SAN JOSE STATE COLLEGE

Volume XXXIX SAN JOSE, CALIFORNIA, MONDAY, APRIL 2, 1951 Number 110

Noted Lecturer To Speak Here

Dr. Howard Thurman, noted religious leader, author, and lecturer, will be the opening speaker for the Religious Emphasis week this afternoon at 2:30 in the Morris Dailey auditorium, according to Barbara Price, Religious Emphasis week chairman. He will speak on "Faith in God." Dr. Thurman has written five books on theology.

DR. HOWARD THURMAN

They are "The Greatest of These", "Deep River", "Meditations for Apostles of Sensitiveness", "The Negro Spiritual", and "Jesus and the Disinherited."

He is presently serving as the pastor of Church for the Fellowship of All Peoples in San Francisco.

Following his address, Dr. Thurman will lead a discussion period from 3:30 to 4:30 in the Morris Dailey auditorium.

Other plans for Religious Emphasis week include discussions by groups at different organizations tonight. Discussions will be led by Dr. R. W. McLean, pastor of the First Presbyterian church, at the Delta Gamma house; Dr. Joyce W. Farr, pastor of the First Methodist church, at the Gamma Phi Beta house; The Rev. Constant Johnson, pastor of the Church of the Good Shepherd, at the Kappa Kappa Gamma house; Mr. James Jacobs, assistant professor of English, at the Sigma Kappa house; Father John Duiyca, Newman club chaplain, at Presbyterian hall; and Mr. Chester Zeff, Hillel adviser, at Wachob hall.

For students not living in these groups, the Student Y has arranged to have evening discussions led by The Rev. Stephen Peabody, pastor of the First Congregational church, at the Student Y; and the Rev. Clarence Franz, pastor of the First Christian church, at the Trinity Youth center, Second and East St. John streets. The discussions will start at 7:30 p.m.

Students to Vote Today On ASB Card Dispute

By ELWYN KNIGHT

A large vote is expected in the special election, being held today and tomorrow, to determine the reaction of San Jose State college students to a bill now under consideration in the State legislature to make ASB cards compulsory.

"I think we will have an exceptionally large vote on this controversial issue," said Jeanne Kerwin, senior class representative on the Student Council.

The Student Court decided the vote would be too large for them to conduct the election by themselves, therefore, they deputized three campus organizations to conduct the election. Blue Key, Spartan Shields, and Spartan Spears are the organizations chosen to conduct the election.

This election will not determine the issue, but instead, will merely reflect the opinion of the students. The issue will be settled when the bill, now under study by the State Senate committee on education, comes up in the Senate for final vote on April 12.

The main election booth is located in the library arch near the reserve book room. Other mobile election units will be located about the campus so that everyone will have an opportunity to vote.

I.A. Frat Elects Ben Low as Prexy

Ben Low was elected president of Epsilon Pi Tau, honorary industrial arts fraternity at a combination professional and business meeting Thursday night.

Low will succeed Charles Belden, last quarter's prexy, who presided at the meeting.

Louis Melo was elected to succeed Lee Mortensen as vice president, Edward Geritz will replace Dave Wise as secretary, and James Browning will follow Leo Ortiz as treasurer.

Preceding the film showing of "Sun, Sea, and Sails" and "Shriners East-West Football Game," Wayne E. Champion, industrial arts instructor, demonstrated processes of rubber molding.

A.F. Sergeant Gets the Bird

By JACK HULSE

Today a sarge, tomorrow a colonel (maybe).

That might be the story of Air ROTC Sergeant Charles Dittrich, who has been an instructor in rifle marksmanship on this campus since June.

With his return from detached to active duty—which is dependent on examinations early this week (Colonel) (Sergeant) Dittrich assumes a rank similar to the one he held in World War II.

(Dittrich is a ruddy faced, openmannered man of 42, with no hint of pomp in his manner.)

The air force sergeant will stay with the air force as a Colonel in Material at Hamilton or Wright field.

"Although this tour of duty has been short," Dittrich says, "it's been one of the most interesting and enjoyable in my 19 years of duty in the service."

"Of course I'm glad to receive my new orders, but I'm sorry, in a way, to end this tour."

California is home to the Dittrichs, who live in Campbell with their children, Mary Ann, 12, and Gretchen, 9.

Dittrich was born and educated in Connecticut.

Johnson Wins Free La Torre In Mass Photo

Tom Johnson, senior P.E. major, received a card entitling him to a free La Torre as he participated in the mass photographic effort conducted yesterday by the year-book photo staff.

Out of some 3,500 students and faculty members who "wanted to get into the act," Johnson happened to be standing next to Keith Kerwin, publicity director for La Torre, at the time the picture was taken.

Johnson, a resident of Spartan City, hails from Pismo Beach, California. He was graduated from Arroyo Grande Union high school in 1944, and entered San Jose State college in 1946.

The mass photograph was the "brainchild" of Dick Zimmerman of the photo staff, and was under the supervision of Bob Stone. Photographers participating in the event were George Armstrong, Bill Ernst, and Bill Gilmore.

Bids to Be Sold On Installment

The installment plan for Junior Prom bids will start tomorrow at the Library arch, according to Tom Mullan, prom publicity chairman.

"The installment plan was set up for those people who might want to pay part of the cost now and the balance later," Mullan said. The full price for a bid is \$2.75.

The semi-formal dance will be held at the Mary Ann Gardens on Saturday, April 28. The three rooms and outside patio will be made into an Oriental setting fulfilling the Chinese Moonmist theme.

The feature decorations will be a replica of a Chinese pagoda and a genuine Chinese dragon. Jackie Larson, decoration chairman, and her committee will set up an authentic Chinese garden and construct special lattice work.

Prom music will be furnished by Howard Friedrichs and his band. The orchestra has just completed an engagement at the Palace hotel in San Francisco, according to Beth Calvin, junior class president.

Marion Huttman is Chinese Moonmist chairman. Assisting her as committee chairmen are Nancy Lee, entertainment; Pauline Day, bids; and Bill Severns, patrons.

The junior council will meet in the Student Union today at 3:30 p.m. to discuss final prom plans, according to Miss Calvin. A special day will be set for those people who would like to work on the dance but can not make the council meetings, she said. The junior class executive extended an invitation to all new juniors to attend the meeting.

Dr. Reitzel Paints In TV Appearance

Dr. Marques Reitzel, head of the art department, appeared on the Marjorie Trumbull TV show during Easter vacation. Purpose of the appearance was to paint a picture of the coastside for interested people with television sets.

The Pescadero area has been the scene of Sunday sketch classes that Dr. Reitzel has been teaching. Dr. Reitzel is founder of the Pescadero Summer School of Art.

Conference to Discuss State College Methods

The semi-annual conference of California State deans will take place in Los Angeles, April 3-5.

Attending the conference will be Dr. T. W. MacQuarrie, and Deans Joe E. West, J. C. Elder, and J. C. DeVoss. On the last day of the conference meetings, the state college presidents will confer with the deans.

IRC to Examine U.S. Foreign Policy

"Contemporary U. S. Foreign Policy: What It Is or What It Should Be" will be discussed at the first meeting of the International Relations club Wednesday at 7:30 p.m. in the Student Union.

Moderators for the discussion will be David Stoloff, Maurice Duke, and Dick Wittwer.

According to Tom Cameron, president of IRC, the meeting is open to all students, with a special invitation extended to freshmen and transfers.

All that is required for membership, he said, is an interest in and a desire to know more about international affairs.

Set Social Meet

Spring quarter Social Affairs committee meetings will be held in the Student Union at 1:30. Alice Hays, chairman, said today. At the first business meeting today the committee will elect a recording secretary and discuss spring activities.

'20' to See Color Films

Flying "20" club members will have an opportunity to see color films of Nevada at their regular meeting in Room 117 tonight at 7:30 o'clock, according to Bob Kruse, club secretary.

Bob Gross, ex-president of the club and student instructor, took the movie recently while teaching two prospective flyers in Nevada.

The Weather

Tempering this report with an ample swab of Ungentine, we say the sun is agonna shine, yeah.

Anyone know what to do for Peeling on the Nose from Laying on the Sand? We never knew how lead me to the nearest shady spot, much skin we had on our nose until it all began to fall off. Just away from that nasty old sun. Until next Friday, that is.

BEER WINS THIS ONE

SCRANTON, Penn. (UP) — A runaway barrel of beer collided with a car and the car was slightly damaged. The beer was unhurt.

Last Minute Announcements

Transfer teacher training candidates, graduate students, and students who have not been cleared for speech are to make early appointments in Room 57 with the Speech Clearance committee.

SOC. 100 STUDENTS

Students in Milton B. Rendahl's 9:30 Tuesday, Thursday, Sociology 100 class will henceforth meet in Room 117, announced the registrar's office Friday.

FRESHMEN

Members of the Freshman class will hold a class council meeting tomorrow, 3:30 p.m., in Room H44.

SOJOURNERS

The Sojourners' club will meet at 7:30 this evening in Room 11.

May Date Given For Med. Exam

Association of American Medical Colleges is giving an admittance examination in May. According to officials of the association, this exam is absolutely necessary for admittance to the medical colleges.

Interested students must make application before April 28. Blanks may be secured in Dr. Elders' office, Room 110.

Student Groups To Be Polled

In addition to polling the students on campus, members of the Student Court will quiz members of 27 living groups on the compulsory student body card issue, according to Bob King, chief justice.

A list of voters will be kept both at the election booth on campus and at the houses so that no vote duplication will occur, King said. The on-campus and off-campus votes will be tabulated separately, he said.

The Student Court met on Friday afternoon to discuss election procedures. The Spartan Shields will be in charge of the voting booth tomorrow while the court, Blue Key, and Spartan Spears will handle the poll today.

Poll results will be forwarded to the State Senate committee on education before the compulsory student body card issue comes up for vote in the California State legislature.

Navy Announces Commission Rules

College seniors who want to apply for naval reserve commissions can submit their application 140 days before graduation, rather than waiting until they receive their degrees, according to new naval regulations.

The new Navy directives also abolished the requirement of six semester hours of physics for eligibility, and mathematic requirements have been lowered.

Graduates previously needed 12 semester hours to apply for a commission, but henceforth mathematics through trigonometry in any college or high school is all that is necessary.

In the case of applicants who have received selective service orders, the regulations state that such a person must be attending school and must have an education postponement or they will not be considered.

THRUST and PARRY

Thanks!

Dear Thrust and Parry:

As publicity manager of the 1951 La Torre, it is my pleasure to thank the student body, the faculty and Dr. T. W. MacGuarrie for their cooperation in making our group photograph of the student body a success.

An experimental venture of that sort is almost entirely dependent upon such cooperation. The La Torre staff realizes this, and would like to express their appreciation for the help they received.

Along this line, the La Torre staff would also like to express their appreciation to the Spartan Daily for the very fine assistance it gave. Without the help and encouragement of the Daily, the project would never have been completed.

Thanks, everybody.

Keith Kerwin, ASB 982.

Well!

(Editor's note: The writer of the following letter obviously considered the winter quarter Spartan Daily below par. Without any pretense of modesty, however, the current staff has expressed a thorough admiration for the work of Dan Hruby and his scribes. They set a particularly high mark in the Lanini Dog Drive).

Dear Thrust and Parry:

Have you ever noticed how quickly and easily we find words of criticism, and how slowly and with what difficulty we find words of praise?

Last quarter's Spartan Daily was considered to be sub-standard by many people I talked to, and the criticism flowed freely. This quarter's Daily—if the issues we have thus far received are a fair indication—promises to be one of the best. Congratulations!

Theaters

Fellow Students:

Here is a letter that may interest you all; especially you male students. Have you and your date entered a local theater lately with the exclusive idea of relaxing and enjoying a movie when all of a sudden instead of seeing the movie, you see looming before your eyes those hideous dollar signs, reminding you of the price of two tickets for two hours of entertainment? Well, here is a plan that may change things. We know for a fact that it has been done in other cities; so let's try it in ours.

First: form a committee, which might be called the C.S.R.C.F.T.P.

El Charro

COME DOWN FOR BREAKFAST, AMIGOS

We Open at 6 A.M.
We'll look for you.

Vickie & Gus

17

So. 2nd
Mexican Food

O.S.E. or College Student Rate Committee for the Preservation of Student Expenses.

Second: this committee should get together with the managers or theater owners and discuss the problem. If decent terms can not be reached the—

Third: let the committee, along with the support of the student body, take some appropriate action; such as publicly boycotting the theaters in town that will not give a student rate.

One college of only 250 students in a relatively large city used this plan and got student rates in the theaters.

We sincerely believe that a college as large as San Jose State would have quite a bit of influence in the matter if the student body works together.

Let us know your reaction about it by answers to this letter.

Signed ASB: 4378, 3695, 2564,

To Consolidate

The present widespread Music department may be consolidated on campus by summer, Dr. Lyle Downey, Music department head, said yesterday.

There is no assurance, however, that the presently unsafe Music building will be rebuilt by that time, Dr. Downey added.

The Music department's main office now is at 274 S. Eighth street.

Music classes are scattered in various houses on S. Eighth street, the Music annex barracks, and the library.

Sophs will Plan For Frosh Mixer

A Frosh-Soph mixer and a coming rummage sale will be discussed at the soph class council meeting today at 3:30 o'clock in Room 13, according to Seymour Abrahams, class president.

"We plan to make this the best mixer ever held," Abrahams stated, "and we need the cooperation of all class members." Any classman who is free at the meeting time is urged to attend.

Abrahams said that prospective council members must attend three consecutive meetings to become eligible for positions. He added that members are needed who can contribute constructive ideas to the sophomore class.

Classifieds

Classified ads should be placed at the Graduate Manager's office, Room 16. Ads must contain at least 15 words, payable in advance. Charge is three cents a word.

How Unpredictable Can Women Get?

Ten harrassed members of the Spartan Daily staff sat down at the Globe Printing shop Tuesday night biting their fingernails. The first issue of the newspaper was coming out the next morning and neither hide nor hair had been seen of the make-up editor, Richard Jordan.

Suddenly the phone rang and Editor Jack Gallagher, perspiration standing on his brow, growled, "Hello".

"I'm going to let you boys down tonight," Rich Jordan said meekly on the other end of the line. "Women are so darned unpredictable!"

"But—but—Why?" asked the confused Gallagher.

"Well," answered the missing make-up editor, "my wife had to pick this night of all nights to have a baby!"

Just Among Ourselves

By Dr. T. W. MacGuarrie

Let's have a heavy vote on that compulsory fee business. The voting will not be limited, of course, to student body card holders; everyone will have a chance.

As you probably know, only a few of us vote at elections. I wish it could be said that San Jose State students always vote when they get a chance—it's a fundamental privilege.

Personally, I think it more democratic to have a compulsory rather than an optional fee. Then everyone pays his share, and the chisellers can't chisel. (There may be some who really shouldn't pay, but they are few).

That reference in the student body fee bill to set a maximum of \$25 is no indication that it will be that amount. In fact, if everyone pays, it can be lowered. Time was when it was \$22 a year. Five dollars a quarter is not too much.

Our fee is surely a whale of a bargain—you'll never again get so much for so little, and that "much" includes a big chunk of self respect. For our present prosperity, we may well thank the people of former years who paid their fees, and got the program started. (The new colleges are having a hard time getting started—no money).

So please take time out today or tomorrow to vote.

PE-REC Majors Club Selects Officers

Jenine Lathrop was chosen president of the PE and Rec majors club at a business meeting held last week. A speech given by Joyce Malone on Camp Minnewanka and a movie on the camp highlighted the group's opening activities.

New vice-president of the club is Shirley Woodward, secretary is Mae Stadler, and Jackie Baker was chosen treasurer.

Civil Service Jobs Open; Pay Range \$3100-\$3825

Examinations for positions with a pay range from \$3100 to \$3825 per year have been announced by the United States Civil Service commission. The posts to be filled, in various Washington agencies, are chemist, physicist, metallurgist, engineers, mathematician, and electronic scientist. The commission states that applicants will not be

SJS Air Team To Enter Meet

San Jose State college's air team, the Flying "20", will enter two individual air meets on consecutive Sundays this month, according to Bob Kruse, club secretary.

On Sunday, April 8, the club will compete at Hartnell college with Stanford, University of California, and San Mateo junior college.

The Flying "20" also was invited to the Pacific Coast Intercollegiate air meet to be held at Buchanan field, Concord, California, April 16, Kruse said.

"This meet will include all major teams on the coast, who will vie for individual and team honors," he said. "We hope to enter about 10 men in both meets."

The club has ordered an additional plane, a two-seat, 65 horsepower Taylorcraft for its members. Possession of the plane will be completed with its delivery on Tuesday, said Kruse. A Cessna also is owned by the club.

La Torre Sales Campaign Starts

This is La Torre week at San Jose State college, according to Keith Kerwin, publicity manager for Sparta's yearbook.

"During the week, we expect to sell about 800 La Torre copies at three booths on the campus," Kerwin said.

"The booths will be maintained beneath the Library and Science building arches and near the Coop. We also will contact fraternities, sororities, and living groups in order to solicit La Torre orders from their members," Kerwin added.

"This year's annual features many 'firsts,'" he said. "For example, it has a four-color, full-cover panoramic view of the outer quad, arcade, and the tower—'La Torre'. Seven watercolor division pages painted by SJS students are included; and the Life section will contain a color to add zest to the make-up," the publicity manager stated.

April 6 is the deadline for all La Torre copy. The book will be delivered to the campus and distributed from the Student Union on June 4.

Family Sleeps Soundly

BATAVIA, N. Y. (U.P.) — The Floyd Mileham family sleeps soundly. Husband, wife and two sons awoke to find the barn missing. They hadn't heard two volunteer fire companies arrive during the night to put out a blaze which destroyed the building.

required to take a written test. To qualify, they must have appropriate education or a combination of education and field experience. The age limits, which are waived for veterans, are 18-35 years for the \$3100 positions and 18-62 years for the \$3825 posts.

Full information and application forms may be obtained at most post offices, from civil service regional offices, or from the U. S. Civil Service commission, Washington 25, D.C. Applications will be accepted in the commission's Washington office until further notice.

The commission states that persons who attained eligible ratings in the recent Junior Scientist and Engineer examination (announced in October, 1950) and have not yet received an appointment need not apply for this new examination. Their eligibility will be continued.

Engineers to Hold First Spring Meet

San Jose State college's student branch of the Institute of Radio Engineers will hold its first meeting of the quarter today at 7 p.m. in the Student Union, according to Harry Engwicht, assistant professor of physics and radio communication.

"Any student in the field of communication is invited to the meeting," Prof. Engwicht said.

Present membership amounts to about 30 persons. Ray Scoffone, chairman of the institute, is asking for interested students to join the student branch.

Cafeteria Offers Student Lunches

Hungry students looking for a good lunch can find it at the college cafeteria, according to Mrs. Fern Wendt, manager.

Plate lunches are a specialty, but a la carte dishes and sandwiches are also served. "We make everything we sell except the pies and ice cream," Mrs. Wendt said.

She emphasized that prices are designed for the student budget.

The cafeteria is located on the first floor of the Home Economics building. Serving hours are 11:30 a.m. to 1 p.m.

S.F. Art Meeting

New San Jose State college student members of the American Institute of Decorators, Northern California chapter, will display their work at tomorrow's meeting at 7:30 p.m. in Room 220 of the St. Francis hotel.

This is the last meeting of the group before the national conference.

Tracksters Down Bears; Judges---"SJS Loses PCI"

Dore Benched; Raiders' Depth Pays Dividends

By BORIS STANTEVICH

The big, bad Bears from Berkeley got a lesson in track from their country cousins on their own Edwards field Saturday.

Despite losing a probable first or second place when star two-miler Dore Purdy was disqualified for "cutting in" on the sixth lap, the locals won with 89 points.

Other final scores in the five-way meet here were; the University of California with 81 points; College of Pacific 43; San Francisco State got seven points and the University of San Francisco didn't place in any event.

Spartan fans really blew their stacks when a judge ruled that SJS's Bob McMullen, who won the two-mile in 9:50.9, was disqualified because he was "aided and abetted" by another Spartan he lapped as he came up the stretch. The disqualification gave a UC man first place. But after arguing for 10 or so minutes the ruling was reversed and McMullen given his five points. Raider fans then breathed a little easier.

The meet marked the first time the locals have met the mighty Bears in team competition.

Mattos Wins

Other winners for Coach Bud Winter were; Herman Wyatt, who easily took the high jump at 6-6 in. which was eight inches higher than second place; Ronnie Maire's Five points via a 22-11 1-2 in. broad jump; and a 13-6 in. pole vault by George Mattos which netted top honors.

College of Pacific landed six firsts followed by the Bears with five and then SJS's four. The Spartans surprised everyone, including themselves, by making up for lack of wins by grabbing 59 points scored by placing in numerous second, third, fourth, and fifth positions.

Crowe Third

Bobby Crowe, the locals' top sprinter who just completed a successful basketball season, apparently hasn't quite switched from the hardwoods to the oval and only managed thirds in the century and furlong.

In the weight division the raider's Boyd Porch landed second in the javelin event with a commendable 192 ft. 4 in. behind a top performance by the Bear's John White of 208 ft. 6 in. Spartan George Nickel got third in the shot put (47 ft. 6 3-4 in.) and third in the discus (14 ft. 11 1-2 in.).

SPARTAN DAILY 3

Venturi Wins Way to NCI Golf Finals

San Jose State college's Ken Venturi will vie with Roland Conklin of Stanford for championship honors in the Northern California Intercollegiate golf tournament at 36 hole playoff this Saturday at the Pasatiempo Country club.

The Spartan sophomore golf sensation advanced into the final round Saturday by downing Stanford's John Elliott, 2 and 1, in the semi-finals after dropping teammate Jay Hopkins by the identical score in the quarter finals.

Hopkins had advanced to the quarter-finals by defeating California's Don Brunk and Santa Clara's Pat Kennedy with 4 and 3 scores in Friday's play.

Another San Jose State linkman, Bill King was eliminated in the quarter-finals as he lost to Stanford's Grant Spaeth, 2 and 1. In the opening round of the tourney, he had won an upset 6 and 5 victory over Dick McElyea, Pacific Coast conference southern division title holder.

Spartans Don Pagano, Lee Osborne, Gorday Williams, and Ernie King bowed out of the tournament in Friday's first round matches.

Netters Sink SFS 7-1; Meet Broncos

The Spartan tennis squad rolled over San Francisco State college 8-1 on SFS's courts Friday.

In the singles "Butch" Krikorian (SJ) defeated Alex Swetka 6-3, 6-2; Chet Bulwa (SJ) beat Ed Jacobson 6-0, 7-5; Don Gale (SJ) won over Wayne Murphy 6-0, 6-2; Bob Phelps defeated Ken Hay 6-2, 6-3; Dave Hill (SJ) was defeated by Bill Wishert 6-3, 6-1; Don Straub (SJ) beat Art Mally 7-5, 6-2.

In the doubles Krikorian and Gale (SJ) defeated Swetka and Murphy 6-2, 6-1; and Bulwa and Phelps won over Jacobson and Hay 6-3, 6-1.

The locals cross rackets with the Santa Clara squad tomorrow.

SJS Ringmen Decided at PCI Tourney

By BILL GOSSETT

Lady Luck done us wrong.

Coach Dee Portal's San Jose State college boxing team, unlucky in the tournament draw and again unlucky in the finals title bouts, was rudely knocked out of the Pacific Coast Intercollegiate ring championships Saturday night in Sacramento's Memorial auditorium.

The University of Idaho squad, scoring 33 points in the three-day ringfest, won the tourney mitt crown. The Spartans' 14 points placed them fourth in team standings.

Spartan's Mac Martinez, Al Tafoya, Nick Diez, and Jack Scheberries all were closely decided in their finalist bouts. The decisions of the latter three Spartan bouts were loudly booed by the capacity auditorium crowd. But the judges, however, thought otherwise.

In the 125 lb. division, Idaho's Frank Echevarria was awarded a narrow decision over Martinez in an encounter which was filled with constant action during every round. A steady flurry of landing rights gave Echevarria the nod.

In the first of three puzzling decisions, Tafoya, in the 135-lb. class, chased Washington State's three time PCI champ Jackie Melson all over the ring. However, Melson's effective style of hit and run punching won him the bout's decision.

The 165-lb. decision also brought disagreement from the crowd as Ed Thomas of Gonzaga was given the nod over Diez, in another close battle.

Heavyweight Scheberries lost his challenging bid to defending PCI champ Herbert Christenson of Washington State. In the third round of the fight the Spartan momentarily floored Christenson with a hard right. After the knock-down action really broke loose, with both fighters furiously exchanging blows.

501 Almaden CY 4-6889

Frosh Trounce Monterey 21-0 For First Win

John Oldham, Spartan frosh chucker, pitched a one hitter against Monterey Peninsula college Saturday afternoon, and contributed three base hits as the frosh trounced the visitors 21-0.

Oldham struck out seven men and walked four in chalking up his first victory.

The frosh collected 18 hits off two Monterey pitchers. Left fielder Lombardi and Shortstop Carter paced the attack with three hits apiece. Right fielder Duncan got two hits including a triple.

The second game of the scheduled double header was called at the end of the third because of darkness with the frosh leading 10-0.

Moss Paces Win

Speedy Terry Moss raced to victories in the 440 and 220 and anchored the winning relay team to lead the Spartan frosh to a convincing 70 2-3 to 42 1-3 win over a combined team from Fremont and Campbell high schools Friday.

Moss tied the school record of 51.7 for the 440 and ran a 22.6 in the furlong dash at Spartan field. Dick Balfour vaulted 13 feet for another impressive performance.

SJS Adds Instructors In Russian, P.E., Science

Four new instructors were added to the San Jose State college teaching staff for spring quarter, including two on a full time basis and two on part time work.

Taking over the courses in Russian which are being offered this quarter is Mrs. Elizabeth Lanz. The other full time instructor is Mrs. Helen Cooperider of the Women's Physical Education department. Mrs. Betty Wyss, also in the Women's P.E. department, and Mrs. Veina Parish, in the Science department, will be instructing part time.

Mrs. Lanz, a native of Russia, has studied at the Imperial gymnasium in Leningrad and at King's college in London. She has also taught and studied at Stanford university. Mrs. Lanz held the position of interpreter and translator in the United Nations.

Mrs. Cooperider received her B.S. degree from Beaver college in Jenkintown, Penn., and her M.S. degree from the University of Indiana.

The two new part time instructors both attended SJS. Mrs. Wyss graduated from the college and also did graduate work here.

Mrs. Parish attended both the University of California and San Jose State college. She also has worked as a bacteriologist for the California Department of Health and the City of San Jose.

On leave for spring quarter is Dr. Dorothy Kaucher of the Speech and Drama department. Mr. Arthur C. Wilbur, of the Science department and Mr. Wesley I. Shellhammer of the radio staff have resigned from the faculty.

SJS Grad to Report To Washington For Foreign Post

Jack Nixon, former Spartan, was appointed recently to a position in the foreign office of the United States Department of State, according to the Modern Language department.

Nixon will report to Washington for assignment Wednesday. He plans to be in Washington for five weeks and then will be sent to some foreign post.

There are approximately 300 of these positions in the Department of State. Candidates are selected from all parts of the United States by a series of competitive tests.

Nixon, who majored in Modern Languages, was graduated in 1948 with honors in French and Spanish. During his senior year, he had one of the two highest scholastic averages with almost a 3.0.

He was active in both French and Spanish honor groups and was president of Iota Delta Phi, French honor group.

Dayton will Bring Debators to SJS

Dayton university of Ohio will bring a debating team to the local campus tomorrow for the first time in San Jose State college forensic history, according to Mr. Wilbur Luick, forensic club advisor. The debate will be held in Room 53 at 9:30 a.m.

The question to be debated is stated as follows, according to Mr. Luick: "Resolved, that the non-communist nations should form a new international organization." San Jose State college will take the affirmative, while the visiting group will further the negative point of view.

Dayton university debators are Charles E. Brant and Charles E. Zimmer, both of whom are majoring in political science and plan to study law.

The local campus will be represented by Kathryn Sproul, junior from Santa Clara, and Jack Mix, senior from San Francisco. The debate is open to all interested students, and will be of particular interest to social science majors, stated Mr. Luick.

Union. Recording secretary will be elected.

Phelan literature contestants are reminded that tomorrow is the last day to submit entries to the English department, Room H26. Entries must be in by 5 p.m.

Spartan Kittens To Claim Mittens At Lost 'n Found

"Three little kittens lost their mittens and they began to cry..."

Although SJS students may not exude tears over the loss of their mittens, they probably WILL shed H-2-O when they recognize them at the Spartans Spears' lost and found sale. The sale will be held in the near future, according to Mrs. Betty Street of the lost and found office.

In addition to mittens, other articles of clothing and odds and ends will be sold if not claimed before the sale.

The average railroad car carries about 60 tons of coal.

Cat Is Curious About Libel . . . Attends Law of Press Class

Curiosity on the part of an unregistered female student Thursday in Dr. Dwight Bentel's class, "Law of the Press," indicates malicious libel has been committed in the feline world.

"This is not an ordinary alley-cat," Dr. Bentel exclaimed upon examining the cat-nip lover, she's a Siamese cat and worth at least \$95 or \$100."

The cat was evicted by student Ray Hasse. Her interest in the finer points of libel law was indicated however by an occasional "meow!" from just outside the door as Dr. Bentel continued his lecture.

If you spot another member of the feline family slinking through back alleys with a fugitive look on his face you can bet he is a victim of a libel suit.
