

Just look at the lovely blue cards the school sent you. I wonder how they found out that you were ill?

Blue Cards Out

If you should find yourself in the above position, don't despair. The entire college counseling staff will be reserved for interviews with recipients of blue cards next week.

Joe H. West, Dean of Student Personnel, urges all students who are having difficulties to meet with the counselors in his office from Feb. 21 to 25. Blue cards do not necessarily mean you are failing the course.

Mosher Names Summer Plan

A preliminary list of summer school classes has been published and is now available in room 120-B.

Dr. Raymond Mosher, director of this year's summer session, has invited all prospective summer students to obtain the bulletin and to talk with him personally.

As to the coming summer session Dr. Mosher states, "There will be good opportunities for students to take 15 units during the nine week session that will begin July 5 and end Sept. 3."

The official list of summer classes will be published soon, according to Dr. Mosher.

Vet Expert Visits

J. V. Murchison of the Oakland office of California Veterans Affairs will be in the Veterans office, room 32, tomorrow between 9:30 a.m. and 12 noon. He has promised to answer all questions about the Cal-Vet program, Veterans office sources said.

Revelries Ducats Are 'Going Fast'

Tickets are going fast for four nights of "How's It Goin'," according to Business Manager Dick Cirigliano. All those who have not yet made reservations for this year's show may do so in the Graduate Manager's office.

WAA Officers Attend Meeting

Mona Morris, WAA president, Barbara Albaugh, corresponding secretary, and Miss Mary Hooton, faculty adviser, last weekend attended the annual conference of the California Athletic association of college women, at the Dominican college at San Rafael, according to the Women's Physical Education department.

The conference, which ended Saturday evening with a banquet, brought together representatives of colleges throughout California to formulate standards and provide for free student discussion of problems facing the different organizations.

Senior Overnight Pronounced Success by Those Attending

By CARL HOLMBERG

Senior Overnight, Winter of 1949, was a fun-packed success. More than 70 seniors tossed their textbooks to the winds last weekend to enjoy themselves at Asilomar seaside resort near Pacific Grove.

Asilomar is a Spanish word meaning Sea Haven. That's just what it was for the upperclass students.

The seniors left the Student Union Saturday morning with a car caravan heading south for the camp near the sea.

Volleyball and football provided outdoor activity for the energetic seniors. The football tussle was coeducational. As expected by veteran campers, the lady gridders outclassed the males in the rough play. Fortunately no serious casualties resulted from the game in the sand dunes.

After the football game everyone was hungry and answered dinner call with eager appetites. During the meal more games were played.

First Campers Are Victims

Around the table runs were penalties for persons who unwarily left an elbow or two on the table while eating. Many first-campers were victims of this dinner-digesting fate.

Saturday evening's entertainment was highlighted by the initiation of new campers. Class Secretary Skip Weterberg presided as queen during the ritual. Each neophyte was compelled to kneel before the queen and ask her forgiveness. Pillows were placed at three intervals for the subjects.

Bob Barmettler, an actor at heart, put his ability to work while seeking the forgiveness of the queen. Adviser Rocci Pisano followed Barmettler to the altar. He found it hard to stop his usual smile. Surrounded by serious faced

spectators, Pisano finally received a pardon.

Hold Low-bridge Contest

Reverting to another game the seniors held a low-bridge contest. This tested the ability of couples to duck, crawl, or slide under a crossbar. Three pairs lasted in the elimination process. The final height was less than a foot.

Steal-the-bacon came next. An object was placed an equal distance from two lines of ready Spartans. A caller announced numbers and the action started. The object was to be brought across one side's line. The participants soon were exhausted and settled for a round of singing to close the evening in the main hall.

Breakfast the next day found most of the males absent. A series of threats by those up already ousted the late-sleepers. After breakfast came more volleyball (a good group activity), indoor sports in the lodge, and lunch.

Juniors Entertain

At lunch activities were continued. Antics like jumping upon chairs or holding fingers up when someone burped characterized the luncheon period. Several juniors, guests for the overnight, sang the school hymn when asked to sing.

'Federal Aid' Is Debated Locally

The SJSC Forensic group will again debate with a Stanford university team on "Federal Aid to Education," tonight at the downtown YMCA, according to Mr. Wilbur F. Luick, adviser to the Forensic group.

George Coleman and Les Gros-hong will represent the affirmative side of the question and the Stanford team will take the negative. The debate will follow a dinner with the organization of young business and professional men, said Mr. Luick.

Chapel Site Splits Council; Solons Delay SAB Decision

By SPEED GEDULDIG and LEN KREIDT

Location of the Memorial Chapel split the Student Council last night after Councilor Bill Swasey expressed doubt over the proposed location on the San Carlos turf.

"Is this the best place considering the gym activities just adjacent?" Swasey asked.

"But it's the most feasible place right now," interposed Bruce Craig. "Besides, the building of the Chapel might be postponed 10 or 15 years if the Council postpones present building plans," he added.

"Any change would have to fit in with the Master plan of the campus being drawn up," offered Adviser E. W. Clements.

The Council then suggested approaching the students on the question. The advisability of airing the question in the columns of the Daily was discussed, and then the matter was tabled for further study.

Dr. Robert Rhodes was elected chairman of the Executive Freshman Camp committee at their recent meeting, according to a report given by Ellen Erichsen. Dick

Knox was elected chairman of the Freshman Camp committee.

Ron LaMar and Sally Moody were appointed by the committee as assistant directors for the camp, according to Miss Erichsen's report.

Names Red Cross Head

The Council appointed Bobby Brown chairman of the 1949 Red Cross drive, and named Bill Logan to assist her. (See cut, page 2).

Student Activities board regulations were to have been incorporated into the by-laws of the ASB last night, but were deferred when a controversy arose over the provisions governing closed functions. SAB Chairman Bob Cronemiller explained that the board feared bitter feelings might arise over clearances for closed dates. He suggested that a "Little" Date Book for fraternal organizations might be the answer.

Man Shortage?

"Sorority girls have complained to me about a scarcity of 'eligible' men when several sororities schedule pledge dances on the same night," he said. "I feel that Inter-Fraternity Council and Panhellenic are capable of coordinating their own affairs, subject to the Date Book, of course."

President Tom Wall objected, asserting that "uncontrolled closed functions usually rob attendance from Student Body functions."

Students composing the Student Activities board were announced by Cronemiller. They are: Panhellenic, Beverly Shobe; Inter-Fraternity Council, Bob Schatz; AWS, Audrey Auerbach; WAA, Clara Jane Lyter; Drama department, Evelyn McCurdy; and Men's PE, Jim Waterton.

The Council asked Chief Justice Tom Eddy to rewrite several new sections to be added to the Constitution when Council members became confused over the wording of the proposals.

Advanced Musician Soloists Present Operatic Workshop

Advanced vocal students of the Music department will give their first recital of the year tonight in the Little Theatre at 8:15. Interspersed with the solo groups by Wesley Walton, Marian Stewart, and Gloria Surian, will be some excerpts from opera presented by 14 students of the opera workshop.

All three soloists have made numerous appearances on campus and in the community. Wesley Walton, of San Jose, is remembered for his role as the sheriff in "Robin Hood" and his appearance in the "Christmas Oratorio" of Saint Saens.

Gloria Surian, a sophomore from Los Gatos, sang the oratorio in the "Christmas Oratorio" of Saint Saens. She is also a soloist in one of the San Jose churches.

Marian Stewart, who is from San Bernardino, already has had experience in the teaching field, and had one of the leading parts in the "Christmas Oratorio."

Helen Kimzey will be the principal accompanist of the evening. Miss Kimzey entered college this year, after graduation from San Jose high school.

Many Are Participating

Students participating in the operatic workshop are Carol Mosher, San Jose; Don Axtell, Rio Linda; Alena Ciraulo, San Jose; Robert Clark, San Jose; Majorie Hird, Hanford; Ron La Mar, San

Jose; and Marian Mesch, San Diego.

Other students singing in the workshop are Priscilla Robinson, San Mateo; Betty Smith Robinson, San Jose; Ursula Schindler, Los Angeles; Marian Stewart, San Bernardino; and Gloria Surian, Los Gatos.

The remainder of the students participating are Lewis Stommel, San Jose; Wesley Walton, San Jose; Betty van Nortwick, San Carlos; and Robert Smith, San Jose; with understudies David Ruskin Shepherd, San Jose, and Thomas Sprague, San Jose.

Program Is Free

The program is open to the public, without charge, and is under the direction of Maurine Thompson. All students except one, a non-music major, are members of the college's Cappella Choir.

Gloria Surian was in the Campbell high school choir, and has studied for two years with Helen Kalas. She is now singing in the First Presbyterian choir under the direction of Eugene Mancini.

The operatic ensembles will consist of excerpts from "Orfeo by Gluck; "El Trovatore" and "La Traviata," by Verdi; and "Lakme" by Delibes. An aria from Carmen, a duet from Mozart's "Magic Flute," and an aria from Heriodade, by Massenet, are included in the program.

Unemployment 'Slackens,' Says Labor Department Secretary Maurice Tobin

WASHINGTON, Feb. 14. (UP) Secretary of Labor Maurice J. Tobin said today that the rise in unemployment "appears to have slackened."

But he cautioned that the situation "should be closely watched" to tide workers through a current period of industrial readjustment "and to head off a recession should one begin to threaten."

In a statement prepared for delivery before the joint congressional economic committee Tobin said production and employment, "despite the leveling off" are both "very high for this time of year." "While unemployment continued

to rise in January and probably into February," Tobin said, "the rate of increase appears to have slackened. Re-employment has taken place at the same time that lay-offs are occurring."

Tracing wage and employment developments the past 10 years, Tobin said the recent downward trend in prices "even though it has not proceeded very far" — will undoubtedly be an important factor in wage negotiations this year.

"It would be unrealistic, however, to expect the pressure for wage advances to subside automatically as the cost of living slowly drops," Tobin said.

Scientific Painting in Aero Labs Combats 'Tired Feeling'

Paint is being used by SJSC's aeronautics students to combat that tired feeling, according to members of the aeronautics department teaching staff. Members of aeronautics laboratory classes are spraying the machinery in their shop this week, following a special color scheme devised by psychologists to prevent fatigue among workmen.

Stationary or base parts of machines are painted "light focal gray," while moveable sections are colored "focal ivory." Switches and controls are daubed with red. Scientists claim that variations in color in the shop, when combined in the right manner, lessen fatigue and thereby increase production and prevent accidents.

Paint companies have been prompt to bring this discovery to the attention of the public.

Painting of machinery in the laboratory is expected to be completed by the end of the year. It has been in progress intermittently since last spring.

Course in Teaching Art on Schedule

"Elementary Art Education for Classroom Teachers" is the title of a new course which will be offered by the Art department during spring quarter, according to Dr. Marques E. Reitzel, Art department head.

Mrs. Ramona Fleeson, supervisor of art in Santa Clara county schools, will instruct students taking the new course.

The class will deal with latest methods of teaching art to elementary school children.

The class is scheduled to meet on Tuesdays and Thursdays from 4:30 to 6 p.m. Three units of credit will be given.

Although spring quarter registration does not begin until April 4, teachers who want to take the course may enroll now as special students, Dr. Reitzel added.

Silver Saber Plans Another Smoker

Silver Saber, honorary R.O.T.C. society, will hold its second pledge smoker of the year tonight at 7:30 at the Ste. Claire hotel, Jim Zane, president, announced yesterday.

Senator Asks Cost For Europe's Arms

WASHINGTON. (UP) — Sen. Arthur H. Vandenberg, Republican foreign policy leader, today asked President Truman for a cost estimate on the armaments he plans to send Western Europe.

Vandenberg said in an interview that congress should know the approximate cost of the projected military lend-lease program before it passed on the \$5,580,000,000 request for new Marshall Plan funds.

"I believe we must have some approximate estimate of the additional costs of military aid before we take this ECA bill to the floor," The Michigan senator said "that's a question that inevitably will be asked, and as far as I know, we don't have the answer."

This development followed week-end suggestions from Vandenberg and others that falling farm prices may make it possible to cut foreign recovery spending. ECA Boss Paul G. Hoffman, who will be asked to review his figures in light of the recent price breaks, regards them as a "tight fit."

The arms supply program is designed to bolster the pending North Atlantic Security Pact, and back up economic aid. Its cost has been estimated unofficially at between \$1,000,000,000 and \$2,000,000,000. Mr. Truman gave no solid estimate in presenting his budget last month.

Vandenberg and others who seek an overall picture on foreign commitments may get some help from Gen. Dwight D. Eisenhower, who returns today to the Pentagon for temporary duty. One of Gen. Ike's jobs will be to determine the extent of American military obligations in Europe and to explain them to Congress.

Bobby Brown, 1948 contestant for Spardi Gras Queen, was appointed by the Student Council last night to head the 1949 Red Cross drive. Assisting her will be senior Bill Logan, former Chief Justice of the Student Court and Red Cross drive chairman last year.

Engwicht Proposes Radio Study Group

Student radio enthusiasts were invited today to join a group studying for FCC telephone and telegraph operators license examinations by Mr. Harry Engwicht, radio professor.

"We have a number of students preparing for their license examinations now," explained Mr. Engwicht, "and hope to establish a regular 'extra-curricular' class for this purpose."

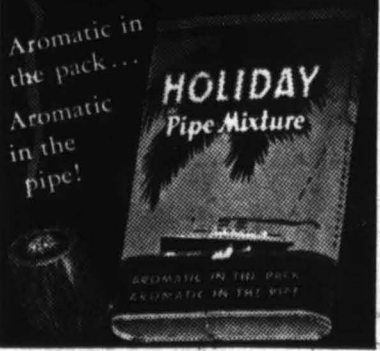

Interested students were advised to contact the radio professor in room 3, Science building.

SU Prof Speaks On Speech Aids

Dr. Virgil Anderson, director of the Speech and Hearing clinic at Stanford university, will speak to a class of advanced remedial speech, today at 4 p.m. in room 157.

Skiers Weekend At Sequoia Park

Twenty-six San Jose State college students spent the weekend at Camp Gains in Sequoia national park as the guests of the Fresno S.C.A., according to Jeanine Churchill of the local Student Y.

Twenty-five students were present from Fresno State college. The heavy snow fall made the area excellent for both skiing and tobogganing, Miss Churchill said.

Police Fraternity Sets Date Of Annual Banquet at May 20

At the regular meeting of Chi Pi Sigma, police fraternity late last week, plans for the forthcoming annual banquet were discussed, according to Dean Patrick, publicity officer. It was decided that all former members of the Police School and members of Lambda Alpha Epsilon, national police fraternity, will be invited. The date has been set for May 20.

Sunnyvale Paper Hires Journalism Students of SJS

SJSC stands second to none when it comes to placing prospective Walter Lippmans and Dorothy Thompsons out in the world of journalism. Word has just been received in the Spartan Daily office of a double "coup" accomplished at the Sunnyvale Standard.

Merle Blondin, one of the more promising writers, has been serving his internship on the Standard. When the paper lost its city editor, Blondin showed so much promise that he was immediately appointed to the vacated spot.

A former graduate of the SJSC journalism department, Jean Stevens was hired to replace Blondin. Now there is the unique situation of a Spartan graduate working for an interning city editor.

WSSF Travelling Secretary Here

Diane Lockhardt, travelling secretary of World Student Service fund, will speak during the 12:30 chapel service at the Student "Y" today, announced WSSF chairman Marsh Pitman.

Miss Lockhardt opened her series of talks on campus today with a speech before Dr. George Bruntz's problems of peace class. From 7:30 to 9:00 tonight she will attend a planning meeting of the WSSF steering committee in room 124.

Tomorrow at 12:30, she will give an informal talk at the Dime-A-Mite session at the student "Y." Sandwiches and milk will be available for those who attend. At 4:30, she will address an AWS meeting in room 24. Her last talk will be at the Hillel club meeting at 8:15.

Pitman emphasized that all students are welcome to attend these meetings to get acquainted with Miss Lockhardt and learn more about the aims of the WSSF drive.

Between talks, Miss Lockhardt will meet individually with members of the WSSF executive committee. She will also be introduced to Dr. MacQuarrie and "Y" Secretary Janet Anderson.

Miss Lockhardt arrived in San Jose from Los Angeles last night. While here she is staying with Alice Samson, vice-chairman of WSSF.

Working on the banquet committee will be Chet Miller, Mike Barche, Bruce Hipkins, James Van Maren and Ernest Selig.

During the afternoon of May 20, the local Police students will be host to the visiting criminologists at an open house at the Police school and the Chi Pi Sigma house. Serving on the open house committee are Norman Ansley, Bruce Hipkins and Ernest Selig.

It was also decided that Chi Pi Sigma would again sponsor its "jail", for the 1949 Spardi Gras. This will be the first time since the end of the war that this attraction has been offered.

Spartan Judoists In Oakland Meet

Yosh Uchida will take about 25 of his judo students to Oakland Feb. 18 to compete in a four-way judo meet.

The local aggregation will meet judo artists from U.C., the San Francisco Judo academy, and the Oakland Judo academy.

NEA Head Here Today

Educator Speaks Tonite At Wilson Junior High

Local teachers and student teachers will hear a nationally known educator speak at a meeting in the Woodrow Wilson junior high school tonight at 8 o'clock.

The speaker is Miss Mabel Studebaker, president of the National Education Association. Her appearance is being sponsored by the San Jose State college chapter of the California Student Teachers association, the San Jose Teachers association, and the Santa Clara County Teachers association.

According to Dick Bartels, president of the local CSTA chapter, the opportunity to hear Miss Studebaker is a rare one and is a high spot in this year's CSTA activities program.

Miss Studebaker, a biology teacher at the Strong Vincent high school at Erie, Pa., has held executive positions in numerous educational organizations and has travelled widely in the interest of education.

The versatile Pennsylvania teacher's experiences range from six years as the Pennsylvania director of NEA to travelling through Britain studying the effects of the war on the British school system. She has had opportunity to study American education as a member for four years of the Educational Policies commission.

Xi Triton

Elects Cockshaw to Head New Officers in Balloting

Pat Felice and Norman Cockshaw were elected unopposed to the offices of president and secretary of the local Xi Triton chapter of Phi Sigma Kappa at elections held recently.

Felice, co-captain of this year's varsity wrestling team, and a resident of Los Gatos, will succeed Bob Aganew in the office at the expiration of his term late this quarter. Cockshaw, a native of Boston, is, like Felice, an undergraduate married student, and a Marine Corps veteran.

Joe Ashworth, past president of Newman club, was elected Phi Sigma Kappa's vice-president, while Stanley Carlson was chosen treasurer, Don Shaeffer sentinel, and Bud Wilkinson inductor.

The chapter plans to sponsor a wrestling team in the forthcoming Novice tournament, and to hold its initiation ceremonies over the week-end of the 18th, 19th, and 20th of this month.

Contest to Seek Best US Writers

A contest to discover the finest writing talent in America has been announced by the National Five Arts Award, incorporated, which sponsors the Norman Pen Awards and the Normandy pen fellowships.

The contest, with awards ranging from \$500 to \$2,000, is open to all writers. Contributions will be accepted from playwrights, radio writers, short story and short story writers, song writers, and screen writers. In addition to cash awards, prize winners will have their work published in an anthology and in a 25-cent pocket-sized reprint edition, with standard royalties to their authors.

Further information and entry blanks for the contest may be obtained in the English office, room H28.

Bob Wuesthoff and Stu Inman, San Jose State basketball stars, played on the same high school team in Alameda.

Communist Propaganda Drive Failing in Attempts to Defeat Recovery Program Throughout Countries of Europe

WASHINGTON, Feb. 14.—(UP)—Communist efforts to defeat the European recovery program, although "well-backed with talent and money," are failing, President Truman told Congress today in an optimistic report.

A report of recovery operations of the economic cooperation administration for the second quarter ending Sept. 30, 1948, noted:

"The Communist propaganda drive is powerful, constant and well-backed with talent and money. There are signs, however, that the anti-recovery efforts of the Communists, including their propaganda campaign, have not come up to expectations."

As the report reached the House and Senate, committees of both were considering legislation to authorize the recovery agency \$5,580,000,000 for operations during the 15-month period ending June 30, 1950.

Europe Earns Its Way

The President's report said western Europe must earn its own way, but not at the cost of disease and unrest among its citizens.

"The primary objective of the European recovery program is to enable western Europe to achieve

as soon as possible a satisfactory level of economic activity independent of extraordinary outside assistance," the report said.

"... Western Europe must earn its way, but without reducing its citizens to levels of deprivation that would engender disease and unrest. Per capita consumption must be raised to pre-war levels, which for most countries were much below those of the United States."

Report Lags

The report, four months behind current recovery operations, nevertheless reflects the gains made in western Europe since the Marshall Plan began last April.

For example:

"Total output of factories and mines in the third quarter of 1948 was 10 per cent above the previous year and nearly equal to the 1938 (base) rate."

"Excluding the depressed steel output of western Germany, steel operations were well above the level of American aid, the economic situation 1938 rate and equal to the high year of 1937."

"Total electric power production in the participating countries excluding Germany is 50 per cent

above pre-war and railway traffic is up about one-third."

"Agricultural production in Europe has shown impressive gains over the last year, though aggregate output is still below pre-war."

"The supply of food and clothing, although greater than last year, has not returned to pre-war levels."

As regards the European labor supply and productivity, the report noted that there must be "more effective distribution of labor" and an increase in the productivity level.

Absentee Problem

"Absenteeism in industries has been a problem in many countries where consumer goods are in short supply," the report said, "since urban workers have taken off time to search for needed commodities, especially food."

The report noted that "in spite of uation in non-Communist China continued to deteriorate during the third quarter of 1948."

(Present aid to China is only a trickle. ECA has not yet asked Congress for new funds for the China aid program, and officials say that it will not do so until the situation there is clarified.)

SIGMA DELTA INITIATION Spanish Honor Society Takes Members

New members of Sigma Delta Pi, National Spanish honor society, were formally initiated into the society recently at a candlelight ceremony at Eske's restaurant in Santa Clara, said Georgette Paris, secretary.

Professor L. C. Newby, head of the Modern Language department, presided over the affair, attended by local members of Alpha Epsilon chapter and members of University of California and Stanford chapters.

Jean Anderson, Hamilton Bailey, Phyllis Bolinger, Madeline Dinaire, Wilbur Fellows, Eade Jordan, Jeanine Kazi-Girey, John Mount, Marian Tanous, Jacqueline Townsend, Betty Tyson, Alex Vosti and Manuel Martinez are the new members.

The requirements for membership in the society that these Spartans met include requirements that they have a 2.1 average in Spanish, a 1.5 average in all other courses, and that they be at least third-year Spanish students.

The officers of the society are Frank Farr, president; Betty Sherman, vice-president; Georgette Paris, secretary; Reynolds Stone, treasurer; Pat Trotts, historian, and Adviser Dr. William Moellering, Modern Languages teacher.

Lowell Kamrar Honored at Party

Mr. Lowell Kamrar was feted recently at a spaghetti feed and surprise champagne party honoring his 27th birthday.

Early in the evening, Mr. and Mrs. Harry Russell, 121 East Spartan City, put out the welcome mat to a group of friends at an informal buffet spaghetti dinner in their home.

Later, Mrs. Jean Kamrar sprung the surprise on her husband when she induced him to investigate an alleged commotion caused by their dog. A cake with eight candles was discovered and the group joined in singing "Happy Birthday."

Those present for the occasion were Mr. and Mrs. Kamrar, Mr. and Mrs. Russell, Mr. and Mrs. William Kaiser, and Mr. and Mrs. R. Emmet Boden, all of East Spartan City. Mr. Oliver Antouaccio of San Jose also was a member of the party.

YMCA Secretary To Discuss Campus 'Y' Work

Miss Edith Lerrigo, regional secretary for the student YWCA work in California, Arizona, Nevada, and Hawaii, will be on campus as guest of the Student Y today, according to Mrs. Janet Anderson of the Student Y.

Miss Lerrigo, as executive for the Pacific southwest region, works in an advisory capacity to staff cabinets and boards of directors in this region. She also has served in this capacity in the New England region, and three years ago she worked with the Chinese student Christian movement.

This afternoon, Miss Lerrigo will meet with the personnel committee of the Student Y, which is directed by Dr. Harrison Heath.

Panic by Air

QUITO, Ecuador, Feb. 14.—(UP)—Police said today that the program director of Radio Quito was responsible for a weekend radio dramatization of a Martian invasion which so frightened and infuriated listeners they burned down the station, killing six persons.

Phi Sigma Kappa Gets New Home

Phi Sigma Kappa's Xi Triton chapter, San Jose State college, has secured a new home, located on the north-east corner of Ninth and Reed streets. The chapter will move in next fall.

The local chapter, formerly Gamma Gamma Gamma, local fraternity, located its new home through the efforts of Brother Pat Felice, past president of the group, Attorney Gerald Thompson, alumnus, and Mr. Walter Bealey, local real estate salesman. Twenty-five or more men will reside in the house when it opens next fall.

OT Department Displays Toys

The Occupational Therapy department's current exhibit in the Science building displays educational toys for rehabilitation of very young children.

According to Mrs. Eleanor T. Mann, assistant director of the Occupational Therapy department, children who are afflicted with any sort of functional disability may be treated almost entirely with these toys.

The child aids in his own recovery by the employment of certain muscles which the toys are designed to bring into play.

Spardi Gras Appointments

Cirigliano Names Five To Fill Out Committee

Five new appointments have been made to the Spardi Gras committee, Chairman Dick Cirigliano announced recently. Cirigliano said that Mr. Rocci Pisano will be the faculty adviser; Art Bond and Frank Horst, assistant chairmen; George Buering, construction; Arta Price, fashion show; and Vern Baker, publicity.

Mr. Pisano, in an interview Friday, said that his duties as faculty adviser would be much the same as advising any on-campus organization. "From what I've seen of the committee and its chairman, I don't think my services will be necessary," he said. "I'm sure they'll be able to solve all of their problems themselves."

Cirigliano said plans for the all-day affair are progressing much better and faster than was at first expected. "From the way we are ironing out the rough spots, Spardi Gras will really be great this year," Chairman Cirigliano said.

Art Fraternity Aids Junior Prom

Alpha Gamma, local service fraternity for Art majors, has volunteered to design posters for the semi-formal "Jardin du Soir," junior prom, dance committeemen said Friday.

A queen contest will be one of the features of the junior class dance to be held March 5, in the Civic auditorium.

The committeemen revealed the queen will be chosen during the dance. Judges will be announced later.

Vet Changes OK

SACRAMENTO, Feb. 14.—(UP)—State Director of Veterans' Affairs Lawrence C. Stevens today announced that GI students can switch now from federal to state assistance during the semester with no interruption in their studies.

More than 500 students, currently enrolled in institutions throughout the state and whose federal eligibility will expire this spring, will be affected under the newly-devised plan.

HOOPMEN ENGAGE FRESNO

Spartans Go After Sixth Straight CCAA Win Tonite

By GEORGE LAJEUNESSE

Hoping to extend their win streak to six straight CCAA victories, San Jose's Spartan basketball team take a quick hop to Fresno tonight where they meet the Fresno State Bulldogs.

Still smarting from a non-conference loss to USF's Dons last Saturday night Coach Walt McPherson's crew have every intention of grabbing the Bulldog by the horn and getting further out in front in the CCAA race.

San Jose's latest league victory was a 52-41 shellacking of the Cal Poly Mustangs last Friday night in the Spartan Gym.

Fresno State has been consistently in the win column of recent days. They knocked over the tough Pepperdine Waves Saturday night by a margin of two buckets.

The Bulldogs have a bone to pick with the Spartans as a result of the rough treatment they were handed last month when guests in the Washington Square gym in San Jose.

SJS Won First Meeting

In their first meeting of the season the MacMen meted out rude treatment to the Raisin City guests, handing them a 69-43 wallop.

Fresno State's attack is spearheaded by towering Vernon Riggins, 6 ft., 6 in. center who nailed ten points in the last outing against the Spartans.

Forward Matt Garcia of the Bulldogs will again face his old Compton Junior college buddy Bob Crowe, McPherson's spring-legged forward.

Inman in Drought

Stu Inman, ace Spartan center who racked up 24 points against the Fresno Staters, will be striving to break a scoring drought suffered in recent games.

At last reports the Spartan five has shaken off the cold bug among the first stringers and McPherson will field the regular starting five with Inman at center; Don McCaslin, forward; Bob Hagen, forward; Bob Wuesthoff, guard; and Ralph Romero, guard.

The SJ Staters will be fighting to preserve a CCAA winning streak of 17 straight games extending over a three-year period. Since late 1947 the Spartans have never suffered a CCAA loss.

Inman Shy 15 Points of New Scoring Mark

Stu Inman, all-conference center, is 15 points away from establishing a new San Jose scoring record for one season. The 6 ft., 3 in. pivot-man has five contests in which to surpass his old mark of 396 markers.

After a short scoring slump, Inman appears to have regained his shooting eye. The former Alameda prep dropped in 10 against USF before fouling out.

Second place in a close race between Bob Hagen and Don McCaslin a pair of sharp-shooting forwards. Hagen has hit 262 for a 10.1 average, while "Big Don" is one notch behind with 261 tallies.

Defensive standout Bob Wuesthoff has also contributed his share of points. Wuesthoff, Alameda High teammate of Inman, has meshed 190 markers for a 7.0 average. His running mate, Ralph Romero, trails with 90 scores.

A deadlock exists in the sixth scoring position. Bob "Iggy" Enzensperger and Bob Crowe are tied with 68 apiece. Boundin' Chuck Crampton is next, having scored 56.

Other Spartan players and their total points are: Junior Morgan, 41; Dean Giles, 39; Billy Wilson, 16; Jim Cruze, 11; and Bob Thomason, 3.

Waldorf to Teach At CP Workshop

SAN LUIS OBISPO, Feb. 14.—Lynn Waldorf, University of California's Rose Bowl coach, will handle football discussions at the fourth annual physical education and athletic workshop to be held at California State Polytechnic college in August.

69er Cagers Meet Cook's Automotive

Cooks Automotive will face the 69ers this afternoon in the men's gym as intramural basketball enters the seventh week of play. The game will start at 3:30.

Other games today are 3:30 Music vs. Pritchard's; 4:10, Alpha Eta Sigma vs. 13th St. and Mangini's vs. the Mustangs.

Tomorrow night the Noses and the Hillel club will clash while the Kotzo Klub meets Pratt Fradus at 7 p.m.

Sportraits

By WADE WILSON

San Jose State, in a never-ending drive for big-time recognition in football, finally received the nod from the pay-for-play boys and passed on to the pro clubs two of her finest players.

BOB PIFFERINI and DEAN SOPHIA inked their contracts with the Detroit Lions of the National Football League and by so doing gave the Lions two of the finest defensive men in the country. "Piff" gained national recognition last New Year's Day by putting forth his best efforts in the Shrine game.

1949 can go down as "the year of the big misunderstandings." HUGH McELHENNY changed his mind about going to the University of Washington. 'Tis too wet and besides his eye to the future is going to Compton this next semester. ZOE ANN OLSEN, the Olympic diving champ, says that she was misunderstood in saying that she planned to be married in June to All-American JACKIE JENSEN. Could be.

In the pay-to-play ranks, OLLIE MATTSON, the CCSF's star track and football star, has changed his mind and decided to do his traipsing for the USF DONS.

DeWITT PORTAL, boxing coach at San Jose State, has one of the heaviest teaching loads in the school. He tutors some one-thousand or more eager boxing enthusiasts. He probably teaches more students of this hand-to-chin sport than any other one boxing instructor.

DSG and Imolians Are High Scorers

Delta Sigma Gamma swamped Sigma Gamma Omega 50-31 in intramural cage play last night in the Men's gym.

Imolians dropped Paso Robles 57-37 in the second game.

Both winning teams are unbeaten. DSG has won two games.

Imolians were led by Gale Fisher, Mel Stein, and Gene Menges. High scorers for DSG were Charlie Clapper, Dean Price, and Dick Grant.

The six-man San Jose State golf team, intercollegiate champion, has a combined handicap of only nine.

Frosh Meet Rough Pitt in Gym Tonight

With two more victories under their belt, the Spartan Frosh quintet will face one of the top Northern California high school squads tonight when they meet Pittsburg in the Spartan gym.

Over the weekend the Spartababes defeated the USF Frosh and Leonard's Sport-Shop.

Pittsburg has won 17 of their last 18 games. Their young Negro center, John Henry Johnson, is the big boy in their attack. He is eagerly sought after by cream-skimming talent scouts from the nation's colleges. Besides his basketball activities Johnson stars in track and football.

Spartan Coach Tom Cureton has his worries for tonight's contest. His star center, George Clark is out for the contest with a pulled leg muscle. Clark, who gives the team a height advantage, has been the leading factor in the success of the local squad.

Don Reed will probably replace the ailing Clark. Cureton is hoping that the speed of his forwards, Don Belmar and John Young will

offset the squad's lack of height. Belmar hit the bucket for 19 points against the Dons Saturday night. Dan Inveen and Glen Lovell will hold down the guard positions.

Game time is 7 p.m.

He who imagines he can do without the world deceives himself; but he who fancies the world cannot do without him is still more mistaken.
