BlueKeyWithholds Sale of Directory To Aid Chest Drive

Because of the Campus Chest drive this week, Blue Key, national honor fraternity, has de-cided to withhold sales of their publication until Monday and Tuesday of next week, according to Dave Doerr, fraternity presi-

The original plan was to sell the Key tomorrow and Wednesday, but the group voted to postpone the sale, so that it would not hamper donations to the drive.

The goal set for Wednesday's Chest drive is \$1,000. Ron Gilpatrick, chest chairman, stated that donations equaling 15 cents per students will meet and possibly top the goal. In the past two years the set goal has not been met by the students, reaching only about \$600.

Contribution booths will be located in the Outer Quad, Coop, Library Arch, and Engineering and Music buildings.

"I certainly hope that we will be able to reach the top of our goal and maybe even go over it. It would be quite an achieve-ment since it hasn't happened in the past two years," Gilpatrick stated.

"With all the fine belp we're getting though, I don't see how we can miss," he concluded.
