Hapa-Haole Hop Carries Theme Of The Islands

Haleiwa club will give its first dance since Pearl Harbor at the Swiss American hall Friday night from 9 to 1 o'clock. Name of the dance is "Hapa-Haole Hop."

Entertainment, music, decorations, and refreshments will carry out the Hawaiian theme. A professional Hawaiian orchestra will play Hawaiian melodies for graceful hula dancers as well as modern swing music for dancing.

TROPICAL DETAILS

Bamboo, bananas, leis, and tapa cloths will give the dance a tropical atmosphere. Refreshments will feature "Tropical Cooler," a special blend of pineapple juice sent here directly from Hawaii.

The dance, which is a dressy sport affair, is open to all students. Bids are on sale at a booth in the Library arch for \$1.50.

PATRONS

Patrons and patronesses will be Miss Helen Dimmick, Miss Ada Gardner, Mrs. Izetta Pritchard, Lt. Karl Geiselhart, Mr. and Mrs. Arthur Penniman, and Mr. and Mrs. R. S. Mallett.

The Haleiwa club is primarily for San Jose students whose homes are in the Hawaiian Islands, but any student who has lived in the Islands for six months or more may join.

SPARTAN ALUMNI TO DINE TONIGHT

With reservations for 115 persons, a capacity crowd is promised at the "Victory Reunion" dinner to be held at Napoli Cafe tonight. First of its kind since the beginning of the war, the dinner is sponsored by Santa Clara County Spartan alumni.

Guest speakers introduced by Dr. William Sweeney, master of ceremonies, will be Dr. T. W. MacQuarrie and Dean Paul Pitman. The evening will also be highlighted by entertainers from among the alumni such as a demonstration of magic by Everett Lyda, '37, and a number of selections by Baritone Joel Carter, '35. A community sing led by Mary Lee Herron, music alumna, is also on the program.

Arrangements for the dinner are headed by Mildred Moore, '24, assisted by Edwin Wetterstrom, '36, and William Stevens, '35.

Lost And Found

Evidently some students are unaware of the Lost and Found office in room 2. Watches, books, clothes, and many other articles await their owners.

Remember! If you lose an article or find one that isn't yours, call at this office, room 2.

NOMINATIONS OPEN FOR OUTDOOR TYPES

Sororities and fraternities may submit names of candidates for the "Outdoor Girl" and "Outdoor Boy" to reign over the Junior class sponsored "Stetson Stomp" until Friday of this week.

Barbara Stewart, contest chairman announced that the extended date is necessary because of complications arising out of pledging activities.

Juniors Hold Rally For Skating Party

A rally will be staged by the Junior class today to publicize the student body skating party, sponsored by the third year students, scheduled for tomorrow night.

The rally will take place near the Spartan Shop at 12:30. Phil McDonald is in charge, and she will be assisted by George Milias, Jerry Brown, and Bill Shaw.

Tickets for the skating party are being sold all day from a booth in the Library arch by Junior council members. Price is 50 cents, which includes admission, clamp skates, a chance at the door prize of a \$5 purchase order at Roos brothers, and admission to informal dancing at the Student Union.

The skating session will last from 6 to 8 o'clock.

Phi Mu Alpha Gives Annual Concert

The local chapter of Phi Mu Alpha, Beta-Eta, will give one of two annual concerts for the first in several years, Tuesday evening, Jan. 29, in the Little Theater at 8:15.

Phi Mu Alpha, organized first in Boston in 1901, was created for the welfare of music and musicians of America and these annual concerts are given with that end in view.

Of the seven men who will play in the concert, five are returned veterans. They are: William Erlandsen, piano; Charles Robbins, trombone; Max Hagemeyer, cello; Fred McCleary, baritone; Jack White, piano.

Mr. Thomas Eagan of the music faculty will play the clarinet and Mr. Ray McIntyre will play the piano.

President In Capital

President T. W. MacQuarrie and Dr. Heber A. Sotzin, Industrial Arts head, were in Sacramento yesterday to attend a committee meeting of the State Board of Vocational Education. Director of the board is Julian McPhee, president of California State Polytechnical college at San Luis Obispo.

Junior College Exhibits Work By Dr. Reitzel

On exhibit through this month at the Santa Marai Junior college are 15 oil paintings by Dr. Marques Reitzel, head of the Art department.

This same group of formal paintings was shown through November and December at the Santa Barbara Museum of Art and received outstandingly favorable comment in Santa Barbara newspapers. The exhibit will be moved to Salinas Junior college in February for display there.

Starting February 9, an informal exhibit of 15 oil paintings by Dr. Reitzel will be shown in the Chicago galleries. These are sketches of the vicinity around San Jose that Dr. Reitzel has painted during the past two or three years.

Further Tryouts For Revelries Chorus Tomorrow

No girls to fill the 15 places in the chorus line for Revelries were chosen at yesterday's tryouts. Further tryouts will be held tomorrow at 4 o'clock in the Little Theatre. All girls who tried out yesterday are asked to return and any others who are interested in a chorus spot are urged to be present.

Specialty acts chosen at the tryouts are as follows: Leo Gaffney, trampoline; Betty Louthan, singer; Pat Bandettini, Lorraine Rosserberger, Pat Moore, and Betty Louthan, quartet; Betty Louthan, Maryane Call, Gloria Ellard, dance routine; B. J. Renney, solo dance.

Director Al Johnson announces that there is room for two additional specialty acts, providing that they are different from those already chosen.

The production staff is meeting this afternoon to decide definitely on some particulars pertaining to the show. A line rehearsal will be held from 4 to 6 p. m. in the Morris Dailey auditorium for all those with speaking parts in Act I.

Construction of the sets for the show will begin Saturday morning at 9, when all students eager to wield hammers and paint brushes for the glory of Sparta are urged to come and get behind the scenes.

Revelries still lacks a musical score, but Johnson and company are hopefully awaiting the arrival of some errant musician with a flair for setting words to music. Isn't there a budding Sullivan or Mercer on the campus who would be willing to lend his services?

SPARTANS VICTORIOUS OVER HAMILTON FIELD BY SCORE OF 49 TO 43

Fighting hard to overcome an early lead, the Spartan Basketball team last night won an exceedingly hotly-contested game by a score of 49-43 with "Bulldog" Lindsey leading the way throughout the time that he was in the center. With sixteen points Fred was closely followed by Bert Robinson who dropped in two field goals and nine foul shots to come out with thirteen points.

SOPHS MEET TODAY

A sophomore council emergency meeting will be held today in room 24 at 12:30. Purpose of the meeting is to make plans for the joint council meeting with the freshmen Monday.

Stephen Voorhees, sophomore class president, will make an important announcement concerning February 8. "This is an important meeting," announces Miss Voorhees, "and it is imperative that the entire council be present."

Lower Classmen Party February 8

A get-acquainted party with the sophomore class was outlined yesterday at a meeting of the freshman council. Date for the party will be February 8 in the Women's gym.

Purpose for the party is to acquaint new class members with the two councils and old members of the classes. The program will include games, entertainment and refreshments.

The freshman council will meet Monday in room 24 with the sophomore council to further plans for the party. Bruce McNeil, frosh chairman, asks the entire council to be present at the meeting Monday.

Freshman committee heads are Jean Glines, Dorothy Dillon, Betty Lou Cherry, George Patterson, Jack Golden and Alice Young.

VETERANS!

Subsistence Begins When Leave Ends

"Service personnel now on terminal leave may receive tuition fees and school supplies, but no subsistence allotments," announces Mr. Earl Adams, veterans' administrator.

At the end of terminal leave it will be necessary that applicants file a copy of their Discharge or a Certificate of Service to be eligible for subsistence payments, he said. The subsistence payments will date from the expiration of terminal leave only.

To obtain tuition, fees, and school supplies while on terminal leave, it is necessary that the applicant accomplish form 1950, and submit with this form a photo-static or certified copy of terminal leave papers.

For further information see Mr. Adams or Mr. Kohl of the college Veterans Administration office.

Early in the game the Washington Square squad lagged behind the visitors by more than ten points, but pulled ahead in the last ten minutes of the first half to tie the score up at 21 all.

BORG ALSO OUTSTANDING

Kay Borg, forward, shared honors with "Bulldog" Lindsey and guard Bert Robinson in controlling the ball on the court and in dominating the play. With the aid of the other stalwarts, Stevenson, Maggeti, Holmes, and Helbush, this threesome was very largely responsible for the debacle of the Army team which had previously been victorious over our team on Army's court late last year.

RESERVES WIN EASILY

In the opening tilt of the evening the reserves completely outclassed an undermanned and weak Army reserve squad by a score of 41-28. The last half of the reserve game was provided with several thrills as both teams launched a fast break, passing attack. The score stood at 25-12 at the half, with San Jose out in front throughout the entire contest. The game was a rough one, with fouls called on every man on the Spartan roster during the first half.

High scoring honors for the Washington Square reserve squad were divided between the two guards, Culp and Siebert. All during the game the SJSC coach substituted freely, which held the scoring down lower than it might otherwise have been.

NEWMAN ELECTION THURSDAY NIGHT

Newmanites will hold election of officers Thursday night at Newman hall. Meeting will begin promptly at 7 p. m. If all members make an effort to be prompt, the business on hand should be completed by 7:30. All members are expected to be there for nominations.

The "White Fantasy" winter formal was a huge success, according to President Jim Bartolomeoni, who wishes to thank all the club members and other students who came to help make the dance a success.

Promptness is necessary for tomorrow's meeting, as some members would like to attend the Jose Iturbi concert. For those who wish to remain there will be ping-pong, dancing to the juke box, billiards, and other types of recreation.

Rev. George V. Schirle will be present to announce various social events which will take place later in the quarter.

American-Scandinavian Foundation Offers Fellowships To Students

Interesting information regarding traveling fellowships was released from the Dean of Men's office yesterday.

The American-Scandinavian Foundation offers for the academic year 1946-1947 fellowships of \$500 to \$2500 each for graduate study in Denmark, Iceland, Norway, and Sweden.

The northern Democracies are again affording abundant opportunity for research in their uni-

versities, technical schools, public institutions, and business corporations. They cover the following subjects: agriculture, architecture, art athletics, banking, biology, botany, cellulose, chemistry, cooperatives, economics, education, electricity, engineering, fisheries, forestry, genetics, geography, government, history, language, literature, mathematics, medicine, metallurgy, music, nuclear science, oceanography, philosophy,

physics, physiology, social sciences, theology, weather forecasting.

INSTRUCTIONS

Qualifications: Candidates must have been born in the United States or its possessions. They must be capable of original research and independent study and each must submit a definite plan of study. It is helpful if they are college graduates.

Period of study: Eight months.

Procedure of appointment: Application papers, including letters of recommendation and a photograph, must be filed at the office of the Foundation before March 15. Papers may be sent in directly but if the candidate wishes the official endorsement of his institution, they should be filed with the Dean or the Chairman of the Committee on Fellowships of a college or other institution before March 1.

APRIL NOTIFICATION
Successful candidates will be notified about April 15.

Final selection of Fellows will be made by a jury of university professors and technical experts appointed by the Foundation.

Application papers will be mailed upon request to the Director of Students, The American-Scandinavian Foundation, 116 East 64th Street, New York City, N. Y.

DAY EDITOR—THIS ISSUE—BARBARA CAMPBELL

Faculty Office Hours

Each faculty member has an office wherein, during specified hours of the day, he is available to students for advice, counseling, or "shooting the breeze." These hours are posted on the office door.

But how many students, desirous of help on their programs, have stepped inside that door only to be greeted by a secretary who at the moment doesn't know where Dr. "So-and-so" is, or when he'll be back, and if he does come back today, an appointment will be necessary.

Most of the students do not "drop in to pass the time of day"—they may want advice on a program that is the basis of their future life work, a program that after the third week of school cannot be changed. Or they may wish to ask questions concerning class assignments, or may just need a signature to drop or add a class.

A student is entitled to advice from the faculty, but if faculty members do not keep their office hours how can he get it?

JUST AMONG OURSELVES

By Dr. T. W. MacQUARRIE

The parking was better this morning. I saw only one car that was hogging two spaces, and that was an old one. (It wasn't the oldest one, however. That open-work job you see out there is full of dignity as well as years, full of gentlemanly courtesy. It started out with quality and still has it.)

There were a good many luncheon papers on San Carlos Street last night. In that connection we don't show up well yet. It takes a little time to establish new habits.

About saying "hello" as we pass—I have gotten into the habit of greeting anyone and everyone on the campus. Most of you respond pleasantly. It makes me feel good when you do.

A good many of our young men who have come home from the war, have stopped in to tell me of their pride in the old college. They had met the competition of the rest of the country, and they were not ashamed.

I saw a man out on Seventh the other day evidently trying to sell photographs to our students. Please don't encourage those fellows. If you want a portrait photograph, go downtown and get it, but don't let some high pressure fly-by-night take your money. You'll surely get the worst of it.

Also sororities and fraternities—we have had some trouble with promoters from other campuses. Don't give anyone any money for memberships in anything until you know that the organization has been approved by the College. This just by way of saving you twenty dollars or so.

Titles of the films to be previewed are: "Getting Them Talking," "Being Agreeable," "Getting Together," "Keeping Your Neck In," "Telling The Whole Story".

This showing is open to all those interested in the techniques of training people in the selling of merchandise. It will last about one hour.

STATE ANNOUNCES PERSONNEL JOBS

The State Personnel Board needs persons experienced in personnel classification and examination work to fill positions in the Sacramento office. Statewide tests for these positions will be held on February 16. The starting salary of Assistant Personnel Technician is \$255 a month and for Associate Personnel Technician, \$300.

An examination for Junior Personnel Technician, \$210 a month, will be held on February 23.

All applicants must be United States citizens and must have been residents of California for at least one year prior to the date of the examination. Applications should be filed with the Board's offices at Sacramento, Los Angeles, or San Francisco 15 days before the date of the examination.

SOCIAL AFFAIRS

At yesterday's Social Affairs' meeting Miss Bonnie Lingenfelter was elected secretary for the quarter.

After a short business meeting the committee discussed a student body dance they will give on February 22. Decorations, refreshments, patrons, and publicity committees were organized for the dance.

NOTICE

OT's: Remember that you must sign up in room S100 before Feb. 1 if you want to go with the club on a tour through Dibble General hospital on Friday afternoon, February 8.

THE WEAVER

By DAVE WEBSTER

The Weaver and another friend from the "Pub" staff last weekend took advantage of a play, "The Little Foxes", which was given by University of California students in Wheeler hall. It served only to raise to new levels our appreciation of the dramatic productions which we at San Jose State enjoy. Incompetent direction seemed to be the most serious fault to be found with the Cal production, most noticeable in the pitiful attempts at the imitation of Southern accents. Some of the acting was overdone, some of it weak. The whole thing showed a lack of balance, and an almost high-schoolish lack of sympathy with the real understanding of character.

We hereby present unsolicited orchids to such persons as Joanne Hildebrande, and Virginia Beattie, whose characterizations in "Ladies In Retirement" outclassed by far anything to be seen at UC. So long as State's drama department continues such successful efforts as this year's have been, we'll feel satisfied in knowing that we're not missing much when we fail to keep up with the University productions.

A gentleman entered the office the other day, sat down across from us and started hacking away at typewriter. When he had finished, he handed us the following: "Dear Mr. Weaver,

I am herewith submitting a poetic apostrophe (as you termed it), for your worthy attention and approval. It seems that the lack of verse on campus has inspired even you, curse the day, to dip your typewriter into the well of sonnetry, to coin a word. (Take it back, the coin is counterfeit.) Anyhow, the following work is dedicated to you and your poem, 'We Knows'. May it discourage you and any like you from falling into the pitfalls of a poet's journey.
