Swim Show Great, Says Moptop

Water Carousel Has Everything, Says He

"Water Carousel" opened last night in the college pool and provided all the merriment, enjoy-

G R E A T !

ment, and catchy music of a real circus carousel.

For there was a delightful melody, rhythm, and harmony to this aquacade. Director Mary Hooton, the technical crew, the costumers, and all the girls in the WAA club who performed deserve a hearty round of applause. Moptop, the Spartan Daily's official reviewer, was doing handstands on the diving board along with the swimmers.

"Water Carousel" is a top-notch swim show. It has variety, vitality, and humor. It is an unusually different production—one you won't see often—and provided a fine evening's entertainment.

No one really stole the show in the well-balanced program of acts, but the antics of the comic divers (Marianne Gothard, Lee Childs, and Teddy Merideth) had the crowd howling.

Probably the best number in the show, as far as smooth synchronization goes, is the Seal number. Six girls dressed in black longjohns, caps, and flippers swam with apparent ease and near-perfection.

Ann Corwin exhibited grace and ability in her well-controlled solo ballet number.

The most unique act in "Water Carousel" is the Flashlight number, in which a formation of girls with round orange lights on their wrists, glittered back and forth in the pool to the tune of "The Glow Worm."

Other outstanding acts are the ballet duet, starring Lillian Dimpfl and Bobbie Cabbage, and the Tigers, who were dressed in orange and black striped suits with matching tails and caps.

Special mention must go to Dr. Robert Rhodes, who planned and executed the lighting effects, and to "Doc" Vitale who plays a mean accordion as mistress of ceremonies.

"Water Carousel" will be presented tonight and Saturday night. Tickets may be purchased at the door of the Men's gym by those who do not have them.

Orchesis Performs

Orchesis, modern dance society, will give a demonstration performance to Fremont high school students in Sunnyvale this afternoon.

The program will include dances choreographed by students, as well as dances by beginning and advanced technique groups. Jessie Fanger will perform her own composition using the Sarabande form. A Betty Boehmke composition for tango will be done by six dancers.

ASB APATHETIC

(Editorial)

Interest in ASB nominations in the past has been shockingly conspicuous by its absence. Too often, apathy has resulted in student government being run completely by small, but interested, minorities.

An often repeated axiom in political science is that "to control nominations is to control government." What advantage is there in voting when the majority's interests are not represented at nominations?

At last year's nomination assembly, only 54 students were present to represent some 6000 members of the student body.

The election turnout of 2225 voters was a surprisingly large one, but it is still not a majority of those having a direct interest in student government.

Another compelling argument for student participation is the fact that the ASB is big business at San Jose State college. The 1948-49 budget exceeded \$109,000. A large percentage of this sum was handled directly by elected officers of the student body.

The ASB nomination assembly will be held at 1:30 Monday afternoon in the Little Theater. As a member of the student body, this is your opportunity to secure representation in your student government.

Sale Ends Today For Music Ducats

Today is the final opportunity for music and non-music majors to join the San Francisco Symphony forum by purchasing season tickets at half price.

Interested students are requested to sign up today in the campus Music building. Members of the forum will hear concert music played by the San Francisco Symphony orchestra under the baton of Pierre Monteux.

The concerts will be held Thursday nights in the War Memorial Opera house. Here on the campus, the forum will take part in constructive musical discussions.

Noted artists in the music world are scheduled to speak and perform for the forum.

Pox Shots Schedule

In addition to the series of immunization shots scheduled by the Health department this quarter, a vaccination for smallpox will be given to ASB card holders Tuesday, May 10, according to Miss Margaret Twombly, Health department head.

ISO To Hold Picnic

Members of the International Student organization and persons interested in world affairs are invited to a picnic at Santa Cruz tomorrow, Alice Samson, chairman of the event has announced. The group will leave from in front of the Student Union at 2 p.m.

In addition to a day of swimming at Saratoga beach, there will be a business meeting with election of officers slated, Miss Samson said. Also Niek Slijk, Dutch student, will speak on conditions in Holland.

There will be a \$1 charge for food and transportation, Miss Samson said.

Freshman Council Plans Long-Term Activity Schedule

Acting under a recommendation by Dean of Men Paul M. Pitman, the Freshman council discussed plans for having a program and budget for affairs and projects for the next three years. The group met Wednesday.

Council President Lud Spolyar appointed John Giacomazzi as Social Affairs chairman to replace John Steele. Giacomazzi will be responsible for arranging dates and sites for future activities.

Spolyar told the council of plans made at Monday's joint meeting with the sophomore class for Lower Division day. The event will be held May 21 at Shangri-La. Activities will include games, dancing, swimming and a barbecue.

A smoker scheduled for this quarter was called off due to conflicting activities. The smoker is tentatively scheduled for fall quarter.

A discussion of possible dates for fall quarter dances was held, but no definite action was taken.

Spolyar reminded the council that a meeting of the Spardi Gras committee will be held Monday at 4 p.m. in the Student Union to discuss plans for a freshman booth.

Another meeting of the Lower Division day committee will be held with representatives of the sophomore class Monday at 3:30 p.m. in the Student Union.

'Y' Retreat Signup Deadline Today

Noon today is the deadline for students to sign up for the Student Y retreat this week-end, according to Paula Jackson, committee chairman.

Students attending the retreat must be sure to bring sleeping bags, towels and coats, Miss Jackson emphasized.

The group will meet at the Student Y, prepared to leave, at 9:30 a.m. Saturday. From there they will go to Camp Campbell in the Santa Cruz mountains.

They plan to return Sunday noon.

Ogden Sparks Team To 16½ - 10½ Win

By JACK RUSSELL

San Jose State's undefeated golfers set the stage for a complete sweep of athletic victories over C.O.P. by humbling the Tigers 16½ to 10½ yesterday.

Led by Bill "Oogie" Ogden, who shot a four under par 68, the Spartan champions successfully hurdled their toughest CCAA competition.

Dean Pitman Warns SJSC Girls Against Sham Photographer

Dean of Men Paul M. Pitman yesterday cautioned all campus co-eds to beware of a man posing as a photographer who is attempting to solicit campus girls as models.

"I have reason to believe a grown, non-student man is coming on campus to secure girl students to pose for him, under the delusion that he will get them a Hollywood contract, or some such reward," declared Dean Pitman.

He added that he knew of one instance when the man, whom the Dean has seen only once, approached a San Jose State college co-ed, posing as a personal friend of Dean Pitman's.

District Attorney N. J. Menard, who has his own reasons for being suspicious about the man, advised Dean Pitman to warn campus girls to shun the individual.

The man's motives are questionable, but Dean Pitman believes one of three alternatives to be his goal: (1) to secure money from the co-eds; (2) to sell the pictures to pornographic magazines; or (3) seduction.

Dean Pitman issued the warning in the absence of Dean of Women Helen Dimmick, who was out of town yesterday. He urges any girl contacted by the solicitor to see Miss Dimmick before posing.

Robinson Returns

Miss Doris Robinson, placement director, returned to her job this week after an extended trip to southern California. She attended the Secondary School Administrators' conference in San Diego.

Nail and Beard Contest Opens

By JOHN ROMERO

"Stow away them Gillettes, men, because as of today, the Spardi Gras Beard Growing contest is officially open," says "Trigger" Dick Cirigliano, the contest mastermind and Spardi Gras chairman. Also under way today is the Chinese Fingernail Growing contest for Spartan co-eds.

Sign-up booths for both these affairs will be located in the Library arch and will be open from 10 until 3:30 today.

Cirigliano is opening this year's whisker raising contest a full month before any of its predecessors to allow male Spartans plenty of time to cultivate the stubble. Long beards should fit nicely with the Centennial theme of this year's celebration, believes "Trigger" Dick.

A new wrinkle this year is the fingernail raising contest for girls, in which one nail on the left hand is allowed to grow, and a prize given for the longest. The best shaped spike will also come in for an award.

Bewhiskered Spartans will reap the lion's share of rewards, however, with prizes scheduled for the thickest, longest, and best shaped beards.

Male campus organizations are

The Stockton team played excellent golf on their home course but it was a case of too much over-all Spartan strength. Yesterday was the day for Ogden to shine, as have his teammates Bariteau and MacCarty in the past, and the curly-haired Sacramento star came through with a beautiful round to defeat C.O.P.'s ace, Andy Blossom.

Match Results

Match results are as follows: Eli Bariteau (SJS) 74, def. Buddy Troyer (COP) 3-0; Bill Ogden (SJS) def. Andy Blossom (COP) 3-0; Russ Shepperd (COP) def. Jay Hopkins (SJS) 76, 3-0; Ross Smith (SJS) 74, vs. Fred Solomon (COP) 1½-1½; Wayne Hardin (COP) def. Warren MacCarty (SJS) 80, 2½-½; Howard Verutti (SJS) 72, def. Ted Beckman (COP) 3-0.

In the best ball matches Bariteau and Ogden teamed up to defeat Troyer and Blossom 3-0. Hopkins and Ross Smith lost to COP's Shepperd and Solomon, 3-0. MacCarty and Capt. Verutti combined to beat Pacific's Hardin and Beckman, 2½-½.

Play Gaels Today

Today the State golfers will meet a very strong St. Mary's team at the San Jose Country club. This match will mark the beginning of an intensive golf schedule leading to the NCAA tournament to be held in Ames, Iowa, June 27 to July 2. The Spartan team hopes to successfully defend its national title at this time.

The St. Mary's squad will be led by NCI champion Al Nelson, who defeated Warren MacCarty last Sunday at Pasatiempo. Other Gael golfers include George Bruno, San Francisco prep sensation, and Packard Harrington, the football center from Hawaii.

expected to engage in a hot fight for the group trophy. Ten men may represent an organization. Competition is also expected to be heavy among female groups in the fingernail growing competition.

The contest rules follow:

For Beard Entrants

1. Any male ASB member may participate.
2. Entrants must be clean shaven upon registering.
3. Any organization may enter 10 of its members as a group to compete for the organization prize. Members of the group are also eligible for the individual prize.
4. Beards will be judged on the basis of length and appearance.

For Fingernail Entrants

1. Any female ASB member may participate.
2. Only one fingernail may be entered, and that on the left hand. Special consideration will be given left handed girls.
3. The contest nail should not exceed 1-16th of an inch in length upon registration.
4. An organization prize will also be given, governed by the same rules as the Beard contest.
5. Fingernails will be judged on the basis of length and shape.

Spartan Trackmen Rate Edge Over COP

COP and the Spartans COULD go into the last event of tomorrow night's dual track meet at Baxter stadium in Stockton with the meet depending on which team wins the relay. The pressure under such circumstances may lead either relay team to break the 3:20 mark, which incidentally would smash the State college record—providing a course that a San Jose runner breaks the tape first.

This meet has all the earmarks of one that could easily go either way, however, if individuals run true to form the Spartan Daily track writers believe the score will favor the Spartans, 74 to 57.

Relay Battle

An event that could fit this "either-way" theory is the 440, where Pacific's Eddie Macon (48.6) faces Bob Herrick (48.1 relay lap against Stanford) and Stu Inman and Fred Mangini (both have run between :49.0 and :50.0 this year).

According to a late Thursday announcement by Coach Bud Winter, sprinter Bob Crowe will favor a leg injury and run only the 100-yard dash against the Stockton foe. Crowe should cop this event and L. W. Hall, a vastly improved Spartan, looks like a good bet for third.

Dore Purdy, local mile star, looked very good in practice the past week and should give the COP distance men a real race. Purdy ran a practice 880 this week in 1:59.9, the fastest yet run by a Winterman this season.

The top pole vaulters of each college, George Mattos (SJ) and Ray Kring (COP) may add a real thriller to the night meet by eclipsing 14 ft. Kring has exceeded that mark this season and Mattos has a 13 ft. 10 1/2 in. mark, also made this year.

"Woody" Linn faces stiff competition in the person of Duane Putnam in the shotput. Both men have recently thrown over 50 ft.

Cal Aggies Host State Swimmers

Anticipating their sixth win in nine starts, Spartanville swimmers enter the domain of the Cal Aggies at Davis today at 4 p.m. Coach Charlie Walker believes his aqua-athletes are in for a tough time of it, inasmuch as he watched the Aggies give a better-than-average Santa Clara swim team a good fight.

Walker told yesterday of a "very good" Aggie sprinter, named Heyl, who should give his charges trouble.

Those scheduled to make the Davis trip with Walker are: Wally Hofman, George Sheets, Dick Lebedeff, Ray Bryant, Homer Lohr, Earl Guisness, Jim Sage, Norm Keeler, Captain Pat MacConnell, Rees Knight, Bob Edminister, Jack Hibner, Bob Uphoff, Jud Wallace and Bruce Titus.

The San Jose State golf team won the National Collegiate team championship; had the low medalist title holder, Morgan Fottrell; and Bobby Harris captured the match play trophy last year at Stanford.

SJS Baseballers Take On Aztecs

San Diego State, a team that has won two and lost four league games this season, will play host to the Spartan baseball squad this afternoon in the border city.

The Aztecs have the advantage of six games under their belts, while the local representatives will be performing in their first league contest. A double header will complete the three game series tomorrow.

No starting hurler has been named by Coach Walt Williams for today's clash, but either Ralph Romero or Pete Mesa look to be the likely choices. These two pitchers have impressed the most during practice games.

Dean Giles, Tom Okagaki, Don Lopes, Will Concklin, Bob Wuesthoff, Earl Wright, Mel Stein and Pete Denevi will round out the lineup.

**American Showmanship
Used By Dutch in WSSF**

American students aren't the only ones who enjoy putting on stunts to raise money for such worthy causes as the World Student Service Fund, says Niek Slijk, a young Dutch student here who has taken part in fund raising projects in his native Rotterdam. Students in the seven university towns of Holland have been active ever since the close of World War II in staging campaigns for funds to benefit their less fortunate fellows, Niek reports.

Niek heard recently from a friend of his in Rotterdam that Dutch students are preparing this year to give plays, exhibitions of student art work, and student concerts to raise funds for Indonesian students. Seventy per cent of what the Dutch World Student Relief workers raise will be sent to Indonesian young people and 30 per cent to WSR headquarters in Geneva for international distribution.

Attended Dutch School

Twenty-four-year-old Niek is a senior economic major at San Jose State college, and attended the University of Rotterdam. He will return to Holland when he finishes his study here.

"Funds are secured in Holland," Niek reports, "through the many student clubs. Representatives from these clubs, which are like your fraternities and organizations here, form the Dutch World Student Relief council. These representatives organize drives on their respective university campuses."

"Our WSR committee has arranged for students from other European countries to come to Holland to complete their studies in Dutch universities."

According to information received from Niek's friend in Rotterdam, more than 50 Czechoslovakian students were able to finish their schooling in Holland last year.

Polish medical students, French displaced persons who sought education, and 60 Balkan agricultural students were given cost-free opportunities to study in Holland for the summer with funds raised by the Dutch WSR committee.

Students Invited To Holland

Last summer the committee was host to a group of delegates from Western European countries and the United States. One of the specific aims of the committee is to invite 30 students every month

during the school year for a stay of eight weeks in Holland so that they can complete their education. The committee has also been influential in getting the Dutch government to send materials to students abroad in addition to what is contributed by the student relief campaign.

"The Dutch Student Council voted in November 1946 not to accept any more help from other countries, but to take an active part in giving aid to students in war-devastated lands," Niek said earnestly. "We did receive aid right after the war, because we were in desperate need." Niek may have been remembering the ruthless bombing of Rotterdam as he said this.

One of the first post-war projects of Dutch students was to provide treatment for 300 European students at the tuberculosis sanatorium in Leysin, Switzerland.

Niek's grin spread widely when he answered a question about the overall aims of Dutch student relief work. "It is the same as with you," he said. "We want the same things you do. World Student Relief hopes to build up a new student community which can play an active part in the construction of a better world community."
