Add Courses

Today is the last day students may add courses to their schedules, according to C. W. Quinley, Jr., acting registrar. Courses may be dropped from students' programs until Jan. 26, he said.

New Transfers, Frosh Meet for Orientation

Approximately 366 transfer students from other colleges and freshmen new to the college this quarter will meet tomorrow afternoon at 3 o'clock for an orientation meeting in the Little Theater, according to Stanley Benz, dean of men.

"Students often ask about our system for figuring scholarship averages," Viola Palmer, admissions officer, stated. "Many students question us about our probation system. These questions and others will be answered at the meeting."

Helen Dimmick, dean of women, will open the session with an explanation of student government, activities, housing policies and the campus social program, Dean Benz stated.

Military deferments, veterans problems and the personnel services at the college will be explained by Dean Benz. He also will give a brief history of the college.

Miss Palmer will speak about the grading system and other administration practices.

There will be a period for questions and discussion following the talks, Dean Benz said.

Survey Shows House Worries

Approximately 63 per cent of the SJS students were "on their own" in finding living quarters during fall quarter, according to a survey made by Mrs. Izetta Pritchard, housing supervisor. The group totaled 4242 students.

Nearly 20 per cent, or 1321, of the 6758 students covered by the survey, lived with parents or relatives in San Jose. The remaining 17 per cent, or 1195, lived at home but commuted eight miles or more to attend school.

Of the 4242 who lived on their own, 1218 were housed in rooming and boarding accommodations; 651 rented rooms with kitchen privileges; 619 lived in rooms or apartments and did their own house-keeping; 748 married students lived in their own rented homes or apartments; 608 lived in sorority or fraternity houses; 204 rented rooms but "ate out"; 48 worked in exchange for room and board; 47 women students lived in co-operatives, and 99 women lived in nurses residences.

Add Ed Course

An audio-visual teacher has been "imported" from San Mateo junior college to teach two new sections in Education 103, according to Richard B. Lewis, coordinator of audio-visual instruction.

Alan Tracy is the new instructor. One of the classes will meet from 4:30 to 5:30 p.m. Monday, Wednesday and Friday; the other Monday and Wednesday from 7 to 8:15 p.m.

Senior Class To Discuss Ball, Overnight at Meeting Today

The Senior Ball and Senior Overnight will be the main topics discussed at today's class meeting, Ken Scannell, Senior class president, announced Friday.

Class meetings will be held every Monday in Room 39 at 3:30 p.m.

At today's meeting, seniors will discuss the possibility of holding their annual ball at the Bay Meadows Turf club. They hope to get Harry James or another name band.

Construction Continues On New Buildings

Wet ground has slowed construction on the exterior of the Music and Engineering buildings, but work continues at full speed on the Speech and Drama building, George Dieterle, construction supervisor number two, said today.

Work goes on as usual on the inside of the Music and Engineering buildings, and by the first part of March the two buildings should be completed, he said.

All the pile caps have been poured on the Speech and Drama building, and more than 25 per cent of the wooden forms for pouring the cement foundation have been constructed. San Jose Steel company is installing the reinforced steel that will strengthen the concrete foundation.

The Speech and Drama building is scheduled to be completed by March 1, 1954.

Lost Article Sale To Be Held Soon

Many lost articles have been turned in to the Lost and Found department and soon will be sold if not claimed, Mrs. Betty Street of the Information office announced Friday.

The articles include pens, glasses, clothing and keys.

Listed among the clothing are gloves, scarves and sweaters. There is a Spartan jacket in good condition and one wool-lined leather jacket.

Students who have lost watches recently should check with Mrs. Street, for she said a lost watch was delivered to her at the close of the fall quarter.

The Lost and Found department is in the Information office at the main entrance of the Administration building. Mrs. Street urges anyone who recently has lost anything to check with her before it is sold.

Vets Get Counsel

The California veterans adviser, J. D. Murchison, will be in Room 34 on Wednesday, Jan. 7 at 10 a.m., the accounting office said today. California veterans having trouble with their programs or needing advice should see Mr. Murchison.

The Senior Overnight will be held Feb. 7 and 8 at Strawberry Ski lodge in the Sierras, according to Mr. Scannell. The lodge will furnish a band, he said.

Seniors have been advised to get tickets early, because a lodge contract limits to 150 the number who may attend.

Tickets are on sale at the Graduate Manager's office. A \$5 deposit will be accepted now, Mr. Scannell said, and the remaining \$10 may be paid later.

President Returns

President John T. Wahlquist and E. S. Thompson, college business manager, were scheduled to return to the campus today, following a weekend trip to Sacramento.

Purpose of the trip was to discuss the college's building program with state officials, according to Miss Muriel Clark, the president's secretary.

Daily Staffers Assigned To New Positions

In keeping with the Journalism department's policy of offering as many different positions to the student as possible, new editorial assignments for the winter quarter were announced Friday by Editor Jerry Belcher. New appointments were made in the advertising staff also.

Belcher, who was feature editor of the Daily last quarter, wrote the Washington Square, Confidential column. He is beginning his fourth quarter as a member of the Spartan Daily staff.

Belcher appointed Ted Faley news editor and Jerry Garbarini associate editor. Other editorial positions were filled by Lloyd Brown, sports editor; Joyce Passetti, feature editor; Jo Rossmann, society editor; Dick Degnon, wire editor; Joanne Pratt, campus editor; Ed Jacobowsky, exchange editor and Diane Price, copy desk chief; Leland Joachim, photo editor. All are in their third quarter as Daily staffers.

Members appointed to the new reporting staff include Dave Elam, Joe Bryan, Cliff Harrington, Jack Knight, Elaine Benas, Donald DeMain, Russell Howard, Keith Kaldenbach, Nell Frank, Mildred Killam, George Nale, Bob Kircher, Bob Smith, Nelson Wadsworth and Ronald Wagenbach.

The Student Council named Freidoun Pirzadeh as business manager of the Daily and head of the advertising department. Also appointed to the advertising staff were Fred Peltz, national advertising manager, and Diane Burton, office manager.

New salesmen on the advertising staff are William Spengeman, Paul Parsons, Bob Cline, Dale Harris, Eddie Wright, Bob Waite, John Griffin, Jess Smith, Delavan Kennedy, Tom McClelland, Evelyn Malinao, John Burns, Forrest Johnson, Bob Gorman and Jim Nash.

Red Cross Praises Campus for Drive

The San Jose chapter of the Red Cross commended the college for the blood drive conducted by the Freshman class.

In a letter addressed to Bernie Rapley, Campus Chest chairman, Alistair A. Anderson, local Red Cross chapter manager, said, "You (students and faculty of SJS) have established an enviable record of community service and support of welfare activities."

Mail Accumulating

"Stacks of unclaimed mail for students and organizations have accumulated in the Student Union," Mrs. Betty Street of the Information office announced recently.

Students who expect mail addressed to the college should check with Henry Stoltenberg, custodian of the Student Union.

Showers Due

Since the creation of man, rain has fallen during the winter season. It rained last week, and it rained over the weekend. It must be the rainy season, and unquestionably it is winter. Prediction: it will rain.

Alumni Select Chief of Office

Miss Peggy Major, 1950 journalism graduate from San Jose State college, has been named alumni secretary and editor of the Alumni Review, it was announced today.

She succeeds Joe Juliano, whose resignation as director of the Alumni association became effective Dec. 31.

Coincident with Miss Major's appointment was President John T. Wahlquist's announcement of a new plan for the alumni office's operation on this campus.

The office is to be moved from 210 S. Seventh street to Room 14 in the Administration building and will be connected with and supervised by the Graduate Manager's office, headed by William Felle.

Four members of the college administrative staff have been assigned duties in connection with the revamped alumni office set-up. They are Mrs. June Fidelity and Miss Ethelreda G. Brown, members of the office staff; Harold Seyferth and Lowell C. Pratt.

Mr. Seyferth, coordinator of extension services, will act as the Alumni association's field representative and will aid in contacting SJS alumni groups throughout the state.

Mr. Pratt, director of public relations, is to assist in the publication of the Alumni Review, a monthly magazine containing campus news for ex-Spartans.

Other personnel and college facilities will be made available to the Alumni association as far as possible, President Wahlquist said.

Miss Major, whose appointment becomes effective today, was employed by the Sunnyvale Standard. She worked in the personnel department of the Food Machinery and Chemical corporation in San Jose before returning to the college.

Lawrence Funeral

Funeral services were held Saturday morning in Angel's Camp for Mrs. Evelyn Cuneo Lawrence, former art student at the college. Mrs. Lawrence died Dec. 26 of injuries suffered in an automobile accident in Illinois following her elopement with Albert Lawrence.

Mrs. Lawrence, 22, was the daughter of Mrs. Ida Cuneo, 62 Locust street, San Jose. Funeral arrangements were handled by the Williams Funeral chapel of San Jose.

Classes Close

English composition courses 1A, 1B, and 2B are closed, Mrs. Bobbie Waddington, secretary of the English department, reported today.

'Joe Sent Me' Will Be Theme Of Junior-Senior Class Mixer

"Joe Sent Me" is the theme chosen for the junior-senior mixer to be held Jan. 7, according to Ken Scannell, Senior class president. "Joe sent me" was a popular expression during the 1920's.

All juniors and seniors are invited to the party, in the Student Union from 7:30 to 11 p.m.

Those who attend will be given imitation currency and will have opportunities to increase or decrease their play money. Concessions, contests of skill, and booths are planned to afford tests of financial judgment.

The participant with the greatest amount of play money at the end of the evening will be awarded a prize.

Scannell said that all persons are on their honor concerning pooling of resources and borrowing of play money. Each person is expected to handle his own money and make his own transactions.

Dancing and other entertainment is scheduled for those who wish to escape the business of making and losing money.

"It will be a party where students can mix business with pleasure," Scannell said, "and we think it will be the best mixer ever held here." All upper division students are invited.

A booth is to be set up for pre-sale tickets.

The mixer is sponsored by the junior and senior class councils.

'Red Alert' on Campuses?

"Red alert" is the traditional warning that bombers are on the way and that it is time to man the anti-aircraft guns. Last week the red alert flashed for academic life in the United States.

Senator Joseph McCarthy told the magazine "U.S. News and World Report," "We (the Senate committee on government operations) are going into the educational system."

The Wisconsin Republican says he will seek "Communists" and more particularly, "Communist thinkers." The purpose, he maintains, will be not to stifle academic freedom, but to promote it.

From observing the Senator's usual tactics, we would guess that, using his congressional immunity as a safe base, he will drop a rhetorical A-bomb on American campuses. The casualties are likely to be high, particularly in the more liberal ranks of the academic world.

Group Builds Six Daily Racks

Six new Spartan Daily racks, Byron Bollinger, superintendent recently constructed by members of building and grounds, cut the of the Alpha Phi Omega fall quarter racks into sections. The two for pledge class now are placed pledges assembled them.

Working on the pledge project pledge class first became aware of were Hal Furchild, chairman of the need for new Daily boxes and the A Phi O book exchange, and rebuilt and painted them at that time.

Settles Named To Camp Job

Claude N. Settles, associate professor of sociology at the college, has been named a member of a board to interview candidates for appointment as boys' group supervisors for the Ben Lomond Forestry camp.

Other members of the board, which will meet Jan. 8, are M. F. Chenoweth, representing the State Personnel board; and Dr. Vandyce Mamren, assistant to the director of the California Youth Authority.

Seventeen per cent of the student body, 1195, commuted eight miles or more to college last quarter.

Revised 'Eurydice' Cast List Released by Speech Office

Two Professors Attend Meeting

Dr. Ralph J. Smith, Engineering department head, and Norman Gunderson, assistant professor of engineering, returned last week from a two-day meeting of the annual convention of the Pacific southwest section of the American Society for Engineering Education.

The convention was attended by 100 engineering educators celebrating the centennial of the engineering profession in America.

Mr. Gunderson presented a paper entitled "A Constructive Engineering Program to Meet Employment Requirements."

Exam Deadline Set

Deadline for filing applications for civil service examinations open to seniors have been announced by the State Personnel board.

Final date for filing applications for junior chemist and junior chemical testing engineering has been set for Jan. 23. Administrative, trainee, junior staff analyst, and junior real property agent applications will close Feb. 13.

Returns to Staff

Miss Gladys Nevenzel, associate professor of home economics, has returned to the staff after a quarter's leave of absence, according to Dr. Margaret Jones, department head.

The revised cast list for the Drama department's production of "Eurydice" was released Friday by the college speech office.

Delores Hieb as Eurydice and Richard Risso as Orpheus will share top billing in the play, which will begin Jan. 30 for a one-week run.

The remainder of the cast is composed of Robert Dietle, Orpheus' father; Ruth Dougherty, Eurydice's mother; Douglas Murray, Vincent; Tom Rogers, Mathias; Gerald Charlebois, Dulac.

Others are: Thorne Kinsey, the little manager; Kay Penfold and Lorraine Cazenave, two girls of the company; Clyde Allen, Monsieur Henri; Craig Thush, the hotel waiter; Gary Waller, the bus driver; Ronald Blood, the commissioner's secretary; Joe LoBue, the restaurant waiter; Marion Sparks, the cashier.

SJS Will Host National Judo Meet in May

Coach Yosh Uchida and his crack judo team again brought San Jose State college into the sports limelight at the national AAU convention held in Spokane, Wash., last month.

SJS was named as the site of the first annual national AAU judo championships to be held in the Men's gym May 8 and 9. Uchida was appointed as judo commissioner for the Pacific Association of the AAU.

Coach Uchida also was elected to the rules committee governing judo in the AAU.

Ice Cream Offered Spartan Trackmen

Coach Lloyd "Bud" Winter, seeking talent for a track team that has been shaken up by ineligible players and the call of Uncle Sam, has announced he will hold an ice cream feed in the Coop, Jan. 14 at 7 p.m., for athletes wishing to be on the team.

Winter said that no man who turns out will be cut from the squad. He has made a call for both freshman and varsity men. There will be separate schedules for each team this year.

Practice starts officially on Jan. 19, he said.

Hopes that this year's team will be as apt as last year's depends largely on the turnout of new men. The 1952 aggregation finished behind the University of Southern California in national standings.

Forty women students and eight men students worked in exchange for room and board fall quarter.

Spartans Swamped, 67-47

SJS Loses CBA Opener to Dons

By BOB SMITH

An outclassed Spartan cage team dropped its opening game in the newly formed California Basketball association to the University of San Francisco Dons Friday night, 67-47, at San Francisco's Kezar pavilion.

Led by stellar forward K. C. Jones, the Hilltoppers took command of the game after three minutes of play and never relinquished the lead. It was the second win of the season for the Dons, who lost seven straight before defeating Fresno last week. The Spartans now have a .500 percentage, having won four and lost four.

Although the Raiders appeared to be below their normal playing pace, USF gave every indication that they would be one of the top teams to beat for the CBA title, as Coach Walt McPherson predicted last week.

Unable to penetrate a rugged Don defense, the Spartans did not score a field goal until nine minutes of playing time had elapsed. Before Don Edwards hit from the floor, the Dons held a 14-2 lead, with only Fred Niemann's two free throws registered on the SJS side of the scoreboard.

For the Raiders it was a case of too much Jones, both on defense and offense. The sensational sophomore forward scored 15 points, which was high for both teams, and led the ball-hawking Hilltopper defense with his aggressive play.

Top men on the Spartan scoring parade were Niemann, with 14 points, and Edwards, with 13.

Dick Brady, sophomore who saw limited action, scored 11 points. A spark in the otherwise cold Raider offense showed itself with five minutes remaining in the game, but it quickly died out. Carroll Williams sank a free throw and Brady bucketed two quick field goals, but the Don defense tightened and the McPhersonmen were able to produce only four points the remainder of the contest.

In the preliminary game, the Spartababes fared no better than their big brothers, losing 54-40 to the USF frosh.

P.E. Secretary To Leave SJS

Jackie Lee, athletic news bureau and Physical Education department secretary, will give up her duties at San Jose State Feb. 1 to travel overseas with the Red Cross, she announced Friday.

Miss Lee has held her present position for four and one-half years. She attended the college two years prior to that time.

"She has been a great asset to the athletic division of the college," said Danny Hill, athletic publicist.

Officials still are seeking a replacement for Miss Lee.

Driver Education Class Offered This Quarter

A driver education course will be offered to teaching majors again this quarter, Robert Johnson, industrial arts instructor, announced Friday.

Purpose is to provide education majors with a functional knowledge of automobiles, thus enabling them to teach such a course, Mr. Johnson stated.

No credit will be given. However, Mr. Johnson said he believes California will soon pass a state law requiring all teachers to take a driver education course.

Culture Test

A general culture test is scheduled to be given Jan. 10, beginning at 12 noon, the graduate study office announced Friday.

All who are to take the test must sign for it in advance in Room 118.

For Rent — Tuxedos COSTUMES

Number Changed

Interested students are urged to sign up for class HH 182, erroneously listed in the schedule of classes as HH 180, Health Department Head Miss Margaret Twombly said Friday.

HH 182 is a one and one-half unit class designed to meet the state requirement for classroom vision testing by qualified persons.

Radio Audition For Network Show Tonight

Tryouts for an hour-long production on the life of Tchaikovsky will be held tonight at 7 o'clock in the radio studios, Room 165C, according to Robert I. Guy, radio department head.

Fifteen parts are open to applicants, Mr. Guy said. The program will be broadcast over a west coast network.

San Jose State's oldest current football rivalry is with Stanford, which was met for the first time in 1900. Stanford has won all 10 games played in the series.

Dr. Heath Requests Students To Take Personnel Exams

Personnel entrance tests will be given Jan. 10 from 7:45 a.m. to 4:30 p.m. in the Morris Dailey auditorium, according to Dr. Harrison F. Heath, coordinator of technical courses.

All students registering for the first time and those given temporary permission to register must

take the examinations, Dr. Heath said.

"Students who fail to take the tests at the proper time will find their registrations cancelled immediately," he said.

A pen and an electrographic pencil are needed to take the examinations, Dr. Heath said.

MEET YOURSELF— 10 YEARS FROM NOW

Ever wonder what you'll be like when the class of '53 holds its 10th reunion? If you started to work for one of the Bell System telephone companies after graduation, here's a pretty good idea.

POSITION IN THE WORLD: On the way up! A Commercial Manager, the company's representative and spokesman to as many as fifty thousand customers. A Transmission Engineer, helping to provide the telephone needs of an entire state. A Supervisor in the Traffic Department, responsible for the speed and quality of local and long distance service in several cities and for the personnel relations of a large number of employees. In the telephone company, jobs such as these are held by relatively young men and women.

FUTURE: Unlimited! The Bell System continually progresses and expands and its personnel grows with it. In the past 25 years, the number of telephones has almost tripled. In the past 5 years, telephone companies have introduced such things as network television transmission, radiotelephone service and dialing of Long Distance calls. And the best is yet to come.

FRAME OF MIND: Confident and proud! You'll be satisfied because you have a rewarding job... not only in pay and security... but in service. You'll be proud of your share in helping provide and develop a telephone service vital to the country's social and economic life.

Like the picture? For further information see your Placement Officer. He will be glad to give you details regarding the opportunities for employment in the Bell System.
