### Vindication of These Men Approved

If cameras appear on campus with any of these faces behind them don't report them to Dean Dimmick, gals—these flash men are on legitimate assignments for various campus activities. Some of these names you will recognize under Spartan Daily

pictures. Left to right: Photo Chief Jack "Hypo" Hudson, Steve Everett, Ray "Hold It" Hasse, and Del Carlo, who is not on campus this quarter. Not shown is Floyd Chandler, a new addition.

### Headless Rooster Croaks at Last

LOS ANGELES (UP) — The rooster, Lazarus, died Friday after living since April 2 with most of his head cut off.

Death came a few minutes after Patrick Flynn, a Los Angeles animal inspector, served Lazarus' owner, Mrs. Martha Green, with a warrant ordering her to dispose of the headless wonder.

When he re-entered the home of Mrs. Green to get a drink of water after serving the warrant, Flynn said the rooster keeled over and died.

Mrs. Green returned Lazarus to her home after Justice of the Peace Stanley Moffat in Huntington Park acquitted her and Veterinarian Alan Ross of charges of keeping a mutilated bird.

X-rays and testimony at the hearing showed that Lazarus had not lost all of his head when a butcher whacked off his head before selling him to Mrs. Green for a Sunday dinner. But enough of the brain remained to permit life to continue.

### 'Margaret Fleming' Tickets Go on Sale

Tickets for "Margaret Fleming", to be presented May 5-9 in the Little Theater go on sale today in the Speech office, it was announced Friday.

Admission is 60 cents for student body card holders; 90 cents for general admission. All seats are reserved.

### Soph - Frosh Plan Lower Division Day

Lower Division day plans will be continued this afternoon at a sophomore-freshman joint meeting at 3:30 in the Student Union.

Members of the two councils are requested to be present at the discussion.

Bob Madsen, sophomore president, explained that Lower Division day will be held May 21, at Shangri-La. He added that plans must be made if the event is to be successful.

### Frosh Meet Today

The freshman class Spardi Gras committee will meet at 4 p.m. today in the Student Union to discuss plans for a class booth and concessions, President Lud Spolyar announced.

### Robinson Talks To CSTA Wednesday

"Trends in Placement" will be the subject of an address by Miss Doris Robinson before the California Student Teachers association Wednesday, in room A1, at 4 p.m., President Clyde Hewitt said today.

Miss Robinson will discuss job opportunities in the kindergarten-primary, general secondary, and general elementary groups. From October 1945 to October 1948 there have been 1124 teachers placed through Miss Robinson's office. Of these, 600 were inexperienced.

CSTA is a voluntary association of students in teacher training institutions of California. It is organized and financed by the California Teachers association. Any teaching student may join. Purposes of the CSTA are to promote social, professional and economic welfare of teachers, and to foster active cooperation among student teacher groups.

### Home Ec to Show 'Modern Nutrition'

A technicolor film, "Modern Nutrition" will be shown in room L-210 at 3:30 p.m. tomorrow, according to the Home Economics department.

The movie shows physical symptoms of extreme vitamin deficiencies. It was prepared by Squibb & Sons drug company, and was secured for a class in diet therapy for nurses.

There will be room for visitors to see this presentation. It is of interest to pre-medical and pre-dental students, as well as to nurses and dietitians, the department said.

### Deadline On Vet Buying April 29

Purchases by veterans will not be authorized after Friday, according to an announcement from the Veterans office.

Mrs. Florence Kellenberger of the Veterans office says that this will include all veterans under P. L. 346, P. L. 16, and the Cal Vets.

The edict includes art students.

In order to obtain books after April 29 a veteran must have a signed purchase order on file with the book store.

### 'Stripper-Sprinters' To Run During Meet

An urgent call for all college "stripper-sprinters" is out today from the Athletic office, when it was announced that a novelty race will be run next Saturday during the SJS-Fresno track meet.

Potential Gypsy Rose Lees and Georgia Sothers are urged to contact either Track Coach Bud Winter or Julie Menendez this week, time to get in good shape for the "revelin'est race of the year."

In order to keep rioting down to a minimum the contest is restricted to men only, the sponsors have announced, and there will be a grand prize for the winner—a delicious cake.

Stripped down to bare facts, the idea of the race is for the contestants to speed over a marked course in the shortest possible time—enroute they will be required to shed various and sundry garments.

The speedster who arrives at the finish line in the shortest time, with the shortest amount of clothing on will be crowned "Strip-Sprint champion of San Jose State college."

### Overnight Signup Will Start Today

Sign-up for the last Senior Overnight of the quarter will get under way this morning in the Library arch, announced Bill De Smith, chairman for the outing.

Asilomar-by-the-Sea is again the focal point of festivities for the class of '49, May 21-22. Meals, lodging and use of the swimming pool will be taken care of under the \$3.75 charge. The ocean is close by for hardier swimmers and sunbathers.

Dr. McCallum, Dr. Rhodes and Mr. Pisano will be advisers, said De Smith.

In charge of the booth sign-up are Paula Phillips, Josephine Giansiracusa, Roberta Gianoli and Joyce Lowry.

A deposit of \$1 will insure seniors a place in the fun.

### Best-Drilled Unit To Receive Trophy

Trophies will be awarded to the best drilled platoon or flight in both the basic and advanced ROTC units, according to Major Earl R. Kingsley, public relations officer.

The awards will be made June 10 in connection with the commission ceremonies.

### Maureen O'Hara Turns Shopgirl

By VIRGINIA MacPHERSON  
(UP Hollywood Correspondent)  
HOLLYWOOD (UP)—"Shopgirl"

Maureen O'Hara wound up her first year as a dress store proprietor Friday. And, she reports, if her feet are a little bigger from all that standing around, so is her bank account.

The beautiful redhead, who won't talk about that fabulous salary she gets making Technicolor love to movie heroes, proudly announces "Maureen O'Hara, Inc." came through its first 12 months in the black.

That's partly the reason for that surprised look she's wearing these days. But mostly it was put there by one wild-eyed experience after another.

Miss O'Hara says it never dawned on her what goofy things people will do when they're spending money. Then she opened her

Introduction of the constitution of Delta Sigma Phi tops the list of new business for the Student Council in their weekly meeting today at 4:30 p.m. in the Student Union. Delta Sigma Phi's constitution has

administration approval and will be reviewed by the council for acceptance.

Under old business, the problem of a new senior class representative to the council will be presented again. Ross Fuller and Jean Kinney, who were nominated to the post last week have expressed definite interest in the position.

Nora Lynch, chairman of the Co-ed Rec committee is scheduled to report on negotiations between her committee and the Spartan Spinners, who are asking admission into Co-ed Rec programs.

Complaints of various organizations concerning layouts of La Torre, college yearbook, will be aired by Ron La Mar, journalism representative.

Various committee reports will be made including: Rally committee, by Glen Stewart; Social Affairs, by Betty Brisbin; AWS, by Ann Guenther; Spardi Gras, by Dick Cirigliano; and WSSF, by Marsh Pitman.

The Student Council has volunteered its services to the San Jose High school's Senior Day program, May 5, in Morris Dailey auditorium. The council will usher for the event.

### Camp Committee Draws Up Plans

A tentative program for this year's State Camp was drawn up at a planning meeting Wednesday night in the Student Union, Director Dale La Mar said Friday.

Richard Cirigliano and Bobbie Hillis were appointed chairmen of the Recreation committee. La Mar said that as yet other committees have not been formed.

A list of speakers was partially assembled but was not completed for the entire program. La Mar said that speakers will be top men in their fields and will serve as leaders of discussion groups, along with the Student Coordinator.

He said that Wednesday's sessions revolved around a small nucleus of former State campers, however, he expressed the hope that more members will be present at future meetings so that discussions will not reflect a rehash of other State camps.

Former freshman campers should feel free to attend the meetings, La Mar said. They might add to the tentative program list.

"It's going to take the combined effort of all the old State campers and new ones to make this year's edition a success. That success depends on participation of students in planning a camp that will have sufficient interest for the student body," said La Mar.

### Ameglio Invites Students to Initial IR Club Meeting

All students interested in international problems are invited to attend the first meeting of the International Relations club this quarter, Juan Ameglio, president, announced today.

Ameglio will speak on "A Latin American Looks at Peron" at today's meeting at 3:30 in room 107.

In the near future the club will be addressed by the Consul General of Panama and the Consul General of Italy.

Purpose of IRC is to encourage the study of international relations and develop a keen interest and understanding of current problems of international significance, Ameglio said.

### Dr. Harry Rathbun To Speak at 'Y'

May Day breakfast, an annual chinfest sponsored by the Student Y, will be held in Alexander hall at the YMCA at 7:45 a.m., Sunday, May 1, according to Chairman Mary Kelly.

Dr. Harry Rathbun, professor of law at Stanford university, will be chief speaker.

Tickets, costing 75c, can be purchased either at the Student Y or from any college church youth groups in San Jose.

"This early morning affair," Miss Kelly said, "is held primarily to stress inter-faith understanding and unity among all denominations." "Esprit de corps," she hopes, will be the keynote for all who attend.

The WSSF committee will present a short skit concerning their drive. There also will be group singing and musical numbers.

The committee includes Jim D'Avis, program; Jeannie Justice, tickets; Scoop Davis, publicity; John Jacobsen, food; and Ed Williams, arrangements. Mrs. Janet Anderson, executive secretary of the Y, is adviser.

cubby-hole dress shop 15 miles out in the cow-town end of San Fernando valley. And she found out.

"One girl came in and said she was looking for a blouse," the world's highest-priced shopgirl explained. "But what she really wanted was for me to get her in the movies.

"Then there was the man who brought in a satchel full of old diamonds. I said I wasn't interested and after a while he disappeared. But when we went to close up for the night, there was the satchel.

"We were scared to death. All we could think of was 'hot jewels.' We called the police. But for two days we were afraid to go out of the house.

"Eventually the man showed up. He wasn't a crook at all. Said he'd just forgotten about the diamonds."

Miss O'Hara says she could pa-

per the knotty-pine walls of her dinky shop with the bold requests she gets from the fans.

"They just out and out ask me for whole outfits—for free," she said. "They write that I have so much, a big home and a swimming pool and all, they know I 'won't miss' one dress. Those I just toss in the wastebasket."

Tourists jam the place practically every day—hoping for a glimpse of Maureen. Businessmen sneak in on their lunch hour to "pick up something for the wife"—and also ogle the only movie star they've ever seen in the flesh.

A lot of folks come in just for her autograph. And they get it. But they also walk out with a box under their arms. This O'Hara is no slouch as a saleslady—even if she does have to hide her hands under the counter and add up the bills on her fingers."

# Army to Interview Teaching Applicants

Interviews of candidates for overseas teaching jobs will be held in Berkeley and San Francisco this week, according to Dr. Lloyd D. Bernard, manager of the Guidance and Placement office at the University of California.

Interviewers representing the United States Army will be at room 207, Administration building, University of California campus, Berkeley, April 25-27.

### Interviews at San Francisco

Candidates who do not have papers at the University's office of Teacher Placement will be interviewed at the Overseas Affairs office, room 113, 74 New Montgomery street, San Francisco, April 28-29.

Approximately 400 teaching jobs are open in the European (Germany) and Far East (Japan and Okinawa) commands for the school year 1949-50, according to Dr. Bernard. About three-fourths of the teachers needed will be in the elementary field.

Elementary and secondary teachers will have a P-2 rating and a yearly salary of \$3727.20. Principals will have a rating of P-3 with a salary of \$4479.60. Tour of duty is for one year. Transportation will be furnished and quarters provided by the Department of Army at no cost to personnel.

### Minimum Qualifications

Minimum qualifications, as outlined by Dr. Bernard, are: an A.B. or B.S. degree, with 18 semester hours of credit in education courses; at least two years' teaching experience, and have not been out of teaching for more than one year; and a valid teacher's credential from the State Department of Education. Maximum age limits are 50 years for men and 40 years for women.

Applicants are requested to have teaching credentials, transcripts of credits, and discharge papers, if they are veterans, available at the time of the interview.

## Registration Open For Nature Trips

Registration for each of the three trips planned for this summer by the West Coast Nature school is still open, Mrs. Margaret Guenther, Science office secretary, announced Friday.

"Reservations are still available for the lodge, cabins, and camping group at both Sequoia and Fallen Leaf," she said, "and for hotel or cabins at Asilomar."

"A \$15 fee is payable at the time of registration," Mrs. Guenther concluded. "Registrants will be placed on the list in the order in which the fee is paid."

dard suggestions I would like to make.

I wouldn't know how to measure it accurately, but it seems to me we had more thievery last quarter than for some time. We may have had a professional on the campus.

They do come occasionally. Students are traditionally (and actually) pretty careless with their belongings. A great many items of personal value were stolen last quarter—fountain pens, expensive pencils, wrist watches, purses, books, and many items of clothing.

It's a shame that we have such creatures about, but four per cent of our people are criminals and it would be surprising if we didn't have a few on this campus.

The answer is that you must take care of your belongings. A little extra care here and there will save many a pang. And if you know of a thief, you should report him. I feel like treating thieves pretty roughly. It's always "the first time"—but usually they show too much skill for that. One who will steal will lie. Even the "first time" should be enough. There is some thoughtlessness

## Discuss Preparations

Shown discussing last-minute preparations for the WAA convention are (left to right) Miss Leta Walter, Mrs. Jane Burtner, and Miss Mary McNeil. Miss Walter and Miss McNeil leave tomorrow to attend the national meeting in Wisconsin. Mrs. Burtner is the WAA adviser.

## Walter, McNeil To Represent WAA at Madison

San Jose State college will be represented at the national WAA convention next week by WAA officers, Leta Walter, president, and Mary McNeil, vice president.

This is the first year SJSC has sent delegates to the annual convention, to be held at the University of Wisconsin in Madison.

A panel discussion and four group discussions will highlight the three-day meeting which includes representatives from universities and colleges throughout the United States.

"Organization and Values of a State AFCW" is the topic chosen for the panel discussion. Group discussions are to be on "Co-recreation, Inter-group Co-operation

# Unbeaten Golf Team Rolls On

Turning in their top dual meet effort of the season, the San Jose State golf team shattered the hopes of the St. Mary's Gaels, 21 1/2 to 5 1/2 at the San Jose Country Club Friday.

The Spartan squad got sweet revenge on the Moragans who were the only team to beat San Jose last year. St. Mary's was touted as being even stronger than last year, but they were no match for the "Golden Golfers" who turned in a team performance worthy of the national champions that they are.

Four State players, Ross Smith, Bill Ogden, Howard Verutti, and Ruskin Shepperd, shot better rounds than did St. Mary's top man, Al Nelson, the NCI champ, who had a 72. The Spartan quartet all turned in cards of 71.

Match results: Eli Bariteau (SJS) def. Al Nelson (SM) 2 1-2-1-2; Ross Smith (SJS) def. Packard Harrington (SM) 3-0; Bill Ogden (SJS) def. George Bruno (SM) 2 1-2 - 1-2; Howard Verutti (SJS) def. Steve Orseck (SM) 3-9; Ronnie Patton (SM) def. Jay Hopkins (SJS) 2 1-2 - 1-2; Ruskin Shepperd (SJS) def. Jack Christensen (SM) 3-0.

Doubles results: Bariteau and Smith tied Nelson and Harrington, 1 1-2 - 1 1-2 and Verutti and Ogden def. Orseck and Bruno, 3-0. Hopkins and Shepperd def. Patton and Christensen, 3-0.

## LAST COP WIN — 1930

# Tigers Finally Upset Spartan Tracksters

By HANK PLYMIRE

The sticks which broke the Spartans' backs—that's what the 220 yard low hurdles proved to be Saturday night when San Jose State college tracksters took their first defeat since 1930 — 71 to 60 — from College of Pacific's "red hot" Tigers. Up to the low sticks the Spartans were "very much" in the meet, but after taking first and second place points in this event, the Tigers went out in front 66 to 60, a lead impossible to overcome at this late point in the dual contest.

There are no alibis from Coach Bud Winter and his crew—it was simply a case of Tiger men coming through where they weren't given a chance and some Spartans not attaining their previous marks. The Tigers were definitely "up" for this meet and proved it by establishing four new meet records and tying two. However, after the meet was over there was a "gleam" in the eyes of the local cindermen that seemed to spell doom for future opponents.

Several outstanding performances were recorded, mostly by the COPers. Jack Kirkpatrick beat out Sparta's Dore Purdy in a torrid 4:23.2 mile. Purdy lost a shoe in the third lap, but continued running and forced Kirkpatrick to keep up a good pace to win. Woody Linn turned in his usual excellent performance in the shot and discus, winning both handily.

Jack and Bill Passey turned in good times in finishing one, two in the 110-yard high hurdles for Spartanville. The Tiger relay team showed their heels to a good Spartan foursome and won in meet record time of 3:21.1.

The summary follows:

1 mile — Kirkpatrick (P), PURDY (SJ), Garmire (P). Time: 4:23.2 (tied meet record).

6440 — Macon (P), HERRICK (SJ), Stokes (P). Time 49.2 (new meet record.)

100 — O'MEARA (SJ), CROWE (SJ), Brooks (P). Time 9.7.

120 high hurdles — J. PASSEY (SJ), B. PASSEY (SJ), Murray (P). Time: 15.0.

880 — Cope (P), Butler (P), NICOLAI (SJ). Time: 1:58.7.

220 — Hardy (P), O'MEARA (SJ), Macon (P). Time: 22.0 (one turn).

2 mile — Richesin (P), Kirkpatrick (P), CHAPMAN (SJ). Time: 9:55.8 (new meet record.)

220 yard low hurdles — Stokes (P), LUMPKIN (SJ). Time 24.7.

Javelin — PORCH (SJ), MARIOTT (SJ), Franceschini, (P). Distance: 177 ft. 1 3-4 in.

Shotput — LINN (SJ), Putnam (P), Hall (P). Distance 50 ft. 2 1-2 in.

High jump — Buck (P), Adams (P) and MORGAN (SJ) tied for second. Winning height: 6 ft. 2 in. (tied meet record).

Pole vault: Kring (P), MATTOS (SJ), HAMILTON (SJ). Height 13 ft. 7 7-8 in. (new meet record).

Broad jump: MAIRE (SJ), GALLAGHER (SJ), Goff (P). Distance: 22 ft. 6 in.

Discus — LINN (SJ), Putnam (P), Smith (P). Distance: 150 ft.

1 mile relay — COP (Cope, Hess, Butler, Macon). Time 3:21.1 (new meet record).

## FRESHMEN WHIP SCVAL TRACKSTERS

San Jose State's frosh trackmen ran into some unexpected opposition Saturday, but still turned back a squad officially labeled the Santa Clara Valley Athletic League high school all-stars, 65-48 on the Spartan oval. The only league representatives to make an appearance, however, were Fremont and Campbell.

Fremont's Jim Mesa, brother of the Spartans' ace pitcher Pete Mesa, came through with a triple win to top all other performers in the meet. Mesa took the 100 yard dash in 10.1, the 220 in 22.1 and leaped 20 ft. 5 in. in the broad jump for his third victory.

San Jose's Don Smalley, ineligible varsity sprinter, unofficially copped the dashes in 9.9 and 21.9.

Other top marks were registered by the Spartans' John Jones who spun the discus out 138 ft. 2 in.; Bob Sorem skimmed over the 120 yard high hurdles in 15.5, and repeated in the 180 yard lows, winning in 20.8.

## SJS Tennis Team Edges Out Gators

The rapidly improving Spartan tennis team chalked up its fourth straight win by defeating San Francisco State, 5-4, Friday. The State netters reversed an earlier loss handed them by the Gators in San Francisco.

Bob Phelps and Dick Russo saved the day for San Jose State by edging out their doubles opponents in an exciting 13-11 set. The meet was all even up going into that final set.

Ed Terry, Bob Phelps, and Jim Cruze won their singles matches, while Franco and Terry, and Russo and Phelps scored doubles victories. The Gators' top two men, Joe Wolsom and Art Chippendale registered singles triumphs over Chet Bulwa and Gene Franco. Keith Nelson dropped the other singles loss to S. F. State.

## SJ Wins Three From Aztec Nine; Santos Hurls One Hitter

Highlighted by Bob Santos' one hit performance, San Jose State's baseball team got off to a blazing start in C.C.A.A. play over the weekend by sweeping a three game series with San Diego on the Aztec's diamond.

Friday, the Spartans copped their initial win 4-3, and the following day Coach Walt Williams' nine dumped San Diego in a double header by scores of 9-5 and 7-0, the latter a seven-inning contest.

Santos chucked near perfect ball for six innings, with only a single in the final inning. He struck out five batters, while his mates were pounding two San Diego twirlers for nine safties. Each squad committed a single error.

Pete Mesa pitched the opening game of the double header and set San Diego down with six hits. The Spartans teed off on four Aztec hurlers in this game, banging out 15 base knocks.

## Jazz Band, Dinner, Open WSSF Drive

Today is the day. The World Student Service Fund drive officially begins with a jazz concert and a kickoff dinner getting it under way.

The jazz concert, featuring Freddie Dutton's band, will begin at 3:30 this afternoon in the Men's gym, Dick Cirigliano, chairman of the event, announced. There will be no admission charged, but girls will circulate among the audience during the concert to solicit funds for the WSSF, Cirigliano stated.

The kickoff dinner will begin at 5:30 this evening in the basement of the Grace Baptist church, 10th and San Fernando streets.

## WAA Softball Opens Tomorrow

WAA softball season will get under way tomorrow afternoon when teams will meet at 4:30 on the San Carlos turf, according to Bonnie Myers, softball manager.

All softball captains are asked to check the schedule of games on the bulletin board in the Women's gym as soon as possible.

Teams scheduled to play tomorrow are:

## Veterans Warned To Check Policies

Veterans were warned today to give their National Service Life Insurance policies "periodic three way checks" to insure that they are consistent with the veteran's plans, obligations, and incomes.

According to the directive issued by the VA Information division, the three way check should cover: (1) beneficiaries, both principle and contingent; (2) manner in which proceeds are to be paid to beneficiaries; and (3) amount and type of NSLI in force.

# WSSF Champion Will Get Trophy

HARRY LANGFELDER

A gold trophy cup will be awarded to the organization making the highest per capita donation in the World Student Service Fund campaign, Dick Cirigliano, WSSF Award chairman, announced recently.

The 22-inch trophy was donated to WSSF by Harry Langfelder, San Jose jewelry store owner.

"I am proud and happy to be able to help such a worthy cause as the World Student Service Fund," Mr. Langfelder said.

The jeweler will unveil and present the trophy to WSSF at its kickoff dinner tonight at the Grace Baptist church, Cirigliano said.

The trophy will be a perpetual award. Each year the name of the winning organization will be engraved on the base, Cirigliano pointed out.

During the fund drive the trophy will be on display in the window of Langfelder's store, next to the Mission theater.

## VA Grants Vets 15-Day Extension

Veterans in training under P.L. 346 will be granted an automatic 15 day extension of status at the close of an enrollment period—if enough entitlement remains. Miss Stella Barreto of the Veterans office announced recently.

"Entitlement is charged," she said, "and authorized subsistence allowance is paid for this extension. This means that 15 days come off a veteran's entitlement and he receives pay for this period."

Miss Barreto explained that veterans enrolling in summer session will automatically receive subsistence for their 15 day leave at the end of that session. Otherwise, she said, all other veterans will be paid subsistence at the end of the Spring Quarter.

"If a veteran wishes to decline this extension," she continued, "he may do so by notifying the Veterans Administration via forms obtainable in the Veterans office, room 32." She warned, however, that these forms must be filled out by May 1.
