Committee Says Abolish Senior Beach, Overnight

Recommendations of the Senior Week Evaluation committee, submitted to President John T. Wahlquist recently, were approved yesterday by the President's Council, according to Dean of Students Joe H. West.

The committee report recommended abolishing the traditional Senior Beach Day and Senior Overnight activities of Senior Week. The committee approved the report after insuring that the Senior Class council had an opportunity to express opinions on the changes, Dean West said.

Included among the recommendations approved by the council were the excusing of seniors from final examinations in the quarter of graduation.

Dean West explained, however, that students graduating at the end of the six week summer session only will be excused from the last day of class activity. If the exam should fall on this date, seniors will be excused.

Autumn and winter quarter commencement dates were established by the council as the last day of classes in each of the quarters.

Dr. Charles Purdy, curriculum evaluator, has been designated by Dr. Harclerod to oversee the program.

Enrollment will be limited to three quarters, after which Exploratory Curriculum students must select a definite major. According to Dr. Purdy, the group will be limited to 100 students during fall quarter.

At present the only fixed requirements planned for the program is Psychology 4, "Occupational and Personal Orientation," which will be given for three units. Courses meeting General Education requirements will complete the study load.

Dr. Purdy emphasized that the program will consist of not more than two courses of an exploratory nature each quarter. At the end of any of the three quarters, he said, students may change to a specific major.

Counselors, drawn from the college faculty, will advise students enrolled in the program. As planned now, there will be one counselor for every 10 students. Advisers will cooperate closely with the Psychology 4 staff to work out individual problems.

The committee working with the Exploratory Curriculum program consists of Dr. Purdy; Dean Stanley C. Benz; Dr. Charles Telford, professor of psychology; Dr. Gene Wallar, associate professor of psychology; and Dr. Richard W. Kilby, associate professor of psychology.

Counseling staff will be chosen from faculty nominees.

UNITED PRESS ROUND-UP

Ike, Dulles Said Marked For Death in Recent Plot

NEW YORK, March 3 — The shooting of five congressmen in Washington on Monday was part of a plot to overthrow the United States government by the assassination of its leaders. Private advice to the United Press from San Juan, Puerto Rico, said today that among those marked for death in the plot were President Eisenhower, Secretary of State John Foster Dulles and FBI chief J. Edgar Hoover.

NATIONALIST CLAIMS WAR
SAN JUAN, P. R., March 3 — Nationalist Leader Pedro Albizu Campos considers Puerto Rico at war with the United States, it was reported today.

An interview, confirmed as authentic by a Nationalist spokesman, also quoted Albizu as saying Monday's terrorist attack in Congress as "sublime heroism."

JET TRANSPORT UNVEILED
SEATTLE, Wash., March 3 —

The United States is entering the jet transport plane field with a \$15,000,000 whoosh.

The Boeing Airplane Co. yesterday unveiled the nearly completed "707," representing a company investment of more than \$15,000,000.

CHINA, NORTH KOREA ACCEPT

TOKYO, March 3 — The Communist governments of China and North Korea have accepted invitations from Russia to attend the Geneva conference, their official radio stations announced.

Baseball Buses

Students will be offered free bus trips to the Spartan-Alameda NAS baseball game today. Buses will leave from the San Carlos street entrance of the Men's gym at 2:30, 3:00, and 3:30 p.m.

Council Hears Wintermist Poll Proposal; Pulls Hoax

Dr. Sweeney Gets Top Post On Committee

Dr. William G. Sweeney, acting dean of educational services, has been named chairman of a committee to plan a program in honor

DR. JAMES C. DEVOSS

of the coming retirement of Dr. James C. DeVoss, executive dean. Dean DeVoss will retire this fall quarter after more than 30 years at San Jose State.

Other committee members announced by President John T. Wahlquist include

Dr. Raymond W. Barry, Dr. Gertrude Cavins, Miss Muriel Clark, Dr. Alice L. Dement, Dr. Hugh W. Gillis, Glenn Hartranft, Carol Hotchkiss (representing the Associated Students), Dr. Leo P. Kibby.

Arthur Lund (Associated Students), Dr. Heber A. Sotzin, E. S. Thompson, Mrs. Gladys L. Vogelman, Mrs. Fern G. Wendt, and Dean Joe H. West.

Dr. DeVoss came to San Jose State, then San Jose Normal School, in 1922 as a professor of psychology. In 1927 he assumed the office of Dean of Upper Division Students. Later he became Dean of Students, Dean of Professional Education, and finally, in 1951, executive dean.

ROTC Seniors 18th in Test

San Jose State College ROTC seniors placed 18th, as a group, out of 26 colleges and universities participating in the Army Q-3 qualifying examination at the 6th Army ROTC summer camp last year. Col. John E. Rogers, head of the SJS department of military science and tactics, announced yesterday.

The test given the seniors last summer is the same one that will be given to ROTC sophomores next quarter. Sophomores will have to score 115 out of a possible 158 to pass the test and gain the upper division of ROTC work.

The test consists of two parts, the first consisting of language questions and the second of mathematics problems.

Luncheons For Faculty

The first of a series of luncheons for the local chapter of the American Assn. of University Professors will be inaugurated tomorrow at 12:30 p.m. in H-17 and will be open to all faculty members, according to Dr. Glenn Reed, chapter chairman.

Executive Dean James DeVoss will speak on "Administrative Problems in Granting Sabbatical Leaves."

Bob Sgarlato, spokesman for the Social Affairs Committee, proposed to the Student Council yesterday afternoon that the student body elections in May include a poll on whether or not the annual Wintermist dance should be formal.

"So much controversy arose over the matter this year that we thought it would be a good idea

Committee Named To Supervise Use Of SJS Buildings

Regulations affecting use of on-campus buildings by off-campus organizations were restated at a meeting of the President's Council yesterday.

Acting Dean of Educational Services William Sweeney was appointed general coordinator for non-class use of classrooms and college buildings.

The regulations affecting use of the buildings include stipulation that college activities will take precedence over all others; no off-campus organization will be granted use of the buildings for any activity for which admission is charged; the using organization will be required to pay a custodian for time any building is used; and use of the buildings on Saturday and Sunday is to be discouraged.

The following committee was named to hold responsibility for assigning facilities in the various buildings on campus:

Art, Dr. Marques Reitzel; Chapel and Union, Miss Helen Dimmick; Engineering, Dr. Ralph Smith; Home Economics, Dr. Margaret Jones; Men's gym, Glenn Hartranft; Music, Dr. Lyle Downey; Natural Science, Dr. Carl Duncan; Speech and Drama, Dr. Hugh Gillis; Women's gym, Dr. Irene Palmer.

Wahlquist To Pick New Dean Soon

President John T. Wahlquist said yesterday that he would follow the Chandler Pattern, an administrative frame set down by the Council of State College Presidents, in choosing the new executive dean.

Dr. Wahlquist said that he had interviewed 20 to 30 applicants for the position through the placement bureaus, suggestions of the faculty, friends and colleagues.

The Chandler Pattern requires the executive dean to be an able assistant to the president in legislation, managing new constructions and public relations, which includes bulletins and brochures of the college.

"I'm going to choose the new executive dean as soon as possible," Dr. Wahlquist said.

Sigma Kappa Wins March Melodies

By SALLY CURTISS

Amid the screams of excited voices, A. M. Ferguson of Ferguson's Music Store announced Sigma Kappa sorority as winner of March Melodies Wednesday night in the Morris Dailey auditorium. They sang "Stormy Weather," "Singing in the Rain" and "Rain."

Second place went to Delta Gamma for their rendition of "Give Me Your Tired, You're Poor" and "Hallelujah." "Stairway to the Stars" and "In the Still of the Night" won third place for Kappa Kappa Gamma.

Kappa Pi, women's Methodist group, were given honorable mention.

Carolyn King emceed the 13 groups who participated in the evening's sing. Incidental music was played by Shirlee Wilson. Co-chairmen were Janet Adams and Judy Mong.

Judges were Ted Balgooyen, Mrs. Stanley Benz and Ferguson.

Two Spartan Daily reporters, including the editor, really fell for one yesterday in the Student Council.

The editor was summoned out into the hall by Vern Perry, Social Affairs Committee chairman. Then the other reporter was faked out of the meeting by a fictitious phone call.

When the reporters returned, the council members were munching apples, and discussing several controversial issues; namely, the abolishing of the Student Court, voting the council \$500 for parties, extra credit for school leadership, and dinks for the freshman class.

Visions of banner headlines danced through the editor's head. But alas, it was all a joke. The council had quickly disassembled the meeting while the reporters were absent.

After a fictitious meeting, the editor's face was about the color of the apples the students were munching.

over its budget. In an earlier report, Perry had estimated that the deficit would be only \$30. The matter was referred to the Board of Control.

In other action, the Council granted permission with the approval of the Student Activities Board, to Dolores Mathias, World University Service committee chairman, to charge admission for the movie "Mahatma Gandhi," which the group plans to sponsor during its fund raising drive April 19-23. The campus organization would receive 40 per cent of the ticket sales.

Profs To Lead Science Panels

Four San Jose State instructors have been selected to attend the National Council for Elementary Science to be held in Los Angeles March 6 and 7 in cooperation with the Elementary School Science Assn.

John Harville, assistant professor of biology and science education, has been selected as leader of a group devoted to discussion of "Science in the Elementary School Curriculum."

Dr. Gertrude Cavins, professor of chemistry and science education, is to lead a panel discussion on "Utilizing Community Resources in the Science Program."

Dr. Carl D. Duncan, chairman of the Natural Science department, is to participate in a discussion of "Pre-Service and In-Service Education of Teachers." Dr. Matthew Vessel is a member of the panel handling "Science Experiences Offer Opportunities for Problem Solving."

Volpone Tickets

Tickets are still on sale for tomorrow night's opening of "Volpone," according to the Speech and Drama office. Curtain time is scheduled for 8:15 p.m. in the Little Theater. Directed by Dr. James H. Clancy, the play will run tomorrow and Saturday nights this week and March 11, 12 and 13.

Truth—Our Human Right

The other day someone on campus said that sometimes newspaper readers don't have a right to be informed of the truth. "Sometimes the truth does a lot of harm when it is plastered all over the front page of the daily newspaper," this person said. "Sometimes more good is done when events are hushed and kept from the readers."

"Look at today's press," this person continued. Then he asked these questions: "What good does it do to spread crime and violence all through the newspapers? What good does it do to criticize the government, the city council, the administration, the planning commission, and the public officials? Does this improve legislation?"

These questions chilled our blood. This sort of thinking overlooks the purpose of the press, which is TO INFORM! To suppress the truth is a boldface violation of the principles on which American journalism is founded.

Truth has a right to be heard. It should not lie dormant and mouldering. It should be brought forth and laid bare before the people—for them to judge. The press is merely the executor of this duty.

If the press loses the right to print the truth, if it loses the right to criticize, or if it is ever forced to print a half-truth, the First Amendment of the Constitution of the United States will be null and void, and the disseminators of the news will be overalled robots, sitting in rooms with pictures spread all over the walls; each picture with the caption, "Big Brother is Watching You."

Soph Hop Tickets Now on Sale; Watson To Vie for Doll Crown

Soph-Hop bid sales started off slowly but last-minute buyers still can get their tickets today and tomorrow from the booth in the Outer Quad, according to Don Abinante, Soph Hop chairman.

Cost is \$2 for the dance which will be held at the Castlewood Country club tomorrow.

Dancing will be to music furnished by the "Stardusters," a band from Stanford. The dance will start at 9:00 p.m. and end at 1:00 a.m.

Virginia Watson was named "Soph Doll" earlier in the week and will compete with "Soph Dolls" from the University of California, Mills College and West Contra Costa Junior College.

The "Soph Hop" is sponsored by the University of California Sophomore class.

Students who bought tickets before the bids had arrived and were given receipts may exchange the receipts for bids in the booth in the Outer Quad, Don Fletcher, soph president, said today.

Luncheon Ticket Deadline Today

Today is the ticket deadline for a luncheon to be given at 12:30 p.m. Monday for Dr. John Mackay, president of Princeton Theological Seminary and moderator of the Presbyterian General Assembly.

The Graduate Manager's office will be open until 5 p.m. selling tickets. They also may be obtained at the Student Y.

Only 150 tickets are available for 25 cents each.

Thrust and Parry

In answer to queries, Thrust and Parry letters were placed in the writer's file until three years ago when student protest caused the practice to be discontinued, according to Joe H. West, dean of students.

Articles to Thrust and Parry now are kept in the Daily office until the end of the quarter in which they were submitted and then they are destroyed.

However, all T&P's must be signed with the writer's name and number before they will be published.

Texas Education

Dear Thrust and Parry:

I'm glad someone remembered to mention TEXAS Independence Day, even though he doesn't seem to know TEXAS never is spelled in small letters—or a serious error is made. TEXAS Independence Day is the anniversary of TEXAS freeing herself from Mexico. San Jacinto Day, April 21, is the anniversary of the end of the revolution. Ever since then, all know TEXAS people will fight for freedom's cause—and they DON'T like having TEXAS spelled in lower case letters.

Yours for more education,

Instructors Meet Today

A general meeting of the California State College Instructors Assn. will be held today to discuss problems facing the local chapter and questions of statewide importance, according to Owen Broyles, local president.

The meeting will be held at 3:30 p.m. in Room 24.

Slated for discussion by the association are SJS ceilings, teacher load, constitutionality of loyalty oath legislation, lay-off rules, promotion changes and general functions and activities of the local ACSCI chapter, Broyles said.

Delegates also will be named to attend the State Council meeting in Los Angeles March 13 and 14.

"Since the association is recognized as the voice of the teachers of state colleges, it is the responsibility of each instructor to support the SJS chapter and see that we exercise our proper leadership in matters pertaining to the state colleges," Broyles said.

Humorous Tirade

Dear Thrust and Parry:

The humorous tirade by two TEXANS in the Spartan Daily (T and P column) against the editor is ample evidence of the somewhat stunted political growth of the inhabitants of that state. That most of the praise for TEXAS is heard from ex-TEXANS or TEXANS residing temporarily in other states is common knowledge. The less fortunate citizens of TEXAS who for cultural, economic or social reasons find existence in other states undesirable seem disinclined to voice their opinions regarding that state publicly. Needless to say, it is hoped that the editor of the Spartan Daily will disregard this threat by red-blooded TEXANS and continue in

Students Not Keeping Files Of Activities

Played in any jacks tournaments or joined any mothball rolling clubs lately? If so, the next question is, have you recorded these activities on the sheets in the Dean of Women's office?

Miss Helen Dimmick, dean of women, reported recently that many students have not kept their activity sheets up to date since filling them out during fall registration. It is important that students record their activities on the sheets because they are a part of the material shown to prospective employers, Miss Dimmick said.

The sheets are placed in filing cabinets in the outer office where they are readily accessible to anyone. They should be left out after use for refiling by the office secretaries, according to Miss Dimmick. She said that reminder cards have been sent out to students who did not fill out activity sheets at registration.

Baseballers Open Season; Boehner Named as Starter

One of the most potent baseball line-ups in Spartan history in the way of experience will take the field at Municipal Stadium this afternoon to open the 1954 San Jose State diamond schedule against the Alameda Naval Air Station at 3:15 o'clock.

Only one man on the starting nine has not seen guidance under Coach Walt Williams before this season. Six were starters last year while the last was ineligible as a transfer.

Third baseman Lou Gambello, a sophomore from Fresno JC, is the only opener that is making his first appearance as a Williams product.

Doing the pitching chores for the diamondmen against the Navy will be veteran righthander Doug Boehner. The San Leandro junior was the hard luck moundsman for the squad last season and wound up with a 3-8 won-lost record. The 6-ft. 2-in. choice is gifted with good control and a sweeping curve ball delivery.

Receiving Boehner's slants will be last year's reserve catcher Mal Leal. Leal batted .281 in 14 games behind Bob Poole for the Spartans of 1953.

Jack Richards, beginning his second season on the varsity, has been shifted to shortstop by Williams to fill the gap left vacant by the graduation of last year's captain, Cookie Camara. The 5-ft. 11-in. short-patcher will be lead-off man for the local nine. Richards had seven doubles in 35 base hits and seven stolen bases as a sophomore. He also led in walks with 37.

Centerfield duties will be handled by quick-thinking Ron Kauffman who will act as a reserve pitcher during the coming spring if he is needed. Kauffman is fast afoot and clever on the base lines.

Flanking the middle gardener will be Don Visconti in left and Ron Walters in right. Visconti started as a first baseman in 1953 before breaking his arm against Stanford. He was moved to the

outfield upon returning and may still be seen there. He could well be the top hitter for the Raiders this season. Walters, a left hander all the way, transferred from Cal Poly and was not permitted to play his first year. Now that he is eligible, Walters looks like a constant threat to enemy pitchers.

Two "old pros" round out the line-up. Dick Brady at first base was the best hitter on the team last year with .323. Brady is a 200-lb. right hand swinger. Ron Palma at the keystone corner will begin his third campaign for the Gold and White.

The freshmen baseballers also open their season at 3:15 p.m. They will oppose Washington High School on Spartan field.

STARTING PITCHER for today's baseball opener against the Alameda Naval Air Station will be righthander Doug Boehner 20-year-old junior from San Leandro. Boehner is one of three veteran pitchers on the Spartan mound staff.

Gymnasts Face SF Olympic Club In Tonight's Meet

The San Jose gymnastic team will have its final meet of the season tonight when it competes with the San Francisco Olympic Club at 7:30 o'clock in San Francisco.

The Golden Raiders are fresh from their first victory of the year as they out-muscled Cal Poly 49-32, last week in Spartan gym.

Ron Phillips is expected to lead the San Jose gymnasts. He captured 27 points last week when he won the all-around, rope climb, flying rings and free exercise, and placed second in the horizontal bar and parallel bars.

Also last week, Jack Alberti took first in the side bar and tumbling, and Bill Bace won the trampoline. Letterman Bob Peavy was second in the tumbling.

Unbeaten Cagers Clash Tonight

A change in the intramural basketball schedule has two undefeated squads, Epsilon Kappa and KKK, meeting tonight at 8 o'clock in the Men's gym. The Westwood Apartments and Collegians contest was moved to Monday.

San Jose State basketball teams have twice won 13 consecutive games and the two streaks were within a three-year period, 1925 and 1928.

Entries Evenly Divided For Interclass Show

An array of fraternity and sorority-sponsored varsity and novice cindermen will highlight tomorrow's interclass track meet beginning at 3:15 p.m. on the Spartan oval.

Teams include Kappa Tau and Chi Omega, Sigma Chi and Kappa Kappa Gamma, Kappa Alpha and Kappa Alpha Theta, Phi Sigma Kappa and Alpha Phi, and Delta Upsilon and Delta Gamma.
