

# Spartan Daily

San Jose State College

Vol. 42 SAN JOSE, CALIFORNIA, TUESDAY, NOV. 17, 1953 No. 39

## X-Ray Deadline

The last chance for new students to have required x-rays taken will be tomorrow from 9 a.m. to noon and from 1 to 3 p.m., according to Miss Margaret Twombly, director of the Student Health service.

## General Education Program Here Under Scrutiny Friday

The general education program at San Jose State will come under close scrutiny Friday when faculty and administration confer during General Education Study Day.

Sixteen faculty committees will meet during the day to analyze the status of their study areas in relation to general educational standards.

Methods used by other colleges and universities in achieving educational objectives also will come under discussion by the faculty groups.

According to a roster of aims drawn up by Dr. John T. Wahlquist, college president, the committees will investigate and make recommendations concerning the future development of educational opportunities at San Jose State in each of the 16 areas.

Presiding over the discussion groups will be members of the faculty chosen as chairmen by Dr. Wahlquist. The 16 study areas and their chairmen are:

Life Science, Dr. J. Heath; Physical Science, Dr. B. F. Naylor; Literature, Dr. J. Chandler; Philosophy and Values, Dr. A. B. Fallico; Fine Arts, Dr. R. G. Tansey; Practical Arts, J. E. Stevenson; Physical Education, Dr. E. M. Prange.

Personal Hygiene, Dr. A. D. Laton; Oral Communication and Expression, Dr. D. Kaucher; Written Communication and Expression, Dr. J. O. Wood; Psychology, Dr. H. N. Fitch; Family Life Education, D. W. Hardy; Foreign Language, Dr. T. E. Verhaaren; Mathematics, Dr. M. P. Bird; Education, Dr. H. T. Jensen; Social Science, Dr. G. G. Bruntz.

Though the day will be an official holiday for students, those interested in attending any of the above meetings are asked to make arrangements in the office of the Dean of Instruction, Room 122.

Preceding the faculty group meetings, Dr. B. Lamar Johnson, professor of education at UCLA, will speak in the Music building Concert Hall.

## Teachers Needed

Applications for placement in the Oakland public school system in January and February of 1954 are available in the Placement office, according to Miss Doris K. Robinson, director of teacher placement.

## United Press Roundup

### West Contra Costa To Play At Shrine Potato Bowl Dec. 5

RICHMOND, Calif., Nov. 16 (UP)—West Contra Costa junior college at Richmond announced today it had accepted an invitation to play in the Shrine Potato Bowl game at Bakersfield, Dec. 5.

Their opposition may be named tomorrow.

The Comets won their Big Seven Conference title and were undefeated and untied in nine games.

### Rains Threaten Construction Work

Heavy rains would seriously hamper construction of the new Speech and Drama building, Byron Bollinger, superintendent of buildings and grounds, said Tuesday. He commented that clean-up work at the site of the old San Jose high school would be disrupted completely by a downpour.

A cement pour scheduled for today also would be delayed by rain, Bollinger said.

## College Gets New Advisory Panel Member

Allen T. Gilliland, Sr., president of the Sunlight bakeries and the Standard Radio and Television

company, was recently appointed to the Advisory board of San Jose State college.

Nominated to the post by President John T. Wahlquist he will fill the vacancy left by the resignation of E. L. Hayes, former publisher of the San Jose Mercury and News.

The State Board of Education confirmed Gilliland's nomination and Dr. Roy E. Simpson, state superintendent of public instruction notified Gilliland of his appointment.

The newly-appointed board member came to California from Iowa in 1929. Gilliland was an executive of the Continental Baking company for five years before coming to San Jose in 1933.

## 'Firesides' Meet

The Freshman Fireside group under the direction of Shunji Ito and Mary Ellen Bailey will meet tonight in the Student Y at 7:15 o'clock, according to Ito.

The group which normally meets every Friday is invited to attend tonight's meeting of the other group because their own will not meet for three weeks.

## Tomorrow's Chest Drive Strives for \$1000 Goal

The goal set for tomorrow's Campus Chest drive is \$1000. Booths for contributions will be located in the Outer Quad, the Coop, the Library Arch, and the Music and Engineering Buildings.

All money garnered in the drive goes to the Community Chest. In the past two years the college has not reached its goal, each time falling short approximately \$400.

## EDITORIAL

Sue and Sam Spartan will be asked to dig down in pedal pushers and jeans tomorrow and produce 15 cents each for this year's Campus Chest drive. The 15 cents will allow San Jose State college students to meet the \$1000 quota which has been set for this year.

A one-day drive was decided upon this year because the Spartan student body failed to meet the quota in the past on drives which have lasted over extended periods of time.

Instructors who have 10:30 classes have been asked by Dr. John T. Wahlquist, president of the college, to admit students soliciting funds to classes tomorrow.

Emphasis is being placed on this particular drive because, in the past, the students have failed to meet their quota and have had the check picked up by the faculty. In many cases this is patently unfair. Many faculty members live in communities other than San Jose and this makes a double contribution. If they are asked to pick up the check for the students, a triple contribution results.

Practical-minded students will wonder why the faculty has made up the student quotas in the past. The answer is that the faculty has done so to save face for members of the student body. Is this necessary? We don't think so. The student body is larger and the quota the same. How about that?

Of course, there are bound to be some students who cannot contribute. These can be forgiven. The students who will not give to the Campus Chest out of rugged individuality or some other reason similar could give to make up for those who are unable to donate.

We hope that Sue and Sam Spartan can pass up a cup of coffee sometime tomorrow and drop 15 cents in the pot.

## AWS and AMS To Discuss Agnew Thanksgiving Party

The AWS-AMS Agnew Thanksgiving party will be discussed Wednesday at the weekly AWS meeting, according to Chairman Betty Wiser.

AWS and AMS jointly sponsor this party for Agnew patients each year, she explained. Date for this year's party is Nov. 24.

Four novelty acts and possible movies will be on the program. Emcee is Jerry Morrison, AWS is in charge of making tray favors, added Betty.

Also on the agenda will be the AWS Christmas party and the Christmas door decorations contest.

Last week the Sigma Nu "Spaghetti Twisters," a scotch chorus, came to serenade AWS members.

## CAHPER Purpose Explained Tonight

Dr. John Nixon, Stanford professor of physical education, will speak tonight at a meeting to acquaint students with the purpose of the California Association for Health, Physical Education, and Recreation.

Russell Whitman, Phi Epsilon Kappa president, urged men and women physical education majors and minors, health students, and recreation majors to attend the meeting. He explained that preparations will be made for the California association conference to be held here, April 10-13.

Whitman and Alicia Ench are co-chairmen for the conference. Advisors are Bill Perry and Dr. Janice Carlin.

## Show Tryouts

Tryouts for the AMS variety show will be held tomorrow evening at 7:30 o'clock in the Morris Dalley auditorium, according to Dave Pantoskey, AMS president.

The show, to be presented Dec. 2, will consist of a football movie, probably of the SJS-Cal game or highlights of the season, and musical and novelty acts.

## College Receives Thorough Survey

San Jose State college received a thorough inspection Monday and Tuesday of last week when two committees surveyed the college for possible accreditation.

One team represented the Western College association and the other the State Board of Education.

## Acting Chief Justice Installs Class Officers at Recent Council Meeting

This year's senior class officers, were installed by Jim Choate, acting chief justice of the Student Court, at a meeting of the Senior class council yesterday.

Officers installed were Bill Hushaw, president; Jim Walsh, vice-president; Carol Frawald, secretary; and Cara Lee Reger, treasurer.

Price for guests at the Senior banquet to be held Dec. 10 at the Sainte Claire hotel was set at \$3.25.

Barbara Hollenberg was appointed to study the possibility of giving caps and gowns to the school as the class gift.

The Junior council split into informal groups for its discussion of the Junior prom in a meeting in Room 127 yesterday at 8:30 p.m.

Committees for the handling of bids, decorations, publicity and the choosing of a theme for the prom had the pleasure of sipping apple cider while they ironed out the problems of the management of the prom.

## Play Tryouts Open

Tryouts for Eugene O'Neill's play, "Anna Christie," will be held today and tomorrow at 4:30 p.m. in Room 53, according to director Marion Sparks. Tryouts are open to all students.

"The Absent-Minded Professor Contest," sponsored by Alpha Phi Omega, national service fraternity, to promote the Campus Chest drive, received three more entries yesterday. Deadline for entries in the contest is noon today.

New entries are Dr. Francis C. Gale, by Gamma Phi Beta; Wesley E. Overson, by Alpha Eta Sigma, accounting society; William E. Gould, by the Spartan Daily.

A contribution to the chest drive gets anyone a vote in the contest. One ballot goes to each contributor, with an additional ballot for an additional contribution.

A trophy will be given to both the winning entrant and the organization that sponsors him. The trophies will be furnished by the Community Service committee.

Only qualification for entry in the contest, according to Gilpatrick, is that the entrant be a member of the college faculty. His or her name, and the name of the sponsoring organization and its president should be placed on a slip of paper and put in the A box in the Student Union. An organization may sponsor only one candidate.

Other entries and organizations entered are Harry Fitch, Alpha Omicron Pi; Mabel Crumby, Di-Bary House; Edward Shaw, Phi Sigma Kappa; Thomas Eagan, Kappa Kappa Gamma; Ray Wilkerson, Theta Chi; Fred Graham, Sigma Alpha Epsilon; and Carl Rich, Belle Manor.

## Commuter's Club Hold 'Get-together'

The Commuter's Luncheon club, AWS sponsored get-together for women students who live away from school, will hold its first meeting Wednesday from 11:30 a.m. to 12:30 p.m. and from 12:30 to 1:30 p.m. in the YWCA, according to Susan Perry, chairman.

President Paul Sakamoto said that he had received a letter from the freshman class thanking the juniors for their help and cooperation in putting on the two after-game football dances.

It was announced that the sale of rosters' buttons for the COP game would probably net the class a profit of over \$30.

Discussion at yesterday's sophomore class council meeting centered around the increasing enthusiasm in the class. Several methods to increase council membership were suggested and an "enthusiasm committee" leader appointed.

Elections for permanent officers of the freshman class will be held during the first part of winter quarter, announced Rocco Pisano, class adviser, at the group D council meeting yesterday.

According to Paul Thomsen, group president, the report on the submitted budget has not yet been received. The class requested \$320 for the year.

## Governor Knight Begins Political Career Early

Gov. Goodwin Knight began his political career in 1910 as a 14-year-old Los Angeles school boy, delivering handbills backing Hiram Johnson for governor.

Like many Californians he was born elsewhere—in Provo, Utah—where his father, Jesse Knight, was a lawyer and mining engineer.

The future governor was still a youngster when his family came west. He attended Manuel Arts High school in Los Angeles where General Jimmy Doolittle and singer Lawrence Tibbett were among his classmates.

After graduation he mined lead and zinc in Nevada and was a reporter for the now-defunct Los Angeles "News."

A stint in the navy during World War I interrupted his studies at Stanford university, where he received his AB in 1919. While on the Farm, he managed Stanford's yearbook, "The Quad," and was on the staff of the Stanford "Illustrated Review".

In 1921 he was admitted to the California bar and practiced law until 1935, when former governor Frank F. Merriam appointed him to the Superior court of Los Angeles county. He was on the bench until 1948, when the Republicans nominated him lieutenant governor of California. He gathered the largest vote of any opposed candidate for state office.

Four years later he was nominated by both parties, scoring more votes than his four opponents combined.

He became governor last month when Earl Warren was appointed U.S. Supreme court chief justice.

In 1924 Gov. Knight married Arvilla Cooley, now dead. Their children are Marilyn (Mrs. Robert A. Eaton) and Carolyn, a USC coed.

### Gamma Alpha Chi Initiates Eight

Eight new members were initiated into Gamma Alpha Chi, national professional advertising fraternity for women, at ceremonies held recently at the YWCA.

New members are Beverly Becker, Janet Johnson, Nancy Lamb, Margaret Leininger, Nan Perry, Jo Ann Roos, Norma Wright and Emi Yuki.

Gamma Alpha Chi President Barbara Anderson led the ceremonies. Guest speaker was Mr. Carl Hoffmann of the Journalism department.

### Final Blood Plans

Final plans for the blood drive will be discussed tomorrow at 7:30 p.m. in Room 29, Chairman Dick Conzelmann announced yesterday. He requested that all organization representatives be present.

## Thrust & Parry

### Defends Ball!

My Dear Mr. Gruss:  
In regard to your "Thrust and Parry" letter of the 12th, I must say that in some respects I agree with you and in others I wholeheartedly disagree with you.

First, I agree that the silencing of "Mr. Tiger" should have been handled by "Mr. Spartan". Poor taste was shown by the SJS "mobsters" who "ruffed up" the COP mascot.

Secondly, I agree that the Queen, although there, made a rather inconspicuous half-time appearance.

Thirdly, I shared the disappointment of many when I was unable to hear the SJS part of the half-time activities because I was seated at the opposite end of the field.

BUT, Mr. Gruss, I am human—and I think Mr. Jerry Ball is also probably human; and as humans, we are prone to make mistakes, many of them mistakes of malice, of poor taste and of poor judgment.

Now I don't know about you, Mr. Gruss, but, being human, I do not believe the display was "rank" or "despicable." I believe the planned half-time ceremonies were a mistake of poor judgment.

Mr. Ball had courage enough to try something new—unfortunately Mr. Ball lacked the foresight (your hindsight, Mr. Gruss) to anticipate the consequences of such a physically limited program for the purposes for which it was planned.

I'm sure this mistake won't be made again, that Sparta and its Rally committee are capable of profiting from their mistakes.

Furthermore, I trust that in the future our halftime behavior will be of the same fine caliber as our team's playing and that Rally committee programs will be an outstanding credit to the student body of this school.

A. C. ARELLANO, ASB 2367.

### Carry on Pep Squad!

Dear Thrust and Parry:  
In previous years, our pep squads have folded up following football season. This year, we have the most outstanding pep squad we've had at State for years.

We're proud of every one of you; cheerleaders, song girls, flag girls, majorettes, and the band. You've done a good job! You're great! How about carrying on during basketball season? Many colleges from coast to coast have even more enthusiasm and better spirit during basketball season. It's worth trying here isn't it? You're good performers, now show us you are good sports, too.  
D. L. NEUHARDT, ASB 1929

## IRC To Make Model UN Plan

Students who are interested in working in the college's delegation to the Model U.N. are urged to attend the meeting of the International Relations club tonight at 7:30 in the Men's Faculty club, Lon Polk, IRC president, announced recently.

Polk said that interested students will be asked to sign their names and majors to a sheet. This will then be given to a committee appointed by ASB President John Aitken. The committee, usually composed of faculty members, will pick the students to work on the project after considering their background and qualifications.

At tonight's meeting, purposes and organization of the Model UN to be held this Spring, will be explained, Polk said.

## Space Deadline Is In One Week

Karla Jones, co-business manager of La Torre, announced yesterday that Nov. 24 is the final deadline for submitting contracts for space in the yearbook.

Contracts are to be turned in with a deposit or full payment for the space. If a deposit is made, deadline for payment of the remainder is Dec. 1.

# Revelries Tryouts To Be First Part of December

The first week of December has been set aside for tryouts for Revelries, announced producer Bill Kennedy, at the weekly meeting of the Revelries board.

Applications for male members at large are requested by the board. These applications may be submitted to John Aitken, ASB president, or to the Student Council, according to Rosalie Anzalone, chairman of the board.

The board is holding weekly meetings to revise the rules of procedure for Revelries. This is the only all-student activity written, directed and produced by ASB members exclusively.

Present at the meeting Thursday were Margaret Dorril, Norm Yiskis, and Owen Lee, members-at-large; Bill Kennedy, producer of 1954 Revelries; Karl Wilbe, AMS representative; Jan Wilson, AWS representative; and Prof. Theodore Balgooyen, faculty adviser. Joy Mitchell, secretary, and Rosalie Anzalone, chairman, were also present.

Meetings are held every Thursday at 2:30 p.m. in the Student Union.

## Shields Again Sell Cokes at Tourney

Spartan Shields, sophomore men's honorary service organization, again will sell cokes at the Novice Boxing tournament Dec. 3, 4 and 5, Bill Eckert, ASB vice-president and chairman of the Student Activities board said yesterday.

According to Hank Ramp, president of the Shields, this is an annual project to raise funds to finance the Shields' work, projects and activities. They have also sold cokes at other boxing events and wrestling matches, according to Ramp.

## Draft Test Given

The Selective Service Qualifications test for possible student draft deferments will be given Thursday at 9 a.m. in Room T202 for approximately 35 male college students, according to Dr. Harrison Heath, chief testing officer.

Men taking the test must have already applied by Nov. 2. The 150-question examination will run for three hours, stated Dr. Heath.

## Dept. Manager Of Hart's Store To Speak Mon.

Ray Renwick, division merchandising manager of furniture at Hart's Department store, is scheduled to speak on Monday, Nov. 30 at 12:30 p.m. in Room 139, according to Dr. Mel Wright of the Business division. Renwick, the fourth in a lecture series, will speak before the class in Buying for the Retail Store.

In addition to his more routine work, Renwick will relate the story on how he secures merchandise for special promotion sales. "How he gets it, where he gets it, and how he decides what is good from the profit viewpoint will be emphasized," according to Wright. Anyone interested is invited to attend, he said.

## Needs of Blind

Vincent Lopez, former SJS student, addressed the students of the Medical Information class, Occupational Therapy course 134, on needs of the blind last week. Mrs. Eleanor P. Denison, assistant professor of occupational therapy, announced yesterday.

## US Coeds Fear Aggressiveness

Men. Slow down! More than half of the coeds in American colleges are afraid of cats who are "aggressive" on dates, according to a survey taken by Robert D. Wickham of the Baylor University women.

The graduate psychology student included some 700 coeds in his survey. Here's a few interesting briefs extracted from his findings.

Forty per cent of the girls have fears of being old maids; 47 per cent feared they'll not be able to latch onto the mate best suited to them; 50 per cent expressed a conscious fear of "aggressive dates."

No percentage on those who were afraid they could not conceive children or those who feared childbirth.

In other categories, he found that fear of communism and polio are dominant in the thinking of the girl of 1953.

## Residents Charge Students Messy

Complaints have been lodged with Dr. Stanley C. Benz, dean of men, by householders on San Fernando street near the college charging that students have been littering the streets in front of their homes with refuse.

The complaints state that students who buy their lunch at a local sandwich shop leave papers and garbage about the area.

The college has placed a refuse can on SJS property opposite S. Fifth street for student use, according to Byron Bollinger, supervisor of maintenance and repair.

Dean Benz urged student cooperation in the matter.

## CAMPUS CHEST

### EXECUTIVE OPPORTUNITIES for College Men

Future openings for college graduates in both Mail Order and Retail.

The Mail Order Branch at Oakland will employ young men interested in Merchandising, Administrative Accounting, Industrial Engineering and Production Management.

Retail Store opportunities are available for young men interested in training for Retail Store Management. Applicants will be given preference as to store location on the West Coast.

Each young man will be carefully selected and given every opportunity for rapid advancement. Opportunity unlimited in either branch of the business.

Primary consideration is given to the personal qualifications of the individual — his character, background and potential to develop.

Ask the Placement Office for a booklet entitled "Opportunities at Ward's" for complete information on the size and growth of the company and the wide range of opportunities offered.

J. E. Stark, Personnel Manager, Oakland Mail Order Branch, will be on the campus November 19 to conduct interviews for both Retail and Mail Order. Register today at the Placement Office, if interested.

Montgomery Ward & Co.  
MAIL ORDER AND RETAIL

## Teaching Exams Scheduled for Jan. 15

Applications for written examinations for the San Francisco eligibility teaching list must be mailed on or before Jan. 15, 1954, Miss Doris K. Robinson, director of teacher placement, announced.

Examinations will be given to those with credentials in the field of mentally retarded, business education, English, modern lan-

guage, home economics, industrial arts, librarianship, mathematics, men's physical education, women's physical education, physical science and social studies.

The examinations will be given in San Francisco, Feb. 13, 1954. Applications are available in the Placement office.

## "HOW GOES IT?" dials New York — and a building in Illinois answers

Shell Oil Co. wanted a small brick building in Illinois to be able to teletype automatically to a dispatcher in Radio City—more than 800 miles away. The building in Deannison, Ill. is one of four pumping stations on an important oil line. For efficiency, all these stations were to be controlled from New York. Bell System engineers were asked to help.

Now the New York dispatcher operates these stations by using an ordinary telephone dial. By dialing a number, he can make a pumping station automatically report back its meter readings by

teletype! He also dials numbers to open and shut valves, start and stop pumps, and summon an attendant. It's done through Bell System facilities.

These remote-control installations represent salesmanship, research and engineering skill on the part of many Bell System people. That's the reason there are rewarding opportunities in many lines for college people in the telephone company. Why not check soon with your Placement Officer on your chances to start with the Bell System after graduation?

BELL TELEPHONE SYSTEM

# Indian 'Sign' on SJ Remains a Puzzler

By KEITH KALDENBACH  
A dazed Coach Bob Bronzan was at a loss for words late Saturday afternoon following the 54-0 drubbing Stanford handed the Golden Raiders at Stanford Stadium. Gist of most of his conversation was, "I can't explain it."  
Who could explain what happened to a good San Jose State team in the dark shadows of the Indian's mammoth home grounds? Pre-game estimates placed the Spartans as definite underdogs, but by a consensus of three touchdowns, not eight.  
Apparently the only answer to the Raiders' worst defeat since 1923 is that the old Stanford jinx still holds. For some unexplainable reason, every time a San Jose

squad gets near Palo Alto they choke. Could be that the Frisco smog belt is close enough to do its dirty work, but we doubt it.  
In the past, guesses as to the cause of the jinx have included the supposition that the huge size of Stanford Stadium and the aura of the Indian's standing in football overawed the Spartans. This couldn't be true this year for they met Oregon and Cal on successive weekends and should have picked up a little poise from these experiences. Also, Memorial Stadium at Berkeley is every bit as awe-inspiring as is the Indians' domicile.

Whatever the cause, the jinx is still in effect and we must wait till next year to break it, if Stanford schedules SJS again.

Aside from the jinx, injuries, fumbles and unsuccessful gambles played an important part in the Spartans' loss. They lost the ball three times and Stanford capitalized on two of them for scores.

Four of the Spartans' mainstays were injured during the game. Halfback Larry Matthews, Tackle Sal Cardinalli, and Quarterbacks Larry Rice and Benny Pierce all suffered injuries which hurt the Golden Raiders.

Matthews came up with a hip pointer, Rice either a dislocated or broken elbow, Pierce a bruised ankle and Cardinalli a hip pointer.

Summation of the whole affair was aptly performed by Bronzan after the game when he said, "This was the worst game played by any team I have ever been associated with . . . if we had played like this against College of the Pacific last week we would have lost 64-0 . . . the score would have been higher today if Taylor hadn't called 'em off."  
We think Bronzan was right.

# Mermen Play SC in Final Game Tonight

San Jose State college water polo men will be playing their last game of the season when they meet the Santa Clara university varsity here tonight. Game time is 8 p.m.

The Spartan men defeated Cal Poly 13-2, last Friday in a four-way tournament to win the 1953 California State Water Polo championship. In the tournament, Cal Poly took second place; San Francisco State college, third; and Los Angeles State college, fourth.

According to Coach Charley Walker, the championship game was the best team effort of the year. He praised the entire squad, pointing out the close guarding of center back Bill Finch and the aggressive play of forwards Taylor Hathaway and Chet Keil.

In the preliminary game, SJS defeated Los Angeles State college by a 7-4 score.

# Fresno Mudders Down Frosh 25-13

Fresno junior college defeated the Spartababe football team last Friday night in the freshmen's final game of the season. Mud and fumbles played a decisive role in the 25-13 victory for the Rams.

In a driving rainstorm at Spartan Stadium, all Fresno scores and one Spartababe tally were set up by fumbles. Fresno fumbled 12 times and San Jose spilled the ball 11 times, each team losing possession eight times.

The team simply fell apart in face of the Rose Bowl bound Stanford Indians and that was that.

In passing, wasn't Stanford's Bob Garrett great in his record-shattering pass performance? He played only 28 minutes of the catastrophe yet completed 12 of 18 passes for 108 yards and two touchdowns which is pretty fair in anybody's league.

# League Enters Second Half

By WADE WILSON  
The last half of the inter-fraternity touch football league is in full swing again, after a layoff for homecoming week and Armistice day, with three teams still in contention for the championship of each league.

Kappa Alpha and Alpha Tau Omega are leading the American League with four and three wins, respectively, against no losses. Theta Chi trails the leaders with one win and one loss. In the National League, Sigma Nu and Pi Kappa Alpha have three and two wins respectively while Lambda Chi Alpha trails with two wins against one setback.

Only two games were played last week; the ATO's breezed by the SAE's, 20-0, and the Kappa Alpha team swamped the Theta Xi squad, 33-0. Kappa Alpha two-platooned their way to victory.

# League Standings American League

	Won	Lost
Kappa Alpha	4	0
Alpha Tau Omega	3	0
Theta Chi	1	1
Delta Sigma Phi	1	2
Sigma Chi	1	2
Sigma Alpha Epsilon	1	2
Theta Xi	0	2

# National League

	Won	Lost
Sigma Nu	3	0
Pi Kappa Alpha	2	0
Lambda Chi Alpha	2	1
Delta Upsilon	1	1
Phi Sigma Kappa	1	2
Sigma Pi	0	2

# Footballers Meet Thurs. at Stadium

All members of the varsity squad are expected to attend an important meeting at the stadium fieldhouse at 3 p.m. Thursday, Coach Bob Bronzan announced yesterday.

Freshman football players will meet in the fieldhouse Wednesday at 3 p.m.

Attendance at these meetings is required, Bronzan said.

# Ski Club To Meet Tonight For Films

The college Ski club will hold their third meeting of the fall quarter tonight at 7:30 o'clock in Room 117, Lee Yip, club president, announced yesterday.

On the agenda will be a discussion of a possible Thanksgiving ski trip.

# Cross Country Races To Be Here Thursday

Bud Winter's cross country runners will compete with teams from the University of California, Fresno State college, San Francisco Olympic club, Cal Poly, and Santa Clara Youth center here, Thursday afternoon.

Fresno was a late entry last Friday afternoon and is expected to be sparked by their number one runner, Len Thornton, according to Winter. Thornton recently won the 5000 meter event in the Southern California AAU distance running.

Winter said there will be a team trophy and individual trophies for first and second places awarded for Thursday's meet.

SHOES OF DISTINCTION FOR MEN

AS ADVERTISED IN True • Esquire Argosy • Sport American Legion

A quick-witted college student decided to add a new sport shirt to his wardrobe. Although broke, he was unconcerned. He walked into the local sportswear shop and said, "Let me see your smartest checked sport shirts."

The clerk showed him several Van Heusen FIELDWOOD CHECK Sport Shirts. "These are the finest I've got," he beamed. "The fabric is 55% wool and 45% rayon—for kitten's-ear softness and long, long wear. They can be laundered in lukewarm water. And you can choose from a wide selection of small and medium-size checks...and only \$7.95 apiece."

"Just what I was looking for," said the student. "I'll take this one with the medium-size checks."

The clerk wrapped the shirt and handed it to him. "That will be \$7.95," he said.

"On second thought, I'll take that one with the small checks," said the student.

The obliging clerk unwrapped the first shirt, wrapped the second one and handed it to the student, who turned to leave. "Just a minute," cried the clerk. "You forgot to pay for it."

"I gave you the other shirt for it," answered the youth.

"But you didn't pay for the other shirt," continued the clerk.

"Naturally! I didn't buy that one!"
