 o'clock, according to Bill Gleisberg, class president.

The Junior Prom which is slated for April 14 will be discussed. The theme for the prom will be a plantation party, and a negro band will play for the occasion.

## College Officials Visit SJS Campus

Visitors on the campus last week included Mr. A. E. Culbertson and Dr. V. C. McKimm, departmental heads from Fresno State college, and Dr. H. M. McPherson and Mr. Wayne L. Johnson of Napa Junior college.

Here to study buildings and plans in preparation for post-war expansion at their own colleges, the visitors were received by Dr. P. Victor Peterson, head of the Science department.

## War Stamp Sale

War stamps will again be on sale today under the library arch for those wishing to purchase them. The sale of stamps is sponsored by AWA, and is for the convenience of students.

Those selling stamps today are as follows: 9:00, Pat Dunleavy and Arta Williams; 10:00, Evelyn Anderson; 11:00, Vickie Yglesias and Shirley Kirkish; 12:00, Dorothea Dettmer and Mary Jean Frigea; 1:00, Joan Ross; 2:00, Dorothy Moody and Barbara Moore; and 3:00, Darlene Wescoat and Dorothy Miller.

Last Wednesday \$22.00 worth of stamps were sold, and Jackie Popp, chairman, requests students to keep buying every Wednesday.

## Newly-Elected Soph Officers Meet With Council Members

Meeting for the first time under the gavel of the new class president, Bob Barton, the soph council made plans yesterday for class activities for the remainder of the year.

Under discussion were a class mixer, an all-school dance and picnic, and another frosh-soph mixer.

Joanne O'Brien and Yvonne Welch were appointed to look into the frosh-soph mixer and George Millas will make arrangements for a date and place for the class get-together.

Treasurer Betty Davis announced that there was \$34 in the class treasury. A report on the Student Council meeting was given by class representatives Betty Doyle and Nancy Duncan.

**Orientation Groups Will Meet Tomorrow**

**Freshmen**

Dr. Jay C. Elder will speak on travel to the freshman orientation group tomorrow at 12:30 in the Morris Dailey auditorium.

"Anyone interested in travel should plan to hear what Dr. Elder has to say," suggests Donald Sevrens, freshman group adviser. "He is known to be one of few persons now living who can arrive at his destination with his baggage, and money left in his pockets."

The freshman council is planning a council party for March 2 at Alum Rock to which last quarter's council is invited. Horseback riding and baseball will be in order for the day.

**Seniors**

Dr. William Poytress, Social Science department head, will speak before senior orientation tomorrow on recent activities of the "Big Three." Poytress received his A. B. from the University of California in 1916, his Ph. D. at Stanford in 1934, and has been on the staff here since 1923.

Jeanne Fischer, president of the senior class, asks that all previous council members and those interested in acting on that body for the remainder of the year come to the meeting, which will be held at 12 noon, preceding the regular session.

Announcements for graduating seniors have been ordered and will be delivered in two months, according to Miss Fischer.

**Beta Chi, Gamma Phi Are Tied In Second Round Of Fraternity Basketball League**

The close race in the fraternity basketball league is still in a tie, with Beta Chi Sigma and Gamma Phi Sigma sharing the honors. Each of the clubs has suffered one defeat. The Independents are in third position with two defeats to mar their record.

The play-offs were to be held this week, but due to unavoidable circumstances they had to be postponed until this coming weekend. The college gym will not be available to the fraternity men, hence the play-off will have to be held in a near-by school — probably San Jose High.

The circumstances are these: If Beta Chi wins the play-off, and

hence the round, the season will be concluded; however, if Gamma Phi wins, another play-off round will be necessary to determine who is the winner. Beta Chi won the first round of play and if Gamma Phi wins this weekend it will leave the two clubs with one round each.

The big question facing the fraternity circuit now is whether or not Bob Shepperd, Gamma Phi's ex-varsity player, is eligible to play. The rules originally stated that no varsity player could play in the fraternity round robin. However, now that varsity basketball season is over, the question arises as to Shepperd's eligibility.

**NOTICES**

AWA cabinet: Don't forget the luncheon in the tea room tomorrow.

The Social Action committee will meet today at 12:20 in the SCA office. All members please be present.—Anne Buxton.

Will the following Ero pledges please come to a meeting in the Morris Dailey at 12:35 today: Ventre, Jensen, Rudholm, Anderson, Holland, Rucher, Pettis, and Midge Doyle.

All Delta Beta Sigma pledges who are on the decorations committee please meet in the Quad at 12:30 today.—Clarice.

DSG: Meet at 230 South 7th street at 6:30 p. m. Business meeting. Please be prompt.—Jackson.

Christian Science Organization meeting today at 12:30 in room 53. Students and faculty invited.

Juniors: Discussion for Junior Prom in room 113 at 12:30 today. All class members urged to bring any suggestions. — Bill.

Alpha Chi Epsilon: Don't forget noon meeting Wednesday in 153. — Nancy Hickman.

Will Nancy Lynn, Claire Canavari, and Hazel Ench please meet at 5 o'clock in the Women's gym. —D. Berner

**BASEBALL TEAM NOW PRACTICING FOR 1945 SEASON**

By WARREN BRADY

Baseball practice is now in full swing. Team members worked out on the baseball field Monday for the first time, and from now on will leave the gym at 4 o'clock for the diamond.

The first week of practice was devoted to fundamentals, including bunting, base-running, and batting practice.

On the whole it is believed that the material this year is a little better than last year's. The men seem to have had more experience, and are showing well in the opening practice sessions.

The varsity won't have too much trouble finding capable choppers; among the men now working out are Jack Marcipan, former San Jose High school star; Phil Clark and Ed Loudon from last year's squad; and Jim Reiley and Milo Badger. These men have all had ample experience in high school, junior college, and college.

The only returning veterans from last year's squad are Phil Clark, pitcher; Ed Loudon, pitcher and outfielder; and Bob Huck, third baseman. Loudon will probably be moved to the outfield this year, and Huck will show up either at third or second base.

The team shows a lot of promise, and with some diligent practice should develop into a well rounded outfit.

**:- Notices :-**

Costume committee for Revelries: All those who want to help with costumes for Revelries meet in the Student Union today at 12:05.—M. J. A.

Jinx game committee: Meet after AWA meeting today in room 24.—G. B.

**18TH AND 19TH CENTURY TEXTBOOKS DISPLAYED IN LIBRARY EXHIBIT**

"Books that the young folk studied from" might be the title of the exhibit on the landing of the library this week. Books of the 18th and 19th centuries representing the texts of the period are on display along with several women's fashion books. The hornbook, predecessor of the primer and speller, was introduced about 1700. For the first time, children were able to handle their own books. These books were usually made from a piece of wood about four or five inches long and two inches wide with a sheet of paper placed on one side.

**Forestry Class To Take Field Trip To Skyline Ridge**

Saturday has been set as the date for Allan Jacobs' elementary forestry class field trip, with the Santa Cruz mountains as the site chosen for operations.

The twenty-one members of the group will set out in a hay-filled truck, according to their instructor, and will travel to the Skyline ridge, probably lunching at the outdoor fireplace on the Loughry place. Mr. Loughry gave the land to the state several years ago, according to Jacobs.

"I'll probably be relegated to the front seat in the truck," Jacobs said. "That way the kids will have more fun in the back!"

The purpose of the trip is to acquaint the students with examples of tree growth common to the area. Redwoods, Douglas fir and pine will be observed, together with other native flora. The students also plan to plot a growth chart of the Douglas fir on the basis of their observation.

**O.T.'s Hear Speech**

Members of the Occupational Therapy club will hear a talk by Miss Marcella K. Olsen at their regular meeting tomorrow evening, February 22, at 7:30 o'clock.

Miss Olsen is a field service worker in charge of the California State Field Service Center for the Blind located in San Jose on South Market street.

**ALPHABET**

Printed at the top was the alphabet both in large and small letters. Below were simple syllables such as ab, eh, ib, etc. Then followed the Lord's Prayer — never omitted in early textbooks.

The McGuffey readers, copyrighted in 1868, include lessons on articulation and pronunciation, spelling and defining, marks and pauses, inflection and accent, in addition to the reading lessons.

Their praises were sung by the publisher who said, "A careful attention to progression, by which the learner is led forward, step by step, by an easy gradation, a pure moral and religious sentiment, inculcated in interesting and instructive lessons; a neat typography and handsome style of publication, render them the best class books for reading in the English language, and at their very low prices, the cheapest.

**LADY'S BOOK**

Several copies of "Godey's Lady's Book," fashions for ladies, are also included in the exhibit. The Lady's Book, the most prominent magazine of its period, was established about 1828.

Frank Leslie's Lady's Magazine, featuring hair styles of the period, is also on display.
