

Library Construction May Begin in June

Spartan Daily

SAN JOSE STATE COLLEGE

LIBRARY

Main Library To See Extensive Remodeling

By STAN SMITH

Construction of the \$1,400,000 addition to the library should start in June and take a year to complete, estimates C. Grant Burton, executive dean.

The three-story structure will be located to the north of the library on the present site of the student book store. The structure will extend almost to the bulletin board by the Student Union.

The addition will have 96,530 square feet of floor space, most of which will be used for new reading rooms. The cost of equipping it with tables, cases and other furnishings has been estimated at an additional \$104,621.

"The added floor space will allow an extensive remodeling of the main library," reveals Miss Joyce Backus, librarian, "and we are going to regroup our services around the respective reading rooms."

The new addition will contain the social science, science and technological, education and instructional reading rooms.

The old library will then devote the entire second floor to humanities reading rooms. The north corridor wall will be removed to make a much larger room of the reading room there.

The ground floor of the main library will become librarianship classrooms, laboratory and offices.

Only the stacks will remain the same, though even they will be rearranged and departmentalized.

The addition will be three stories high but will not be much higher than the main library because of less height between floors.

An odd situation exists in that only the third floor of the stacks will coincide with a floor of the addition. The library as a unit will have no less than seven levels, says Miss Backus, due to the difference in height.

There will be numerous work rooms for group study in the new addition, both large and small, in the different reading rooms. The new plan of arrangement calls for the placing of more reference and departmental books on the shelves of the various rooms, reveals Miss Backus.

The addition will also have an elevator and a San Jose State Collection room where all campus literature will be collected.

Under the new plan, the main entrance to the library will be into the addition. It will also contain the main desk and bibliography room.

"Unfortunately there will be little additional room for shelving of books," says Miss Backus, "but bookcases and floor cases will help the situation. We plan to place the periodicals of the last ten years out in the various reading rooms."

Hazing

Fraternity Action May Be Violation

Action by Pi Kappa Alpha fraternity during informal initiation of fall pledges, which led to the arrest of three of its members by local police early yesterday morning, may constitute a direct violation of the Inter-Fraternity Council Constitution, Robert S. Martin, associate dean of students, said yesterday.

Martin, in reporting on the three lads, who were arrested on charges of petty thievery during a scavenger hunt, said the fraternity action in sending the boys after various items may be interpreted as "hazing." Art. 7 of the by-laws of the constitution forbids hazing. It reads, "Fraternity members may not indulge in any form of on or off-campus hazing."

The action will be referred to the Inter-Fraternity Council and the Fraternity-Sorority Governing Board for consideration, Martin pointed out. The two bodies probably will meet sometime this week, he added.

Jerry Tieracci, Pi Kappa Alpha president, said he did not think the fraternity action had violated the Constitution. He said the fraternity looked upon the action as a prank.

Tieracci admitted the fraternity has violated the constitution if the action can be interpreted as "hazing."

Sakamoto Asks For Leniency

Paul Sakamoto, student activities board chairman, said yesterday that he will write a letter to the Student Court requesting leniency for the three advertising code violators so far indicted.

The SAB had presented the violations to the college prosecuting attorney for action by the court. Charged are Alpha Phi Omega, Class of '57 and the Social Affairs committee. Sakamoto noted that the violations were minor.

The court will consider the cases Tuesday, according to Stan Croonquist, chief justice.

Sakamoto also discovered violations of the code in advertising done by California Student Teachers Assn.

Pilfer Puff Profit

Somebody's walking around with \$18 of San Jose State cigarette smokers' money.

That sum was pilfered from two cigarette-vending machines in the basement of the Student Union last Thursday. A downstairs window was pried open and the machines emptied at 8:30 a.m., Harvey Schaeffer, security officer, disclosed yesterday.

The night watchman spotted one man at the scene and chased him to the corner of 4th and San Antonio streets, where the man was seen to have joined another figure.

San Jose police, who were called in on the case, report no arrests made to date.

Tansey Sees Human Face As Document

The image of the human face is an historical document revealing the character of the culture that produced both face and image, Dr. Richard G. Tansey, associate professor of art, explained last night.

In a lecture, "The Human Face in History and Art," Dr. Tansey told an audience of approximately 160 persons in the Music building Concert Hall that the old pseudo-science of physiognomy—interpreting character from the features of the face—gives way today to a somewhat more scientific study.

This study, he explained, "is the interpretation of historical character from the features of sculptured and pictured faces."

The lecture, illustrated by slides, in essence presented a rapid survey of the history of Europe in terms of changes in the European face.

Fairness Head

FRANCES GULLAND

Gulland Accepts Mosher's Position

Miss Frances Gulland, assistant professor of education, has been appointed chairman of the Fairness Committee, the President's Office announced yesterday.

Miss Gulland takes the place of Dr. Raymond M. Mosher who retired recently. She has served on the committee for three years.

The Fairness Committee investigates student complaints of unfair treatment and recommends procedure to be followed in dealing with the situations.

Lonesome Polecat To Appear Tonight In KLOK Contest

Lonesome Polecat is serious. Tonight he will appear on Dick Garvin's KLOK Spartan Coffee Date at 9:15 for an interview.

Polecat is bolstering Garvin's contest with another local Disc Jockey, Bob Custer, in a March of Dimes fund drive. He is asking that all girls who contact him write letters stating, in 25 words or less, why she would like to go out with him.

Each letter, to be accompanied by a March of Dimes Contribution, will be judged by several campus leaders. The winner will have a date with Polecat for Wintermist.

Entry deadline is midnight, Jan. 20.

His favorite actress is Cass Daley; he likes steak and blue. He hangs out at the Coop. His best-liked record? Guess.

Figures Show 7095 Students

The total enrollment of regular students at SJS is 7095 this term, according to figures released by Glen S. Guttormsen, accounting officer. This is only slightly more than a normal decrease from the 7659 attendance last quarter.

The enrollment of limited students totals 578, an increase of 100 over the drastically curtailed program of the fall quarter. The average number of units carried by these students is four.

The enrollment figures do not change the fact that the college budget is based on an estimated 6400 students in attendance, says Guttormsen.

Cancel Ski Trip

This week-end's trip to Soda Springs has been cancelled by the Ski Club, according to Margie Cranston, club treasurer. Last minute complications made it impossible to find chaperons for the trip. Cut rates at Crest Lodge also will be cancelled.

World News Briefs

U.S. Prepared To Use A-Bomb Counterattack

WASHINGTON, Jan. 12 (UP) President Eisenhower, speaking at his news conference today, said the United States normally would not consider use of tactical atomic weapons in meeting relatively localized combat situations.

However, Mr. Eisenhower said once force is unleashed in the world, nothing can be precluded. This obviously meant that the United States is prepared to use atomic and H-bombs in event of massive aggression.

MARCH DRAFT CALL

WASHINGTON, Jan. 12 (UP) The Defense Department today issued a March draft call for 11,000 men, all for the army.

The call for March is the same as for February and is in line with reduced calls brought about by recent decisions to cut the size of the army to 1,025,000 men by mid-1956.

INVESTIGATES INVASION

WASHINGTON, Jan. 12 (UP) A special inter-American diplomatic investigating commission flew to Costa Rica today to check into a reported invasion of that country from neighboring Nicaragua.

ANTI-AMERICAN FEELING

HIROSHIMA, Jan. 13 (UP) Prime Minister Ichiro Hatoyama revealed today that he has promised U. S. Secretary of State John Foster Dulles that the Japanese government will try to stamp out anti-American feeling in Japan.

INCREASE FOR DEMOS

SACRAMENTO, Jan. 12 (UP) Democrats boasted the greatest number of committee chairmen in the State Senate today in the last 15 years. Democrats led seven committees, their best showing in the predominately Republican upper house since 1940.

Student Council Accepts Rep Ramp's Resignation

The Student Council yesterday accepted the resignation of Hank Ramp, junior class representative to the council.

Ramp, in his letter of resignation, pointed to a desire to bring up a low grade average as his reason for quitting the council position.

In another council action, the group decided to send to the board of control a petition by the International Relations Club that the student body underwrite an All-Social Science conference tentatively

scheduled for late May.

The conference, according to Jim Starrs, IRC president, would bring 300 persons to San Jose to hear seminars with top men in the social science fields.

Starrs pointed out that the meeting could end up with a net profit, which would be turned back to the ASB treasury. He noted that his group had already received enthusiastic support from the administration. However, no financing could be obtained from that source.

Pending board of control approval, Art Lund, ASB president, appointed John Denney, council member, to meet with the IRC conference planning group.

Sororities State Times of Parties

Second parties in the four-part sorority rushing period got under way yesterday when five sororities played host to rushees. Today five other houses will greet rushees.

Dress for the second parties is campus clothes. Third parties will be held this Saturday and Sunday. Dress is at the discretion of each individual house. Fourth parties will be held Tuesday, Jan. 18. Dress for these will be dressy. Rushees will make their preference Wednesday, and Presents will be held Friday, Jan. 21.

No SAC Meeting

There will be no Social Affairs committee meeting today, according to Pat Burch, publicity chairman. Decoration plans for Wintermist were discussed at Tuesday's meeting and plans are still pending for an intermission band, stated Miss Burch.

Changes Stop Pact Signing

Last-minute changes in the SJS-University of Santa Clara anti-raiding pact by Bronco student executives make it impossible for the agreement to be signed before tomorrow's game, as originally planned, Art Lund, ASB president said late yesterday. The changes necessitate a re-vote on the pact.

Meanwhile Lund hopes that a "gentleman's agreement" between the two schools will keep spirit within reasonable bounds.

Democrat Group Elects Officers

Winter quarter officers were elected yesterday by the Spartan Democrats, and the topic of "the pros and cons of universal military service" was decided on for their next meeting, Jan. 26.

Leo Fancey was elected president, Joanne Furrer was chosen secretary, and Bob Bick was elected treasurer. The Democrats elected no vice-president.

Editorial

Let's Not Flub It Now!

Paul Sakamoto, busy man about campus... especially those sections of the campus dotted with posters, is preparing to throw a slightly curved ball to the Student Court and we're hoping that they don't drop it.

Through Sakamoto's detective work, the court has indicted three of the biggest outfits on campus for violations of the advertising code. As head of the Student Activities Board, it's his job to play Sherlock Holmes in the poster department and also his privilege to recommend, as he did yesterday, that offenders be dealt with leniently.

However, that little word "leniently" could be taken seriously enough by the Court to virtually wipe out his previous work and put the skids on the move to make vital and important rules sometimes ignored in the past.

We're not advocating any sunrise executions, but let's not, on the other hand, make the court room Tuesday the scene for trampling underfoot apparently necessary and good student body standards.

SJS Prof's Talk on France Starts San Francisco Series

Dr. Jack E. Fink, assistant professor of English at San Jose State, started a series of weekly talks last night in San Francisco with his illustrated lecture, "Understanding France."

Dr. Fink showed three colored, sound films along with his talk. Free tickets were issued at the door, as they will be for the remainder of the regular Wednesday night lectures.

Dr. Fink, who spent a year in France as a Fulbright Scholar, said his aim in choosing that country as the subject of the first lecture of the series was "to interpret French customs and ideas" so that his listeners might better understand "why a Frenchman acts like a Frenchman and not like us, and why we should be glad he does!"

Formerly a member of the faculties of the University of Oregon, Washington University in St. Louis, and Stanford University, Dr. Fink recently received his doctorate in English from Stanford.

The second lecture of the series will be given next Wednesday night, Jan. 19, at the Galileo High school auditorium in San Francisco.

Meetings Today

Public relations directors for both the Rally committee and the student body have called meetings for 8:30 p.m. today in the Student Union. Newly appointed public relations director to the Rally committee is Gail Wood.

Committee To Try Two-Camp Plan

The Freshman Camp committee determined Tuesday to continue aiming for a two-camp program next summer, which would be the first such achievement in San Jose State history.

Tentative dates for the orientation sessions are Sept. 8-10 for the first Freshman Camp session, and Sept. 10-12 for the second, according to Chairman Sherry Nuernberg.

Miss Nuernberg urged publicity of the camps throughout local high schools.

The two-camp system was attempted unsuccessfully at SJS last summer.

Students To Go To Conclave

Members of Eta Epsilon, home economics social organization, accompanied by members of the home economic faculty, will attend the California Home Economics Assn., Bay Section, meeting Saturday at Stanford University, according to Lorna Mondora, president.

Featured at the meeting will be Dr. Robert North, research associate of the Hoover Institute and library at Stanford, and managing editor of the Pacific Spectator, who will speak on "The Family of India Under Western Impact."

Included in the faculty members which are planning to attend are Dr. Margaret C. Jones, head of the department; Dr. Clara Ruth Darby, Miss Maude L. Ashe, Mrs. Fern G. Wendt and Miss Katherine Young.

Following the meeting, a luncheon will be held in the Stanford Union, Miss Mondora said.

San Jose State's Eta Epsilon club is among the new organizations to participate in the C.H.E. Assn. this year.

Methodist Club Names Topics For Meetings

"Campus Gods on Trial" is one of the topics of two study groups which will begin next week.

Wesley Foundation, Methodist student group, is sponsoring the discussions and has for its second topic, "Rediscovering the Bible," according to Arline Cox, spokesman for the organization.

The purpose of the "Campus Gods on Trial" group is to study current campus philosophies.

Dr. Marion Bird, the first speaker for this group, will discuss "Mammonism" Thursday evening at 7:30 o'clock. The discussion will take place in the Wesley Hall of the First Methodist Church, 5th and Santa Clara streets.

The group on "Rediscovering the Bible" is scheduled to meet on Tuesday evenings from 7 to 8 o'clock at the home of the Rev. Richard Ingraham, 33 S. 6th St., Apt. 4.

All students interested in either of these topics are invited to participate.

India's Agriculture Poor Dr. Steel Informs ISO

"There is little hope for India, agriculturally," said Dr. William Steele, assistant professor of geography, in a lecture before a meeting of the International Relations Club Tuesday evening.

The soils of India are among the poorest in the world, and there is a scarcity of water, although as much as 900 inches per year fall in some parts of the country.

Dr. Steele appeared Tuesday night with the first talk in a series of lectures to be given IRC at each club meeting. The lectures, beginning first with India will be given to prepare SJS Model United Nations delegates for the conference to be held in May.

Lecturing on the geography and agriculture, Dr. Steele outlined some of the problems facing India today. "Besides a scarcity of water and poor soil, there is little natural resources in the country. The only hope as I see it is for better seeds, better farming methods and imported fertilizers to be used upon the present acreage."

Dr. Steele's lecture was the first in a block of four or five lectures dealing with India, the country SJS will represent at the Model UN. The following block of lectures will be on the United Nations.

Students To Take Personnel Tests Saturday Morning

The personnel entrance tests, required of all students who have not yet taken them, will be given next Saturday at 7:45 a.m. in Morris Dailey Auditorium, according to Dr. Harrison F. Heath, test officer.

Students are asked to bring a fountain pen and an electrographic pencil, and be prepared to stay until approximately 5 p.m.

Grad Study Room Changes Location

The Graduate Study Office has recently been moved from Room 122 to Room 108, according to Mr. James W. Brown, graduate study adviser.

Students who have applied to the admissions office for the graduate division and are interested in general secondary work should file applications in the Graduate Study Office.

DPU Dignitary To Visit SJS

Mrs. Dasha Gerckens, grand-president of Delta Phi Upsilon, national honorary fraternity for kindergarten - primary students, will visit the SJS chapter of DPU Saturday.

Mrs. Gerckens will aid the local chapter in making plans for the regional conference of the fraternity to be held at SJS in May. She will be honored at a luncheon being arranged by students Rosemary and Elizabeth Guan, according to Donna Dillon, publicity chairman.

Recently initiated into the local chapter of DPU were Rita Erickson, Jean Goodloe, Janet Ilgen, Margaret Smith and Marilyn Horan.

Library Cases Show Material In Printing Week Observance

The library has in its display cases and on its walls historical materials and color and lithography printing in observance of National Printing Week, Jan. 16-22.

At present the cases in the lower hall contain examples of printing from the local junior and senior high schools. The downtown printing companies are expected to supply exhibits next week.

Work Crews Will Descend On Student Y

The future home of the Student Y at the corner of 9th and San Antonio Streets will be stormed Saturday by the first of a series of clean-up crews, according to Bill Miller, Student Y president.

Primary objective of the initial workday will be the preparation of interior walls and workwork for painting.

The first wave of workers, armed with paintbrushes, sandpaper and paint scrapers, will begin work at 9 a. m. and continue operations until 4 o'clock in the afternoon. Students are invited to fall out and donate two or three hours of their time to the project.

"We hope that everyone will come and make it a bang-up workday," says Miller.

Co-Rec Will Hold Activities Meeting In Womens' Gym

The first Co-Recreation activities meeting of this quarter will be held Thursday from 7.30 to 10 p. m. in the Womens' gym, according to Clark Gethaus, co-chairman of the Co-Rec Committee.

All students are invited to attend the activities which will include badminton, volleyball, ping pong, dancing, shuffleboard, cards and chess.

Group May Issue Student Directory At End of Quarter

The Blue Key Student Directory probably will not be issued until sometime later in the quarter, according to an announcement from Paul Sakamoto, committee member.

"A meeting is scheduled for 2:30 p. m. today in the Student Union, at which we will attempt to work on a system to get the directory out by the end of the quarter," Sakamoto said.

The initiation banquet and election of Blue Key officers also will be discussed.

At the initiation Sakamoto will give a talk on the Blue Key Convention at Indianapolis which he attended.

According to Sakamoto more than 150 delegates attended the convention and represented 97 Blue Key Chapters from 46 states.

Call for Pianists

Piano accompanists are needed for classes in the Womens' Physical Education Department according to Mrs. Lenore Lundemann, secretary.

Students who are interested should check in the office in the Womens' gym or see Dr. Hildegard Spreen, professor of physical education. Both men and women students may apply, Mrs. Lundemann said.

Frosh Who Were Tested Check List

All freshmen who took the personnel entrance examinations on May 15, Sept. 8, or Sept. 16, should check the list posted outside the Personnel Office, according to Dr. Harrison F. Heath, testing officer.

Students whose names appear on the list should report to Morris Dailey auditorium between 2 and 4:30 p. m. Saturday for a 30 minute test. An electrographic pencil is needed.

Tea Room Class Goes to Palo Alto

The Tea Room Management class journeyed to Allied Arts Tea Room in Menlo Park Tuesday for luncheon according to Mrs. Fern Wendts, instructor. The trip was made in order to learn techniques in serving, prior to the opening of the class' tea room here next Tuesday.

The campus tea room, which is a winter quarter project, will be open every Tuesday and Thursday afternoon, and will be run by the members of the class in preparation for training in tea room serving.

Members of the class which took the trip include Lorna Mondora, Marylou Olsen, Barbara Adams, Jacquelyn Rogers and Joy Wilson.

Dr. Reitzel Talks

Dr. Marques Reitzel, head of the Art Department, will speak to the Art Club of Campbell High School tonight, at 7 o'clock at Campbell High School on "New Techniques in Painting."

Rate Card Sellers Peek At Personal Differences

Rally Committee members who have been selling you movie rate cards also have been peeking to see if you have fibbed.

"It's funny," says Bill Bauer, "but I haven't found a single girl that weighs an even 130 pounds, though there have been dozens at 129. What is so heavy about that single extra pound?"

Vet Aid Man Will Discuss Program Here

J. E. Kinney, Jr., a San Francisco representative for the California Veterans Educational Assistance Program, will be on the SJS campus tomorrow from 10 a. m. to 12 noon to discuss veterans' problems and answer questions concerning the program.

Kinney is substituting for John D. Murchison, who previously has made many such visits to the college.

"All interested students, not just those already in the program, are encouraged to talk with Kinney," Glen E. Guttormsen, accounting officer, said.

Engineers Tell Meeting Topic

"Electronic Computers" will be the subject presented to the San Jose State Engineering Society by Richard W. Weeks, associate engineer for research and development at the IBM laboratories in San Jose, tomorrow night at 8 o'clock in the Engineering auditorium.

This will be the first regular meeting of the society in the winter quarter, reports President Stephen Getlik. Refreshments will be served following a short business meeting.

Will Show Slides

Miss Frances Robinson, assistant professor of music, will show colored slides of Europe at 8 o'clock tonight in Room 125 of the Music building.

Miss Robinson has conducted European tours annually. Faculty, students or friends of the college are invited to attend the program.

"Of course the fellows add a couple of inches to their height, so I guess it all evens out."

"Another oddity about the sales of these money-saving cards," plugs Bauer, "is that fraternity and sorority members buy a good portion of the total. They appreciate the saving of up to 50 cents on a single movie."

The sales continue through tomorrow.

Exchange Offering Wide Book Choice

Have you found that hard-to-get text yet? The Alpha Phi Omega book exchange still offers a wide selection of current books and additional ones are being brought in every day, according to Ed Spencer, chairman of the project.

The exchange, located in the Student Union, is open from 9 a.m. until 4 p.m.

"We would like students who are unable to find necessary texts in a previous trip to check at the book exchange again," says Spencer.

All money and unsold books must be picked up by the contributors before 4 p. m. Friday.

Crash Hurts None

Air Force ROTC Instructor William Mullin and SJS student Arthur Robbins escaped injury when their cars collided at the intersection of S. 9th and San Antonio streets at 8 a. m. Tuesday. Robbins received a citation, according to police.

SJS Cage Quintet Ready for Broncs

With the exception of Norm Ponti, the Spartan cagers will be in top physical shape for Friday night's contest at Civic Auditorium against the University of Santa Clara Broncs.

Ponti has been confined at the Health Cottage for several days after a bout with the flu bug and may not be ready for the game. Bob Bondanza, who suffered a broken blood vessel in his left leg in the USF outing, will be recovered fully for the traditional game.

Despite the 56-30 setback suffered at the hands of USF Monday, the Spartans are progressing, Coach Walt McPherson said yesterday. "Bud Hjelm is playing the best ball of his career," Coach McPherson commented. "His backboard and defensive work was outstanding against Washington, College of Pacific and St. Mary's."

McPherson also said Carroll Williams is playing better than ever. He pointed out that Williams is having a harder time scoring than last season because every opponent team is concentrating on stopping him.

John Erceg is starting to come along the way McPherson had hoped, and Ray Goodwin and Harvey Greene will see more action. The coach also cited improvement of Bob Chrisko who has shown well at practice and could see action against the Broncs.

Coach McPherson noted that the Santa Clarans are beginning to live up to their pre-season expectations and will have a hard team to beat. Because the Broncs have several sophomore prospects the Spartans will not have a special strategy. Since there is no way of knowing which of the Broncs will be scoring, the Golden Raiders go into the tilt with the attitude that they are playing an unknown team, such as they would encounter on an Eastern trip.

Intra-Mural Fives To Battle for Cups

Two engraved cups will be awarded to the winners of the intramural basketball leagues, which begin action Jan. 24. Managers of fraternity and independent teams are urged to sign up by Jan. 20, according to Bill Perry, director of the intramural program.

A \$5 fee must be posted in order to insure a successful program. Three dollars will be returned to teams at the close of the league program.

Perry announced practice sessions will be available. Managers may make schedule arrangements for practice. Rules and instructions may be picked up in the physical education office.

On Army Squad

Jack Montgomery, former 147-pound Spartan boxer and now a lie in the Army in Germany, is on the Eastern Command boxing team, which will face the German amateur champions Jan. 29, according to Coach Julie Menendez.

WAA Doings

By JANINE LAFFE

The campus Women's Athletic Assn. recently announced its winter quarter activities, according to Dodie Graber, publicity chairman.

On Mondays, badminton will be played from 3:30 to 4:30 p.m. Bowling will be on the agenda for Tuesdays from 3:30 to 5 p.m. at Bridgeman's Recreation Center. Orchestra, for those interested in dance, also will be held on Tuesdays at 3:30 p.m. Basketball will be played every Wednesday evening at 7 o'clock.

Every afternoon, Monday through Friday, from 1 to 4:30 o'clock, riflery will be held. Those interested in coming out for this sport should contact Nancy Rogers, CY 7-0974.

Gals wishing to swim may do so this quarter from 3:30 to 4:30 p.m. on Tuesdays and Thursdays in the Women's gym pool.

The polls will be open in the equipment room of the Women's gym tomorrow, Monday and Tuesday from 9 a.m. to 4 p.m. for voting on amendments to the Women's Athletic Assn. Constitution.

All active members are urged to vote, Miss Graber said.

Plan Title Fight

NEW YORK, Jan. 12 (UP)—The IBC announced today that Sandy Saddler will defend his world featherweight title against Teddy (Red Top) Davis at Madison Square Garden, Feb. 25.

Wrestlers Meet SF State Tonight

Fifteen bouts are on tap tonight when the Spartan wrestlers invade San Francisco State to meet the Gator grapplers at 7:30 p. m. The Spartan lineup, announced last night by Coach Hugh Mumby, consists of Joe Isasi, 123; George Leo, 130; Ben Fernandez, 137; Lynn Brooks, 147; Tom McIntosh, 157; Gus Talbot, 167; Dick Francis or Jerry Ledin, 177; and Ken Rugg, heavyweight.

Bender To Box P. Marinovich

Pete Marinovich will face Dick Bender Saturday night in the 7th Annual All-College Boxing Tournament. The addition of the Marinovich-Bender 178-pound exhibition bout completes the 12-bout boxing card.

There will be three other exhibitions, followed by eight bouts among members of the boxing squad competing for the starting nod against Washington State College Jan. 21.

Other recent additions or changes to the card include the Al Julian-Kim Kanaya 125-pound bout, the Ron Henry-Henry Rojas 165-pound bout, and the Gerald Dahl-Max Voshall 170-pound bout.

There will be a three-pound weight allowance in each class, according to Coach Julie Menendez. Weigh-ins will be from 9 a.m. to 5 p.m. tomorrow.

Frosh Mentor Calls Thinclads

Allen Dunn, freshman track coach urged all frosh who competed in high school track to turn out for the Spartababe team practice, which is being held daily.

Dunn pointed out that there are openings in every event. The team is especially short of quarter milers, hurdlers, high jumpers, pole vaulters and shot putters.

According to Bud Winter, varsity coach, anyone who participated in high school track will have a good chance of making the team.

Frosh wishing to turn out may contact Dunn at Spartan Field between 1:30 and 5:30 p.m. daily or contact Winter in the Men's gym office mornings.

Extra bouts include Ken Simpkins, Fred Temps, Dick Weger and Chuck Hightower, 157; Jerry Ruse and Russ Camilleri, 191; and Wayne Womer, heavyweight.

Rugg, Talbot and Brooks will face the strongest competition. The trio will be opposed by Heavyweight Ed Tomasello, Bill Schmidt, 167, and Bill Dorffi, 147, top wrestlers on last season's squad.

Members of the squad wrestled among themselves for the starting team against the Gators. At yesterday's deadline, Francis and Ledin had not met for the 177-pound berth.

Student Tickets

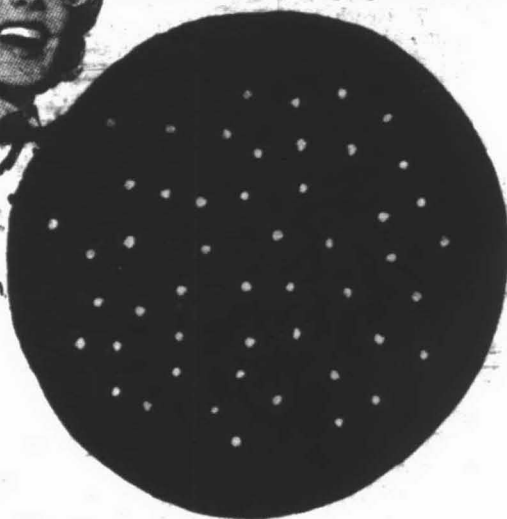

Student admission to tomorrow night's basketball game with Santa Clara at Civic Auditorium will be 50 cents with student body cards, the Graduate Manager's Office reminds.

LOOK! LOOK! LOOK! LUCKY DROODLES!

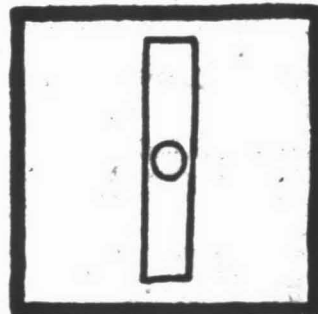

WHAT'S THIS?

For solution see paragraph below.

OBVIOUSLY, THE TITLE of the above Droodle is: 47 insectology students enjoying better-tasting Luckies while studying 3 fireflies. All kinds of students are bugs about Luckies. Matter of fact, college smokers prefer Luckies to all other brands—and by a wide margin—according to the latest and greatest of all college surveys. Once again, the No. 1 reason: Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. So, enjoy the better-tasting cigarette . . . Lucky Strike.
