No. 51

Freshman Election Wed.; Class Has Tremendous Spirit

Members of the Freshman class will go to the poll tomorrow to elect officers for the coming year. The spirit of the election has been such that the turnout of candidates has been one of the best in many years, according to Stan Croonquist, chief justice of the Student Court.

Fifteen candidates will be seeking the four freshman offices when the polls open at 8 o'clock tomorrow morning in the foyer of Morris Dailey auditorium. The polls will be open until 4 p.m.

Alpha Phi Omega, college service fraternity, will assist in the elections by setting up the polling booths. Spartan Shields, sophomore men's service group, will act as guides at the polls in assisting freshman voters.

Croonquist reported that freshmen must have their ASB cards with them in order to be eligible to vote, and he added that the cards must be stamped FRESHMAN or the voter will have to clear through the Registrar's office.

Air Team Answers Commission Quiz

An Aviation Cadet Selection team will be on campus today, tomorrow and Thursday to answer questions of students interested in receiving commissions in the United States Air Force. The team, consisting of Capt. David Hornbuckle, Jr., T/Sgt. George Hydrick, T/Sgt. Loyd Mayo, and Capt. H. J. Sibley will be in the Outer Quad from 10 a.m. to 2 p.m. during the three-day period.

According to Capt. Hornbuckle, initial requirements for commissions can be met by single, male citizens of the United States between the ages of 19-26½ who possess high school diplomas and can pass a qualifying examination. In case of rain the team will move indoors to the Student Union, Hornbuckle said.

Felse Says Union To Remain Open

"The Student Union will stay open nights next quarter as far as we now know," according to William Felse, graduate manager. Hours will remain the same as this quarter, from 8:30 to 10 p.m. on Tuesday, Wednesday and Thursday.

The policy of keeping the Student Union open in the evenings was adopted by the Student Council last April, but went into effect for the first time this quarter.

Revelries Tryouts Continue Today

Tryouts and call-backs for Revelries will be continued today at 3:30 p.m. in Room 33, according to Don Reinke, publicity manager, and Bill Kennedy, producer.

"Live a Little," this year's Revelries production, was written by Sally Curtiss, Sallee Lotz, Joe Lo Bue and Jim Bernardi.

Senior Meet

The Senior class council will meet tonight for the last time this quarter for an informal get-together at the Italian Restaurant, 175 San Augustine, at 5:30 o'clock. Adviser Dr. Vernon Ouellette also will attend the dinner meeting.

Blood Winner

Tabulation of pledge cards to find the winner of the recent Campus Blood Drive is now under way, according to Dick Conzelmann, drive chairman. The winners' name is expected to be announced tomorrow, he said.

A 14-inch trophy will be presented to the fraternity, sorority, independent group or class with the largest percentage of donors.

Fall 'Lyke' Due To Hit Stands

Lyke, campus feature magazine, will go on sale tomorrow morning at 7:30 from six booths situated around the campus.

Magazines also may be purchased from 10 Homecoming Queen candidates who have promised to hawk in their screechiest voices: "Hey, hey whaddaya read? Crawl right up and git'cher copy of Lyke! Ya can't tell one joke from another without yer copy of Lyke! Only one quattah! The fourth part of a dollah!" This literary gem is highly stimulating intellectually, and is of extreme value to one who wishes to acquire a well-rounded picture of college life.

Dick Zimmerman, fashion photographer, stated, "The magazine is dedicated to the holiday spirit. It contains Christmas features which show exceptional workmanship. Also, readers should watch for the 'Santa Claus Girl' on the opening pages and throughout the magazine." Zimmerman also commented that Lyke is the only magazine of its kind that contains full-page photographic fashion advertisements.

Mrs. Dolores Spurgeon, adviser to Lyke, said, "I am particularly impressed with the quality of workmanship and printing in this Lyke. I think the readability and attractiveness of the advertising is outstanding."

Lyke is the product of a publications class and serves as a laboratory for art majors. It is the only publication sponsored by the Journalism department, printed by offset lithography.

Downey Conducts Last of Dedication Concerts Tonight

The last of three concerts to celebrate the dedication of the Music building will be given in the Concert hall tonight at 8:15 o'clock.

Lyle Downey, head of the Music department, will conduct the sell-out concert. William Erlendson, associate professor of music, will appear as pianist.

Events commemorating the completion of what Dr. Downey calls "one of the best music buildings in the nation and certainly the best west of the Rockies," began Thursday at 10:30 a.m. in Concert Hall. Speakers at this dedicatory ceremony were President John T. Wahlquist, President-Emeritus Thomas W. MacQuarrie, and Dr. J. Burton Vasche, associate superintendent of public instruction.

That afternoon Dr. Edwin Franko Goldman conducted the Coast Counties' high school honor band in a clinical rehearsal. One of the best known bandmasters and composers in the world, Dr. Goldman is considered next to John Philip Sousa in prominence.

The big event that evening was the Dedication concert, which was repeated last night and will be given again tonight. Presented were Robert Ward's "Jubilation, an Overture," Randall Thompson's Symphony No. 2, and "Concerto for Piano and Orchestra, Opus 36" by Howard Hanson. All works are by contemporary Americans. Dr. Downey noted that this is fitting, since "the new Music building was built for and is dedicated to the youth of California."

Vanished Java Jug Reappears

The case of the Vanishing Java Jug officially was closed yesterday as Mrs. Margaret Ramonda of the College Coop happily reported that the big black coffee container, missing since the middle of November, has been returned.

The jug reappeared, Mrs. Ramonda said, in the hands of an enterprising and sleuthful student who modestly said he "just found it lying around in a fraternity house."

Mrs. Ramonda, relieved over the return of the jug, heaped praise on the "retriever" and pled him with free coffee as a reward for his resourcefulness, but received a gloomy eye for "the fraternity."

The jug is loaned to persons wishing to take coffee out of the shop, she said, and as a result of its disappearance many have been forced to drink water, a horrible fate for coffeeophiles.

Borrowing procedure from here on necessarily will become a little more stringent, Mrs. Ramonda announced.

Court To Discuss Frosh Elections

All members of the Student Court are requested to attend a meeting of the court today at 2:30 p.m. in the Student Union, according to Stan Croonquist, newly-appointed chief justice. Purpose of the meeting is to iron out final details of the Freshman election tomorrow.

Pan American Men Lose Four Bouts

PARIS (UP)—Lyle Hunt, 23-year-old San Jose State college senior, and John Osako, professor of the Chicago judo club, combined talents last night in the last two matches to stave off a shut-out as

the Pan American judo team lost to the French team before a crowd of 5000 in Coubertin stadium.

Hunt earned a tie with Bernard Pariset, French and European champion. He managed to get his smaller and more agile opponent into the air on several occasions during the five-minute match, but was unable to pin the European who is famous for his almost perfect style. Hunt almost lost the match in the final five seconds as he tired badly.

Osako, a close friend of Hunt's, tied his opponent, Michel Dupre, in the final match of the tournament.

Earlier Hunt had been quoted as saying, "I am not afraid of Pariset, although we have great respect for the perfect style of the French judokas. I believe I can beat him because we Americans have more strength and physical power than most Europeans."

Losing matches for the Pan American team were: A. Kolychkin, a Cuban; Heriberto Garcia; Renaldo Forti, an Argentinian; and Mario Cachile, an Argentinian.

Yosh Uchida, San Jose State college judo coach and athletic trainer, was the non-playing captain of the American team. He was originally scheduled for a contest with Jean de Herdt of France, Europe's top judoka. However, de Herdt bruised a shoulder muscle and was only able to coach the French team.

"We have been greatly impressed by the French organization in the judo code, and we hope one day to be able to do the same in the United States," Uchida said. He predicted judo will some day become "one of the leading sports in the world."

Hunt, who will graduate in March, is a City of San Jose police officer.

LYLE HUNT

WUS Speaker To Be Here

Marisa Fargion, World University Service representative, will be on campus Thursday to speak to students about the background and aims of the organization, Dolores Mathias, WUS campus chairman, has announced.

Plans for the WUS fund-raising campaign to be held in April will also be discussed at the meeting which is to be held at 5:30 p.m. in Room 25.

Miss Fargion, who is of Italian descent and a graduate of the University of Rome, received a Fullbright scholarship to the University of Redlands, where she became active in WUS.

According to Miss Mathias, WUS has a three-fold purpose: student relief and self-help, education for international understanding and research work.

All students interested in WUS are urged to attend this meeting, Miss Mathias said.

'Winslow' Tickets Still Are Available

Tickets are available for performances of "The Winslow Boy" on Thursday, Friday and Saturday, according to Mrs. Linda Franich, Drama department secretary. Tickets may be obtained in Room 57 for 50 cents student price and 75 cents general admission.

Panel To Deny Exam Appeals

No early final examinations will be granted to petitioners and as few changes in the final examination schedule as possible will be made, Dr. Harrison Heath, college testing officer, stated yesterday.

He pointed out that students who plan to leave a week early for Christmas employment or other reasons will have to take an incomplete grade and petition for make-up examinations next quarter.

Changes will be made when a student has four or more final examinations in the same day, as explained in the class schedule, he said.

More Cooperation in the Coop!

We are annoyed, and have been all quarter, at certain conditions which have persisted in the Spartan Fountain, affectionately called the Coop. We feel that the streamlining purposes of the powers who make decisions regarding that establishment have been defeated by a few selfish individuals. We would like to give some examples of what we mean.

One type of individual who takes up space in the Spartan Fountain and makes the would-be breakfast or luncheon stand around gulping food and coffee is the coed with pulchritude and personality who seats herself at a table early in the morning and holds court over a bevy of male admirers. She never seems to go to class and the seven cents she pays for her cup of coffee constitutes a day's rental on a table. We would like to suggest that the seats upstairs in the Student Union are much more comfortable. However, we realize that there wouldn't be so many persons to witness her conquest of so many males, so we don't expect her to change her ways.

Another annoying type of person is the one who manages to get a table, opens his notebook and scatters papers all over. He usually is accompanied by several friends and is able to demonstrate how Coach Bob Bronzan's football squad missed the boat all season by not using the Q or some other kind of a defense or offense. Or he may be the engineering or mathematics genius who is helping a friend with homework, or the chemistry student who knows all the formulas.

Next on the list is the fellow who is about a foot taller than the average individual, who sits on a seat at one of the counters against the wall and throws long legs over two or three more which he is saving for friends, who may or may not arrive.

Still another group exists which takes up partial space at a table. Anyone attempting to take up the remaining space is informed coldly, "This is confidential. Do you mind?"

Frankly, we'd like some student opinion on this matter so that we can relay it to the management of the Spartan Fountain.

We feel that the profits of the establishment could be much larger if some persons didn't take two hours to drink a cup of coffee, and we know that the profits are diverted into Associated Student Body funds so they would be of more benefit to all.

How about it?

Announcements

Alpha Delta Sigma will meet tonight in the J building at 7:30 o'clock.

CCF will meet in Room 39 this afternoon at 12:30 o'clock.

California Recreation society will meet tomorrow evening in the Women's gym between 6 and 8 o'clock.

FMF will meet this afternoon in Room 39 at 12:30 o'clock.

Industrial arts club will meet in the IA lecture room at 11:30 a.m.

Kappa Phi will meet tonight at the First Methodist Church at 7:30 o'clock.

Senior class council will meet tonight in the Italian restaurant, 175 San Augustine, at 5:30 o'clock. Informal get-together of class council and advisor. No reservations necessary.

Ski club will meet in Room 117 tonight at 7:30 o'clock. Last meeting of the quarter.

Ski team will meet after the Ski club meeting in Room 117.

Spartan Shields will meet in the Science building tonight at 7 o'clock.

Spartan Spears will meet tonight in WG2 at 7 o'clock.

Firm To Interview For Sales Trainees

Representatives of the San Bernardino Air Materiel area, Norton Air Force base, and Provident Mutual Life Insurance company of San Jose will be on campus tomorrow to conduct interviews with prospective graduates in the fields of engineering and business administration, according to Mr. James Johnson, assistant placement officer.

Ray Wilson, representing the U. S. civil service, will conduct interviews of engineering majors from 9 a.m. through 12 noon.

Stanley Crockett will interview students for placement with the Provident Life Insurance company as sales trainees. Starting salary in the company ranges from \$250-\$350 a month. A degree in business administration is desirable but not mandatory. Crockett will be on campus from 9 a.m. until 5 p.m.

Thrust and Parry

Thanks for Blood!

Thank you everyone who gave such undivided effort to help with the 1953 Blood Drive. We missed our goal, but that was not due to lack of enthusiasm and help. Everyone gave us all the support we could have asked for, especially when there was an immediate need. The posters, speeches, blood booth workers, orange juice and coffee servers, bottle stackers, furniture movers, postcard mailers, appointment checkers, and telephomers were all volunteers who gave freely of their lunch hours, Thanksgiving vacations and afternoons. The job was too big for a few, so everyone did their share and helped the Blood Drive far surpass last year's total.

San Jose State college students' blood was sent to a local hospital to help in the fight to save Mrs. Newby, wife of Professor Newby of the Modern Language Department. The pints were sent directly from the Student Union where they had been donated only a few hours before by students. How close to home can the need for blood come?

To all those who rolled up their sleeves and to those who helped them, our personal thanks for everything you did, and every pint of blood you gave. Now that you have done it once, try it again come March 1. It will be needed to save someone's life then, too.

DICK CONZELMANN
CAROL BISBEE
Co - chairmen, Campus Blood Drive, 1953

SJ Not a Museum!

Dear Thrust and Parry: I have never before expressed any views in this column, but after the old fashioned, stuffy views expressed yesterday by Mr. Boomer, I cannot remain silent.

The views expressed by Mr. Boomer seem to somewhat parallel the views expressed when the automobile was invented i.e., keep the horse—it's romantic.

After having perspired, squinted and strained to hear lectures in what Mr. Boomer refers to as "extremely nice and very modern," I long to be able to sit in comfort in a functional "cow shed."

The cows never had it so good. Perhaps Mr. Boomer could arrange to have the old San Jose High school restored. It would be

a historic gesture and keeping within his sentimental plans.

It also is a pity that he didn't speak up before all of the historic dwellings east of our campus were torn down.

In conclusion, I say: Let's keep the aims of the college in view. It's not a museum, you know.

BRUCE ELDRIDGE,
ASB 3494

Grade Point Secrets?

Dear Thrust and Parry: Would you please explain what grade-point average or other qualifications a student must have in order to graduate with either departmental honors, with distinction, or with great distinction?

Will you also tell how soon before graduation the above items must be completed. No one at San Jose State seems to have this information. For some reason it is kept a secret by the college. I think the above goals might be some incentive to a few conscientious people to attain higher grades. Perhaps I am wrong.

Stan Clark, ASB 124

Editor's Note:

In answer to questions on the conferring of departmental honors, Dorothy Muzzio, Registrar office secretary, states that this is up to the discretion of the particular department, which takes into consideration each person's grade average as reported by the Registrar's office.

A student automatically graduates with distinction if he has maintained a 2.0 grade average, and with great distinction if he maintains a 2.3 average. All grade point averages through the quarter prior to graduation are used in the final decision.

THE EDITOR.

Grade Envelopes

Students may now see that their grades for this quarter are mailed to desired addresses by filling out envelopes that are available outside the Registrar's office.

Curses, Foiled Again!

Charlie Champ was a scrawny junior who never had any claim to fame on campus. Then, one day, it became known that he had become manager of the Fencing Team. Immediately he was surrounded by a group of incredulous students.

"How come you're managing the Fencing Team?", asked one of them.

"Well, it's this way," replied Charlie. "Last week I went down town and got a couple of Van Heusen VANDUROY Sport Shirts... for only \$7.95 apiece. When I put on one of my rugged corduroy beauties, I looked so handsome that I was immediately surrounded by all the beautiful co-eds!"

"Is that a fact," murmured one of his classmates.

"But then, all their boyfriends gathered 'round and said, 'Charlie, what would you do if we beat you up?' So I looked 'em right in the eye and said, 'I'll manage a defense!'"

"Gee, what happened?" asked a wide-eyed Freshman.

"Just then Angelo, coach of the Fencing Team, walked by. He said, 'You manage de fence. Atta good, da team's need a manager!'"

Menendez Selects Men As 'Outstanding Novices'

Julie Menendez, Spartan boxing coach, yesterday announced the names of the boxers deemed outstanding in the Novice Tournament held last week.

He selected the outstanding men as he posted a list of "worthy candidates" for the varsity and freshman boxing teams. He advised

Bear Quintet Meets Broncs In Cage Tilt

SAN FRANCISCO, Dec. 7 (UP)—California collegiate basketball, off to a fast start in its inaugural week, moves into high gear this week with coast's top clubs in for rugged tests.

Top game of the week matches once-defeated California, the choice of many to win the Southern Division Pacific Coast Conference title, and undefeated Santa Clara, one of the nation's top clubs.

The two clubs meet Saturday night in the Cal gym in a game which pits All-America candidates Bob McKeen of California and Kenny Sears, Santa Clara's elongated six foot, nine inch center, in an individual duel.

California primed for its Santa Clara test with a 56-50 touch and go win over St. Mary's Saturday night, has a Friday prep with San Jose State, which dropped a pair to Oregon up north last weekend. The Spartans, however, put up a surprising show in forcing the Oregon club to a 74-70 overtime Saturday.

Santa Clara mixes in a midweek breather with twice beaten Fresno State, losers last week to San Jose State and University of San Francisco.

ROTC To Vie In Rifle Meet

The Army-ROTC rifle team is to compete for national honors in the 33rd annual Hearst ROTC meet today at 2 p.m. on the locals' range, according to Sergeant Patrick J. Whalen, coach of the squad.

Results of the match, which is to be witnessed and verified by Colonel John E. Rogers, are to be sent to Sixth Army headquarters and then forwarded to Washington, D.C., where national standing positions are to be assigned each team. Results will be posted February, 1954.

Firing for San Jose will be Kaye Tomlin, Frank Martorano, Tom Trebotich, Alan Miller and George T. Payton.

San Jose was rated 16th in the nation last year.

Ski Club To Hear Holiday Trip Plans

The college Ski club will hold a meeting tonight at 7 o'clock in Room 117, Lee Yip, president, announced yesterday.

Jim Tripplett, campus representative of Hoytellet Lodge, will discuss prices for room and board for club members planning to ski during the Christmas holiday. Two trips will be available. They are: from Dec. 26 to Jan. 3, and Dec. 30 to Jan. 3.

Ski club members will be allowed a reduced rate and a minimum of 15 persons will be necessary to open the lodge, Yip explained.

Coach Praises High-Scoring 'Little Man'

"He proved to be as good as any little man we have ever seen in basketball." Thus did Spartan basketball coach Walt McPherson describe the efforts of Carroll Williams, who tallied 27 points against Oregon Saturday night at Eugene.

Williams, who stands only 5 ft. 10 ins., "looked good" against a "great" defense on the part of Oregon, McPherson emphasized.

Saturday night's performance was quite a comeback for Williams, who was held to nine points in the first contest Friday evening.

McPherson said that Williams and Buster Burgos now have a tight hold on the starting guard spots, while Bud Hjelm is secure in one of the forward positions. Dick Brady has a temporary hold on the other forward assignment and the center spot is under experimentation at present.

The Spartans will journey to Berkeley Friday night where they will meet their first big time Northern California competition in the California Bears.

"The team has the same of mind to beat Cal," McPherson said. "They know they have nothing to lose and everything to gain."

Matching bucket for bucket up to the final whistle, the Golden Raiders scored 43 points in the second half.

these men to register in either varsity boxing (17V) or Freshman boxing (17F).

Named as outstanding novice men eligible for varsity competition were Bob Arends, Bob Facchino, Dave Fanner, Bill Feeley, John Freitas, Ray Handel, John Hernandez, Johnny Johnson, Chuck Kenner, Eric Larson, Tom McDermott, Elvin Meek, Joe Muldowney, Raymond Oberne, Standley Pletz, Stuart Rubin, Sal Salcedo, Stetson Schott, Tom Stern, Phil Trowbridge, Max Voshall and Clarence Westman.

While posting the list, Menendez said that it will be impossible to attain the desired conditions unless each boxer trains daily. "No man will be used in competition who is not registered in either P.E. 17V or P.E. 17F," he continued.

Freshmen named as outstanding by Menendez include Jim Chficut, Alvin Julian, Ken Slough and Walter Yates.

Other men considered worthy candidates for varsity competition are Eli Aguilar, Bill Allen, Frank Brennan, Alvin Brown, Dave Cox, Gerald Dahl, Jack Darrak, Dick Fieeger, Ted Fletcher, Ronald Green, Gall Helvie, Everett Martin, Tom McClelland, Ruben Rague, Jim Sheehan, Richard Smith, Dick Thomas, Bill Walker, Bill Walsh, and Bob Waunch.

Freshmen named are Edward Aguon, Dan Bell, Bill Brown, Don Campbell, Rickey Davidson, Don Davison, Fred Deutsch, Gene Fink, Dave Gonzalez, Searcy Miles, George O'Kajima, Jack Pelz, Jim Torney and Bob Underhill.

Menendez advised that varsity or freshman boxers might brush up on the fundamentals of boxing by taking an elementary or intermediate course.

Banquet Tonight To Honor Frosh, Varsity Grid Men

San Jose State college's varsity and frosh football squads will be honored at the Spar-Ten Banquet tonight at 7:30 o'clock at the De Anza hotel.

Basketball Coach Walt McPherson will be the master of ceremonies and City Manager A. P. (Dutch) Hamann will deliver the main address.

Mumby Names Men for UC Hassle

Coach Hugh Mumby named the wrestlers yesterday who will face the California Golden Bears tonight at 8 o'clock at Berkeley.

The team members are: Joe Isasi, 123-lbs.; George Lao, 130-lbs.; Ronnie Stingley, 137-lbs.; Pete Herder, 147-lbs.; Russ Utley, 157-lbs.; Tom Stern, 167-lbs.; Dick Francis, 177-lbs.; and Dick Fieeger, heavyweight.

Ski Team To Meet For Practice Plans

A discussion of plans for practice following Christmas vacation will be the topic at a meeting of the college ski team tonight in Room 117. The conference will follow the Ski club meeting which begins at 7 o'clock.

Team practice was limited during the Thanksgiving holiday because of lack of snow.

Frosh Cager Abed With Flu

Freshman basketball coach Jerry Vroom was an unhappy man yesterday as he contemplated his squad's chances in their season's opener against Hartnell College Friday in Salinas.

Reason for his doldrums was the illness of John Campbell, Vroom's only center, who is confined to bed with a case of flu. Tallest man on the squad at 6 ft. 4 ins., Campbell is expected to be ready by Friday.

The frosh coach said he would send his charges through drills on offensive patterns during the week.

Vroom said that his starting line-up will be: Campbell, center; Bob Chrisco (6-2) and Stan Kilstrom (6-1) or Benny Matulich (6-0) at the forward spots; Roger Smith (5-10) and Ron Skillicorn (5-11) or Danny Wilson (5-10) at the guard spots.

How silent is the night?

Watching the serenity of Christmas skies we are conscious of deep silence. Yet the stars are talking to us all the while—talking in radio waves that are full of meaning to scientists probing the depths of space.

The important discovery that some stars produce radio waves was made by a Bell Laboratories scientist while exploring atmospheric disturbances which might interfere with transoceanic telephone service. His discovery marked the birth of the fast-growing science of radio astronomy. It is telling us of mysterious lightless stars that broadcast radio waves, and it promises exciting revelations about vast regions of space concealed by clouds of cosmic dust.

And so from the probings and skills of Bell System scientists and engineers has come another tool to help man understand better the universe in which he lives. These men are a proud team—members of a still larger team engaged in research, engineering and administration and working on telephone problems in all parts of the country. We would like you to consider joining them.

There are employment opportunities with the companies that provide telephone service, with Western Electric, and with the Bell Laboratories. We need young men for the leaders in tomorrow's Bell Telephone System. Check today with your Placement Officer for details.

Club Sponsors German Style Christmas Party; Invites All

Everyone on campus is invited to celebrate Christmas in the German style tomorrow evening at a party sponsored by the German club, Louis Gregory, president, has announced.

Highlight of the evening's entertainment, which will begin at 7:30 in Room 125 of the Music building, will be the appearance of a Bavarian Santa Claus and his companion, Knight Ruprecht, who traditionally brings switches for naughty children.

Dr. Winifred Ferris is scheduled to read the Christmas story from the Bible in German and several students will present musical num-

bers. Soloists will be Helen Pigrow, pianist; Richard Magary and Charles Cronham, singers, accompanied by Gladys Lange; Wayne Sorenson, oboist; James West, who will play the English horn and Frederic Dutton, who will present a bassoon selection.

There also will be community singing and refreshments will be served.

"From 75 to 100 people attended the party last year and we hope to have at least that many again this year," Gregory said.

Adviser to the club is Dr. Theodore Verhaaren.

SAC Tells Reg Dance Plans

The Scottish Rite Temple, Third and Julian streets, will be the setting for the Winter quarter registration dance on Jan. 4, according to Vern Perry, chairman of the Social Affairs committee.

Alan Ferguson and his band will play for the affair, which will run from 9 p.m. to 1 a.m. Campus clothes is the dress for the dance.

Ferguson, a pianist, will lead his eight-piece orchestra in numbers that he has arranged himself. Perry stated that "he will really be great for the Reg dance, and I feel very lucky in contracting him."

Bread crumbs added to scrambled eggs both improves the flavor and provides larger servings.

Booklet Available

"A Spartan from the Start," a booklet about San Jose State college for new students, is now available to all students in the Activities office, according to Miss Helen Dimmick, dean of women.

The pamphlet was formerly available only to incoming freshmen or transfer students.

Showing of Slides To Highlight HE Department Frosh Meet

"A Home Economics Education as a General Education" is the theme of the department's monthly Freshman Orientation group meeting, to be held tomorrow at 3:30 p.m. in H44, according to Mrs. Mary Morgan, instructor in the department.

Colored slides of student activities in the department, including pictures of the food laboratory, cafeteria, clothing, construction course, nursery school, household furnishings and equipment care course, and of the activities in the home management laboratory will

Music Class Gives Program

Today at 11:30 a.m. in the Concert Hall, Maurine Thompson, associate professor of music, will preside over a program of vocal numbers given by the class in 18th century music literature.

The program will consist of works by H. R. Bishop, W. A. Mozart, T. A. Arne, G. F. Handel, L. van Beethoven, G. Paisiello, G. F. Handel, H. Pucell and F. M. Veracini.

Gibson Walters, associate professor of music, is instructor of the class.

Deserets To Hear Archeologist Talk

Featured speaker at the meeting of the Deseret club Thursday evening will be Thomas S. Ferguson, president of the New World Archeological foundation, Don Tomas, president of the society, has announced.

As the general theme for his address, Ferguson will discuss the correlation of the Book of Mormon with the foundation's work. The meeting is open to students and faculty members.

be shown to the girls, Mrs. Morgan said.

Miss Anna L. Loze, associate professor of home economics, will show the slides while Miss Maude Ashe, also an associate professor of the department, will comment.

Registration instructions for next quarter also will be given, she said.

A Christmas tea will follow the meeting.

Freshmen girls and all other girls interested in home economics are invited to attend.

SJS Students Enter National Debate

Five San Jose State debaters have entered the National Discussions contest, according to Dr. Lawrence Mouat, forensics director.

Janet Ellingson, Barney Chapman, Evelyn Donaldson, Barbara McGee and Bill Marquardt participated in the debate.

The students made a tape recording of their debate on "How can the procedures and practices of congressional investigation be improved?" and sent it to the University of Chicago for judging.

San Jose State is competing with three other schools, Wayne university, Fordham university and the University of Texas. These schools also sent recordings to Chicago. The one placing first, according to the judges, will then compete with winners from other judging centers located all over the United States, Dr. Mouat said.

Results of the first judging will not be known until sometime in the winter quarter.

Dr. Bruntz Speaks On Social Studies

Dr. George G. Bruntz, professor of political science, will report today at 3:30 p.m. in Room 24 on his recent attendance at the National Council of Social Studies Teachers in Buffalo, N.Y., before a meeting of the social science faculty.

Dr. Leo P. Kibby, head of the Social Science department, welcomed all interested persons.

Army aircraft are divided into general types—the fixed wing, including both the two-place and multi-place; and the helicopter, which is divided into utility and cargo (small and large) classifications.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

Here's a sad cotton tale: poor Paul was in a stew about his hair until his paw wrote: "I fear you got a bun on because your girl left you. Now, let's look at the hair facts. To get in on the bunny huggin', smart rabbits foot it down to any toilet goods counter for Wildroot Cream-Oil, America's biggest-selling hair tonic. So fuzz thing tomorrow, invest 29¢ in a bottle or handy tube. Contains soothing Lanolin. Non-alcoholic. Grooms the hair. Relieves annoying dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Sheedy tried Wildroot Cream-Oil and now he's a jump ahead of every Tom, Dick and Harvey. So what're you waiting for? Get Wildroot Cream-Oil today, and ask for Wildroot at your barber's. You're bound to like it!
