### Registration Increases; Near 800 Predicted

Approximately 7800 students are expected to register today and tomorrow, according to Miss Viola Palmer, registrar. This is an expected increase of close to 800 students over last fall quarter.

With the same registration requirements in effect this year, the Sept. 1 deadline for receiving applications for admission has been overlooked for those students with good reasons for late applications.

### Atkinson New Journalism Instructor

New instructor teaching a new course has been acquired by the Journalism department for fall quarter. The instructor is Mr. Marion Atkinson, and the course is Journalism 170: Magazine Article Writing.

Purpose of the course is to train writers to write features that will sell. Mr. Dwight Bentel, department head, announced that there is room for "a limited number of students" in the class. Class periods are from 3:30 p.m. to 5 p.m. on Monday and Wednesday.

Mr. Atkinson, member of the Screen Writers' guild and Authors' League of America, has published over 600 stories, articles, and novelettes in national magazines. He also wrote the script for the motion picture "Twenty Mule Team" for MGM in 1939.

He lectured at the University of Hawaii on modern newspaper trends and at Los Gatos high school on "the business of writing."

English majors will get preference for enrollment in the new course. Applicants must have a B average in English composition courses and must be able to type.

### Get USF Tickets Before October 12

The Graduate Manager's office urges all student body card holders to procure their tickets to the USF-San Jose State football game before Wednesday, October 12. Tickets will be given today to 1949 student body card holders and students purchasing 1949 ASB cards. The tickets cost nothing, but will be required to gain entrance to the game.

### Housing For Single Men Available This Quarter

There is a bright spot in the fall quarter housing picture for single men, according to Mrs. Izzetta Pritchard, assistant dean of women. There are also a number of near-campus vacancies for girls.

Mrs. Pritchard quoted a great shortage of inexpensive housing for married couples, and families with children. She said there are many apartments for rent, but that the rates are without the means of the average college student.

### New Music Course

Music Appreciation II, a course designed to follow Music 10, will be offered fall quarter. Dr. Lyle Downey, Music department head, announced today.

The course will include a study of symphonies, operas, ballets and chamber music. Students who have completed Music 10 may enroll. Mr. Thomas E. Eagan will be the instructor.

### Commerce Prof Dies After Illness

Guy C. George, 57, associate professor of commerce at San Jose State college, died recently at a local hospital following a short illness.

He was a member of the col-

Guy G. George

lege faculty since 1931. He received his M.A. degree at Stanford university in 1930. Before that he served as a high school instructor in commerce. Mr. George also worked with the U.S. Tariff commission as a copywriter.

George was a past president of the Employees Credit union, regional director of the California State Employees association and a charter member of the Civitan club of San Jose.

Residing at 1029 Carolyn avenue, he is survived by his widow, Mrs. Kitty George, two sons, William George of Scotia and Donald George of San Francisco, and a daughter, Mrs. Helen Sayers of San Francisco.

Private funeral services and inurnment were handled by the John E. Dowdle mortuary.

### Just Among Ourselves

By Dr. T. W. MacQuarrie

Before this day is over a good many of you will be feeling as I did in May, 1917, when I found myself in training camp and getting ready for the First World War. It seemed to me they threw the whole I.D.R. (Infantry Drill Regulations) at us the first day.

I was worried. I had had no previous training, and I could see myself kicked out at the first examination.

Then I had an idea. I looked around me at the other struggling creatures, and I said to myself, "If those guys can do it, I'll bet I can." So my troubles were over.

Sometime today, you may come to the same critical point. Then all you have to do is look about you and say, "If those people (gals, guys, fellows, yokels, birds, bums) can do it, I'll bet I can."

You may have to think a little, but that's what college is for, and it won't hurt you. Our registration procedure is just as simple as we can make it—and still obey the laws of the State.

Of course, we are brutally overcrowded, and that's too bad. I am sorry if some of you will not be able to get the classes you want, but the State has put limitations on us. We can have only so many (Continued on page 5)

### Menges Tosses Three Touchdown Aerials

PROVO, UTAH—(Special to the Spartan Daily)—The San Jose State Spartans, unleashing a bewildering ground and aerial attack in the first and fourth quarters, outscored a game Brigham Young University Cougar here tonight, 40-21.

Spartan quarterback Gene Menges, a brilliant field general this evening, tossed three touchdown passes, two of them in the last quarter after the Cougars had crept to within six points of the powerful San Jose aggregation.

### Blue Key Asks Students to Write Names Legibly

An urgent request for all students registering today and tomorrow to sign their name legibly was voiced today by Blue Key, national honor fraternity. Blue Key will compile the student directory from registration lists and states it is imperative, for accuracy's sake, that each student's name be written clearly so their correct name and address will appear in the directory.

### La Torre On Sale Today And Tomorrow

Copies of San Jose State's official yearbook, La Torre, will be on sale today and tomorrow during registration, according to editor Lou Frangione and business manager Bill Schulz.

The books will be sold in the Men's and Women's gyms, Art wing, Reserve Book room and Graduate Manager's office. Price of the 1950 edition is \$5 a copy, according to Frangione, which may be paid either in a lump sum or a \$2 deposit. Frangione said only 2,000 copies of the yearbook are available and will go on a first-come first-served basis.

This year's La Torre will feature seven colored division pages with attractive camera shots of the campus, the editor said, and will contain many other sections of wide student appeal.

### Two New Major Fields Are Open In Science

Conservation and sanitation major fields have been opened this quarter by the Science department, Dr. Carl D. Duncan, department head, revealed last week. An ambitious curriculum in both fields has been authorized by the State Department of Education.

Careers in conservation and sanitation are wide open, employment information states, with California and adjacent states calling for trained men and women.

### Rally Committee Needs Frosh Aid

An invitation to incoming freshmen to plunge into campus life at once by joining the rally committee was issued today by Glenn Stewart, the committee's chairman.

First meeting of the group will be at 7:30 p.m. Wednesday in the Student Union.

"I want to issue a special invitation to freshmen," Stewart said. "Membership is on a voluntary basis. All that is asked of you is to be present at the first three consecutive meetings. The committee is responsible for activities at all athletic events and rallies. There are many sub-committees on card stunts, art, decorations and entertainment, with vacancies that must be filled."

Students who served on committees last year also are needed to form a nucleus of experienced membership, Stewart said.

The nimble running of BYU halfback Jack Koller kept the Cougars in the game until the last quarter. Koller scored in the second quarter from the 2, and tallied in the final period on a 12 yard dash through center.

Coach Bill Hubbard's Spartans scored the first time they got their hands on the pigskin, fullback Jack Donaldson bulging his way 49 yards off tackle for the counter. Previously Menges had pinpointed end Junior Morgan on the goal line from the BYU 35 for a score, but the Spartans were detected holding and the effort went for naught. Two plays later came Donaldson's dash. Mendosa's conversion boot was good and the Spartans led 7-0.

On the next series of Brigham Young plays, San Jose center Bob Cheim sleeved an errant Cougar pass and returned to the BYU 13. Menges unlimbered his throwing arm on the first play and hit Morgan in the end zone for a touchdown. This time the score counted. The attempted conversion was blocked.

A sustained San Jose State drive from their own 45 sparked by Dambacher and Wilson, who rambled 19 yards on an end around, culminated when Russell circled left end for six points. Jack Faulk kicked the point. The Spartans didn't threaten in the second quarter, but Kolar's score made the halftime count 20-7.

## Voluntary Church Census Included In Registration

Religious Preference Cards are included as a new part of the registration procedure this fall at San Jose State college. The purpose of the card, according to Jim Martin, executive secretary of the College Religious Conference, is to enable San Jose churches and campus religious organizations to serve State students more adequately, and to provide the college with statistical information as to the religious affiliation of State students.

Each student will receive "his card as he leaves the reserve book room after securing his registration booklet and paying his fees. The card is to be filled out along with the rest of his booklet and turned in at the men's gym as the student completes registration.

"Many other colleges have in-

cluded religious affiliation or preference as a regular part of registration for several years," Martin stated. "It is our aim to see that San Jose State college students receive the benefits which such a registration can bring them."

Initiated by the College Religious Conference, the card has drawn widespread support from all church groups interested in students. Those groups cooperating in the distribution and use of the card include: First Baptist Church, Grace Baptist Church, First Christian Church, First Congregational Church, Trinity Episcopal Church, Hillel Foundation, Lutheran Student Association, Calvary Methodist Church, First Methodist Church, St. Paul's Methodist Church, Newman Club, First Presbyterian Church, Westminster Presbyterian Church and First Unitarian-Universalist Church. The College Christian Fellowship and the Student Y are also backing the use of the preference card.

## Tryouts For 'Faust' Set For This Week

Tryouts for speaking and dancing parts for Goethe's "Faust," the first play of the Speech and Drama department, will be held Wednesday and Thursday of this week in the Little Theater, according to Director John R. Kerr. Tryouts will begin at 4 p.m.

Mr. Kerr urges both new and old students to try out, for there are more than 40 speaking parts. Also, 20 men and women dancers are needed for dance sequences.

Copies of the play can be obtained in Room 57, Speech office. "Faust" is to be presented Nov. 10, 11, 12, 14 and 15.

## Reg Dance Set

Annual Reg dance will be held at the Civic auditorium tonight from 9 p.m. to 1 a.m., according to Pat Gardiner, chairman of the social affairs committee.

Jack Harcourt and his band will provide music.

Student body cards are necessary to attend the Reg dance, which is open to all Spartans, new and old. Stags and couples are urged to come out to the first dance of the school year.

Girl stags are especially urged to attend.

## Season Books Ready For Fall Plays

Season books for the six plays of the Speech and Drama department's 1949-50 drama season are now on sale in the Speech office, announced Dr. Hugh Gillis, Speech department head. Students who enjoy good theater are urged to purchase their season books for they can be purchased for \$2.40, which is one-third less than regular student prices.

A season book insures good seats, reminded Dr. Gillis.

Theater-goers along the entire Peninsula will thoroughly enjoy the six "top" plays selected for the college's drama season.

Goethe's monumental "Faust" brings up the curtain as first of the season's plays. "Faust" will be presented Nov. 10, 11, 12, 14 and 15 in the Little Theater. John R. Kerr will direct.

There will be no Sunday performances of Speech and Drama department plays this year.

The delightful caperings of young love in "John Loves Mary" plays Dec. 8, 9, 10, 12 and 13. Recently made into a movie, "John Loves Mary" is Norman Krasna's outstanding Broadway success.

Works of Shakespeare return to the Little Theater again this year in "The Taming of the Shrew," Feb. 2, 3, 4, 6 and 7.

Noel Coward's best short plays, "Red Peppers," "Family Album," and "Still Life," will be featured March 9, 10, 11, 13 and 14 in "Tonight at 8:30."

Another Broadway success, "The Corn Is Green," by Emyln Williams, runs May 4, 5, 6, 8 and 9. It is a warming comedy of a delightful character study.

Closing of the 1949-50 drama season will be J. B. Priestley's "Time and The Conways," an intriguing and stimulating picture of the realization that time is relative. Dates for "Time and The Conways" are June 8, 9, 10, 12 and 13.

## Fall Tuition Is Up

Raise in tuition for fall quarter from \$7 to \$8.50 is a token payment to keep in line with the increase in salaries and equipment costs, according to Mr. Glen E. Guttormsen of the business office.

Tuition was raised by the State

and applies to all State colleges, said Registrar Miss Viola Palmer. State Board of Education, Department of Finance, and presidents of the colleges, had a number of meetings recently, and it was decided to increase the tuition.

Guttormsen stressed that the tuition is only a token payment and that the average cost of instruction for each student is about \$400 a year.

## English, Art M.A. Degrees Authorized

The San Jose State college English and Art departments have been authorized to grant master of arts degrees by the State department of Education, Dean James C. DeVoss announced recently. The new law will become effective Oct. 1.

With the addition of these two departments, there are now 11 departments authorized to give the M.A. degrees. The other nine are commerce, education, industrial arts, mathematics, music, natural science, psychology, social science, and speech.

All candidates for M.A. degrees must have teaching or school administration credentials at the time the advanced degrees are conferred. Other requirements include applications for re-admission as graduate students at least ten days prior to the opening of college for the quarter, and a minimum scholastic average of 2.0 or "B" for work in the upper division years. Maintenance of that average is expected in the graduate division work. Also, all applications must be approved by the head of the department in which the students plans to major.

## Blood Donations Can Be Given Here On Oct. 10

The Santa Clara Valley blood center mobile unit will be on campus Monday, Oct. 10, from 11 a.m. to 2 p.m., according to Miss Catherine Wallace.

Miss Wallace urges that students help in making this first visit of the unit to the campus a success.

The unit is equipped to handle five donors every fifteen minutes, and in order that the unit may be utilized to the fullest extent, appointments are being made for donors. Prospective donors are asked to sign pledge cards and return them to Miss Wallace in room 37 not later than Friday, Oct. 7.

Persons from 18 to 21, if unmarried, must have parents' consent. Miss Wallace has a supply of releases for parents or authorized persons to sign. Students must bring these at their appointed times Oct. 10.

## Men Must File Now For ROTC

Applications for basic and advanced Army ROTC training are being received by the office of Col. James J. Hea, commanding officer of the college's ROTC unit.

The program ends in commissions as second lieutenants in the Army reserve, for men who complete the four-year course satisfactorily.

Incoming freshmen who wish to enter the program are advised to file applications immediately. The ROTC course runs four years, and any delay may cost you your

chances of participating in the program. The two years of basic training will be waived in cases of veterans who have completed a year of active duty with any of the armed forces.

Advanced students are selected from the ranks of men who complete the lower division work satisfactorily, and who apply for the final two years of training.

# Broncos Wrest 14-13 Victory From SJ State

It was the general opinion around Spartan Stadium on the evening of September 24th that Christmas came a little early for the Santa Clara Broncos after the neighboring school pulled a 14-13 victory out of the fire in the first football clash in 12 years between San Jose and the Mission towners. The Broncos were sufficiently alert to grab the gifts, however.

Marty Formico's fourth quarter touchdown via a 50 yard punt return and a timely conversion boot by Joe Vargas kept the record straight—San Jose State hasn't beaten the Broncos yet.

The all-fired-up Spartans did a

Jeckle and Hyde from their miserable performance against the Stanford Indians and darn near upset the favored Broncos until six minutes into the final period and Formico's run.

#### Spartans Score

San Jose scored first after Spartan end John Smith recovered Bunny Vogel's fumble on the five and then Buddy Traina scooted over on a pitch out from Menges. Gibby Mendonsa kicked the extra point and the Staters had a 7-0 lead.

Santa Clara took the ensuing kickoff down to the Spartan 3 where Marv Johnson intercepted Bronco Johnny Pasco's pass and returned it to the San Jose 10. Then on a sustained drive engineered by quarterback Gene Menges, which included Menges to Johnson passes for 18 and 19 yards, the Spartans rolled 90 yards to their second touchdown.

This time Menges took to the air, flipping into the arms of end Junior Morgan in the end zone from the five yard line. Mendonsa's attempted conversion kick was short and the Spartans led 13-0.

#### Broncos Bounce Back

Five minutes before the half Santa Clara's John Hock gobbled a fumble by Marv Johnson on the State 29 and two plays later the Broncos had a touchdown. Fullback Buster Wraith ran right end for 10, and the the All-American candidate Haynes took a handoff and dashed around the opposite end for 19 yards and a score.

Vargas added the extra point and the half ended with the Staters still in a 13-7 lead.

Things stayed that way until Spartan Harry Beck's disastrous kick to Formico late in the last quarter. Only one man, end Billy Wilson, had a clear shot at the speedy Bronco and he was sidestepped on the State 45. Formico then picked up some blockers and galloped for the end zone.

San Jose threatened in the third quarter with a drive that reached the Santa Clara six yard line, but a fourth down end zone pass was knocked away to end the danger.

The game was featured by a Haynes punt that rolled dead on the Spartan 1-yard line, and a running boot by Spartan fullback Beck. Back to kick, Beck got a

# Spartans Plan Rough Welcome For Pepperdine Football Squad

George Pepperdine College of Los Angeles, boasting the "new look," will furnish the next competition for the San Jose State football squad this Friday night at Spartan Stadium before an estimated 10,000 fans.

Coach Bill Hubbard's Golden Raiders will be out after their third victory of the 1949 season, and will be favored at game time to paste the visitors from the Southland. Last year the Spartans hung a 61-6 trouncing on the Waves in Los Angeles, but since then things have changed at Pepperdine, for better or for worse will be seen Friday night.

A brand new coach Ray Richards, formerly of UCLA, will pilot the Peps. Richards placed Warren Gaer, who moved to Drake University after his '48 Wave eleven wound up in the red with a 4 won, 5 lost record.

#### New System

Richards brought with him the "T" formation to the heretofore single wing drilled Pepperdines, and in the first two games of the current season has compiled a 1-1 record.

Back from last year's squad and counted on for heavy duty against the Spartans will be backs Terry Bell (who scored the Waves' lone touchdown against San Jose in '48), Jack Drager, Raul Regalado,

high pass from center, escaped several charging Broncos and kicked 45 yards on the dead run.

Bobby Hayes, Dale Drager, and Mer Noonan, both veterans, will direct the Pepperdine "T".

## Indians Swarm Spartans 49-0

Executing a complete about face from the opener against Mexico University, the Spartan grid squad dropped their first game of the '49 campaign to a big, fast Stanford squad by a lopsided 49-0 score on September 17 on the Indians' turf.

Looking like the best Stanford team since 1940, the Indians fielded a huge fast charging line which nullified the State ground game, and a set of fleet backs which packed a seven-touchdown wallop. Led by Halfback Harry Hugasian, the men of Marchie Schwartz reeled off 487 yards net while holding the Spartans to a net of 130 yards.

San Jose got no deeper into Stanford territory than the Cardinal 40-yard line, and did not have the reserves to hold the victory-starved Indians in the second half. The Cards led only 13-0 at the intermission. Gary Kerkorian's field goal started the third quarter scoring for the Indians and the Spartans then faded to allow five more touchdowns to be shoved across.

Hugasian scored from seven yards out in the first quarter after San Jose had stopped the first Indian goal line drive. Card Fullback Emery Mitchell added the second score when he powered over from the two after a 51-yard Stanford march.

Reserve Fullback Bud Kline scored twice for the Indians in the second half, as did Ends Bill McColl and John Banks. Hugasian also tallied in the third quarter. Kerkorian booted four conversions plus his field goal.

## San Jose Wallops U. of Mexico In Pigskin Opener

Ten thousand Spartan football fans were on hand to watch the 1949 opener against University of Mexico but what happened was more like a track meet than a pigskin contest.

The Staters scored 103 points! That's all there was to it.

The sixteen touchdown parade started four and one-half minutes after the opening kickoff when Buddy Traina, Spartan halfback, dashed around left end for 22 yards and a touchdown.

The Spartans then piled up the highest football score in San Jose State history thusly:

Traina went 2 and then 14 yards for scores, Jack Donaldson ran 62 and 47 yards for San Jose touchdowns, and Fred Mangini plunged from the two for another. Gil Mendosa sped 22 yards, Archie Chagonjian skipped 20 and Harry Beck boomed 39 yards for three more Spartan counters. Hal Huxley scored from the 2 after a blocked kick, Max Houlihan passed 30 yards to Jim Fleck for a touchdown, and Faus Smyth punched over from the two. Don Danbacher returned an interception for 71 yards and a touchdown. Chagonjian passed 32 yards to end George Persha and Huxley ran 22 and 5 yards for counters. Dambacher made the final teedee from five yards out.
