SAN JOSE, CALIFORNIA, THURSDAY, MAY 11, 1944

Number 131

## Good Neighbor Policy Rules Howdy Week

Long awaited opportunities to learn who their fellow students are will be given to all Spartans next week when "Howdy Week" gets into full swing.

A campaign to encourage more friendship on campus will be waged from May 15-19 under the sponsorship of the Social Affairs committee.

### SAY "HELLO"

According to the rules set up by the committee, all Spartans must say "hello" to each other whenever they meet on the campus. Name cards will be worn by everyone so that no one will feel he is speaking to an absolute stranger.

"San Jose State college has only about 1400 students now, and with so few on campus everyone should know his fellows," says Social Affairs Committee Head Anne Buxton. "People who have to spend the greater part of each day together should be friends, anyway," she says.

### CARDS

Cards on which students may put their names and any other personal information they want to will be handed out on Monday.

A rally with brass band and other entertainment will be held in the inner quad at 12:30 o'clock on Monday.

## GOOD MATCHES ON HAND FOR TENNIS TEAM TODAY

By BOB HUDGENS

With the first game of the season called off because Mountain View High school failed to show up, the tennis team is anxious to show their skill against Menlo Junior college.

From what is known of the boys from Menlo, the team is going to have some good matches on their hands today at 3:45 on State's courts.

Doubles matches will be played by A. Anderson and G. Milias, B. Woomb and M. Levy, K. Morgan, B. Bowman, and W. Grady will be the singlemen against the Menlo group.

These are the boys who have been out on the courts practicing for the last couple of weeks: Kerlin Morgan, Tom Bowman, Warren Grady, Al Anderson, George Milias, Ernie Woomb, and Milt Levy. If practice is any help in winning matches, these boys will bring home the bacon for State.

## O.T. PICNIC

Members of the Occupational therapy club will have a picnic tonight from 5 to 7 o'clock on the lawn in front of the Science building.

All who are planning to attend are asked to see Davona Williams about ordering their box lunches. The money for the lunches should be given Miss Williams at the time of the picnic.

## Queen Campaign Rallies Wind Up Today With Noon Programs Held In The Quad For Audrey Levich and Gerry Stevens

As a finale to queen rallies this week, Delta Epsilon and Smock and Tam will stage a rally for Audrey Levich at noon, and Allenian and Gamma Phi Sigma will boast their queen candidate, Gerry Stevens, at 12:30 o'clock.

These rallies will be the last before the primary election tomorrow. Three candidates will be chosen from the primaries, one of which will be elected ruler of the festival day in the general election next week. The two runner-ups will act as attendants.

### GLAMOUR

Tomorrow when the polls open, Spartans and Spartanettes will clamor to vote for their favorite candidate. "It will be a hard decision," states Anna Mae Diffin, chairman of the contest, "as glamour is the main characteristic of each of the five candidates."

The other three candidates are Mary Lou Montgomery, sponsored by Kappa Kappa Sigma, Phi Kappa Pi, Zeta Chi and Theta Mu Sigma; Phyllis Edwards sponsored by Beta Chis and Sappho; and Jo Ann Sweeney sponsored by Ero Sophian, AWA, Spartan Spears, War Veterans, Kappa Sigma Levi and Mary George Co-op.

### POSTER CONTEST

All those participating in the Poster contest should have their contribution turned in to the main Art office by 4 o'clock tomorrow. The winner of the contest will be announced Spardi Gras day. Individuals and organizations may enter the contest.

## FULL PROGRAM IS SCHEDULED FOR LOWER CLASSMEN

Promising "the most novel booth an Spardi Gras day," the sophs are now underway on carnival plans. After work is completed on this, plans will be completed for the dressy sport "Summerfest" dance on the calendar for June 3. Locale for the dance will be the Women's gym, and bids will be sold. An orchestra has not yet been selected. Another party, for council members only, will be held on June 11.

Both classes are now working out plans for the soph-fresh mixer on May 28. A meeting of the freshman council, under prexy Jackie Popp, will discuss activities at a noon meeting. Committee heads for the mixer will meet today at 4 o'clock in room 1 of the Art building. Freshman mixer committee heads will be chosen at this time.

## League Managers Release Rules For Proposed Softball Teams

Rules and regulations for the proposed softball league were released yesterday by the men physical education majors in charge of the loop.

Also released was a list of 18 men who comprised the Spartan varsity team the past season. Managers are reminded that they can choose only four of the men on this list for their teams. Other regulations are that each team will be allowed 13 men on its squad and the list must be turned in to the Men's gym office not

later than 4 o'clock Tuesday, May 16.

List of varsity baseball team: L. Bini, P. Clark, B. Selbert, B. Hudgens, A. Sinclair, J. Maugher, B. Folsom, R. Maddy, E. Marion, D. Morton, E. Loudon, J. Cassingham, B. Huck, N. Crowel, R. Moon, M. Garrow, V. Snyder, R. Lua.

All disputes and the governing of play shall be controlled by the sponsors. Play will either be at noon time or after 4 o'clock, depending on the number of teams entering the tournament.

## Appeals Made For French Literature

The Coordinating Council of French Relief Societies has made an appeal for books in the French language to be sent to the thousands of French aviators and sailors now training in the United States, states Dr. L. C. Newby, of the Modern Language department.

Patriotic French students may well demonstrate the warmth of American hospitality by giving any books of French literature to Dr. Newby in room 25A. He will send them to the Council which will place the books in the hands of sailors and soldiers.

## HELP NEEDED IN BOOTH BUILDING

Spartans are needed to help the construction committee with the booths for Spardi Gras concessions, according to Howard Riddle, co-chairman of the committee.

Anyone interested in helping should either see him or Jack Reiserer. The construction is being done between 1 and 3 o'clock every Tuesday and Thursday, near the Music building.

"We would like all the men who can possibly help to come over to the Music building during this time," request Riddle and Reiserer, co-chairmen.

## FRENCH ROMANCE FEATURED TONIGHT IN RIOTOUS PLAY

The Iota Delta Phi's play "Ces Dames aux Chapeaux Verts" or "Four Old Maids" begins tonight at 8:30 in the Little Theater and will play on the following Friday and Saturday.

There will be plenty of romance in the French style, and riotous comedy in anybody's style. The action is so obvious that the play can be understood by someone with a very limited knowledge of French.

The audience will have the privilege of watching a rash American girl turn a staid French household, made up of old maids, upside down. She will unite a shy old maid with the timid professor who has loved

her secretly for 12 years, and will nab herself a man in the bargain. The bashful man will be played naturally and with conviction by Dr. Boris Gregory of the Modern Language department.

### CAST

The supporting cast included Jane Turner, Carol Duer, Bill Lavin, a soldier on indefinite furlough, and Bill Perron, who since graduating from San Jose State college has been working in the Anglo California bank. Jo Falcone is stage manager.

Action starts when Arlette, the American cousin, suddenly arrives to the consternation of grumbling Telcide, the oldest of the old maids. Arlette's charm soon wins over Rosalie and Marie, into whose diary she surreptitiously peeks and discovers her love for Ulysse Hyacinthe, the shy professor.

### ESCAPE

She cleverly manages an escape for Marie, and persuades Ulysse Hyacinth to propose to her while he can. Meanwhile she meets Jacques de Fleuville who becomes her lover. Finally Telcide softens and the play ends with two happy marriages.

## Summer Course In Engineering Drawing Given

Are you mechanically inclined? Do you vision yourself making blue prints, drafting important and fascinating construction for the future?

Then you will want a government-sponsored course in engineering drawing, to be offered at San Jose State college this summer, is just what you want. Given in cooperation with the engineering department of the University of Santa Clara, the course will be taught by Dr. H. A. Sotzin, head of the San Jose State college Industrial Arts department, and will run for 10 weeks, starting June 26.

### PROCEDURES

Five days a week, eight hours per day, students—both men and women—will learn basic and fundamental procedures of engineering drawing, blue print reading, making of blue prints, and various other methods of reproducing drawings. A special feature will be training in the modern method of production drafting recently developed for use in aircraft factories, shipyards, radio plants, and other manufacturing and assembly jobs. Instruction is tuition-free, and open to high school graduates or the equivalent.

### OPPORTUNITIES

Dr. Sotzin reports that employment chances in the field are very good now, and will be excellent when industry reorganizes and retools for civilian production. Opportunities for women are also excellent.

Anyone interested in the course may see Dr. Sotzin, write or telephone him at the college. Students will provide only drafting tools, instruments, and other incidental supplies. The federal government pays tuition under the E.S.W.M.T. program.

## LAST MEET OF SPARDI GRAS HEADS IS SET

There will be an important meeting of the Spardi Gras committees and business managers tomorrow in the Student Union at 12:30 o'clock.

"This will be the last meeting of the committees before the Big Day," states Hugh Johnston, chairman. "Everyone must be present to report on how his plans are progressing.

"Final plans should be made at this time, as we have only a week left. If the committees or business managers have any questions, they should put them in writing and present them at this meeting.

"There will be a check on scheduled activities of the day to see that the time of the scheduled contests will not conflict," informs Johnston.

"If you have something you feel the entertainment committee does not have, please bring it to this meeting," concludes Johnston.

## Friday Dance At Newman Club Is Changed To June

"Newman club is gonna give Harry James a break and cancel the dance scheduled for Friday night," announces Barbara Healy, chairman of the affair.

The dance was planned as an informal sport "off the record" session to be held Friday night, from 9 to 12 o'clock.

"June 9 is to be the new date for the 'juke box jive' for every man and woman on campus," states Miss Healy. "We're hoping for a big turnout, as we plan to have all your favorite records on hand."

## HOWDY WEEK

The spirited Jo Spartan and Betty Co-ed will be up and ready with a peppy "Howdy, chum", and "Hi, pal", during "Howdy Week"—a week of genuine Spartan friendliness, starting May 15.

These five days packed with gay greetings will be sponsored by the Social Affairs committee during the week of Spardi Gras.

It's loads of fun and really interesting to meet new people. In fact it's one of life's greatest pleasures to know a number of people and hold them as friends.

"Howdy Week" should not be limited to only a week on campus. It should be carried on through college days and through life!

—Frates.

## NOTICES

There will be a very important meeting of the frosh council this noon at 12:30 o'clock in room 1 of the Art building. Plans will be discussed for the mixer. Your only excuse for absence is a 12 o'clock class.

—Jackie Popp

Please return the rubber-cement jar, with attached brush, to the Publications office. It is badly needed for La Torre layouts!

Soph mixer committee will meet today at 4 o'clock in the Student Union.

—Bob Richter

All veterans meet in room 11 at 12:30 o'clock today.

—Howard Riddle

Newman club members: Be at Newman hall at 8 o'clock tonight if you want to be in the La Torre picture of the club. This is important.

—Healy

There will be a meeting of the committee heads for the frosh-soph mixer this afternoon at 4 o'clock in room 1 of the Art building.

Christian Science organization meeting today at 12:30 o'clock in room 155. Students and faculty invited.

Senior Sneak committee members will meet outside the Publications office today at 12:30.

Collegiate Christian Fellowship meets today at noon in room 53.

Will all chairmen of the Inter-society Red Cross Sewing committee please meet in the Student Union at 12:30 Thursday noon?

—Marilyn Wilson

The folk dance group will meet today from 12 to 1 o'clock in the Women's gym. Anyone who is interested is welcome to attend.

There will be no meeting of Pi Nu Sigma today.

EROS: We plan to play the Beta's for the third time. Let's get out there, huh?

—Yvonne

## Bull Sessions, Fun, Featured At SCA Retreat

Theme for the bull session during the SCA retreat at the Lion's Den this week-end will be "The SCA as the gad-fly of the Christian world."

Bob James will act as the leader in the discussions, and the retreat will feature square dancing, singing, bull sessions around the fireplace, and good food.

All members and interested people are included in the invitation to attend, and those planning to go should sign up in the SCA office. There are facilities for approximately thirty people. Students will leave San Jose at 4 o'clock Friday and return Saturday afternoon. Cost for three meals and overnight accommodations is about \$1.00.

Another feature of the SCA program is the weekly student-faculty tea on Thursday afternoons in the Student Union at 4 o'clock. Iced tea will be served this afternoon and the special guests will be Dr. Helen Chandler of the English department and Dr. Alice Hansen of the Natural Science department. All students are invited and may participate in informal discussions.

## STORY OF MUSIC NOW IN LIBRARY

"National music week" is being observed in the Library by an extensive display of books, pictures, maps, and primitive musical instruments, telling the story in part of the evolution of musical instruments.

Many of the pictures and a number of the primitive musical instruments were loaned for the exhibit by Miss Alma L. Williams, Music department faculty member, from her own collection.

### DISPLAYS

Included in the assortment is a zanza, a forerunner of the music box, from Czechoslovakia; whistling post from Peru; a clay whistle flute from Mexico, and a flute from Tibet.

There is also a harp from the Andes; a kissar, distant relative of the violin, from Egypt; a Javanese angklung; a drum from the Marquesas islands, and a drum from the headwaters of the river Nile in Egypt which was brought to America by a missionary.

### BOOKS

Included in the book assortment on display is "How Music Grew," by Bauer; "Drums, Tom-Toms, Rattles," and a book of songs of Chinese children translated into English by Maryette Bawley Lum, a former SJS student who lived in China for some time.

The exhibit was arranged by Miss Maud Coleman, librarian.

## Major Tells Need For O.T. Recruits

Major Arthur C. Miller from the Army Procurement Office will be here tomorrow noon to explain the need for occupational therapy aides in the army. Mrs. Susan Richards is campus director of occupational therapy.

The WAC is now enlisting personnel to be aides in occupational therapy departments in army hospitals. Dieticians are also needed. Any student who wishes accurate information is invited to come to room 24 in the Art building tomorrow noon.

## JOB SHOP

Boy wanted to clean up and do odds and ends in a store near college—70 cents an hour—may come any hours convenient to his course at college.

Job in a large corporation for graduating student. Would like man to work part-time about a month before graduation to learn business. Opportunity for advancement. See Mrs. Rayner in Dean of Men's office.

## Classified Ad

# SPARTANS IN THE SERVICE

By ED WAITE

### MIDSHIPMAN

B. C. Holland, NTS Camp Macdough, Bldg. 30, Bat. 5, Co. W, Plattsburg, N. Y.

Former Spartan, drama and radio major while at San Jose State college, is now "Strictly a Navy man."

"I've got about nine weeks to go for my commission," he writes. "Milt Brietske, another drama and radio man, is at Northwestern university with only about two weeks to go before he gets his commission."

"Please pass on my greetings and stuff to Jo, Dottie, Mary and Jeanette—anybody of the Speech department that is still around."

### WARRANT OFFICER

John G. Sproat, former Stater, recently completed 18 months overseas service with the 13th AAF, the air force which blasted Jap aircraft from Guadalcanal, New Georgia, Vella Lavella, Kolombangara, Treasury and Bougainville islands, the strongholds of Rabaul and Kavieng and is currently striking at Truk.

Warrant Officer Sproat, an assistant to the Adjutant General of the 13th AAF, was a member of Phi Lambda Epsilon fraternity while at State.

### MARINE

Pfc. John Desalernos A Co. 48 Cand. Class Officer Candidates School Quantico, Va.

In a recent letter from this former Stater, we learn of other Spartans at Quantico. Johnny writes: "The Staters here are Lt. Hans Weidenhofer, Lt. Ernie Ribera, Lt. Ray Belnap (1939-40 football team) and Lts.-to-be-in-the-near-future Kenny Horn and Will Hosmer."

While at State, Johnny was on the varsity 11 and boxing team.

### LETTER TO THE EDITOR

Pvt. Albert G. Wilkerson 19215913, Sect. U Flight 424 E - Q. A. C. Amarillo Army Air Field, Amarillo, Texas

"Well here I am in the great state of Texas. Great big rolling ant hills and plenty of dust. This place is as flat as the quad, ex-

cept for rain ditches. I wouldn't trade good old 540 South Fifth for the whole state.

"There are quite a few of the boys from State here in my flight. Frank Vizza, Kenneth Ramch, Don Martin and about three others, but I do not know their full names."

"All of us were in the same company in Monterey and have stuck together until now. State is sure represented in this place. As of yet, none of us has been able to go to Amarillo. Our first pass comes up next Saturday and we are going to see what civilization looks like again."

"Hope you will send the Daily soon. I sure miss the old school. Say 'hello' to the Gamma Phi's for me will you?"

Al Wilkerson was president of the freshman class last winter quarter.

### IN THE MARSHALLS

Marine Sergeant Ellis H. Hardman, former San Jose State college student, was recently promoted to his present rank from corporal. He is attached to a Marine aviation unit in the Marshall islands.

He enlisted in the Marines in February, 1942. He attended aviation radio school at Parris Island, South Carolina, before going overseas.

### LT. FRANCIS J. LOVETT

"... I have been in this South Pacific area for a little over eight months and expect to be out here several more. Eight months of this time, I was fortunate enough to have been stationed in New Zealand which, by the way, was very good duty. I spent two months in the occupation of Guadalcanal and at the present time I am in Marine supply service."

"Since I've been out here, I have run across many former Spartans. Among them: Russ Hofendahl, Charlie Sturz, and Dave Rosenthal. Dave's organization is located right across the street from mine. So I get to see quite a lot of him and also his Spartan Daily."

"... I was called into the service during my senior year, 1942. Consequently I was unable to graduate."

"Sure it's a swell Arrow Tie—but what will the Admiral say?"

What does anyone say when he sees an Arrow Tie? He says, "It's swell!"—For several reasons. Arrows are good-looking, in smart patterns and neat stripes. Arrows are made well, with a special lining cut on the bias to resist wrinkles, and to see that they make perfect knots. Arrows are made of fine fabrics—wear longer. For Army and Navy men as well as civilians—at your Arrow dealers, \$1 and \$1.50.
