Hartranft Explains College Football Financial Situation

Editor's note: Two articles on college football finances have appeared in the Spartan Daily. They were obtained from the Graduate Manager's office, official source for college financial statements.

Following is a third statement on the situation, this one from Glenn Hartranft, chairman of the Physical Education division.

If, however, any other official source feels the need to comment further on the situation, the Daily is eager to cooperate.

STATEMENT TO THE PRESS

"There have been two articles regarding the financial condition of the football account. Neither of these articles was printed with my approval nor was I given op-

portunity to discuss them. They have created a good deal of confusion and discussion on the campus. Therefore, I am preparing the following statement of football expenses and the possible future expenditures for the rest of this year.

"As of the 1st of February, 1953, the football account stands as follows:

GROSS INCOME	
all games	\$51,198.29
student body approp.	8,000.00
concessions	1,225.46
frosch football	316.35
football programs	2,678.91
radio broadcast	2,000.00
Total	\$65,419.01

EXPENSES	
all games (incl. taxes, trip exp. etc.)	\$40,529.63
coaches, travel & exp.	2,377.93
equipment	1,101.33
frosch team	1,383.52
laundry	538.42
miscellaneous	183.73
PCC officials	50.00
football programs	2,154.73
scouting	525.75
telephone & telegraph	458.63
ticket printing	572.22
training	60.07
work aid	12,291.45
Total	\$62,227.41
NET TOTAL	\$3,191.60

"You will notice that the anticipated income of \$15,000.00 from the College of Pacific game is not included. Neither is the Work-Aid item for February which cost \$1,224. This leaves an anticipated working capital of \$16,967.60 for the rest of this year.

"In conforming with the new regulations of the State College Presidents, we are setting up a new Work-Aid program which will take approximately \$15,000 for the rest of the year, leaving a balance of \$1,900. From this \$1,900 we have to pay the expenses of spring practice, which include equipment (shoes, shoe laces, cleats, repairs, etc.), travel and travel expenses, the spring game, etc.

"At this time of the year we usually try to regulate our expenses to meet the amount of money available. If there were \$3,000 or \$3,500 we could very easily use it for normal expenses. If we have only \$1,900, we will cut our expenditures accordingly.

"So, you see, we are not in a position of having excess capital. We will balance the budget and probably end up with a few dollars in the black, which is good operation in this modern day of football."

Athletic Coaches Lose Their 'Home'

Ask any baseball fan and he will tell you the best way to find home plate is to knock a home run. Not so Walt Williams, baseball coach, and Glen "Tiny" Hartranft, Physical Education department head.

Last week when they went out to the new freshman baseball diamond, they discovered that home plate was missing. Confusion reigned. The two studied the momentous problem from every angle, then contacted the Engineering department.

After a hurried conference with Dr. Ralph J. Smith, head of the Engineering department, they returned to the diamond, armed with transit, sextant, and plumb line. Home plate soon was found.

Said Hartranft, "We are now well qualified to be engineers." Dr. Smith is pondering this statement.

Council Grants \$100 to College Debating Club

An appropriation of \$100 was granted yesterday by the Student Council to the Forensics group to expand its activities.

A similar request of the Spartan Daily to meet rising costs of printing was committed to the Board of Control for further investigation.

In other council business, the group approved the appointment of Bobbie Hoepner and Maurice Vargas as co-chairmen of Co-Rec.

Tom Mullan, chairman of the student committee to work on the athlete Work Aid Fund drive, announced a meeting of fraternity representatives at the Sigma Chi fraternity house tonight at 7 o'clock.

Bill King, prosecuting attorney of the Student Court, tendered his resignation to the council, effective at the end of the quarter. King is graduating in March.

Eta Epsilon, home economics group, was granted permission to sell cupcakes in the Library Arch this afternoon.

Education TV Limits Marked

Educational television "must not get into the field of entertainment or any other field which rightfully belongs to commercial television," Gov. Earl Warren said recently.

The statements were made in reply to the request of a local committee that channel 54 be established in San Jose for educational purposes.

The governor told the committee that any "reasonable" program for educational television stations would "carry great weight" with the legislature.

Assemblyman Francis Dunn (D-Oakland) has introduced a bill to lend \$5,000,000 to local districts to construct and equip educational stations.

The local committee will meet in the near future to discuss the problem.

ELLENE BAKENHUS, left, and Virginia Meschendorf refuse to take "No" for an answer and politely are persuading Bob Cline to accept an invitation to the annual Valentine dance, "Heart's Delight." The girl-ask-boy affair will be held Saturday night at the Scottish Rite temple. Not a campus queen, but a campus king will reign over the hop. Prince Charming among males will be crowned "Jack of Hearts" at the dance. —photo by Parker

Eleven Attend Policy Talks

Eleven students from the college will travel to Stanford university this afternoon to participate in a three-day conference on United States foreign policy.

Seventy western colleges have been invited to send delegates to the annual conference.

Conference officials expressed the hope that former Secretary of State Dean Acheson will be on hand to address the delegates Saturday evening.

Dr. George Bruntz, professor of history and social science, will participate in a symposium discussing the "United States cold war: Is containment enough?" Other members of the panel are Robert Gros, author, commentator, and world traveler, and Richard Goold-Adams, editor of the London Economist.

Attending the conference from the college are Anton Howard, Robert Blane, Sally McCombs, Art Butler, Medric Godbout, Tom Luce, Myme Watrous, Lon Polk, Barbara Roach, Robert Lindsey and Derrell Repp.

Bridge Teams Play Tonight

Five college teams entered in the National Intercollegiate Bridge tournament will hold a preliminary match tonight in the Student Union from 8:30 to 10:30 o'clock.

The four highest teams will play again Feb. 19. Del Bowles, social affairs committee head, said yesterday. The winner of this match will represent the college in the national finals.

Students To Be Polled On Wahlquist Induction

A student poll in connection with the inauguration of President John T. Wahlquist, May 1, will be appended to the ballot in tomorrow's election.

Questions will include: Should students be allowed to participate in the inauguration? Would your parents and relatives be interested in attending the inauguration? Do you favor following the inauguration with a student-sponsored Inaugural Ball?

The poll is being taken to help the inauguration committee formulate plans for the ceremony, according to Don Binder, Student Court chief justice.

Votes may be cast from 8 a.m. to 4 p.m. tomorrow. The polls will

remain open during lunch hour, Binder said.

Another item on tomorrow's ballot will be a proposed amendment to the ASB constitution making the office of Prosecuting Attorney to the Student Court an appointive, rather than an elective office.

The proposed amendment originated from feeling in the Student Council that the job should not be one of a political nature, but that the office should be filled from applications.

Thirty-eight candidates are vying for 19 student government posts. Most of the offices are class offices, plus class representatives to the Student Council.

Let Voices Replace Posters

EDITORIAL

We are curious. Who or what are we to elect tomorrow? It would appear that we will have to elect posters, not people.

Walking across campus, we counted 39 campaign posters, ranging in quality from moderately clever to slightly inane. We did not encounter any candidates in person, and therefore cannot judge their quality.

This is not a tirade against posters. They definitely have a place in the campaign. But . . . perhaps we are old-fashioned . . . we think the candidates themselves should have the most prominent place in it.

So far we know almost nothing about the candidates. Their statements to the Daily have been so general as to be almost completely meaningless.

And apparently no one is conducting a "grass-roots" campaign. No candidate we know has presented his platform personally to students. None has made speeches. Perhaps the reason is that nobody has a platform.

It's too late to do much about the situation in this election. Evidently we'll have to vote for the prettiest poster and take our chances. But we think candidates in future elections would do well really to campaign, make speeches, contact the students, and present their ideas.

In other words, let the campus politicians stand on their own legs, not the frail crutches, supporting their posters.

Draft Calls of College Men On the Increase, Says Benz

An ever-increasing number of college students are receiving their induction notices, according to Dr. Stanley C. Benz, dean of men.

"Students are entitled to one college deferment by law," Dean Benz said.

College men should report for their physical examination when they are notified, he said. When students wishing to remain in college receive their induction notices, they should write immediately

to their draft boards requesting a deferment.

In addition, those seeking deferments should request the Registrar's office to send to their draft boards the proper form certifying that they are carrying a full-time program of 15 units, he said.

A student with a college deferment may enlist in any branch of the armed services, before deferment runs out, he said.

Taylor Takes Command Of UN Korean Forces

SEOUL, KOREA (UP) — The man who will lead any new United Nations offensive against the Reds in Korea took formal command of the United States Eighth Army yesterday.

Lt. Gen. Maxwell D. Taylor signed the document formalizing his taking over of command from retiring Gen. James A. Van Fleet.

Ask For Execution Stay

NEW YORK (UP) — Emanuel H. Block, attorney for Atomic spies Ethel and Julius Rosenberg, said yesterday that as a last resort in his fight to save them from the electric chair, he would ask the U.S. Supreme Court for a stay of execution and a review of their case.

May Re-appoint Faculty
LOS ANGELES (UP) — The University of California regents have agreed to re-appoint faculty members fired because they refused to take a loyalty oath, but the question of their back pay will be decided by the State Supreme Court.

Chinese Guerrilla Force
TAIPEH, FORMOSA (UP) — An estimated 5,000 Chinese Nationalist soldiers have formed a guerrilla force in a mountainous area southeast of Sining in Western China, TaTao news agency reported yesterday.

Recently the guerrillas staged a series of raids on Communists in districts between Sining and the border of Kansu province.

Group Accepts Kaucher Poem

A poem written by Dr. Dorothy Kaucher, associate head of the Speech department, has been accepted by the National Poetry association. It will be published in an anthology written by and for teachers.

The anthology will contain poetry written by teachers and professors in high schools and colleges throughout the country.

Dr. Kaucher's poem is a humorous take-off on the "school-marm" who will never give up teaching, she explained. She wrote it at a time when she was undecided about going back to teaching school.

Admission is free upon presentation of an ASB card.

Diane Pardue

Diane Pardue is running for the office of Freshman class representative.

"I am running for this office because I would like to become active in student government at the college. I feel that my previous experience in student affairs has given me the background necessary for a capable representative. If elected, I will fulfill the office to the very best of my ability and will really work for the Freshman class."

Seek Victory No. 3 Against COP Quintet

The Raider basketball team, fresh from a surprise victory over St. Mary's, is pointing to Friday's contest against COP'S Bengals. Coach Walt McPherson's men will be shooting for their third straight CBA win.

The Tigers, always a threat to the Spartans, may be without the services of Gene Sosnick, sensational scorer and play maker.

The Spartans will be counting on the consistent performance of Guard Lee Jensen to pace their attack.

Jensen added to his lead of the Raider's scoring with 22 points against the Gaels. His 224 total for 18 games gives him a 12.5 season average.

Center Fred Niemann remained in the runner-up spot with a 13 point performance against the Moragans. Niemann has an 11.2 average, with 212 points in 19 games.

Jensen also leads the Spartans in percentage of field goals made from the floor. The lanky senior has netted 87 two-pointers out of 237 tries, for a 36.7 mark. Forward Dick Brady is next to Jensen in this department with 34 per cent.

Niemann and Forward Don Edwards lead in rebounding. The big center grabbed 21 off the boards against SM to bring his season's total to 200. Edwards has 163.

Mumbymen Face Olympic Squad

In search of their sixth straight victory of the season, Spartan wrestlers will meet the Olympic club in the Spartan gym tonight. The first match will begin at 8 o'clock.

The Olympic club consistently has one of the best wrestling teams on the coast and should offer the Mumbymen some formidable opposition.

To date the Spartans have defeated Stanford twice, University of California, Cal Poly, and San Francisco State. Four Spartan grapplers are undefeated. Joe Tigo, 130 lb. wrestler, has won five straight, as has Dave Leslie in the 157-lb. division. Dick Francis, 117-lb. wrestler, seeks his sixth straight, as does Heavyweight Bob Roebuck.

There will be ten matches tonight. Coach Hugh Mumby has

selected Kay, Toyota to represent SJS in the 115-lb. division. Joe Ross will grapple in the 123-lb. match, while the undefeated Tigo wrestlers in the 130-lb. class.

Either Dan Gonsalves or Jack Cassidy will wrestle in the 137-lb. weight. Pete Herder will represent the Raiders in the 147-lb. bout.

Tom Bassche replaces undefeated Dave Leslie in the 157-lb. match, and Joe Thornley grapples in the 167-lb. division.

Undefeated Dick Francis will battle in the 177-lb. bout, while either Tom Fine or Paul Reuter will represent SJS in the 191-lb. division. Roebuck will be SJS's heavyweight representative.

The Spartans are tentatively scheduled to meet Alameda Naval Air Station Feb. 19, in the Spartan gym.

SJS Mermen Down TI Navy

Coach Charley Walker's San Jose State college swim team coasted to an easy 60-24 victory over the Treasure Island Navy mermen last night at Treasure Island in the opening meet of the year.

First place winners for the Spartan mermen were Num Fong, 100-meter; Jay Flood, 150-meter; Bob Filler, 200-meter backstroke; Dave Anderson, 200-meter breaststroke; Adrian Jund, 400-meter; the 150-meter medley relay comprised of Filler, Fred Postal, Dale Anderson, and Jim Hughes, and the 200-meter medley relay which was led by Fred Alvoid, Don Thre-fill, Chet Keil, and Postal.

Mittmen Head For Pocatello To Meet ISC

Coach Chuck Adkins and his boxing team will leave San Francisco airport early tomorrow morning for their second trip to the Northwest in two weeks.

The Spartans will box Idaho State college glovemen in Pocatello Saturday night. Last week they battled to 4-4 draws, with Washington State college and Idaho university.

Raiders making the trip are Al Accurso, bantamweight; Mike Guerrero, featherweight; Joe Rodriguez, lightweight; Al White, light-welterweight; Dick Bender, welterweight; Ed Heinrich, middleweight; and Darrell Dukes, light-heavyweight.

There will be no light-middleweight or heavyweight bouts.

The Spartans will meet the University of Nevada in Reno Monday night.

Schroeder Hits For Sixty Points In 'Mural Play

Results of last night's intramural action in the Men's gym were as follows: IFC league—Sigma Alpha Epsilon, 78, Theta Xi, 37; Delta Upsilon, 50, Pi Kappa Alpha, 32; Lambda Chi Alpha, 61, Delta Sigma Phi, 49; Sigma Pi, 32, Kappa Alpha, 24.

Independent league: 101 Manor, 70, Huckster Hoopsters, 43; Foul Balls, 77, Fizzlies, 17; Cowboys, 50, Racketeers, 49. The Beaux forfeited to the Flying Foulers.

Highlight of intramural play was Sigma Alpha Epsilon's seventh straight win, in which Forward Don Schroeder scored 60 points against Theta Xi. Theta Xi showed up with only four men, so SAE used only four men, also.

Schroeder had 22 points at the end of the half, and as the game was turning into a rout, the SAE's started feeding Don. This is the season's individual high.

The Foul Balls and 101 Manor remain undefeated in the Independent league. 101 Swept past the Hucksters with Hugh Murphy again leading the attack with 29 points.

John Oldham scored 32 points as the Foul Balls knocked off the Fizzlies. Sigma Pi knocked Kappa Alpha out of second place with their win. Jack Payne led the winners with 12 points.

Kenny Mitchell's 21 points paced Lambda Chi Alpha to a 61-49 win over Delta Sigma Phi. The win knocked Delta Sigma Phi out of second place.

The Rev. David Woodward, a Redwood City missionary, will speak before a meeting of the Collegiate Christian Fellowship today in Room 39 at 12:30 p.m. The Rev. Mr. Woodward, who is scheduled to leave this month for Formosa on a new assignment, will talk on his missionary work in China, Tibet, and India.

Out-of-State Jobs Offered

The Placement office is receiving out-of-state requests for teachers, in addition to requests from California schools, Miss Doris K. Robinson, director of teacher placement, said yesterday.

The most recent out-of-state request is from Seattle. Seattle schools offer excellent opportunities to beginning teachers in the elementary field, according to the notice.

Further information, application blanks, and salary schedules are available in the Placement office.
