## COUNCIL RESCINDS COKE BAN; PICKS NEW YELLER

By BEA DOOLEY and  
BOB BODEN

Coke selling ban established by Student Council last week was rescinded at last night's meeting. The motion was made by Doug Morrisson, following presentation of a petition signed by 110 students asking Council to reconsider its act.

Morrisson included in his motion the stipulation that organizations must contribute 50 per cent of net profits to chapel fund, and must pay for clean-up of the gym. The action concerning chapel fund donation follows precedent set by former Student Councils.

Sal Farrauto was appointed assistant yell leader to fill the vacancy left by resignation of Hubert "Bones" Thornber despite the fact that President Emerson "Doc" Arends suggested no other assistant was needed. Bob Culp, Rally committee chairman, supported Arends' contention, but perusal of the constitution showed that three yell leaders are required.

Question of ownership of yell leaders' jackets was brought before the Council when it was moved that Thornber should return his. Dean Paul Pitman reminded Council that jackets were ASB property and could be purchased by yell leaders for half price at the end of their terms.

After debate by Council and students from the floor, Arends appointed a committee to determine policy concerning ownership of the jackets. Morrisson, Don

(Continued on Page 4)

## SPEARS START SALE

Articles lost last quarter will be sold at reduced prices starting tomorrow at 8:30 a.m. in front of Morris Dalley auditorium.

Sponsored by the Spartan Spears, the sale is one of their regular events.

## Aviation Cadets May Be Reinstated

Wartime qualified Aviation Cadet whose hopes for pilot training with the Air Forces were ended by the curtailment of the program in 1944-45 may be reinstated. Lt. Col. Henry C. Godman explained yesterday.

Major William S. Cope and First Lt. James Welch, members of one of the several Air Force traveling teams now visiting major colleges and universities throughout the country, will be on campus January 22 and 25 to explain the Air Force Cadet program to interested students.

Lt. Col. Godman stated that men who had qualified as Aviation Cadets during the war but did not receive training, will be required to pass only the physical examination to again be eligible for pilot training. This is providing they still meet the general eligibility requirements and have had two or more years of college.

Candidates must be of excellent character, sound physique and in good health.

## TEACHERS' PAY WILL BE SUBJECT OF COREY TALK

ARTHUR F. COREY

Of interest to future teachers of California is the scheduled speech by Arthur F. Corey, executive secretary of the California Teachers' Association, to be given Wednesday, January 21, at 8:30 in room 11.

Mr. Corey, a prominent leader in the field of education, has had many years of experience in teacher organizations. His educational career began with the position of elementary school teacher, advancing to his present position where he helps guide one of the largest state teachers' associations in the nation.

What is the future of teachers' salaries in California? Will teachers get more professional recognition from their communities? These are a few of the questions Mr. Corey will answer in his speech this Wednesday.

## New Virus X Serum Is Highly Effective

A 70-30 chance against developing a case of the new scourge, Virus X, is offered San Jose State college students by Health Department Head Margaret Twombly.

Miss Twombly stated yesterday that "the immunizations are 70 per cent effective," a good average since the serum has been available only since November of 1947.

The immunizations will be given today from 2 p.m. until 3 o'clock in the Health office, and on Wednesday from 11 a.m. to 12 noon. Miss Twombly requested that students try to sign up in advance for the service. No charge is made, but the student must be an ASB card holder.

## RETURN PROOFS

All La Torre proofs must be returned to the Norman Wing studio by tomorrow.

If proofs are not received by that time the La Torre staff will select the picture to appear in the yearbook, Betty Patnoe, editor, stated Monday.

## STUDENT INJURED ON TRAMPOLINE IN GYM WORKOUT

A San Jose State college student was severely injured Friday morning during unauthorized use of gymnasium equipment, announced Glenn "Tiny" Hartranft, director of athletics, yesterday.

The student, Clifford A. Craig of San Jose, entered the gymnasium and began to work out on the trampoline but fell and hit his throat on the steel-pipe frame, causing a possible fracture of the trachea. (A trampoline is a canvas stretched taut by steel springs, on which jumping gymnastics are performed.)

Hartranft said it was not the first accident on this piece of equipment, and that unless students refrained from using it out of class hours, the trampoline would be removed.

Craig was rushed to County hospital immediately after the accident, and no word has been received as to the exact extent of his injuries.

## Snow Situation Tops Ski Club Meet

There will be an important meeting of the Ski club tonight in room 124 at 7:30, Ward Douglas revealed yesterday.

Douglas will discuss the snow situation which has been critical for skiers the past week. Last week a group of students including Ward Douglas, Chuck Stoddard, and Dick Osborn went to Mt. Lassen and reported that conditions and accommodations were much better there than at Yosemite, both in comfort and expense. The weather was excellent last week and skiers wore T shirts and summer wear.

Lassen Lodge reported that they had 86 reservations for this week end. There is a lodge, dining room and a dance hall for ski enthusiasts at Lassen. Douglas estimates Lassen to be only 275 miles from here with better roads and ski conditions than Reno has this year.

## WAA To Discuss Emblem Design

Details of a contest for the designing of an emblem for WAA will be released this evening at the monthly meeting of the association in S112 at 7:30.

Films have been secured for the meeting, including one of the recent Davis Cup tennis matches between the United States and Australia. This will be the first time the film has been shown in this area. Another entitled "Snow Thrills" will also be shown.

## COOP HOUR CHANGES

Spartan fountain opening hours have been changed, effective Monday, January 26, according to Mrs. Mary Simon, fountain manager.

Due to students not taking advantage of the 6:50 a.m. opening hour, the fountain will not be opened until 7 a.m. For the same reason, the evening meal opening hour will be changed from 5 p.m. to 5:20 p.m.

## LEATHER PUSHERS SET FOR HEAVIEST SCHEDULE WITH 18 MEETS LISTED

By PAUL VON HAFPTEN

The most extensive boxing schedule in the history of San Jose State college was released yesterday by Athletic Director Glenn "Tiny" Hartranft and Boxing Coach Dee Portal. All told, there are 18 meets scheduled for the 1948 boxing season, including such opponents as UCLA, St. Mary's, Louisiana State university, and Idaho.

## CAGERS TO MEET ST. MARY'S FIVE ON MORAGA FLOOR

By ABNER FRITZ

Fresh from an overwhelming victory against Santa Barbara, the Spartan cagers journey to Moraga this evening.

Last year's encounters with St. Mary's were won by the Gaels by two-point margins.

Bob Hagen and Chuck Hughes probably will start at the forward positions with Stu Inman at center and Ralph Romero and Bob Wuesthoff in the guard slots.

Due to illness there is a possibility that Chuck Hughes will not play tonight. If Hughes is out, Swift Wunker will start in his place, according to Coach McPherson.

WATCH KUDELKA

The Spartan guards will try to slow down the whirlwind scoring of Frank "Apples" Kudelka. The Gael forward has averaged better than 20 points per game, and it was his 28 tallies that enabled

(Continued on Page 4)

## Student Court Acts To Stimulate Votes

In an attempt to stimulate voting in ASB elections the Student Court last night moved to establish additional voting booths on campus for next month's election.

Chief Justice Bill Logan requested Court Secretary Shirley Anthony to write to Spartan Knights, Tau Delta Phi and Black Masque, asking for their usual assistance in operating the booths on the forthcoming election day. It is planned to have a total of four polls, strategically located on campus.

In regard to the present shortage of copies of the ASB Constitution, Logan asked court permission to have 200 copies mimeographed. Assent was unanimous.

The new constitution, now in the hands of a revision committee, when completed will be mimeographed and bound in book form. Logan stated that sufficient copies would be prepared so that each ASB member could have a copy.

The Spartans probably will meet LSU at Baton Rouge, but Hartranft cautioned that this meet is scheduled only tentatively. St. Mary's will face San Jose here in the Civic auditorium on March 11.

Friday evening the Junior College Invitational meet will be held in the Men's gym. Tourney participants will include Salinas, Modesto, San Francisco, and San Mateo.

The UCLA meet will be held at Los Angeles on March 27, while the Spartans meet the Idaho Vandals at Moscow, Idaho, on Feb. 19. This will give the Spartans two Pacific Coast Conference boxing matches.

Added to the schedule this year are the Gonzaga Bulldogs at Spokane on Feb. 21.

One discrepancy appears on the schedule and that is the March 20th date on which the Spartans tentatively have scheduled both LSU and Santa Barbara college.

The CCAA meet will be held here this year, while the NCAA meet is at Madison, Wisconsin.

(Continued on Page 4)

## 'Uncle Harry' Actors To Roll Onto Stage

Actors in the Speech and Drama department's next play, "Uncle Harry," will be rolled into production, report technical workers on the sets.

"Wagons," as they are called by the stage crew, hold two sets, the tavern and the parlor scene; these are rolled out (actors aboard) when the curtains fall and the music plays.

The warden's office, a "flying set," is lowered into position. This set is bleak and comparatively empty, emphasizing the shift in scenes.

A spirit of the early 1900's is carried out with amazing realism in the parlor scene; nick-nacks, antiques, and all that make up the traditional parlor of the period are used in producing a lifelike setting.

The tavern scene has all the "little touches" that make the bar room typically out of the 1900's.

Technical workers on the sets are Donald Smith, Leonard Weiss, Tom Burch, Harold Upson, Russell Seimeca, Robert Scruggs, Ivan Van Perre, Betsy Smith, Barbara Vaccaro, Betty Bettencourt, Gwen Samuelson, and Phyllis Waterman.

## OFF THE WIRE

By UNITED PRESS

Edited by JACQUE WOLFF

Secretary of State George C. Marshall and the U. S. Army yesterday gave top priority to an urgent British appeal to speed food to Germany to curb increasing unrest.

Jewish sources disclosed yesterday that Arab-Jewish clashes have taken the life of a third American and that 65 American students studying at the Hebrew university under the GI Bill of Rights have joined Jewish fighting forces.

Pickets from the San Jose AF of L retail clerks' union were withdrawn yesterday from the J. C. Penney department store for the first time since the store opened nearly a year ago.

Twenty persons suffered dagger wounds in a student battle yesterday at the University of Giza outside Cairo and the university's police station was set afire.

Officials of four radio networks told the House Labor Committee yesterday that music czar James C. Petrillo is hampering the normal expansion of the broadcasting industry.

At least two hours a week of spiritual training in all California schools was advocated yesterday in a unanimous resolution by state American Legion executives in Los Angeles.

DAY EDITOR—This Issue—HAL SNOOK

## SOCIAL SCENES

### 30 Club

Plans for a press dinner and a field trip to a San Francisco newspaper will be discussed at the "30" club's meeting tonight at 7:30 in room 117. President Vern Baker invites all interested journalism, photography, and advertising majors to attend.

Other things on the agenda are: election of officers, membership pins, new constitution, and a trip to a journalism club at another campus.

Club members edit and write the special "Send Home" edition of the Spartan Daily published each year for students to send to their families.

### O.T. Majors

A formal tea welcoming new occupational therapy students will be held Wednesday, January 28. Sponsored jointly by the O.T. social recreation class and the O.T. major club, the tea is scheduled to be held in the department's new lab in B72.

Each student is privileged to invite a mother, house mother or faculty member to the affair, said Francis Verdier, chairman.

### Student Y

Plans are now being made to expand the Student Y office and meeting room located at 220 S. Seventh street, according to Hall Landry, Student Y publicity director.

"At the present time," Landry said, "the lounge is too small to accommodate all the meetings that are scheduled for the future."

All work that has been done on the lounge room so far has been done by the Y members themselves. Landry urges all Y members who can help with this expansion program to come to the Student Y office and sign up.

### Senior Council

Senior Council meetings will be held at 11:30 Tuesdays in room B2, it was decided at senior orientation Thursday. All seniors are invited to attend these meetings.

### Time Out Dance

Bill Leffland and the Esquires will play for the "Time Out" dance to be held Friday, January 30, in the Women's gym, announces Sal Millan, senior class dance committee chairman. The dance will follow the Fresno-San Jose State basketball game.

Committee members are: Ella Bea German, decorations; Meredith Hughes, posters; Bobbie Jackson, tickets; and Eleanor Freitas and Rose Marie Louis, refreshments.

Admission prices are 40 cents for ASB card holders and 50 cents for others. Couples will be admitted for 75 cents. Door prizes will be given along with a brief entertainment program. Dancing will be from 9:30 until 12:30.

### Chi Delta Phi

Plans for the winter and spring quarters were discussed recently at a dinner honoring their new advisor, Mr. James L. Bodsford of the Mathematics department.

### Kappa Phi

Kappa Phi sorority plans a rummage and apron sale to be held January 29, 30, 31, to raise funds for the organization. It will be held at 93 E. Santa Clara street, and will be open from 10:30 a.m. to 6:00 p.m.

Chairman of the sale is Pat Maddox, assisted by Ruth Bryce and Francis Taylor. Mrs. Lois Bryce is supervising the affair.

### Theta Mu Sigma

Dr. Donald D. Glad, advisor, was the honored speaker recently at a smoker held in the DeAnza hotel. The social fraternity plans a ski trip in March.

### Spartan Spinners

Dr. and Mrs. Carl Duncan are going to teach additional advanced folk dances to the advanced group of Spartan Spinners in the Women's gym at 8:15 tonight. The beginners' group will meet as usual at 8:30.

## Mark Twain Society Honors Dr. Pickwell With Appointment

Dr. Gayle Pickwell, a former instructor in the Science department at San Jose State college from 1927 to 1946, recently was nominated for membership in the Mark Twain Society, also known as the International Society League of Nations of Literature. The Society is world-wide with all countries represented.

Dr. Pickwell received a letter from the Society offering him this appointment for his outstanding contributions to literature.

Some of his well-known works include "Weather," "Desert," "Birds," "Animals in Action," and "The World of Insects," written in collaboration with Dr. Carl Duncan, also of the Science department. His most recent work is entitled "Amphibians and Reptiles of the Pacific States."

The Mark Twain Society has a library composed of the works of its members in the Library of Congress. Also, the Society has an original set of letters written by Mark Twain.

### Dr. Bertha Mason To Address Mothers

Dr. Bertha Mason will speak at the first Parent-Child Relationship class for Spartan City mothers, tonight. Dr. Mason's topic will be, "What does it mean to be a parent?"

The discussion will start at 7:30 p.m. in the field house at the north end of Spartan Stadium.

### Home Ec Students Display Designs

An exhibit of textile designs done in poster paint is now on display in the Arts room of the Library. The work was done by Home Economics students in Miss Ann Loze's Household Arts class.

The designs use two themes—primitive art and a variation of the table and chair motif.

## JOHN R. KERR GIVES HOPE TO 'ACTORS'

By PAT O'BRIEN

John R. Kerr, director of San Jose State college's next play, "Uncle Harry," is an exception among theater people in that he has no intense likes or dislikes. "Believe it or not," says Mr. Kerr, "I've enjoyed every play which I have directed and every part I have acted."

Although he cannot decide on a list of favorite plays, Mr. Kerr is very positive about the plays he found most difficult. He listed "Golden Boy," "Ethan Frome," "Everyman," "Her Own Way," and "Not Since Eve."

Kerr, who has directed both amateur and professional actors, declares that the professional theater often has people who put up a good front at tryouts but who actually do not have the talents or the training needed in a professional performance. "In the amateur theater, however, the people are sincere," the director points out.

Among the best actors he has directed Kerr lists Elda Beth Payne, who has starred in many shows for the college, and Elizabeth Loeffler who came to San Jose State college from the University of Washington last fall to teach acting.

Unlike many college dramatic teachers, Mr. Kerr is optimistic. He makes this prediction about the drama student's chances of getting a job in the theater: "The chance for a job in drama or theater is a little tougher than other fields, but with television coming, there should be more fertile fields for young college trained actors, directors, designers, and technicians."

## Aero Hut Features Planes, Mezzanine

By DAVE LEONARD

By the time the Aeronautics laboratory moves from its present cramped quarters, gloomily situated in the basement of the Science basement, to its spacious ark-like quonset hut, several new features will have been added.

Although completion of the building is still several weeks off, some equipment has been moved and is now in operation—namely, the new link trainer, which was purchased by the college at a nominal sum of \$200, according to Donald L. James, assistant professor of aeronautics.

To get an idea of the normal cost of these machines, look over the rates charged to mere outside civilians trying to pick up a few spare lessons—\$25 an hour is the standard rate.

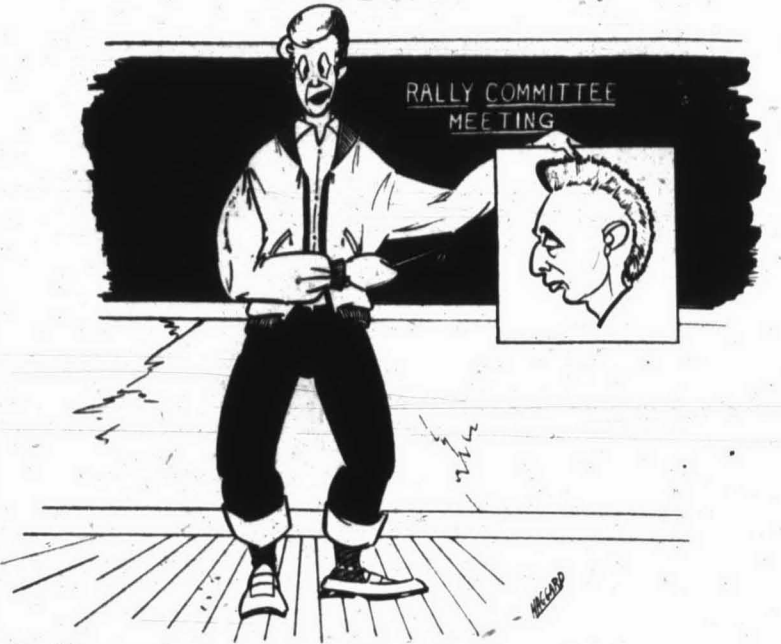

When the last lock, stock and cylinder-head has been moved, two more items of interest will be transferred from the San Jose airport to the campus. One will be a single-engine advanced army trainer (the Texan), and the other a twin-engine advanced trainer UC-788 (more fondly known as the Bamboo Beau-fighter). The two planes will be placed nearby the aero hut on concrete platforms, and used to acquaint students with complete maintenance on those type aircraft—a great advantage over academic training.

To get the utmost out of available space, instructors' offices are being built on a mezzanine floor. The mezzanine will be directly above the supply office in the center of the hut, and will afford aero instructors a much better view from which to eye with benevolence, the work of their charges below.

## ... Tempus Fugit! ...

JANUARY, 1935—A bill recently has been introduced in the State legislature to change the name of State Teacher colleges to State colleges. That self-styled "Monarch of the College Dailies," the Daily Californian, has blasted the bill in an editorial, asking "whether it is better for California to spend money on a University of some intellectual distinction, or to parcel it in insufficient amounts to a number of mediocre colleges."—whole hog or none!

## THE WEEKLY WASH by Haggard

"Of course, the girls will be admitted to the rooting section as they are."

## THRUST AND PARRY

### Give Me Air

Dear Thrust and Parry and Weed Fans:

I ain't agin' smoking but I would like to do some comfortable and pleasant studying in the Student Union without inhaling secondhand smoke from a dozen different brands of cigarettes.

Besides the personal aspect, there's the question of school pride. Ashes on rugs, chairs, tables and window sills may look homelike, but remember, the Student Union isn't home.

I feel for you nicotine slaves. It must be torture to be at the stage where you can't relax without a lighted weed. Give yourselves a break, do away with those yellow-stained fingers and the smoker's hack. Give us a break, let us breathe fresh clean air when we peruse our books in the comfortable union.

ASB 3012

### Look, Fellas

Dear Varsity Basketball Team: Please don't think for a minute I can show you how the game is played. That wasn't my idea. My criticism amounts to this—more aggressiveness. That cannot be learned from any individual. It's the spirit that counts.

I will take your advice and be patient, however, and in fact I will root till it hurts—my studies.

Good luck,  
Winfield.

P.S. I did not flunk boxing.

### It's Highhanded

Dear Thrust and Parry, Hal Riddle, and other Student Council members:

The uncompromising ban on smoking in the Student Union was a high-handed and inconsiderate act which should be amended as soon as possible.

The Union was the only place on campus where students could meet and talk or study in comfort and enjoy their favorite brand.

Let us have half the Union set aside for non-smokers and the other half for smokers. This would concentrate the "extra cleanup" in a smaller area, and contribute to the comfort of non-smokers.

The problem of what to do with irresponsible smokers will still be with us, but some sort of patrol might be set up, or the force of "public" opinion could be given a try. I personally will look daggers at any violator at the drop of a Ronson.

# Spartans And Aztecs Top CCAA Basketball Title Race

By JOHN GOTHBERG

Because of their brilliant 54-37 triumph over the Gauchos last Friday, San Jose State moved into the upper bracket in CCAA basketball standings. San Diego holds top place at present with two victories and no losses.

The College of Pacific quintet made a surprising comeback Friday and Saturday after dropping a pair of games the previous week. The Bengal Tigers trounced Fresno State, 61-48, Friday night and crushed Santa Barbara the following night, 56-46.

# Horseshoe Club Is Being Organized In San Jose

A combined San Jose and Santa Cruz horseshoe club is being organized by 40 members in San Jose. Don Titcomb revealed that 12 horseshoe clay courts have been obtained for the club's use at Ryland park on North First street.

Members will be able to use these courts nightly as well as daily because the city has installed flood lights at the park.

A busy season is in prospect for the San Jose Horseshoe organization which will be climaxed by the world horseshoe championship

TITCOMB

tourney to be held at Milwaukee this year. That city has appropriated \$4,000, which was increased this year from \$3,000 for the tourney.

Prior to that the Salt Lake City Open tourney will be held. Titcomb stated that everyone interested is invited to join the club. Horseshoes fans may get in touch with him at Ballard 5406 daily except Sunday. Beginners are especially welcomed to join.

The organization will have three divisions; namely, A, B and C. The C group is for novices, while the others are for the veteran fans. The first tourney will be held at Caleveras on March 12. Besides these three tourneys matches with San Francisco, Modesto, and other cities have been arranged.

Frank Bramhall, who refereed the All College bouts, helped get the city to fix up the courts which Titcomb stated may well be a model for other horseshoe courts on the Pacific coast.

Junior Morgan, who plays center for the Spartan casaba five, also is an end for Coach Bill Hubbard's football eleven. Morgan hails from Santa Monica and saw wartime service in the navy.

# Spartan Tennis Meet Cal. Bears In CCAA Meet In May

By DAVE LEONARD

Although Ted Mumby's tennis team has but one game positively scheduled, California at Berkeley, the racqueteers have several coals on the fire. Two of these are invitations from Cal Poly at San Luis Obispo, and Humboldt State at Arcata asking if SJS would consider a home and home series this season.

Coach Mumby has decided the team cannot make both the northern and southern trips in one season and is posting letters to both schools—Cal Poly and Humboldt—to determine which territory has the largest number of opponents for the Spartans to compete with—Mumby wants to get as much action as possible for his boys while on the road.

Teams we are likely to meet this season, according to the coach, are UCLA, Santa Clara, Santa Barbara, Fresno State, COP, St. Mary's, Stanford, and San Francisco State.

"What we would like best to accomplish," he explained, "is to build up relations with as many bay area teams as possible. There are enough universities and colleges locally situated to keep our hands filled for the time being."

As far as tournaments are concerned, SJS will be represented in the CCAA meet in San Luis Obispo on May 21, and is tentatively listed for participation in the Ojai Valley tourney (near Ventura) and Northern California college tourney in Berkeley.

With COP having lost nearly their entire championship team of last year, Mumby imagines that Santa Barbara is the team to beat in the conference. Aside from the Gauchos, the field appears to be a wide-open race, with the Spartans having a good chance to improve considerably their fourth place 1947 standing.

Down in San Diego the Cal Poly Mustangs lost a hard fought contest to the Aztecs, 49-39. Thus we find San Diego State and the Spartans as the only two remaining unbeaten teams in the association.

The defending champion College of Pacific five is also making a very determined bid for top honors. Their convincing victories over the Bulldogs and Gauchos indicate that they are still very much in the running.

Saturday's Spartan-Tiger game at Stockton is definitely the game of the week. Coach Walt McPherson has developed a classy outfit this season. COP will be gunning for San Jose and should give the Washington Square men a rugged time. Many of the Gold and White fellows remember quite vividly the heartbreaking one point defeat at the hands of the Tigers last year.

The Spartans receive a real test at Moraga tonight when they meet a very strong St. Mary's team. Tomorrow night they move across the bay where they clash with a speedy San Francisco State quintet.

### CCAA CAGE STANDINGS

	W	L	Pct.
San Diego	2	0	1.000
San Jose	1	0	1.000
Pacific	3	2	.600
Fresno	1	1	.500
Santa Barara	2	2	.500
Cal Poly	0	3	.000

### Newmanites Win

Threading the hoop from all angles, Coach "Scrappy" Squatrito's Newman Club basketballers overwhelmed the Redwood City L.K.O.Z. five, 53-29, Saturday night on the losers' court.

Kerlin Morgan led the scoring with 15 points while Len Frizzi and Vince Sempronio tanked 11 and nine, respectively.

Woody Linn, who is an expert shot putter and discus tosser, is in training for the Olympics in the 56 pound weight event. He has thrown it 35 feet and 6 inches and needs but one more foot to qualify. He was the extra point kicker for Bud Winter's junior varsity football squad in 1946.

# SJ Matmen Win NCJIW Title; To Meet Cal.

By PAUL VON HAFPTEN

Fresh from capturing the Northern California Junior Wrestling tourney at Berkeley Saturday, the Spartan matmen face the powerful California Golden Bear squad tonight in the local gym at 8 o'clock.

In their taking the NCJIW crown, the Spartans garnered 25 points to the Olympic Club's 18, while San Francisco State was third with 11. Bill Rothwell won the 114 pound title while Jensen took first in the 191, and Co-Captain Sam Lawson won the 147 title. Other matmen who placed were Ralph Payne, Marvin Fitts, Darrell O'Steen, and Phil Bray.

Tonight the Spartans and the Bears meet in their traditional rivalry. While the Bears won twice last year, the locals are stronger this year and more experienced. However, San Jose must be tops in order to beat such formidable foes as Lee Christensen and Hugh Mumby, who is Coach Ted Mumby's son.

The Bears have already beaten Stanford and the El Toro Marines, while the Spartans took both the Northern California Novice Wrestling tourney in San Francisco and the Junior Wrestling tourney in Berkeley. They lost to the Olympic Club but defeated the San Francisco State Gators.

Men who are likely to participate tonight are: Pat Felice, Sam Lawson or Ralph Payne, Bill Rothwell, Carl Holmberg, Ray Miser, Jim Elliot or Don Foster.

# Intramural League Game Play-Offs

Teams due for action Wednesday evening in the Intramural Basketball league are the "Relatives" vs. "Spartan Manor," and "The Fast Five" vs. "Varsity House." These games will be played at 7:30 p.m.

At 8:10 p.m. "The Hankets" will meet the "Modesto Moe" five, and "The Fighting Tigers" will take on "The Ridge Runners."

## PUB BOARD TO DISCUSS DAILY

The newly organized Publications Advisory Board will meet in the Student Union tomorrow at 4 p.m. to discuss organization and background of the college publication. An effort will be made to resolve some of the difficulties confronting the Spartan Daily.

The meeting was called by Dwight Bentel, chairman, with the cooperation of Emerson "Doc" Arends, student body president.

Mr. Bentel expressed the hope that the Board would be active in assisting the college publication with its many problems.

The Advisory Board is made up of Dr. James Clancy of the Speech department; Carl Hoffman of the Journalism department; Bill Felse, graduate manager; Doug Morrison of the Student Council; Fred Albright and Clary Duke, members of the Spartan Knights.

## Boxing Schedule Sets 18 Meets

(Continued from Page 1)  
and the Pacific Coast championship meet is at Sacramento.

- The schedule:
- Dec. 2-3-4-5—Novice Tourney, here.
  - Jan. 9—All-College Boxing, here.
  - Jan. 15—S. F. State, here.
  - Jan. 23—Junior College Invitational, here.
  - Jan. 28—Alameda Naval Air Station, here.

## Morals Charges Face Students

One student has withdrawn and another is expected to withdraw due to their apprehension for molesting young ladies on the college campus, according to Dean of Men Paul M. Pitman.

The two men were requested to leave San Jose State college by the Personnel committee following discovery of instances of indecent exposure which they were reported to have committed.

## COUNCIL FILLS PRO TEM OFFICE

(Continued from Page 1)

LaMar, and Pat Walsh will serve on the committee.

Miss Walsh was appointed treasurer pro tempore until next week when Council failed to reach a two-thirds majority vote. Tom Wall and Bob Hines were nominated for the position vacated by Charlotte Harder.

Acting upon a suggestion by Dean Pitman, Council voted against a joint session with Publications Advisory board at its first meeting tomorrow at 4 p.m. Chairman of the board, Dwight Bentel, had requested Council be present to air policies of the Spartan Daily and give them an opportunity to quiz Editor Jack Silvey. Council had voted at its last session to have Silvey attend last night's meeting to discuss the publication.

### COUNCIL PASSES BUCK

Arends suggested that the problem of the Student-Faculty Relations board be dumped into the lap of the Constitution Revision committee with the idea of incorporating it into the by-laws of the Constitution. This suggestion was approved by Council and will be discussed at the committee's meeting Thursday night.

Phil Bray reported satisfactory progress has been made by the committee. Two students from each department will serve with the group in an advisory capacity. Bruce McNeil, president of Student Y, requested \$129 from Council to pay tuition for three San Jose State students at the American Youth Foundation Leadership training camp in Minnesota.

Physical, mental, social, and religious leadership is taught at Camp Miniwanca, according to McNeil, and he recommended that prospective Council members and student presidents be sent there.

Barbara Brewster, Adeline Clark, Bill Swasey, and McNeil attended the training school last year and Council paid half of the tuition for three. The Student Council decided to postpone a decision until next Monday.

SPECIAL  
NOTICE  
TO THE  
CLASS OF  
'48

**Here's your chance to qualify for a job that pays \$336 a month after one year's training**

A special interviewing team will soon be here to talk with men interested in U. S. Air Force Pilot Training. It is equipped to interview applicants, give preliminary physical examinations and flying aptitude tests.

You may be eligible for appointment to the March 1 or July 1 Aviation Cadet Classes. If you qualify, you begin at \$75 a month, with food, quarters, uniforms, medical and dental care provided. Upon successful completion of the 52-week training course, you're commissioned a Second Lieutenant, Air Force Reserve, and assigned to active duty as pilot with the U. S. Air Force at \$336 a month to start. You also get an extra \$500 for each year of active service. There are many other benefits that make this one of the outstanding opportunities offered to this year's graduating class.

Why not drop in and discuss it?
