Food Poisoning Indisposes 34 In Fraternity

One member of Theta Chi fraternity is in the hospital and 33 others are recovering from the effects of food poisoning sustained at the group's annual Mother and Fathers' Day function Sunday.

According to Bob Cousins, spokesman for the fraternity, Jack Frear, junior business administration major, is the student confined to a local hospital as a result of the poisoning. Cousins said that at least 10 other members have been taken to the hospital for a check-up since the Sunday affair.

Cousins told the Spartan Daily that about 80 per cent of the 150 persons present at the function had suffered some ill effects after the dinner. He said that 34 of the fraternity's 41 members who live in the house had been hit. Calls have been coming in to the fraternity house from the parents. Cousins reported, indicating the number who have been affected. One of the mothers also was taken to the hospital, he said.

Group To Discuss Segregation Topic

"The Supreme Court Ends the Civil War," or the implications of the recent Supreme Court decision on segregation, will be discussed tonight for all interested students and faculty members at an open meeting to be held at the Student Y at 8 o'clock, according to Bruce Sweet, president of the Student Y.

Three members of the San Jose Council for Civic Unity will lead and participate in the presentation and discussion. They are L. Ben Howard, social science instructor at Abraham Lincoln High School; Mrs. Florence Bryant, assistant professor emeritus of English at San Jose State College, and Robert Lawrence, accountant, SJS graduate and former officer in the U. S. Navy. Howard and Mrs. Bryant are currently members of the Board of Directors of the Council. Lawrence is a past member of the board.

'30' Club Names Emcee for Dinner

Danny Hill, athletic news director, was named official emcee yesterday for the first annual "30" Club "Deadline Dinner" which will be held Thursday in Newman Hall. The evening's festivities are scheduled to begin at 8 o'clock.

"30" Club members have been squeezing skit rehearsals in between their "Spartan Daily" duties this week and club President Dick Jones promised yesterday that the students would do "honest" interpretations of George "Kodak" Stone, James "Hypo" Craig, student council members, and other college officials who "appear" in the skits.

Tickets still may be purchased from any "30" Club member in the Daily newsroom or by calling Ext. 210.

Lund Will Preside Over New ASB Council at Meeting Today

The first session of ASB President Art Lund's "new administration" will convene in the Student Union this afternoon at 2:30 o'clock. Slated for discussion at the new Council's first meeting is the appointment of a faculty adviser

Display Features Student Art Work

Student art work for the past school year will be featured at an Art department open house June 1, from 7 to 9 p.m. Students and residents of the community are invited to see the work on display in the art wing and in the Reserve Book Room in the Library. It will be a comprehensive exhibit from all art courses.

DU Captures 'Sing' Trophy

Delta Upsilon captured the gold trophy for first place at last night's annual Spring Sing. The sing, sponsored by the Inter-Fraternity Council, drew a standing-room-only crowd to Morris Dailey auditorium.

Sigma Chi and Sigma Alpha Epsilon won the second and third place trophies while fourth and fifth places were earned by Theta Chi and Pi Kappa Alpha. Dean of Men Stanley C. Benz awarded the trophies to the winners of the first three places.

Victorious Delta Upsilon sang "Riff Song" and "Kentucky Babe." "Salute to Al Jolson" and "You'll Never Walk Alone" were the songs sung by Sigma Chi for second place honors. "You'll Never Walk Alone" also was chosen by Sigma Alpha Epsilon along with "There's Nothing Like a Dame."

Other fraternities who entered the competitive songfest were Phi Sigma Kappa, Kappa Tau and Alpha Tau Omega.

Master of ceremonies for the evening was Jim Morris.

Committee Plans Membership Talk

A meeting of the Social Affairs committee will be held at 3:30 o'clock this afternoon in the Student Union, according to Jim Cottrell, SAC chairman.

Main business on the committee's agenda is the formation of a membership committee and the installation of officers, Cottrell said.

Committee Plans Membership Talk

A meeting of the Social Affairs committee will be held at 3:30 o'clock this afternoon in the Student Union, according to Jim Cottrell, SAC chairman.

Main business on the committee's agenda is the formation of a membership committee and the installation of officers, Cottrell said.

The Council will also hear the report of Paul Sakamoto on the National Students Assn. meeting, which was held at Mills College last night.

The meeting was attended by Sakamoto and Sam Yates, representing SJS as observers. SJS was invited to send delegates last week to observe the organization and consider joining the group to which most large colleges in the area already belong.

The Council also will hear reports from Chief Justice Stan Croonquist on the Student Court and from Shunji Ito on the Rally committee.

suddenly Monday night while dining in a restaurant near Palo Alto.

According to Mrs. Patty Dillwood, secretary of the English department, Dr. Shoup was taken suddenly ill. Efforts of a physician who happened to be in the restaurant, were futile and she was pronounced dead upon arrival at the Palo Alto Hospital.

Dr. Shoup had taught at San Jose State since 1948. Prior to that she served with an overseas Red Cross hospital unit, from 1943 until 1945. Other teaching positions were at Stanford University, Ginling College in Nanking, China, and Colorado State College.

She is survived by two brothers: Jack Shoup, executive secretary of the Stanford Alumni Assn., and Carl Shoup, a professor at Columbia University.

Funeral services will be held this afternoon at 4 o'clock at Roller and Hapgood Mortuary in Palo Alto.

Student Court Wants Addition

The Student Court recommended yesterday that the new ASB by-laws regarding nonfeasance, malfeasance, and misfeasance be extended to have the class officers expressed in writing in the new amendments.

The law now includes "any elected or appointed officer of the Associated Students, or of any board or committee created by the Student Council." The words "and class officers" would be included under the Court's proposal.

The recommendation will go before the Student Council today, according to Stan Croonquist, chief justice.

Also at yesterday's session, the Court requested a budget of \$185 for next year's expenses.

Rally Committee To Hold Meeting

A meeting of the Rally committee will be held this evening in Room 33 at 8 o'clock, according to Shunji Ito, Rally committee chairman.

Main items on the agenda are the discussion of the success of the Ugly Man contest and the division of the committee into sub-committees in preparation for next year's activities.

Wahlquist Names Dean's Successor

C. Grant Burton, 38, currently an instructor of English and speech at Long Beach City College, has been appointed by President John T. Wahlquist to the position of executive dean, effective August 1.

He will succeed Dr. James C. DeVoss, who is retiring Oct. 1 after 32 years on the college faculty and administrative staff.

Far East Authority To Speak Today On Indochina War

The man who surrendered the Philippines to Japan in 1942, Dr. Claude A. Buss, will speak on the situation in Indochina in the Concert Hall this morning at 11:30 o'clock.

A professor of history at Stanford University, he is an expert on the Far East and has traveled around the world 23 times. He will be introduced by Lowell C. Pratt, associate professor of journalism.

According to members of the Social Science department, he is a very dynamic speaker and should prove quite interesting. At present Dr. Buss is chairman of the committee on Pacific and East Asian studies at Stanford.

At the time Dr. Buss surrendered the islands to Japan, he was assistant high commissioner for the islands.

After the surrender, he was interned in Japan for two years and later repatriated aboard the Swedish exchange ship *Gripsholm*. He was then appointed chief of the San Francisco division of the Office of War Information.

He has been at Stanford since 1946. He taught at the University of Southern California from 1934 to 1941. Dr. Buss received his Ph.D. from the University of Pennsylvania and his LL.D. from Southern California in 1945.

Forensic Groups In McCarthy Talk

"Resolved, that Senator McCarthy has done America more harm than good," is the subject of the second annual Earl Warren debate at 8 o'clock tomorrow evening in the Concert Hall.

One of the major forensic events of the college year, this debate, named in honor of Chief Justice Warren, will be between SJS and COP.

Terry Arnold will take the affirmative stand and Barney Chapman will take the negative. They will be teamed with two COP debaters.

The Sigma Chi fraternity has invited the debaters, judges, group advisers and moderator to dinner before the contest.

C. GRANT BURTON

director of operations and training at Parks Air Force Base from 1951 to 1953.

One of his instructors at the University of Utah, while studying for his A.B. and M.A. degrees, was Dr. Wahlquist, who was dean of the School of Education there before his appointment as SJS president in 1952.

The new executive dean began his teaching career as an instructor of English at Lewis High School in Ogden in 1938. Following his service in the Army in World War II, he joined the faculty of the University of Utah as an instructor in English in 1945. He went to Long Beach City College in 1946 and has been there since, except for the two years with the Air Force.

From 1941 to 1945, Burton was a major in the United States Army and executive officer of the 109th Anti-Aircraft Artillery Group.

He has a wife and three children. Mrs. Burton is a graduate of the University of California.

Air Force Invites Women to Base

Five women students who would be interested in spending a day at Hamilton Air Force Base Thursday are asked to contact the Dean of Women's Office before 3 p.m. today.

Air officials have planned an all-day tour of the base, luncheon, and inspection of aircraft for the five students.

Air ROTC To Hold Final Review; Cadets Receive Awards Tomorrow

The final Air Force ROTC review of the academic year will be held tomorrow by the unit at the Seventh and San Fernando drill grounds commencing at 11:30 a.m., according to Col. R. M. Bristol, professor of air science.

Awards will be given at this review to the four Air Force ROTC cadets who will receive certificates designating them Distinguished Air Force ROTC graduates. Awards by Dr. Elmer H. Staffelbach, the Air Force Assn. and Col. Bristol will also be made.

The review will be the second time that the juniors will be in

command of the unit and will be received by Dr. John Wahlquist, Bernard Barrett, past commander of the San Jose wing of the Air Force Assn., and Dr. Staffelbach.

Dr. Wahlquist will present certificates to the four Air Force ROTC cadets designating them, in the name of the Secretary of the Air Force, Distinguished AFOTC graduates. Mr. Barrett will award the Air Force Assn. Silver ROTC medal to the cadet who has demonstrated unusually high characteristics of leadership, initiative, military bearing and loyalty. Dr. Staffelbach will present an

engraved wrist watch to the cadet who has done most in the interest of the Arnold Air Society, national military fraternity.

Col. Bristol will award decorations similar to campaign ribbons to four cadets selected as the outstanding individuals in each year of the Air Force ROTC course. In addition to the decorations, these cadets will be given airplane models and citations from Consolidated Vultee Aircraft, Republic Aircraft, North American Aviation and Fairchild Aircraft Corporation.

Air Instructor, Student Attend Aviation Day

Charles Cutting, aeronautics operations major, and Nick M. Milichevich, instructor in aeronautics, attended the Aviation Youth Day held at the Sir Francis Drake Hotel in San Francisco Friday night.

Cutting was chosen as the outstanding SJS student in his field. He will graduate this June.

The day, which was sponsored by the California Aviation Assn. and the Bay Area Aeronautical Assn., was held to focus attention on school aeronautical progress and honor students at the schools, according to Thomas E. Leonard, assistant professor of aeronautics.

Cutting received a silver pin and SJS a sheepskin scroll for their work.

George Cooper, chief engineer for Ames Aeronautical Laboratories, was the guest speaker and discussed the present and future trends in aviation.

Chemistry 'Class' Will Hold Seminar

The quarterly seminar of the Chemistry 285 "class" will be held today in Room S31 at 4:30 p.m.

First, last and only speaker for the "class" will be Alvin Beilby, who happens to be the sole member of the advanced class. Usually the course has a number of students enrolled, but Beilby found out at registration that he would be the only student taking the class.

His talk will be on the topic of "Use of Spectrophotometric Data in Determining Equilibrium Constants." All interested students are invited to attend, said Beilby. The "class" is being conducted by Dr. Albert Castro, assistant professor of chemistry.

Students Discuss America's Policy

Discussion of American foreign policy by five foreign students will highlight the meeting of the International Students Organization at 7:30 o'clock tonight in Room 24.

Plans for the annual picnic will be made. Everyone is invited, states Shirley Butler, publicity chairman.

SOMETHING NEW

Something new has been added to the Men's gym. It's Miss Cathryn Sanders from Turlock. Cathy is learning Corienne Buonocore's job so Corienne can retire and become a student at San Jose State. Corienne hasn't exactly decided what she will be majoring in next fall, but the chances are that it will be interior decorating, she says.

BRIEF LETTERS

A letter from Chatham, Va., arrived in the Athletic department recently. It read: "Dear Sir, I would like an athletic scholarship at San Jose State." The Athletic department sent the following reply: "Dear Sir, No." At least we're glad to know that they've heard of us in Chatham.

NICE GOIN' NICK

Speaking of far places reminds us that a fellow named Nick Leonaris is working out every day with Coach Julie Menendez' soccer class. Nick is a nifty player, and the reason we're mentioning it is that the other performers at 1:30 o'clock on Tuesday and Thursday afternoons are getting credit for the class. Nick is doing it to get in shape for competition next fall when San Jose State enters the Northern California Collegiate Soccer League.

TSK, TSK

Speaking of soccer reminds us that as we passed the field where Julie and his men were practicing — if you don't think Julie is playing, you're crazy — we heard a crash. Sure enough somebody had kicked a ball through one of the Chapel windows. The goal counted, too.

NO WORRIES

Coach Walt Williams has few worries about the scholastic standing of his baseball players he declared the other day. He could remember only one performer who has been declared ineligible in recent years. At the end of winter quarter, Coach Williams' performers came up with an overall 1.67 which is a fancy statistic in any league.

Baseball Team Loses Seven Men

By MIKE KONON

Seven seniors made their last season with the San Jose State varsity baseball team a winning one as the Spartans chalked up a 12-win, 10-loss, one-tie season with an excellent record against college opponents.

Don Visconti, who led the Golden Raider hitters with .342 and John Oldham, who led the pitchers with a seven win five loss record, are among the seniors on the Spartan nine.

Other seniors are Third Baseman Bill Pitcher, Catcher Mal Leal, Pitcher-Utility Man Ron Kauffman and Outfielder Jim Coalter.

Wildness in the last game of the season caused Oldham to lose his earned run average lead to Doug Boehner, junior righthander. Oldham led the Spartan four-man pitching staff in earned run average all season, mostly hovering around 2.30. A shutout by Boehner of University of San Francisco and wildness by Oldham against Fort Ord enabled Boehner to take the earned run honors with a 2.62 average to Oldham's 2.72.

The big senior southpaw still took the strikeout title with 145, however. Oldham also led the Spartan staff in innings pitched, wins, games appeared in, started and completed, runs and hits, walks and shutouts. Of the five shutouts the Spartan staff threw this year, Oldham had three and Boehner two.

Visconti took over the batting lead almost immediately after he was declared eligible at the beginning of spring quarter. Although his average suffered somewhat late in the season, Visconti still weathered First Baseman Dick Brady's stretch drive to win the batting honors with .342.

Brady took just about every other hitting prize, leading in hits, 32; times at bat, 99; total bases, 47; doubles, seven; home runs, two; and runs batted in, 25. Visconti was second in the runs batted in race with 19.

Jack Richards, junior shortstop, tied with Visconti for the stolen bases title with six and tied with Outfielder Ron Walters for the lead in sacrifice hits with five. He led in walks with 30.

The Spartans wound up the season with a .242 team batting average and a record of 12 wins, six losses and one tie against collegiate opposition.

Coach Walt Williams will have six regulars and four reserves back for duty on the varsity next year. Returning regulars and their averages for the year are: Catcher Shrunder Willet, .167; Brady, .323; Richards, .212; Walters, .286; Outfielder Bill Anderson, .200; and Boehner, 4-3.

Reserves returning are Infielders Lou Gambello, .217, and Bob Wolfe, .286, Pitcher Reese Dick, 0-0, and Outfielder Don Odishoo, .333.

With a good nucleus of returning veterans and a crop of players from one of the finest freshman teams in the history of the college, Williams is counting on a successful year.

The Spartababes won 19 and lost five this season and Williams anticipates that four of the Frosh hurlers and at least three others will be ready for varsity duty as sophomores.

pa Alpha against Phi Sigma Kappa and Pi Kappa Alpha of the National League.

The leading Phi Sigs, with a five-win no-loss record, faced Alpha Tau Omega yesterday in a replay of a protested game. If Phi Sigs lose, they will drop into a tie with Pi Kappa Alpha, and a coin will have to be flipped to decide the number one team.

If the leaders win, they will play Kappa Alpha in the playoffs, and Pi Kappa Alpha will meet the unbeaten Theta Chi team. If the Phi Sigs lose both the game and the toss, they will play Theta Chi, and Pi Kappa Alpha will face Kappa Alpha.

Intramural playoffs are scheduled for next week.

Sportlights

By BETTY BENNETT

Plans for fall quarter sportsdays were made at Stanford Friday afternoon when girls from San Jose State, San Francisco State, Holy Names, Cal Mills, Belmont and Stanford met. It was decided that the big sportsdays, when all seven schools are invited, would be set at similar meetings. Individual sportsdays will be scheduled by the schools concerned. Phylis Carter and Bobbie Hoepner represented San Jose State.

A WAA handbook to be distributed next fall is being made complete with information of all activities offered throughout a school year, how to join WAA, etc. Co-chairmen of the project are Mardel Sanders and Carol Crease.

WAA's constitution was amended in a recent election. The new amendment demands that participation in an activity shall include keeping time and scoring.

A lounge is now open to all women students upstairs in the Women's gym containing a ping pong table and two new couches purchased by WAA.

J. Slaughter Is Leading Pentathlon

By JOE BRYAN

John Slaughter of the track team took the lead in the pentathlon with 174 points at the conclusion of yesterday's competition. Close on his heels is Owen Rhodes with 171. Ed Kreyenhagen is third with 168. Leading in the fraternity and novice divisions is Bill Lamson with 160.

Kreyenhagen clung to his lead in the decathlon with 3100 points to Rhodes' 3000. Dick Barnes retained the novice and fraternity leads with 2340.

Kappa Alpha fraternity had the most representatives on the field yesterday.

Outstanding performances yesterday were Kreyenhagen's 9.8 century and Jack Albiani's 21.4 furlong. Good performances were Art Hiatt's 9.9 100-yard dash; Albiani's 10.0 century; Don Armstrong's 21.9 220-yard dash and 10.0 century; Bill Stephen's 10.2 for the same distance; Kreyenhagen's 22.0 furlong and Rhodes' 22.2 for the same route.

Coach Bud Winter admitted that some of these performers had done better, but pointed out that hurdler Kreyenhagen and Vaulter Rhodes had turned in remarkable performances in events which they did not specialize in, such as the 100 and 220. Rhodes vaulted 13 feet six inches to gain over 400 points on Kreyenhagen.

Armstrong, the frosh hurdler, is trailing in the novice division, but is one event behind the other performers.

Tomorrow's events will be the high jump and the discus.

This year's turnout of fraternity men has been disappointing to date, but Coach Winter expects it to pick up before the decathlon and pentathlon end Friday. The coach said it will be possible to make up events which have been missed, if the entry has signed up at the proper time.

Judoists Down Parks Airmen, Presidio MPs

Coach Yosh Uchida's varsity judoists copped top honors Friday night at San Francisco in the Presidio Invitational Judo Tournament. The Spartans scored six points in the three-way round robin, while Parks Air Force Base garnered four and the host Presidio military police picked up two.

Jack Crawford paved the way for the Spartans to win the team trophy by winning both his matches.

Win Dahl and Al Cadena each won and drew in their matches, while Don Edwards won a match and dropped one. Stan Treshnell won his match but injured a foot and was relieved by Ken Giles, who was defeated in the second round.

Edwards captured his win from the Presidio's Al Chapman, a former San Jose State student.

Linder Reveals Details Of Scandinavian Tour

Plans being developed for the SJS summer study tour of Scandinavia indicate that the tour will be even more unique and exciting than originally planned, according to Miss Doris Linder, assistant professor of education, who will be the guide.

The 43-day tour, for which 6 units of college credit in social science or education are offered, will depart from New York City on July 2 and return to N.Y. on August 16. Fee for the basic tour (optional plans are available) is \$945. SJS tuition fee for the tour is \$34, including a \$2 student body fee.

The primary purpose of the accredited summer study tour is to acquaint participants with the peoples and institutions of three major Scandinavian countries.

Two weeks will be spent in each country, the capital cities of Norway, Sweden and Denmark will be the headquarters for the itinerary.

The Scandinavian tour includes courses at the University of Oslo, The Swedish Institute at Stockholm, and the Danish Society in Copenhagen, as well as side trips within the countries.

Arrangements have been made, according to Miss Linder, to visit educational and social service institutions, cooperatives, farms, industries, museums and historical sites.

Leaders in education, government and economics will give lectures and be interviewed by the group.

Recent correspondence from the Danish Institute states that participants in the tour will have an opportunity to meet and hear the noted Henning Friis, governmental adviser of social affairs in Denmark. Friis is well known in this country as the editor of "Scandinavia between East and West," published in 1950 by the Cornell University Press.

Other prominent Danish leaders who will speak to the group will include Sven Henningson, professor of modern history at the University of Copenhagen; Thor Pedersen, secretary of the Danish Urban Cooperative Union; and K. Thomsen Jensen, superintendent of schools for Copenhagen.

Special events will include a visit to Krumberg Castle, site of the play, "Hamlet," and a reception honoring members of the tour at the American Embassy in Copenhagen.

Further information concerning the tour may be obtained from

Miss Linder or from the Summer Session office.

Reservations for the trip must be placed with the latter by June 1.

Radio-TV Group Elects Engelberg

Fred Engelberg was elected president of the SJS Radio-TV Guild recently. He has been active this year in the Guild's production of student campus shows over station KEEN.

Voted into the vice president post was Robert Shehtanian, Miki Murphy is secretary. They will hold office for the 1954-55 school year.

Retirement Official Will Speak Today

Ed Coombs, assistant executive officer of the state retirement system will talk to college employees tomorrow afternoon at 3 o'clock in Room S210, according to Byron Bollinger, president of the SJS chapter of the California State Employees Assn.

Also present will be Dennis Verbeck, field representative for the CSEA, Bollinger says. The meeting is open to all college employees.

Grad Completes Tour of Naval Duty

Navy Lt. (jg) C. G. Erb, graduate of San Jose State college, has returned home after a seven-month tour of duty in the Far East with Fighter Squadron 191. Erb piloted the Navy's supersonic F9F-6 Cougar jet off the attack aircraft carrier USS Oriskany while it was operating as a Unit

of Carrier Air Group 19. Upon returning to the squadron's home base at the U.S. Naval Air Station, Moffett Field, Erb will receive orders to a new duty station.

He completed flight training at the U.S. Naval Air Station Pensacola, Fla., in 1951.
