SAN JOSE STATE COLLEGE

Vol. 41 SAN JOSE, CALIF., THURSDAY, MAY 21, 1953 No. 149

Eight Protected Dates Approved by SA Board

Eight protected dates for the main social and organizational functions of the 1953-54 scholastic year have been submitted and approved by the Student Activities board, according to John Aitken, chairman of the board.

As the dates now stand, Dec. 5 is reserved for the Christmas Seal ball, Jan. 29 or 30 for the Wintermist dance and Apr. 30 for the Spring dance.

AWS has had the date of Feb. 13 approved for the Heart's Delight affair.

Depending upon the director's decision to hold the Revelries production during the winter or spring quarter, the dates of Feb. 19-20 or May 14-15 will be reserved for the event.

The Coronation Ball to crown the queen of Homecoming activities will be held on Oct. 30.

June 12 has been set aside for holding of the Senior ball.

Aitken said that since the Junior and Sophomore classes have not made their bids for the Junior Prom and the Sophomore Hop dates, "they will have to take their chances on getting dates unless they apply immediately."

Money Spent; Speedy Action By New Council

President John Aitken's first session with the gavel was a busy but brief one as the 1953-54 Student Council met for the first time yesterday.

After being sworn in by Chief Justice of the Student Court, Bob Roberts, the council appropriated \$541.

Included was a \$500 working fund allotted to Mr. James Jacobs and student assistants who are preparing "A Spartan from the Start." This is an orientation booklet for freshmen and jaycee transfers, and intended to replace "Campus Compass."

Twenty-five dollars was set aside for copies of La Torre, the college year book, to be awarded the members of the Social Affairs committee with the highest points.

Ten dollars was added to a surplus \$40 left over from the budget of the previous council and the \$50 designated to send an additional representative to Camp Minnawana. Chairman Dean Ann Bailey named Bill Kennedy, Hank Rapp, Sally Butler, Sherry Nuremberg, and Carol Kennedy as San Jose State's delegates to the camp.

Aitken announced that the appointive power of the Student Council would be used only after advertisements for applications for jobs had been published.

Group Asked To Investigate '54 Open House

A proposal by the College Life committee that students and faculty members sponsor an all-college function to take the place of Spardi Gras has been approved by the President's Council, according to a committee report.

The committee has suggested an open house to which the public would be invited, and it has been asked to work out the details on the event planned for 1954.

The proposed plan has developed from the requests of students for the restoration of the Spardi Gras. The committee, which is composed of instructors, students and representatives of the administration, decided that revival of the Spardi Gras would not be advisable because of difficulties involved in controlling the behavior of some students.

Another objection against the carnival was that it had little or no educational value and had created a strain on the finances of many participating organizations.

An open house, such as that held by the Natural Science division this spring, the committee felt, would help promote better cooperation among students and faculty and would create goodwill in the community.

A joint faculty-student committee may be set up in the fall to plan for the event, Dean Joe H. West, chairman of the College Life committee, has announced.

Morris Daily Opens Doors To Free Show

The senior class will throw open the doors of Morris Dailey auditorium today at 11:30 a.m. to present a variety show, featuring student talent from all over the college.

The hour-long show is free, says Ingrid Anderson, organizer and chairman for the event. Everyone is invited.

The program includes songs by a quartet from the University of California, Rosalie Anzalone will sing, "Somewhere Over the Rainbow" and "I May Be Wrong." Carmel Gouvenne will sing a medley of songs from "Showboat."

Maurice Bodwell will play the piano and Frank Woodland will narrate an act similar to "Peter and the Wolf."

Yosh Uchida will present his judo team in an exhibition. Theta Chi chorallers will sing "Three Bells." Wanita Wilent will tap dance. Chi Omega's "Dullskulls" will perform and Sigma Kappa will present a charleston group.

Masters of ceremony will be Joe Thornley and Don Curry.

An added feature will be two seniors dressed in monk robes to add some clowning between acts.

Semi-Finalists Go In Novice Tourney

Four teams will go into the semi-finals of the novice debate tournament this afternoon at 3:30 p.m.

John Rogers and Jack Aho, negative, will meet Jo Rossman and Ted Foley, affirmative, in Room 155. Judges will be Mary Campbell, Bill Tyler and Jim Mynard.

Adventure Galore In 'Desert Legion'

By JOE BRYAN

Anyone seeking an adventure with a minimum of love-making will be pleased with "Desert Legion" currently playing at the United Artists theater.

Alan Ladd, Arlene Dahl, and Richard Conte play the leading roles in this nicely-paced, well-plotted action story of the French Foreign Legion. Akim Tamiroff provides comic relief. Ladd is described in the picture as the last of the real romantics. His contest with Conte is ideological, and for Arlene Dahl. He wins after a maximum of suffering which includes exotic duel and imprisonment.

Male patrons will be interested in an oriental dance performed by an unidentified bit player, and female patrons will be attracted by the flexing of the Ladd muscles, and his voice.

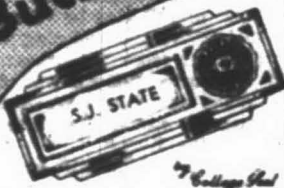

Latin Trip Talk

The Rev. Dwight Small, pastor of the Westminster Presbyterian church of San Jose, will discuss highlights of his recent trip to Guatemala and Honduras at the regular meeting of the Inter-Varsity College Christian Fellowship, today at 12:30 p.m. in Room 39.

Small journeyed to Central America to serve as chairman of a missionary conference there.

The CCF meetings are open to all students and faculty members.

Balance Due On La Torres By May 29

Deadline for the payment of the additional \$3 due on yearbooks that were purchased with a \$2 deposit is May 29, according to Jim Cottrell, La Torre publicity manager.

Cottrell urges those students who have not already bought yearbooks to make their purchases in the Graduate Manager's office as there are only a few left.

He also requested that all La Torre salesmen turn in their tickets as soon as possible.

ASB Officers Are Installed

Ten new ASB executives took their oath of office at yesterday's meeting of the Student Council. Bob Roberts, chief justice of the Student Court, swore them in.

Formal installation will not take place until the Installation banquet Sunday, according to Arline Gentry, recording secretary.

Miss Gentry reported that the banquet will be held at Eliot's Red Coach Inn on the San Jose-Los Gatos highway from 7 p.m. until 9 o'clock.

New Sidewalks Seen by July 1

New sidewalks for the entire campus are in sight by July 1, Byron Bollinger, supervisor of construction and repair, said yesterday.

Work on the roadway in front of the new Engineering building was underway yesterday and concrete for the walks will be poured today.

New walks along San Carlos and Fourth streets are scheduled within the next two weeks. Last phase of the sidewalk project will be replacement of the roadway near the college boiler room, Bollinger said.

Remodeling of new personnel offices is nearing completion, and moving equipment into the new offices is planned by the end of the week.

Crews are still busy remodeling the old personnel offices and Dean Joe West's office, Bollinger added.

Manager for Sports Needed

Dave Pantoskey, ASB president, is considering the proposal made by Tom Berrey, outgoing president, in his final report to the Student Council, to have one man placed as athletic manager of the intra-mural program at the college for next year's season.

Pantoskey has urged all students who are interested in taking the job to attend the next meeting of the AMS which will be held next Tuesday at 3:30 p.m. in the Student Union.

Pantoskey added that those applying for the job should bring with them proof that they are capable of running a smooth intra-mural program.

WHO WOULD WIN?

Controversy over the outcome of a battle between a boxer and a judoist arises every once in a while in sporting circles. Exponents of both schools predict victory for their respective gladiators.

Some such battles have taken place but the results seem to be about as much legend as fact. The fact remains that no definite outcome can be predicted in such a battle.

NEW TYPE MATCH DISCUSSED

The most recent event discussed involving a judoist is a proposed match between a judoist and a collegiate wrestler.

Wrestling Coach Hugh Mumby, when queried on the outcome of such a match, said, "It would be interesting to see, but so many difficulties would be involved in staging the match that I can't imagine how it would end."

The difficulties involved which Coach Mumby mentioned were principally concerned with clothing. The judoist needs a coat to grab hold of in order to throw a man. This would necessitate the wrestler wearing a coat, which he never does in a match.

The wrestler would be handicapped by a coat on his opponent. The judo coat is loosely worn and would deprive the wrestler of the chance to get some of his holds. Another difference in the competitors would be the variance between their holds.

The wrestler is allowed to lock his hands or feet while he has a hold. The judoist is not. The judoist is allowed to choke his opponent into submission. The wrestler is not.

A judoist can use joint holds which endangers the elbow, usually, of his opponent. Lyle Hunt is very adept at securing this hold and used it freely in the recent national tourney. A wrestler does not get to use such holds.

These differences would make the staging of such a match improbable, but I, for one, would most certainly like to see it done. With the capable coaches we have here at Sparta in both sports, such a match might be a possibility. Who knows, they might evolve a new type wrestling out of the combination of holds, dress and tactics.

Stanley, Priddy Burnett Rank High in Nation

Three Spartan track stars—Captains Walt Burnett and Bill Priddy and half-miler Lang Stanley have been recognized for their outstanding athletic performances by the National Collegiate Athletic Association.

On the latest NCAA honor roll, Burnett is tied for eighth in the nation for collegiate 220 and 440 yard dashmen. His 21.1 furlong clocking has been tied by Dick Fuenning of Brigham Young university and Jie Lea of the Southern California Trojans.

Burnett's best winning time in the quarter-mile is 48.4, but the speedster was timed in approximately 47 seconds last week at the Coliseum Relays in Los Angeles.

Priddy, last year's NCAA co-champion, rates a tie for tenth in the pole vault with a 13'9" height to his credit. He reached up to the 14-foot marker last week at the Modesto Relays, however.

Lang Stanley's school record of 1:52.6 is ranked fourth across the nation. He will be out to better this time when he runs in the Compton Invitational on May 30.

Burnett and Stanley will represent San Jose State in the National Collegiate track meet in Lincoln, Nebr., in June.

Spartans Collect Fourth Straight

By RON WAGENBACH

The Horsehiders of San Jose State and Johnny Oldham made it four in a row over the University of San Francisco this season as the locals edged the Dons, 5-4, yesterday afternoon on the loser's home diamond.

Doug Bochner started the contest, but Oldham relieved him in the eighth frame. The tall left-hander received credit for the three previous victories over the Hilltoppers.

Big hitters for Coach Walt Williams' squad were Ron Kauffman, Don Visconti, Ron Palma and Ralph Cleland. Palma and Visconti each collected two bingles while Kauffman blasted a seventh inning triple that scored two crucial runs.

Cleland, after the Dons had knotted the score in the ninth frame on a homerun off the bat of George Zuka, opened the top of the tenth stanza with a double. He was sacrificed to third and scored the winning run on an infield out. In limiting the Dons to 11 hits, Oldham chalked up his eighth win

of the year. He will be the starting hurler Friday evening when the Spartans play Santa Clara at the Bronco grounds. The locals also garnered 11 hits in posting their 15th victory of the season.

The Don victory ended the Spartans' independent play. They have won eight while losing four. The four losses were administered in doubleheader wins by College of Pacific and San Francisco State.

Williams has indicated that Kauffman will pitch the Saturday evening game against the San Jose Zebras. This will be the final performance of the 1953 Spartan baseball team.

COP Schedules Purdue of Big Ten for 1955

STOCKTON (UP)—College of Pacific announced Tuesday it will play Purdue in 1955.

The game will be played at Lafayette, Ind., on Sept. 24, the opening date on Purdue's schedule.

Purdue is the second Big Ten team the Tigers will meet in the next two years. The Tigers have signed for a game with Indiana on Oct. 2, 1954, to be played at Bloomington.

The last time Pacific played a Big Ten school was in 1946. The Tigers lost to Northwestern, 26-13.

Herm Wyatt Takes Over Pentathlon Leadership

By DON BLOOM

High-flying Herman Wyatt cut loose with a 6 ft. 6 in. high jump yesterday to gain 114 points and take the lead in the school pentathlon competition with a total score of 260 points.

Owen Rhodes maintained his novice lead by jumping 5'8" and upped his total score to 239.

Paced by ex-basketballer Carroll Williams' 6 ft. high jump, the Sigma Alpha Epsilon athletes took over first spot in the fraternity division with 790 markers. Also on the 5-man squad are Al Dunasky, Lane Weiss, Kent Enzensperger and M. Flatley.

One of the features of yesterday's events was a 9.8 century by Don Cruikshank. This is the fastest time run by a San Jose State runner this year.

Dick Stultz came out to run a 10.4 hundred, put the shot over 46 feet, and high jump 5 ft. 7 in. to get into second place in the open division with 258 points, just two behind Wyatt.

John Slaughter, who was leading until yesterday, managed to jump 5'6" but fell behind in points with 250, and dropped to third place.

In fourth position is Gene Denny, who leaped 6'2" to garner 100 points and boost his total to 232. Jonathan Braun is currently in fifth position with 227 tallies.

Twenty-five points behind Rhodes is Bill Gilmore, who hit 5'8" in the pit yesterday. He is two points ahead of the third place man, Art Hiatt, who has notched 212 tallies.

Jim Garcia is continuing to keep pace by scoring 211 points, which gives him a six-point edge over the fifth place athlete, Robert Campbell, with a 205 score.

Behind the Sigma Alphas is Delta Upsilon with 584, Kappa Alpha with 475, Theta Chi with 314 and Pi Kappa Alpha with 381.

This afternoon's event is the running broad jump. Tomorrow the contestants will run the half-mile and then scores will be tallied to crown the 1953 pentathlon champions.

Music Downs Theta xi, 7-1

The Music club continued its winning ways Tuesday afternoon as Theta Xi fell victim, 7-1. This was the only score turned in from Tuesday's softball activity.

The schedule for this afternoon finds PSK battling Kappa Alpha on diamond one and Kappa Tau meeting Sigma Pi on diamond two. Both of these contests are at 4 p.m. At 5 o'clock, PIKA plays DSP on diamond three and Music club faces Sigma Chi on diamond four. Sigma Nu plays DSP in a lone 5:30 p.m. contest.

Clunie Downs Jim Austin in Tourney

Newcomer Ken Clunie defeated varsity tennis player Jim Austin 6-1, 6-3, yesterday on the courts of Backesto Park to highlight the day's action in the All-College Men's Tennis Championships.

The Clunie-Austin match was the only event in the A class.

In B class matches Bob Bell trounced Garth Eaton 6-1, 6-0, and Ron Poindexter topped John Anderson by the same score. Corry Reese scored a 6-3, 6-1 decision over his opponent to keep in the running in the B division.

Clunie is ineligible to compete in intercollegiate sports this year but will be back next season. He has a unique two-handed forehand, somewhat reminiscent of that used by professional player Pancho Segura.

Competition in both classes will continue throughout the eliminations with contestants being responsible for scheduling their own matches in order to have them at the most convenient time for both contestants. Matches are all played at Backesto.

Perry Injured

Assistant football coach Bill Perry was injured while instructing a badminton class recently. Perry crushed a disc in his back and will probably be restricted to bed for at least ten days.

The fraternity has invited Lex Boyd and Dorris Carr, Club Four TV announcers, to act as Relay judges. Five judges are to be selected in all.

A pushcart, provided by Lambda Chi, will be on display in the quad during relay week.

New Members Initiated Into Tau Delta Phi

Tau Delta Phi formally initiated 50 pledges into the honorary society at ceremonies held in the Tower May 16, Rodger Over, grand magistrate, announced.

The initiation was followed by a dinner at the Chateau Boussey in the evening. Dr. William Hermanns, assistant professor of modern languages, conducted an examination of the pledges' papers.

On the Wednesday preceding the initiation the pledges pulled the first pledge sneak in the history of the organization. Under the leadership of Pledge Class President Sam Yates, the pledges trapped five actives in the tower and hauled them off to Anderson dam.

Barbecue Will Highlight Homecoming Activities

The barbecue pits behind the Women's gym will be the site of the annual steak barbecue luncheon to be held on Alumni Homecoming Day, June 6, the Alumni office announced yesterday. President John T. Wahlquist will deliver the key address at the luncheon.

Activities for the day will include tours of the new buildings, a band concert by the college's concert band, and art, library, science and historical exhibits.

Tee-off time for the traditional golf tournament, to be held at Hillview Golf club, will be 7:45 a.m. Trophies will be awarded to the winners.

Members of the class of 1903

will become members of the "Golden Grads," honorary organization for those who have celebrated the fiftieth anniversary of their graduation. The classes of 1928 and 1943 will be honored for 25 and ten year anniversaries.

Many fraternities and sororities on campus have planned open houses from 3 to 5 p.m.

Reservations for both the luncheon and the golf tournament should be placed with the Alumni office before June 1.

The banquet will be held in the Women's club, beginning at 6:30 p.m. Details and planning for the banquet will be discussed at the AWS meeting today at 4:30 p.m. in Room 24.

An evaluation of the year's program and suggestions to improve next year's events were made.

"It is very important that there is a good attendance for this meeting," reminds Miss Larsen.
