SALSMAN BILL PASSES ASSEMBLY, SENATE; LONG CONSIDERATION ALMOST FRUSTRATES MEASURE

Final Vote Is 59 To 16;
54 Needed For Passage

The State assembly, by a vote of 59 to 16, put up to the governor the question of whether San Jose State college will get \$500,000 to buy additional land for post-war building Friday.

The governor has 30 days in which to sign or veto the measure. If the bill gets the gubernatorial signature, the funds

will not be available until early in August — three months after the official closing of the legislature.

The assemblyman who handled the bill on the assembly floor, John F. Thompson of San Jose, told his colleagues that the college expects to have an enrollment of 6000 after the war. This, he explained, would necessitate more land to allow for expansion.

Originally the measure requested \$1,250,000 to purchase the Student Union building, San Jose High school campus, an airport and six city blocks east of the present campus. The bill was cut to \$500,000, however, by the senate finance committee, and plans for expansion have had to be modified. It is estimated that the half millions dollars, if it is appropriated, would buy three or four blocks of land.

With more land available, San Jose State college's chances to take advantage of federal and state building programs will be greatly increased. Dr. MacQuarrie has already submitted plans for \$3,700,000 worth of buildings to the federal government in anticipation of its projected after-the-war reconstruction program.

"I think we can go home now and feel we have accomplished something," commented Assemblyman Thompson when the bill was finally passed.

Dr. MacQuarrie was optimistic: "It seems the bill is getting stronger and stronger as time goes on."

When asked whether he thought the governor would sign the bill, he said, "Yes, I think he is interested in the college and he is familiar with what we are trying to do

PLANS STARTED FOR ANNUAL SPRING FESTIVAL

Seven Candidates Nominated For Royalty In Spardi Gras King Race

New features of the traditional Spartan carnival, Spardi Gras, the King contest got off to a start Friday when seven of San Jose State's leading males were nominated by campus groups for the majestic title.

Deadline for the nominations has been extended until 12 noon today. Signups must be made by that time in the Stu-

dent Union, announces Lorraine Titcomb, contest chairman. At the same time she stressed the fact that individuals as well as organizations may back candidates.

Honoring the departing Naval and Marine reservists, many of the Spardi Gras contests this year will have a slight military tinge. Besides the King contest replacing the traditional queen election, several other competitions have been planned for the reservists. The manly art of beard growing this year, too, will have a military air with special prizes for the best Marine and best Navy beard.

Shiny faced and clean shaven, the whiskerino contestants will sign up tomorrow in the quad from 10 to 3 by the Spartan Spears. Only contestants officially registered will be eligible for the prizes. As in the past, all Spardi Gras prizes have been donated by San Jose merchants.

Special attraction will also be the presentation of a reservist show in the quad in the afternoon. Featuring "All Lace and No Arsenic," an original production written especially for the occasion by Ted Hatlen, the program will last for one hour, according to Entertainment Head Jeanette Owen.

To date, 20 campus organizations have signified their willingness to sponsor concessions. Wednesday, May 12, has been set by General Chairman Orlyn Gire as the day for the organizations to select their spots. "First come first served" will be the rule, states Gire.

Sponsors of King candidates will be given three days in which to publicize their men. Wednesday, Thursday, and Friday, May 19 to 21, have been set aside for this purpose. No on-campus publicity will be permitted before this date.

WSSF Assembly

Contributions to the WSSF, as a result of the general assembly at which Miss Anna Louise Strong, author and traveler, spoke yesterday, totaled \$75.

Further contributions will be received this week in the offices of the Dean of Men or Dean of Women, and also in the SCA office in the Student Center.

Wednesday Noon Is Deadline For Petitions Of Candidates In General Student Body Election On May 17

Stressing the fact that Wednesday noon is the deadline for petitions of the candidates for the Student Council, Student Court, and Yell Leaders, Tom Taylor, ASB president, urges the student body to get more petitions into circulation.

Including the election of seven members to the Student Council, two members to the Student Court, and three yell leaders, the general election will be held on Monday, May 17. At present there have been four petitions turned in for the Council, two for the Yell Leaders, and none for the Student Court. There is only one man's petition among these, Taylor states, and "Although women are capable, I'd like to see some men — there will be some here next year — on the Council."

The President and Vice-President must have attained at least junior standing and must have been enrolled in this college for at least one year at the time of taking office, shall not be on probation at the time of taking office, and shall be a member of the Associated Students. Instructions for signing petitions are at the head of each blank.

The remaining members of the Student Council must have at-

COUNCIL DISCUSSES SIZE OF DAILY

The size of the Spartan Daily next school year will depend to a great degree on the amount of on-campus news and a threatened shortage of staff members.

This is the opinion of Bob Nerell, business manager of the paper, after presenting three proposals to the Student Council at its Thursday budget hearing.

"The money angle is not a primary worry," Nerell said. "A manpower shortage on the staff, and a shortage of campus news offers the most trouble. The council members, however, seem to favor a Spartan Daily of the present size."

This year's paper will cost around \$6500, of which \$3876 is appropriated by the Student Council, Nerell explained.

"In case this type of a paper cannot be published next year, I offered two other proposals. The first plan calls for a three-column 'summer Daily size' paper three days a week, and the present size Daily the other two days.

"The second plan would offer a

'summer size Daily' five days a week," Nerell said.

Size of the summer Daily is three columns by 10 inches. It might be hard to get advertisements for this size paper, Nerell admitted.

Estimated cost of the first proposal (a three-day small issue) is \$5900. The Student Council would be asked to furnish \$3776 of this.

The second proposal (a five-day small issue) would cost an estimated \$3916. The needed appropriation for this size paper would be \$2500.

Request for \$9320 to operate the Elizabeth McFadden Health cottage for the next college year was made to the budget committee by Miss Margaret Twombly, head of the Department of Health and Hygiene.

Part of this request will be used for immunizations and some x-rays.

The Student Council will adopt a tentative budget later this quarter. Final action will not be taken on the budget until the fall quarter.

Juniors Invite Seniors To Class Picnic At Alum Rock Park Thursday Night

An all-around picnic with swimming, dancing, volleyball, baseball, games, and amusements is being planned by the junior class for Thursday evening from 5:30 to 11.

Honored guests at the affair, to be held at Alum Rock park, will be members of the senior class, who were invited by Junior Class Representative Jeanne Wright at their last orientation meeting.

Two trucks making two trips each will provide transportation to the park, but all those who wish to drive their own cars may do so, according to Junior Prexy Jeanette Owen.

The trucks will leave from the front of the Student Union at 5:30 and 6:15, according to their owners, Phil La Barbera and Louie Zitelli.

Refreshment Chairman Elsa Anderson asks all those who plan to attend the picnic to bring their lunches, but cokes will be fur-

nished by the junior class. Assisting Miss Anderson on the committee are Jack Gottschang, Ruth Olsen, and Emily Scarrone.

Aside from outdoor games and swimming, there will be dancing in the clubhouse, which is being rented for the evening, according to Entertainment co-Chairmen Gerry Reynolds and Bob Gager. Aiding them on the committee are Arilee Hansen, Bob Taylor, Helen Roberts, and Jemima McCormick.

It's A Boy!

A son was born to Mr. and Mrs. John Healey (Peggy Richter), former editors of the Spartan Daily, Friday morning at 8:30 in Mercy hospital, Sacramento, Calif.

The new arrival, who weighed seven pounds, has been named Michael John Healey.

FRESHMAN CLASS WINS ANNUAL LOWER CLASS COMPETITION FOR CUP

The smoke of battle has cleared away, and again peace and quiet reign on Washington Square. Now that the spirited competition that found a keyed-up freshman class triumph over a valiant, determined sophomore group is over, the lower division students can resume their academic pursuits.

In a two-day display of heated competition, the two classes had it out on various and sundry fields of battle to see which could be rightly called "the most spirited class in the lower division." Taking all but two out of the 11 competitions, the frosh were crowned the 1942-43 Mixer champions at the mixer dance Friday night.

Awarded the coveted Mixer cup by Junior Class President Jeanette Owen, the frosh were declared winners by virtue of their holding a majority of the 90 points awarded for the year's three mixers. Friday's total of 25 points added to the previously amassed total of 41 brought their grand total to 66 as against 24 for the sophs.

Saving the sophs from a complete blanking, the second-year class were victorious in two events.

Spartan Trackmen Wallop Fresno

RIBERA, VEREGGE, CAPERS DOUBLE VICTORS IN SAN JOSE'S FIRST TRIUMPH OF SEASON; TEN OF FIFTEEN EVENTS WON BY HARTRANFT'S LADS

Upsetting all of the dope charts, and surprising even their most ardent admirers, San Jose's trackmen jumped all over favored Fresno State in the Raisin City Saturday to score an unexpected 71 - 60 victory. Figured to lose by more than the eleven points they won by, the Spartans took undisputed first place honors in ten of the fifteen listed events, and gained a tie for the top spot in another event.

It was the first time this season that "Tiny" Hartranft's State outfit has met an opponent of its own class—judging from pre-war standards—and in scoring their first triumph of the campaign, the locals showed that they are still very much the class of their league.

Altogether, it was a very satisfactory afternoon, from the individual as well as the team

point of view. There were three two-time winners for the Spartans, Ernie Ribera in the mile and half-mile, Bud Veregge in the high and low hurdles, and Hal Capers in the high jump and broad jump.

Then these three boys teamed up with fleet Kenny Horn to score another victory for themselves in the mile relay, churning the distance in the good time of 3:29.7.

This victory for San Jose was the second in a row over the Bulldogs in dual competition. The locals have three meets remaining on their schedule with the Modesto Invitational slated for this weekend.

Mile—RIBERA (SJ), England (F), Kislung (F). Time—4:43.2.

440—Baker (F), Shropshire (F), HORN (SJ). Time 50.1.

100—Hunt (F), Hyde (F), McGowan (F). Time: 10.6.

120 hurdles—VEREGGE (SJ), Pattee (F), CARSON (SJ). Time: 15.5.

Javelin—COLLIER (SJ), 173 feet 6 inches; CLARK (SJ), 159 feet 8 inches; COOLEY (SJ), 150 feet 6 inches.

Shot Put—Lamoure (F), 44 feet 2 3/4 inches; Schroeder (F), 48 feet 5 1/2 inches; CERRO (SJ), 41 feet 1 1/2 inches.

880—RIBERA (SJ), Shropshire (F), NASH (SJ). Time: 2:00.2.

High Jump—CAPERS (SJ), 6 feet 1 inch; tie for second between Lewis (F), Carlsen (F), Morrison (F), and CERRO (SJ), 5 feet 8 inches.

220—HORN (SJ), Hunt (F), Baker (F). Time: 22.1.

Pole Vault—Tie for first between Carlsen (F), and COOLEY (SJ), 12 feet 6 inches; BORG (SJ), 12 feet.

Two Mile—BRESLIN (SJ), ARDAIZ (SJ), Flores (F). Time: 11:8.5.

220 Low Hurdles—VEREGGE (SJ), Pattee (F), Carlsen (F). Time: 24.6.

Discus—Hunter (F), 136 feet 8 inches; Sturgeon (F), 135 feet 1 inch; COLLIER (SJ), 129 feet 3 inches.

Broad Jump—CAPERS (SJ), 21 feet 5 inches; JOHNSON (SJ), 21 feet; Carlsen (F), 20 feet 10 inches.

Mile Relay—Won by SAN JOSE (Horn, Ribera, Capers, Veregge). Time: 3:29.7.

OUT OF THE HUDDLE

By CHARLES COOK
Sports Editor

We saw a turtle crossing the street this morning, and it served to remind us that San Jose is still on a treadmill as far as climbing up into the big-time football circles is concerned. With the abolishment of long-range trips for next season we had the naive idea, at first, that San Jose would have her chance to break into the charmed circle again. But with last month's edict that the Pacific Coast's Big Four—Cal, USC, Stanford and UCLA—would play a round robin, home-and-home arrangement next fall these hopes went aglimmering.

Freeze-Out

This latest decision on the part of the Pacific Coast conference amounts to a virtual freeze-out of the smaller colleges that had hoped to form a "duration league" with the big boys. We had previously sketched a rosy Rembrandt of the Spartans meeting Cal, Stanford or even Santa Clara in the fall. But with the Bay Region and Southern California colleges meeting twice, we can see no possible opening for the Washington Square representatives.

Assuming that the big boys do play each other twice, then that means a minimum of six games for everyone. Toss in a service team or two and perhaps one independent, and you have your schedule.

Short Schedule

On that basis we can well raise the question of possible Spartan opponents. USF and Fresno are two sure-shots, but after that we hit a dead calm. COP is another candidate, as are one or two service teams. That, optimistically, would add up to five games, which is rather an abbreviated sked. There wouldn't be much sense in bringing up Whittier, Occidental, or Pomona even if they could make the trip.

About the only remaining hope then would be to break into the larger independent's schedule and we don't hold out much optimism on that score. That leaves a pretty gloomy outlook, but then the set-up in the entire nation has its drab side, too. Colleges are dropping the sport every day and even Harvard, one of the cradles of football, recently announced its intention of quitting the Ivy League next fall.

Our unasked opinion is that State will be extremely fortunate to even field eleven men this year. Spring practice fizzled out with a sign-up of only sixteen men, and of that number fully three quarters will be in the service by late summer.

SJ Tennis Squad Ends Season By Winning From Hilltoppers 7 To 2

Playing their last match of the season, State racquetmen beat the USF netmen 7 to 2. The conference champions were never pressed by the Hilltoppers.

Cy Taylor, who won his match after some difficulty, screamed his way into a grudge match with netman San Filippo.

Coach Irwin Blesh is working on an inter-squad match to be played sometime this week. The squad will be divided according to scholastic standing with upper classmen opposing the lower classmen.

Results of the match with USF are as follows:

Likas (USF) defeated Parney, 6-0, 6-3; Chang (SJ) defeated Von Soosten, 6-3, 6-3; San Filippo (SJ) defeated Lowenbein, 6-3, 7-5; Taylor (SJ) defeated Freethy, 5-7, 6-0, 7-5; Thorne (SJ) defeated Chapralis, 6-2, 6-2; Landis (SJ) won from Rossi, 5-7, 6-1, 6-1; Parney and Chang (SJ) defeated Likas and Rossi, 6-1, 7-5; Von Soosten and Chapralis (USF) defeated San Filippo and Landis, 2-6, 6-4, 6-1; Thorne and Walker (SJ) defeated Lowenbein and Freethy, 6-2, 6-2.

San Jose Golfers Drop Final Match Of Season To Stanford On Saturday

In their second and last match of the year, Bill Hubbard's San Jose State golfers lost to Stanford 18 1/2 to 8 1/2 on the greens of the San Jose Country club Saturday.

It was the second meeting of the two schools with the Indians on top both times.

Featured match of the day was the number one singles round between Jack Bariteau, Spartan ace, and George Traphagen, nationally ranked Stanford sticker, which resulted in a 1 1/2 - 1 1/2 tie.

Traphagen took the first nine to win the first point, but Bariteau came back strong to capture the last nine and go into a 1 to 1 deadlock with his opponent.

The deciding factor in the match then was the match point, and as both boys were on even terms on that score, the contest resulted in a tie.

Analysis of the final score showed that San Jose garnered four points in the singles, and four and a half in the doubles.

MUSIC HONOR SORORITY WILL PRESENT CONCERT THURSDAY

Members of the Phi Mu chapter of Mu Phi Epsilon, national music honor society for women, will present their annual concert next Thursday evening at 8:15 in the Little Theater.

Included on the program, according to Barbara Standing, president of the local chapter, will be instrumental and vocal trios, vocal and instrumental solos, and other numbers.

As is the tradition, senior women will be given preference in the performance, although all Mu Phi Epsilon members may participate.

Vocal trio numbers to be given are: "At Eventide It Shall Be Light" from "The Holy City" by Gaul, and "Lift Thine Eyes" from "Elijah" by Mendelssohn. Letha Tedlin and Mary Lee Herron, sopranos, and Charlotte Morley, contralto, will take part.

The instrumental trio, consisting of Helen Reese on the violin, Ethel Wulff on the viola, and Rosalie Woon playing the flute, is scheduled to play "Serenade" by Reger.

Three numbers with harp accompaniment will be sung by Soprano Barbara Standing. They are, "Au Clair de la Lune" by Lullu, "Jardin d'Amour," an old French air, and "Last Rose of Summer" by von Flotow. Letha Medlin will sing "Je Suis Titania" from "Mignon" by Thomas. Stanley Hollingsworth is accompanist.

Pianist Edith Eagan will play "Waltz" by Chopin, and Rosellen Cornett is to play a piano selection entitled "Rhapsodie" by Dohnanyi.

"Fond Reflections" by Pepper will be played by Cellist Peggy Airth. Her accompanist is Lois Foster. The first movement of "Concerto in A Major" by Mozart is also included on the evening's program, with Wilma Pfafflin Lawrence performing on the violin, accompanied by Rose Marie Harfdegen.

Bulletin Tells Of Japanese Work In Relocation Centers

Some 100,000 persons of Japanese blood are living today in 10 government-operated relocation centers scattered through the Western half of the United States. About 70,000 of these people are American citizens by right of birth and some are students of San Jose State college.

In a bulletin received here, many statistics and reports have been given telling what Japanese evacuees are doing in general at the relocation centers. Possibly most of the ex-state students are connected with the same functions.

In the bulletin of April, 1943, figures told that on the West coast 175 institutions in 37 different states have enrolled Japanese students. Students known to have arrived at the colleges and are definitely relocated number 831.

A total of 521 colleges, universities, seminaries and trade schools at one time or another have indicated a willingness to accept Japanese American students. Of these, 459 have been declared by the War and Navy departments for purposes of student relocation.

Real progress has been made on the placement of student nurses. In Eastern hospitals the regular staffs are melting away, and these students are replacing the staff as fast as possible. Some progress is also being made with the medical students.

Many Japanese students are going in the armed forces. President Roosevelt, in a recent letter to the Secretary of War, stated, "The proposal of the War department to organize a combat team consisting of loyal American citizens of Japanese descent has my full approval. The new combat team will add to the nearly 5000 loyal Americans of Japanese ancestry who are already serving in the armed forces of our country."

War Aims Class To Hear Settles

Social Effects of the War will be discussed before the War Aims class tomorrow by Professor Claude Settles of the Social Science department, according to Dr. William Poytress, who is in charge of the series.

The various lecturers of the Social Science department have talked on the background of the war and the economic and political factors entering into the war.

All students and faculty members are invited to attend the War Aims lectures, which are held every Tuesday and Thursday at 11 in room 24.

Elections

(Continued from page 1) tained a sophomore standing, with the same requisites as the presiding officers.

Two amendments to the constitution will be voted on Monday; Articles IV and VIII, which provide for the regulations of class and council elections, will be amended to state that elections shall be conducted in a manner to be prescribed by the Student Council. Council members feel that the articles are too binding, in view of the decreased enrollment.

The second amendment will be to Article X, Section 2, concerning the election of the members to the Student Court. The change will include the appointment of a woman to the seat of the Chief Justice, provided that no men seek election to that office.

Freshmen Give Backward Dance Saturday With 'Gals Grab' Theme

Speech Students Participate In COP Discussion

Four members from the Speech department went on a forensic trip to the College of Pacific to join in a discussion on present war conditions last Thursday and Friday.

Participating in panel discussions were Laverne Knapp, Cay Doane, Ted Worley, and Rex Gardiner.

Worley and Gardiner joined in the SCA weekly forum discussion on "Is This a People's War?"

Thursday evening Doane and Knapp debated with the College of Pacific members on "Should We Emphasize Technical Education or Liberal Arts During the War?" This discussion was held in front of the Manner Hall woman's dormitory.

It is the woman's privilege to invite the man to this affair; however, the drawback, to her way of thinking anyway, is that she will have to foot all the bills and call for her date. Of course, this should suit the men just fine.

Jim Nordyke and Gerry Stevens, co-chairmen, announce that the Men's gym, the locale for the affair, will be decorated in barn style. The dancers are expected to wear jeans and calico.

Starting today, bids for the dance are being sold by the freshman council for 75 cents apiece. With each bid, two chances on a bond will be given away. During the intermission, a lucky number will be drawn, and its owner will receive the bond.

Music will be from records. Entertainment will be something special, says June Storni, entertainment chairman. "Come and have a good time."
