## Crash Kills SJS Junior; Coed Hurt

An SJS student was killed and a coed to whom he recently was pinned was injured in an automobile accident Friday night.

Gary Allen Lake, 19, an Allen Hall resident, was killed in a three-car collision on the James Lick Freeway in San Francisco and Sue Faye Joyce, 19, of 385 S. Eighth St., was injured.

Lake was a junior from Bakersfield.

Miss Joyce, 19-year-old junior psychology major from Los Angeles, received facial and head injuries. She was taken to General Hospital in San Francisco where the extent of her injuries will be determined by X-rays and tests. She is expected to be released from the hospital in two weeks if no complications set in.

Lake's funeral will be held today at the Masonic Temple in Tehachapi at 2 p.m. There will be a DeMolay memorial service before the funeral.

## Sangha Shows Japanese Arts

A week-long festival of the Japanese arts by Sangha club, a group interested in Oriental philosophy, continues its programs this week as follows:

## Mandel To Give Second Lecture

The second in a series of 11 lectures on "The Soviet Union Today" will be presented this afternoon by William Mandel in S164 at 3:15.

Mandel, an authority on the Soviet Union, is presenting the course through the invitation of Toward an Active Student Community (TASC).

The lectures deal with contemporary Russia on a non-"Cold War" basis. It is a discussion course and the text is Mandel's "Russia Re-Examined."

### RUSSIAN'S PLEDGE CO-EXISTENCE

MOSCOW (UPI)—The Kremlin's new rulers pledged yesterday to follow a policy of peaceful co-existence with the West and said they were ready "to make a practical start on disarmament."

Communist party chief Leonid Brezhnev called for unity in the Communist world and held out hope for a better life for the Russian people.

### HOOVER'S CONDITION TERMED 'GRAVE'

NEW YORK (UPI)—Former President Herbert Clark Hoover clung tenaciously to life yesterday but his doctors said the outlook was "grave."

The 90-year-old 31st President of the United States slipped nearer to death and entered a state of "unresponsiveness," his physicians said. A 10:30 a.m. EDT medical bulletin said Hoover had a comfortable night and his blood pressure, pulse and heart rate were stable. It said the gastro-intestinal bleeding had stopped but that the loss of blood from the massive hemorrhage he suffered last Saturday had resulted in toxic products in Hoover's bloodstream.

### BRITONS SEEK STRONGER U.S. BOND

LONDON (UPI)—Prime Minister Harold Wilson's new Labor party government informed the United States officially yesterday it is anxious "to maintain the Anglo-American alliance."

New Foreign Secretary Patrick Gordon Walker gave the pledge in a meeting with U.S. Ambassador, James E. Bruce at the Foreign Office. A Foreign Office spokesman said Bruce was the first foreign envoy invited by Gordon Walker for an interview.

The British spokesman said the Laborite foreign secretary was "anxious to make his first contact with the United States, to reaffirm the United Kingdom's anxiety to maintain the Anglo-American alliance."

The Tower List was discussed Friday night by students and faculty members at Open End in the Faculty Cafeteria. Panel members are (l. to r.) Gene Lokey, coordinator of Open End; Larry Gooding, president of Tau Delta Phi, men's scholastic fraternity; Dr. Tim Plant, pro-

fessor of psychology and panel moderator and Dr. Curt Stafford, head of the testing office. Gooding announced that a new list is in the planning stage. Panel members agreed that the list should be improved as a study and clarified as to the purpose it should fulfill.

## Future Teachers Offered Fellowships

By DAVE DELLA MAGGIORE

One of the major problems facing the United States today is the critical shortage of college teachers. The Woodrow Wilson National Fellowships are designed to attract men and women to the profession of college teaching.

The program, now in its 20th year, offers for the school year 1965-1966, 1,000 fellowships for first year graduates working toward careers in college teaching.

To receive a fellowship a student must first of all be nominated by a member of the faculty. A student is nominated in the fall semester of his senior year.

Dr. Gerald E. Wheeler, professor of history, head of the Woodrow Wilson Fellowship activity at SJS this year, urges students to "talk to their professors about the possibility of their being nominated." He said that many of the professors must be reminded of the presence of the fellowships.

### FIRST STEP

The first step must be taken by the faculty member. To receive a fellowship for the next school year ('65-'66) the nominations must be in by Oct. 31.

Nominating letters should be sent to the regional chairman: Professor S. M. Dornbusch, Wilson Fellowships Office, Stanford University; Box 5789, Stanford Calif. They must be in by the deadline, Oct. 31.

The foundation primarily supports those students in the humanities and social sciences, but it also

gives fellowships to students in natural sciences, mathematics, art history, musicology and musical composition.

### ELIGIBILITY

To be eligible for nomination a student must be qualified to undertake graduate work in the fall of 1965. Students in the armed forces and others not now attending college are eligible for the nomination.

After being nominated the student will be asked for a Statement of Intellectual Purpose, three letters of recommendation and a transcript of his academic record. These are weighed 50 per cent, 30 per cent and 20 per cent, respectively, in awarding the fellowships. The usual deadline for completing the dossier required of a nominee is Nov. 20.

About 25 per cent of the nominees are interviewed by the foundation representatives. About half of those interviewed are awarded fellowships, and many are given honorable mention.

Last year, with the program under the direction of Dr. Edgar Hornig, professor of history, six SJS students received awards. Four of them were fellowships.

### CHOICE OF SCHOOLS

A recipient of a fellowship may attend the graduate school of his choice and he receives a living stipend of \$1,800 for one year of graduate work. If the student is married and has children he receives an additional \$1,000 for the first child and \$250 for each additional one. Tuitions and fees are also paid by the foundation. The money for the fellowship is granted by the Ford Foundation.

Dr. Wheeler stated that "there are many exceptional students on this campus who should be taking advantage of these fellowships."

## 'Crisis' Examined Tomorrow in Talk By Dr. Fallico

"The Crisis of Philosophy" will be discussed tomorrow by Dr. Arturo B. Fallico, SJS professor of philosophy, at 10:30 a.m. in Concert Hall.

Dr. Fallico's lecture is sponsored jointly by the College Lecture Committee, the Philosophy Department and the ASE.

According to Lecture Committee chairman Frank G. Willey, "Dr. Fallico will ask, 'What is the nature of the philosopher's business?' He will discuss the profound schism between Anglo-American and the European conception of philosophizing and the possibilities of a reconciliation of views."

## Documentary Film To Benefit Fund For JFK Library

"A 1000 Days," the film on the presidency of John F. Kennedy that was shown this summer at the Democratic National Convention, will be presented in a benefit showing Thursday at 3:30 p.m. in S164.

Sponsored by the SJS Democratic Club, the film will be shown to help raise funds for the JFK Memorial Library to be built in Boston.

Les Freund, program coordinator for the Democratic Club, stated that Mrs. John Kennedy and other members of the family have specifically requested that college students of the nation take on the task of building their own wing to the library as a tribute to the late president who was of their generation.

"This will be our small way of showing our feelings here at State," Freund said.

He explained that students and faculty will be asked to make a 25 cent donation to the library by purchasing a ticket. Tickets will be sold this week at a booth in front of the Spartan Bookstore and at the door before the showing.

## ASB Committees Need Members; Interviews Today

Interviews will be held today in the College Union, 315 S. Ninth St., for membership in three committees.

Spartan From the Start interviews will be held from 1-3 p.m., Art Planning Committee from 3-5 p.m. and Freshman Camp Committee from 1-5 p.m.

Freshman camp director interviews will be held Thursday, from 1-3 p.m.

## Students Needed For Campaign

At least 1,000 students are needed for the door-bell ringing campaign tomorrow night to urge voters to vote "Yes" on Proposition 2 in Santa Clara County, according to SJS chairman John Gruehl, sophomore political science major from San Jose.

Proposition 2 is a \$380 million state construction bond issue for higher education. If the measure passes, San Jose State will receive nearly \$13 million for construction and expansion.

Students interested in helping in the campaign may sign up in the College Union today and tomorrow.

## Band Wants \$9700 To Fly To Arizona for Nov. 14 Game

The band wants \$9700 from Student Council to fly to Arizona Nov. 14 to march in the SJS-Arizona State football game and to appear on national TV the next day.

Roger Muzzy, band director, will

urge council members Wednesday afternoon to approve the band's request.

A heated council debate over the request is expected since opinions appear to be evenly split for and against the issue.

Muzzy is requesting the money to pay for a chartered plane to fly the 120-member band to Arizona, Los Angeles, and back to San Jose. After the Arizona State game the band would fly to Los Angeles to march in the Rams-Chicago Bears nationally telecast game on Nov. 15.

Bus transportation is an alternative plan Muzzy will also throw before the council Wednesday.

Cost of a bus trip is estimated at \$6300. Muzzy doesn't believe it is a practical alternative, however,

because of the very tight time elements involved.

This is the third year in a row that the band has asked for special travel funds.

Last year council paid \$6131 to send the band by bus to the SJS-University of Oregon game.

Two years ago there was a campus uproar when council revoked a \$6900 allotment to the band made the year before to march in the SJS-Arizona State game.

Council decided to annul its allocation when the band failed to provide a national or local TV hook-up. The band then presented council with a new \$5,929 plan and a petition signed by 3,857 students.

Council approved the new request and the band went to Arizona.

To back up his current request, Muzzy has a letter from Bob Bronzan, director of athletics, saying he would like the band to be with the team at Arizona State.

SJS football coaches have also indicated to Muzzy that the band's presence, encouragement, and pep talk may have greatly helped SJS to win the Oregon game last year.

He also cites articles written in Oregon newspapers last year as further evidence of the band's contribution to SJS "reputation."

"If we can promote the good image of SJS then I think (the trip) is an invaluable aid to our school," he declared.

Sportswriters, he said, are generally agreed that the SJS band is the best in the Western U.S., yet the ASB provides one of the lowest major-band budgets, \$5200 this year.

This budget, he said, compares with Cal's \$50-75,000 and Arizona's \$14,000 per year budget. He is convinced the cost of this trip will be more than repaid in maintaining the band's superiority and prestige.

## City Council Commends SJS Cadets

The AFROTC cadets of SJS were honored by the City of San Jose last night at the City Council meeting in the City Council chambers, City Hall.

Dr. Joseph Pace, San Jose mayor, issued a proclamation commending the cadets for service to the community. They have trained elementary school crossing guards for several years.

The Arnold Air Society, the honor society of the AFROTC, undertakes the training of crossing guards as an annual project. Last year the cadets went to over 70 elementary schools and trained over 2,000 students to be crossing guards. Heading last year's project for the society was Bill Balmanno.

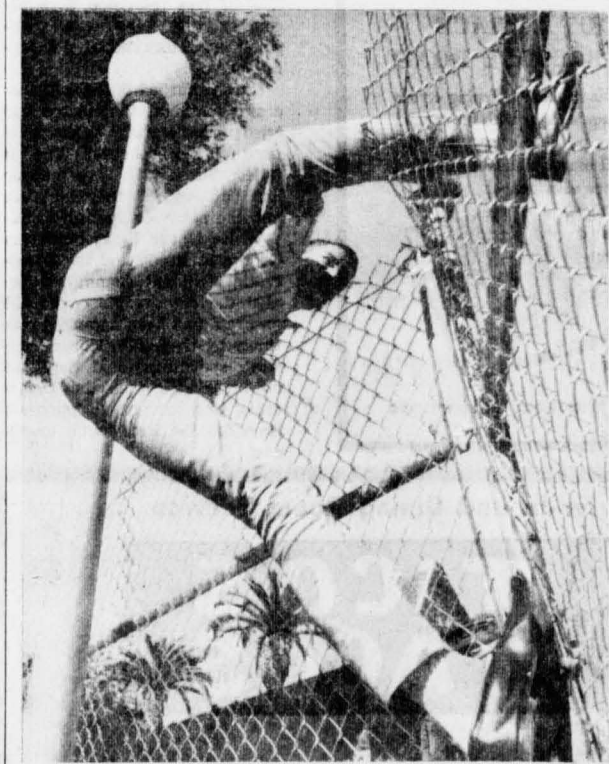

Maj. Joe P. Tarpley, professor of air science, credits Balmanno for much of the success of the program and its recognition from the City Council.

The proclamation was presented to Major Tarpley. Also present at the meeting to represent the cadets was Wayne Halladay, executive officer of Arnold Air Society.

## Piano Students In Concert Today

Piano students of Thomas Ryan, professor of music, will perform today at 11:30 a.m. in Concert Hall. The concert is open to everyone.

Madeleine Edwards will play "French Suite No. 5 in G Major" by J. S. Bach. Two sonatas by Scarlatti will be performed by Pamela Pyle, Nick Gallo will present "Fantasia" by K. P. E. Bach and "Capriccio on the Departure of a Beloved Brother," by J. S. Bach.

CAN'T GET THROUGH—Ellis Rother, sophomore philosophy major, started to walk through the outer quad yesterday, via the entrance between the old science building and the southwest portion of Tower Hall. But he didn't get far. The fence, begun this week at the southwest end of Tower Hall, will surround the complex when it is completed. It will remain standing until completion of the project. A portion of the fence blocking the southwest entrance to the outer quad will be moved over in about six weeks to aid student traffic, according to Jack Trimble, estimator from Herwig of California. But first 40-50 feet of Tower Hall's southwest end will be demolished. The fence prevents students from walking beneath falling debris.

## Fulbright Forms Due Today at 5

Deadline for applications to the 1965-66 Fulbright Scholarship competitions is 5 today, ADM269, according to Donald R. Ryan, assistant to the dean of students and campus Fulbright adviser.

Qualifications for the competitions are U.S. citizenship, a bachelor's degree and be proficient in the language of the host country. Creative and performing artists do not require a bachelor's degree, but should have four years of professional study or equivalent experience.

Social workers should have at least two years of professional experience after receiving the master of social work degree.

Fulbright Scholarships, the United States government graduate grants for academic study or research abroad, were established under the Fulbright-Hays Act as part of the educational and cultural exchange program of the Department of State. Under this program, more than 900 American graduate students will have the opportunity to study in any one of 51 countries.

## 'Ballot Box 13' Topic of Speech

"This Man LBJ and the Miracle of Ballot Box 13," will be the topic of a speech by Dr. Jacob M. Patt, assistant professor of history and education, at a Students for Goldwater (SFG) meeting tonight at 8 in CH160.

A short SFG meeting and election of officers will be held prior to Dr. Patt's speech. Goldwater campaign literature and other information will be available at the meeting.

SFG publicity chairman Bob Young invites all interested students and faculty to attend the speech. Persons attending the meeting may sign up for precinct work, according to Young.

## Gooding Objects To Story Placement

**Editor:**  
Two stories recently were reported in the Spartan Daily. One dealt with the Pledge Smoker of the Pershing Rifles, Company F-10, ROTC (the military honor society); the other dealt with the Pledge Smoker of Tau Delta Phi, the Men's Scholastic Honorary Fraternity. It seems characteristic of San Jose State in general and of the Spartan Daily in particular, that the story dealing with the military society rated first page coverage, whereas the story dealing with the men's honorary is buried among the advertising on page 3. In passing it might be noted that the stories were of the same column inch length so they could easily have been interchanged by an alert news editor.

## Student Compares Red, Free World

**Editor:**  
Unfortunately, I did not see the political cartoon referred to by Fred Strom in the Thrust and Parry of Oct. 16, but I find that I must agree with him in his statement that the governments of the Free World are not 100 per cent good and those of the Communist world are not 100 per cent bad.

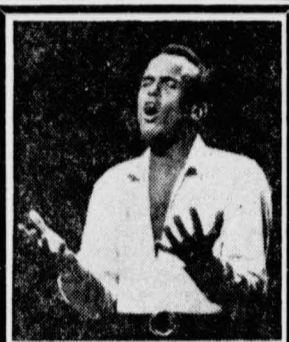

Although I will not try to estimate just what percentage of the Communist governments are good, it seems to me that when people must dig a tunnel by night in order to escape a country the government of that country is indefensible.

Also, as stated by Strom, we must try to understand the Communists in order to survive. But what we must learn is that they plan to take over the world without war. That is what they mean by "peaceful co-existence."

While we "seek agreements with them to facilitate co-existence" they are winning the fights in Viet Nam, Zanzibar, and the Congo. After this, as we continue to "co-exist," they will carry the fight into other coun-

tries, and still others. Unless this trend is brought to an immediate halt, the prophecies of Lenin will come to pass. The Russians will not have to fight an all-out war, for the United States will be the last stronghold of capitalism and will fall into the hands of the Communists peacefully.

## Three Networks Veto Goldwater Request for Time

WASHINGTON (UPI) — The three major television networks turned down a Republican demand that Barry M. Goldwater be given equal time to answer President Johnson's broadcast on world affairs Sunday night.

ABC, CBS and NBC said they did not consider Johnson's address subject to the equal time requirement because it was not political in nature.

NBC offered GOP National Chairman Dean Burch 15 minutes of free television time "to express the Republican viewpoint on international developments."

Burch charged that the Democratic National Committee had tried unsuccessfully to purchase time for the broadcast. When it failed, Burch said that Johnson had "demanded" the free time and the networks had given in.

White House Press Secretary George E. Reedy and the Democratic National Committee denied the charge. They said the program had been arranged routinely by the White House. Network spokesmen said they had no knowledge that the Democrats first sought to purchase time for the President's broadcast.

## The Graveyard of Republics

After twenty-three centuries Aristotle is still regarded as the father of political science. He constantly emphasized that the best government was one where the power was distributed among all parts of the state.

Applied to us this would mean that it is dangerous to concentrate power in the central government at the expense of state and local governments.

Athens itself provides the perfect example of what happens. When the central government of Rome took over all power and lived by taxing the provinces, the result was a creeping paralysis and the downfall of a great empire.

Inner weakness, created by a huge tax-consuming federal bureaucracy, is as dangerous to a modern republic as it was to ancient republics.

Voters must decide in this election whether an all-powerful government doing for people what they can and should do for themselves is best for our nation. History teaches that too much power corrupts both those who govern and those who are governed.

## Booters Beat Cal; Take On Gators Today

Looking for its second straight victory over San Francisco State, San Jose State's soccer team travels to San Francisco today to battle the Gators in a Northern California Intercollegiate match at 3 p.m.

The Spartans increased their league record to 2-1 Friday night with a 2-0 win over California at Berkeley, knocking the Bears out of first.

The victory kept San Jose in the title race behind league-leading USC with a 3-1 record.

Coach Julie Menendez termed the victory Friday night as a "real team effort." "Everybody hustled all the way," voiced the happy mentor after the game.

After the two teams played a scoreless first quarter, Al Korbus shot the Spartans into a 1-0 lead early in the second quarter with a goal. It proved all the San Joseans needed, but Bob Salazar added another goal later in the period to pad the lead.

The Spartan offense kept pressuring the Bears throughout the second half, but was unable to score. Cal made only two serious goal threats in the final half, but missed close goal shots.

## Harriers Top Cal; Four Men In Tie For First Place

In spite of the absence of All-American Danny Murphy, the defending national champion Spartan cross-country team captured all five places as it trounced the University of Cal Saturday in the Berkeley hills.

Joe Neff, Phil Darnall, Tom Tuite, and Dave Lower all finished together in a tie for first place.

Their winning time of 20.4 was one second faster than the Spartans' winning time of 20.5 last year.

The Spartans had four men finish in a tie for first last year, but the four included Murphy. Murphy, although plagued with recurring ulcer problems, will be available for the important dual meet with Stanford Saturday.

Owen Hoffman, who made his debut Saturday, received praise from Coach Merv Smith. "Owen finished ahead of most of the Cal runners," said Smith. "His performance was a pleasant surprise considering this meet was his first varsity competition."

## Poloists Travel to UOP Tonight

The San Jose State poloists travel to the University of Pacific tonight after a weekend visit to the Southland in which they demolished weak Pomona, 20-7, and were defeated, 9-4, by pre-season national champion favorite Long Beach State.

The UOP game is the first of three slated for the Spartans this week. Friday night's game against Stanford, and Saturday night's game against the Yugoslavia Olympic team are expected to offer the best consecutive night competition ever witnessed in the Spartan Pool. Stanford was national champion last year and the Yugoslavia team is one of the best in the world.

The 9-4 loss to Long Beach was a much closer game than the score indicated. Long Beach led only 5-4 in the closing minutes of the third quarter. At that point, however, several fouls were called, and the Spartans were left with only one first team member other than goalie Bruce Hobbs.

In spite of the loss, Coach Lee Walton thought the Spartans played one of their best games of the season. He is confident the Spartans will defeat Long Beach in the state college tournament in San Francisco on Nov. 20 and 21. In national ratings, the Spartans are third in the U.S. behind Long Beach St. and U.S.C.

"Jack Likins and goalie Bruce

Hobbs played one of their best games of the season," said Walton. "Hobbs made several fine saves. His save on a free throw attempt was the outstanding play of the game."

Walton, although disappointed, was not distraught over the loss. "We are a stronger team than Long Beach and we let them know it. Prior to the game, their season record was the same as ours. We each had six victories and one loss. Their loss was a one point cliff-hanger to USC. I think Long Beach is actually a better team than USC, but we are capable of defeating both teams."

Walton thought the competition with Stanford and Yugoslavia this weekend would be excellent preparation for the Spartans' games with USC and Long Beach St. later this season. The Spartans must win both of the latter games to be considered national champion.

**Wednesday Co-Rec Sets 'Goes Ape' Program**

"Co-Rec Goes Ape" is the theme of this week's Co-Rec program presented tomorrow night, 7:30-9:45 p.m. in the PER building and the women's gym.  
Featured activities will include badminton, swimming, basketball, ping pong, volleyball, shuffleboard, foosball, chess, checkers, scrabble, table games, and dancing. A dance contest, "Monster Mash," will be featured.  
Music for the dancing will be provided by the Legends, a rock and roll band. Students wishing to participate in basketball, badminton, and volleyball are reminded by Miss Judy Paulson, student publicity chairman, to bring tennis or gym shoes. Those wishing to swim should bring swim suits and bathing caps.  
Admission is free, but limited to ASB card holders only.

**Between Beginning and End**

Do you know that God's Holy Scriptures begin with: "In the beginning God created the heavens and the earth..." and that they end with: "The grace of our Lord Jesus Christ be with you all. Amen."?

And do you know that the following message from Him is contained between those two verses?

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In thy ways acknowledge Him, and He shall direct thy paths. Know ye that the Lord He is God: it is He that hath made us, and not we ourselves... All we, like sheep, have gone astray; we have turned everyone to his own way; and the Lord hath laid on Him (Jesus Christ) the iniquity of us all."

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. For God sent not His Son into the world to condemn the world; but that the world THROUGH Him might be saved." He that believeth on the Son hath everlasting life; and he that believeth not the Son shall not see life; but the wrath of God abideth on him... God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ. For all have sinned, and come short of the glory of God."

"Repent ye therefore and be converted, that your sins may be blotted out... but except ye repent, ye shall all likewise perish." If we confess our sins, He is faithful and just to FORGIVE us our sins. For the wages of sin is death; but the GIFT of God is eternal life through Jesus Christ our Lord. For by grace (God's) are ye saved through faith; and that not of yourselves: it is the GIFT of God... Believe on the Lord Jesus Christ, and thou shalt be saved. Therefore be justified by faith, we have peace with God through our Lord Jesus Christ. For ye are all children of God by faith in Christ Jesus."

"Jesus said unto her, 'I am the resurrection and the life: he that believeth in Me, though he were dead, yet shall he live; and whosoever liveth and believeth in Me shall NEVER die.' These things have I written unto you that believe on the name of the Son of God; that ye may KNOW that ye HAVE eternal life, and that ye may believe on the name of the Son of God."

"Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me... Surely goodness and mercy shall follow me all the days of my life, and I will dwell in the house of the Lord forever."

Are you a doubting, but honest reader? Then check the above portions of Scripture yourself and prove that this is the true record. As has been said: God will receive each of us who will accept His way of coming to Him. Won't you settle with God and confess the Lord Jesus Christ as your Savior now while there is yet time?
