

# Spartan Daily Spardi Queen Finals Today

San Jose State College

Volume XXXVII

San Jose, California, Tuesday, May 31, 1949

Number 144

## Frosh Make Preparations

Free coffee and do-nuts will be the theme for the Spardi Gras breakfast dance being sponsored by the freshman class this Friday. Shown making the necessary preparation, reading left to right, are Barbara Rose, Catherine

Schmitz, Barbara Harvey, Kathryn Seastrand, and Betty Ishumatsen.

The dance will be an admission free affair and promises to be one of the larger undertakings that the freshman class has sponsored

this year. The dance will start at 9 a.m. and continue until 11 a.m. It is to be held in the Women's gym. Co-chairmen for the affair are Kathryn Seastrand and Catherine Schmitz.

## Science Dept. Invites General Inspection

Numerous exhibits and demonstrations will be offered by the Natural Science department of San Jose State college June 1-4 in connection with the college's celebration of the California Centennial. Dr. Carl D. Duncan, acting department head, announced. Photography, physics, chemistry, geology and the biological sciences will be featured in exhibits next week in the Science building.

Special exhibits and activities will be offered by each of the sciences. A general open house with classes open to the public will be featured Thursday, June 2, Dr. Duncan said. Advanced students or faculty members will conduct visitors through laboratories and explain class activity. Laboratories in session will be labeled.

General exhibits will include polarized light, fluorescence, electricity, fossils, weather, live and mounted insects, wild flowers and charts and models.

Each section in the department will offer special exhibits. The chemistry section will demonstrate several processes including soap making. The physics section will show the phenomena of sound and demonstrate other physical laws. Cutting and polishing of semi-precious stones will be shown by the geology section. The zoology section will feature living reptiles and mammals besides a demonstration on the process of dissecting specimens.

The entomological section will show methods of mounting insect specimens, and methods of insect identification. Working models of the eye and correction of optical defects will be demonstrated by the anatomy and physiology students. They will also exhibit physiological equipment and experiments with living tissues. The forestry section will display specimens of typical forest trees.

Alumni of the college returning Saturday, June 4, for the annual Homecoming day, will be invited to visit the Science building while they are on campus.

## 'Rose' Ticket Sale

Tickets are available for "Rose of the Rancho" in the Speech office, room 57, Speech department secretary Miss Helen Mineta reported Friday.

## Dr. William Graf To Present Display

A display on condors will be presented to the Science department next week, according to Dr. William Graf, assistant professor of zoology.

Recently Dr. Graf and a friend, Mr. Alfred Wool, a rancher, spent three days camping near Fillmore, Calif., in the Sespe river district, observing condors and studying their habits. "This district has many cliffs cut in the soft lime-stone," he stated, "and the birds use the large caves which have been formed, for roosting and nesting." He added that the birds have an average wingspread of 8½ to 9 feet, and that the greatest wingspread found has been 10½ feet.

The instructor pointed out that the turkey vulture has only a wingspread of 5½ to 6 feet and is smaller although it is very often mistaken for the condor. "The condors usually weigh from 20 to 25 pounds," he said, "and their young don't leave the nest until they're a year old." Dr. Graf concluded by stating that these birds are semi-extinct and protected by federal law.

## Seniors Get More Grad Notices

Seniors will have a change to purchase additional graduation announcements today through Thursday in the Student Union, according to George Link, senior class prexy.

Link said the class of '49 had been able to underwrite the purchase of 400 additional announcements. These will be rationed at eight per person while they last.

Times for sale will be 11:30-3:30 today and Thursday, and 9:30-12:30 tomorrow.

## College To Present DeMille Production On Early California

"California's Golden Beginning", an historical film, will be shown three times during the California Centennial celebration at SJSC, announced Mr. Lowell C. Pratt, Centennial committee chairman.

The first showing is slated for Thursday, June 2, at 3:30 in the college Little Theater. On Saturday, June 4, the movie will be exhibited at 10:30 and at 11:30 to alumni in the same location.

Produced by the California Centennials commission in cooperation with the State department of Education and the motion picture industry, the two-reel film features many noted character actors. Cecil B. DeMille directed the large cast.

The documentary film depicts the events that precede and follow the discovery of gold at Sutter's mill in 1848.

The commission has presented a copy of this film to the college.

## Phelan Winners

Additional winners in the Phelan competition, free verse division were: First, Alvin Johnson, "Odyssey"; second, Petra Pirrung, "Last Night"; third, Russell Freedman, "The General Pays His Respects"; and fourth, Russell Freedman, "Some Leaves Refuse to Fall."

## June 16-24 Planned as Eventful Week for 1949 SJSC Graduates

A week containing the "most lavish program ever planned by a senior class," according to George Link, senior class president, lies in store for members of the class of '49 soon after the passing of Spardi Gras.

The big time starts with a rehearsal for Baccalaureate Thursday, June 16, at the Little Theater and proceeds in this order:

Saturday, June 18: Senior Ball in the Gold room of the Fairmont hotel. Music by Ray Hackett. Bids will be \$2.40.

Spartans face the trying task today of choosing between Miss Charleen Chew from Los Gatos, and Miss Mary Lynn Brandt from San Leandro as the 1949 Spardi Gras queen. The polling places, located in the Student Union, will remain open until 4:30 this evening for the anticipated record vote. Regardless of the outcome, both

## Memorial Day Talk Points For Peace

By DICK WATRY

An inspired Memorial Day program was highlighted by the address of the Rev. Howard Thurman, pastor of the Church for the Fellowship of All Peoples, San Francisco, in the Morris Dailey auditorium Friday.

It was a responsive, house-packed audience who heard Dr. Thurman discuss "The Quest For Peace," in which the listeners were told of various ways that man has sought peace.

"Freedom, declared Dr. Thurman, "is essentially the sense of alternatives and man can always have the alternative of dying." Men have always sought peace through violence, Rev. Thurman said, but have always discovered that there is no real winner in a war.

"Hatred too, has been a means used in the seeking of peace," the noted pastor said, "but, violence, is never successful, for primarily, it violates the integrity of the dignity of man."

Dr. Thurman declared that men used hatred as a "moral device" to protect themselves against moral disintegration and that at an historical moment men would hide behind the thin-veiled shield of hate to atone for their wrongdoings. This, he said, is nonsense.

"Peace," exclaimed Dr. Thurman, "is a bi-product of righteousness of economic and political justice.

"If there is a God then there must be integrity in the moral order, and men will reap what they sew. Violence and fear will beget the same, if not, there is no moral order."

## Breakfast Flight Is Last For Club

"Only three more days remain in which to make reservations for the last organized flight sponsored by the San Jose State flying club," warned Tom Wall, flight chairman.

"Our flying club has been a going organization since 1946 but we're closing up shop as a group with this flight to Capitola next Sunday, June 5," Wall said.

Any student at San Jose State may attend the early morning breakfast flight, according to Wall. The flyers will leave from the Student Union building at 7 a.m. for the airport from where they will fly to Capitola for breakfast, returning to San Jose by 11 the same morning.

Reservations may be made by contacting Wall before Thursday evening, June 2.

girls will be substantially rewarded. The winner, of course, will reign as queen, and the loser, along with third place finisher, Nan Hartley, will act as attendant.

In the primary voting Thursday, Miss Chew polled 494 votes to 424 for Miss Brandt. Nan Hartley, the Theta Mu Sigma and Delta Gamma entrant, received 390 votes.

Miss Chew, who was born in Kalamazoo, Michigan, has light brown hair, is 5 ft. 2-in. tall, and is 20 years old. She is backed by

## Animals Out!

No animals of any sort will be used in the Spardi Gras day parade, it was announced by parade director John Gregory. All participating organizations are asked to comply.

her sorority, Chi Omega, and the Delta Upsilon fraternity.

Mary Lynn Brandt, a Kappa Kappa Gamma sorority member, is 20 years old, has light brown hair, and is 5 ft. 4½ in. tall. Besides her sorority, she has the backing of Kappa Alpha fraternity.

The total student vote cast in the primaries of 2077 is expected to be exceeded in today's balloting. Final results will not be available until late tonight.

## Difficulties Delay Expansion Plans

The proposed expansion of San Jose State college is meeting delay because of the difficulties encountered in acquiring property, according to President T. W. MacQuarrie, who returned recently from a conference in Sacramento.

Construction of the proposed Music, Speech, and Engineering buildings must wait until property bounded by Seventh, San Fernando, Ninth and San Carlos streets is acquired by the state, Dr. MacQuarrie learned. While about half of the property has been purchased, negotiations for the remaining parcels are moving slowly.

## Spartan Shop Has Grad Caps, Gowns

Seniors may rent caps and gowns this week at the Spartan Shop for Baccalaureate Sunday. Outfits will rent for \$2.50 plus a \$2.00 deposit.

The gowns must be returned to the stadium field house immediately following Commencement, so that students may be sure of getting the full deposit back.

Off campus students who wish to participate in the exercises may mail in their height and chest measurements and their head size to the Spartan Shop along with the rental fee.

quet at the Scottish Rite temple. Free for seniors but guests will be charged \$2.50.

Friday, June 24: Commencement at Spartan stadium. Address by Dr. Roy Simpson, state superintendent of schools.

Tickets for all senior activities will be available starting next Monday in the Graduate Manager's office. Seniors wishing to attend the activities must present receipt of their \$10 graduation fee. The only exception to this will be bids for the ball.

Sunday, June 19: Baccalaureate, address to be given by Dr. Thompson, president of the College of Puget Sound.

Monday, June 20: Senior day at Old Hearst ranch.

Tuesday, June 21: Faculty reception in the Inner Quad.

Wednesday, June 22: Senior Beach day at Santa Cruz, to be preceded by a Commencement rehearsal at the stadium.

Thursday, June 23: Senior ban-

# Dr. Cavins Names Nature Teachers

Instructors for each of three West Coast Nature school sessions this summer have been announced by Dr. Gertrude Cavins, nature school registrar.

The staff for the Sequoia session includes Drs. Victor Peterson, Wayne Kartchner, Matthew Vessel, Robert Rhodes, Carl Duncan, and G. Alexander McCallum. From July 3-9 at Fallen Leaf the staff will consist of Drs. Peterson, Duncan, Rhodes, and McCallum, with the addition of Miss Emily Smith.

The final session at Asilomar will find the same group from Fallen Leaf instructing with the addition of Mr. Rocci G. Pisano. Dr. Cavins will attend all three sessions as registrar.

According to figures released by Mrs. Margaret Guenther, science office secretary, 123 persons have already registered for the Sequoia session, including a large, organized camping group from San Jose State college. Registration for Fallen Leaf and Asilomar is slightly below this figure.

"Registration for all three schools will remain open until the quota for each particular trip is filled," Mrs. Guenther said. "Those who have signed up for the camping group at Sequoia should pay their food money before the first meeting of the group on June 2."

There will be camping facilities available at Fallen Leaf as well as Sequoia, but no organized group has been formed for this second trip.

"June 10 has been set as the deadline for refunding registration fees to students who have paid but cannot attend any of the sessions," Mrs. Guenther said.

# THRUST AND PARRY

Dear Thrust and Parry:

Something should be done about the crowded stairway from the commerce wing. Some sort of a solution might be seen in the flight of stairs recently built for the Drama department production of "Rose of the Rancho" to be shown June 2, 3, and 4 in the inner quad.

The stairway leading from the second floor hall to the temporary stage could be preserved to relieve the over-crowding. It looks sturdy and is just as large as the one exit from the commerce wing.

In case of any sort of disaster—fire, flood earthquake, or what have you, the present stairway would become a death trap.

If a stairway could be built so quickly for a play, there is no reason why something could not be done for the jammed condition holding sway on the commerce wing stairs.

Keep the drama department's stairway or build another—put it out a window or over the railing of the second floor hall down into the inner quad—but do something before tragedy strikes.

—ASB 6586  
(Bob Boden)

## Boessing To Talk

Lothar Boessing, San Jose State college student from Germany, will speak on conditions in Germany after World War II at a meeting of the International Relations club today, in room 107 at 3:30.

"Boessing," IRC president Juan Ameglio said, "has first hand information about the conditions in Germany after the war." Boessing served with the American army as an interpreter after being captured. Previously he served with the German army ground forces. He is studying engineering.

## Announcements

DELTA SIGMA GAMMA: Special meeting today, 7 p.m., fraternity house, 703 S. Third street. Wear work clothes.

PHI ETA SIGMA: All members planning to attend the initiation banquet June 7, please sign up outside room B-11 immediately.

ETA MU PI: Meeting tonight, 6:15, Lucca's restaurant, on the Alameda. Barbecue plans will be discussed.

SENIOR CLASS, ATTENTION!: Graduation announcements may be picked up or bought today, 11:30-3:30 p.m., Student Union. Bring receipt.

INTERNATIONAL STUDENTS ORGANIZATION: World-wide movies to be shown tonight by Mr. G. Fossin from Belgium. Grace Baptist church basement, 10th and San Fernando streets, 8 p.m.

DTO: Meeting tonight, 7:30, fraternity house. Bring your vests.

DELTA ZETA: Meeting tonight, 7:30, usual place.

GAMMA PHI BETA: Meeting tonight, 470 S. 11th. Dinner 5:30, house meeting 6:30, chapter 7:30.

SPARTAN SPINNERS: Dance under stars tonight. Beginners, 7:30; advanced, 8:30. Exhibition rehearsal at 9.

SPARTAN SPINNER EXECUTIVE AND CENTENNIAL COMMITTEES: Wilson's office tonight at 7 sharp.

## Classified Ads

Classified advertisements may be placed in the Spartan Daily office B-93 Monday through Friday, holidays excepted, between 11 a.m. and 1:30 p.m.

# Homecoming To Honor Old Graduating Classes From San Jose State

Graduating classes of 1899, 1924 and 1939 will be honored on Homecoming day, Saturday, June 4, as the climax to a four-day celebration of California's Centennial here, according to Mr. Lowell Pratt, centennial publicity chairman.

This annual recognition of graduates of 50, 25, and 10 years ago will follow three days of musical, dramatic, athletic, artistic and social events commemorating California's 100th birthday.

Breakfast meetings sponsored by college organizations will begin Homecoming day for the alumni. A golf tournament at Hillview Golf course will begin at 8:30 a.m. for alumni.

### Morning Activities

Several activities will take place from 10 a.m. to 12:30 p.m. Golden Grads, those who received degrees 50 or more years ago, will meet in the Art building with Chairman Carrie Williams. "California's Golden Beginnings," a color movie, will be shown after they meet. From 11:30 to 12:00, Miss Mary Hooton will present excerpts from her 1949 Swim Show in the college pool. Mrs. Betty Ketman will perform on the college chimes from 12:00 to 12:30 p.m.

Alumni may visit the exhibits about the college commemorating Centennial week until 4 p.m.

The traditional luncheon, business meeting and variety program will take place in the outer quad at 12:30. President Robert Schulenburg, '38, will be chairman.

Miss Rose Filice, '46, is general alumni chairman for the day. New officers of the association will be introduced at the luncheon. Dr. James DeVoss is guest speaker. Dean Paul Pitman will give the invocation and Dr. T. W. MacQuarrie also will speak. Presidents of Alumni association chapters will be invited to give brief reports of unit activities. Honor classes also will be recognized.

### P. M. Schedule

Afternoon entertainment open to alumni includes the elementary school folk dance festival at 2:30 and an intercollegiate folk dance festival at 3:30.

Exhibition dancing is scheduled for 7:30 p.m. in the Civic auditorium as part of the folk dance festival. "Rose of the Rancho" college outdoor play, will be performed for the last time at 8:15 p.m. in the inner quad.

The Santa Clara county chapter of the Alumni association will sponsor a sport dance at McGinty's barn on Bascome avenue from 9 p.m. to 2 a.m. to conclude the alumni events.

Mrs. Viola Platt and Mrs. Dot Nelson Bartlett will head the reception committees, with Mrs. Alice Connelly Harris greeting the honor class of 1899. Hostess for the honor class of 1924 will be Miss Catherine Wallace, and Jack Marsh will greet the honor class of 1939.

## Rehearsals Begin For 'Rancho' Show

Dress rehearsal of the outdoor centennial show, "Rose of the Rancho" started Sunday afternoon in the inner quad, Director James Clancy reported.

All the costumes have arrived from San Francisco, and this story of the romantic west has but two more full dress rehearsals before opening at 8:15 p.m. Thursday.

Stage construction has been completed, commented Dr. Clancy, and on opening night "Rose of the Rancho" will be the college's offering, western style, to California's Centennial year.

## Centennial Concert Features Spartans

Four students will appear as soloists when the SJSC Music department presents its concert in the Civic auditorium, Thursday evening, June 2, according to Mr. Lowell Pratt, Centennial publicity chairman.

As one of the major events of the college celebration of the California Centennial, the concert will feature the symphony orchestra and the cappella choir with Mr. Thomas Ryan of the music faculty as piano soloist in Edward MacDowell's Concerto No. Two in D Minor.

The solo parts in "Serenade to Music" by Vaughn Williams will be sung by Miss Gloria Surian and Wesley Walston, members of the cappella choir. The words are from the fifth act of Shakespeare's "Merchant of Venice."

Miss Surian graduated from Campbell Union high school and is a sophomore voice major from Los Gatos. Walton is a senior music major from San Jose.

Miss Elizabeth Pitman will appear as piano soloist in the concluding number on the program, "The Rio Grande," by Constant Lambert. She is a sophomore modern language major from San Jose. Vocal soloist in "The Rio Grande" will be Miss Priscilla Phillips, a junior music major from San Mateo.

## Squadron C Flight Wins ROTC Prize

The Second Flight of Squadron C was named the outstanding ROTC flight during the 30 minute KJSJO broadcast of the Military ball Friday evening. The radio show originated from the Empire room of the Hotel Sainte Claire where the second annual military affair was held.

A 15-inch perpetual trophy, donated by the Silver Sabers, was presented to Cadet Lieutenant Carl Lindner, Flight Commander, by Queen Francis Chiala.

"The Military Ball this year was undoubtedly the greatest social event in San Jose State's history," said Silver Sabers' President Al Rosenga.

# List Events For Centennial Week

Following is the complete official program of State's celebration of the California Centennial, June 1-4, as released by the office of public relations:

## Wednesday, June 1

- 6:30 p.m. Boosters' club barbecue, Women's gym.
- 8:00 p.m. Intra-squad football game, Spartan Stadium.

## Thursday, June 2

Art exhibits in Library and Art building.  
Open house in Natural Science department, exhibits and demonstrations, open all day.

Open house in Home Economics department.

- 10:30 a.m. Academic assembly, Morris Dailey auditorium.  
Speaker: Dr. Robert Glass Cleland, California historian.  
Music by symphonic band. Classes dismissed for this hour only.
- 12:15 p.m. History club luncheon for Dr. Cleland in cafeteria.
- 1:00-4:00 p.m. Art department will entertain high school students who have been invited to see art exhibits.
- 1:30 p.m. Recognition assembly, Morris Dailey auditorium.
- 3:30 p.m. Showing of California Centennials commission film, "California's Golden Beginnings," Little Theater, by California Student Teachers' association.
- 8:15 p.m. "Rose of the Rancho," inner quad.
- 8:30 p.m. Concert by symphony orchestra, a cappella choir and soloists, Civic auditorium.

## Friday, June 3, Spardi Gras day — NO CLASSES

- 9:00-11:00 a.m. Dance in Women's gym, fashion show, Morris Dailey auditorium; sports movies, S112.
- 11:00-12:00 Noon Bean feed, barbecue pit.
- 12:30 p.m. Parade in business district.
- 1:15 p.m. Coronation of Spardi Gras King and Queen.
- 4:00 p.m. Entertainment.
- 6:30 p.m. Joint meeting of women physical education majors and Tau Gamma, Catholic Women's center.  
Speaker: Miss Winifred Van Hagen, former consultant in physical education in State Department of Education, Announcement of the Alice Bassler Memorial scholarships.
- 8:15 p.m. "Rose of the Rancho," inner quad.
- 9:00 p.m. Spardi Gras ball, Civic auditorium.

## Saturday, June 4, Homecoming day

- 9:00 a.m. Home Economics department alumni breakfast, college cafeteria.  
Miss Bertha V. Akin, chief of the bureau of homemaking education, State Department of Education, will be the speaker and guest of honor.
- 9:30 a.m. Registration of alumni.
- 10:00 a.m. Annual breakfast and initiation of Epsilon Pi Tau, Industrial Arts Honor society, Student Union.
- 10:00-12:00 Noon Golden Grads meeting in room A1.
- 10:30 and 11:30 a.m. "California's Golden Beginnings," Little Theater.
- 11:30 a.m. Swim show, Men's gym.
- 12:30 p.m. Alumni luncheon, outer quad.
- 2:30 p.m. Elementary school folk dance festival, San Carlos turf.
- 3:00 p.m. Intercollegiate folk dance festival, San Carlos turf.
- 5:30 p.m. Wiener roast supper for college folk dancing groups, Women's gym, sponsored by College Patrons' association.
- 7:30 p.m. Folk dance festival, Civic auditorium.
- 8:15 p.m. "Rose of the Rancho," inner quad.
- 9:00 p.m. Santa Clara county chapter, alumni association, will sponsor a dance in McGinty's barn.

## Dr. Jones Announces Home Ec To Receive Centennial Visitors

Visitors will be welcome in the home economics department on Thursday, June 2, during the centennial celebration, Dr. Margaret Jones, department head, announces.

The classes and laboratories located on the Seventh street side of campus will be open on that day.

Many varied exhibits will be displayed in the laboratories. The nursery school will be in session from 10:30 a.m. to 1:20 p.m.

Visitors may observe the children at outdoor play from 10:30 to 11:30 a.m. The home management apartment may be visited between 2:30 and 4 p.m. Thursday.

The department will entertain alumni at a 9 a.m. breakfast in the cafeteria on Saturday, June 4, Homecoming day.

Miss Bertha V. Akin, chief of the bureau of homemaking education of the state department of education, will be the special guest on this occasion. She will speak to the group on the topic, "The Progress of Homemaking Education in California."

## Tests to be Held During Dead Week

Dead Week at San Jose State college will be marred by one day of finals, according to a release by the Examination committee after a meeting last week.

Dr. Harrison Heath, committee chairman, said that some departments had requested permission to hold examinations on Monday of the week preceding finals. "It is expected," he said, "that only a few early finals will be given. All departments wishing to schedule them should inform the Examination committee."

Dr. Heath added that this change does not establish a precedent, but is necessary because of the centennial celebration and other interruptions this quarter.

Dr. Raymond Mosher, Dr. Raymond Barry, Dr. Irene Palmer, Dr. William Poytress, Mr. Elmo Robinson, Dean Joe West, and Miss Viola Palmer are members of the Examination committee.

## Spanish Songsters To Perform in Play

Eight members of the Spanish Tertulia group will sing "Chiapanecas" in "Rose of the Rancho" while Mary Ellen Wise will dance accompaniment.

Preparations will be made for their part in "Rose of the Rancho" during their meeting Tuesday at 2:30 in Morris Dailey auditorium, according to Mrs. Jeannette A. Alk, assistant professor of modern languages.

At the meeting, Robinett Woodside, a Spartan Spinner, will teach members folk-dancing. Mrs. Alk said that the students "enjoyed very much" the Mexican folk-dance taught by Miss Woodside at the last meeting.

Half of Tuesday's activities will be devoted to dancing, while the other half will be a rehearsal for "Rose of the Rancho."

## Home Ec Gals Visit De Young Museum

A field trip to the M. H. de Young museum at Golden Gate park in San Francisco culminated the study of period style furniture made recently by the Home Furnishings class.

"This museum is particularly interesting because it deals with furnishings as well as furniture, and is very complete," Miss Martha Thomas, instructor, said.

Seventeen girls who made the trip were guests of Miss Thomas at the Japanese Tea Garden in the park. The tour was arranged by Dr. Moses, assistant curator of the museum.

Among the most interesting displays the girls saw, according to Miss Thomas, were two new rooms, one 18th century Swiss-Italian, the other 18th century French. These rooms were completed recently.

"The trip was fully satisfactory, and well worthwhile," Miss Thomas reported. "We will probably return sometime."

## POP Issues Annual

The yearbook just released by Pi Omega Pi, honorary commercial teachers' fraternity, is one of the best yearbooks the organization has ever produced, Dr. Earl W. Atkinson announced yesterday.

The book contains a list of all former members of the fraternity and their teaching addresses. It also contains squibs about various personalities, faculty, students, and alumni.

A few copies of the book are still available in the Commerce department.

## 'Valley of Dry Bones' Is Centennial Topic

Dr. Robert Glass Cleland, one of California's outstanding historians, will speak to faculty and students on the subject, "The Valley of Dry Bones" Thursday, June 2, at 10:30 a.m. in Morris Dailey auditorium.

Dr. Cleland's address will deal with the significance of California history and the desirability of a greater knowledge of it on the part of student and layman alike, Lowell Pratt, Centennial chairman, said.

The college band, directed by Forrest J. Baird, will play two selections. The historian will be introduced by Dr. T. W. MacQuarrie, college president.

Born in Shelbyville, Ky., Feb. 19, 1885, Dr. Cleland graduated from Occidental academy, Los Angeles, in 1903 and from Occidental college in 1907. At Princeton university in 1912 he received his Ph.D. degree. Coe college in 1941 and Occidental college in 1942 granted him honorary degrees.

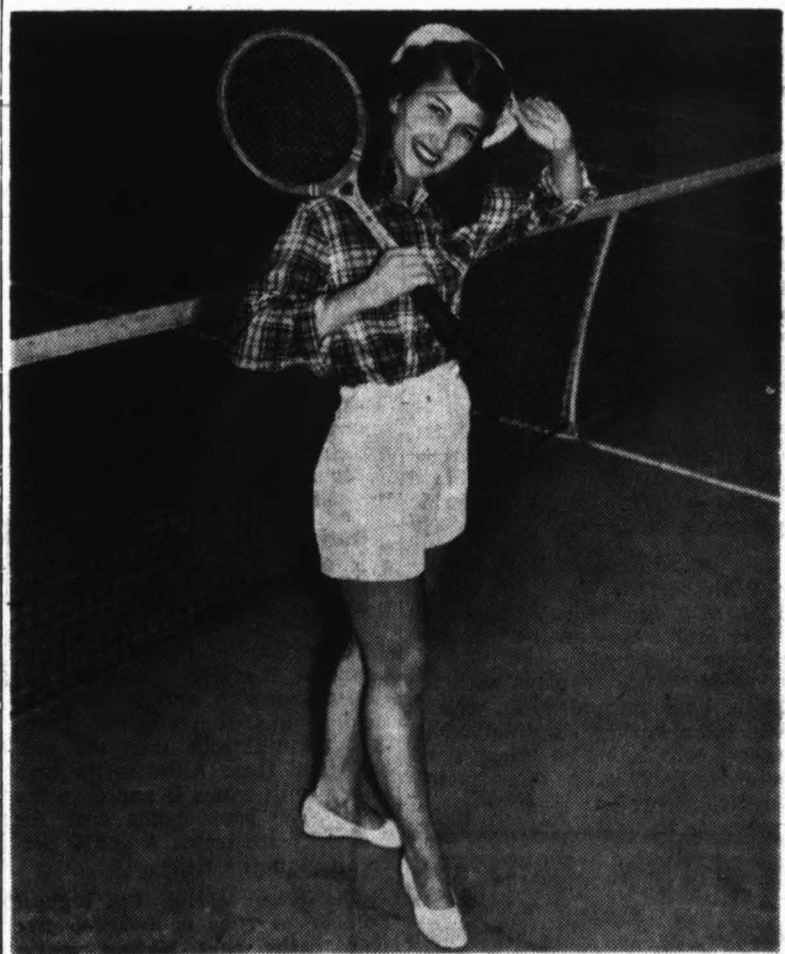

For more than 30 years, Dr. Cleland was a member of the faculty of Occidental college where he was the Norman Bridge professor of Hispanic-American relations. He also served as vice-president and dean of the Occidental faculty.

He has been a member of the research staff of Huntington library at San Marino since 1943. He has authored six books on California history. His latest, "California Pageant," was published in 1946.

# Linn Boasts Varied Athletic Career

## Local Teaching-Coaching Job Is Sought After Graduation

By HANK PLYMIRE

Woodson Linn—what a familiar sight that man is around the Spartan campus; always ready with his amiable grin and greeting for one and all. Linn, called "Woody" for short and now a senior in his last year of sports' competition at San Jose State, is noted for his physical stature. But, looking a bit deeper into his past and present history, we find him with a list of attainments and capacities that would put the average size and supposedly more agile athlete to shame.

His top performance is with the Greek platter—the discus—an instrument that Linn's well coordinated 6 ft. 4 in., 300 pound frame has propelled 162 ft., tying the San Jose State record. In the Olympic tryouts last year, he placed 12th—not bad considering the competition.

**Shot Put Star, Too**

Almost equally good with the shot, Linn holds the college record in this event with a toss of 50 ft. 9 in. The terrific heave was made in the Stanford meet this season.

According to Bud Winter, San Jose State track coach, Linn could be a champion if he'd get down to business. The mentor observes that Woody is a "Saturday performer"—an athlete who rarely reaches his maximum distances in practice, but when in competition comes through with point scoring efforts in almost any company.

During the 1948 football season Linn set a national college record for on-side kicks, when he booted four out of five in one game. He proved a valuable cog in Coach Bill Hubbard's grid machine as a kicking specialist. In addition to his on-side kicks, Linn was adept at sending the pigskin far and hard on kickoffs.

At Santa Clara high school, Linn earned letters in football, basketball, track, baseball, and tennis and was president of his junior and senior classes. At San Jose State, he has made four track awards and one in football.

Woody won't graduate until after the coming football season and announced recently that he was going to use his grid eligibility this fall.

**Infantry Vet**

A veteran of two and a half years in the infantry during the recent war, Linn saw duty in the Pacific area.

Last year he was sledding in the college tennis tournament until Winter had him forego the tourney because of froge.

After graduation—with a general secondary—he hopes to teach and coach in the Santa Clara valley or surrounding territory. Linn also expresses a desire to get into radio announcing, either full time or in addition to teaching and coaching.

His sole hobby, according to him, is singing with the "Garden City Men", but reliable campus observers say that a certain State college beauty occupies a sizeable portion of his time.

**More Records Maybe**

With several track meets left, Linn may add to his laurels with more record breaking performances in the discus.

Woody is also capable with the 32-lb. hammer and 56-lb. weight, which he heaves respectable distances considering he doesn't practice regularly with these instruments.

## Here He Is Again

**WOODY LINN**, mountainous weight man for the past three years on the Spartan track team. Linn holds the school record in the shot put of 50 ft. 9 in. and shares the discus standard of 162 ft. with Ray Overhouse. This is his final year of competition.

## Consolation Loop Begins Play Soon

A consolation softball league will commence play after Spardi Gras, and will consist of nine teams. Each team will submit the names of seven players only, and no changes will be allowed after the list is filed.

Only five players will play at any one time, and any of the seven listed may bat whether he fielded or not.

For example: There are three teams, A, B and C. The ten fielders of teams A and B take the field, team C comes to bat. Team C bats until nine men are out, and then team A takes its turn at bat with teams B and C in the field. The same holds true for team B, with teams A and C performing in the field.

The team scoring the highest number of runs is awarded five points, the next highest scores three points and the lowest team is given one point. If a tie occurs, the points will be divided equally.

This method of playing provides for the maximum of baseball situations. It also provides for the greatest amount of cooperation with the other eight teams, according to Coach Ted Mumby who is organizing the circuit.

## A TROPHY TOO

# Crowe Easily Wins Pentathlon Event; Kazarinoff Second

By CARL UNDERWOOD

Bobby Crowe loafed through a 2:12 half mile, final event of the first annual San Jose State Pentathlon Friday afternoon to capture the individual championship and a 12-inch trophy that went with it. The all-around track and field performer finished with a total of 446 points, 35 more than his nearest competitor, Connie Kazarinoff, who ended up in second spot.

Crowe's performances in the five Pentathlon events were as follows: high jump—5 ft. 9½ in.; 100 yard dash—9.6; shot put—36 ft. 5½ in.; broad jump—24 ft. 1 in.; and 880—2:12. The 9.6 century was one of the top efforts on the Pacific Coast this year, and tied Crowe's all-time best mark. His broad jump was the best leap recorded by a Spartan since 1942.

Kazarinoff, perennial high jumper who is a graduate student at San Jose State, and former member of the Spartan track team, recorded another topnotch mark when he leaped 6 ft. 5½ in. last Monday. His other performances were somewhat below this standard, but in view of his many years of competition, were more than creditable.

Tom Birmingham, also an ex-Spartan track star, moved into third position by negotiating the 880 in 2:11.2. Stu Inman churned the half in 2:06, best mark of the day, advancing him from twelfth to a tie for sixth.

Final results of the first 20:

Bobby Crowe 446; Connie Kazarinoff 411; Tom Birmingham 396; Junior Morgan 387; Ivan Bland 384; Steve O'Meara 380; Stu Inman 380; L. W. Hall 370; Dan Sawyer 367; Don Sorem 366; Walt Lumpkin 358.

Dave Marriott 357; Bob Nicolai 349; Bill Niggemeyer 341; Robert Buck 338; Warren Eisenberg 317 (didn't run 880); George Waxham 316; John Avila 313; Bill Passey 309 (didn't run 880); Robert Menzies 309; Don Biery 309.

## Gridders Awaiting Intra-Squad Game

By BOB SKILLICORN

All's quiet on the Spartan football front, but it's only the calm before the storm.

Tomorrow night at 8 the chips will be down for 59 Spring football candidates when the Blues and Whites clash in the annual intra-squad game at Spartan stadium.

The results of six weeks of intensive practice sessions will be seen as the Blue and White gridgers strive to impress the coaching staff favorably.

Fans who are planning to attend the contest should not expect to see a game that will necessarily be a crowd-pleaser. Coach Bill Hubbard says, "The one and only purpose of this intra-squad game is to allow the coaching staff to choose the players who will be asked to return for fall practice."

Captains Harley Dow and Jack Faulk of the Blues and Whites respectively have been busy instilling spirit into their teams. With the coaching staff carefully watching the actions of each player, spirit and competition should be keen.

Hampton Pool, backfield coach, will handle substitutions for the Blues while Bob Bronzan, line coach, will substitute for the Whites.

The game will provide State football fans with an opportunity to see how the newcomers to the squad stack up with the returning

# SJS Linksmen Swamp COP In Final Match

## FIRST UNDEFEATED SEASON ENDS FOR COACH DUINO'S GOLF SQUAD

San Jose State's "Golden Golfers" rang up the first undefeated season in school golfing history and at the same time bid fond farewell to C.O.P. by scoring a tremendous 26-1 victory Friday afternoon at the San Jose Country club. The Tiger squad began the match supremely confident of scoring an upset but they were never in contention as the Spartan sextet toured the hilly, tricky course in par smashing form.

Capt. Howard Verutti, working on a hunch, started Joe Zakarian, the j.v. ace, in his first major dual meet, and the move proved to be a very wise one. Zakarian shot a blazing 69 to lead both squads in medal play. As good as Zakarian was, he finished only one stroke ahead of teammate Eli Bariteau, and only three strokes ahead of the rest of the Spartan golfers.

Ross Smith and Capt. Verutti finished their collegiate dual meet competition by blanking their opponents with 72's. Ruskin Shepherd and Warren MacCarty also registered 72's.

Buddy Troyer was the only Pacific golfer to pick up a point as he gained one in his match with Eli Bariteau. As a group the Gold and White linksmen played their best team match of the season. Not one man on the team shot over 72.

Following the match the jubilant Spartan team telegraphed the news of their victory and the subsequent undefeated season to their coach Eddie Duino, who is attending the P.G.A. convention in Virginia.

A tentative golf match with Cal Poly was cancelled prior to Friday's meet. The Mustang golfers were beginning their final exams and decided to stow the clubs away for a season.

All that remains for the State golfers as a team is a chance to defend their national title in Iowa at the end of this month. The players will undoubtedly take a well-earned rest this week, but will probably enter special tournaments in the weeks preceding the trip back east.

**Results of the COP Match**  
Eli Bariteau (SJS), def. Buddy Troyer (COP) 2-1.  
Warren MacCarty (SJS) def. Andy Blossom (COP) 3-0.  
Howard Verutti (SJS) def. Fred Solomon (COP) 3-0.  
Ross Smith (SJS) def. Russ Shepherd (COP) 3-0.  
Ruskin Shepherd (SJS) def. Wayne Hardin (COP) 3-0.  
Joe Zakarian (SJS) def. Bob Beckham (COP) 3-0.

**Doubles**  
Bariteau & MacCarty def. Troyer & Blossom 3-0.  
Verutti & Smith def. Solomon & Shepherd 3-0.  
Shepherd & Zakarian def. Hardin & Beckham 3-0.

## Tennis Tournament Enters Second Week

San Jose State's annual tennis tournament swings into its second week of action with several outstanding matches to be played. There were no upsets in last week's tournament run since most of the varsity players drew first round byes.

In the varsity division, Keith Cakebread will meet Jeremy Carlson today in a second round match. Cakebread defeated Alex Rattray 3-6, 6-4, 6-4 to win the right to meet Carlson who drew a bye. Bob Castle also won his first match 6-1, 6-0. Stan Maffey defeated Hugh Hyde 6-1, 6-0 in the final first round match played last week.

In the frosh division, Perry Linder edged out Bob Lagel 7-5; 7-5 to continue after the prize. Several of the varsity stars, Bob Phelps, Dick Russo and Dave Parney are slated for early week matches.

## Off The Wire

REIDSVILLE, N.C. — (UP) — Some golfers break 90 and others break their clubs.

George H. Parker, Jr., had to be different.

He stepped up to the tee recently, uncorked a tremendous drive, wound up off balance — and broke his leg.
