## **Governor Submits Trial Budget to Committee**

## Councilmen **To Consider** Madsen Plan

The Student Council will consider a proposal by Bob Madsen that a "Campus Chest" drive be set up at San Jose State college at the weekly meeting this after-noon at 3:30 o'clock in the Student Union.

At last week's meeting, Madsen said that two drives should be sufficient for the college.

"The World Student Service Fund drive, which raises money to continue the education of needy students in other countries, would be separate from the 'Campus Chest'," Madsen proposed. The 'Campus Chest" would be a combination of the Red Cross, Community Chest, and Polio drives. President Don Schaeffer re

minded Madsen that campus drives, under the proposed system, would not be conducted concurrently with municipal drives.

"Some method would have to be devised to show local people that our students had already contributed to the various drives," Schaeffer said.

Madsen and Dave Down asked for more time to study the problem

**Student** Court Meets, Revises **Two Articles** 

The student court reached the next to the last stage in its revision of the current principles of procedure last night by amending the articles dealing with court opinions and appeals to a higher court.

Section Five of Article IV of the old code was deleted and an amendement to Article IV inserted in its stead. This article now reads that "one of the majority judges shall write the opinion of the court. The concurring judges shall sign the opinion, which will then be entered in the permanent records. The minority judges must sign their names but have the option of giving dissenting opinions.

Appeals to a higher court, states Article V, Section I, are to be tes will decorate the Temple. filed with the whole court and approval or rejection of the appeal is to be made by a majority of the whole court. The appealer must specify to which court he is appealing and give the reasons for his appeal. If the court rejects his appeal, the decision of the lower special court will stand as final.

**Cuts SJSC's Original** Submission; 1950-51 **Costs Show Increase** 

A tentative 1950-51 budget of \$2,623,788 for San Jose State college has been submitted by Governor Earl Warren to the Assembly Ways and Means committee for a preliminary look at operational expenditures before the legislature meets on March 6.

Jose State college represents an increase of \$134,636 over the \$2,-489,152 budget for this year. Highest outlay is for salaries and wages, at \$2,265,020. Operating expenses are fixed at \$265,914 and equipment at \$101,854.

212 short of the \$2,803,000 originally submitted by E. S. Thompson, college business manager. Thompson said that his figure was based the ratio of one teacher for every 19 students.

Warren's budget, handed to the

**Visual Aids Movies** 

Students and faculty members are welcome to attend the showing of three movies to be presented today and tomorrow, according to Mr. Richard B. Lewis, visual-aids instructor.

"Navy Photography in Science," a color movie with sound accompaniment, will be shown today at 11 a.m. The movie, "Your Voice"

also will be shown today. Wednesday the picture, "Chem-icals of Fire" will be shown. It's first presentation will be at 10:30 a.m. and it will be shown again at 5 p.m.

The pictures will be presented in Room 155.

Number 75

A 30-piece band will be featured during half-time tonight when San Jose State college's quintet meets the University. of Santa Clara at the Cow Palace in South San Francisco, according to Ed Mosher, rally committee chairman. Game time is 7:45 o'clock.

Following a policy of increased enthusiasm during basketball season, the rally committee has made special plans for half-time activities at all games. The yell leaders, and song-girls also will be present to keep spirits high for the crucial game, Mosher said.

"All Spartan rooters are asked to wear white shirts and rooters hats, for we are in competition with a fired up bunch of studentfans from Santa Clara," Mosher

## Lewis Announces Seniors May Still Sign Up

A full program of entertainment is planned for the week-end. Ski-ing, tobogganing, skating, and dancing are scheduled.

## **JC Not to Affect** State- MacQuarrie

Formation of a Santa Clara county junior college district would have little immediate effect on San Jose State college, Dr. T. W. MacQuarrie said yesterday.

Announcement of plans to form a county junior college district came yesterday from Emil R. Buchser, Santa Clara Union High School district superintendent, who claimed graduates of many area high schools are being placed on "probationary" status for entrance at San Jose State college.

"This movement would have little effect on our present plans," Dr. MacQuarrie explained. "Acquisition of present San Jose High school buildings would probably allow entrance of most county students who meet our minimum scholastic requirements."

## **Chairmen Promise Mixer Will Please**

added.

Hot jazzy music and refreshments are on tap for members of the junior and senior classes who attend a mixer in the Student Union Wednesday evening, 7:30 to 11 o'clock.

Jack Passey, senior chairman, reports that Cronemiller's and Smith's quartet of jazz artists will provide music to suit the mood.

Ron LaMar, junior chairman, promises a program of entertainment.

Admission will be by student body card.

## The Weather

Hoping that fate is on his side the forecaster polished his shoes this morning and predicted clear skies for today. Temperatures yesterday ranged from a high of 59 to a low of 48. Skies fluctuated from clear to overcast to rain.

It appears that there may be a two-week postponement of the coast-to-coast telephone strike, set "Stromboli." for tomorrow. The government

## 'Palace' Presents Cage **Rivalry Renewal Tonite** Sailors, Soldiers

### By BERK BAKER

After 11 basketball seasons of not playing each other, the cross town rivals, Santa Clara university and San Jose State college, take their cage skills to the Cow Palace for a 7:30 o'clock date tonight. Tonight's affair can be termed a natural. The Broncos have had

a successful season, although they've lost three of their last four games,

all of which were on the road. The mission town five has won 11 and lost seven.

d

San Jose found its stride over the weekend, ran\_its winning streak to five games, and drew national recognition in beating Bowling Green and West Virginia State in the Cow Palace.

Basketball contests were terminated in 1939 after 10 games had been played through four seasons. The tilt that caused school officials to decide in favor of abandonment came in 1938 when the Spartans beat the Broncs 50-44. Players and fans both became servants to their emotions and a full scale brawl was narrowly avoided.

Coach Walt McPherson of the Joseans was a member of the 1938 team.

In 1939 the two institutions played a pair of games and then called it quits. The decision was helped along by a beef in a 1939 baseball contest.

This year the court duel was re-scheduled, but was taken out of San Jose to the Cow Palace, a neutral court. If all goes well between the players and student bodies tonight the game will probably be brought back to the prune, county in the future.

The past week Santa Clara went south and dropped two decisions to high scoring Arizona, beat Loyola and lost to UCLA. No cause for embarrassment for any of the losses. Arizona and UCLA are both high in the national ranking.

During the holiday season the red and white went east and upheld Coast prestige by winning three of four games.

Coach Ray Pesco, in his last. term as head coach of the hardwood doings at Broncville because he's leaving to take an assignment at Treasure Island, will floor a veteran team.

The SC scorers are led by George Stein, 6 ft. 3 in. guard and brother of Sparta's baseball and football man, Mel Stein. Bob Mc-Killop presses Stein for scoring honors

If the Broncs get half a chance they will use a fast break. They like to run. But so does Bowling Green and you know what happened to the Falcons after slow, deliberate San Jose finished with them. But in a game with rivalry as this one has, even though relations have been severed for more than a decade, anything can happen

San Jose is ready for this one.

The Spartans' sparkling performance in the Cow Palace over the weekend upset the dopesters who had made Bowling Green 15 point favorites. Even the Cow Palace program for the evening went out on a limb in one of its articles by saying that Charlie Share, who had been averaging 21 points per game, looked like a cinch to make the Palace "21" club. Share did it the following night in the Gael game, scoring 24 points,

The Moragans helped set some records in their game Saturday with BG. St. Mary's set some kind of record by losing their eleventh straight game at the cow barn, with still two more to go. The combined score of the BG-Gael game, 84-61, (145) broke the previous high of 143 points set by St. Mary's 74-Yale 69. The Ohioans also broke Stanford's record of total single high score, 78 points, by scoring 84.

Center George Clark's effort to hold down Share's score was one of the best jobs seen around the Bay Area. Share made 11 markers, his second all-time low.

### **RENO'S SPORTSMANSHIP**

A fitting climax to the Reno sportsmanship is evidenced by the letter that was sent to the University of Nevada by the Executice board of the Northern California Basketball Coaches and Officials association. The letter is a copy of the resolution passed by these officials at their Feb. 1 meeting in which they agreed not to officiate any more Wolk Pack games unless things are changed. Here's what the Reno sports-lovers will see in the papers:

"That no member of this association will be permitted to officiate at any game in which the University of Nevada is a participant during the period that the present coach, J. LAWLOR, is affiliated with said basketball team in any official capacity . . .

And that takes care of that.

### FALCON COACH DISLIKES STALL

In an after-game interview with Coach Harold Anderson, of the famed Falcons, the "Big Freeze" was given a cold shoulder as he remarked that in the East the teams try to give the fans forty minutes of fast basketball.

No Pushover, Says Dee; Marines Good

### By AL GROSSI

When San Jose State college agreed to meet the various boxing teams on its schedule, Coach Dee Portal had a good idea what to expect and he wasn't far wrong.

Despite the lopsided appearance of the scores of the matches with Moffett Field and Camp Stoneman Friday night, fans attending the matches will testify that the card was probably one of the most exciting they have ever witnessed. Portal said, "the score is not a true indication of how good the bouts were, and we can expect even better competition from ming title. Camp Pendleton whom we box Thursday night.'

Looking over the results of last week's bouts, Portal said two of the 165-pound tiffs were the cause of most of his fingernail biting. Pete Franusich had to rally in the final canto to draw with clever Aralas Ross of Camp Stoneman. Darrell Dukes, entering the arena for the first time since winning the novice 165-pound title, picked himself up after being floored for an unceremonious moment and went on to TKO Louis Spaletta. Ace 155-pounder Joe DeSoto had to go all out to draw with Al Rutledge, a flier toughie.

### Spartan Aquamen Gymnastics Squad **To Face Stanford Shows Tomorrow**

Tomorrow night at 8 o'clock in the San Jose State college pool, Coach Chralie Walker's Spartan swimmers will take on the Stanford university mermen in the Staters first meet of the season.

The locals will be out to avenge a 58-17 pounding that the Indians handed them last year, but Stanford has come up with another strong club which should win the Pacific Coast conference swim-

Stanford is paced by its great swimmer, Ralph Sala, who set two pool records here last season in the 220 and 440 free style. In addition, Jack Weeden, who does the 150 yd. backstroke, will give the Spartans no end of trouble.

The local plunge does not seat too many people, so the earlier students come, the better is their chance of being admitted.

## **Golfers** to Meet

All members of the varsity golf team are asked to meet with Coach Walt McPherson in the gym office at 12:20 p.m. Wednesday.

Coach Ted Mumby and his varsity gymnastic team visit the Stanford farm tomorrow evening at 7:30 o'clock.

As the first meet of the season, the Spartan handlers will be represented in all of the scheduled events.

Four members of the Spartan Judo team, along with their coach, Yosh Uchida, will give a demonstration of their precise art at the Willow Glen Men's club tonight at 7:30 o'clock, according to Dean Patrick, team publicity director. Coach Uchida said that Earl Harris, Amos Cook, Fred Davis, and Johnnie Johnson, will take part.

He said that any organization interested in having a Judo demonstration as a part of a program activity, can make arrangements with him through the San Jose State college P.E. department.

"The reason we are willing to give free demonstrations," said Uchida, "lies in the fact that we want to familiarize the public with Judo as a spectator sport.'

Students Discuss China-

## **Christian Ideals Speed** Rehabilitat

That the problems facing modern Chinese youth parallel those problems of youth throughout the world was the opinion voiced by Dr. Donald A. Irwin in an informal speech to members of the International Students' organization Wednesday night in S112.

"With the development of the A-bomb and now the hydrogen

# To Speak at Y

"What is the Future of the Student Y?" is one of the topics to be discussed at an open member-. ship meeting in the Y lounge, 220 Seventh street; Wednesday, at 7:30 p.m.

Bekey, northern co-George chairman of the Pacific Southwest Regional Student YMCA-YWCA and engineering major at the University of California, will speak on "What the Y Is and Can Be" as seen from other college campuses. The history of the San Jose State college Student Y will be reviewed by Dean Paul Pitman as perspective for evaluating the present program. Following Dean 'itman's review, Miss Jean Justice will lead a longer discussion on "Where Are We And What Are We Going To Do About It?"

Student Y officers for the remainder of the school year will be nominated and elected during Wednesday's meeting, and the program will close with informal dancing.

bomb it is imperative that the family of nations reach an understanding," the eminent former teacher and pastor said. Dr. Irwin's understanding of

Tuesday, February 7, 1950

the Chinese people and their ancient civilization was brought to the attention of the International Students when he outlined his life in China as the son of missionary parents and, later, as a teacher and a pastor at Hangchow university.

Supplementing his talk with slides taken during his long residence there. Dr. Irwin pointed out China's former social inadequacies. Wars, famines, and disease have left them impoverished. However, Chinese youth has learned, largely through Christian education, about modern progressive standards.

Dr. Irwin believes in the strength of International Students' organizations, and believes that it is the problem of those acquainted with Western Christian beliefs to guide the Chinese in the ways of Christian ethics.

"Faith in themselves and in God is the most valuable thing they can possess".

Coming up to date on the political situation, Dr. Irwin said, "Much of the unrest in China was due to the corruption within the Nationalist government. However, it is my belief that Chiang-Kai-Shek was an upright Chrstian. The corruption around him necessitated the Nationalist party's exile."

Dr. Irwin now works with International Students' organizations at University of California and other west coast colleges. He hopes to see foreign-born students in the United States colleges and universities carry back to their countries the best of Western education and standards.

## **Industrial Art Frat Honors Ex-Presidents**

The past president's dinner of the Rho chapter of Epsilon Pi Tau, honorary professional society of industrial arts, was held at Rickey's restaurant, Saturday evening, according to Lynn Hunwick, current president of the group.

Dr. Heber A. Sotzin, head of the San Jose State college Industrial Arts departments, and member of the Epsilon Pi Tau national council, welcomed chapter members and past presidents.

Mr. James E. Stevenson, associate professor of industrial arts, introduced the following past presidents:

Mel Rush, Vincent Holthouse, Henry Dunning, Gus Ohlson, Howard Biebesheimer, Linwood Lyons, Frank Taylor, Jack Chaplin and Emil Anderson.

## **Catholic Women** Take WAA Lead

The Catholic Women's center of San Jose State college held high score honors last Thursday night in the Women's gym in the third set of games in the present WAA basketball tournament. They netted 30 points against their opponents, the Sizzling Six, Genevieve Villasenor, basketball manager, reported yesterday. Pratt hall took a beating this

## **AWS Hear Dean Speak on Religion**

"Religious Emphasis On The Campus" was the topic of Dean Paul Pitman's talk before Associated Women Students last week in Room 24, according to Joan Hale, temporary president.

"It is my hope that we will continue the promotion of religion on the San Jose State college campus," the Dean said.

Dean Pitman was introduced by Miss Hale as the surprise speaker of the week, the first in a series of planned programs for Wednesday afternoon AWS meetings.

## Woman Shortage Is Co-Rec Problem

Men outnumbered women five to one at the Co-Rec dance last Tuesday night, according to committee officials. "We had 75 fellows and 15 girls at the dancing session," Dick Hoffman, of the committee, said. Hoffman added, "We would like to see a lot more girls turn out for the dance and other activities tonight."

Tonight's schedule: 7:30-8:30,

Badminton; 8:30-9:15, Volleyball; 9:15-10:00, Social dancing. Pingpong equipment is also available. The weekly Co-Rec evening is held in the Women's gym.

Hoffman announced that there will be no Co-Rec activities next Tuesday night, Feb. 14, because committee members will be attending the State Recreational conference.

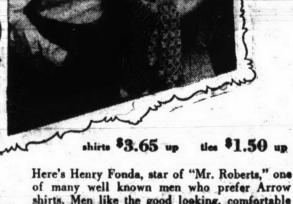

### **To Give Recital**

Thomas Ryan, member of the Music department faculty, will present a piano recital Feb. 21 in the Little Theater at 8:15 p.m.

The recital will include compositions by Mozart, Schumann, Prokofieff, and Brahms.

Ryan has made many concert appearances, including an engagement in New York City's Town Hall. He also has been a professional accompanist and teacher.
