LA TORRE OUT WEDNESDAY

CAA Enlarges Air Program; June 15 First Starting Date

Fifty Students Enrolled During September And January

By VANCE PERRY

San Jose State college will begin instruction of at least 50 more young men and women under the Civil Aeronautics Authority June 15, it was announced last night. Similar programs will be put into effect September 15 and January 15 of next year.

The new program was revealed by Dr. Charles E. Moore, CAA flight surgeon, at a banquet in the De Anza hotel attended by CAA students, as a part of the nation's move to train 15,000 private pilots in the colleges throughout the country.

There will be no cost to students receiving instruction, according to Dr. Moore, who represented the Authority at the banquet. Previously there was a charge of \$30 to cover the cost of ground school, physical examinations, and insurance.

Anyone from 18 to 25 years of age inclusive is eligible to apply for the training, advancing the age limit one year over the previous requirements. Any high school graduate who intends to enter college next fall, any college or junior college student or college graduate within the age limit may apply.

The training course consists of a minimum of 72 hours of ground school and a minimum of 35 hours flying time, leading to a private flying certificate.

The new program was originally scheduled to begin September 15 but was suddenly set up to June, according to Dr. Moore.

It was announced last night that nine men will begin advance training this morning.

Application for the training is to be made to Controller Neil Thomas in the Student Union.

Crawford Gates Wins Top Music Contest Award

Sweepstakes award in the Creative Music Competition was given Crawford Gates for his A Cappella composition "Today We Live", at last night's student concert at which all winning contributions to the winter quarter competition were played.

Gates' number, which showed "the exquisite musical sensitivity" of the composer, was dedicated to Mrs. Lucille Fox Green, his former teacher.

Another high spot in the program was Charles Pyle's "Prelude and Caprice" for brasswinds. This was characterized by fine instrumentation and a powerful underlying rhythm and was more than faintly reminiscent of certain Ger-shwin works.

Co-op House

Mary George cooperative house will remain open during the summer session and any woman interested in staying there may make arrangements with Mrs. Helen Plant, according to Aldyth Evans, house manager.

Muther 'Cops' Top Honors In Police Pistol Shoot

With First, Second, Third Places

Leland Muther walked off with top honors in the Second Annual San Jose State college Pistol Shoot held yesterday afternoon on the Fourth street Police Range, by taking first in the rapid fire class and a second and a third place in other divisions.

Muther won the Whaley trophy and a gold medal in the rapid fire division with a 189 score out of a possible 200. Bill Davenport was second with 187, and Ray Belnap third with a 172 score. Silver and bronze medals went to second and third places.

The Novice match went to Louis Gerlanger with a score of 264. Bob Nagel second, 254; and Donald Ross third with a 233 score. In the class "A" competition, Frank Kallam, captain of the Spartan Pistol team, placed first. Muther was second and Jack Fancher was third. Kallam shot a 289 score out of a possible 300, which gave him possession of the Hudson trophy and a gold medal.

Leo Singer was awarded the Lorenz trophy and a gold medal in the class "B" division with a score of 281. Davenport with 274 was second, and Muther was third, getting a score of 272. In the left and right hand matches, Jack Fancher, with a "hot" score of 194 out of 200, won the gold medal. Singer was second and Bob Hamill was third.

The meet was in charge of Sergeant W. C. Brown, and 35 members of the Police School took part.

Annual Mixer In Men's Gym Set For Tonight

Sheldon Taix Plays For Dance; Door Prize

The enthusiastically-anticipated Freshman-Sophomore Mixer, which has become an annual tradition at San Jose State college, will find the Men's gym converted into a flower paradise in keeping with the theme of "Summertime" tonight when the lower classmen gather for an evening of fun.

STARTS AT 7:30

Festivities are scheduled to begin at 7:30 and will go until 10:00 p.m., according to General Chairman Mert Crockett. Music for dancing will be furnished by Sheldon Taix and his "Spartan Revelries Band".

According to the committee in charge of refreshments and entertainment, tickets for the mixer may be purchased at the door tonight or from the freshmen and sophomore officers.

FINAL GET-TOGETHER

"Forget your studies for one night and come on out and meet all members of the lower division classes," declared Roy Diederickson, president of the freshman class. "This will be the final get-together for these classes and next year the sophomores will be juniors, so let's get acquainted tonight."

A door prize will be donated by the Co-operative Store, stated Crockett. Sufficient refreshments will be provided for all. Stags are welcome.

Spartan Daily Banquet At 6:30 Tonight

Featuring Frederic O. Glover and George McQueen, editor and business manager of the Burlingame Advance, respectively, as guest speakers, the annual Spartan Daily banquet will be held tonight at 6:30 o'clock at the Koffee Kup under the sponsorship of Nu Iota Chi, honorary journalism fraternity.

The program will also be highlighted by the presentation of a perpetual trophy, awarded by Nu Iota Chi each year to the Pacific Coast newspaper with the outstanding front page makeup, to Glover, whose paper won the 1940 award.

All members of the Spartan Daily editorial staff and advertising department are expected to attend, says Frank Bonanno who is in charge of the banquet. An invitation has also been extended to the newswriting class, whose members are not actively associated with the paper.

Distribution Of First 1500 Copies Takes Place From 9:00-3:00

Yearbooks Given Out From Publications Office Windows

La Torre for 1940, student yearbook edited by Bill Laffoon, makes its official campus appearance Wednesday morning at 9:00 a.m.

This is the official date for release of the 144-page annual set by Publications Director Dwight Bentel, who announces that although more than 100 copies have been bound to date, none will be distributed until there are enough to satisfy one day's demand. Binding of this number, estimated at 1500, will not be completed until Wednesday, according to Rosicrucian Press, binders and printers of the yearbook.

Deadline Today For Senior Job Contest

Noon today marks the deadline for seniors who wish to submit applications for participation in the Walter Mack Job Awards Contest. Applications should be given to Weaver Meadows of the commerce faculty, or to Dolores Freitas, Publications office secretary.

\$1300 SALARY

Jobs for an indefinite number of this year's college graduates, among whom San Jose State college has been invited to send two, are being created by a national company. Those who qualify will be employed for one year at a salary of \$1300. At the end of this time, they will either join the company on a permanent basis, or make new connections, backed by a year's practical business experience. In either case, their jobs will be turned over to 1941 graduates.

NOTICE

Because of finals and conflicting senior activity dates, the staff will only publish two Spartan Dailies next week; one on Tuesday, the other Thursday.

Senior Ball At Olympic Club Tomorrow Night

The senior class will dance a farewell to four years of college tomorrow night at the traditional Senior Ball, held this year at the Olympic Club at Lakeside.

Committee Chairman Steve Hosa reported a complete sellout Wednesday of the original 370 bids which went on sale less than two weeks ago and said that only two or three turned in by non-attending patrons were left for the general student body sale yesterday.

Playing for the formal dance will be Kenny Baker and his 15-piece orchestra, brought from southern California for the Ball, according to Hosa.

GIVES DIRECTIONS

Students will dance from 9 until 1 o'clock at the exclusive Olympic Club, also the site of last year's Senior Ball. Hosa suggests that students, in order to reach the dance, drive down Highway 101, turn left outside of Burlingame to the Skyline Boulevard, turn

right, and the Olympic Club will be approximately one mile ahead on the right.

PATRONS, PATRONESSES

Patrons and patronesses are: Dean and Mrs. James DeVoss, Dean and Mrs. Paul M. Pitman, Dr. and Mrs. Harold Miller, Dr. Eoris Gregory, Mr. and Mrs. William Sweeney, Mr. and Mrs. Edward Haworth, Mr. and Mrs. DeWitt Portal, Mr. and Mrs. Erwin Blesh, Mr. and Mrs. Carl Pederson, Mr. and Mrs. Weaver Meadows, Gertrude Witherspoon, Mr. and Mrs. John Gordon, Mr. and Mrs. Dudley DeGroot, Mr. and Mrs. John Dowdle, Mr. Hugh Gillis, Dorothy Manchester, Mr. and Mrs. Robert Drexel and Lillian Gray.

Congratulations...

Last night the creative work in musical composition of 12 San Jose State college students was played before an audience which in the main came to hear what neophyte composers are capable of producing.

The audience was pleasantly surprised to find much of the work of a mature nature and representative of the best that our Music department can do. For these students who have the ability to write music of a serious nature as good as was played last night, we confess a sincere and deep admiration for their ability and the individual products of their pens.

In ancient Greece, outstanding musicians were honored even above athletes and warriors. The Greek fore-runner of our modern Olympic contests had competitions in musical competition, crowning the winners with laurel wreaths and honoring them with grants of land and statues erected in the market places of their home towns.

We cannot crown our outstanding musicians with any laurel wreaths, but we can take off our battered fedora and say, "Well done and congratulations to Irwin Quast, Jane Leeder, Crawford Gates, Harrill Johnson, Richard Anderson, Vernon Kendall, Carlton Lindgren, Orrin Blattner, Charles Pyle, Corrine Richey, Frances Barton and Lucille Machado," who all represent the best of what San Jose State college can produce in the realm of musical art.

High School Campaign Discussed At Rally

Camp Leadership Group Conducts Girl Scouts

Camp Leadership club members will conduct San Jose, Los Gatos and Campbell troops of the Girl Scouts through Alum Rock Park Saturday morning in their last activity for the quarter, according to Ruthadele Taylor, president of the club.

Under the chairmanship of Lucille Gruber, the nature study field day will consist of a series of hikes in the morning, with lunch and community singing following.

Leading the discussion on trees will be Ronald Sperry and Winfield Hart. Flowers will be explained by Ann McKinney and Jane Ewing. Pointing out birds will be Joel Gustafson and Ernie Myers.

A highly successful "return performance" of the ex-Revelries cast last night at the mass meeting in the Morris Dailey auditorium set off the college participation in the campaign for a new high school.

Discussing the bond issue which comes before the voters in a city-wide election Tuesday, June 11, the speakers for the evening, Al Alton, student body president; Violet Boone, high school student and oratorical contest winner; and C. C. Cottrell, practicing lawyer and former assemblyman; pointed out the need for a new high school from a three-dimensional angle.

These are the attitudes of the businessman, college student and high school student with the advantages to each that would result with the passing of the issue.

The discussion on animals will be given by Rex Bartges and Ernestine Smith. Explaining rocks will be John Zimmerman and Don Graves.

ED. NOTE—ALL THRUST AND PARRY CONTRIBUTIONS MUST BE SIGNED BY THE WRITER. IF REQUESTED, ONLY INITIALS WILL BE PRINTED, BUT THE ARTICLE WILL BE ACCESSIBLE TO ANYONE WISHING TO SEE IT.

Dear Professor Robinson:

I think you have gone to extremes in your choice of infra-red and ultra-violet as college colors. Your plan would present serious difficulties to our college and other photographers. Ultra-violet photographs strongly, while infra-red hardly photographs at all. Should the young ladies in our band wear ultra-violet skirts, or vice versa? It seems to me the moral consideration here should concern a pro-

fessor of ethics.

Consider, too, the problem of college song writers. "Praises we sing, our noble infra-red and ultra-violet." Not so good. We could sing "In . . . fra red and ultra vi . . . olet" to the tune of "I've been working on the railroad," but that would be a steal and once again could not be condoned by a professor of ethics.

In place of your suggested colors I propose neutral gray. It should have great practical value in the days to come not only for uniforms but for camouflage too.

—Sincerely, Joe Plato.

NOTICE

There will be a short but important Entomology club meeting today at 12:15, Room S213. All those planning to go to the final meeting and barbecue at Dr. Duncan's today should be present.

Carroll's Cuties Take Intramural Title

BOMBASTICS LOSE 7-5 SOFTBALL TILT AS SEASON ENDS

Zimmerman Pitches For Victors; Bruni On Mound For Losers

By OTTO TALLENT

With Carroll's Cuties making three runs while the Bombastics were scoring two in the final half of yesterday's softball contest, the Cuties in taking the game, 7 to 5, emerged winners of the intramural softball championship crown. They led 4-3 as they took the field.

THREW AWAY CHANCE

Bombastics threw away their chance for victory in the last canto when Sam Taormina, who reached first base on an error by Lloyd Thomas, right fielder, tried to steal second and was called out by Umpire Tony Nasimento. Two runs crossed the plate on the fielder's error.

After Pitcher Pete Bruni had gotten rid of two Cuties in the fifth inning (first inning of the day), Stu Carter singled and two men walked to fill the bags. A hit cleared the bases for the Cuties' three runs.

TAYLOR WALKS

Carter, Wes Hughes and Gordon did the scoring for the Cuties, and Pete Filice and Mike Anello crossed the plate for the Bombastics. During the Cuties-Bombastics encounters, Captain Taylor of the Bombs was walked by Pitcher Leroy Zimmerman six consecutive times.

Bruni allowed four hits in yesterday's fray, and Zimmerman allowed three. Zimmerman gave four walks, while Bruni presented three free passes. Three players, including two in the last inning, were fanned by Zimmy. (It was Pete Bruni who pitched the first half of the championship tilt, not Pete Filice, as was reported yesterday.)

ENDS SEASON

Yesterday's engagement closed the intramural sports season.

Spartan Team At Compton

Todd, Sunzeri, Vasconcellos, Ruble Run For OC

JAVELIN TOSSER LEADS PACK

Four outstanding San Jose State cinderpath artists, who were instrumental in bringing San Jose from an obscure small college track team to a strong, well-rounded squad, desert the Spartan colors tonight to compete in the Compton Invitational Relays under the banner of the San Francisco Olympic club.

LEADS PARADE

Leading the parade of former Washington Square athletes is Lowell Todd, former national javelin champion, who has been performing for the Winged-O for the past season. Undeclared this year, Todd promises to place well up in the money against such outstanding throwers as Hugo DeGroot of USC, Bob Stone of Stanford, Martin Biles of California and several other men who have throws over 200 feet this season.

Ticky Vasconcellos, who is the best broad jumper on the Pacific Coast, with the exception of UCLA's trio of leapers, faces the strongest field of jumpers assembled on the coast this year.

Jackie Robinson, the Bruin's four-sport man, leads the pack which includes Bill Laceyfield, Pat Turner and Schilling. Bill Bugbee, of Compton Jaycee, who has jumped over 24 feet 5 inches this

CINDERMAN RANKED HIGH IN A.A.U.

Ticky Vasconcellos, co-captain of the Spartan track team, is ranked sixth nationally in the broad jump, according to the best track and field performances of the year compiled in the June issue of the Amateur Athlete, official publication of the AAU.

Vasconcellos' leap of 24' 4 3/4" in the Santa Barbara meet is only 6 1/4 inches behind the best mark of the year made by Jackie Robinson of UCLA at 25 feet. Listed above Vasconcellos are Freeman, unattached, 24' 10"; Yates, Austin, 24' 8"; Turner, UCLA, 24' 7 1/8"; and Bugbee, Compton, 24' 5 1/4".

Co-Captain Tony Sunzeri, who was ranked seventh last month with a pole vault of 13' 9" has dropped from the first ten. Sunzeri's best leap of the year was 13' 10".

Former Spartan National intercollegiate champion Lowell Todd, now competing for the San Francisco Olympic club, is rated seventh nationally in the javelin throw. Todd, who has been undefeated in dual meets this year, has a toss of 213' 2 1/4" to his credit.

Brown of Oregon is listed first in this event with a mark of 223' 6", closely followed by Peoples and DeGroot of Southern California. Peoples is second with 222' 9 1/2", and DeGroot third with 219' 11 3/4". DeGroot is the brother of former Head Football Coach Dud DeGroot.

NOTICES

Will the person who took "The Living Body", by Best and Taylor, from in front of the cafeteria Wednesday please return it to Lost and Found or Betty James.

Members of the Delta Sigma Gamma see me today regarding the banquet for tonight.

—Frank Holt.

All junior college students from Alameda county who are returning next year must have permits from the county superintendent of schools for the 1940-41 term.

For sale, a Senior Ball bid. No scalping. See or phone Margaret Mackey, C. 5128-W after 6 p.m.

Attention, radio classes and clubs! Due to the lack of time on the part of students, the tour of radio broadcast stations, originally scheduled for June 8, has been postponed to the beginning of the fall term.

SUNZERI IN

Tony Sunzeri, school record holder in the pole vault, will jump against a field of several vaulters who have marks of over 14 feet this season.

Cornelius Warmerdam of the San Francisco Olympic club, who earlier in the year broke the world record with a leap of 15 feet, is the leading bamboo artist. Earl Meadows and Ken Dills are the other 14-foot jumpers.

Vin Ruble goes to the post in the 880-yard run against a classy field of half milers. Ross Bush, Art Reading, and perhaps two of Stanford's members of the American record-breaking two-mile relay team will enter the event. Ruble has a mark of 1:54.7 set against Stanford and has captured the CCAA half mile two years in a row.

Baccalaureate Held Sunday; Starts Active Week For 450 Grads

A full week of activities for San Jose State college's class of 1940 will be inaugurated with tomorrow night's Senior Ball.

BACCALAUREATE

Sunday, the 450 graduates will assemble for the annual Baccalaureate services to be held at 3:00 in the Morris Dailey auditorium. This will be the first occasion that seniors will wear their caps and gowns which must be obtained at the Co-op store before tomorrow noon.

Monday afternoon, graduates and all students of senior standing will participate in an afternoon and evening of hiking, swimming and dancing at Dee Portal's ranch and a trip to Mt. Hamilton. Tickets for the affair, priced at 35 cents, are on sale in the Quad booths today.

Formal affairs of Senior Week will be the Faculty Reception to be held in the Student Union Tuesday evening and the Senior Banquet, free to all graduates, scheduled for the Elks Club Wednesday night.

COMMENCEMENT

Climax to the schedule of final activities will be the Commencement exercises to be held in the Quad Friday afternoon. Graduates may secure tickets for Commencement at rehearsal 9:00 Monday morning.

Secretary, Police Teacher Given Farewell Dinner

Mrs. Evelyn G. Lindquist, Police School secretary, and Sergeant W. C. Brown of the San Jose police force and instructor of marksmanship at San Jose State college for the past four years, were given a farewell dinner by Police School members last night in the Spartan Stags building.

Sergeant Brown is giving up his teaching duties due to pressure of his detective work. He will remain a member of the San Jose detective force.

Mrs. Lindquist, who has been secretary since September, 1937, is leaving to take up household duties in Berkeley. She came from the Wichita, Kansas police force where she was acting police woman.

Mrs. Lindquist declared that she is leaving police duties to her husband.

What's This? A 'Human Study' Class For Birds!

So now the birds are studying the students!

Evidently the birds became fed up with nature study classes staring at them day after day and studying birds nesting in this area, so one sparrow took it upon himself to find out how it feels to observe rather than to be observed.

Came his opportunity. He saw an open window in the library and flew in. But curiosity got the best of him and he got caught between two sections of an open window.

A young student came to the rescue.

Faculty Donation Lends Force To Red Cross Drive

With faculty and students co-operating to meet the \$11,000 quota set for San Jose's contribution to the Red Cross fund, the relief drive swung into the second lap today.

At a meeting held Tuesday in the Little Theater, members of the faculty agreed to donate \$500 to the Red Cross. The sum will be obtained in part by assessing a portion of their salaries. The balance of the quota is to be taken from the Faculty Social Fund.

Due to the urgency of the situation, the \$500 mark will be obtained this week if possible, or at latest by Monday of next week.

Boxes for student contributions have been placed at most frequented spots on the campus, the library, Student Union and in front of the Morris Dailey.
