

## Prepares for Photo Art Exhibit

GEORGE E. STONE, professor of photography and a professional in that art, will exhibit representative selections of his work tomorrow in the Reserve Book room. The show is third in a series sponsored by the Fine Arts division. Mr. Stone's display includes work during the last quarter-century, from early in 1925 to recent months of this year. About 60 "fine examples of his artistic craftsmanship" will be represented, according to Mr. Warren Faus, publicity chairman for the exhibits.

## Draft Test Applications Due Dec. 13

Applications for Dec. 13 Selective Service Qualification test must be postmarked not later than midnight tonight, Dean of Men Stanley C. Benz announced Friday.

He said students may obtain applications for the test at Room 317, in the Selective Service office in the Bank of America building, S. First and Santa Clara streets. Office hours are 8 a.m. to 5 p.m., he added.

### Eligibility for Test

Students, to be eligible for the test, must intend to request deferment as a student, must be satisfactorily pursuing a full-time college course and must not previously have taken a Selective Service College Qualification test, according to a Defense Information bulletin.

Students whose academic year will end before, or in, Jan. 1952, are urged in the bulletin to apply for the Dec. 13 test, so they will have a score on file when the local board reconsiders their cases in January.

### Basis for Deferment

As before, the criteria for deferment as a student are either a score of 70 or higher on the Selective Service test or satisfactory rank in class.

A series of tests also will be given at various centers throughout the United States and its territories on Thursday, April 24, 1952. Applications for the April 24, 1952 test must be postmarked not later than midnight March 10, 1952.

## Get Game Ducats

Tickets for the SC-SJS football game, Nov. 17, and the COP-SJS game, Nov. 23, are available today in the Graduate Manager's office, according to Mrs. Lee Stuck.

Santa Clara ducats will be \$1 for students with ASB cards and \$3 for non-card holders, Mrs. Stuck said. COP tickets are free for students with ASB cards and \$2.40 for non-card holders.

## Stanford Dean To Open Meet

H. Donald Winbigler, dean of students at Stanford university, will give the keynote speech Thursday at the Western Regional Inter-fraternity conference at the Spartan room in the Ste. Claire hotel, according to Mike Barchi, secretary-treasurer of the San Jose State college organization.

The convention, which will be held Nov. 8, 9 and 10, will be officially opened by Frank Hickney, WRIFC president from San Diego State college.

Topics to be discussed Thursday are "fraternity relations with college administration," by Don Leidig, national vice president of Theta Xi; and "the fraternity and its alumni," by Warren Dundford, province chief of Alpha Eta Omega.

Thursday evening a banquet will be held at Vahl's in Alviso, with Willard Schmidt, head of the police school, as principal speaker. Friday the conference will resume at the Ste. Claire hotel with talks on "chapter finance" by Ed Wilson of Los Angeles, and "rushing" by Craig Larson, province chief of Sigma Chi.

Following a luncheon at the Ste. Claire hotel, a briefing session will be held at 2 p.m.

## '51 Campus Chest Opens New Drive

This year's Campus Chest drive opens today and will last all week, reports Shirley Crandall, chairman of the Community Chest drive.

The money collected will be distributed as follows: 65 per cent to Community Chest, 25 per cent to World Student Service fund, 5 per cent to March of Dimes and 5 per cent to Cancer fund.

Red Feather booths will be located at the Library arch, the outer quad, the AWS lounge, and in back of the Commerce building. Any student who wishes to solicit for the drive may obtain a Red Feather can at the Student Union. The money container will be checked out in the student's name, and the person collecting the most money will receive free movie passes from some downtown theaters.

Donations have been pledged

DR. ROBERT D. RHODES, former San Jose State college professor of biology, returned to the campus Friday afternoon for a short visit. Dr. Rhodes, who now is Dean of Students at Long Beach State college, spent most of his time renewing old friendships.

## Foundation to Give \$100,000 In Fellowships

Senior or graduate students who are interested in applying for the opportunity fellowships made available by the John Whitney foundation should arrange an appointment with E. W. Clements, chairman of the College Service Fund committee, in Room 114.

He revealed that fellowships, totaling approximately \$100,000 will be given during 1952 to American citizens, who, because of artificial barriers, such as race, religion or region of residence, have not had the opportunity to develop their talents. Preference will be given to Negroes, American Indians, Spanish-Americans, Japanese-Americans, Chinese-Americans and applicants under 35, he added.

Mr. Clements stated that fellowships will be open not only for scholastic study, but for any kind of training or experience which may be most useful in developing talents and forms of leadership.

He added that candidates for graduate study are required to have finished their college education and show evidence of exceptional promise. Both academic students and creative artists of outstanding ability are eligible for the 1952 awards, he said.

Mr. Clements disclosed that grants are expected to range from \$1000 to \$3000 and awards are for a full year of serious work, not for special, incidental or temporary projects.

by all the social organizations, but as yet only seven have responded, Shirley said.

Fraternities having fulfilled their pledges are Delta Gamma, Theta Chi, Sigma Kappa, Delta Sigma Gamma, Kappa Kappa Gamma, Alpha Omicron Pi, Kappa Alpha and the Spartan Spears society. The Spears, a sophomore women's honorary society, will hold a cookie sale today to raise money for the drive.

"As this will be the only Campus Chest drive of the year, I hope that the student body will donate generously to a worthy cause," Shirley said.

## Report Shows SJS Ranks Fourth in Credentials Issued

San Jose State college ranks fourth on the list of California colleges and universities whose teaching credential recommendations were accepted by the Credentials office between July 1 and Sept. 30, 1951, according to the quarterly report on teacher certification issued by the State Department of Education.

Of the 1910 teaching credentials issued, 139 were issued on the recommendation of SJS, the report shows. Among the 31 institutions included in the list, SJS was exceeded only by the University of Southern California, the University of California at Berkeley and San Francisco State college.

The credentials issued on approval of SJS included 7 administrative, 61 general elementary, 8 general secondary, 2 junior high, 8 kindergarten-primary, 52 special secondary and 1 supervisor's. San Jose ranked second in the number of special secondary credentials, being surpassed only by Santa Barbara college with 55.

## IRC to Elect New Officers at Meet

A discussion of the Egyptian crisis and the election of new officers will head the program of the International Relations club at its next meeting, Nov. 13, it was decided at an executive board session of the club Thursday afternoon.

A Stanford student, who is a native of Egypt, will speak at the Nov. 13 meeting, according to Dr. George Bruntz, IRC adviser.

Other plans outlined by the executive board include a discussion of the North Atlantic pact at the IRC meeting on Nov. 17. A panel, composed of Roger Over, James House and Richard Kriely, chairman, will discuss the issue at this time.

## Minister to Speak

Tomorrow at 12:30 p.m. the Rev. Dick Fitch of St. Paul's Methodist church will present his second in a series of five lectures on "The Early Church," according to Donna Bridges, chairman of the series.

"Beginning and organization of the church" will be the topic of tomorrow's talk which will be presented at the Student Y, 272 S. Seventh street. Students may bring their lunch.

## New Unit Rules Could Affect All

In further explaining new grade-point and unit requirements, Miss Viola Palmer, admissions officer, said Friday that all students, including veterans and transfer students, could be affected by them.

Under the new rules, a student who has earned 89 units but has not achieved a "C" average, will receive no further units until the "C" average is attained.

Miss Palmer went on to explain that the student so affected would continue to take regular courses, for which grade points would be given. These grade-points would be counted in raising the student's average to "C," after which time units also would be granted.

Units granted to veterans for service credits are not included in figuring the grade-point averages, Miss Palmer said.

Transfer students who were admitted to San Jose State college on petition (because of low grades) must make a "C" average by the time they have completed 89 units. Otherwise their units will be withheld under the new regulations. Units and grade-points from students' former schools will be used in computing grade-points, according to Miss Palmer.

According to the pamphlet, "Explanation of the Student's Grade Record," at the bottom of each quarter's program on the transcript are three totals. "The first shows units attempted," the pamphlet explains; "the

second, units completed, which may be counted toward the total required for graduation; the third total is grade points."

The student may compute his grade-point average by dividing the grade-point total by the number of units attempted.

## PG Club to Hear Dr. Poytress Talk

Dr. William H. Poytress, head of the Social Science department, will speak to the members of Psi Gamma, public administration and political science majors' club, Wednesday at 3:30 p.m. in Room 24.

According to Betty Driscoll, secretary-treasurer of the organization, Dr. Poytress will talk on the status of Great Britain after the election.

Miss Driscoll explained that Psi Gamma is a new organization on campus. "Its purpose," she said, "is to look into job opportunities of the future and become more familiar with our respective fields."

The other officers of Psi Gamma are as follows: president, Alex Rattray; vice president, Don Fahler, and social chairman, Pauline Day.

## Spartans Parade At Halloween Fete

Members of the Rally committee, Spartan Spears and the Spartan Shields participated in the Willow Glen Halloween parade Wednesday night, according to Chuck Wing, parade chairman.

While song girls rode in the Spartan chariot, pulled by members of the Shield organization, a number of Spears carried the SJS banner. Two members of the Rally committee, dressed in football uniforms, paraded with the group, Wing said.

## The Weather

The weather is the same old thing—bunches of fog smacking around campus, making curly locks straight, and straight locks bedraggled. Miserable stuff!

## Science Instructor Attends Field Trip

Approximately 40 San Jose secondary school teachers, under the guidance of James M. Craig, instructor in biology, explored seashore plant and animal life during a science study trip to Moss beach and Half Moon bay Saturday, according to Dr. Carl D. Duncan, head of the Natural Science department.

The visit is the latest in a series of field trips conducted by the college science department to aid the high schools in the San Jose area in establishing comprehensive science programs.

## 'Forced Voting' Is Undemocratic

A letter carried in the Thrust and Parry column of Friday's edition alleging that "forced voting" in the recent class election was practiced by a sorority on this campus deserves the serious attention of every student at Washington Square.

The writer of the letter asserted that a sorority (nameless, for obvious reasons) threatened to dock each member \$5 for failure to vote. This was made possible by checking to determine if the member's ASB card had been properly punched.

If this practice was NOT generally known to exist, the allegations in the letter could be considered in the same jocular manner in which they were obviously written.

But, the Spartan Daily IS aware that "forced voting" is carried on by many social groups at every election. Consequently, this situation should be brought into the open for a thorough airing.

Let the social organizations at San Jose State college incur the label of "pressure groups," the practice of "forced voting" must be discontinued. Better that campus elections should fail completely than to permit such anti-democratic practices to continue.

# No American Reaction To Tory Defeat--Bruntz

"The Conservative party victory in Britain won't make a bit of difference in the United States presidential election next year," Dr. George Bruntz of the Social Science department said in an interview Friday.

Since Winston Churchill led his Conservative party into power in Thursday's election observers have speculated on possible U.S. reactions to the Socialist's set-back in Britain.

Dr. Bruntz observed that Republican leaders in this country probably will attempt to line themselves up with the British "defeat of liberalism." They may cite the Conservative victory as a trend away from liberal policies

like those of the U.S. Democratic administration.

Actually, Dr. Bruntz pointed out, the election has little significance regarding the popularity of "liberal policies" either in Britain or the U.S. Although the Labor party was defeated, it won the popular vote and received greater support than ever before.

Dr. Bruntz expects few, if any, changes in the British nationalization program as a result of the Conservative victory.

In his opinion, the only possible reaction to the British election in the U.S. may be in foreign relations. He said that if Churchill changes the British approach to Russian relations it may force American foreign policy to change.

The yak's white bushy tail is in great demand for various ornamental purposes. Mounted in a silver handle, it is used as a fly-flapper in India and is called a chowrie.

# Thrust and Parry

## 'It's Man's Fault'

Dear Thrust and Parry:

I would like to contest Boris Stankevich's article on the deceiving quality of women's apparel and make-up which appeared yesterday in his "Greener Pastures" column. Mr. Stankevich, it seems, is a 23-year-old bachelor, and has no sisters. For one who appears to be such an authority on the feminine sex, I would like to know just where "Keever" gets his information.

Stankevich claims that the modern female is a "split personality," having a natural face and figure before breakfast, and an artificial face and figure by nightfall. Women, he says, use everything from powder, rouge, lipstick, mascara, falsies, girdles and bobby pins to improve upon and change their appearance. Yet, Mr. Stankevich fails to give a reason why women have resorted (if they do) to deceitful beauty methods.

The change in women's appearance probably began several thousands of years ago when Adam and Eve were the only human beings on earth. Adam, being a typical male, probably got tired of Eve, and took a second rib to create what is now known as "the other woman." Wishing to win her philandering husband back, Eve attempted a rejuvenation by stooping to a make-up kit. Competition for male attention is the same today as it was back in the days of the fig leaves.

Contrary to popular male opinion, it is not the other woman that girls try to outdo; rather, it is a feeble attempt on their part to appease the very-hard-to-please male ego.

If men were satisfied with the natural appearance of women, there would be no feminine at-

tempt for reconversion. A male reacts to feminine beauty with a long, vulgar whistle or a scorching, sweeping gaze going from head to toe. This obvious and crude reaction results in an inferiority complex for those less fortunate girls who have not been endowed with natural loveliness. She either gives up, or tries to "do something with what she ain't got."

If men weren't so concerned over women's bustlines, the manufacturers of "deceivers" would go out of business. But no—every male wants his girl friend to have a figure like Dagmar or Jane Russell. Heaven forbid!

The male doesn't worry about his physique when he acquires a "bay window" from too much alcoholic consumption, but just let his sweetie or wife try to hide her "spare tire" within the confinements of a girdle, and he lets out with a howl: "YOU'RE GETTING FAT."

Remember, boys, women are trained from childhood to regard the male as a superior being, and, brother, they never get a chance to forget it. The world is yours, and we girls are at your feet, just waiting for a chance to bash your little heads in!

ASB 1704.

J. Paul Sheedy\* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

POOR PAUL was eggzasperated because every chick on campus gave him the bird. They told him: "We're all cooped up!" Then one day his roommate said: "The hens avoid you beak-cause your hair's messy, you dumb cluck! I don't know feather you've heard of Wildroot Cream-Oil or not, but you better fry it—er, try it! Contains soothing Lanolin. Relieves dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Paul got Wildroot Cream-Oil—and now the gals think he's a good egg! Better lay down a few poultry cents on the nearest drug or toilet goods counter for a bottle or tube of Wildroot Cream-Oil. And ask for it on your hair at your favorite barber shop. Then the girls'll take off their hatch to you!

# NTC Sinks Scrapping Spartans 28-12

## Mendonsa Sets Pace For Locals

By JIM DOWNS

HULL FIELD, SAN DIEGO, Nov. 3 — The San Jose State college Spartans gave the talent-loaded San Diego Naval training center eleven a stiff argument for three quarters here this afternoon but from there on, it was no soap. The Navy won, 28 to 12, scoring 15 big points in the final 15 minutes.

It was just too much everything — burley guards, massive tackles, brutish ends, and a horde of outstanding backs which spelled ruin for the game but outclassed Spartans.

After a sparkling 72-yard jaunt by SJS halfback Gibby Mendonsa to the Navy 18 yard line and subsequent touchdown, SJS led, 12-6, midway through the third quarter.

But things wet away immediately following, and the Spartan lead vanished.

### 95 Yard Return

Halfback Jim Waddell returned the SJS kickoff 95 electrifying yards to the Spartan one yard line before Archie Chagonjian ran him out of bounds. Halfback Earl Stelle, former Oregon star, plowed over for the score. Ralph Cochran's kick was good and Navy led, 13-12.

The Spartans scored first in the game after Navy failed to go anywhere following the opening kickoff. The drive started on the SJS 40 yard line.

Mendonsa got the drive going by skirting left end for eight yards. Two plays later, he ripped off tackle for 20 yards to the Navy 30 yard line.

### Osborne Scores

After two setbacks by Lynn Aplanalp, quarterback, the Spartans continued goalward. Aplanalp tossed consecutive strikes to Fullback Bob Sykes and Mendonsa for 10 and 14 yards, respectively, to the Navy 16 yard line. Bob Osborne then dashed through a gaping hole at left tackle, shook off two tacklers, cut to his right and crossed the goal line standing up.

Dale Sumer's try for the extra point hit the uprights bouncing wide to the right.

Navy came back to tie the score two minutes before the end of the half, marching 79 yards in 13 plays.

Mixing his plays well, Don Logue connected on three passes, two to Bucky Curtis, former all-American end from Vanderbilt, to spark the drive. Waddell circled right end from five yards out for the touchdown. The kick for extra point was wide.

The first time the Spartans got their hands on the ball in the second half they went on to score. Mendonsa lost a yard and then gained it back to put the ball on the SJS ten yard line. Then the diminutive scatback squeezed thru a hole at right guard and scrambled 72 yards before Steele caught him from behind on the Navy 18.

### Mendonsa Scores

Six plays later Mendonsa ran left end for six yards and a touchdown. Summers' kick was blocked. Then came Waddell's 94 yard sprint, and Navy's consequent touchdown.

The Navy power exerted itself in the fourth quarter along with some fancy passing by Lounge. The sailors went 64 yards in six plays on one drive. Waddell sweeping right end for the score.

Later, the Bluejackets went 59 yards in five plays to ring up another score. Logue hit end Don Wham in the end zone with a 10 yard pass for the score.

Score by quarters:  
NTC 0 6 7 15—28  
San Jose 6 0 6 0—12

The Spartans have no game this week, their next appearance being against Santa Clara Nov. 17.

## Spartans Drop Aqua Matches To Stanford

Stanford university's varsity and freshman water polo teams handed San Jose State a double defeat Friday afternoon at Palo Alto. The Indians won the varsity match 11 to 3, and the frosh contest, 10 to 6.

For Coach Charley Walker's mermen, who now have a three lost and three won record, team Captain Fred Postal tallied two of the Spartan's three goals. Forward Chet Keil added the final digit.

In the freshman swim, Forward Jay Flood kept the Spartababes in the match with his four goal output. Forward Mark Setlow, leading frosh scorer this season, garnered the final two points.

It was the second straight loss for Spartan frosh, who have now dropped five of seven matches.

Walker's varsity will host the University of California Bears this Wednesday night in Spartan pool. In the first meeting between the two at Berkeley, the Bears dunked the Spartans, 13 to 4.

The freshmen next meet San Mateo high school this Thursday afternoon in the latter's pool.

## Spartans Compete In Judo Tourney

Advanced judo class students will receive an opportunity to improve their standing when they compete in a promotional belt tournament at the San Francisco Judo club on Sunday, Nov. 18, according to Yosh Uchida, Spartan judo mentor.

Approximately 25 advanced judoists will make the trip to the Golden Gate city for the tourney. Uchida related Friday.

## Netters Advance Into Second Round Of Tournament

Second round play in the annual fall quarter All-College Singles tennis tournament begins today at Spartan courts. Eight netters survived last week's opening matches.

A pair of games are slated this afternoon, with the remainder to be played tomorrow. Jake Parker, winner over Don Love in the first round, meets Jim Austin, who defeated Tom Barton. In the other contest Bob Slover clashes with Bob Bradly. The former beat Ed Lucken and the latter beat Al Chong in last week's play. The first match will start at 12:30 p.m. with the second following at 2:30 o'clock.

## Marquette-SJS Ducats on Sale

Only 25 days remain for students to obtain ducats for the San Jose State-Marquette university clash on Friday night, Nov. 30, at Spartan stadium.

Tickets for the Salvation Army charity contest are on sale in the Graduate Manager's office for \$1.20. All seats are reserved. The student section is located along the 50-yard line.

## Literary Contests Open; Offer \$5000 Top Prize

Several literary contests now are open to students. The Lippincott fiction prize contest leads the field with a \$5000 prize for a 60,000 to 150,000 word novel.

Unfinished novels of at least 45,000 words may win a \$2500 award from the Lippincott company. Novelists must be under 35 years of age, but there is no limit on subject matter, except that the book must be written for an adult audience.

Entries must be in before Dec. 31, 1951.

For story writers the American Humanist association, in cooper-

ation with Harper and Brothers publishing company, is holding a story contest with prizes of \$200 on each story accepted.

The bulletin on the contest states that stories will be judged on "simple effectiveness and publishability." Material must have a humanist theme, the bulletin says. Humanism is defined as the "belief that man must solve his own problems." This contest closes March 15, 1952. Material must be from 3000-5000 words.

The National Poetry Association now is accepting material for its annual Anthology of College Poetry. Closing date for entries is Nov. 5.

More information on these contests may be obtained by reading the pamphlets posted on the bulletin board outside the English department office, Room H 26.

### Musicians' Party

A party for music majors and minors will be sponsored by Phi Mu Alpha and Mu Phi Epsilon, men's and women's music honor societies, on Tuesday, Nov. 6, according to Miss Bonnie Neubarth, chairman of the event.

It will be held in the Student Union at 8 p.m. Refreshments are to be provided by the two organizations.

Entertainment also is on the schedule for the get-acquainted party, said Miss Neubarth.

## Meetings

## Director's Job To Be Taught At Rec Meet

"Responsibilities of a playground director" will be the subject of a recreation institute to be held Nov. 13, 14 and 15, said Miss Marcia Kasmiri, publicity chairman, Thursday.

Four activities will be explained and taught during the three-day institute, according to Miss Kasmiri. Students will divide into groups for discussion and study. Each group will have a student leader.

Conducting the group on arts and crafts will be Dave Weaver. Another group on sports and games for young children will be led by Gene Goldberg. A section on ideas and innovations in the field of music and drama will be led by Marjorie Rhodé, and a group on playground policies will be conducted by Pat Ready.

Bob Slovar, recreation major, is chairman of the institute, which will be held from 7:30 to 10 o'clock on the three evenings.

Interested students may register in Mary Wiley's office in the Women's gym. Refreshments will be served after each meeting.

The institute is sponsored by Miss Wiley's class in "Problems in Recreation."

## Spartan Is Better After Tetanus Bout

George Peter McCormick, freshman pre-legal major, who has been hospitalized since Oct. 18 with a tetanus infection, has been described as "coming along fine" by Santa Clara county hospital authorities.

Although his condition was termed serious on his arrival, a tracheotomy operation (throat incision) was performed to facilitate his breathing, hospital authorities report.

The doctors have been unable to determine if McCormick was infected by a staple which lodged in his thumb or a nick he received while shaving.

### Danforth Awards

Seniors preparing for teaching careers, who expect to attend graduate school next fall, will be eligible for Danforth Fellowships, according to Dr. Carl H. Rich, professor of education.

A total of 50 fellowships will be granted in the United States on a basis of need, with the amounts of the awards varying from \$500 to \$2400. Applications and information may be obtained in the Education office, Room 61, from Dr. Rich.

## Outstanding Author to Speak At Future Storytelling Hour

A prize-winning author, Mrs. Marion Garthwaite, will speak at a future college Storytelling hour, according to Dr. Dorothy Kaucher, professor of speech.

Mrs. Garthwaite visited at the first Storytelling hour of the season, held Thursday at the Kappa Kappa Gamma house, 196 S. Eighth street.

Her book, "Tomas and the Red-headed Angel," won the Commonwealth Club of California award for the best juvenile story of 1950, and the Ford Foundation's national Julia Ellsworth award.

The Chicago Sunday Tribune has said of her writing, "She has a fine feeling for people and place and a gift for story telling which should make her highly popular."

"Students of the story telling class are eagerly anticipating her

next appearance here," said Dr. Kaucher.

The next story telling hour will be held Thursday at the Kappa house, according to Dr. Kaucher. The student chairman will be Evelyn Hooten.

Participating will be Carol Larsen, Ann Eastman, Harriette Calogly, Mrs. Ada Potter, Barbara Jackson and Mrs. Velma Seaton. Among the stories to be told are James Thurber's "The Great Quilow," and Elizabeth Dillingham's "Halloween Story."

Press of the Globe Printing Company, 1445 S. First St., San Jose, California.

## Offer Classes In 'Dry Skiing' At Union Now

Classes in "dry skiing" now are being offered to members of the Ski club. Bill Cancilla, club president, announced today.

Under the supervision of Ken Schullig, instruction in the care of equipment will be given after every meeting. Meetings are held every Tuesday evening in the Student Union.

All ASB card holders are eligible for membership in the club, Cancilla said. Membership cards, costing \$3 each, are available at club meetings and in the Graduate Manager's office. Club privileges include free ski instruction, access to the University of California Ski lodge and participation in ski meets.

First race of the season for the SJS Ski club will be the Squaw Valley Grand Slalom on Nov. 25, according to Cancilla.

Club advisers are Rocco G. Pisano and Jan E. Hagerty.

## Mass Celebration Will Open Mission

Celebration of mass at 6:45 o'clock tomorrow morning at Newman hall, S. Fifth street, will open a three-day mission for Catholic students, according to Father John Duryea, chaplain of the sponsoring Newman club.

Father James Harrington, of the Paulist order of New York, will direct the mission.

Mass will be celebrated each morning at the same time to allow students to attend early classes. On Tuesday at 4:30 p.m., Father Harrington will speak to the men students, and on Wednesday at the same time he will talk with women students.

Each evening at 8:30 o'clock, the mission will hold a benediction and sermon. Topics in order are: "Who Is Christ?" "Why Be Moral?" and "Why Am I Living?" Tuesday and Thursday the program will be held at Newman hall and on Wednesday at St. Patrick's.

### Books on Display

An exhibit of picture books, books about make-believe and books containing stories of familiar objects and people, is now on display in the cabinet's outside the Home Economics office.

It was arranged by Caroline Coleman, home economics student, and is designed to provide ideas for Christmas gifts for small children.
